54 Northville High School Seniors Will Be Graduated, Thursday, June 13

Baccalaureate Is First Activity for Class of '40

Class Night Will Be Held Tuesday, June 11; Week To Be Climaxed with Commencement, June 13

Release Programs

With baccalaureate scheduled for 8 p. m. Sunday, June 9, in the Presbyterian church house, the week's activities centering around the class of 1940 will get under way to be climaxed at 8 p. m. Thursday, June 13, when commencement is held in the Pennington-Allen theatre.

The seniors themselves will take charge of Class Night which will be held at 8 p. m. Tuesday, June 11, in the high school gymnasium.

The Rev. Dr. Thomas W. Smith of the Presbyterian church will deliver the baccalaureate address Bennett Weaver, associate professor of English at the University of Michigan, will give the graduation speech. His talk is entitled, "The Place of the Educated Man in a Democracy."

Mr. Weaver received the popular rating over other speakers at the lecture series sponsored three years ago by the Teachers club. By request, he was brought to the Northville lecture platform again two years ago.

At the baccalaureate service, Miss Ruth Frank will play the processional and recessional. The invocation will be given by the Rev. Harry J. Lord of the Methodist church, and the Rev. Dr. Joseph S. Schramm will give the benediction. The scripture will be read by the Rev. Dr. Howard R. Chapman of the Baptist church. The high school choir, directed by Leslie G. Lee, will sing two songs.

Participating in the Class Night program will be: Bob Parmenter, Wilford Wilson, Marlene Angove, Jean Orr, Harry Porter, Alan Goto, Norma Goto, Elviera Trofasi, Mary Potter, Kendall Willis, Jean Lyke and Arlene Blake.

Prin. G. V. Harrison will present the members of the graduating class Thursday, June 13, from the stage of the Pennington-Allen theatre. The granting of diplomas will be done by Sup't. R. H. Amerman. Alene Matthews will give her salutatory speech and Patricia Klein will give the valedictory speech. There are two soloists this year on the program. (Continued on last page)

Northville Boys Will Join 49th State in June

Harry Porter, Don Kimball and Frank Eaton, all of Northville, have been chosen to represent Northville at the third annual Wolverine Boys' State on the Michigan State college campus at East Lansing from June 20-23. The selections of the committee were named last week. The expenses in sending these boys are shared jointly by the American Legion, the Exchange Club and the Rotary club.

Sponsored by the American Legion, about 500 boys from every Michigan county will meet in East Lansing that week to establish and conduct a mythical 49th state. Boys will be organized into cities and counties, and will elect local officials. Nomination and election of state officers and election of Boys' state citizens will be divided into political parties, which will not be similar to any existing political party.

For eight days, youthful legislators, mayors, police justices and other officials will conduct their own government receiving advice and guidance from a picked staff of technical counselors. The state will give boys the opportunity to give good citizenship and ways of meeting governmental problems through setting up their own government and conducting it themselves.

All boys attending will be 16 and 17 years old, and will not have attended previous Boys' States. Several boys are also planning, and Boys' State citizens will conduct their own daily newspaper, post office and bank and will have a large share in producing the regular evening programs. Every boy attending will be an office holder. In addition a recreation program including swimming, volleyball, softball and tennis will be set up. Several teams are also planned, and Boys' State legislators will hold its final session in the state capitol at Lansing.

Dates Are Set for 3-Church Annual Summer Bible School

To Give Address

Bennett Weaver, associate professor of English at the University of Michigan, Ann Arbor, will be the commencement speaker at 8 p. m. Thursday, June 13, in the Pennington-Allen theatre. His subject will be "The Place of the Educated Man in a Democracy."

Last Tribute

Harry G. Marburger's final rites were held Saturday, June 7, at 2 p. m. in the Northville, where he had been superintendent of the Ford Valve plant.

Marburger Rites Held Saturday in Northville

Officials from Dearborn-Office Pay Last Respects to Ford Plant Head

Last rites, attended by a number of Ford officials from Dearborn as well as by a large number of villagers and local plant employees, were held at 2 p. m. Saturday, June 7, from the Castleline funeral home for Harry G. Marburger, superintendent of the Northville Ford Valve plant, who died Wednesday, May 29.

Death claimed Mr. Marburger in the Ford hospital, Detroit, where he had suffered a stroke Saturday, while watching the morning classes at the third annual Northville Spring Horse Show.

Mr. Marburger was one of four of the oldest employees of the Ford Motor company, having been associated with the company for 35 years. At the time of his death, he was 64 years of age.

He was born in Warren, O., the son of William and Susan Marburger. He came to Northville 19 years ago.

Plans have been announced for the cooperative Vacation Church School, sponsored by the Baptist, Methodist and Presbyterian churches, to be held June 17-23, in the Presbyterian church house. Miss Lotie Livingston is the director.

Classes have been arranged for adults as well as for teen-agers and children. The Rev. Dr. Howard R. Chapman of the Baptist church, will teach an adult class of Bible Study daily at 9 a. m. This has been recommended particularly for Church School workers.

In a session scheduled from 9-10 a. m., the Rev. Dr. Thomas W. Smith of the Presbyterian church, will instruct junior and senior-high school students.

The Rev. Harry J. Lord of the Methodist church, will be a member of the school staff during the second week of the program. Children attending the school, will be graded, beginning with the nursery class and on through the junior department. Mrs. C. V. Harrison and Mrs. John W. Dickey will have charge of the nursery group. Mrs. M. Nagy and Mrs. Don Miller are to have the beginners. The primary department will be under the supervision of Mrs. W. E. McCarthy, Mrs. E. G. Brockway and Edith Ahernman. The juniors will be instructed by Miss Margaret Nagy, Mrs. Paul Carter and Miss Mabel Chamberlain. Dorothy Steinger will be the pianist.

Lustration will be given in Bible study, dramatization, hymns and handicraft.

