Walled Lake Holds Annual District Election, Monday

Excellent Financial Condition Is Reported at Annual Meeting; Board Gives Contract to New Teacher

The annual election for the Walled Lake Consolidated School district was held Monday in the area's three precincts. Ballots called for the election of one member to the board of trustees.

Claude B. Lawrence, up for reelection, and the only candidate, was returned to office. Organization of the board renamed E. V. Mercer, president; J. Cecil Cox, secretary, and Mrs. Clara Stoflet, treasurer. James W. Adams is the fifth member of the board.

Excellent financial condition of the district was indicated in the statement issued at the annual school meeting Monday night at the school. With the completion of the first year of operation in the newly enlarged Walled Lake school, and the subsequent increase in costs of instructional service and general expenses, total expenditures are proportionately lower than those of preceding years before expansion of the district.

Total receipts for the year amount to \$116,062.25 as compared with \$110,922.49 for 1939. Expenditures this year amount to \$96,863.41 whereas they totaled \$105,523.12 a year ago. The present cash balance for the district is \$19,242.61 compared to a balance of \$6,097.71 at this time last year. The total debt (Continued on Back Page)

To Double Capacity of Fruit Warehouse Plant at Novi

In order to take care of the large number of fruit juice orders which have come in from all sections of the country, an addition is under construction at the United States Warehouse company, Novi.

The construction work is being done by L. H. Spicer and when completed the present capacity of the warehouse will be doubled. This expansion will be added service to the fruit growers in this vicinity.

Season's First Paper Chase Held Sunday

29 Horse Enthusiasts Take to the Field; To Be Weekly Event

The Northville Hunt inaugurated the 1940 activities last Sunday with the first of a series of Sunday morning paper chases. The field met at the Hunt's new kennel located on Sheldon road.

When the first notes of the Master's horn had died away, some 29 enthusiasts had gathered for the early morning sport. The field moved off promptly at 8 o'clock hacking from the kennel to Bloom's woods where the trail began. After some two and a half hours of searching over country most of which was new to those participating, Miss Edith Blake found the end of the trail, thus earning ten points (Continued on Back Page)

Pickell Honored on 50th Masonic Anniversary

Sunday a beautiful bouquet of flowers from Northville Lodge No. 186 F. and A. M. quietly reminded George Pickell, that June 9 was the fiftieth anniversary of his raising to the Sublime Degree of a Master Mason. The same day was also Mr. and Mrs. Pickell's seventeenth wedding anniversary.

Mr. Pickell was raised in Northville Lodge No. 186, June 9, 1890, and for many years Mr. Pickell was very active in Masonic circles in the community. Today he is a life member of the lodge in which he was raised.

Village Teaching Staff for Fall Term Is Complete

With the granting of contracts to new teachers in the grade school, Northville grade and high school teaching staffs for the 1940-41 year are complete.

The new teachers are Miss Pearl French who comes here from Michigan. She has had several years of teaching experience and will be assisted to the third or fourth grades. Miss Ruth Pierce of Detroit, a graduate of Wayne University, will teach second grade. These teachers were hired upon the resignation of Mrs. Sterling Eaton and Mrs. O. F. Reng.

Other grade school teachers will be: Prin. Paul Carter, Miss Selma (Continued on Back Page)

Grant Charter to Gun Club

Members Prepare for Shoots with Other Clubs; Petz Is President

The National Rifle Association has granted a charter to the Northville Gun club upon acceptance by the N. R. A. The activities of the club will be broadened inasmuch as all types of ammunition will be available to members at special rates.

William Petz, the new president of the club, and the other officers are planning on having a range prepared for trap shooting later this summer in time for the "wing shots" of the village to sharpen eyes for the bird season.

Patrol shooting at the indoor range is responsible for a considerable increase in the membership of the club. As soon as the members feel that they have acquired the necessary skill, Floyd Schuit, executive officer, will arrange competition (Continued on Back Page)

Red Cross Issues Emergency Call for Volunteers

With \$181.78 raised in Northville for the National Red Cross emergency fund the local committee is now concentrating upon getting volunteer workers to make the assignment of hospital shirts which arrived from headquarters this week. It is stated that this is an emergency call. Garments are handed out at the temporary Red Cross headquarters in the Forney Coal office. There are two sewing machines there that persons may use when they have an hour or two of spare time on their hands.

