

Walled Lake's 3 Schools Have Total 1,100 Enrollment

30 Report for Football Practice; Make Effort To Finish Grid Field for Northville Game

430 Are in Grades

A new high in the enrollment of students at Walled Lake Consolidated Schools has been reached according to records at the school office. Increases have been noted both in the elementary and high school grades.

Rolls for the Walled Lake, Commerce and Union schools show a total of 1,100 pupils. Elementary pupils number 760, and high school 340. Walled Lake lower grades list 430, while Union has 167 and Commerce.

Over 30 candidates have responded to Coach Harold Hurth's first call for gridiron duty during the past week. It is expected that the athletic field will be completed in time for the fall schedule opener with Northville, Sept. 20.

Other games on the schedule include Redford Union, Sept. 27; Otis, Walled Lake at Midland, Oct. 11 at Farmington; Oct. 16 at Clawson; Oct. 18 Pontiac Reserve here; Oct. 25 with Holly here; Nov. 1 with Brighton here; Nov. 8 at Keego Harbor.

Northville Farmers Scheduled To Meet in Plymouth, Sept. 13

Wayne County Agricultural Conservancy association meetings have been called for the purpose of electing township officers and delegates to the county convention. The meetings are scheduled for 8 p. m. Friday, Sept. 13.

Any farmer is eligible to vote in the township in which he lives if he is participating in the AAA program in 1940, or if he intends to participate in 1941. Meetings are to be held for Northville and Plymouth in the Plymouth City Hall, for Livonia in the Livonia township hall, and in Nankin in the Wayne County office, 3301 Newberry street, Wayne.

New Bowling Alley Opens Saturday

The Northville Center Recreation, Eugene Harrison, proprietor, will be formally opened to the public at noon Saturday, Sept. 14. The new Recreation Center located in the new building at the corner of Cady and South Main streets is new, modern and attractive in every appointment. The opening should be attractive to every person interested in bowling and recreation. During the afternoon, refreshments will be served.

Change Is Made in Grade School Class Groupings

An unexpected low enrollment for the lower grades and a large enrollment in the upper grades brought about a change in teacher assignments this week, worked out by Sup't. R. H. Amerman and Prin. Paul Carter, eliminating entirely one combination room. The total enrollment is 366.

One Combination Room Is Eliminated; Total Enrollment is 366

The final grade school registration according to classes is as follows: kindergarten—Mrs. William Chizmar, 49; first grade—Miss Selma Jarvis, 30; Miss Beulah Miller, 32; second grade—Miss Nora Wilcox, 36; third grade, Miss Ruth Pierce, 36; Miss Pearl Hensch, 19; fourth grade—Miss Hensch, 14; Miss Margaret Carpenter, 35; fifth grade—Mrs. K. B. Babbitt, 30; Miss Ruth Cassidy, 30; sixth grade—Mrs. James A. Huff, Jr., 33; Mrs. W. H. Johnson and Mr. Carter, 31.

ORANGE AND BLACK EDITED BY SCHOOL

This week the Northville Record again welcomes the Orange and Black to its columns. In this section of the Record, the journalism class of the Northville High school presents its work and the news of the school to the community. The Record again offers these columns free of charge as it has done ever since the idea of local publication was originated. At no time has the school or the school board paid for or The Record made a charge for this service to our school and community. We do not intend to do so.

Introducing

Mr. and Mrs. Arthur Wilde and their three children, Suzanne, 7, Phillip, 5, and Richard, 3, are introducing themselves to the community. Mr. Wilde has been named manager of the A&P Market.

Mr. and Mrs. Dale Buttermore of Plymouth, who took over the management Monday of the Cloverdale Dairy Bar.

The Buttermores have two daughters at home. They are Dorothy, age 10 who is in the third grade, and Betty, aged 14 who is in the eleventh grade.

Within a few days, the Buttermores will move to Northville to make their home.

A. R. Clarke Takes New Bank Position

A. Russell Clarke, who has been cashier of the Depositors State bank for the past three years, has resigned his position, effective Sept. 25, to be associated in the bank examining division of the Federal Deposit Insurance Corporation, with headquarters at Madison, Wis.

Mr. Clarke plans to continue to live in the village. He'll report to Madison about the first of the month. His territory will include the banks in Wisconsin, Indiana and Michigan. He's been with the Northville bank for five years and leaves this organization only to accept a promotion in the banking field.

Novi Fruit Sales Starts Operation Monday, Sept. 16

The Novi Fruit Sales Agency will open Monday, Sept. 16, reemploying 60 persons to start the company's second year of business.

