Older Skates

Oliver (MPA) - When a Pittsford man revealed his winter hat he owned a 54-year-old pair that he had some competition. Walter Grant, Kaleeno township farmer, has a pair of ice skates used by his father that are 70 years old, and another pair he used himself as a boy 60 years ago.

Finds Fire Is Handy

NORTHPORT (MPA) - Walking home from work, Harold Marsh heard the fire siren and wondered where the blaze was. Arriving home, he was surprised to see the fire truck turn into his own yard. A cookstove had caught fire. His wife who put out the blaze before firemen arrived, suffered minor burns.

News from Walled Lake

By C. E. HUTTON. Dates have been set for three youth citizenship instruction meetings of the Commerce township district, preparatory to the awarding of certificates to all young voters who will have attained the age of 21, between May 19, 1939 and May 19, 1940. The latter date has been designated as Oakland County Citizenship day, which will be given over to a celebration appropriate to the recognition of new voters of the county.

A fire prevention warning is issued to home owners and those who have summer cottages, through the Walled Lake fire department. "We are approaching the grass fire season and attention is called to the extra care that should be taken at this time," the statement reads.

Dry leaves and papers may be kicked up by winds from the burning rubbish pile and carried to the roof of a nearby residence, resulting in disaster. All such rubbish should be burned in a safe receptacle designed for such purpose.

Another new enterprise for Walled Lake will be the establishment in the near future of a shoe repair shop in the Sher building. Cecil Kellett will be the proprietor. He was formerly employed at the Ford garage, and left there some time ago to go to Cleveland. He is considering the possibility of operating the repair business in the rear of the store, and dispensing ice cream and sandwiches in front.

Short talks will also be given by Mrs. Glenn Buffmeyer and Mrs. L. M. Phip. The program has been arranged by Mrs. William Fox.

So many Gods, so many creeds, So many cath: that wind and wind When just the art of being kind Is all this sad world needs.

Spring Airing

For the past weeks we have heard much of the grand jury proceedings in Detroit. Sheriff, prosecuting attorney, gambling houses, and bawdy houses are all in the line of investigation. The mess smells. For so many years we have heard mutterings of cockeyed bossism and graft at Lansing; that the announcement of a federal investigation finds a rather warm welcome. If there is this alleged graft, commissions, under covered dealing in state affairs, an airing of household effects will certainly be in season.

Civic Pride

It is time to think of the Spring clean-up. The scum of winter calls for the scrub brush, the broom, and rake. Clean-Up Days will soon focus our attention on yards and civic beauty. Dame Nature will soon bring beauty and warmth to the village. Link with this a growing civic pride in the cleanliness of the village and each year Northville enhances her natural advantages.

There should be in every town a club devoted to beautification of the town. The chief function of such a group is to keep alive the town's civic pride and to make it conscious of the advantages of a beautiful town. Each spring a landscape architect can be secured to talk to its citizens on the importance of a beautiful town to those who live and work there. Suggestions may be made regarding the planting of trees and shrubbery to screen from public view unsightly places. Vacant lots may be screened in with shrubs. The city dump of automobile grave yard at the city limits may be screened in with suitable trees and shrubs. It is a useful and helpful activity.

Bushels of rums, frames, and old glasses—yes, literally bushels, is what we saw garnered from hither and yon for the Dowling Foundation. These rums and frames are being salvaged to provide for better vision for the worthy poor and needy. Yes, we saw these bushels of frames in the office of Dr. John A. Ross, who is the administrator of the foundation. "Without vision the people perish" is the motto of the Foundation dedicated to better vision. The foundation is doing a fine work in pioneering in this vast field of new endeavor.

Despite the increased revenue the State of Michigan faces a deficit of \$2,960,000 by June 30. Ohio started the fiscal year with a debt of \$1,291,769.87. By the end of the year the deficit had been transformed into surplus of over three and a quarter million dollars. What Ohio has done, Michigan can do.

It does seem quite strange to me A person must be dead Before the very finest things Of him are ever said.

It would be well if we would have A word of praise to say Before the undertaker comes To take our friend away.

Remember the big snow storm of April 6, 1886?

No cigarette advertisements have told us that Charles Bachman and Tom King of the Michigan State coaching staff have both been ordered by their doctors to give up tobacco in all forms. Isn't it better judgment to congenitate on character building rather than cigarette ads, anyway?

Auto registration fees in Michigan for 1939 totaled \$21,965,018.00, an increase of \$1,117,705.00 over 1938. For license plates, car owners paid \$19,935,345.00, of this amount \$6,755,775 came back to Wayne in the re-appointment back to counties. Gas tax collections for 1939 were \$29,788,442 compared with \$27,679,387 in 1938.

