At the Exchange club Wednesday noon Judge A. S. Nichols told of his experiences in a trip to and from California a few days ago.

While driving near Joliet, Ill., a windstorm picked up his car and carried it into a tree eight feet from the ground. He was taken to the hospital by a doctor, Mrs. Nichols was cared for by a nurse and the dog was cared for by a veterinarian by happenstance. On the return trip, Mr. and Mrs. Nichols were stuck in snow drifts for three hours, and traveled three miles of the road. Judge Nichols believes it is a good idea to have a spare tire.

For the second consecutive year, Wilford Wehrle of Chicago, captured the Meadowbrook Country club's third invitational tournament, Sunday, with Tommy Sheehan as his partner.

And it all came about when Wehrle holed out a 30-yard approach shot for an eagle three on the seventeenth hole to clinch the match and climax a rally which he and Sheehan staged after trailing until the fourteenth hole.

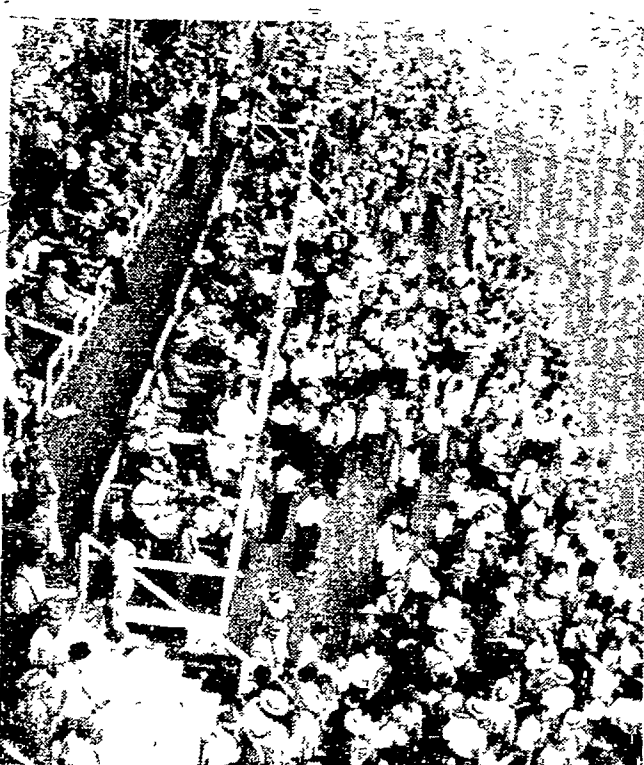

Wehrle and Sheehan were victorious over Ellsworth Vines and Walter Burkemo. The two teams finished all square at the turn with identical cards of 34 or one under par.

The winning twosome had advanced to the championship round with 3 and 2 victory over Willie Turnesa and Harvey Fruehauf.

Vines, the tennis star, still seeking his first major golf tournament victory, teamed with Burkemo to dispose of Bob Babbish, Detroit district champion, and Eddie Furgot of Utica, N. Y., 1-up in the lower bracket semi-final.

This is a great time of the year to live in Northville—so much going on—so much activity. The fair, the race meet, summer visitors, parkway picnickers, big shots in politics and those who think they are, all gravitate to the Village at this season. And we're glad to meet them—we wish them well—a happy sojourn, and an early return.

What a haven the Cass Benton Park and the Parkway has been during the recent days of extreme weather.

● **NOVI TOWNSHIP MOVES FORWARD**
 Novi township over in Oakland County sort of walked away with the honors for the last decade as far as population increase is concerned. During the period from 1930 to 1940 the population of Novi township jumped from 1571 to 2426, an increase of 54 per cent.

It is interesting to note Northville township took the big step in population increase in 1930 when an increase from 2249 in 1920 to 5135 was recorded. In 1900 Northville township had a population of 2371; in 1910, 2274; in 1920, 2249; and in 1930, 5135. The 1940 count recently released showed a count of 5336. Northville village showed an increase of 18% with a gain of 456.

A Village like Northville will grow according to the effort of her citizens in helping to make her grow. United effort, a willingness to work, and a will to keep things clean, wholesome and progressive does the trick.

For the fiscal year ending June 30, 1940 the State of Michigan made a net profit of \$17,728,869.63 in the liquor business which it controls.

● VISIT YOUR DENTIST

A visit to the dentist this month by all children who will be starting school for the first time in September is recommended by the Michigan Department of Health.