Student Council Elects Officers

Louis Eaton Is Mayor; Ruth Frank and Joe Defino Get Offices

Election campaigning was climaxed Wednesday at the Northville high school with the voting which placed Louis Eaton, son of Mr. and Mrs. L. M. Eaton, in the mayor's position of the student council for the school year, 1940-41.

He defeated Marilyn Cayell, daughter of Dr. and Mrs. E. B. Cayell by a 142-120 vote. Louis plays on the baseball and basketball teams and is active in music organizations.

Ruth Frank is secretary of the student council. She won over Maxine Coe, 136-77. Ruth assists in Leslie G. Lee's bookstore.

Joe Defino, by a 3 vote margin, is the treasurer. His opponent was Frank Eaton, Joe is in the apprentice department under E. V. Ellison.

All of the officers are juniors. In the past year, the council has sponsored such activities, as boys' athletics, school dances, assembly programs and the Palladium.

Chief of Police Gives Report

Chief of Police Richard Loomis submitted a report from the police department for the month of May to the members of the village council Monday evening at the regular session in the Village Hall.

During the month, there were 4 motor accidents in the village, which caused minor injury to one person and were responsible for property damage totaling \$113.

The department stopped 314 traffic violators, 11 of whom were taken to traffic court; 14 were given violation tickets; the remainder were cautioned and released. The fines totaled \$138.50.

Two vagrants were arrested, held over night and released after being fingerprinted. Chief Loomis reports there were also four arrests made for disorderly conduct. Two juvenile cases were handled here.

Chief Loomis also affirmed the

New Owners and Head Salesman of Ford Agency

R. A. Allen, Mr. Locke, are proprietors of the Allen and Locke Motors Inc., having taken over the Northville Ford Agency, Saturday, June 1. Mr. Smith is associated with Mr. Allen and Mr. Locke as sales manager.

New Ford Agency Owners Stress Service Aims

Sales and Mechanic Forces Named by Allen and Locke

Saturday, June 1, Allen and Locke Motors Inc., took charge of the Northville Ford Agency, and began an aggressive sales and service campaign in this community assisted by a stable corps of salesmen and mechanics.

The proprietors of the new firm are R. A. Allen of Detroit, and C. A. Locke of Cincinnati. Work of re-vamping, redecorating and addition of equipment began at once, and within a short period it is expected that a formal opening of the quarters will be announced.

Mr. Allen is a graduate of Hillsdale college, where he was prominent in campus activities. For three years he has been in the sales department of the Dahlinger Kay Ford Agency in Detroit.

Mr. Locke, has had nine years of business contacts in the automotive industry, most of the time with the Ford Motor company, and more recently has been with the Cincinnati Branch of that company. Mr. Locke, lived in Northville during 1928-1929, employed at the Sunston plant, and it was here that he met and married a Northville teacher, Miss Ursula Nielsen. Mr. and Mrs. Locke and their three children, George A., 10 years, Neilson, 3 years, and Timothy Peter, 1 year old, will move to Northville as soon as a house can be acquired.

Genial "Ray" Smith, will be sales manager of the new firm and Ellis M. Milton, of well known mechanical ability, will have charge of service. "Ray" Bolton, will have charge of parts, Frank Lewis, mechanic, Lyle Lemon, Nick Lewis and Ed Taylor, bookkeeper, will be responsible for their respective duties.

According to Mr. Locke, it is the desire of the new company to utilize expert ability and experience in this community to the end that more efficient service may be available in Northville in merchandising and servicing all Ford products.

ROTARY-EXCHANGE DINNER

Members of the Rotary and Exchange club are having a joint dinner meeting at 6-30 p. m. Wednesday, June 13, in the Presbyterian church house. The wives of the members will be guests. The entertainment will be supplied by the Michigan State Fair association through the courtesy of Dr. L. W. Snow.

Exchange Speaker

C. A. Paquin, chief of the division of education, Department of State Conservation for the past seven years, will be the guest speaker Wednesday, June 12, at the Exchange club. He was first associated with the department in 1929 as publicity writer. Mr. Paquin is a native of the Soo and a graduate of the University of Michigan, Ann Arbor. He is president of the National Association on Conservation Education.

Mrs. Leroy Stewart Makes Close Guess on 1940 Census

Mrs. Leroy Stewart of 547 West Main street, Northville made the closest guess on the 1940 population of Northville in the preliminary count. Mrs. Stewart's guess of 3008, was 14 less than the 3022 count. Her guess was within the five dollar cash prize offered by The Northville Record for the nearest guess on the population of the village. Mrs. Stewart was sent her award early this week.

Second closest guess was made by R. E. Foreman with the figure of 2939, just off the correct figure. Among other close guesses were H. Hatchett, 2997, R. J. Hammeester, 2972, Betsy Schrader, 3200, Mrs. P. L. Perkins 3171, T. R. Carrington 2919.

A multitude of other guesses ranged from a high of 6050 to a lowest count of 2638. Most of the (Continued on Back Page)

Horses Are Moved into New Stable

Fourteen head of horses were moved into the new Northville stable this week on the Shelton road where John Haller of Detroit, has erected a \$7500 stable which has 30 box stalls.

Frank Ragdale is manager of the stable. An outside ring is in the making this week and it is understood that by fall, the owner plans to build an inside ring. The park has been placed on the large in the circle where the horses can be worked.

The enterprise is a commercial stable where horses may be boarded and trained. Max Ellison is Mr. Ragdale's assistant.

Ann Arbor Man Talks at Exchange

Ray Morton Hardy Tells of "The American Way of Life"

Ray Morton Hardy, Council's relation counselor was the noon day guest speaker at the Northville Exchange, Wednesday noon. Mr. Hardy came to the club through the courtesy of Green's Cleaners, of Ann Arbor, and spoke on "The American Way of Life."

Mr. Hardy said in part:

"The American way of life is the way of freedom, and progress, and opportunity. But it also is the way of self sacrifice, self control, self reliance and personal responsibility. The American way in government places vital emphasis upon the integrity and worth of the individual. It upholds and cherishes the sacredness of human personality. It insists that government is the servant and not the master of the citizen."