April 4, 1835, delegates were elected to Michigan's first State Constitutional Convention, which met at Detroit May 11 following.

Michigan will pace the nation in the presidential finals. Barring material changes between now and fall we predict that Michigan will go for the national and state republican tickets.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

You can figure it out for yourself from what you see in daily traffic and what you hear when the talk turns to automobiles.

Buick's pacing the pack. Has been for several years.

It called this year's style turn a year ago. It set current performance standards in '38 with its Dynaflex engine. It still leads the crowd for riding qualities with its Buick Coil-

Springing, now in its third year.

So where's a more logical place to look for next year's "big news" than in this year's big and roomy Buick?

It may be smoother engines. Buick is the only car that now balances power plants after assembly.

Coil springs all-around may come. Buick's never need lubrication, are practically indestructible, and even cut-down skid-risks.

Maybe it'll be heavier frames—Buick has the heaviest of any car of its price. Or maybe many of the "extra touches" Buick so freely applies—safety-latches on rear doors and Two-Way Direction Signals with automatic cut-off.

You get all of these things now in Buick.

Get them with the plus of Buick quality of materials and workmanship—get them at a price that suggests a six instead of an eight.

So it's easy to start enjoying future "new features" right now.

Just go try a Buick. Look it over, inside and out. And get the prices.

Even if you've been buying in the lowest-price field you'll find it takes less than you think to step up to a Buick. Prices begin at \$895* delivered at Flint, Mich.; transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.

You get a "Good Deal" Two Ways from Your Buick Dealer

A good "deal" when it comes to old-car allowances—and a whole of a lot of automobile in your new Buick. See your dealer and find out for yourself.

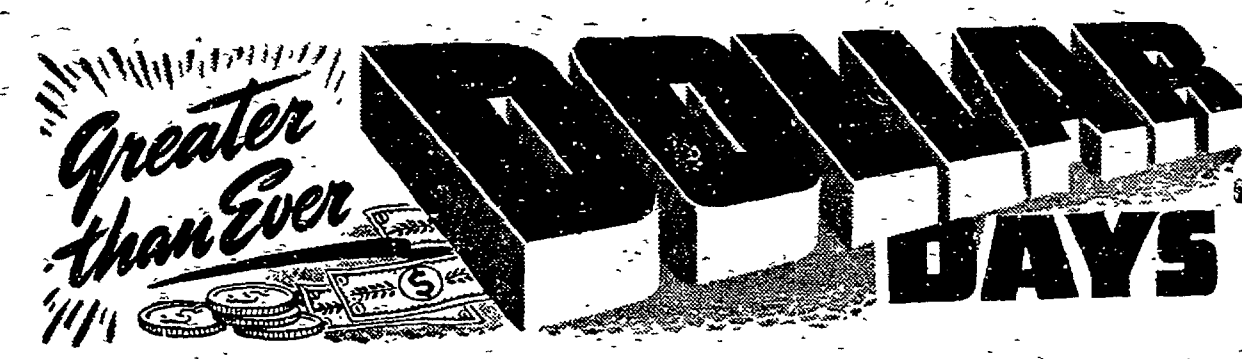

"Best buy's Buick!"

The Northville track team headed by Coach "Tex" Walker will have new equipment to start off the season. They will get 12 new track suits along with a shot-put and other track materials.

Coach Walker says, "I don't expect much of the team this year because of their inexperience in this line." The first track meet will be Apr. 24, with Berkley, and the second will be the Northville fall grounds. The first practice opened with a cross-country race of seven miles which resulted in a few sore muscles. The squad is doing daily routine work at the fall grounds.

Oration Contest To Be Held Soon

N. H. S. and Four Other Schools Will Take Part in Events

Wednesday, Apr. 3, the students who entered the oration, declamation and extemporaneous contests gave their speeches in the senior high assembly sixth hour.

The three who gave orations were Ernestine Lewis, Natalie Whipple and Betty Yerkes. The others who gave declamation speeches were Carroll Carlson, Marjorie Edmondson and Dick Simmons. Chandler Farber was the only contestant who gave an extemporaneous speech, which was very good.

The group in the assembly voted by straw votes. The judges, Charles Yahnke, Mrs. Marshall Herrick and Mrs. G. V. Harrison, chose the following winners: For orations, Natalie Whipple; declamation, Marjorie Edmondson and Carroll Carlson. The two girls will give theirs over in the near future to decide upon the best one.

Chandler Farber, having no competitor, will represent the school in the sub-district contest.

The winners will attend the sub-district contest which will be held in the Northville auditorium, at 7 p.m., Apr. 17.

The other schools competing are: Romeo, Walled Lake, East Detroit and Roseville.

Just two days after Easter, Evelyn Wenker injured her leg while tobogganing in Cass Bernot Park, Monday, Apr. 8, was her first day in school since the mishap and she still walks with a slight limp.