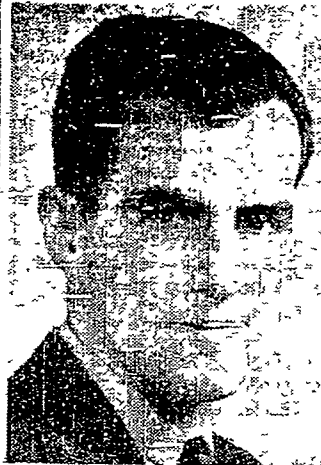

Mrs. Einar Ward Lester, chairman, stresses the need for immediate aid for the Red Cross.

Neil G. Currie, son of Mr. and Mrs. Grant Currie, will be granted a Bachelor of Science degree in electrical engineering Saturday at the University of Michigan commencement exercises.

Alfred J. Parmenter will receive a Bachelor of Science degree in aeronautical engineering, June 15, at the University commencement ceremony. He is the son of Mr. and Mrs. Alfred W. Parmenter.

Commencement week for 54 seniors of Northville high school was climaxed Thursday evening, June 13, when the Class of 1940 was graduated in the Fenington-Allyn theatre where Supt. R. H. Aherman in behalf of the board of education, granted the diplomas when the seniors were presented by Prin. G. V. Harrison.

"The Place of the Educated Man in a Democracy," was the topic for the address given to the graduates by Bennett Weaver, associated professor of English at the University of Michigan, Ann Arbor.

"Real education has in it a great deal of plain common sense," Mr. Weaver told them, "stressing the point that man is not necessarily educated because he has been graduated from a school or college. Some of the best educated men I have known were men who had not even graduated from the grade schools," he affirmed.

"Real education is closely associated with religion and morality. True American education is suggested in the words of the Grange (Continued on Back Page)

Committee Finds Need for Play Project, Here

The committee to investigate the playground project for Northville has made a survey of community needs, working with Chief of Police Richard Loomis, who is also a Boy Scoutmaster.

Dr. N. C. Kephart, a member of the committee, came forward today to report that it had been found that during the past two years, there had been growing recognition of the need for a summer recreation program in Northville. In 1939, a playground ball league was formed in which 63 boys between the ages of 12 to 16, took part. In total same year, swimming and life-saving lessons were given at the Lawrence (Continued on Back Page)

Belle Covert Pupils To Have Reunion Saturday, June 15

The Belle Covert Pupil-Association will meet at noon, June 15, on the east slope of the west hill in Cass Benton Park for the annual reunion.

Frank Holt, president of South Lyon, has announced that Northville persons belonging to the association are asked to come to the picnic grounds early to take over the duties as members of the reception committee. The committee has made plans to serve coffee to the guests.

"Old friends and acquaintances are invited to join us. Bring your lunch basket and plan to spend the afternoon reminiscing," urges Mr. Holt, who says that in case of rain, the reunion will be held in the high school gym.

A program is planned for the afternoon and an election of officers will be held.

Tour Includes Local Farms

S. A. Hill and Training School Farms To Be Visited by Dairymen

Northville is included in the dairy tour which will be conducted Monday, June 17, by the Wayne County Dairy Here Improvement association and the County Extension service.

Along with general dairy feeding problems, dairymen on the tour will visit a local farm and see a smooth brome grass pasture and the making of alfalfa silage.

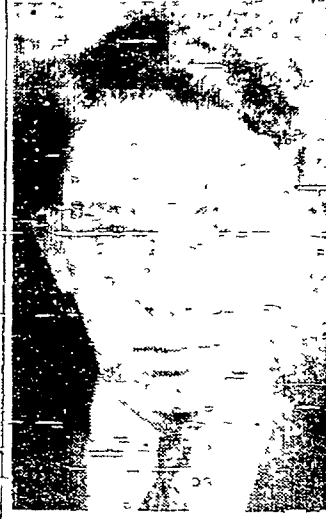

The tour stop will be at 10 a. m. at the farm of Sherman A. Hill where Norman Neuman manager will take charge, showing an excellent demonstration of an alfalfa silage.

Village Uses Plane To Recover Stolen Car in Kentucky

Chief Loomis and Commissioner Fly to Louisville; Trip Is Made in 8 Hours in Ship Belonging to Loomis and Beard

When Louisville, Ky. police notified Chief of Police Richard Loomis that they had picked up two boys last Wednesday who had Commissioner Orlow-Green's stolen car in their possession, the first plane trip to be made on village police business was taken by Loomis and Owen to recover the car — no expense to taxpayers.

