Northville, Michigan, Friday, January 31, 1941

\$1.50 PER YEAR IN ADVANCE

LANSING.—Anticipating a war emergency by spring, the Michigan Food Council comprising producers, dealers and distributors is taking steps to establish local and county food councils throughout Michigan.

The consumer will be recognized in the county personnel which is to handle retailers, farmers and consumers.

As the consumer was penalized in the World War when selfish interests profited in the purchase and sale of foodstuffs, the state food council is on record today as advocating consumer protection through local advisory groups.

The names and addresses of members of all local food councils will be placed at the disposal of Governor Murray D. Van Wagoner "for any assignment he may deem advisable."

This decision was taken by representatives of independent and chain retailers, wholesalers, State Grange, state department of agriculture and the state press.

Strike Threats

To maintain law and order in Saginaw where rival labor groups had precipitated a strike in an industrial plant, Governor Van Wagoner recently ordered 200 state policemen to assist local law enforcement officers.

Production of national defense contracts was temporarily stopped.

It gave new importance to an opinion made by Attorney General Herbert Rushton, that factories engaged in national defense work come within the "public interest" scope of the state labor mediation act and thus a 30-day strike notice must be given by labor. Directly involved also was the Duplex Printing Press Co. of Battle Creek which has a \$600,000 contract from the war department for gun carriages.

The governor has not indicated his approval or disapproval of the strike notice part of the state mediation act, which was intended to afford a "cooling off period" and thus to discourage hastily-called strikes. For the time being the governor may decide to permit national developments determine the advisability of any amendments in the state mediation set-up. As for extension of the federal wage and hour act to industries in Infrastate commerce, the governor is already committed to blanket "all Michigan workers under it."

He recently received a delegation of striking employees of the Neilsen stores of Detroit and told them that he had plans for remedial legislation which would establish a floor for wages of retail employees.

Under the federal wage-hour act most retailing is specially exempt. Legislative leaders see numerous complications ahead if the governor plans to regulate wages and hours of store work, through the state. Another possibility would be enactment of a minimum wage-law for nonets.

200 Persons Witness Boxing Bouts Held Tuesday at School

Two hundred persons attended the boxing show held Tuesday evening, Jan. 26, at the high school gym, where bouts were scheduled from the Recreation department and Boy Scouts, the sponsoring groups.

Pinky Herrick and Casey Cawell opened the show. They put on one of their usually good bouts, (Continued on back page)

NEXT BOUTS, FEB. 20

The next boxing bouts are scheduled for 8 p.m. Thursday, Feb. 20, in the high school gym.

It is decided that they put on more action than some of the older boys. A draw decision was given.

One of the best bouts of the evening was between two Cubs, Edward Robinson and John Ling. This was the second match, between these boys, and the judges were not able to give a decision. The bout was declared a draw.

Both of the bouts scheduled by Scout Troop No 1 were cancelled, because the principals had (Continued on back page)

Woolen Goods Has Dollar-Day Sale

Dr. L. W. Snow, for two years republican secretary of the State Fair Board, tendered his resignation Saturday to Gov. Murray D. Van Wagoner, but because his expense account has been questioned by Leo J. Nowicki, budget director, Dr. Snow withdrew his resignation Tuesday.

The resignation came Saturday as a matter of form, keeping the custom of the secretary's stepping aside so that the way may be clear for transfer of the management to someone of the governor's own party.

In withdrawing his resignation Tuesday in the face of public statements made by Mr. Nowicki, to the press, Dr. Snow said: "I'm withdrawing my resignation until such time as the budget director removes some 'reckless statements' made to the press concerning my expense account."

The particular item questioned by Mr. Nowicki in Dr. Snow's report was his transportation from (Continued on back page)

Northville Hardware Makes Improvements

The Northville Hardware is undergoing a series of interior redecorating, new lighting and rearrangement.

The entire interior of the store has been redecorated, new fluorescent lights have been installed throughout, and stock and office rearranged in a most efficient and attractive manner.

Half-Year Licenses Go on Sale, Feb. 1

Half-year plates for the first half of 1941 will go on sale at the Northville Branch of the Secretary of State's office, E. L. Smith, manager, Saturday morning, Feb. 1.

The color scheme of the half year plates is maroon letters and numerals on a white background. Dinner will be served at 12:15 p.m. Dinner will be followed by a demonstration and sales. These plates will be good for the reverse of the full year followed by a visit to the traffic school and an inspection of the institution.

Little... But Mighty!

Is the description that applies to the CLASSIFIED ADS in The Northville Record. They cost

only LITTLE money, and bring MIGHTY good results!

50% of Novi Taxes Now Paid; No County Tax

Tax Rate at New Low: Only County Debt, Township, and School Taxes Levied

No Indebtedness

The tax payers of Novi are just now enjoying a unique experience, and so is Township Treasurer George R. Simmons. Farmers are calling Mr. Simmons suggesting that some mistake must have been made as they didn't pay all their tax, and Mr. Simmons has had the pleasure saying everything is O.K. because the tax was occasioned by the township paying the county tax leaving only the county debt, the township tax and school tax to be paid.

Township Tax 50 Cents

This year over 50 per cent of the tax has already been paid. The assessed valuation of the township is \$32,273,730. The township tax is 50 cents on the thousand and the county debt tax 78 cents on the thousand, while the county tax was paid as authorized by the vote of the people from the township contingent funds, amounting to \$1,572.33. The school tax rates in the various districts are as follows: Novi, \$1.20; 1/2 1/2, 75¢; 78¢, \$1.00; 4¢; Farmington, \$3.90; 1/2 1/2, \$3.60; 4¢; Lyon, \$3.00; No. 8, \$3.60; No. 7, \$3.50; No. 11, \$3.39; No. 2, \$2.50; Northville, \$3.90; No. 6, 75¢; \$2.50; 1/2 1/2, \$3.00.

Offer Shooting Supervision to Junior Club Here

Boys and Girls under 18 Years of Age To Meet Feb. 6 at Club Range

Young Shooters Wanting Transportation to the Range are Asked to Meet at the Banquet Hallmark at 1 p.m.

