List Box Holders for Twenty-Fourth Fall Horse Show

William Reeves Clark, Master of Hounds at Metamora Hunter, Will Judge Hunter and Juniper Classes in Junior Division

Personnel Complete

With the listing this week of the early box holders for the Northville Horse Show to be held Aug. 21-24 at the Northville fairgrounds, came also the announcement that the judging personnel for both the junior and senior divisions had been completed upon the acceptance of William Reeves Clark, master of hounds of the Metamora Hunt, for judging of the junior hunter-jumper classes.

Mr. Clark's judging of this division of the junior show, completes a judging foursome of outstanding prominence. Also judging in the junior division will be Glen Ellis, master of hounds at Ingomar farm at Clarkston. He'll judge the saddle classes. In the senior division, will be Christopher Wadsworth of Kenmore, N. Y., in the hunter-jumper classes, and Turner Young of Lebanon, Tenn., who'll judge the saddle classes. Both of these judges were here for the snowlast August.

An increasing number of villagers appear among the early boxholders along with names prominent at horse shows throughout this section of the country.

To date, the list includes Mr. and Mrs. Carl J. Snyder, Mr. and Mrs. Harry Kettle, Mrs. Helen Carter, Mr. and Mrs. William McCallister, and Mrs. H. H. Patterson, Mr. and Mrs. De W. Hahn, Mr. and Mrs. Ernest H. Wood, Mr. and Mrs. Walter L. Cowie.

Young Voters Hold First Organization Meeting Here Aug. 6

Tuesday evening, the young voters of the community met at the Legion Hall at the call of the committee designated by the Northville Coordinating Council. Following explanations by Mrs. Levi M. Eaton, chairman of the committee, and Roger Zinn, State Forum Counselor, proceeded to organize a Young Voters' Forum.

Officers-elect of the new organization whose object is to stress the responsibilities of citizenship, and provide social leadership for the voters exercising their rights of franchise for the first time this year in a Presidential election, are as follows: Chairman, Robert Angove, vice-chairman, Thyra Lester; secretary, Alice Banks; treasurer, James Harper. The membership committee was named as follows: Mary Louis Boyden, Dorothy Niles and Ida Altman. Miss Altman was named publicity director.

Among those present at the Tuesday evening meeting were: Norene Blake, Rita Healey, Thyra Lester, Robert Angove, Scott Cole, James Harper, Dorothy Price, Dorothy Niles, Mary Louise Boyden and Alice Banks.

Supt. R. H. Amerman, and the Rev. Dr. H. R. Chapman assisted in the organization of the group.

Refunding of Bonds Is Authorized

Members of the village commission, meeting in session Monday evening in the Village Hall, voted to refund the \$113,558 refunding bonds in order to get a cheaper rate of interest. The bond transaction is to be handled by the Fenniman State Company of Detroit.

The refunding is being done so that the money can be used to buy up the \$110,000 sewer bonds, callable 1942, and the \$40,000 fire bonds, callable 1946, both drawing five per cent interest.

By taking this action, the council is of the opinion that the village has been saved between 20 and 30 thousand dollars, depending upon the market, which, at the present time, is at a high peak, with low interest rates.

Tourney Draws Amateurs' Best

U. S. Public Links Champ Is Paired with Bob Babbish for Meet, Aug. 9-11

Out Meadowbrook way, everything is in readiness for the biggest amateur golf meet to be staged in Michigan, Aug. 9-11. It's the third annual invitational golf tournament, which has grown to such proportions in its three-year span of life that some 300 entries had to be refused after the five flights, with 80 teams, were filled.

Because of the size of the field, teeing off will have to start at 7 a. m. Saturday. The qualifying rounds will be played Friday. The semi-finals and finals will be played Sunday.

Expects Good Show

Harry B. Clark, president of the Northville Horse Show, says that the committee has every reason to expect the biggest show of its history, Aug. 21-24. The fair gives promise of being filled with quality entries.

Introducing

Dr. and Mrs. Mark A. Gardner who moved today to 312 Randolph into a home which they have recently purchased and remodeled.

Dr. Gardner is a dentist and will commute daily to his office in the David Whitney building, Detroit. Coming to Northville is the realization of an ambition of many years for Dr. Gardner, who was born here, moving away at the age of seven. He had wanted to return to the village to establish a home among friends whom he has kept through the years. The Gardners are already well known here, frequently having visited their friends in the village. Dr. Gardner has masonic affiliations, being a past potentate of the Shrine in Detroit.