The round trip, in the plane belonging to Loomis and Paul Beard, was made in eight hours, Mr. Loomis leaving Mr. Owen in Louisville to drive back in his car.

The use of the plane, a cabin model with Franklin motor, in police work is an exception. It is used by the two owners for business and private trips. Both of them have private licenses and the ship is harbored at the old Sangson field, where a new hangar is to be constructed.

In the fall, it is the plan of Mr. Loomis to give student instruction. This will mean that a ground class will have to be formed. At the present time there are several licensed pilots in this vicinity who use the plane. They are: Don Heichman, Dr. D. A. Brief, Mrs. Richard Loomis, all of Northville; Carl Cook, Dr. P. A. Groswood and Dean Herrick of South Lyon; Jay Huocord and Henry Lawrence of Ypsilanti.

Juvenile Talent Will Entertain for Two Clubs

FEW CENTS EXTRA FOR
TIGHT WINDOW FRAMES
IS GOOD INVESTMENT

LEAKY JOINT

This is the kind of in-
different window frame
construction that is used
in many new homes. It
results in drafts and dirty
walls around windows.
Arrows point to where
cold air leaks in.

TIGHT JOINT

Contractors call this wide
blind stop construction. It
cuts air leakage more than
half around window
frames. Costs just a few
cents extra per window.
Arrow points to wide blind
stop.

Don't overlook the importance of
the lowly window frame when you
build your new house. It is the one
thing that permanently joins your
windows with the framework of
your house. A window frame
properly constructed keeps out dirt
and drafts by making a weather-
tight joint with the wall. A win-
dow frame indifferently constructed
will allow as much as 174 cubic
feet of air per hour to leak into
your home, air that is often loaded
with dust, to dirty up walls and
cause drafts.

Good Construction Costs Little
Wide blind stop construction in
window frames has been in use for
many years, yet jerry builders will

use frames without it in order to
cut costs without regard to conse-
quences. This type of construction
costs about 30c to 50c more per
window opening than ordinary con-
struction and it will quickly pay
for itself in heat saved and added
comfort.

Window Frames—Permanent.
Remember window frames are a
permanent part of the wall in your
new home. To tear them out and
replace them is not only a mess
but a big expense as well. The
easiest way to avoid leaky window
frames in your new home is to buy
frames that make a weathertight
all joint and that means wide
blind stop construction.

Last year's competition attracted
more than 13 entries. The \$100
first prize went to a Kalamazoo
man who used an inexpensive
Michigan-made camera. The \$50
second prize went to a Highland
Park hobbyist whose camera was an
inexpensive Brownie. Chief photo-
graphers of the three Detroit news-
papers served as judges together
with two publishers, Philip G.
Ritch, Michigan Daily News, and
George R. Averill, Birmingham Ec-
centric, both camera enthusiasts.

"Here is an opportunity for every-
one to participate in a Michigan
amateur camera contest and per-
haps win a valuable prize," stated
Floyd J. Miller, general manager of
the Daily Tribune at Royal Oak,
who is president of the state news-
paper association. Michigan offers
a wealth of scenic beauty spots.

Children and animals make inter-
esting camera subjects. Professional
photographers and employees of the State Fair are in-
eligible to compete. Further details
will be announced later.

Burning Orchard Trash

Sketch above shows a sheet-iron sled in which this New Hampshire orchardist burns brush and insect-harbing trash while the outfit is being pulled through the orchard by a tractor. When the accumulation is too great to handle in this way he places two poles lengthwise on a long truck—the men pile the trash on top of the poles—and the poles are used to throw the load of branches off onto a fire without loss of time in loading.

Dusting for Body Lice

Lousy hens are uncomfortable—and hens lay more eggs when they are comfortable. With a catching crate and a big sprinkle-top can of lice powder, one man can dust a large flock in short order—and it is one of the most profitable jobs that can be done around the poultry department of any farm. Incidentally, why not spot and cull out the non-layers at the same time?

Open-Air Dairy Barn

The open air dairy barn happens to be in Florida—where too much heat is as big a problem as too much cold farther north. But you need not be surprised to see this style working forthward, because of lower cost and far less dampness in winter. In this barn the feed and milking room are at the bottom and are distributed from a central elevator. The weather-tight shutters can be lowered to close the barn in winter. The shutters are hooked to the ceiling when not in use, and they are really weather-tight this barn will be far warmer than most dairy barns in northern states.