No Opposition in Twp. Election

Only Republicans File Petitions on Tuesday Deadline

With the filing of petitions Tues-

day, Jan. 28, 18th Northville Town-

Clerk Fred Lyke, it became ap-

parent that there would be no

opposition in the township primary

which will be held Monday, Feb. 17.

Petitions were filed only by repub-

licans.

The Oldest Paper in Wayne County Outside the City of Detroit

I am resolved to meet the morning of this new day with faith and hope and courage, thus strike hard with all the finer forces of energy and power.—Trine.

• Soft? Are They?

We've been hearing a lot lately about how the country's gone soft and the youth are all reds or anarchists or close to them. And sometimes summon up some frost-bitten memory from the days of our own youth and pontificate about how "things ain't what they used to be."

Now this is funny way for us to be acting. Practically the whole nation is yowling its head off for more naval bases in South America, more production at home, a bigger army to defend America, a mere belligerent governmental attitude when America's toes are stepped on by any foreign power — and the ones we have selected to back up this yowling are our soft youth. Maybe we're a mite inconsistent.

When we stop to think of it, this crazy world hasn't been any bed of roses these past ten years for the boys in our town. Some of them are just now getting started in good permanent jobs; and while there are always some loafers, most of them have been trying all the time. Why even now all we have to do is run an ad in the "Help Wanted" column offering a half-way decent job and the post office does a land office business in stamps.

Statistics show that 50 per cent of the male students and 25 per cent of the female students of American colleges are working their way through college. Did they do that in your day?

Our youth are all right. Any bunch that can't get turned down fifty times for a job and come up still hoping for the fifty-first are bound to be all right. And that's a lucky thing for us. Who'd we get to back up our yowling if they weren't.

* * * * *

Advisedly we suggest that ample preparations should be made for a possible depression, should the European conflagration suddenly subside. Prudence would suggest that a part of the earnings should be "salted" away for the rainy day which might arrive, yet which we hope will not come.

* * * * *

January is just passing out — not a bad month as a winter month, and tomorrow February enters — the shortest month of the year. Where has all the time since Christmas gone anyway? Spring election is nearly here — primary in two weeks. The sun will be shining on both sides of the fence before we know it, and Springtime in all her glory will be here. All in all, Michigan is a great state, with great climate, and it's a good world.

• Better Take It Easy, Bud!

Every effort is being made to prevent a statewide epidemic of the flu and every one of you can do your part in helping the doctors and nurses in their fight. If you remember just two or three simple facts that is all that will be necessary.

Influenza is more apt to attack those whose resistance is low, due to faulty diet and lack of rest. On the other hand, the malady has been known to strike the strongest individuals and lay them out flat on their backs.

While there is a fight going on to prevent any more cases of flu from developing, we suggest you eat moderately of carefully selected foods and to make sure that the intake of vitamins is what it should be. The next important precaution to take is plenty of rest. Almost everyone can do this. For awhile at least, you can cut down on the number of parties, meetings and diversions that call for rushing hither and yon, sap a lot of energy from your system and lower your resistance. We advise taking it easy for awhile until the influenza period is over. There will always be time for you to catch up on your activities later on.

* * * * *

One bank reports that \$15 deposited with it in 1819 has now grown to more than \$4,000. It shows what can be done if you have patience — and \$15.

* * * * *

Statistics reveal the disheartening fact that there were over 34,000 traffic deaths in 1940, an actual increase of 2,000 over the number of the previous year, in spite of the ceaseless activity of the National Safety Council for safer and safer driving. When it is considered that the police court records show that 98 per cent of all traffic accidents are avoidable, the appalling waste of human life becomes more and more apparent. A careful check on the following 10 points of good driving may aid thoughtful people in their determination to be more efficient and safer drivers in 1941.

1. Be sure the brakes are functioning at all times. Regrets cannot bring back a life.

2. Never pass another car on a curve or near the top of a hill. There is no sure way of signing your own death warrant.

3. Don't cut corners, weave in and out of traffic and try to beat the red light. Your friends may say it with flowers but for the last time.

4. Slow down for intersections and crossroads. The old physics law that no two objects may occupy the same spot at the same time still applies.

5. Keep your eyes, your mind and your hands on the wheel at all times. Be a driver and not a Romeo.

6. Drive on your own side of the road. The Golden Rule applies just as well on the highway as in Sunday School.

7. In winter, rain, or sleet go much, more slowly. The only ones you'll cheat will be the corner and the frost page.

8. Beware of pedestrians. They are as unpredictable as a girl in love.

9. Don't drive when you have been drinking. Undertakers sit up nights waiting for people who do.

10. Exercise good manners at all times on the road. The National Safety Council could go out of existence tomorrow if Mr. and Mrs. John Public would subscribe to this great fundamental idea.

DOES LIFE BEGIN AT 40?

NORTHVILLE'S YESTERDAYS

With British Embassy

• One Year Ago

The annual Presidents Ball was held Jan. 6, in the high school. Fostering Fred E. Van Atta was the general chairman.

Harold Churchill is the new president of the Exchange club.

Northville's basket-shooting Massangs chalked up another victory for the school Tuesday evening at the home court, where Van Dyke lost 31-18.

• Five Years Ago

The site where the 668 Park of 111 houses will stand the May hotel group turned in a record Dec. 5, 1936, for the week, the city records show.

Mrs. Edna A. Phifer died Friday, Jan. 25.

After an illness of several months, Mrs. D. W. T. 71, died Monday, Jan. 26.

George Rettberg, 10, of 111 of 111, Jan. 24.

• Ten Years Ago

Mrs. Caroline Thiel, 81, mother of Mrs. Herman Brendt, died Friday, at the home of Capt. and Mrs. B. Rundt.

A week of dedication ceremonies, to start Sunday, commemorating the new First Presbyterian church house.

Mr. and Mrs. Wendell Miller are the parents of a daughter born Saturday.