Good dental care at this early age is the best guarantee of controlling dental decay. A friendly attitude toward the family dentist should be developed in children. A visit to the dentist now will better prepare the child for the classroom and prevent loss of time during the school year.

In a survey conducted in two average rural counties in Michigan recently the health department's Bureau of Public Health Dentistry found that from 80 to 90 per cent of the school-age children were in need of dental care. Cavities are expected in teeth since there is no known way of preventing decay but these cavities must be filled at once so that further damage is prevented and the tooth is saved.

The Record would like to see a widened concrete road from Northville to U. S. 16 at Novi.

As true today as when written 150 years ago: "It is the common fate of the indolent to see their rights become the prey of the active. The condition upon which God hath given liberty to man is eternal vigilance; which condition if he break, servitude is at once the consequence of his crime and the punishment of his guilt." John Curran, 1750-1817.

News from Walled Lake

By Charles E. Hutton

The doors of Walled Lake business places remained closed Wednesday, while their proprietors joined many other villagers in celebrating the second annual Walled Lake Day at Puta-Bay. This year's outing took on the proportions of a full-fledged holiday for the home folks, with many families making the trip.

The motive for the event is sponsored by the Community Luncheon Club, and is designed as a gesture of appreciation to the local high school band, with all members of the group going as guests of the club. Plans for the day included music by the band throughout the journey and stay at the island.

The high school band concluded its summer series of concerts Thursday evening, playing before their largest audience of the season. The concert was given in the business district of the village and received much favorable comment from the listeners. The band may play for the Townsend-Republican rally Aug. 31, at the Walled Lake park, where many leaders of the pension plan and prominent political figures are expected to be present.

Additional equipment recently installed in the modern meat packing plant of the Lakeside Poultry company includes an electrically controlled oven to be used in smoking and baking hams. Completely cooked hams ready to serve are now offered to wholesale and retail trade at the plant.

Mrs. Mae Rhodes of St. Petersburg, Fla., is visiting relatives and friends here for several weeks.

Mrs. Minnie M. Hutton is at the home of Mr. and Mrs. R. C. Cameron of Detroit, this week.

Mr. and Mrs. G. B. Thompson and family left Thursday for South Dakota, to visit relatives. They will include a visit to Yellowstone National Park during their vacation.

New residents of Walled Lake are Mr. and Mrs. Don Wing, formerly of Romeo. Mr. Wing is connected with the Gilliam electric shop.

Mrs. Irene Kovacs, of Thirteen Mile road, has completed her studies at the New York Institute of Dietetics, where she was graduated Saturday.

Novi News

By Mrs. L. E. Coates

The Novi School reunion which was held Saturday, Aug. 10, for the former pupils and teachers and their families at the schoolhouse was a very delightful affair.

Those who have worked for several months on the project were sufficiently confident of the success and had prepared a constitution and by-laws which were read and most heartily accepted to make it an annual affair. The following officers were elected president, Jay Leavenworth; vice-president, Mrs. Elsie Woodruff Kent; secretary-treasurer, Miss Mary Flint.

More than 100 were present and all of our congressmen. No record will be kept in Northville of how anyone votes. Chub J. Smith

After dinner served in the large auditorium in the basement, a program in charge of J. Leavenworth was very interesting. He called on several of the former teachers who gave short talks relating some of their experiences while teaching here. Mrs. Lillie Lamb Angell of Northville, having been a teacher here 32 years ago. Other teachers since then who were present were Mrs. Lillie Smith Jones of South Lyon, Mrs. Lulu Becker Goring of Pontiac, Mr. Ball of Detroit, A. L. Hill of Novi, Mr. Culver and Miss Dorothy Reudel of Milan, Mrs. Edna Hull and Mrs. Mary Atkinson are on the present staff of teachers. Former pupils were present from Detroit, Royal Oak, Farmington, Northville, Brighton, Walled Lake and Ohio. Not a moment was wasted in renewing old school friendships intermingled with experiences in the "good old days." Some of the company had not met in more than 40 years.

Later in the afternoon the company was called to the front of the building facing Walled Lake road where several pictures were taken. Following that, the greater part of the group went over to the old schoolhouse on opposite side where more pictures were taken. Many having great enjoyment in reliving the old school bell the tones of which pealed out recalling many pleasant memories of happy days spent there. They were then invited to go inside to see the changes made there by Mr. and Mrs. Rawley, who have purchased and made their home in a part of the building having converted the basement into delightful modern living quarters.

