## Village Children Flock to Summer Play Enterprise

More Assistants Are Asked To Take Care of Tiny Tots Who Come to Grade School Play Ground for Supervision

### 250 Attend Theatre

With a turnover of some 80 children an hour at the grade school playground and at least 25 an hour at the Ford field, the Northville community playground project got off to a start Tuesday with numbers that surpassed the expectations of members of the supervising citizenship committee.

Plans for the summer of supervised recreation were outlined Monday afternoon at a free movie in the Penniman-Allen theatre, attended by 250 children. Roy Meier, physical education director of the Wayne schools, is the supervisor in charge.

Over 150 children have already registered.

Mr. Meier divides his time between the two play fields where he has helpers carrying on the program. In order to take care of the large number of very small children who are being sent to the grade school playground, a story hour and special games are to be conducted by Mrs. Maxwell S. Austin, Ruth Rounsaville and Thyrza Lester. Also working at the grade school playground are Mrs. William Chalmers and Miss Gertrude McGowan.

Materials for play are being donated by individuals in the village. Gerald Huff gave enough sand for a sandbox this week for the little tots. Ten barrels of lumber for handrails projects have been given by the Daby Air Rifle company of Plymouth. Mayor Carl H. Bryan and the committee authorized the sending of the village truck to Plymouth to bring the lumber to Northville.

The handcraft class is scheduled from 2 to 4 p. m. Mondays and Wednesdays. It is taught by Miss Rounsaville.

Mr. Meier says that the ten use any college students who want to donate their time to the project. If weather permits, the street showers will begin next week.

## Fisherman Rescued Friday from Lake by Young Swimmer

Wesley Angel of Plymouth, made his third rescue this year when he saved Homer Harris, 54 years of age, Friday at the Waterford lake.

Harris of 21725 Roosevelt of Farmington, was fishing off the bank when his boat floated away. When he tried to get it, he sank in deep water. Wesley, who was camping at the lake with Rolan Marshall, went to Harris' rescue. First aid was given by a Northville physician and he was taken to Eloise hospital for further treatment. His recovery was satisfactory. Wesley is 21 years old. He learned to swim seven or eight years ago at the Wayne County Training.

## Republican Party Heads for 1940 Election

WENDELL L. WILKIE

CHARLES McNARY

is the Republican's choice for United States president in the 1940 election.

## Republicans Met Back in 1856 for Philadelphia Convention

In 1856 the Republican party held its convention in Philadelphia, where the party's delegates were in session last week for the purpose of deciding upon its 1940 platform and selecting its presidential and vice-presidential nominees.

The first successful presidential nominee of the Republican party, Abraham Lincoln, was chosen in 1860 when the party's convention was held in Chicago. Lincoln was not the leading candidate on the first ballot in fact, William H. Sewall led him by 71 votes and these were three other candidates. On the first ballot the vote was as follows: William H. Sewall, New York, 173; Abraham Lincoln, Illinois, 192; Simon Cameron, Pennsylvania, 50; Samson P. Chase, Ohio, 49; Edward Bates, Missouri, 49; Schuyler Colfax, Indiana, 36.

On the final ballot Lincoln received 231 votes and Sewall 160, Chase and Bates closed with 24 and 22 votes, respectively.

Four years later, 1864, Lincoln was given the unanimous vote of the convention in Baltimore.

Ulysses S. Grant was the unanimous choice of the Republican party in the Chicago convention of 1868 and the Philadelphia convention of 1872.

In 1876, when the Republicans met in Cincinnati, the nomination was a wide open affair with six contending candidates. The successful candidate, Rutherford B. Hayes of Ohio, could muster but 61 votes on the first vote for the fifth place, while James G. Blaine of Maine was well out in front with 285 votes. The first ballot result was as follows:

- James G. Blaine, Maine, 285
- O. P. Morton, Indiana, 225
- M. H. Brewster, Kentucky, 113
- Roscoe Conkling, New York, 99
- Rutherford B. Hayes, Ohio, 61
- J. F. Hartranft, Pennsylvania, 58
- Scattering, 14

On the final ballot Hayes nosed out Blaine by the small margin of 10 votes.