To Thomas McCarty goes the credit for having landed the biggest pike so far this winter. It is said the one he dragged through the ice up at Silver Lake weighed over 15 pounds.

• Thirty Years Ago

Rev. T. J. Murdoch has moved from Bloomingdale to take charge of the Northville Baptist church.

Laura White spelled death for the sixth grade last Friday.

The following pupils have not been absent or tardy for the first semester in the sixth grade: Dorothy Dubois, Howard Fuller, Clara Gladding, Arlene Kied, Donald

Bricker Cows Win National Honors

Two cows in the herd of Mrs. Ethel M. Bricker of Northville have completed official records in the Herd Improvement Division qualifying them for admittance to the Advanced Herd Test of the American Guernsey Cattle Club, members of Carl B. Messer's committee.

A pair of second calf year old cows in the Br. 3 herd, Gloria and Gertie, recently measured in at 1,072 and 1,074 pounds respectively, and 1,071 pounds of fat in each.

John Edgeworth, 11, of 111, Jan. 25, died Saturday.

Mr. Edgeworth, a plasterer, died Saturday, Jan. 25.

After an illness of several months, Mr. Edgeworth died Saturday, Jan. 26.

George Rettberg, 10, of 111 of 111, Jan. 24.

• DeKay School News

(By the Faculty)

DeKay High School started its first day of school Tuesday. Where are all the girls in this district? The boys are leading 11 to 3.

The fifth to eighth grade pupils have been doing some extensive work on Alaska. They have found that many interesting facts about the country. An Eskimo song has learned stories for English were written, spelling, history, art and civics were the subjects involved in this project. We put the material in a scrap book.

Mrs. Briggs and Lois went to see Barbara Lowe's baby sister.

The sixth grade made tags that represent all the countries they have studied for this year.

Birthday congratulations, seven to George Stalker, Feb. 2.

Sixth grade spelling death.

It's no fun to skate with dull skates.

BROCKWAY Shoe Shop

146 N. Center, Northville

Novi High School and Grade Notes

We wonder why Joan Medler and Betty Brooks have had their heads in the air so much during the last few days. It is rumored they got the top marks in English. We hear they not only received highest but were tied for that honor. Betty Baker and Dorothy Stubbe also act queerly. We understand that they tied for second place.

Our three best typing students are Betty Brooks, Joan Medler and Betty Baker.

The top ranking pupils in our science class are Donna Shirk, Dorothy Stubbe, Betty Brooks and Betty Clarke.

Those ranking highest in commercial arithmetic are Betty Clarke and Betty Brooks.

It is further reported that the best ninth grade English students are Betty Bingham, Betty Clarke, Margaret Ann Hill and Nellie Johnston.

Of course, school would not be complete without historians. Ours are reported to be Betty Clarke, Betty Bingham and Joan Medler.

The cooking class met in the kitchen of the school on Thursday afternoon of last week with the senior class teachers. The demonstration given by two members of the class was making cream of wheat.

Fifth and Sixth Grades

The following people have been neither absent nor tardy for the first semester: Blis Mae Bayes, Mary Frances Conward, Gloria Holmes, Mabel Isenberg and Harold Tuck.

The honor roll for the month includes: sixth: Billy Barber, Albert Bielski, Billy Mae Bayes, Mary Lou Charon, Junior Pend, Bobby Hanger, Dorothy Hunt, Mabel Isenberg, Albert Lees and Harold Tuck; fifth: Henrietta Parker, Lois Mitchell, Richard Bingham, Marjorie Lees, Patricia Oliver, and Rosemary Seguin.

Third and Fourth Grades

Franklyn Coward, George Morrison and Tommy Mooney have had perfect attendance this semester.

Both of our grades had a spell-down Thursday afternoon. Frederick Bingham was the winner in the third grade and Bruce Wendlan was winner in the fourth grade.

Joan Edgeworth, fourth grade, has the highest spring record in our room for the last six weeks. Joan missed one word.

HUGH S.
JOHNSON
SAYS:**Washington, D. C.
PRESIDENT'S POWER

When the blank check lease-deed bill has been fully pushed through Congress, the United States may not be at war, but it probably will be. He has endorsed his peace terms—freedom of speech and of worship, social security and the end of wars through disarmament—not merely in Europe, but "nowwhere in the world," including, of course, Russia. This is the world-wide New Deal with our taxpayers and workers, as they did for the American Negro, paying as much of the whole bill as the President shall determine. Mr. Roosevelt has also arranged the kind of peace in which he will not "succumb." People who are not at war don't prescribe either the kind of peace that will be accepted or the kind that won't.

The President also asks for ultimate power to disrupt all the war strength in America, except manpower, to fight for whom and at any place he decides—all our guns, ships, planes, shells, rifles, all our materials and facilities for production and, by his own token, if not all our wealth, then at least half of it. He can send as much or as little into the battle lines as he decides, and that is nothing less than the position of international communism.

What is remarkable is the complete absence of the notion in economic war—and in its modern day—that a person in military gear with a gun over his shoulder is not to be interfered with.

This last statement was prepared under the direction of Mr. Morgan, in the City and there is good reason to believe that he is the Secretary of State. The Secretary of State was consulted on its terms before it was published. Somebody said to him, "Mr. Morgan ought to consult with the State Dept. before he takes office."

We have no effective naval weapon to send a short hunting party. We can't buy modern tanks, planes or guns that could destroy the fleet of four army Air Forces, but in this momentous hour, we can send as many as we want into the battle lines of the world.

Dinner Parties to Precede President's Ball Saturday in High School Gym

Dinner parties will precede the President's Ball tomorrow night, which is the biggest social event on the week's calendar. It's to be held in the high school gymnasium, where informal, as well as formal gowns will be worn by village matrons and the younger set.