Introducing also, Dr. and Mrs. Arnold H. Rotermund and their 10-month-old son, Kurt, who have moved from Royal Oak into the Pilgrim apartment on East Main street.

Dr. Rotermund has his office in the part of the apartment building recently used by Vernad Pilgrim. A graduate of Ferris Institute and Kirkville college, Dr. Rotermund, an osteopath - physician - surgeon, interned at Northway hospital at Mc Pleasant, completing his internship at the Detroit Osteopathic hospital. At Kirkville he was a member of the Alpha Club and was affiliated with the Sigma Sigma Phi national honorary fraternity.

Field Day Honors Porath and Sons

A Field Day is to be held Monday, Aug. 12, at the Julius Porath and Sons farm, 4334 West Six Mile road, bet. the Michigan Horse Breeders' association and the Extension Division of the Michigan State college, East Lansing.

Since the beginning of the development project, the Poraths have been one of the closest co-operators and each year have had several entries in the work. They are recognized as one of the outstanding Belgian breeders in the United States today. In recognition of this, the Banquet to be held Monday evening at the Hotel Mayflower, Plymouth, will be in honor of Mr. Porath. In the past, five horse breeders have received this high honor for their achievement and contributions to the horse industry in the State of Michigan.

The afternoon meeting, beginning at 2.30 o'clock, will be devoted to an inspection and exhibit of 40 or more Belgians at the Porath farm.

Plans Promoted for Citizenship Day in Village

Coordinating Council Members Hear Report of Summer Playground Project

Renewal of plans for a Citizenship Recognition Day in Northville in October with a program of citizenship instruction for voters casting their first presidential ballot, this talk with the newly organized Young Voters Forum, representatives of the summer recreational program, and suggestions for continued effort were discussed at the August meeting of the Northville Coordinating Council. The meeting was held at the Legion Hall Tuesday evening.

Mrs. Levi M. Eaton made report of preliminary work in the organizing the Young Voters Forum. Tentative dates were suggested in the month of October for the Citizenship Recognition Day and an extended report of the summer recreational program, which showed how the children of the community were responding splendidly to the leadership of Roy Meiers and Miss Gertrude McGowan who are directing the program.

According to the report of Dr. Kephart, 225 children attended the movie initiating the program. That day 82 boys and 51 girls enrolled. During the first four weeks an average of about 60 children have participated in the program daily and foot wear in Northville.

Dresden To Dictate Races' Daily Double at Northville Track

By George L. Zimmerman, II Those racing fans who enjoy watching the "Sport of Kings" and oftentimes called the "King of Sports," and who are desirous of backing up the prognostications with a mull bet as to what horse is going to win a certain race will be interested to know that the directors of the Northville Wayne County Fair Association have obtained the services of one of the most competent and better known mutual directors in American racing for the 11-day meeting starting at the local track, Saturday.

D. F. Dresden, better known to his associates as "Des" has been associated with the mutual business for over 45-years. The former secretary of the Kentucky Jockey club directed the first mutual betting in the states of California and Texas, and has supervised the betting in practically every racing state in the United States.

Dresden's capable assistant will be another Kentuckian, M. F. Mitchell, who has filled the supplementary position in Texas, Arkansas, Arizona and Illinois. The former (Continued on page 2)

OBITUARY

Harry F. Blake

After an illness of many years duration, death claimed Harry F. Blake, Thursday, Aug. 1, at the Mather sanatorium, where he was a patient. He died at the age of 52 years.

Born the son of Mr. and Mrs. Edwin Blake of Harrisburg, O., Mr. Blake had lived in Northville for about 25 years. He came to Detroit in 1900 with his father, the two of them being associated as raw furriers. He had lived also in various places in Ohio.

Before illness made it necessary for him to be confined to the hospital, Mr. Blake had been active in community affairs in Northville, making for himself a large number of friends.

Surviving him are his wife, Mrs. Lilian L. Blake, two daughters, Peggy, who is in the East, and Arlene of the home. He is survived by three sisters, Charlotte, Marguerite and Laura of Hollywood, Calif.

Last rites were held at 2 p. m. Monday, Aug. 5, from the Schrader Funeral Chapel where the Rev. William Richards, officiated. Burial was made in Woodlawn cemetery, Detroit.

The dates for the twenty-fourth Northville-Wayne County Fair are Aug. 21-24.