EDITORIAL NOTES

Yes, it's true! The boys have been meeting for baseball practice. This really proves that spring is full under way. Now everything will be baseball, baseball, baseball. Their first game is to be at Berkley, Apr. 30. Our home field will be shared with Trenton on May 2.

There has been a lull in school sports for the past several weeks and now is our chance to have some more fun watching baseball games. The team promises to show us some exciting contests. We have a better chance with Plymouth this year, too, because they lost one or two of their best pitchers in last year's senior class. And then again we have some new fellows on this year's team.

Most of the seniors will not be present for the lead-off game this spring and need I tell you why? They'll be in Washington, of course! The cheering section of the second game will be composed of lower classmen, too, for the seniors will just about be ready for their return trip to Northville. Good luck in starting the season, boys. Hope you win.

After this bit of cheering up, how about all of you coming to the senior play either this Thursday or Friday? Okay? Swell! See you there!

Seniors To Give Play Tonight

Well, folks, the seniors are really practicing on their parts to make the play enjoyable for all who intend to come. The play, as most of you know was held last night and will be held again tonight.

Those who played last night were: Girls—Eugenia Stanford, Natalie Whipple, Pat Klein, Lucy Bidwell, Jean Marouger and Mary Porter.

Boys—Bob Orr, Bob Farmer, Charnelle Hardesty, Junior Holt, Wilford Wilson and Elmer Balko.

Those who are to play tonight are: Girls—Rhea Walling, Amelia Sutton, Marie Angove, Peggy McCollough, Mary Frances Bati and Jean Orr.

Boys—Bob Orr, Bob Farmer, Charnelle Hardesty, Junior Holt, Wilford Wilson and Allen Goto.

The play is only 25 cents for students and 35 cents for adults. Tonight's the last night.

Girls' N-Club Holds Banquet, April 6

The annual girls' basketball banquet was held at the Northville High and Hunt club last Saturday evening.

Their guest was Miss Olga Madar who has refereed several of the girls' games. The alumnae of last year were represented by Jeanne Atkinson, Louise Alexander and Rose Brunson.

From the first and second teams were: Mary Fran Bati, Marilyn Cavell, Yvonne Taylor, Jane Ely, Ida Walker, Correl Carlson, Maxine Coe, Alene Matthews, Helen Dixon, Pat Klein, Jean Orr, Alberta Moe, Shirley Musloff, Gladys Clark, Jane Behen and Elaine Sommers.

Marilyn Cavell was toastmaster. Mary Fran Bati gave the welcoming speech. Miss Gladys Ludwig, Miss Madar and Miss Atkinson gave speeches. Poems were recited by Jean Orr and Elaine Sommers. Jane Behen and Helen Dixon played a piano duet (Chopsticks), and then a song was sung by Shirley Musloff, Gladys Clark and Jane Behen.

Around the School

The advertising committee of the Palladium has progressed well in the last week. The managers of the stores, doctors, florists, creameries, automobile dealers, service stations, ice cream parlors, and other businesses, in fact every business man, has cooperated and contributed. A word of thanks is extended to them for their willingness to back the Palladium staff of this year.

Mrs. Carl A. Bryan of the Northville Laundry staff was a guest speaker at the teachers' meeting, Tuesday, Apr. 2. She spoke on how to obtain books and how long it would take for them to arrive if she sent for any. She had all to make use of the facilities that the library affords.

Organized baseball practice started on Apr. 5, with about 30 boys turning out. Coach Harry Smith organized batting practice for the boys with Ivaue Eaton and Lloyd White pitching and Jim Lafue and Fred Robinson, catching.

Several members of the speech class visited the speech classes at Plymouth high, Tuesday afternoon during the fourth hour. Later in the afternoon, during sixth hour, a group from the Plymouth class returned the visit. Those who went from N. H. S. were Kenneth Rippey, Natalie Whipple, Amelia Sutton, Bob Farmer and Jane Ely. The purpose of these visits was to give criticism to help them in their study of extemporaneous speeches.

Tuesday morning, the boys of the senior class were spoken to by Dean Terpeny of the Detroit Institute of Technology. He talked on unemployment of young men and

N-Club Initiation Proves Humorous

The sweetest "little" girls were visiting the school last Thursday. They were really not "little," but they are girls. It seems those cruel, cruel, N-Club girls were summing up the new members that day. They were all dressed up in big hair ribbons and little girl dresses and they were even carrying dolls.

The girls upon whom this honor was bestowed were Dorothy Orr, Alberta Moe, Marcella Funk, Thelma Grover, Jean Orr, Shirley Musloff, Jane Behen, Gladys Clark, Helen Dixon and Elaine Sommers.