When activity gets under way at the agency, workers will have \$10,000 worth of new machinery to carry on the business of extracting and canning fruit juices. The factory has been enlarged by some 3,000 square feet at a cost of \$5,000.

The most important single addition to the equipment line at the plant is a new fruit washer, which operates in a manner particularly careful of the fruit. This is the only such machine in the State of Michigan.

Apple juice is being canned in six different sized containers, this year, the most popular and new size being the five-cent can. At the company's booth at the State Fair, some 28,000 persons were served this five-cent drink in nine days.

In order to take care of the scheduled business, some 50,000 crates of huge apples will be used. Corrugated cartons will be used in packing this year, another new venture for the concern.

The season for the agency lasts between 89 and 90 days, Manager W. J. Lamping, affirms.

Board of Commerce To Meet, Sept. 17

A meeting of the Northville Chamber of Commerce has been called for 8 p. m. Tuesday, Sept. 17, in the Village Hall.

Because of the resignation of Tom Edmondson, president, a successor to the position will be named at this meeting.

Northville Voters Back GOP Winners in Primary Race

Snow Gets Village Support 600 Strong; Eaton Polls 450 Ballots in Former Home Town

79 Go To Polls

Northville, traditionally republican, followed the State trend in major primary election contests, backing the republican winners in most cases, but losing five of her favorite sons: Dr. Linwood W. Snow and Elton E. Eaton. Both men were supported strongly in the village, but lost in the final tabulation.

In Northville's first precinct, 426 votes were cast, while in the second precinct, 253 persons cast votes.

Dr. Snow, seeking the Wayne county coroner's post, polled 600 votes in the two precincts here. Alvin Snow, a former home town's Mr. Eaton of Plymouth, in the lieutenant governor race, gained 40 votes in Northville.

Eaton's close opponents are Arthur E. Wood and Eugene C. Keyes, who are still contesting the winning place with slight margin between them with the final vote count being made.

Winning the post sought by Dr. Snow is Albert L. French, who has a substantial lead over his three closest opponents.

With two exceptions, Northville backed winning candidates, throwing support to Arthur H. Vandenberg for the United States senatorship; Loren D. Dickinson for governor; George A. Dondero for representative in congress; Clarence A. Reid for State senator; Edward F. Fisher for representative in the State legislature; Edward Behndt, Wayne county sheriff; Herman R. Lan, county treasurer; Otto Stahl, register of deeds; Robert G. Ewald, county auditor; Fred J. Wood, drain commissioner.

'Jehovah' Delegation Forced from Village by Police, Saturday

Saturday evening, after due warning by the local police department, alleged representatives of Jehovah's Witnesses were escorted beyond the village limits.

Demonstrations in the business district by the alleged "Witnesses" delegates were accompanied by requests from local police to move along or desert in further demonstration. Failing to follow the request and warning of the police, officers escorted the delegation northward on the Nord road nearly to the 10-mile mark, and they sent them on their way with a warning not to turn to the village on penalty of arrest.

Two Methodist Organizations To Hold Charter Meeting

The merger of the two Methodist churches two years ago, has brought about a change in the working organization of the church, uniting the Ladies Aid Society and the Missionary Society which formerly functioned as separate units.

A charter meeting for the formation of the Women's Society of Christian Service in the Northville Methodist church will be held Thursday, Sept. 16 in the Methodist church, the Rev. Harry J. Lord, pastor, announced. It is to be formed according to the plan of the new united Methodist church, which has unified the general boards of women's work.

The unification in each local Methodist church follows this pattern. The new society will carry on all the work which was formerly done by the other societies.

A cooperative luncheon will be served at 12:30 p. m. in the church house, with the women seated at tables in the order of the societies in which they work. At 2 o'clock the charter meeting will take place in the sanctuary at which time the officers and new officers elected.

The plans for the local organization have been perfected by a study committee of which Mrs. Russell E. Stuefinger is chairman. The other members are Mrs. Row W. Cove, Mrs. Marshall Herrick, Mrs. George Lockhart and Mrs. S. S. Sinton. Mrs. Sinton is chairman of public relations.

Hammer Anniversary Sale Starts Today

Announcing a Second Anniversary sale, beginning Friday, Sept. 13, Hammer's Hardware of Northville, is stressing some wonderful bargains on the shelves.