## Legion To Elect Year's Officers Tuesday, July 9

Candidates Are Named at Home of Commander George Simmons

At the regular meeting of Lloyd H. Green Post No. 147, American Legion to be held Tuesday, July 9, officers for the new year will be elected.

The nominations for the various offices of the post were made at the last regular meeting held at the farm home of Commander George Simmons. The officers elected Tuesday evening will take office some time in September.

The candidates nominated last week for the various offices are as follows: Commander, S. B. Stevens; first vice-commander, Alton Peters and Frank Wilkinson; second vice-commanders, Frank Wilkinson and Alton Peters, adjutant and finance officer, Leslie Alexander; historian, Prof. Shaw; chaplain, E. E. Blowers; welfare officer, Claude E. Ely; Americanization officer, Dr. W. H. Johnston.

**STARK IS HONORED**  
Village Assessor Bert C. Stark, who celebrated his seventy-fifth birthday anniversary Friday, June 28, was honored by the Northville Lodge, No. 186. They sent him a large bouquet of flowers in honor of the occasion, and also to mark the fifty years that he has been a member of the lodge.

**GETS COMMISSION**  
Richard Loomis has been named a Boy Scout Commissioner by G. Earl Silver, Field Scout executive of this area. Mr. Loomis' appointment makes it possible for him to supervise all five Scouting divisions in Northville, where there are three troops, an Explorers' patrol and a Cub organization.

## First Union Service Will Be Held July 7

The first of time union worship services for the congregations of the Baptist, Methodist and Presbyterian churches will be held at 11 a. m. Sunday, July 7, in the Baptist church, where the Rev. Dr. Thomas W. Smith, of the Presbyterian church, will preach the opening sermon of the series and conduct the communion service.

Assisting with the union meetings this summer will be the Rev. Dr. Gustav H. Enns, pastor of the Plymouth Baptist church. He'll preach at the service July 14, in the Northville Baptist church. The host pastor, the Rev. Dr. Howard R. Chapman will speak from his own pulpit, Sunday, July 21.

When the services open, July 28, in the Presbyterian church, the Rev. Harry J. Lord will preach. He'll preach there the following two Sundays, also.

Dr. Enns will return again Aug. 18, to speak in the Methodist church. The series will be brought to a close by Dr. Smith, who will preach in the Methodist church, Aug. 25 and Sept. 1.

## 70 Children Take Vacation Bible School Classes

Final Program Is Presented for Parents' Friday in Church House

The summer vacation Bible school sponsored by the Baptist, Methodist and Presbyterian churches closed Friday morning with a program witnessed by a large number of parents in the Presbyterian church house where the school sessions were held. Seventy children were enrolled.

Two pageants were presented at the final session by the junior department. Children of the primary division gave a skit based on the missionary and Bible study they had been given. Songs and recitations came from the beginners.

There were five departments in the school, including the nursery, beginners, primary, junior and junior high. Miss Lottie Livingston was the director. She had the help of the three ministers, the Rev. Dr. Edward R. Chapman of the Baptist church, the Rev. Harry J. Lord of the Methodist church, and the Rev. Dr. Thomas W. Smith of the Presbyterian church. The school staff made up of Mrs. Gerald V. Harrison, Mrs. John W. Dickey, Mrs. M. E. McGee, Mrs. Don Miller, Mrs. Willis C. McCarthy, Mrs. E. G. Brockway, Edythe Amman, Miss Margaret Negy, Mrs. Paul Carter, Miss Mabel Chamberlain and Dorothy Steininger.

## Northville Teachers To Travel and Study

The summer months find Northville school teachers attending colleges and traveling.

In school at the Michigan State Normal college, Ypsilanti, are Mrs. K. H. Babbit, Miss Margaret Carpenter and Mrs. James A. Huff, Jr. Mrs. Paul D. Carter is taking work for her Ph.D.

Miss Marshall Herrick is working on her Master's degree at the University of Michigan, Ann Arbor, as is Miss Gladys Ludwig. Miss Thelma Brassfield is also studying this summer at the University of Michigan.

Miss Beulah Miller is studying at the University of New York in New York, N. Y.

Miss Nora Wilson and E. V. Ellis will be on the feature attractions from the stage of the Northville Wayne County Fair, Aug. 21-24.