Bogart-Bidwell Marriage Rites Are Held Sunday Evening in South Lyon Ceremony

Miss Lucy Idella Bidwell, daughter of Mr. and Mrs. Ralph E. Bidwell of the West Seven Mile road, became the bride of Ralph E. Bogart, eldest son of Mr. and Mrs. E. M. Bogart of Northville, in a pretty candle-light ceremony performed at eight o'clock Sunday evening, Aug. 4, in the home of the bride's aunt, Mrs. Wilson Lane of South Lyon.

The couple exchanged their nuptial vows in the presence of the Rev. Harry J. Lord, pastor of the Northville Methodist church. The service took place before the fireplace which became an improvised altar, flanked by white candles, glass and glassophias. Large baskets of garden flowers were used throughout the house. Miss Lois Lane, a cousin of the bride, played the wedding music.

For her wedding, the bride wore a white chiffon street length dress, white turban and a shoulder length veil held in place with pearls. Her corsage was of orchids. Attending the bride was Miss Doris Hubbard, who also wore white, accented with a corsage of roses and lilies of the valley.

Ivan Ely was Mr. Bogart's best man.

Following the wedding, a reception was held for the 50 guests, who witnessed the exchange of vows. They came from Flint, Pontiac, Howell, Detroit, Plymouth, Northville, Novi, Wilmett, New Hudson and Dearborn. White, too, was the theme of the bride's table, which was centered with a tiered wedding cake. White tapers were also used on the table.

Mr. and Mrs. Bogart are motoring through northern Michigan upon their return, they will be at home to their friends at 112 East Dunlap street.

Both Mr. and Mrs. Bogart are popular members of the village younger set. Mr. Bogart was graduated from the Northville high school with the Class of 1936. Mrs. Bogart is a member of the Class of 1930.

Before their marriage, Miss Marie Schoof of this place, and Mrs. Howard M. Hunt of Plymouth, entertained for them Thursday evening in the Hunt home. This affair was an open house for some 35 relatives. Wednesday evening, the bride-elect was the honor guest at a luncheon.

Seventeenth Annual East Novi School Reunion Is Held Saturday in Village

More than 60 former pupils and friends gathered Saturday, Aug. 3, for the seventeenth annual reunion of the East Novi school. Mrs. John Angell was hostess to the group at the home of her daughter, Mrs. Charles H. Newkirk, Grace Beamer.

A luncheon preceded the short business meeting at which time the Edward Reid on Fairbrook avenue, present officers, Mrs. Harry Goings, president of Pontiac, and Mrs. James Fry, secretary of Detroit, were reflected.

Four teachers were present, including Mrs. Marvin Sloan of Northville, Frank Lamb of Howell, Mrs. Harry Bogart of Pontiac, and Mrs. Wesley Dawson of Ypsilanti. Mrs. Nellie Dennis Hunt of Coudwater, also a former teacher of the school, sent a greeting.

Mr. Lamb taught the school in the winters of 1887-88 and six of his pupils attended the reunion.

Mr. and Mrs. James Clark of Buffalo, N. Y., were among the guests. Mr. Clark attended the school more than 60 years ago.

Miss Mary Finn invited the group to meet at her home on the 12 Mile road for the 1941 reunion.

Bondie-Greer Nuptials Held at Walled Lake

Miss Edna Greer, daughter of William Greer of Walled Lake, and Melvin Bondie, son of Mr. and Mrs. Nelson Bondie of South Lyon, were married Sunday, July 28, at the Walled Lake Methodist parsonage, the Rev. Andrew F. Neimann officiating, witnessed only by close relatives and intimate friends of the two families.

The bride was gown in white chifon and carried an arm bouquet of yellow, tea roses. Her only attendant, Miss Hazel Curtis of Northville, wore blue organza and carried pink roses.

Starling Powell of South Lyon, was best man.

After the ceremony, a reception was held at the South Lyon hotel for the bridal party and guests. Mr. and Mrs. Bondie are making their home in South Lyon. Mrs. Bondie has been employed at the Michigan Bell Telephone office in Northville for the past four years and will continue her work here for the present.

Best Final Half-Year in History Is Predicted by Roger W. Babson

Roger W. Babson's Business Prospects for next six months: Business: 6 per cent gain over first half 1940 and last half 1939. Trend: Upward as defense program broadens.

Farmers: Some products to move up moderately. Workers: Big increase in jobs; Wages steady; Few strikes. Merchants: 5 per cent increase in sales. Prices up 2 per cent. Consumers: Foodstuffs to lead small living cost gain.

Realtors: Rents higher; Values and activity steady. Investors: Larger dividend checks. Rail bonds up. Summary: Very active final half year.