One dinner party will be given by Mr. and Mrs. E. A. Chapman. They will have covers for Mr. and Mrs. George H. Sudder, Mr. and Mrs. Jack Taylor of Plymouth, Mr. and Mrs. Robert F. Coddman, Mr. and Mrs. Ernest H. Wood, Mr. and Mrs. Harold C. Bloom, Mr. and Mrs. Mauriel J. Lapham, Mr. and Mrs. Ward Masters, Mr. and Mrs. Harry P. Wagnerschutz, Mr. and Mrs. John C. Burkman, Mr. and Mrs. Walter L. Coose, Mr. and Mrs. Det. W. Hahn and Mr. and Mrs. Bayard E. Kunk.

Entertaining also before the ball will be Mr. and Mrs. Gerald V. Miller at 6:30 p.m. in Plymouth. Their guests are to be Feb. 3—Mrs. Macellos, 6:30 p.m.; Mr. and Mrs. Paul Carter, Mr. and Mrs. William Hensel and Mr. and Mrs. Charles Yahne, Jr., 7:30 p.m. at South Center.

The persons and patronesses for Feb. 6—G.I.'s baseball game with senior in the Medical school.

The first affair at the school arts, to be General Chairman Fred E. Van Atta, Mayor and Mrs. Carl H. Bryan, Dr. and Mrs. H. S. Willis, Mr. and Mrs. Russell H. Angerman, Mr. and Mrs. William H. Canfield, Mr. and Mrs. Merrill S. Sweet, Mr. and Mrs. William B. Walker, Jr., Mr. and Mrs. Donald F. Yerkes, Jr., Mr. and Mrs. Harry F. Wagnerschutz, Mr. and Mrs. E. M. Bogart, Mr. and Mrs. Carl H. Dr. and Mrs. Russel N. Johnson, Dr. and Mrs. W. H. Johnson, Dr. and Mrs. E. B. Cave and Mr. and Mrs. Eustis Clark.

The committee which has made the arrangements for the ball include: Allen J. Buckley, Mrs. Frederick Hedge, Leiana Smith, Mrs. Harold Bloom, Mrs. Del W. Hahn, Nielsen C. Schrader, Lloyd McLean, Jr., M. C. Gussell, Mr. Canfield, Mrs. Ray Van Valkenburgh, Mrs. Apsin Ford and Miss Ruth Gillis.

Luncheon-Shower Fete
Mrs. Lawrence Leftee

Mrs. Fielder Schueler was hostess Saturday at a luncheon-shower honoring Mrs. Lawrence Leftee. She entered her table with daffodils in a silver bowl. Other appointments had yellow predominating.

There were places for: Mrs. Carl Wyrka, Mrs. Charles Hamilton, Mrs. Frank Hamilton, Mrs. Toby Johnson of Detroit, Mrs. Corliss Busch of Detroit, Mrs. William Backus and Mrs. Herman Blackus of Plymouth, Mrs. Herbert Wiegand of Rochester, Mr. Charles Leinenweber and Charles Meissell.

Christian Service Society
Meets at Coffey Home
Mrs. Rev. W. Coffey of Huron boulevard, was hostess Tuesday afternoon to 27 members of the Women's Society of Christian Service of the Methodist Church.

Devotions were led by Mrs. John T. Coffey, and Mr. Frank Flory, was the organist and Prayer Mrs. Melvyn Mather told something of the history and the work of the Bronson Hospital of Kalamazoo. She and Berry were the following graduate nurse of that place. Mrs. schoolmates Robert Anderson, George Stalker talked on "What England Is Doing for the United States" and Ted Masters, Clyde and the United States Is Doing for England.

Mr. and Mrs. Fred Farley,

John Treadt, Hay Birthday Party after School

News Around Northville

Birthday congratulations to Mrs. E. M. Bogart, Feb. 4.

Kenneth Wimer is now in Co. B at the Recruit Reception Center at Fort Custer.

The Hi-Speed station has been redecorated this week, making an attractive appearance.

Mrs. C. V. Yerkes and Mrs. S. G. Power were co-hostesses Tuesday at the Yerkes home at a dessert bridge. Their guests were members of their contract club.

Birthday congratulations to Mrs. E. M. Miller, Feb. 4.

Best equipped optometric service in Michigan. Dr. John A. Ross, Plymouth.

Word comes that Jay Leavenworth is now serving with the 8th Coast Artillery, Co. K, at Fort Baker, Calif.

A daughter was born Wednesday, Jan. 29, to Mr. and Mrs. Clarence Bolton. She has been named Sandra Joyce.

Sunday dinner guests of Mrs. E. M. Miller were Mr. and Mrs. Wendell Miller, Carol Ann, Ted and Hal Miller of Detroit.

Gerald Speer will hold open house Tuesday, Feb. 4, at his home on East Dunlap street. The occasion is to display his model rail-

road. There will be a regular meeting of C. E. S. Orient chapter, 77, at 7:30 p.m. Friday, Feb. 21, preceding the Eastern Star-Masonic dance.

Mr. and Mrs. Clel Boyd attended the wedding of Amy Marshall and Steven Sortor, Wednesday evening at Dexter. Miss Marshall is a cousin of Mrs. Boyd's.

The Lady Macabees will hold a potluck supper and installation of officers at 6:30 p.m. Monday, Feb. 3, at the home of Mrs. Carl Ely, 210 South Center street.

Harold Roon showed motion pictures covering his hunting trips and a recent trip to Annapolis, Washington, D. C., and through the Smokies before the Rotary club Tuesday. Nelson Schrader was in charge of the program.

Twenty-one cases of measles have developed in the village since Wednesday, Jan. 22. There is also one case of scarlet fever here. This report is a better bill of health than last week when more than 50 cases of measles were reported.

Mrs. Caroline Meyers, Novi road, will be co-hostess at 7 p.m. Friday, Feb. 7, to the members of the Winona Club. A potluck dinner will be served. Members are to meet at 12:30 p.m. at the post office for transportation to the Meyers home.

C. L. Dubuar left Wednesday for Alton, where he will spend the winter months with his daughter-in-law, Mrs. James Dubuar, and grandchildren. Mrs. Dubuar was here Wednesday to make the trip with him.

The local unit of the Red Cross is hunting for space, centrally located, which may be used as headquarters during the duration of the emergency war relief. Persons who may be able to give space to this work are asked to contact Mrs. Eber Lerner, chairman.