## Qualified District Voters Will Elect 2 Trustees, July 8

Annual School Meeting Will Be Held at 8 p. m., July 8, in High School Gym; Dr. L. W. Snow and Willard Ely Are Candidates

Standards Are Cited

Dr. Linwood W. Snow announced today that he would be a candidate for reelection to the board of education at the annual school meeting scheduled for 8 p. m. Monday, July 8, in the high school gymnasium, at which time two trustees are to be elected by the voters of school district No. 2. Fractional of the townships of Northville and Novi.

Dr. Snow's present three-year term expires along with the short term filled by Willard Ely, who was elected last summer when Sherill W. Ambler resigned from the board. Mr. Ely made it known last week that he intended to seek reelection.

When he announced that he would be a candidate, Dr. Snow pointed to the accomplishments of the board during the past three years, saying that it had been ably administered which had kept within the budget. "We've finished the school year with \$4,000 in the black at the same time, we've kept the school up to a standard so that it is on the accredited list of the University of Michigan. Too, we've been able to affiliate with the North Central Association of Colleges and Secondary schools. This means that the school library has had to meet certain requirements of teaching staff has had to qualify with degrees. Consequently, the graduates of the Northville high school can enter college outside the state without taking entrance exams," he affirmed.

"On the matter of married women teachers in the school system, which has been an issue in the past, I wish to state as a citizen of the state that I am in favor of it."

## Bob Hunter Returns from Western Tour

Eagle Scout Bob Hunter returned to the village Monday evening, bringing an end to a 4000 mile hitch-hike trip which began June 17, when Bob started West for his health and to see the country.

We went to Yellowstone park, Denver, Colo., and Wyoming. It was in Wyoming that Bob was trapped on the desert overnight 30 miles from anywhere. He slept out with the prairie dogs with the temperature about 40 degrees. Late in the afternoon he took a ride to a stranded there until morning.

Bob found that his ranking of Eagle Scout gave him character qualifications that made it possible for him to stay in the mountains. Low Scouts when he met on his travels. He liked the mountains, particularly however, he comes back with tales of feedings and killings in that region. He took a number of pictures, in the West, many of ranch life where cattle were being branded.

He made the trip from Denver to Detroit in 49 hours getting rides with 10 motorists. The trip cost him between \$5 and \$8, most of which was spent for food.

Bob will be a junior next year in high school. He's looking for a job right now, but plans to go with the Scout troops to East Tawas late this summer.

## Takes Office

Russell H. Steininger

took over the duties of president of the Northville Rotary club at the luncheon meeting, Tuesday, July 2.

## Heads Exchange

R. J. Hammemeister

is the newly elected president of the Northville Exchange club. He succeeds Harold Church.

## Taxpayers Need Not Finance Michigan State Fair Project

Michigan taxpayers will have far greater interest in the 1940 Michigan State Fair than for many years past, says the manager, Dr. L. W. Snow of Northville, because of the second consecutive time in its long history, the operation of the Fair will not cost the taxpayers any money. The ninety-first Annual State Fair will be held Aug. 30 to Sept. 10, inclusive, at the Fair Grounds, Detroit.

In years prior to 1939, the cost of the Fair to the State has been high—sometimes reaching a figure close to a half million dollars. Last year, however, under the administration of Dr. Snow, the Michigan State Fair not only demonstrated its ability to stand on its own two feet without aid from the State Treasury, but also to wipe out an overhanging balance of past year purchase orders totaling \$49,602.02, which the present administration felt had to be paid before the opening of the 1939 Fair.