The American way of life is the way of self reliance. It is a tragic thing that we as people and as politicians are placing so much dependence upon government and instead of bravely attempting to solve our own personal and financial problems.

Democracy is its weakness but with new spirit it will be the finest and best form of government that has been conceived by the mind of man. I want in the United States of America, only three serious, our duties and responsibilities as citizens then our freedom will be preserved, our opportunities will increase in our widening circle and as a nation we shall fulfill our God appointed destiny.

Walled Lake To Hold Baccalaureate, June 9

Baccalaureate services for Walled Lake high school graduates will be held Sunday night in the school gymnasium. An attendance of close to a thousand persons is expected to join the 56 seniors participating in the service. The address will be given by the Rev. Joseph Skiffington of St. Williams church. Music will be given by the high school orchestra and the Methodist choir.

Commencement exercises will take place Thursday evening, June 13, with the principal address by the Rev. Sydney D. Ewa, area secretary for the Detroit Methodist Conference. The school will close Friday until fall.

3 Churches Plan Children's Day

Children's Day programs will be given Sunday morning, June 9, in the Baptist, Methodist and Presbyterian churches.

The Presbyterian program will begin at 10:30 o'clock, when a play will be presented. A play will also be given at the Methodist church at 10:30 o'clock. At 10 o'clock, the Baptist annual Children's Day program will be given.

Supervised Play Project Receives Approval Here

Village Organizations Contribute \$115 to Support of Enterprise

Backed by practically every organization in town, a community playground will be promoted in the village, beginning July 1, with supervised play scheduled daily from 9 a. m. to 3 p. m., for a four or six-week period.

Making known their approval of the project, the following organizations have contributed financially: Women's Relief Corps Mothers' club Northville township, village council, Rotary club, Exchange club Legion Woman's club, Civic League and the Board of Education. To date, \$115 has been raised.

Villagers representing these organizations, meeting together to promote a citizenship program, have nominated a committee, headed by Dr. W. H. Johnston, to investigate the playground program. Working with Dr. Johnston as committee members are Dr. N. C. Kephart, Sup't. R. H. Amerman, Prin. G. V. Harrison, the Rev. Harry J. Lord and Mrs. Willard Lee. Meeting with the Citizenship group Tuesday evening were Alvin Zander of the University of Michigan, Ann Arbor, J. H. Holloway, director of recreation at Ann Arbor, and Don Phillips, director of recreation in Branch county.

A supervisor will be at the grade school playground during the special hours and WPA recreation assistants will work under the director. It is the plan to have mandatory work instruction as well as supervised recreation.

Federal Census Count Sets Local Figure at 3022

Gain of 456 Persons is Tabulated during 10-Year Period; Greatest Increase in Any Decade in History of Northville

1573 Here in 1890

According to the preliminary count on the returns of the Sixteenth Census, which of course are subject to correction, Northville's population as of April 1, was 3022. This figure shows an increase in the last decade of 456, or nearly 18 per cent, over the published count of 2566 in the census of 1920.

Northville is one of the relatively few smaller villages of the state and nation showing an increase of over 15 per cent which in itself speaks in unambiguous words the story of progress and development of the village in the last 10 years. All of this increase comes in the face of many trials, setbacks and depression losses that were so evident in this immediate vicinity.

According to official figures the last ten years has seen a greater increase in population growth in this village than at any other period of record in the last 30 years. In 1930 the population was 2566; in 1920, 1738; in 1910, 1665; in 1900, 1755; and 1890, 1573. While many of these counts show increases none of them show the high percentage of increase revealed by the picture shown in the preliminary count of 1940.

Thursday's Somber Skies Reflect Memorial Theme

Somber skies, and sober thoughts, were in evidence as the patriotic bodies and the populace of the village observed Memorial Day here Thursday, May 30. Judge George B. Hartwick, the speaker of the day, urged as the lesson of the hour a dedication to our faith in American institutions and ourselves.

Although delayed by rain, the program of the day moved along in order. With the arrival of the patriotic bodies, at the theatre, and the advancement of the colors, the audience sang the Star Spangled Banner. The Rev. Dr. T. W. Smith evoked the blessing of Deity, and George Hunter recited the Gettysburg Address. The saxophone sextet played "The Coronation March." The Boys' Choral Group presented "Sleep, Soldier Sleep" both groups being directed by Leslie G. Lee.

Following the introduction by Commander George Simmons, Judge Hartwick brought the message of the day to an appreciative audience that filled the theatre. The Judge traced the history of Memorial Day and its significance throughout the years. The value of the proper observance, and the lessons of the hour were brought forth. He urged a renewal of our faith in our heritage. In face of barbarism and conquest he urged a united front, as a renewal of faith in ourselves, our institutions, our democracy, freedom and liberty.

Lead of the Drum and Bugle Corps and color guard the procession then went to both cemeteries. The graves were appropriately and brief ceremonies were conducted.

Guernsey Farms Dairy Now Open

Work of reconstructing and installation of new machinery moves rapidly at the new Guernsey Farms dairy at 125 South Center and the new modern dairy is open for business. While the new machinery and the storage tanks, along machines pumps and ice cream making machinery are installed and working next, it is expected that next week the new firm will announce a real opening, designed as a "Get Acquainted" event. The new proprietors both have large pure bred guernsey herds that will supply the new dairy. John P. McGuire is the new manager.

The Oldest Paper in Wayne County Outside the City of Detroit

Nearly a City

To those in and about Northville who have rather belittled the progressiveness of the village, the revelations of the federal census just revealed must be somewhat of a shock. Northville is one of the few villages under 5000 that has shown a population increase of 15% or more. The population of Northville in 1930 was officially 2566. In 1940 the figure just released places the number at 3022, an increase of 456, or just under 18% increase for the ten year period. Again the slogan may be "Forward with Northville."