Some members of the O. E. S. Orient chapter, 71, attended the evening Wednesday of the Wayne County Association of O. E. S. Chapters held in Detroit. Going from here were Mrs. E. M. Bogart, Mrs. Iris B. Cooke, Mr. Archie E. Farn, Mr. John Lippencott, Mrs. Arthur Lippencott, Mr. and Mrs. E. Atkinson, Mr. Ralph Hix and Mrs. E. Morton.

Harold B. Webb, chairman of the twenty-fourth Annual Roll Call of the Oakland County Chapter, Alpena, Mich., announced that recent reports of the 1941 Roll Call total 16,941 members and a total of \$210,664. This is not entirely final as complete reports from some two thousand units still unavailable. The goal of 17,643 members in Oakland county was apparently been attained. The Oakland County Chapter is thus assured that its responsibilities for the coming year will be met.

Pictured here is Guy J. Auger, auditor at Puerto Rico, who has been nominated by President Roosevelt to succeed Admiral William D. Leahy as governor of Puerto Rico. The appointment is subject to confirmation by the Senate.

Early Day Corsets

The early form of corset which Greek and Roman women wore was a long bandage wrapped about the body in somewhat the manner that girdles are adjusted to the legs.

—

Northville Firemen Answer

35 Calls During Past Year

During the year, the Northville fire department made 35 calls to extinguish fires which caused a total damage of \$3,029.78, all but \$200 worth of the damage being done in the village proper, excluding calls made in Plymouth and Novi townships.

The first fire of the year, 1940, occurred Jan. 3, when the Novelty Lumber company office, 630 East Base Line, burned. Next to be answered by the fire department was James Spagnato, when fire started in the basement of his confectionery shop, Jan. 11. A fire occurred Jan. 25, at the Don Miller home, 319 First street.

Fire chief Alex Lyke's report reveals that there were two fires Feb. 17, one at Capt. V. Tariff's stable on the Six Mile road, the other at C. Taggart's home, 604 Oakland.

The following day, there was a fire at the Seely farm in Novi township. There was another fire in Novi township during the month. It was Feb. 21, when fire broke out in the Gerald Tait garage.

There were three fires during March. One was Mar. 2, at the F. P. Biddle residence, 407 Verke's avenue; the following day, there was a fire at the Gotts residence, 537 Randolph, where Charles Wil-

iams lives; the other was Mar. 25, at the C. H. Hinman home on Verke's avenue.

A garage fire at the W. B. Chase farm, 703 East Eighth Mile road, brought the fire department out for the only fire in April. This occurred April 24, and was in Novi township.

When the Willoughby shoe store burned in Plymouth, May 3—the day the sailors returned from their Washington, D. C., trip, the Northville firemen worked with the Plymouth and Detroit fire departments. They also assisted in extinguishing flames May 23, at the Dunn Steel company in Plymouth.

Another fire in Novi township, June 20, sent the fire department to the Water Boarding home on the East Nine Mile road.

There were no more fires to fight until July 15, when the Grissom barn on the 10 Mile and Beck roads, burned. There was another barn fire in July, when the Thompson barn on Fairbrook avenue caught fire, the twenty-second of the month. The next day, a car in Novi township burned on the 10 Mile and Novi roads.

Late in August, the truck made a run to the Parmalee house, 119 North Center street. No damage was done by flames.

A car caught fire at the Fairgrounds during the races Aug. 16. The flames were quickly extinguished.

The department was called Oct. 31 to the W. A. Parmenter house at 132 Orchard drive, when flames broke out there. The next run was made Nov. 16, to Jack Gray's house on First street. Another country fire occurred Nov. 25, when flames did damage to Greenhead, the home of Mr. and Mrs. Sterwin A. Hill on the Eight Mile road. The department made a run the following day to a country house at 1723 East Six Mile road.

Mrs. J. G. Alexander's apartment caught fire Dec. 4. The Dean F. Griswold home was damaged by fire, Dec. 8; and the Bedore garage, Butler avenue, burned Dec. 13. The Penniman-Alien theatre had to have assistance of the fire department to extinguish flames, Dec. 21.

There were eight calls to extinguish grass fires during the year.

Figure Skater

The Nellie Verk's Auxiliary of the Presbyterian church will meet at 7:45 p.m. Tuesday, Feb. 4, at the home of Mrs. Heinz Bliger on Rosiers street. Mrs. Harold Tuck will have the devotions; Mrs. Harry C. Duerson will lead the study period. The assistant hostess will be Mrs. Norman F. Denne.

Mr. and Mrs. Richard T. Baldwin of Alaboo came Wednesday for a three-day visit with their son-in-law and daughter, Mr. and Mrs. Russell M. Atchison. They all attended the dinner Thursday night. The weekly meeting of the Northville Exchange club held Wednesday was confined to a business session, and matters pertaining to the organization and its work were discussed. Committee chairmen were called upon by Pres. G. V. Harrison for reports. Next week, a which began Wednesday, Dr. Atchison will have charge of the program.

THE EASY WAY TO SAVE

Fool that 1941 budget of yours. Cut food expenses without decreasing the quality or quantity of your meals. Here's the way to do it: buy A&P-made Foods. They're nationally-known for quality. These good things to eat... such as A&P Coffees, Jane Parker Cakes... White

House Evaporated Milk... A&P Breads... the Thrifty 33 Ann Page Foods... are prepared in A&P's own modern factories and sold exclusively in A&P Stores. This direct-to-you method eliminates many in-between expenses. We share the savings with you in the form of lower prices.

Mustangs Lose to Melvindale

Boys' Home Team Unable To Surpass Opponents Shooting Power

The boys' basketball team lost their third league encounter Friday to Melvindale, 24-21.

Melvindale made their first basket directly after the jump-off, starting their basket barrage which ended when the whistle blew at the end of the game.

The Northville boys were unable to stop their opponents' shots for every shot was a direct hit — finding the goal every time.

