Two Northville Selective Service Men Are in First Call for Army Training

Howard F. Beller and Harold J. Wallis Go to Fort Sheridan, Ill.; Edward Greig of Redford Township Is Third Enlistee To Go from Board 61; No Selections Made for Nov. 28 and 29 Call

Board Issues 100 Questionnaires

Of the first three young men to be called to selective service from board 61, two were volunteers from Northville, Howard F. Beller, 22, who was employed at the Maybury sanatorium; and Harold J. Wallis, also 22, a former employee of the Marz Manufacturing company.

The third volunteer, selection was from Redford township. Twenty-one year-old Edward Greig was the man. These three began their army service at 7:30 a.m. Friday, Nov. 22, at the Lightguard Armory, Detroit.

They were sent from there to Fort Sheridan, Ill., for training, filling the quota for the local board which includes the townships of Livonia, Redford, Northville and the City of Plymouth.

No draws were made from board 61 for the Nov. 22 and 29 calls. Walter Harms, chairman of the board, said today that as far as he knew now, there would be no more calls from this board until sometime in January. "This is not authentic, but it is in full information. I've been able to get from headquarters," he affirmed.

One hundred questionnaires have been issued to board 61, with return of some 55. "We are sending out these questionnaires to establish enough Class I-A men to meet the call whenever it comes," he said, explaining that the questionnaires were mailed to the men according to order number, and that the order number system would be followed in the call, as well.

Class I¹ includes only the single men, and the "A" rating is given to persons who meet specific physical requirements.

Adult Recreation Program Is Begun for Winter Months

Outing dancing and gym classes, tennis, badminton, and arts and crafts are projects which are being offered this winter for adults as the community recreation enterprise gets under way with its program, with sessions scheduled five nights each week in the grade and high school gymnasiums.

Under the instruction of Miss Gertrude McGowan, 26 persons were given lessons in oldtime dancing last Friday night in the grade school gym. This class will meet each Friday night throughout the winter. A small fee is charged to cover the cost of paying the musicians who play for dancing.

Games, including ping-pong, are played from 6:30 to 9 p.m. each Monday and Thursday in the grade school game room. Miss McGowan also has charge of this. From 7 to 9 p.m. each Tuesday, she will

C. R. Ely and Sons Increase Storage Space for Fuels

This week marks the completion of a three-month construction program of C. R. Ely and Sons, Northville oil and coal dealers. Now 2 large coal shed houses the tons of stoker coal handled by the firm, affording nearly 5000 square feet of coal storage space all protected from the elements. Concrete floor, heavy post uprights, and a broad roof expansion of corrugated galvanized steel provides a large shed over 100 feet by 32 feet for stoker coal storage. This gives much added protection, and assurance to all stoker coal users services by this firm.

In addition to the above program two new 20,000 gallon oil storage tanks have been erected and are now in use supplying Ely's fuel oil to an ever-increasing number of satisfied customers. The completion of this expansion program is just another progressive step inculcated by C. R. Ely and Sons to keep pace up-to-the-minute in serving their many customers in and about Northville.

"Legionettes" To Organize in Village

Legion Auxiliary To Sponsor Group; Mrs. James Green Is Chairman

"Legionettes" are to be organized in Northville by members of the Lloyd H. Green Post, American Legion, with a committee headed by Mrs. James Green.

Daughters of men who served their country in 1917 and 1918 are to have the opportunity to serve America in the present crisis and to give girls training for future leadership in patriotic work.

There are now 50,000 girls under 18 years of age who are members of such junior groups in this country.

Mrs. Green invites all girls whose fathers served in the World War to contact her so that the group may become active immediately after the holiday season.

New A. & P. Store Nears Completion

The new store on east Main being erected by S. L. Brader for a new Super Market for Northville's A & P. Store is rapidly nearing completion.

Since the glass front was installed a couple of weeks ago, workers

have laid the new floor, painted the walls, ceiling and woodwork. Wed-

nesday the new heating plant was

in operation. The first loads of

fixtures are expected next week,

and while no definite date for the

opening has been announced, it is

thought that the new super market

will open about Dec. 14.