BUSINESS OUTLOOK FOR SECOND HALF OF 1940
By Roger W. Babson
Babson Park, Mass., Aug. 3.—Business in the second half of this year should be very active in most lines—maybe the best final half in history. More real jobs, fatter pay envelopes, modestly higher farm income, bigger dividends than in the first half of 1940, or in the final six months of 1939 are assured. There will be no noticeable gain in living costs, but taxes will be the heaviest in a quarter-century. The next few months will be a period of intense industrial activity as our mammoth defense program gets under way.

This defense program will put the "oomph" in the industrial boom ahead if peace comes in Europe before the program gets going full.

Boy Scouts Return from Annual Camp

Forty-three Northville Scouts came back to the village Sunday, completing the annual camping trip at East Tawas.

The highlights of the week including going to church in a group, making a trip to the coast guard station, a visit to the Lumberman's Monument on the Ausable river and historic points in the valley, camping in the woods, participating in a horseshoe tournament sponsored by Austin Van Hove.

These were special activities in addition to regular camp routine and recreation.

The adults in camp were Charles Schultze, Harold Parmenter, George Simmons, Orlow G. Owen, R. H. Amerman, Robert Power and Dick Loomis.

Mr. Schultze assumed practically all the responsibility of setting up camp this year, going ahead with Mr. Owen before the Scouts arrived at East Tawas.

Walled Lake Asks Survey of Dam

Petition Is Sent to County Drain Commission; Owners Organize

By Charles E. Hunter
Organization of the Walled Lake Property Owners' Improvement association was effected Monday evening at a meeting of nearly 200 tax payers residing in and near the Walled Lake village, meeting in the Walled Lake recreation rooms.

The association was promoted to act in petitioning the County Drain Commission to make surveys preliminary to construction of a dam or spillway near the outlet of the lake for the purpose of maintaining the water level of Walled Lake, thought by many here to be threatened by construction of the Fenley drain, soon to get under way.

Cost of the dam survey, amounting to about \$300, is to be provided by the association through membership dues. In the event that the Drain Commission finds the dam to be practical, the actual cost of construction will be spread over the district principally effected by the drain through special tax assessments.

Arthur E. Bliven, president of the Improvement association, stated that the dam is needed, regardless of the outcome of the drain commission's findings as regards the drain. He said that investigation by or entrusted, 1001 W. Base Line rd. Phone 7141-F13.

It was stated that work on the drainage project would not begin until sufficient time had been allowed the association to act on the protective proposal.

As a result of the assurance of funds by organization of the local association, officers of the group, acting as committee, will immediately present a petition to the County Drain Commission calling for the survey. The petition contains the signatures of property owners representing 14,200 feet of lake frontage.

Officers of the Walled Lake Property Owners' Improvement association are: Mr. Bliven, president; Sydney J. Blomfield, first vice-president; Guy L. Johnson, second vice-president; R. E. Newcomb, third vice-president; Leon W. Gutz, treasurer; and Miss June Rogers, secretary.

The membership committee includes Clarence Nybakke, M. J. Copeland, Ernest P. Taylor, Harry Gainer, B. Z. Schneider, Leon Watson and June Rogers. Dues of \$1.25 a member were voted to be assessed.

Future projects of the association will pertain to the cure, betterment and protection of the community, according to Mr. Bliven.

NYA REVIVES NATIONAL PASTIME IN MICHIGAN

Baseball is king among the boys of Michigan this summer, thanks to the National Youth Administration, and its junior baseball program operating in some 30 counties of the state. These pictures show several of the 200 and more teams in action. Upper left is a photo taken at a game between Mason and East Lansing in the Ingham county league. Upper right is a game being played at Calvin Center in Cass county. Lower left shows John Kobs, coach of baseball at Michigan State College, East Lansing, instructing a boy in the art of catching at one of several baseball schools conducted by the NYA in connection with the program. Lower left shows a second baseman in action at Calvin Center. Lower center shows a group of junior players at Pinckney in the Livingston county league grouped around a huge baseball symbolic of the program, before which is grouped the numerous trophies to be given winners in the program at the close of the season. The trophies have been donated by national figures in baseball in America.

Sketch above shows a time-saving method of unloading hay. The trailer dumps the entire load on the barn floor—and the driver hustles back to the field for another load while the barn crew is mowing away. If the tractor is needed to operate the hay fork the trailer can be quickly uncoupled.