To prove the game was a fast one, there were 39 foul's committed in the course of the game (32 minutes), a record for Northville's games so far.

Referees were Colucci and Boyle.

Following is a summary of the scoring:

| | G | F | P |
|-------------|----|----|----|
| Northville | 10 | 7 | 7 |
| Boyden | 10 | 7 | 7 |
| Eaton | 2 | 9 | 4 |
| Widmayer | 1 | 1 | 3 |
| Funk | 0 | 2 | 2 |
| Judson | 1 | 2 | 2 |
| Holcomb | 0 | 1 | 1 |
| Natromowicz | 0 | 1 | 1 |
| Schoultz | 0 | 1 | 1 |
| McArthur | 0 | 0 | 0 |
| McCluske | 0 | 0 | 0 |
| Hunter | 0 | 0 | 0 |
| | 4 | 12 | 21 |
| Melvindale | 7 | 3 | 13 |
| Dasher | 6 | 1 | 13 |
| Shoer | 4 | 0 | 4 |
| Hegedus | 2 | 0 | 2 |
| Birkett | 1 | 1 | 1 |
| R. Doughty | 1 | 1 | 1 |
| De Luca | 1 | 1 | 1 |
| Cigan | 1 | 0 | 1 |
| Wade | 0 | 1 | 1 |
| B. Doughty | 0 | 0 | 0 |
| | 23 | 8 | 34 |

The second team lost by a score of 40-12.

Junior High Notes

Edited by the Journalism Class of Northville High School

EDITORIALS

In the midst of our exams Mrs. Sterling handling crafts, sewing, knitting; Miss Gertrude McGowan in charge of girls' and women's classes in gym, ping-pong, badminton and dancing; and George Richman supervising the boys' and men's classes in hand work, gym, basketball, boxing and volleyball. There is no fee charged for these classes only in the case of materials used in handicrafts, and anyone interested is invited to attend as many classes as he cares to.

The Northville Recreation Program for 1940-41 which is being sponsored by the village council, the school board and the Northville Coordinating Council, which is made up of 23 organizations, is well under way.

This program was originated for adults, as well as children that they might use their leisure time more profitably in the pursuit of hobbies, crafts, knitting, sewing, gym classes, boxing, old time dancing and sports of all kinds.

As the program progresses, it is hoped that anyone interested in this activities will avail himself of the opportunities being offered. Three persons from the Department of Recreation of Detroit are the Ford Pond. Come and see them at your service, namely: Mrs. Ruth

Ward Masters brought sandwiches and cake for a party for Ted, Jan. 22. He is in Miss Selma Jarvis' first grade.

Ted's birthday was Jan. 23. The room has 17 absent with illness and 17 present.

Miss Ruth Pierce's third grade has 15 absent. Lois Steininger has a perfect attendance record.

In Miss Pearl Hensch's fourth grade, new officers of the Citizenship club are: president, Leon Rose; vice-president, Duane Small; secretary, William Cansfield.

Robert Freydl has received a perfect mark in arithmetic every day this week.

Miss Margaret Carpenter's fourth grade had a spelling test of 50 words. There have been 13 to 16 people absent. They are making posters of Egypt showing the pyramids. The class is reading the book, "Toby Tyler." The pupils are making an inside winter garden. Terry Chappell brought the box and Russell Frid the dirt. John Popham furnished the seeds.

Our room has many members of the "Mendies Club" now too. We, course, have no pets unless it shall be happy to see these men be back in school soon.

Lucile Captain, a junior in Albion college, presented a paper on a part of the annual historical program given by the combined students of fine and applied arts the week. In accordance with the paper, "Art, Music and Social Customs of the Present and Past," Captain, the first in her class, has just finished her first book and is going to publish it in 1942, and the White Raven to Plymouth. Her ambition is to graduate and to go to work in the automotive industry.

She doesn't do the anything or eat the eat does like fried chicken, French fritters, beans, and tall dark red Laramie boys. Her hobbies are dancing, roller skating, and the movies while her pet peeves are corrected people and high heels and anklets. The favorite studies of this senior girl are home economics, sociology, American government and biology. Her pets are dogs.

She hopes to travel to California, Washington, D. C., Texas, Idaho and Florida. Illinois, Ohio, Northern Michigan have been among her travels up to now.

She has attended school at Bulard, South Lyon, New Hudson and of course Northville. Her present address is in Salem. This senior, who was born on May 26, 1923, at South Lyon, is known to us as Mae Prudence Duncan.

Last Thursday the school walls witnessed a wrestling match held in honor of the new fireproof safe. This investment, weighing 500 pounds, had five boys and two janitors working hard, trying to get it to the floor on which it belongs. It is located in Mr. Harrison's office and will contain valuable school papers and records. The safe will eventually be set back into the wall, making it even with the same. It can withstand intense heat for several hours.

In Homemaking II class the students have brought articles from home such as wash-pots, small cedar chests and chairs, and are refinishing them. Varnish remover, sandpaper, are all used in the process. Choked woods are recognized in several pieces.

By the time you are reading this paper, the students of the Northville high school, are on their second day of their four-day vacation. After their exams let's all hope that they all get good enough marks to deserve their vacation.

Mrs. Robert Power is substituting for Miss Ione Palmer who is recovering from an automobile accident. Mrs. Paul Carter is teaching the classes of Mrs. K. H. Abbott, who suffered injuries in the same accident.

The Varsity basketball boys received little mention last week because of lack of space. However, they did have a victory over Trenton, 35-33, and without the aid of Ray Hartner, Ray is being kept for the tournaments.

Louie Eaton was high-point man with 16 points. McArthur and Boyden followed, with 9 and 6 points respectively.

Marvin Schoultz was this week elected to the position of vice-president of the Albion college cooperative association, sponsor of the campus cooperative book store. Schoultz is a junior at Albion, where he is a member of the local chapter of the Delta Sigma Phi fraternity.