Harry C. Duerson, Ernie Shavis and Mr. and Mrs. Donald P. Yerkes, Jr., attended the Lions' football game Sunday in Detroit.

Village Attorney Tells of Map Hobby

Tuesday noon, Austin Van Hoe, Northville attorney, spoke before the Rotary club and traced the history and growth of this region by means of a series of old maps and their significance.

Mr. Van Hoe enjoys collecting valuable old maps, and searching out their significance and history. He knew now, there would be no more calls from this board until sometime in January. "This is not authentic, but it is in full information. I've been able to get from headquarters," he affirmed.

Tuition Costs Are Revised at Walled Lake

Board Votes That All Non-Resident Students Must Pay Full Per Capita Cost of Education

All non-resident students attending Walled Lake high school will be required to pay full per capita cost of education.

Individual high school students with a decision of the board of education voted at its regular November meeting.

The amount of tuition to be charged was not disclosed in a statement issued last week by Sup't C. A. Hoffman. Nor was the date set as when the ruling would become effective.

About 100 non-resident students will be affected, according to Hoffman's statement. No non-resident pupils below ninth grade status are accepted for enrollment in the Walled Lake school system. With a total enrollment in all 12 grades of the Walled Lake schools numbering over 1,200, it is no longer deemed necessary to seek outside pupils in order to assure an acceptable high school curriculum.

Increase in enrollment over that of three years ago is credited to the annexation of four outlying school districts, plus an increase in the number of residents in this area. This enlargement has been responsible for the addition of 15 school rooms, together with extensive remodeling of the Walled Lake building, at a cost of over \$150,000, of which an indebtedness of \$34,000 remains.

This development has been made possible through consolidation which continues to maintain it.

However, the cost of educating out-of-district students is as follows:

Roy E. Eddle, farm helper of Orville Dudley, Seven Mile road, was seriously injured Sunday at the home of Dan Roth in Salem.

Mr. Eddle fell into the path of a truck being towed by Mr. Dudley and Mr. Roth. The truck wheels passed over both Eddle and Roy.

He was resting and was killed.

Mr. Eddle belongs to the Lloyd H. Green Post, and Auxiliary are deeply honored to serve under this name.

The next meeting of the Legion

is to be held on Nov. 28.

• The Christmas Seal...

What do you think of the Christmas Seal?
"What do I think?" said I.
"It maketh the Christmas spirit real.
'Tis greater than gifts you buy.
For it prooveth better than jewels can
That your heart hath room for your fellow man.
Who giveth a gift to his friend has done
No more than a gracious deed.
But the seal proclaimeth the man as one
Who giveth to those in need.
For God, who marketh the sparrow's fall,
Giveth not to His friends, but to one and all.
So I look at the Christmas seal and say:
This friend, who remembered me,
Has also thought of the sick today.
Wherever they chance to be.
And he giveth not only to cheer his own,
But to all who have need in his mercy shown."

And now we are hearing of strikes again — "was always thus" when rising prices and urgent need gave the edge to labor. With the C.I.O. out to get Ford, and other pending labor troubles we sometimes ponder how we can kid ourselves into thinking that our four day week and 8 hour day can compete with a world-economy based upon longer hours and the urgent needs in other lands. Are we just kidding ourselves or aren't we? Think it over.

Medical examinations given 1,000 new students at the U. of M. failed to reveal a single case of certainly active tuberculosis.

Dr. Warren Forsythe, director of the Health Service, points out that since 1910 the death rate from this disease per 100,000 persons of ages in the United States has decreased from 250 to 50.

Did you notice the reflection of the political campaign among the boys and girls of the community. Even in the grades there was name calling, failure to understand why "only two voted for Wilson," why any boy or girl could possibly be different from the other in political alignment.

The same tactics engaged in by adults in political campaigns like the one just completed are a direct cause of emotional instability and subsequent mental and nervous disorders of children, according to a well-known Chicago psychiatrist.

Candidate, politician and patient, too, make the emotional lives of children and their budding citizenship ability by showing in their disrespect for law and lawmakers.