Suggest Book List for Graduates
This week, a number of books are listed for the graduate. They may be borrowed from the Northville Branch of the Wayne County Library.
The suggested list includes:
Captain Horatio Hornblower by C. S. Forester. "In terrific naval battles with the ships of El Supremo and Napoleon, the redoubtable Captain Hornblower and his crew fought for England against overwhelming odds and proved themselves the heroes they were. A trilogy (composed of 'Beat to Quarters', 'Ship of the Line', and 'Flying Colors')."
The Kingdom of Swing by Goodman and Kolodny. When Benny Goodman was 10 years old, his father, a poor tailor, saw that his son was taught to play the clarinet. The boy's rise from obscurity to fame as the 'King of Swing' is also the story of swing music and the men who play it.
We Shall Live Again by Maurice Haudin. This book is by a man who mingled unforgettably with the people of Czechoslovakia during their recent sacrifice portrays their tragedy in moving style, but reassures us with his ringing affirmation, "They Shall Live Again."
The American Way by Kaufman and Hart. Martin Gunther, an immigrant who had lived in a little American town since 1886, loved liberty enough to make a great sacrifice lest his grandson follow false gods and betray America.
Vocations for Girls by Lingenfelter and Kilson. The occupations in which women predominate those in which they compete with men, and others almost monopolized by

men are here discussed with the qualifications women must have and the compensations they may expect in these occupations.
America's Cook Book by the New York Herald Tribune. An up-to-date book on recipes with practical directions, advice on cookery methods, on table setting and service, and all manner of things pertaining to the fine art of cooking.
Wind, Sand and Stars by Saint-Exupery. With the perceptions of a poet and a philosopher, a veteran French aviator meditates on his experiences in flying the mail over the Sahara and the Andes, in facing ever-present dangers and in plotting his course by the friendly stars.
Birthday congratulations to Harold Church, Sunday, June 2.

Football Players of '41 Sign-Up

Coach Harry E. Smith called together all the boys interested in football last Thursday morning. Fifty-five signed and 12 were letter winners. The 12 included Ray Hartner, Frank Bongiovanni, Jim Funke, James Odgers, Sid Junod and Jack Holcomb all backfield men. The linemen were: Myron Utey, Jim LaRue, Stan Davis, Gene Reeves, Bill Widmaier, Bob Ross and Bob Vogtlin. This fifty-five does not include boys that will be coming from other schools. Coach Smith and Coach Walker are looking forward to a big year.

Grade Notes

Mrs. O. F. Reng's and Miss Nora Wilson's second grade rooms rank the highest in health inspection for the entire year. Mrs. Starr Bray has inspected the children for general cleanliness. Out of the 29 enrolled in each room, only five are without stars. In Miss Margaret Carpenter's room there are 18 on the dental list, the most of any room in the grade building.

Prin. Paul Carter took the sixth grade to the Ann Arbor museum Friday, June 7.

H. E. Blowers, who recently underwent an appendectomy was discharged from the Highland Park hospital Friday. His condition is considered satisfactory.

EDITORIAL NOTES

The day long awaited by the class of '40 has come and gone. They have set out into the world on their own. Some will make their way to various colleges in the fall; others will work well nigh their first year. They've been grand friends and loads of fun. Let's hope they'll not forget us.

The "grads" worked very hard during their four years of high school. Their scholastic standards were high, and their Prom and Hop were both successful. They had over a thousand dollars saved for their Washington trip which was very good. It's up to us to keep up the good work.

Honor Awards Are Given in Assembly by Members of Teaching Staff

The Northville high school assembly program held Wednesday, was the Honor Court for the school. The assembly was opened by the program with two pieces. The audience sang America; Louis Eaton was recognized as the new mayor and Bob Orr as returning mayor.

Mrs. Merle Bennett of Plymouth, a member of the D. A. R., awarded Joyce Morley a medal for an American history essay; and Alene Matthews a medal for girl citizenship.

E. C. Mollema awarded the following pins for debate to Chandler Parker, Bob Baker, Marilyn Cavell, Natalie Whipple, and the following received honorary citations: Ed Summons, Maxine Cox, John Costello and Rhea Walling.