Camera Hunting in Jasper Park

THE 4,200 square miles of Jasper National Park in the heart of Canada's Rockies comprise the greatest wild life sanctuary in North America, containing thousands of big game animals, including Rocky Mountain sheep and goats, mule and whitetailed deer, caribou, moose and elk, and black, brown and grizzly bear.

Deer and elk are particularly tame and are daily visitors to Jasper Park Lodge, the luxurious Canadian National Railways' Rocky Mountain resort. Elk are also observed almost daily in the vicinity of the Jasper Park Lodge golf course while friendly black bears and their playful cubs are frequent visitors around the Lodge. Smaller animals including beaver, lynx and marten are also numerous, as well as the hoary marmot or "whistler" of the mountain.

Jasper Park is a real paradise for camera hunters, its friendly boundaries providing a haven for the

above mentioned four-footed visitors in addition to perky little rock rabbits—the only animal in the world to cure its own hay-say by scratching and effort.

For those who are disposed, there are camera trophies without number to be had in Jasper National Park, in fact, even on the Jasper Park Lodge lawns.

News from Walled Lake

By C. E. Hutton

Assurances from several local "of nation-wide prominence," accepting invitations to speak at an Oakland County rally of Townsend clubs have been received, according to Guy L. Johnson, general chairman of the event, which is to be held at the Walled Lake Park, Aug. 31.

Mr. Johnson states that he is recipient of telegrams from Dr. Francis P. Townsend, promoter of the Townsend "Old Age Pension" plan; Senator Charles L. McNary, Republican nominee for vice president of the United States; Senator Arthur H. Vandenberg; Harry P. Kelly, Secretary of State and George E. Gullen, candidate for representative of the 17th district, who will act as chairman of the meeting. Others who may attend are Wendell L. Willkie, Republican presidential nominee, and Gov. Luren D. Dickinson, according to Mr. Johnson.

One of the principal projects of the Walled Lake Future Farmers of America—during the past year has been the design and construction at the Walled Lake Consolidated School of a unique type of one ton farm trailer, to be used as a general utility vehicle for transporting farm machinery, livestock and produce. It has been the original creation of the local F. F. A. and planned primarily

for convenience and aptitude for farm use.

Since completion, the trailer has attracted wide interest among other F. F. A. chapters and agricultural organizations over an extensive area. It has received considerable notice in agricultural publications and many inquiries have been received by W. C. Proctor, agricultural instructor and F. F. A. supervisor concerning it.

The trailer is painted blue and old gold, the colors of the Walled Lake F. F. A. chapter 23. Members may use it in their project work throughout the year, without cost, by filing application with the club president. The total cost of materials for the vehicle was \$32.40. Five boys, working one hour each, each day, did the construction work.

It was decided at a meeting of the Board of Review of Commerce Township that the township clerk sit one day at Walled Lake for the purpose of taking new registrations of voters for the general and primary fall elections. Notice of the date for local registrations will be posted in the Walled Lake post office. This will be in addition to the date of registration at the clerk's office.

Attend the racing meet at the fairgrounds, Aug. 10-24.

NEW CROP FOR N.E. MICHIGAN

Portions of 11 Michigan counties have ideal conditions for producing a new type of crop,—winter hardy, native, wild white clover seed. With prices soaring to nearly a dollar a pound in retail stores the effects of European conditions are to be capitalized upon by Wallis Clemens, Harrisville, one of several who expect to harvest white clover seed this year. Above, Clemens at left is showing Richard Ball, farm crops research man of Michigan State College, a portion of the area he has reserved for a clover seed harvest. Cattle were taken out of the four acre patch June 5 to permit a seed catch.

MILLIS
(Continued from Page One)
the United States, and the time element necessary in building defense. Don Yerkes, Sr., the oldest past president of the club living in Northville, presided and introduced Mr. Millis. Mr. Millis felt that until America prepared and was willing to place herself in a position to speak, that we had better not talk so much.
From many aspects, the Japanese threat has a great bearing on what should and could be done. He thought it was impossible to hold the Philippines, or Hawaii, or a large portion of the Pacific coast against the Japanese, should they strike. Hitler's plan of action has been known for years, out folks just thought it couldn't happen, but it did, and has all according to plans and practices simulated in the German War College since 1935, and well known to Britain and U.S.A.
Mr. Millis urged immediate armament, and attention to defensive measures, and not too much emphasis on the "Water Edge Defense" idea. Mr. Millis spoke fluently and earnestly in expressing his ideas and held the strict attention of his audience.