The attractive price reductions on quality hardware come in the way of appreciation for the splendid cooperation and patronage accorded the Hammer Hardware during the first two years of business in Northville. Both Mr. and Mrs. J. J. Hammermeister are very happy in Northville, and are very highly pleased with the increasing volume of business accorded them by the people of the community.

This second anniversary sale brings many bargains, and all you need to do to be convinced is to turn to the big Hammer Hardware Anniversary Sale advertisement for proof of this statement.

Loyalty Comes First

Fifth Columnists or not the delegation of "Banded Brothers" were moved out of Northville Saturday. Good work. The comment of one of the crowd gathered was enough to warrant any action taken. One snipe remarked, (alluding to the flag) "What am I supposed to do, salute the G-D thing every time I see it?"

Today we the Americans are in no mood to countenance disloyalty of any kind—no matter where it may be. Loyalty must be unqualified from those in high places and in low: it is time for both government and industry to work together to disclose any other machinations of this kind that may exist.

For some years the government has pursued a policy of fighting business. It has attempted to destroy private power companies, which are most vital to defense, which have done much to serve the people, and which are doing the finest kind of a job in meeting the present emergency.

"Every government official or board that handles public money should publish at regular intervals an accounting of it, showing where and how each dollar is spent. This is a fundamental principal of democratic government."

Parents Can Aid In Polio Fight

With nearly 20 counties in the Upper and Lower Peninsulas fighting outbreaks of poliomyelitis, Dr. H. Allen Meyer, state health commissioner, this week called upon parents everywhere in Michigan to be on guard for the first signs of the disease in their children.

Health and medical agencies throughout the state are prepared to handle all cases, the commissioner declared. At the first sign of polio a doctor should be called immediately and the patient isolated. The first stage of the disease, which may come on quickly, is usually indicated by fever, and often nausea and vomiting. Children may complain of stiffness or pain in the back and neck and of muscle tenderness.

Early diagnosis followed by continued medical supervision and orthopedic care will greatly lessen the danger of paralysis. No serum or vaccine has been shown to be of value in preventing polio.

August polio cases totaled 303, compared with 385 last year, Dr. Meyer reported. The commissioner declared that the seasonal peak for the disease is usually reached about the first week of September, with a rapid decline in cases thereafter.

DEATH IN MEXICO

A man named Leon Trotsky was murdered in Mexico City the other day. His death teaches no lesson except that those who live by violence usually perish by violence. But his life carries its moral for all Americans and all men of good will to read.

Perhaps more than any other individual of our time, Trotsky represented the view that theories of government could be applied wholesale and made to change the economic habits of single countries and then, ultimately, of the whole world. He preached destruction of existing systems, promising that after the old ways had been discarded the new ways that replaced them would mean "a heaven on earth" for all the earth's people. But the only part of Trotsky's program that bore real fruit was the destructive one.

What is the lesson involved? Surely it is this: Theorists invariably feel that if they had their way they could remake society in very short order. It is their conception that the end justifies any means. They are not content with the slow progress of peaceful business and commerce, wherein through orderly production the number of goods and services used by the average person is steadily increased. Out of books and theories, they want to change everything in a single day.

We Replace "Toy Weapons"

In National Guard maneuvers currently in progress in the United States, soldiers simulated real warfare with toy weapons made from gaspines and blocks of wood. Similarly, Army trucks bore placards to indicate that they were supposed to be "tanks."