Plymouth's population gained 855 in the last decade. About the same percentage increase as Northville.

Let's Share our Pride

Have you taken time to walk or drive about Northville recently? You are missing a real treat for Northville. The lawns, gardens, landscapes are just overflowing with beauty of our own village. We know of thousands of smaller villages throughout the country that would swell up to the bursting point, and make a big noise could they as rightfully and claim such natural and civil beauty as surrounds us right here in Northville. Yes, we have much right here in Northville to be proud of. Why not tell other folks about it? They might wish to share some of these things with us, and there is plenty and enough for all.

The week of June 8th, through June 14, which is flag day, has been designated as Flag Week—Remember to fly the American flag, June 14. Every home should display the flag.

School Children Show Us

One of the most hopeful significant signs of the times in Northville was the preponderance of school children at the annual Memorial Day program. Fully 70% of the audience outside of the patriotic bodies of the community were school children. Perchance these young folks, Northville's citizens of tomorrow are more appreciative, or at least show their appreciation of America and what it stands for as exemplified on Memorial Day, than do their elders. Guess Northville's children sort of showed up the old folks, on this occasion. Just remember this, kind folks, next time you are inclined to criticize the youth of the village. But they'll do a better job of making Northville, and America than we have. Think that over, some food for thought there.

The old man comes in on a calendar day dedicated to Father—Sunday June 10, is the date—just in case you shouldn't recognize it.

Sunshine Special

The Exchange Club is getting ready for the annual Sunshine Special. The event now sponsored for the sixth time, means a lot to some children. The purpose of this event is to entertain children of our community who have not the advantage of all pleasures enjoyed by the more prosperous. This year's event comes June 23, and will be held at Edgewater Park. Some 60 boys and girls from Northville will enjoy this day as the guests of the men of the local Exchange Club.

Of the 84,247 Michigan boys who wore the Blue, only 86 were left to redraw the blue ranks this Memorial Day. None in Northville.

Be careful in gathering those mushrooms—the deadly amanita passes a distressing wallow—better be safe than sorry.

We'd Rather Talk About You

The flood of political free publicity is coming in pell mell. Every political aspirant thinks every newspaper should tell the dear people about his respective qualifications for office free because of the alleged wonderful sacrifice of said politicians to the cause of government. We laugh, at the earnestness of these good brethren, their sincerity, their love of the dear people, and the suggested duty of the little home town paper to tell the world about what great guys they are, have been, or will be if elected. The Northville Record is one of the group of Michigan papers pledged to put a damper on this free stuff. We feel that we have a lot of folks right here in Northville that we would rather talk about.

With 42 daily and 274 weekly papers we are supporting this pledge.

"We join with all Michigan newspapers in considering it an unfriendly act on the part of candidates for political office in Michigan to use other paid advertising media to the exclusion of newspapers, and at the same time request free publicity from newspapers."

June 1st was a red letter day in National Defense. On that date the first battleship launched since 1921 slid down the ways. The ship was the "Washington," 750 feet long, the most powerful ship of the American fleet. The Washington's sister ship, the North Carolina is to be launched June 12th.

Seeks Office

Arthur E. Wood, former State senator, is seeking the nomination in the September primaries for the lieutenant governor position.

Arthur E. Wood
Seeks Nomination
in Primaries

The lieutenant governor position is bringing out some able men for the voters to choose from at the primaries this coming September.

Former State Senator Arthur E. Wood, who holds the record of having served the most terms in that body, has been putting up posters over the state for the past year. He says, "Any person seeking a state office should announce his candidacy at least a year before the people are asked to vote. A chance to check the record, ability, and faithfulness of a candidate should be given the voters and fewer mistakes will be made."

For eighteen years previous to 1939, Senator Arthur E. Wood was in the limelight on all important legislation. He had much to do in banking, finance, highways, law, and licensing laws affecting employment agencies, real-estate salesmen and automobile drivers.

He aided in establishing tuberculosis sanitariums, hospitals for the care of mental cases and institutions for the education of the crippled, afflicted and abandoned children of Michigan.

News from Walled Lake

By C. E. Hutton

The Board of Review of Commerce township will be in session at Stone Crest club rooms June 4 and 10, and in the Commerce school basement June 11, to review 1940 assessment rolls and to consider other business which may be presented, according to James L. Gardner, supervisor.

Work on the annual census of the Walled Lake school district is being completed, and results thus far indicate a considerable increase of school age children over last year. Final results will be released in the near future.

Efforts are being made by the school administration to make available to local school athletes a group accident insurance plan in accordance with a plan sponsored by the Michigan High School Athletic Association. If effected, it would provide insurance for all boys taking part in high school sports. No provision is as yet provided for girls. Those interested in the plan should inquire at the school office, as soon as possible.

Considerable building activity is under way at Walled Lake and surrounding vicinity. The Harry Vreeland residence is completed and now occupied. A four-family apart-

ment is nearing completion on East Main street, with E. V. Mercer the builder and owner. Eugene Cahoon has started construction of a residence on Decker road, east of the village. Charles Coo has under way the building of four new homes. William Glover has begun work on a new residence. M. J. McPherson is building a home on Pontiac road, four miles east of town. The East Shore Tavern now is located on the east side of the shore highway, as the result of moving process. The relocation leaves only the bath-

native June grass pasture has dried up and is dormant. Sudan grass sowed now will provide pasture in about six weeks and it will be good until frost.

A good stand of Sudan grass will provide pasture for two cows, per acre.

Alfred Baker, Garden City, has applied for a license to use his alfalfa meadow which he intends to use for summer pasture.

Charles W. Kock, Wyandotte, has applied 15 lb. of 0-20-20 to his meadow. Fred Bress, Flat Rock, applied about 400 pounds per acre of lime to his meadow.

We generally pay too little attention to our pastures and meadows in the matter of fertilizing them. A yield of 3 tons per acre of alfalfa contains 140 pounds nitrogen, 25 pounds phosphoric acid and 135 pounds potash when the whole plant is considered.