Flat Rock Takes Game from Girls

Teachers Make Plans for Year's Work

First Defeat of Season Chalked Up Thursday with 19-8 Score

At the grade school teachers' meeting which was held Wednesday, Jan. 22, in the home of Mrs. William Chizmar, the teachers discussed means of adapting class room procedure to children whose girls first game away from home.

The Strathmore Plan of providing flexible teaching materials was explained. These instructional aids are adaptable to individual abilities. Plans were also laid for the building of more complete student records and work samples.

Prin. Paul Carter explained to the staff a long-range, pupil-study program originating in the principal's office last fall. The plan is a modification of the one used at the University of Michigan Elementary school. It includes complete and careful recordings of eight different aspects of child growth over a long period of time.

Copies of new State Department of Public Instruction bulletins, "Improving Classroom Procedures in Elementary Schools," have been offered for each teacher.

A one basket in the first half, the series of meetings are to be devoted to a discussion of the suggestions offered and the possibility of their adaptation to the local school situation.

The social part of the meeting included the voice recordings made by the teachers and the serving of refreshments.

Letter Perfect

Nothing to wear? Here are ten ideas gathered from letters that you can write to help recommend your cardboards.

For that personal touch and also so little sister won't be wearing your blouse, why don't you put your monogram on the collar pocket or sleeve as on daddy's shirt?

You can play a patriotic tune on your sleeve with a chevron being featured on the sleeves of dresses, blouses and suit coats.

Tyrolean, embroidered, suspended in ray colors pep up a plain sweater and skirt.

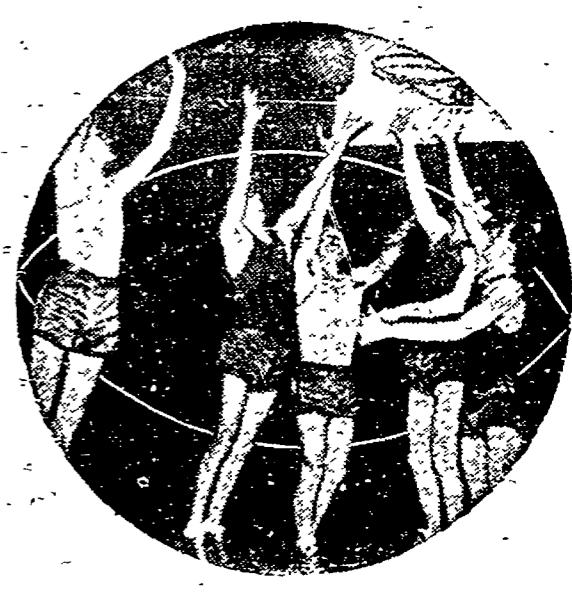

A laurel wreath for Betty Eborow this week for breaking away from the much-worn red and tan. Her new manly tailored suit is single-breasted with the long torso effect, a gored skirt with kick pleat and a lace herringbone.

Mr. and Mrs. Edwin Taylor leave this week for Detroit. Mr. Taylor is a local U.S. Banker at the Allian and Locke Motor Sales, Inc. He is taking an agricultural position in the Huron Valley company.

OVER 27,000 CLAIMS REPRESENTING

About \$1,250,000 in Losses

Were Sustained by This Big Company Because of the Windstorm which Swept Over Michigan November 11, 1940

No other windstorm within the 55 years' experience of the Michigan Mutual Windstorm Insurance Company ever did such great damage in Michigan

CASH ON HAND TO PAY

Carrying a cash reserve on hand, a policy adopted by this progressive company a few years ago, has enabled the policyholders of the Michigan Mutual to always receive checks promptly in payment of their losses. Had it not been for this cash reserve this company would have had to levy an extra large assessment before these losses from the November storm could have been taken care of, causing policyholders to wait months for their pay. Under this cash reserve plan, here is what this big company has been able to do through the work of its competent adjusters and office workers.

ADJUST ALL LOSSES AND PAY ALL CLAIMS PROMPTLY WITHOUT SPECIAL ASSESSMENT

When the thousands of claims came piling into the home office after the storm of last November, our vast force of adjusters and office employees began at once the tremendous task of taking care of losses. While there have been certain delays, they have been in no way the fault of this company or its force. Bad roads and weather have sometimes slowed up the work of our adjusters. The chief obstacle to more rapid adjustments and payments was the overwhelming number of claims filed. Settlement of claims has been made just as rapidly and quickly as was humanly possible.

The progressive policy of this company has been vindicated. It has rendered a service to its policyholders unequalled by any other windstorm insurance company, and at a minimum loss of time. The management of this company wishes to thank its policyholders for their splendid spirit of cooperation. This company still has a substantial cash reserve and is prepared to take care of its policyholders after the next windstorm.

Over 120,000 Policyholders
Over \$446,000,000 Insurance in Force
Over 55 years' Service to Property Owners

**Lift Up
THINE Eyes**

IN the five generations since 1740, we Americans have performed the heroic task of clearing, populating, industrializing and civilizing a country larger than England, France, Germany, Spain and Italy put together.

Because we have looked always forward and upward, and have worked hard, we have achieved the highest standard of living in the world.

One of the most potent of all the forces that have created this living standard is advertising, which inspires us to want always the new and better things and ways of life.

Of late years it has been the fashion among our radical reformers to attack advertising as an economic waste.

How silly, in view of the magnificent service it has rendered us! Let's encourage it and use it for an ever brighter future.

Social Workers' Books Listed by Librarian

Persons interested in social work will enjoy to read some of the following books which may be interloaned at the Northville branch of the Wayne County Library:

You're the Doctor by Victor Hesse — for normal people

who want to keep well and are capable of much better health than they now enjoy.

The Clinical Treatment of the Problem Child by C. R. Rogers — It stresses skills in treatment from the point of view of diagnosis, charge of environment and the child's inner life.

Modern Man in the Making by Otto Neurath — Dr. Neurath here uses his pictorial facts as a means of social interpretation of man's place in today's society.

Beyond the Clinical Frontiers by Edward A. Strecker — A psychiatrist views crowd behavior.

The Boys Club by R. K. Atkinson — A comprehensive interpretation of the boy clubs of America, showing actual practices and techniques of dealing with the boys.