Those who were so courteously shown about by Mrs. Rawley, were very loud in praise of the hostess and the attractive rooms altogether. This happy occasion was one to be recalled with great pleasure by all who attended.

Mrs. Frances Thompson Holcomb of Detroit, who was here for the school reunion was with her aunt, Mrs. Lizzie E. Coates, a dinner guest at the Archie Kent home Saturday evening with Mr. and Mrs. Harry Taylor of Northville. They went to Cass Benton Park for supper. Mrs. Holcomb is the mother of the six girls whose picture was in the Detroit News last Sunday. They have all been in a number of swimming events and are to be in the one at River Rouge pool this Friday. Three of the girls, Ardis, Joanne and Dolores, have several medals to their credit.

A tragic fatality occurred Sunday at the home of Mr. and Mrs. Herman Smith when a little child was killed in the dog yard by an auto driven by an uncle. The parents were spending the day at the Smith home, Mrs. Smith being a sister. Their home is in Saginaw. A physician was called but the child was dead.

The Rev. Dr. and Mrs. Howard R. Chapman were called Tuesday evening to Des Moines, Ia., by the death of Mrs. Chapman's niece, Miss Dorothy Thompson.

Because Chevrolet trucks provide the power and durability to do the work most efficiently, and because Chevrolet trucks operate with such great economy, Chevrolet trucks are out in front in sales—leading again in 1940 by a wide margin, as they have led year after year.

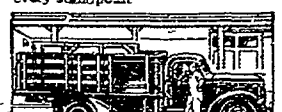

You will find it wise to modernize your trucking equipment now, at today's low prices.

TRUCK OWNERS WANT FACTS... CHEVROLET GIVES **Certified Proof!**

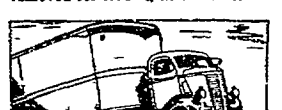

On the longest test run ever conducted under the supervision of the American Automobile Association, a stock Chevrolet 1 1/2-ton truck turned in a marvelous performance and economy record. The facts of this test run are clearly outlined in an interesting booklet entitled "Say Who?" You may obtain this booklet from your Chevrolet dealer or by writing to Chevrolet Motor Division, General Motors Sales Corp., General Motors Bldg., Detroit, Michigan.

LIGHT DELIVERY PANEL—Grocers, cleaners, bakers—all types of merchants who must maintain prompt day-to-day and door-to-door delivery service have found Chevrolet panel deliveries the ideal trucks from every standpoint.

HEAVY DUTY STAKE—The heavy duty stake truck is ideal for carrying materials of great bulk. The center stake sections on the 1934 1 1/2-ton stake model may be swung open or removed for loading at the sides.

CAB-OVER-ENGINE—To pull heavy loads when the pulling is rough, Chevrolet's cab-over-engine model is preferred by truck users who demand the maximum strength, power and efficiency.

RACES

(Continued from Page One)
 in a stretch drive after suffering early interference in the race.

Poetry Is Queen
 Running the six and one half furlongs in 1:22, Poetry establishing herself as the queen of the Northville track until something comes along to challenge her position, returned \$340 to the local fans who held her in high esteem.

Jockey Horvath set the pace for riding honors by riding three winners on opening day. Besides his victory in the handicap, Horvath was given the nod on Bena Bone and Persuader. A Galtzer and W. Day were both given suspensions for their rough riding tactics aboard Narduc and High Pressure.

Miss Lydia Kasper's, Raymond showed the four thousand fans who came out for the first program of tonight's races Monday that he had no more of the same old display recently at Tangledown, when he headed a speed team of sprinters in the very first race.

Remond coming from behind in the stretch at a new time of 1:04 and 3/4. In the short and long furlongs and coupled with Fleib's, he secured a double double of "Red" Raymond's effort, as well as the fans' satisfaction of the mile race.

Snook's Marhand Wins
 Tuesday saw race appear for the first time at the local track but it dawned not a bit of the crowd of the second day of twilight racing. Winner of the first race on Tuesday, and the initial maiden affair to be contested was won by Dr. L. W. Snook's three-year-old Marhand.