Scholastic awards were given by Mr. Harrison to the following: English—Mary Potter, language—Alene Matthews; social science—Morley; mathematics—Ed Erwin; music—Peggy McCollough; vocations—Dorothy Van Valkenburg; science—Pat Klein; commerce—Alene Blake.

Big N's were given to the following basketball girls by Coach Gladys Ludwig, Alene Matthews, Phyl Jones, Marilyn Cavell, Mary Ball, Carrel Carlson, Jane Ely, Yvonne Taylor, Ida Walker, Ruth Farmer, Maxine Cox.

Second team letters were given to the following girls: Shirley Musolf, Dorothy Orr, Marcella Funke, Helen Dixon, Jane Behen, Elaine Summons, Mary Burgess, Gladys Clark, Marna Hubbard, Alberta Moe, Norma Houghton, Thelma Grover, Pat Klein and Jean Orr, managers.

The boys who were awarded big N's by Coach H. E. Smith were: Elmer Balko, Allen Harfield, Frank Bongiovanni, Stanley Davis, Joe DeFino, Jim Dixon, Louis Eaton, Leonard Fritz, Jim Funke, Ray Hartner, Charnell Hardesty, Jack Holcomb, Sidney Junod, Donald Kimmel, Jim LaRue, Spurgeon Lester, Laurence McClure, Walter Natranowicz, Jim Odgers, Bob Orr, Eugene Reeves, Myron Utey, Bob Vogtlin, Bill Washburne, Bill Widmaier, Kendall Wilms, Fred Robinson, Bob Ross, Fred Sterner and George Houghton.

The second team awards given by assistant Coach N. Walker were as follows: Louie Babbitt, Ransom Baldwin, Bob Beasley-Laurence Bogart, Bob Boyden, Bud Barnhart, Eugene Hogan, Dean Honstinger, Harold Hubbard, Frank Hunter, Sidney Laney, Bill Light, Douglas McCluskie, Bob McCluskie, James Reed, Bob Stramick, Tom Stears, Harold Schoutz, Bob Sears, Joe Spagnuolo, George White and Tom Widmaier.

The cheer leaders of the past year were then recognized and were, at a later date, given letters. They were Phyl Fones and Lorne Babbitt, honor of being the valedictorian for Pat Klein received a medal in the senior class and Alene Matthews also received a medal for being the salutatorian for the class.

Bob Orr received the last, and most coveted medal, for outstanding citizenship.

Latin Students Become Romans for Banquet

The goddess Juno came back to Rome Wednesday night, on the Nones of June, the month which was named in her honor. She had not been back for some two thousand years, and she hardly knew the old place. The goddess decided that time certainly had done strange things to the men and women of ancient Rome.

At first, she had believed that the interior of the strange building was somewhat like the old Rome she had known, as she watched the youths and maidens parading in their white togas and dresses. Then, too, quite a few of her former friends and relatives were there—Venus, Mars, Apollo, Mercurius, Diana and others.

Two by two, the guests filed into the floor decorated parietyle and gathered around the altar where incense was burning. The auspices were taken, and a good omen in the form of a white dove fluttered down from the sky to assure the anxious guests that the gods were in favor of this undertaking.

"Domine" was sung, and all were ready for the feast. First, appetizers of lettuce, hard boiled eggs and cottage cheese were served. These were eaten with fingers. Next, the slaves brought in water to wash the hands of the guests. The main course consisted of salmon, beans, carrots, bread and honey. For dessert there were cantaloupe sundaes.

Next, due were rolled to determine the king of the Drinking Bout. By some strange fate Edmondson as Rex Bibendi.

After the meal they enjoyed a javelin throw in which Romulus Sterner was the winner for the boys and Claudia Congo for the girls. The guests were treated and returned.

Joan McCollough was the student chairman for the banquet which is supervised by Miss Ione Palmer, Latin teacher. Miss Politz and Mrs. Knight, mothers of students, helped serve the meal. Mrs. Bongiovanni and Mrs. Deffin supplied home-made bread.

Around the School

The high school teachers, accompanied by wives and husbands, had breakfast in Cass Benton this day morning, June 13. Mrs. Marshall Herrick, Miss Kathryn Gidner and E. V. Ellison were the committee to plan the menu.