RACES

(Continued from Page One)
vided at the race track, and fans should experience little difficulty in placing their bets and witnessing the races from the large grandstand. The camera tower housing the magic eye which will decide all finishes has been completed, and only the sounding of the bugle remains to start off the race meeting.
Giving the horsemen a chance to work their horses in competition, and at the same time giving the residents of Northville and surrounding districts an opportunity to watch the thoroughbred in action, Manager Fred drew many compliments from owners, trainers and the 1000 racing fans who attended the free showing Sunday at the local track.
The feature race of the afternoon was won by Sparkling, owned and trained by the well known Wilmington, Del. sportsman, Frank Clemens. The 3-year-old mare was ridden by Johnny Kegan, one of the better known pilots of the West Virginia racing circuit, and who will be in the saddle at the local meeting.
Breaking from the Bah gate Sparkling showing a liking for the fast track and the sharp turns, easily topped her field in 40 and 1-3 seconds, for the short four and a quarter furlongs. The other starters were Princess Rhoda, Booter Mae, Ina Donna, Biography Authoria and Incredible.
The winner of the second half of the double race card was Pete, followed in order by Crasher and Bob Lee. Considerable trouble was experienced at the starting gate by some of the horses in the second race, but Starter William Daley, displaying the calmness for which he is noted, dispatched the field in no time.
"Little Saratoga", as the Northville track has oftentimes been called, is all in readiness for the opening Saturday. Last Sunday's tryout of the loud speaker equipment with the voice of Orlow G. Owen, and the camera which will decide all finishes during the 11 days of racing, found everything to be in excellent condition for the inaugural.
Although the idea of a "preview" or "set-up day" is familiar among members of the Trotting Horse world, many horsemen expressed the opinion that the local showing here was the first time any Racing Association had attempted the idea with thoroughbred horses at a mile or half mile track.
The same horses which ran Sunday will be seen under colors during the next few days. Several of the jockeys, including E. Henson, F. Stamey, J. Thibault, C. Conroy, A. Alberta and Jimmy Taylor anxious to try the turns on the half mile course, seemed to have lost none of the skill which they displayed at the mile tracks earlier in the season.
Mr. and Mrs. Harold Stout and son Gordon, have returned from Ava, Ill., where they visited Mr. Stout's parents, Mr. and Mrs. George Stout.

PET PARADE

(Continued from Page One)

through town and to the grade school playground where the entries will be judged.
Following the parade, running races will be held at the playground for both boys and girls. Unless more entries are received, plans for a carnival scheduled for later that afternoon will have to be abandoned. Entries for all of the events are still being received each day at 12:30 p.m. at the playground by Roy Meier and Miss Gertrude McGowan.
Awards will be given in the parade entries to the largest and smallest dolls, doll with the prettiest hair, largest and smallest pet, oddest pet, homeliest pet, most amusingly-dressed pet, pet able to do most tricks, doll or pet most attractively displayed. There will be a full card of running races. For the eight-year-olds and under, there will be the 25-yard dash, and potato race; for the 9-12 year-olds, there will be the 50-yard dash and the softball throw; for the boys from 12 to 16 years old, will be the 75-yard dash and the hop, skip and jump; for the

12-16 year-old girls, there will be the 50-yard dash and the soft ball throw.
Too, there will be the penny scramble, which is to be a feature of the day.

CITIZENSHIP

(Continued from Page 1)

Two-thirds of the children are under 12 years of age. The supervised games are held five days a week at the playground. Soft ball, croquet and horseshoes are most popular. Activities offered are the above, plus volley ball, ladder climbing, sand boxes, circle games, tether ball, checkers, ping pong, dart games, woodcraft, leather work, and other handicraft projects.
At the swimming hole, life guards are on hand from 1 to 4 p.m. Monday through Friday. Interest of the children has grown during the period, and water games are becoming more popular each day.
Plans are under way for a continuance of this program in part at least during the fall months.

each other in the eight races to be run Saturday.
Track Posing Trainers
As the above horses are well known to racing fans in this district they will probably go postward with the support of many of the local enthusiasts. Much support is being given to the Northville officials so as to make the race meeting at Northville's "Little Saratoga" a permanent fixture. Owners and trainers are well pleased with the condition of the track and the physical mechanism of plant which is necessary to a successful race meeting.
The appearance of horse owners from over 15 states shows that an attractive card of races, under the supervision of the Michigan Racing Commission, and directed by some of the ablest officials in America, is in store for the many racing fans who will attend the opening this Saturday.
Post time for the racing on inaugural day and subsequent Saturdays will be 3 p.m. with the popular "Twilight Racing" at 4:30 p.m.