The Griffin trained truly with jockey Alberts aboard romped home for the popular local owner in \$80 and 2-5 seconds and returned \$580 in the maiden betting. Marhand, coupled with Flashing Thru, gave a daily double payoff of \$65.00 Flashing Thru, owned by Mrs. S. L. Gorbett, heads the winning list as his race on Monday was his second winning effort in as many starts at the local track.

The largest daily double payoff to be realized thus far at the half mile oval was the \$121.20 return on Mrs. Koo and Miss. Boyce on Wednesday. The shortest priced horse to win was Goggles who returned \$3.00 to win on opening day. Betting has remained consistent with the successful handling on opening day.

Saturday's races will feature the running of three long distance races. Paced on the entry board is a race at two miles and five furlongs and another at a mile and five sixteenths. The former race will give an opportunity to watch the horses pass the grandstand five times. Another capacity crowd is expected.

Get Your "VACATION" Oil Stove Here

That's what some women call it—their "vacation" stove—because they earn the expense of a vacation trip with the savings.

Others regard the modern oil stove as a "vacation" from the tiresome chore

of the slow, noisy, old-fashioned way of cooking with wood or coal. Still others who have tried more expensive methods, requiring connections and dependent upon one source of fuel supply, value their modern PERFECTION oil stove because it gives better cooking and baking results with

these modern, clean, all-speed High-Power burners. And, talking about vacations—we have just the size and style of Perfection you need, from a one-burner camp stove and two-burner laundry or dairy stove to the fine new, gleaming white porcelain enameled ranges—either "Table-Top" or high-oven styles. Why not decide now to cook the modern, economical way, and for your Perfection comes to oil stove headquarters at

Ambrose Seeks Seat in State Legislature

John B. Ambrose, republican candidate for State Representative for the 5th District, and present justice of the peace in Redford township, is stressing the need of the smaller communities of Wayne county for someone in Lansing who not only is sincere and conscientious about his job, but is familiar with their problems as well.

Mr. Ambrose, in addition to his duties as justice of the peace, and his experience in the general practice of law, has been for sometime acting in an advisory capacity with the Township Planning Commission, particularly with reference to zoning ordinances. He points out that zoning is a matter which is a necessity. More and more attention must be given to municipalities and suburban communities, and it is quite likely that broader enabling acts will be before the legislature in the immediate future. The intelligent handling of this particular problem, Mr. Ambrose feels, may have a great deal of value in the future of the communities represented.

A potluck luncheon will be served. Each person is to bring a passing dish and sandwiches. Persons wishing transportation are to meet at 12:30 p. m. at the Four Corners.

DR. JOHN A. ROSS
OPTOMETRIST
809 PENNINGTON
PLYMOUTH

A dear old lady pressing through the throng at the wedding of your grandson spoke for millions of Americans when she exclaimed, "God Bless You, Sir!" Your kindly response, "Thank You So Much, Madam," typified in word and conduct much that endears you to the heart of America.

Short weeks ago you jolted the imagination of a war scared America when you offered to build a thousand planes a day. Rebuffed but unbowed, while politicians argued and Americans chaffed, you went ahead with your plans. The administration may count you out, but we don't. Your rugged individualism directs your own program for forging an adequate defense for your homeland. We like it. And believe in you.

While we know little of the private life of you and yours, we know so much of what you are doing and have done for America that you merit our abundant admiration. A young man brimful of ideas, you saw your fortieth year before success came. With success, your inbred love of people loosed a new motivating power and your ideas became ideals. As a working man, you built for the working man. Race or creed mattered not... naught but character, worth and citizenship.

You have devoted your genius to industry and transportation. Your life epitomizes the rise of a poor man to eminence on the basis of ideals, honesty and the fundamental virtues found in the philosophy of hard work. It is interesting to know that in early days when short of funds you entered the racing fraternity and for a short time held a world's record.

You opened wide wondrous portals to millions. Our thousands of miles of highways are tribute to your genius and perseverance. Every laborer and farmer behind a wheel is testimony of greater freedom and tolerance. A freedom and tolerance that removes sectionalism and knows not the prejudices of a generation ago. Truly this is a boon to national unity and patriotic democracy.

You have kept transportation costs within the price range of the worker by spurning combination agreements, and you have built one of the world's greatest industries without government subsidy or high tariff. Ford products in world markets testify to your ideals in industry and business.