Saturday, following the operetta, Mr. and Mrs. J. M. McCollough had a party for the members of the choir who took part in the operetta last May 29 and 31. They had the whole place to themselves to do as they wished. Some played tennis and baseball while others played ping pong, croquet and later horse-shoes. Toward evening a cooperative luncheon was served and the group sat around the piano and back yard. Later in the evening they sang selections from the operetta and some folk songs. The party was enjoyed by everyone.

The girls' N-club took a breakfast trip to the park last Friday morning. They did this for a last get-together until next year.

Wednesday morning the Girls' N-club elected new officers for next year. They elected Mac Cavell, president; Ida Walker, vice-president; Maxine Cox, secretary; and Helen Dixon, treasurer.

Although still confined to his bed because of serious illness, it was reported Thursday morning that Richard T. Baldwin, Albion was slightly improved.

N.H.S. Mustangs Win over Plymouth Team

The Northville Mustangs closed a successful season last Friday, June 7, when they downed their oldest rival, Plymouth, by the score of 3 to 2.

In the first two innings nothing happened. In the third Northville put together two hits and a walk to put across the first run. Then two hits in the fifth, and two walks let Plymouth go into the lead by the score of 2-1. It remained like this until the Mustangs came up in the last half of the seventh with one out. Holcomb pinch-batted and hit a single to deep short. Kimmell was hit on to-run for Holcomb. Robinson hit a double, scoring Kimmell with the tying run. Robinson went to third on an infield out and later scored on a walk.

Mr. and Mrs. J. L. Price were Sunday hosts to Mr. and Mrs. James Price and children of Detroit.

SENIOR SKETCHES

The "educated vagabond" of the senior class is none other than Rhea Walling. She acquired this title by having traveled so extensively that she can boast of having attended 22 schools, including Northville, in 13 years. She confided her traveling among such places as "Harbor Springs, Seattle, Wash.; Houston, Tex.; Farnham, Quebec, and New York.

After graduation, Rhea would like to go to Ypsilanti Normal Teachers college, and prepare herself for teaching. Her favorite color is red, and her favorite food, oranges. Her hobbies are dogs and gardening and her pet peeve is doing dishes. At present her main ambition is to pass the chemistry final. Perhaps it would be well to add that she has real dramatic ability since she carried the lead in the senior play, and played the part of a French maid in the junior play very "pettely."

In Baltimore, Md., May 26, 1923, there was excitement in the Willis home, for guess what? Kendall came! He was the pride of the school down there until the beginning of the third grade when he thought he would give Northville a try. Northville seemed to be liked by Kendall so he stayed here and studied diligently till the eighth grade. His folks then shipped him off to a private school in Westtown, Pa. During the two years in which he was absent from N. H. S. we all missed him a great deal. He

expects to graduate with us this June. Football, swimming and horse-back riding have proven themselves to be Ken's favorite pastimes. When asked what his favorite food was he replied, "Just plain steak." As you will notice by his clothes, the color he seems to like best is green. Ken hopes to attend the University of North Carolina soon, where he will study medicine.

AN OPEN LETTER TO THE DETROIT NEWS

You have a mighty fine newspaper; you have accomplished many fine and progressive movements for the bettering and advancement of many communities which you serve.

Your Cradle Roll has supplied invaluable information to hundreds of mothers.

Your cooking schools have proved to be a great boon to the women of Michigan.

My children and all children within the vast scope of your news covering influence receive great joy when they ride on the miniature railroad at the Royal Oak zoo which you so generously provided for them.

The Detroit News has grown great and powerful because it has conscientiously and efficiently served the needs of the people of this great state of Michigan.

RECENTLY YOU PRINTED ON ONE OF YOUR PAGES A NEWS FEATURE COLUMN EDITED BY DR. GEORGE W. CRANE ENTITLED "TEST YOUR HORSE SENSE." It was my pleasure to have studied at Northwestern under this splendid gentleman, student of human needs and philosopher. Well equipped in training with a Doctor of Philosophy degree from Yale University and a Doctor of Medicine degree from Northwestern, this educator of the common people needs the cooperation of a great medium as The News to help carry on his splendid work.

I have made inquiries among hundreds of your readers and the citizens of this state concerning his articles and their worth; they informed me they received much pleasure and gained invaluable information from his pertinent questions and answers.

They would look forward every day to the answers his "common sense" philosophy and teaching combined in his articles in your newspaper.