The financing of the 1939 State Fair at a profit on its own current revenues without drawing on its taxpayers and the continuation of this sound condition into 1940 with a substantial operating capital, was brought about by keen business management and exploitation of the natural facilities of the institution for recreational purposes. Under the management of Dr. Snow the beautiful 100-acre park, only eight miles from the center of Detroit, with its twenty-six permanent buildings has been turned into a civic and recreational center second to none west of New York City. While previously the grounds and plant had been in commercial use not exceeding 10 days of each year, the present management has acquired substantial revenue through renting the equipment for outside events in the sports and entertainment world, notably the Winter Rodeo, Shrine Circus, A. B. C. Bowling Congress, boxing and wrestling matches, polo, midget and miniature auto races, dances and (Continued on Society Page)

## Walled Lake Boys Complete Project

Net Income of \$4,113.30 Is Realized from 7 School Enterprises

By C. E. Hutton

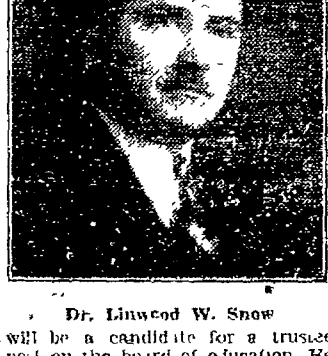

In a summary of the 1939-40 agricultural program completed by students of the Walled Lake Consolidated Schools under Waldor C. Proctor, instructor and supervisor a total net income of \$4,113.30 was received from seven enterprises.

Twenty-seven day school and 15 part-time students took part in the supervised practice programs which included the following items: together with their net incomes, Potatoes, 21 boys participating, \$870.00; corn, 7 boys \$291.01; garden, 4 boys \$110.35; orchard, 1 boy, \$1,308.54; poultry, 3 boys, \$379.81; swine, 13 boys, \$499.79; dairy, 11 boys, \$663.20.

In addition to carrying on the above productive enterprises these students completed over 60 farm improvements, such as farm machinery repair, landscaping home grounds, building hog lots, clearing land, making a farm shop, making a home library, fertilizing orchards, wormed hogs, dehorning calves and cows, pruning fruit trees, testing soils for acidity, constructing a trailer, making cement work, treating seed again for farmers and many other activities.

There are 20 full time and 14 part-time boys now engaged in work for the coming year. Their programs include swine (12 boys); garden (5); dairy (11); poultry (6); potato (9); beef (1); corn (3); beef (1); rabbit (1) and landscaping (3). There are also 12 freshman students who are continuing work to be included in the fall.

## Trustee Candidate

Dr. Linwood W. Snow

will be a candidate for a trustee post on the board of education. He favors the present teaching staff but is opposed to hiring new and retired women teachers.

## To Fine Speeders for Violations in Northville

Police Department Has Reduced Number of Traffic Violators from 700 to 270

Because motorists in large numbers continue to violate the speed laws in the village, members of the council have approved Chief of Police Loomis' suggestion that fines be imposed upon offenders.

It has been the policy of the police department to caution speeders before imposing fines on them. The violators have been cut down from 700 during April, to 270 during June, Chief Loomis told members of the council Monday evening at the regular session of the governing body.

It has been noted by the police force that most of the speeding occurs in the daytime, during the busy hours of the day.

Of the 270 traffic violators who were stopped by village policemen last month, 15 were given tickets, 14 were given tickets for defective equipment. The fines for the month will total approximately \$75.

Chief Loomis also reported that there had been four automobile accidents in June when three persons received minor injuries. The property damage totaled \$306. Three persons were arrested for disorderly conduct. Two breaking and entering cases were handled by the village police department in June.

## Treasurer Reports Good Tax Response

Village Treasurer Harold Bloom reported today that the taxes which became payable Monday, July 1, are coming in slightly better than they did a year ago.

The taxes are to be paid at the Village Hall. The deadline for collections is Sept. 1.

Northville is rather fortunate in its ministers. Our Sky Pilots' sort of keep us straight logically and pleasantly. It was good news that Rev. Lord returned to the local pastorate for another year. We are glad to welcome Rev. Richards back to Northville, as he retires from the active ministry and again makes his home in our midst.

At 45 m. p. h., "Nearer, My God, to Thee";
At 55 m. p. h., "I'm Nearing the Port and Will Soon be at Home";
At 65 m. p. h., "When the Roll Is Called Up Yonder I'll Be There";
At 75 m. p. h., "Lord, I'm Coming Home."—Pathfinder.

Frankly we were not very enthusiastic over Michigan's Democratic Civil Service. Its revival by office holders at the present time smacks of good things clothed in the same intentions that ruined the plan under Gov. Murphy. Let's think it over carefully, and not go off half cocked on this setup—This time it is to go in the constitution via the amendment route—Better make a law work before you try to inject the idea into the constitution. The plan if at all practical lends itself to legislative action, rather than the amendment idea.