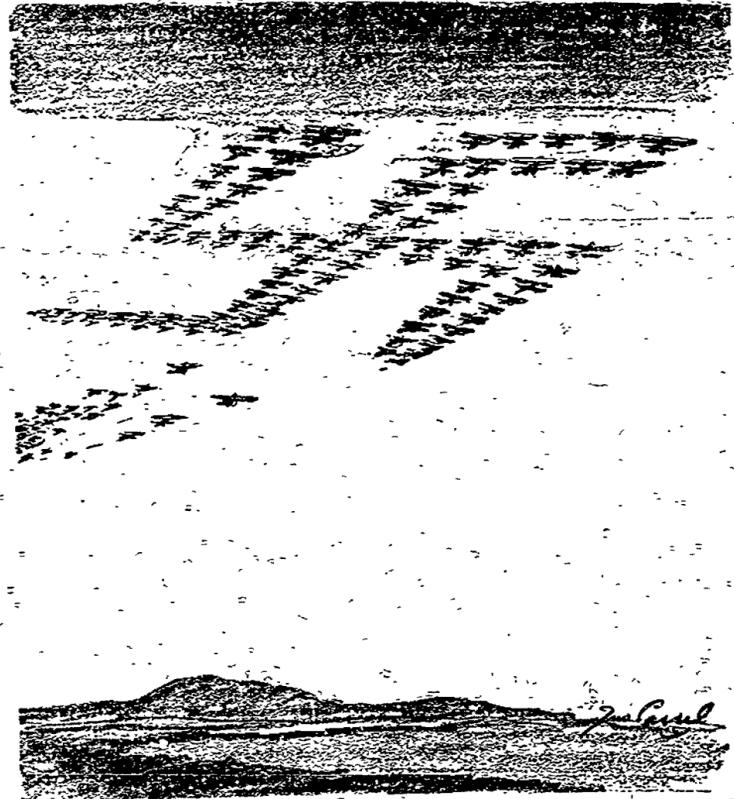

These episodes should remind Americans of practical problems that must be realistically faced.

A modern army is only as strong as the war materials it possesses. Only industry can provide the nation with arms, and it faces a tremendous job.

To perform that job most successfully, industry needs public help and public understanding of its problems. The present clamor for raising an army should not obscure the extremely pressing problem of arming our soldiers.

The unequivocal support that industry is giving our national defense program is a matter of fact and record. In connection with it, remembering the picture of real men drilling with toy tanks and riding in mythical tanks, we need constant reminders that the manufacturing job is a primary one in American national defense today.

OBITUARY

Mrs. F. H. Tousey

Word has been received here of the death of Mrs. F. H. (Leefa Green) Tousey which occurred Wednesday, Sept. 4, in Pasadena, California. Mrs. Tousey had been ill health for sometime, having been confined to her bed for the past year.

She was born the daughter of the late Mr. and Mrs. Mather Greer, Nov. 20, 1877 in Northville, where she lived until 1925, when she went to the coast with Mr. Tousey.

She was graduated from the Northville high school with the Class of 1895, being the only member of the class in that year. After graduation she taught in the Clark and Spear school districts. After her marriage she made her home on the Tousey farm near the Archer farm on the South Mile road, where she lived a few years later. Mr. Tousey was a farmer and for a time had the collection of top in connection with the Park building.

A life member of the Grand Chapter 77 of the Eastern Star, Mrs. Tousey was also an active member of the Baptist church during the years that she lived in Northville.

Funeral services will be held at 2 p. m. Wednesday at the Northville Baptist church. Burial will be in the Northville cemetery.

Choral Union Concerts Are Scheduled To Break Two Precedents This Season

Two precedents will be broken this season by the University Musical Society of the University of Michigan, according to President Charles A. Sink.
 For the first time, a Choral Union concert will be given on a Sunday afternoon, and also for the first time a Choral Union concert will be broadcast. The New York Philharmonic-Symphony Orchestra, John Barbirolli, conductor, will be heard at 3 p. m. Sunday Nov. 24.
 Through the cooperation of the orchestra and the officials of the Columbia Broadcasting System, the program will be sent by short wave to foreign lands as well as throughout the United States. Alumni clubs and friends of the University, as well as music lovers generally, will have an opportunity of hearing a superb program from the stage of Hill Auditorium.
 Other concerts in the series, according to Mr. Sink, will be:
 Marian Anderson, the distinguished Negro contralto, who has attracted world-wide attention, will be heard in Ann Arbor for the fourth time, Wednesday evening, Oct. 23 when she will inaugurate the season's musical activities. Mrs. Anderson was first heard in an Ann Arbor concert four years ago, when on her first appearance she took the place of Nelson Eddy who was indisposed. Since that time she has been heard twice at May Festivals.
 Rudolf Serkin, distinguished Czech pianist, who won an ovation at the 1939 May Festival when he appeared with the Philadelphia Orchestra under Eugene Ormandy, returns to Ann Arbor in a full piano recital Nov. 7.
 Serge Jaroff will bring his band of Don Cossack singers on Nov. 18. This will constitute the group's eleventh American tour. Early in its career it was heard in Ann Arbor on two occasions. This will mark its first local appearance since 1934.
 Dr. Sink states that he engaged the organization for their first Ann Arbor appearance on the recommendation of the late Dr. Albert A. Stanley who heard them in Europe and pronounced them "the finest singing body" he had ever listened to.
 Richard Bonelli, America's preeminent baritone, who has won such acclaim in opera, motion pictures and radio, will appear in a recital of songs. Although he has been heard many times at the May Festival in