Father and mother would impart knowledge to daughter and son through this fine system of education and in turn children, daughters and sons, contributed their knowledge and learning to parents in their study and discussion of his question and answer system.

Interlocking in this matter and as vital as life, liberty and our free system of education today is the fact that teachers and philosophers of past civilizations as far back as Socrates used the same simple method of question and answers to stimulate thought and progressive education of the masses during their lifetime.

Did not The Great Teacher and Master Himself impart knowledge and food for thought through the same method?

RECENTLY DOCTOR CRANE'S COLUMN WAS CONSPICUOUSLY ABSENT FROM THE PROGRESSIVE PAGES OF THE DETROIT NEWS. Many people are inquiring why the Doctor's vital information is not printed in your newspaper.

They fervently hope they will again see Doctor Crane's question and answer articles printed in The Detroit News.

Sincerely Yours,

John A. Ross

County Training school, will conduct the group through the school farm, displaying soybean stage, chipped hay, steel hay keepers and the school herd.
The third stop will be made at the George Schmitt farm, corner Goddard and Allen roads, seven miles east of Romulus.

GUN CLUB

(Continued from Page 1)
The range, located on the Harold Smith property on Beck road at Six Mile, is open to the public. Shoots are held at 7:30 p. m. Wednesdays and the range is also open to members on Sundays. The club members are proud of the range and want the people of the community to come out to see the shooters who will represent the town in state competition.

WALLED LAKE

(Continued from Page 1)
service amounts to \$14,866.25 for bonds, interest and a short term loan, as compared to \$9,157.50 for bonds and interest in 1939. This year's capital outlay totals \$4,113.31 for new buildings, furniture and a school bus. A year ago it was \$35,050.07.
Other expenditures include: General control, \$6,255.27; instruction, \$5,092.27; transportation, \$9,130.14; operation of school plants, \$10,374.27; fixed charges, \$1,674.47; maintenance, \$386.73.
Business at the regular meeting of the school board included the addition of a commercial teacher to the faculty. She is Miss Jean McKale of Lansing. She attended Michigan State Normal and Clearing colleges.

BANKING

(Continued from Page 1)
to the community, and give sound progress, but safe banking service here.
Following the discourse, Mr. Boyce considered questions, criticisms and suggestions from the group. Many things of importance

were brought into the open and frankly considered. The entire discussion was both enlightening and informative and did much to bring about a clearer understanding of the problems of banking today. The board appropriated \$25 toward the summer play project.

Recreation Program

(Continued from Page 1)
and to 60 boys and girls. The adult leadership of these activities was volunteer, and the time that the leader could give was limited. The Scout program was active throughout the summer months in 1938 and '39. In 1938, there were 60 boys in Scouting under two leaders; in 1939 there were 95 boys, under three leaders, including an age group of 9-17.
The 1939 school census reveals that there are 803 children, 5-19 years of age, in the village. At this time, 115 boys are active in the Scouting program, 40 boys are members of the Drum and Bugle Corps, and 60 girls are Camp Fire members. Allowing for children who attended summer camps, accompany their parents on vacation trips and who participate in unrecorded ac-

tivities, there are approximately 400 children in the village who do not have an opportunity to engage in any supervised group activity.

Now that a need for a play program has been established, the committee will meet Tuesday evening to adopt a detailed plan which will involve a minimum expenditure of \$300, half of which has been raised. Contributions for the enterprise may be given to Mrs. Willard Ely or left at The Record office.

COMMENCEMENT

(Continued from page 3)
ance of 1781: Religion, Morality, and knowledge being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged," he said.
The function of education is to save the state. At the present moment Democracy is in desperate need of truly educated men. The place to start is right where we are, doing well the things that we need to do," concluded Mr. Bennett.

The invocation and the benediction were given by the Rev. Fr. Joseph S. Schramm. Alene Matthews and Patricia Klein gave their

salutatory and valedictory speeches. Musical numbers were rendered by Marie Angove and Ernestine Lewis, members of the class. Miss Ruth Frank played the processional and recessional.

Juvenile Talent

(Continued from Page 1)
State Fair. On the program, schedule are listed some 12 to 15 juvenile entertainers, among whom are the 1939 talent winners in the child division. Six of them have been frequently heard over WJLB, CKLW, and WJLB. Some of the group have appeared at the New York World's Fair, and several in the group have been entertaining on the D and C boats between Detroit and Buffalo.