The Fifth Column Worker

By H. I. PHILLIPS

HE TAKES all America has to offer with a smile and awaits a chance to return the favor with a machine gun.

HE LOOKS like a man, but performs like a rattlesnake. HE SHARES your hand while his wandering eye measures you for a knife in the back.

HE IS THE SKUNK that walks like a man, the hyena that waltzes like a patriot and the rat that masquerades as a human being.

HE EXPRESSSES astonishment at the genius of American industry, but puts in plenty of time reporting back to the enemy on weak spots for attack.

HE NOT ONLY BITES the hand that feeds him, but eats the other hand for dessert.

HE SAYS, "I can't happen here," while planning to help the enemy do it.

HE IS THE KIND of rodent who would accept help from the good Samaritan, ask the Samaritan to wait for him in the corner drug store and then bomb the drug store.

HE RENDERS evil for good, thinks the doublecross is the noblest work of man and eats with his knife because he never wants to have to depend on a fork when the time comes to stab his host.

Commissioner Fred P. Simmons, underwent a major operation at the University hospital, Ann Arbor, June 26. Tuesday, it was reported that he was making slight improvement.

The Farmers' Corner

The dairy, four June 17, brought out some interesting facts. The first stop was at the S. A. Hill farm, Northville and an excellent alfalfa-smooth bromegrass pasture was studied.

It was sown May 3, 1938 with the following Oats, Smooth Bromegrass, Alfalfa and Sudan Grass. It gave 70 days pasture in 1938 June 15 to September 1. In 1939 it gave 90 days pasture to 18 head of cows and 3 horses June 1 to Sept. 1.

This is unusual because most seedings do not include the Sudan grass and pasture is not available the first year.

A mixture of oats and Sudan grass was also studied. It was sowed the latter part of May and will be used for midsummer pasture.

Young turkeys should have relatively high protein starters according to C. G. Card, Head of Poultry Department, Michigan State college. Use a starter having 24-26 per cent protein. Mash should be before the birds all summer and hopper feeding of grain should start when the birds are 10 to 12 weeks of age. Whole grains include those of corn, wheat, oats, and barley. Card states that the birds themselves will prove well able to pick and choose between the grain and mash so that they get a well balanced diet with sufficient protein for body, bone, and feather balance.

The Michigan Milk Producers Association entertained 4-H Dairy club boys, who are in the Milk Production project June 20-21.

The Wayne County boys were Richard Wisley, Allen Barger, Arthur King, Junior Korte and Ivan Campbell of Plymouth and Dudley Scott of Romulus.

The boys will write essays describing their Milk Marketing Tour. The writer of the winning essay will be awarded a free trip to the National Dairy Show in Harrisburg, Pennsylvania by the Michigan Milk Producers Association.

It is advised from the Entomology department Michigan State college, that the first spray for the Cherry Fruit Fly be applied immediately.

The following information concerning the Cherry Fruit Fly is given by Professor Ray Hutson, Entomologist of the Experiment Station.

It is urged that the following directions be preserved and that the sprays be applied according to directions sent out from time to time.

Two species of cherry fruit flies infest Michigan cherries—namely, the earlier maturing dark bodied species and the slightly later white-banded fruit fly. Both species affect cherries along the entire western coast-line and are undoubtedly in other parts of the State, as well.

The date of the completion of the first spray will be sent to County Agents and others interested. It is, furthermore, recommended that the second spray be applied two weeks after the first spray, in case a period of two weeks elapses between the emergency of the fly and picking time. Additional sprays may be required if poison is washed off by heavy rains. All other fruit trees except peach, interplanted on a close proximity to the cherry trees should likewise be sprayed along with the cherry trees.

Directions for spraying: Sour cherry trees which are to be thoroughly washed, should receive a spray containing 2 pounds lead arsenate in 100 gallons of spray.

For sour cherries the spray may consist of 2 pounds of lead arsenate added to the spray containing fungicide.

These sprays are recommended only for use on cherries that are to be thoroughly washed preliminary to canning or freezing.