How many children do you know who have arrived at home and say, when asked if they "voted for Wilson," or "for men on two feet." And so, they are coming up of age. As far as the last 10 years really, may have been dedicated to flagrant political disloyalty of the candidates and platforms which then adult have contemplated, mostly in moaned and seared and labored as ungrateful, of respect.

Children, in their interplay, may hurt and wound each other, but they do not maim each other. Adults, on the other hand, maim children's personalities by their inadvertent and heedless mistakes. This mis-education of children in the training and development of their emotions bears fruit in the mental disease now on the increase in America.

Children have an emotional allowance or budget which must not be wasted in a spendthrift manner. In children, the emotions appear in crude and opposite forms for what they will produce, the maturing process should affect both quantitative and qualitative changes. By adding normal factors heretofore missing on the life of the child his emotional life may be balanced.

BERLIN, Nov. 14.—The meat of dogs was legalized for human consumption today for Greater Germany, effective Jan. 1, 1941.

Dogs and hogs after being slaughtered are to be examined for evidence of trichina. The same applies to wild hogs, bears, foxes, river wolves, badgers and other meat-eating animals intended for human consumption.

Horse meat now is available in some restaurants and is served without the customer having to surrender his precious meat "points" demanded for beef, pork and other meats.

Unlicensed and unclaimed mongrels presumably will furnish an additional supply of low-cost meat, although many better canines are trained for military service with the armed forces.

And yet America is running over with people from that country, with the communistic leanings, whose very purpose seems to be to overthrow our government, of, by and for the people. We have those who refuse to salute our flag, the emblem of God-given liberty, simply because of a supposedly religious belief, and we red-blooded Americans stand for it. It's a funny world, after all.

To find a career to which you are adapted by nature, and then to work hard at it, is about as near a formula for success and happiness as the world provides. Once the career is found the hard work takes care of itself — in fact it becomes not hard work at all.

News from Walled Lake

By C. E. HUTTON
A report has been issued by W. C. Proctor, county supervisor of the Future Farmers of America and agricultural instructor of the Walled Lake Schools concerning the county's attendance at the National F. P. A. convention at Kansas City, recently concluded.

F. P. A. members of Walled Lake who attended were Mr. and Mrs. Jack Price. Five others of Oakland county also made the trip.

They were included in a group of 120 from Michigan, traveling by special train. More than half the group had never before traveled by rail, and only a few had ever had a meal in a dining car.

Besides convention sessions, the boys attended the American Royal Livestock show, while, at Kansas City, all boys present at the con-

American Farmer, the highest honor awarded by the organization.

Mr. Proctor stated that the boys of the county who attended the meeting are available for speaking programs as a gesture of their appreciation for the trip afforded them.

Trustees of the Methodist church were authorized last Tuesday evening at a special quarterly conference meeting of church members to sell a parcel of church owned property, a 49 foot frontage on Liberty street. The lot is now a part of the church parsonage property. An offer for the lot has already been received, it was stated at the meeting. An adjacent lot of equal frontage is also for sale, officials said.

Announcement is made of the marriage, Nov. 19, of Maxine Curtis of Walled Lake, to Charles R. Palmer of Dearborn. The wedding took place at Dearborn, with Mary Watson of Walled Lake, and Douglas Alden of Dearborn, as attendants. Mrs. Palmer, who has been clerk for the Walled Lake Consolidated schools for the past six years will continue in that position for the remainder of the present school year. Mr. Palmer is employed at Dearborn.

Dr. and Mrs. Oliver McKenzie are the parents of a daughter, Jane, born Nov. 18 at Mt. Carmel hospital, Detroit.

William Decker, route 2, Walled Lake, returned last week from his Hubbard lake hunting camp with a 40 pound bear.

Novi High School and Grade Notes

(By the Pupils)

Tenth Grade News
In commercial arithmetic, we received drawing paper for the drawing of the school grounds. We have a choice of using two scales. In English we have been writing themes. For our six weeks test one of the things we did was write a theme on "America Should Be Thankful."