general works and in arias, this will be the first opportunity which Ann Arbor music lovers have had to hear him in recital.
 The Boston Symphony Orchestra under Serge Koussevitzky will make its eleventh annual Ann Arbor appearance Wednesday, Dec. 11. On most of these occasions Ann Arbor has been the only city in Michigan favored by the orchestra's presence.
 After the holidays the series will be resumed Jan. 15, when Vladimir Horowitz, Russian pianist, will be heard in Ann Arbor for the third time. Several years, however, have elapsed since his last appearance.
 Tuesday, Jan. 28, the Minneapolis Symphony Orchestra will make its Ann Arbor debut. It will be conducted by its dynamic Greek leader, Dimitri Mitropoulos. The University welcomes this organization, which is considered by a great international circle.

The Budapest String Quartet, made up of four distinguished string players, will return for a concert Feb. 20. Among the great quartets of the day this organization ranks high.
 George Enesco, Roumanian violinist, composer, and conductor, will bring the pre-Festival series to a close Mar. 4. Mr. Enesco has been heard in Ann Arbor on many occasions in all three capacities. He is always a welcome guest.
 Dr. Sink also announces that the Forty-Eighth Annual May Festival will take place on May 2, 9 and 10. As usual, it will consist of six concerts—four evening programs and two matinees. The Philadelphia Orchestra, under its conductor, Eugene Ormandy, will participate. Mr. Ormandy will be assisted by his associate, Saul Caston. The University of Michigan will be conducted by Thor Johnson, whose splendid per-

formances at the Festival a year ago were so outstanding. A large chorus of children from the Ann Arbor Public Schools, as well as many soloists, both vocal and instrumental, will also be heard.
 Week-end guests at the George Locke home were Mr. and Mrs. Herbert Petersen and daughter, Margarete of Findlay, O.

McNary Offers Sound Progressive Ideas

Senator Charles L. McNary, the Republican candidate for Vice President, demonstrated at the Agricultural College at Westfield, Ind., that he is a progressive farmer.

The Oregonian says the New Deal credit for 1939 - but, as the paper pointed out, it is a failed policy.

Speaking of the farm problem, Senator McNary asserted that "the priority of agriculture should be the first charge on the attention of any administration." Those who have followed his career as a legislator for the farmer during the 15 years in the Senate know that Charles McNary speaks with sincerity on that subject.

The New Deal has administered the farm problem for more than seven years," Senator McNary asserted. "What is the present state of the American farmer, who, with his dependents, makes up a quarter of our population?" In the year 1939 his share of the national income was the lowest since records have been kept.

Senator McNary strongly advocates preserving the American market for the American farmer, believing it is "far and away the greatest market" and the "only one we can hope to control."

Secret Taxes The National Life Insurance Corp. pays tax on profits with a profit income of \$30 per year and a 12 per cent of a year in interest or social tax. This is about 12 per cent of the average income. Who said only the big fellows pay taxes?

Peter Corlins of Deckerville is a guest this week of his son-in-law, Harry Corie, Mr. and Mrs. Frank Williams.

A WORD OF APPRECIATION for IVAN PEAT

Originator and Director of the Northville Race Meet

DR. JOHN A. ROSS OPTOMETRIST 245 FERRISMAN PLYMOUTH

Kind Sir: Racing is a fast and glorious game. Established meets are fraught with much worry and detail planning. But to be the originator, founder of a meet, the promoter and managing director of a new meet necessitates ironing out many complications, and attention to a multitude of arrangements multiplied a thousandfold. No one knows this better than you do, and just how we know you are thinking to yourself, "You're telling me."

The greater the task, however, the greater the challenge and satisfaction of the venture. The Northville Race Meet was your child. You originated the idea. Facing a multitude of unwarranted setbacks, irritating situations and at times seemingly unsurmountable obstacles, your wealth of enthusiasm and perseverance, your unbounded energy and push, your refusal to give up or slow up carried everything with you through trying days.

When those enthusiastic crowds swung into action on the opening day and continued unabated thru the meet, much satisfaction must have been yours. You made a national reputation for a clean meet, where 43% of the favorites were winners.

Throughout the racing world the Northville Meet has been acclaimed a success. Your efforts have brought much added business to the community and favorable national publicity to the fair name of Northville. Your vision, energy and enthusiasm did the job and did it well.

We appreciate your untiring efforts, and are with you thru thick and thin. We predict a still greater popular acclaim and success in the years ahead.

Sincerely yours, JOHN A. ROSS Detroit Office - 1540 Woodward Ave.