YES sir, what you're looking at is the biggest-selling Buick of all time—which, in times like these, is certain proof that here's the best-built Buick of all time.

But why just look at it? Why not try it?

Why not go find out what this car's got that has made more people buy Buick this year than even back in the easy-money days of the twenties?

See what there is about that big, hundred-plus horsepower Dynaflex straight-eight that gets people—what it's like to have plenty-room all around and style that has the highway eyeing you.

You ought to know about the Buick Coil Springing ride—it's not only gentle and easy, but these soft steel coils eliminate a lot of fuss and care about lubrication.

And you ought to have the straight

dope about prices—prices that make this Buick the yardstick of up-to-the-minute car values.

This much will give you an idea: Current prices begin at \$895 for the business coupe—delivered at Flint, Mich. *Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories are to be added.

What the total amounts to is a surprisingly low figure—one your local Buick dealer will be tickled to show you.

Lavenia Sisters Will Appear at Edgewater
Coming to Edgewater Amusement Park as the free attraction next week are the Lavenia Sisters, billed as America's first modern aerial thrillers. The Lavenia Sisters, two of the most personable young women in the business, work on double trapezes nearly 100 feet in the air. Two entirely separate acts comprise their repertoire on the high rigging. In addition to the trapeze routines, the Lavenia Sisters do a truly sensational cloud-swing act. Their appearance in Detroit is the start of a long series of bookings in the leading amusement parks of the country, which will take them this summer from coast to coast.
Cepting of the picnic grounds at Edgewater Amusement Park, with complete facilities for the comfort and convenience of picnickers, is announced this week by the park management. The Edgewater picnic grounds are said to be the

coolest and pleasantest to be found anywhere in the vicinity of Detroit.
Edgewater Amusement Park, located on West Seven Mile road, near Grand River and Telegraph roads, maintains its policy of free admission to the park, free parking and free entertainment features. The free acts take place twice each evening, at 8:30 and 10:30 o'clock, with a matinee at 4:30 o'clock on Sundays.

THE HIGH SPEED KILLER
THAT SOLVES
THE RESIDUE PROBLEM

GENICIDE

PATENT PENDING • TRADE MARK REG. U. S. PAT. OFF.

A NEW-TYPE CODLING MOTH INSECTICIDE
NON-TOXIC TO HUMANS...SAFE FOR TREES

GENICIDE is an absolute departure from other presently used spray materials such as arsenicals, nicotine, fluorine, etc. It is revolutionary in its development and in its performance.

GENICIDE is the highly important answer to the two-fold codling moth and spray residue problem. To find a spray material that would adequately solve this problem, the insecticide industry, and scores of experimenters as well, have been striving for many years. GENICIDE is the direct result of long and exhaustive research conducted exclusively by the laboratory and field organization of the General Chemical Company. It represents one of the most significant and successful research programs ever conducted on an insecticide.

To the commercial apple grower, GENICIDE is a most important development in the field of insecticides. It is non-toxic to humans and, therefore, is the long-looked-for solution to the spray residue problem. At the same time, GENICIDE excels all other codling moth sprays in killing speed and in all-around spray protection... and yet it is safe for the trees.

SOLVES THE RESIDUE PROBLEM

GENICIDE reduces the residue removal problem to simple brushing or non-injurious washing. This means that when the GENICIDE spray schedule is followed, the cleaning of the fruit will be for appearance only!

4 YEARS OF ORCHARD TESTING IN PRINCIPAL PRODUCING AREAS UNDER SEVERE INSECT CONDITIONS PROVE GENICIDE'S ADVANTAGES

Tested Against Lead Arsenate and Other Apple Spray Combinations

LEAD ARSENATE-OIL COMBINATIONS: When GENICIDE, together with

an adhesive was tested against the combination of lead arsenate and summer oil, also against the various lead-oil combinations used in the Pacific Northwest, the result was a substantially greater yield of clean fruit with a marked reduction in spray fruit in favor of the GENICIDE schedule. Resulting higher market returns enable the GENICIDE spray schedule to compare in cost with lead arsenate-oil combinations and, in addition—

The GENICIDE spray residue was easily removed, whereas the lead-oil residue necessitated a complicated washing program to meet the tolerance.

NICOTINE-BENTONITE-OIL COMBINATIONS: The various nicotine-bentonite-oil combinations used in the tests fell far short of the GENICIDE schedule in the "pick-out" of clean fruit. GENICIDE, since it is used in the same stages as lead arsenate or lead arsenate-oil, does not call for any additional applications. On the basis of the same comparison, the nicotine-bentonite-oil spray schedule requires at least one, and probably two, additional applications. In fact, the market value of the GENICIDE-sprayed fruit was so much greater than that sprayed with the nicotine-bentonite-oil combinations as to effect a substantial economy in favor of GENICIDE.

NOTE: Tests were based on the various spray combinations being applied in direct comparison under identical orchard conditions, such as location, variety, timeliness, etc.

8 IMPORTANT GENICIDE ADVANTAGES TO THE APPLE GROWER

1. Non-toxic to humans and safe for the trees.
2. Solves the residue problem and makes expensive, complicated washing programs unnecessary.
3. Maintains the vigor of trees which increases yields.
4. Steps up the market value of the crop by substantial increases in the percentage of clean fruit and premium grades.
5. Simplifies handling of crop due to reduction in percentage of culls.
6. Enables grower to clean fruit right on his own property.
7. Does not interfere with soil productivity or growing of cover crops.
8. Not objectionable to workmen.

GENICIDE does not contain Arsenic • Lead • Fluorine • Nicotine • Pyrethrum • Rotenone

Nuptial High Mass Is Held Saturday for Miss Larson and Mr. Modos

The nuptial high mass was held at 9:30 o'clock Saturday morning, June 1, in Our Lady of Victory church, by the Rev. Fr. Joseph Schramm, for Marian A. Larson, daughter of Mr. and Mrs. Elliott Larson, and Alex Modos, Jr., son of Mr. and Mrs. Alex Modos, all of Northville.