Today you are the champion of American tradition and the American way. Seeking first peace, you are a bulwark of defense in European quarrels. Having revolutionized transportation and the assembly line, inaugurated the forty-hour week and raised wage levels during the last thirty-seven years, we note your commitments on the occasion of your seventy-seventh birthday. "Years themselves do not count. It is what you do with them that adds up to success or failure. Our prosperity ahead depends upon youth and what we teach them. We must teach work and self reliance. There is no short cut to economic and social security." Suing action to words you are today inculcating self-reliance and community responsibility in hundreds of young men in your farm camps and trade schools. To those of us to whom it is given to suffer, the unbounded facilities of your own Ford Hospital reach out to heal.

Passing your seventy-seventh milestone, we feel you are a Titan belonging to an era of outstanding Americans. Perchance you have not sought so much glamour or acclaim, but all too often you have been subjected to wide-spread criticism and lack of appreciation. We here seek to offer our words of praise while they may be heard. Your name will ever continue to be an inspiration to young Americans who wish to grasp opportunity and fight to the top with integrity and brains. You did this with these qualities plus a liberal helping of elbow grease.

Kind Sir, Yours has been a life of usefulness, wherein the rugged virtues of a pioneering generation, individual integrity, sterling character and forceful thinking, have won an unchallenged place in American history. The admiration and thanks of a great people are yours. America needs you today more than ever before.

In the morning of your seventy-eighth year accept our personal congratulations and best wishes for your continued good health. May the years to come add further achievement to an already lustrous career.

Respectfully and Sincerely,
JOHN A. ROSS, Optometrist,
Plymouth, Michigan.

HORSE SHOW

(Continued from Page 1)
a string including Little Joe, nationally known open jumper, William O. Bridge of Detroit, whose stable is now managed by Carey Rogers.

George Gardham has entered spectacular Chief Brandt in the show. Mrs. Margaret Moore Jewell is returning after an absence of several years with a hunter, Spring Dawn, that will give keen competition.

Fred J. Martin of Detroit, will show a new Canadian purchase in the hunter division. To be shown for the first time is the new mare, Studia, belonging to Frank Edg's stable. Bud Rischborn of Metamora, will compete as will the newcomers Mrs. F. H. Patterson and William McHadden of the Bloomfield Open Hunt club.

Quality in Saddle Classes
Among the favorites in the saddle horse division will be the entries of Jimmy Casson of Jackson (six head), Glen Ellis of Clarkston, Thomas Blackett of Northville, Carl J. Snyder of Detroit, Elmer L. Wiedner of Northville, David McMoran of Port Huron, Robert Taylor of Sunnyside farm of Plymouth, Miss Alice Wierwille of Detroit, Mr. and Mrs. Clarence

Schmalzreidt and Paul McAdams, Jr., of Detroit, Dr. George Schanberger of Saginaw, Charles E. Dool of North Branch Stock farm at Mc Clemons, Dr. T. F. Lane of Ann Arbor.

Princess K To Appear
Miss Kathryn Marburger, a popular young rider of the village, will enter the saddle classes with a blue-ribbon winner of other years, Princess K.

Miss Delano To Return
There are to be three stock horse classes this year. Returning to compete is the 16-year-old Sue Delano of Battle Creek who last year was best in a field of over 20 entries to take home the trophy and blue ribbon. It is anticipated that the competition for Miss Delano will be even greater this year, with over 25 exhibitors in the class.

In this division will be entries from Harry Mack's Rabinovitch Acres of Plymouth, Charles F. Newkirk of Dearborn, Nate S. Shapero of Apple Creek farm of Northville, Sonny Geisler and Frank Geisler of the Dead End ranch of Detroit. Among their entries the Geisler competition will include Mae West, a buckskin, made 18 hands high and 17 years old.

Junior Division Is Large
This year will see the ponies and the junior classes held the opening day of the show, Wednesday, Aug.

21. By condensing these classes from a two-day show to the one day, the committee anticipates greater activity and more entries.

The entries include Paul McAdams, Jr., the Yaw children of Birmingham, the six entries of the Albert Holmes children, Mary Lee Aldrich of Birmingham, Edith Blake, Yvonne Taylor and Geraldine McKenna of Northville, Joan and Genny Lou Parry of the Metamora Hunt club of Oxford, Red Cedar stables of East Lansing, four entries of the children of Mrs. Ernest J. Boden of Toledo.

In the saddle bred division, Mary Ann Shapero and Delores Blackett will again be competitors.