ENROLLMENT

(Continued from Page 1)

Dye from Novi, Gloria Curtin from Redford High, Eugene Herick from Plymouth, Gardner Moon from Cooley High in Detroit, and Ed Level from Pleasant Lake, Ind. Betty Renaud comes from the Greene School from Berend high school, Los Angeles, Calif.; comes Ellen Cohn, Margaret Weston comes from Scotland and Eddie Bernstein comes from far-off China—

The largest class in N. H. S. this year is the Junior class, which totals 97. If all of these stick with the class, they will make a pretty picture in June of '42 when they walk across the stage to receive their diplomas. There are eight new juniors this year, including Freeman Spang, from Ann Arbor, Mary Louise Stewart from Traverse City, Isabel Cuff from New Hudson, Frank Dunham, William Butley and Robert Crawford from Novi, Clark Armstrong, a former Northville student, returns to Northville from Clearwater, Fla.

Believe it or not, the senior class is the smallest class this year. Their enrollment reaches only 64. The four new seniors are Mary Dunham from New Hudson, Evelyn Bryant from Ann Arbor, Margaret Bell from Dexter, and Betty Embree from Springfield, Ill.

There are two post graduates, Ernestine Lewis and Julie Modos. Under E. V. Ellison's experienced eye, 19 are included in the apprentice program this year, which brings the enrollment to a grand total of 321.

Major Hague to Obey Law

President Roosevelt talks a great deal about economy, but the Brads of democracy. But in Jersey City, his benchmark, Mayor Frank Hague, Vice Chairman of the Democratic National Committee and ardent third term supporter, thwarts the workings of democracy by refusing to install voting machines as directed by the State Legislature. What does Mr. Roosevelt say about that? Nothing.

All Promise, No Performance

Including his campaign pledges, President Roosevelt has promised to balance the budget no less than eleven times. During the seven years of his Administration, however, Mr. Roosevelt has never balanced the Federal budget. The average annual deficit for these seven years has been \$3,271,500,000.

The MAGIC EYE

that Helps You Buy Shoes That FIT!

We are justly proud of our X-Ray Shoe Fitter, not alone because it saves us time and enables us to fit you better... but because its Magic Eye enables you to see exactly how your shoes fit your feet!

It enables you to buy shoes for yourself or your children that are exactly right not only in style and color... but, most important, in FIT. The most expensive shoes you can buy aren't worth a dime if they do not fit properly, the cheapest shoes you can get are too expensive if they injure your feet or cause your children a lifetime of foot suffering.

It costs nothing extra to use our X-Ray Shoe Fitting Service—in fact, it saves you money. Ask us how and why.

OUR DEMOCRACY

by Mat

DEMOCRATIC U.S. GOVERNS ITSELF BY HEARING ALL ISSUES, WHICH ARE THEN DECIDED BY EACH OF US VOTING AS WE WISH.

SECURITY
TO PROVIDE THE SECURITY EACH WANTS, 65,000,000 AMERICANS ARE WORKING TOGETHER THROUGH LIFE INSURANCE. 1939 POLICY-OWNERS AND BENEFICIARIES RECEIVED \$2,600,000,000 IN FAMILY AND OLD AGE PROTECTION.

EDUCATION IS A BULWARK OF DEMOCRACY, AND IN 1935-36 ALONE WE PAID \$2,232,000,000 FOR FREE SCHOOLS.

LABOR IN OUR DEMOCRACY IS NOT CONSCRIPTED AND TOLD WHERE TO WORK, BUT CHOOSES ITS OWN JOBS.

Fertilizer Prices Low Despite War

Contrary to the sharp advance in price of fertilizer during the last World War, demands of the present war and national defense program have not so far boosted the cost of fertilizer to the farmer.

"New developments in science and technology such as the production of synthetic nitrogen has reduced production costs and prices," says the United States Department of Agriculture in a report which also points out that according to 1919-1914 average the price of fertilizer is considerably lower than the prices of most commodities bought by farmers.

Farmers in the eastern part of the United States in 1939 spent on the average only 4.4 cents of each dollar of farm cash income for fertilizer if the price of fertilizer had been the same as in 1929, it would have taken 6.8 cents, while if farmers were paying 1929 prices their fertilizer purchases would have taken 8.2 cents of each dollar.

Even though the price paid for fertilizer has declined substantially during the past 20 years, the amount of plant food contained in a ton of fertilizer is now 9 per cent greater than it was in 1920 and 47 per cent greater than in 1926. Fertilizer has also been improved in quality in other ways.