George H. Stalker left Tuesday by plane for a short business trip to Kansas City, Mo.

It is urged that the following directions be preserved and that the sprays be applied according to directions sent out from time to time.

Two species of cherry fruit flies infest Michigan cherries—namely, the earlier maturing dark bodied species and the slightly later white-banded fruit fly. Both species affect cherries along the entire western coast-line and are undoubtedly in other parts of the State, as well.

The date of the completion of the first spray will be sent to County Agents and others interested. It is, furthermore, recommended that the second spray be applied two weeks after the first spray, in case a period of two weeks elapses between the emergency of the fly and picking time. Additional sprays may be required if poison is washed off by heavy rains. All other fruit trees except peach, interplanted on a close proximity to the cherry trees should likewise be sprayed along with the cherry trees.

Directions for spraying: Sour cherry trees which are to be thoroughly washed, should receive a spray containing 2 pounds lead arsenate in 100 gallons of spray.

For sour cherries the spray may consist of 2 pounds of lead arsenate added to the spray containing fungicide.

These sprays are recommended only for use on cherries that are to be thoroughly washed preliminary to canning or freezing.

### News from Walled Lake

By C. E. Hutton

Weddings seem to be the news of Walled Lake at this writing. On June 28 Miss Dorothy Marguerite Miller of Petersburg and Donald Braidwood Watkins of Walled Lake were married in the Petersburg Methodist church. The Rev. C. S. Rusly of Webberville officiated. Following the ceremony a reception was held in the church parlors for 150 guests.

After a wedding trip through Canada and the eastern States, the couple will reside in their new home at 2450 Haggerty road, Walled Lake.

The bride, daughter of Mr. and Mrs. Perry Miller of Petersburg, was graduated from Petersburg high school. Mr. Watkins, son of Mr. and Mrs. James Watkins of Orchard Lake, is a graduate of Walled Lake high school. He attended the University of Michigan and is now employed in Detroit.

Miss Ruth Dorothea Champe, daughter of Mr. and Mrs. Raymond Champe of St. Petersburg, Fla., and Robin Tuttle, son of Mr. Belle Tuttle of Walled Lake, were married June 22, at the home of the bride's uncle and aunt, Mr. and Mrs. W. G. Lichtenberg in Detroit. They were attended by Miss Marian Malcolm and Douglas Tuttle, brother of the bridegroom. The couple plan to live in their new residence, now under construction on Middle Straits lake.

## ARE YOUR CROPS ALL DRESSED UP WITH NO PLACE TO GO?

At the first snowfall when you look back over your year's work can you truthfully say it was a job well done? If so, do you have some place to put it?

Why not protect your income through the winter by building an up-to-date general purpose barn? A dry, warm, well ventilated barn can be built inexpensively, so your products won't be all dressed up with no place to go!

A barn can be built and paid for with easy installments. Actual costs and complete information about a variety of general purpose, or specialized, barns will be furnished cheerfully at your convenience. Write, phone, or call on us today.

**Cool as a TRUCKLOAD OF ICE**

...this inexpensive "package unit" air conditioner!

Here's modern magic as amazing as Aladdin's lamp—an attractive, compact cabinet, only 31 inches high—containing the cooling equivalent of FIFTEEN HUNDRED POUNDS OF ICE PER DAY. Yet there is not one pound of ice in the cabinet!

Snap a switch. Quietly and efficiently, a flow of cool, clean, filtered air is circulated to every part of the room. Windows can be kept closed. Street noises are shut out. Dust, dirt, and pollen are removed. Sweltering heat and humidity are replaced by cool, clean, bracing air—as crisp and invigorating as a breeze from a mountain top.

On the hottest summer days, one of these "package unit" air conditioners will furnish a haven of cool comfort in your home or office. Attractive walnut-grained cabinets are styled to harmonize with the finest furnishings. Installation can be made quickly and easily, without alterations or office changes. Completely self-contained, the unit requires no drains, no pipes, no plumbing. It can be placed anywhere. When you move you can take it with you. Prices start at about \$130 for a unit for a small bedroom or office.

Any air conditioning dealer will give you full information about these low-cost room coolers. Telephone today. The Detroit Edison Company. (We do not sell or install this equipment.)