The bride, given in marriage by Floyd Schultze, wore a white chiffon gown with lace inserts in the yoke, edged with long full sleeves and full skirt. A fingertip veil held in place with a pearl crown further accentuated the bridal costume. She wore an antique diamond-studded cameo brooch at the neckline. Her bouquet was of roses and lilies of the valley.

She was attended by a sister of the bridegroom, Miss Mary Modos, who wore pale blue embroidered organza. Her headband held a blue veil in place. Her flowers were yellow roses.

Mr. Schultze was Mr. Modos' best man.

There were four bridesmaids dressed in pink colonial dresses with matching floral headbands. They carried rose bouquets. They were the Misses Julie Modos, Helen Straus, Dorothy Bullis and Goldie Kapowitz.

The ushers were: Lyman Larson, Waldo Zimmermann, Edward Lansing and William Kish.

Music was sung by the Sisters of the Felician Order of Plymouth.

After the mass, a reception for some 175 guests was held at the Modos home, attended by friends from Detroit, Northville, Exeter, Highland Park, Flint, Warren, O. Cornea, Trenton, Plymouth, Wyandotte, Royal Oak and Dearborn.

Miss Digby Becomes Mr. Cogger's Bride

The marriage of Miss Margaret G. Cogger, daughter of Mr. and Mrs. John Phillips of Milford, and Arnold Cogger, son of Mr. and Mrs. Charles Cogger of South Lyon, was solemnized at 8 o'clock Saturday evening, June 1, in the South Lyon Methodist church, where the Rev. R. C. G. Williams performed the ceremony.

Wearing a white organza dress and carrying a bouquet of white roses, the bride was given in marriage by her father.

Miss Doris Cogger, sister of the bridegroom, was maid of honor. She wore a gown of peach lace. There were four junior bridesmaids, all cousins of the bride.

The bridesmaids wore white dresses and carried bouquets of white roses. The bride was given in marriage by her father.

Following the ceremony, a reception for 200 guests was held in the church parlors.

After a motor trip to Washington, D. C., Mr. and Mrs. Cogger will be at home of the Cogger farm, before her marriage. Mrs. Cogger was honored at a number of bridal showers.

Parties Are Planned for Teachers

Several functions have been on the social calendar during the week for the teachers and there will be more parties next week.

Wednesday afternoon, Mrs. Starr D. Bray was hostess to the faculty of both schools at a winter roast. The following evening, a supper was held in the garden at the home of Mrs. O. F. Reng.

Next Wednesday, Mrs. Sterling Eaton of Plymouth, will entertain at a luncheon in her home.

Thursday, June 13, the annual teachers' breakfast will be held at the home of Mrs. William Chizmar.

Hold Style Show in High School

The home economics classes gave a style show Tuesday evening, June 4, in the high school gym. Dresses, play suits and pajamas were modeled to the accompaniment of music by Dorothy Steininger.

Original hat styles were worn by many of the models made of kitchen utensils, vegetables, dish cloths, soap plates, scouring pads and a watering can.

Attractive displays of hand work were shown on tables. A social hour followed the style show, which was supervised by Miss Jane Lentz, home economics instructor.

Luncheon Honors Guest from Boston, Mass.

A luncheon-bridge held Saturday at Rotunda Inn, Pine Lake, was the occasion for a party honoring Mrs. E. J. Frost of Boston, Mass., who has been the house guest of Mrs. William H. Yerkes. Mrs. W. R. Chapman was the hostess.

There were covers for the honoree Mrs. Yerkes, Mrs. Clarence R. Elliott, Mrs. C. G. Yerkes, Mrs. T. Glenn Phillips, Mrs. Thad J. Knapp, Mrs. Edward L. Mullis of Howell, Mrs. John W. Blackwood of Cleveland, O., Mrs. Nelson G. Schrader, Mrs. Floyd A. Norrison and Mrs. J. N. McLoughlin.

Mr. and Mrs. Wilbur L. were picnic supper hosts this week at Cass Benton Park to Mr. and Mrs. Don Butler of Ann Arbor. Miss Alice Burgraves, Carlos Hall, Mr. and Mrs. Ben Deard of Detroit, and Mrs. C. W. Rick of Fargo, N. D.

Turkeys Replace Hogs
When drought years forced E. H. Kahle of Thayer County, Nebraska, to switch from corn and hogs to sorghums and grass and feed he successfully replaced his hog money with turkey money. Each year he broods about 2,000 turkeys in the four combination range and brooder houses shown above. Skids permit them to be hauled to fresh pasture several times each season—the sides lift up for ventilation after brooder heat is no longer needed—and light and sunshine come through windows in the roofs. The houses are 14 feet square.

Mustangs Lose to Trenton

The Northville Mustangs lost to Trenton last Monday afternoon May 27, by the score of 11 - 7. Northville's defeat was due to poor ball playing. However, Fred Robinson and Ray Hatterer played great ball in their usual manner.

Ray Hatterer started to pitch but did not finish. Louie Eaton was the relief pitcher. He "bounced" and the plate but a few times and when he did they drove the ball far and wide. The score was 7 - 6. When Hatterer went out and there was one on, Eaton walked a man and Trenton's slugging first baseman hit a home run scoring behind two fellow players making the score 9 - 7. Trenton pushed over two more runs in the late innings to give Northville a beating they will never forget. Eaton was the losing pitcher.

The seniors had a class meeting June 3 to discuss graduation exercises. Prin. G. V. Harrison stressed that they must be on time for every rehearsal and exercise so that means some of the slower seniors' better set their watches ahead to be on time for the last roundup. They also decided to go to Island Lake for a picnic instead of a boat trip. This will take place on Wednesday, June 12. They plan to make this the day of days as it will probably be the last day they are together.

During the past years it has been the custom for the seniors of N. H.