Everyone in the school had his picture taken and we are exposed to get them any time.

In science, we do few experiments but the ones we do are interesting.

The last one we did was on Thursday and the room had a rather odd odor when we were finished.

One of our classmates, Bob LaClair, has left us and is attending school in Detroit.

Three of our boys had dreams about going West and becoming cowboys. They were supposed to have gone last Monday but we see they are still enjoying their studies, especially typing, here in the wide open spaces of Novi.

Wednesday we observed Thanksgiving by having a program in the auditorium. Those in the program were: Loretta Barker with a story of "Thanksgiving"; a piano, solo by Audrey Graham; Donald Bingham, Rhodes Phillips, Russell Baker, Bert LaPlante, Wilma Chay, and Dorothy Stubbs read articles on "We Thank Thee"; Jane Putnam read a poem; Bernice Sporkowski played a guitar solo; and Dolma Shurtliff read an article. Betty Baker introduced the different ones in the program. We also had three group songs.

Ninth Grade News
We had only three days of school last week due to Thanksgiving holidays.

We had tests in commercial arithmetic and world history as it was the end of the second six weeks marking period.

We are still working on our work books in science and had a test Tuesday afternoon.

Eighth Grade News

The eighth grade English class divided into two groups as they were to have a contest to see which part of the class could have the most attractive bulletin board. Each child was to bring a picture pertaining to the topic "What America Should be Thankful For". The team that won was to receive a prize. The two captains were Andre Graham and Edna Paulina. The three grade teachers were to be the judges. Andre, Edna, and Edna Paulina were to be the judges.

The eighth grade girls organized a tenth grade Thanksgiving dinner. The girls called themselves the "Novi Girls" in the Student Way."

Fifth and Sixth Grades
On Thanksgiving day we had a program. Wednesday

and invited the third and fourth grades.

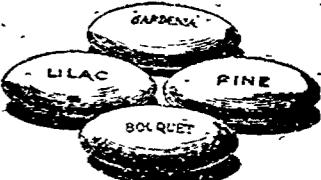

We learned a Thanksgiving song in music class, Tuesday.

Sunday dinner guests of Mr. and Mrs. Charles Freydl were Mr. and Mrs. Bert Nelson, Mrs. Bruno Freydl and Leon Ovenshire of Detroit.

More Power to Thrift—more Thrift from Power

MOST people would be willing to spend a little extra for what Buick has to offer—style, size, room, steadiness, durability—if part of that extra could be paid back through lower operating costs.

Especially they would like really satisfying performance—quick take-off, easy hill-climbing, sure power, fast response—if they could have it in a car that's stingy with gasoline.

That's what we've given them—through the extra power in this 1941 Buick.

The added wallop of FIREALL engine design and Compound Carburetion lets us use more thrifty gear ratios, saving money without complicating extra gears or mechanisms.

And the tremendous reserve-power

in these Buick engines—at 40, for instance, you have as much as 85% of your power "on call"—still permits the flashing get-away, the swooping hill-climb, the sure lift out of pinches you once had to buy with heavy gasoline consumption.

So we say—more power to thrift—it helps put Buick thrill and comfort within easy reach.

And the reason is—more thrift from power—from abler engines.

It all adds up to the sensation of the year—the car you ought to see first—the brilliant, able beauty your Buick dealer has waiting for you.

Two New DHIA Organized in State

Addition of two dairy herd improvement associations brings Michigan's 1940 total to 89 now in operation, it is announced by E. C. Scheidt, extension dairyman at Michigan State college.

The new associations are operating in Washtenaw and Oakland counties, as No. 3 and No. 3, respectively.

Oakland is the only Michigan county with four herd testing cooperatives. The county also leads in the per cent of cows on test, with 12.5 per cent of the total cows in the county. The state as a whole now has more than 33,000 cows on test in its 89 associations.

Herds on test number 2130.

In addition to Oakland county's four associations, there are seven counties which have three associations. Cow testing with three groups is now being carried on in counties of Barry, Berrien, Eaton, Ingham, Jackson, Sanilac and Washtenaw.