THE ORANGE AND BLACK

Edited by the Journalism Class of Northville High School

Juniors Hold Class Election

Marilyn Cavell Is President of Class of 1941; Widmaier Is Vice-President

The 1941 Class will be headed by Marilyn Cavell class president; vice-president, Bill Widmaier; secretary, Betty Stillwell and treasurer, Frank Eaton.

Other nominees for these offices were: President, John Costello, Harvey Ritchie; vice-president, Edward Edwin, Chandler Parker; secretary, Ruth Frank; treasurer, Betty Cousins, Arthur Breitmeyer and Frank Eaton.

E. C. Molema and E. V. Ellison, class sponsors, have been selected for the Class of 1941.

S. to have a skip day. To keep up the tradition the Senior Class of 1940 had their skip day, May 31. Some worked and some enjoyed them.

Others slept the whole day through.

EDITORIAL NOTES

"Now is the time for all good 'braves' to come to the aid of their parties." I hope from that, you have gathered that exams are nearly upon us. The seniors will be blessed with their on the sixth and seventh. The rest will have to anxiously await for the following Monday and Tuesday.

The graduates' exams Thursday and Friday will be held during the regular class periods providing it is a senior subject. These seniors

who take junior subjects will, we regret to say, have to come back on either Monday or Tuesday to take their exams.

Exams for the undergraduates will be held as follows: first, third, and fifth hour classes on Monday, second, fourth, and sixth hour classes, Tuesday.

When these are over all we're going to think about is vacation and fun, but right now everyone just study!!

Hi-Y Club Holds Final Meeting

Tuesday night, May 28, marked the last meeting of the year for the Northville Hi-Y club. Plans are being made for the next year. Already new officers have been chosen.

Dr. T. W. Smith was present to give the devotional service. The cabinet, consisting of Frank Eaton, Eugene Reaves, Louis Herrick and George White will meet at Prin. G. V. Harrison's home to discuss the future of the Hi-Y club for next year. It is hoped that a larger club will be organized next fall.

Len Fritz Elected Basketball Captain

Northville elected their 40-41 basketball captain last Tuesday morning. The fellow elected was Len Fritz. Len starred throughout the season as forward. His passing was excellent. Len also proved to be a good shot from the floor. He has had three years of varsity competition and has played against the best teams at Ypsi. Len is graduating this year. He will be missed very much.

During the season a captain was appointed before each game. At the end of the season the team elected the one who had best served during the season.

Mustangs Take Game from Redford Union

The Northville Mustangs defeated Redford Union for the second time last Tuesday by the score of 7-0. Bob Orr pitched his first shut out of the season allowing eight hits. The game was highlighted by the constant hitting of Fred Robinson, Northville slugging outfielder.

The defeat of Redford was not so definite as the last one-the other score being 21-2. The second inning was the biggest for Northville as they pushed across four runs.

Around the School

The seventh grade girls in the homemaker class gave a tea for their mothers last Wednesday. The girls were very pleased because so many mothers came and they hope that the mothers had as enjoyable time as they did.

The N-Club winds up its year's activities today, Friday, June 7, with another supper in the school cafeteria. At the meeting they will elect their next year's officers and will also decide definitely if they are going to buy athletic insurance for members of the N-Club next year.

At the May 29 meeting literature was handed out explaining the advantages of such a plan in which athletes can receive benefit insurance for accidents resulting from sports.

The Juniors of 1941 have elected their officers for next year and they are as follows: President, Maxine Coe, vice-president, Robert Stremler, secretary, Lanna Jean Litsenberger, treasurer, Murna Hubbard.

The sponsors are Miss Kathryn Gilmer and C. H. Yahne. Maxine has appointed a committee to investigate the prospects for Vendor booths at the fair this summer. They are Leila Rosson, Phyl Jones, Mary Hollis and Laura Jean Litsenberger.

N-Club To Give Autographed Ball

Before school is out the Northville N-Club will give a baseball autographed by 19 of the Detroit Tigers. Clarence Davis, father of Dick Davis, received the ball from the Tigers. The most important Tiger names are: Rudy York, Charles Gehringer, Hank Greenberg, Del Baker, Dick Bartell and Harold Newhouser.

Fred Robinson has been captain of the baseball team for the school years of 39-40. Fred has proved to be one of the best all around players on the team. A captain for 1940 has not been elected.

Most of you are probably wondering if Northville has a chance in the league this year. They will not be in first place but they have a chance for a tie in second place with Trenton. The first place club will be either Trenton or Berkeley it depends on which team wins the game they have scheduled.

Second-hand Books

Attention is called to the fact that all students who wish to turn in their second-hand books at the school book store should do so before school is out. Grade school pupils should turn theirs in June 10, high school books will be taken care of June 11 and 14.

The books will not be accepted in the fall for two reasons. First, if it is known exactly how many second-hand books are going to be on hand Leslie G. Lee can have the necessary number of new ones ordered when school reopens in the fall. Second, time and trouble will both be saved if used books do not have to be taken care of in the fall as those who have charge of the book store are very busy selling books during the first days of each school year.

A five-cent fee is charged for the handling of each book. The book store is then run on a ten per cent profit basis which takes care of the loss suffered by the store when old books are changed for a new edition. Since the volume of books handled is so great it is impossible to pay cash for used books, but grade receipts are given. With these, the pupils may purchase their books in the fall. Seniors, however will receive cash for their books.

Grade Notes

Most of the classes in the grade school are bringing the year to a close with some type of a trip or picnic. Mrs. Sterling Eaton's kindergarten groups will meet Tuesday morning and go to the park for a picnic.

Miss Beulah Miller's first grade has a large plant box planted with vegetables seeds. To complete their farm unit they made oatmeal cookies and had a doll party. Invitations were written to the dolls. They are planning their final picnic which will be a trip to the Detroit Zoo on Friday, June 7.

Mrs. William Chummar's first grade group has planned to join Miss Selma Jarvis' class in a picnic at the park, Tuesday.