Seventeen other counties have two associations. These counties are Allegan, Branch, Calhoun, Genesee, Hillsdale, Ionia, Kalamazoo, Kent, Lapeer, Lenawee, Livingston, Monroe, Ottawa, St. Joseph, Shiawassee and Tuscola.

Wedding of Peggy Walker and Paul Beard Is Occasion for Dinner - Luncheon Parties

A number of parties were given this week as a prelude to the Beard-Walker nuptials which will take place at 7 o'clock, Nov. 29, when Miss Peggy Walker, daughter of Mr. and Mrs. William B. Walker, Jr., of Happy Acres, will be the bride of Paul Beard, son of Mr. and Mrs. E. S. Beard of the Eight Mile road. The vows will be exchanged in the Methodist church with a reception following at Happy Acres.

As a courtesy to the couple, Mrs. Edward J. Frost of Boston, Mass., and Mrs. W. H. Verkes were dinner guests Tuesday evening at Botsford Inn.

There were covers for the honorees, Mr. and Mrs. Beard, Miss Elizabeth Beard, Mr. and Mrs. Walker, Miss Ida Marie Walker, Mr. and Mrs. Arthur D. Galler of Caro, Mrs. Charles Allen of Columbus, O., Mrs. C. C. Verkes, Mr. and Mrs. Edmund Verkes and W. H. Verkes.

Thursday evening, Mr. and Mrs. Beard were hosts at the rehearsal supper. This, too, was held at Botsford Inn.

For this occasion, there were places set for the Walkers, the

King's Daughters, the Woheca Camp Fire girls met

for Thanksgiving luncheon in the home of Mrs. Donald A. Ware.

Miss Ruth Pierce of the grade school faculty, now a Camp Fire guardian, was a guest.

During a brief business meeting a committee was named to invite Joanne Tuck, Doris Widmaier, Jeanne Bartum, June Bailey, Marian Larson, Marjorie Hancock, Esther Stanford, Joanne Montgomery, Peggy Ely and Shirley Ely to meet with the Woheca Camp Fire girls until after Christmas.

Kei-Kee Club Members Dine Thursday at Verkes Home

Society Notes...

The 1940 Senior Prom proved to be an outstanding social event with many couples dancing to the styled swing tempos of Ralph Bowen's orchestra. The Mexican fiesta theme served as a colorful background for the many lovely formal gowns that were seen. These formal gowns were the most part taffetas, nets, brocaded satins and velvets.

Many students were present and so that we can keep them straight we are taking them by classes, and the first in line are the seniors. Those leading the Grade March were Mac Covell and Louis Eaton; Betty Sulwell and Dave Carton; Ed Walker and Frank Eaton; Valora Wheeler and Bob Bayden; Helen Dixon and Ronald Anderson; Jane Benet and Art Breitmeyer; Jane Eay and Clyde Lassett of Plymouth; Walter Fennerty and Doug McCuskie; Ruth Frank and Bob Farnham; Betty Embrey and Don Hechman; Jeanne Smith and Dunc Hubbard; Elaine Sommer and Ervin Edlers; Betty Cousins and Alfred Cousins; Ruth Palmer and Alfred Palmer; Barbara Spies and Bob Spicer; Betty Holms and Bill Clark of Plymouth. The senior boys who were with the seniors were: Johnny Cesello and Jean McCollough; Chas Parker and Joan McCollough; Allan Bernard and Juanita Peterson of Detroit; Louie Foreman and Thelma Michaele of Plymouth; Sid Junod and Pat Lord; Jack Hocomb and Norma Houghton; Bob Baker and Doris Bridges of Detroit.

Next in line are the junior girls who were Shirley Mouliff and Dick Davis; Laura Jean Litsinger and Bob Hunter; Phyllis Hancock and Carter Church; Phyl Jones and Kenny White; Gladys Clark and Gordon Stewart; Yvonne Taylor and Maurice Wolfe; Munn Hubbard and Doug Lorenz of Plymouth; Margaret Morse and Lynfon Ball of Plymouth; Carrie Carlson and Larry Arnold of Plymouth.