Mrs. O. F. Reng and Miss Nora Wilson are taking their second grade pupils to the Zoo next week.

Miss Margaret Carpenter's third and fourth grades plan a potluck picnic for next week at Plymouth Riverside Park.

Mrs. K. H. Babbitt's class visited Greenfield Village, Tuesday, June 4. They are also having a picnic at Cass Benton Park, June 11.

Mrs. W. E. Johnston's and Prin. Paul Carter's fifth and sixth grade pupils will be held in Cass Benton Park, June 11.

Mrs. Ruth Radcliffe's room will hold an annual class picnic in Cass Benton on June 11 also.

The first and third hour biology classes took a trip to the Zoo in Royal Oak, Wednesday, May 29. It was the second trip of the sort they have taken this spring.

Operetta Proves To Be Successful

Net Amount Taken in Was \$100; Profits Have Not Been Determined

The operetta, held last week, has proved itself to be a stage success as well as a financial success. The leads, which were so capably taken by Peggy McCollough, Marilyn Cavell, Allan Gotro and George Hunter seemed to create an ideal college atmosphere for the musical comedy.

Others who supported the leading characters were Alice Bentley, Ruth Frank, Jane Behn, Marjorie Edmonson, Yvonne Taylor, Betty Yerkes, Carrel Carlson, Valora Wheeler, Natalie Whipple, Ida Marie Walker, Candlar Parker, Harold Schoutz, Eugene Hogan, Louis Eaton, Bob Boyden, Bob Baker, Bob Rembowski, Sprague Lester and Bob Ross.

The net amount taken in was \$100, and although there are quite a few expenses to be deducted from this sum, the cast and Leslie G. Lee feel that their weeks of practice were well rewarded.

Proof of their popular acceptance was shown when the Eastlawn-sanatorium invited the cast to present the operetta again tonight June 7, for the benefit of the patients.

The McCollough twins, Lois Church and Anna Jean Flaherty should be complimented for the special dances which they presented.

SENIOR SKETCH

Maybe because Natalie Whipple sells candy that she's so sweet Born in Plymouth, Mar. 21, 1923, she's been to the following schools since she started: Cheesaning, Detroit Base-Line and Northville for the past four years.

Natalie has acquired two nicknames since her arrival at Northville. They are "Butch" and "Cuddles."

She claims her favorite food is everything. Her favorite color is pink. Hobbies are roller and ice skating, dancing and driving a car. Upon graduation she intends to go to Michigan State to take up home economics.

Enthusiasm for the talk about the Huron River Parkway Project, six Northville high students each wrote an essay about it. The students who write are Joan McCollough, Tom Widmer, Sidney Lancy, Dawn Sutton, Miron Gibson and Florence Rentschler. These students stand a chance of winning a cash prize. Though the winners will not be notified for some time.

Talks to Seniors

The Rev. Dr. T. W. Smith, pastor of the Presbyterian church, will give the baccalaureate address at 8 p. m. Sunday, June 9, in the Presbyterian church house.

Seniors To Attend College Next Year

Some members of the Class of 1940 still insist on more studying as they are planning to go to a higher school of learning.

Some of those who will be present at Michigan State are: Mary Potter, Natalie Whipple, Peggy McCollough, Barbara Simons and Philip Chase. Enrolled at Hillsdale will be Job Or, Allen Matthews and Charnelle Haidesty. The summer school at Cleary, Wash. Or., will answer roll call. At the University of Michigan, Don Green will be found. Ferris will greet Harry Porter and North Carolina, Ken Willis. At Fort Wayne Nursing School will be Nina Wenker's destination. At Wayne University Pat Klien will be found.

NEW PAINT BY DUPONT

Makes white houses WHITER—and keeps them WHITER!

THIS new Du Pont Prepared Paint is whiter. It contains titanium—the whitest pigment known to science.

And it stays whiter. As the months roll along, the weather under normal conditions actually helps this house paint clean itself. Accumulated dust and dirt are washed off by storms, leaving your house as freshly white as it was the day it was painted.

Du Pont Prepared Paint saves you money. Its great hiding power and "spread" mean that less paint is needed for the job. And its unusual durability means fewer repaintings.

Ask your painter to use Du Pont Prepared Paint. You'll see the difference—and you'll pay less.

MARBURGER

(Continued from Page 1)

years ago, after living in Detroit and Dearborn.

A member of the horse show committees for both the Northville-Wayne County Horse Show and the Riding Club Spring Show, Mr. Marburger took a great deal of pride in the horses of his own stable. Whenever his daughter, Kathryn, entered the ring at shows he was always on hand to give her encouragement and command her for her fine horsemanship. Her trophies and ribbons were a source of pleasure to him.

Mr. Marburger had Masonic affiliations, being a Shriner and a member of the Northville lodge, F. & A. M. 188. Masonic rites were held for him Saturday afternoon at Rural Hill cemetery. The Rev. Dr. Thomas W. Smith officiated at the funeral.

Surviving him are his wife, Mrs. Harry G. (Mary) Marburger, and six children, Mrs. Edna Keith, Jack, Howard, Irvn, Kathryn and Jean; five grandchildren, Jack and Dan Marburger, Howard, Larry and Susan Keith.

this is TENDER BEEF ... IT IS PROVEN TENDER EVERY TIME TENDERAY

THE FIRST AND ONLY PROCESS THAT GUARANTEES YOU TENDER BEEF EVERY TIME!

Tenderay is the first and only scientific beef tendering process in history. Discovered by three scientific leaders — The Kroger Food Foundation, Washington and the Kroger Fellowship at the Mellon Institute — Tenderay was not released until after three and one-half years' research. Today, it is ready — we know it is perfect!!!

It'll amaze you — the way tenderay makes every cut of quality beef more tender, more juicy, more flavorful. And he assured, no chemicals nor heat is used. Kroger's new exclusive Tenderay is the only process that can guarantee tender beef every time, yet Tenderay costs you no more than ordinary beef.