Pastoral Psychiatry by John Bonell — Directed toward the cure of the soul on the premise that a sick soul goes with a sick mind and spiritual health produces mental health.

County Agent by Gladys Baker — It shows how the county agent serves as a clearing house of information on federal programs available to farmers and the position of leadership he has had to assume.

Emotional Hygiene by C. M. Anderton — It indicates relationships between intellectual and emotional attitudes and suggests ways of developing a well-rounded personality.

Local News

Irad Olsenberg spent the week-end hunting at Huron.

The substantial, well managed company has made an enviable record both in growth and service to its members. It will pay these heavy losses of 1940 in full and still have a substantial sum with which to carry on in 1941. The record number of losses from November alone have been handled with the greatest speed possible so that each claimant might receive reparation as promptly as possible.

No doubt the wide-spread storm and the losses sustained from it will lead to an increase in the volume of insurance this year, as has come in the past. Those who carried wind-form insurance in this company and suffered losses were mighty fortunate. The losses will be paid 100 cents on the dollar, and the company will not have to borrow nor levy an extra assessment as it has the needed cash.

Frank Louis of Detroit has been confined to his home this week. He is another film victim.

The Northville Gun club is planning a community competition in the near future.

Mr. and Mrs. Harry Green of Ann Arbor, 32, arrived Sunday for a visit with Mr. and Mrs. John Green.

Mr. and Mrs. Ralph Bogert have moved from East Dunham street to the Gerde house on Cleverton road.

Mr. and Mrs. E. G. Wellwood and daughter, Barbara, of Detroit, were Saturday turned visitors in the Allard home.

At the Oval and Nancy Leinenweber are making satisfactory recuperation from severe attacks of the measles.

Fred and Mrs. Fred E. Van Alst were hosts Tuesday evening at a dinner party attended by the post office force.

Mrs. Harold Austin of Madison lake, spent the week end with her brother and sister-in-law, Mr. and Mrs. Albert Harper.

Mrs. Barbara Ziegler is Dr. J. H. Eastlund's new office assistant. She replaces Mrs. Donald M. Bray (see Dorothy Richardson).

Miss Lois Duncan and Dick Allard, of the Detroit Yacht club Saturday at the Detroit Yacht club Sunday, they witnessed the hockey game at the Olympia.

Mrs. Gladys Lindig spent the week end in Detroit, where she was the guest of her brother-in-law and sister, Mr. and Mrs. William Fornier.

Mr. and Mrs. Horace W. Knight and Mr. and Mrs. Clifford Sinden attended the Warden Lewis lecture Saturday evening in Ann Arbor.

Miss Hattie Marie Moore was hostess Monday evening to the members of her contract club, Miss Kathryn Gilster and Miss Ruth Pearce were guests.

Lloyd Wilkinson, Jr. and daughter, Mary Jean, visited Sunday with Mr. Wilkinson's brother-in-law and sister, Mr. and Mrs. Walter Thorn of Owosso. Mary Jean is visiting there for two weeks.

The South Lyon Group II of Women's Extension club met Thursday at the home of Mrs. Lydia Joslin of the East Nine Mile road.

The topic for discussion was "Selection Dress Accessories."

The final meeting will be held Friday, Jan. 30, at the home of Mrs. George Joslin, East Nine Mile road. Hundreds of delegates representing thousands of Michigan taxpayers will converge upon Prudential Auditorium here February 4th ready to tell the 132 legislators what they think can and should be done to make Michigan's \$200,000,000 a year government machine click more efficiently and ultimately cost less to their pocketbooks.

The Farmers' Corner
By E. J. BESEMER,
County Agent

Minerals

Salt. Should be supplied daily. Best method — allow cow free access to loose salt. In addition, one pound salt mixed with each 100 pounds grain makes grain more appetizing. Block salt as sole supply is inadequate and expensive. Throwing on salt at feeding time may result in too little or too much for cows' needs.

Bonemeal (odorless). Supplies phosphorus, the one mineral that may be lacking where farm cereals, or cult beans only, are fed for grain. Increases appetite for hay. Not needed where legume hay, high in calcium, is fed with grain mixture that includes phosphorus containing soy bean meal, or soybeans, or cottonseed meal, or bran, or midds. Corrects depraved appetite (cattle, sheep boards, bones etc.).

How to feed steamed bonemeal:
1. Mix 2 pounds with each 100 pounds grain; or.
2. Feed one tablespoon (1 oz) daily to light milker; 3 tablespoons daily to heavy milker; or.
3. Give herd free access to mix.

ture 1/3 bonemeal, 2/3 salt. Iodine. No need to provide for a herd unless calves are born with goiter (big neck). Furnish by: (1) Feed year around iodized loose salt; either purchased from reliable dealer, or home mixed, 1/3 oz potassium iodide to 100 pounds salt; (2) Or, dissolve 1/2 oz potassium iodide to one-gallon water. Feed to each cow for 6 weeks just before due. 2 tablespoons once a week thereafter. Keep solution in dark-colored bottle, or a jug.

Farm Accounts
The following men received help from G. A. Swanson of the Farm Management Department, Michigan State college, during their 1940 Farm Account Books: William Brinkman, Flat Rock; Wesley McCalla, Trenton; Weldon Emerson, Romulus; Warren Palmer, Plymouth; Cady Hix, Plymouth and George H. Grissel, Wayne.

The following have purchased Farm Account books and indicated that they will join the project: L. D. King, Dearborn; J. M. Sveges, Plymouth and Perry D. Campbell, Plymouth.

A properly kept book provides all the information necessary for a detailed business analysis. Such an analysis will show the financial status of the farm, will show whether the business is profitable or unprofitable, will determine the points of strength and weakness in the organization and operation of the farm, and will serve as a basis for making any adjustments in an attempt to make the farm more profitable.

Mastitis in dairy cows may be a perennial menace," said Dr. B. J. Killham, Animal Pathologist of Michigan State college, at a meeting held on Jan. 23 at Wayne high school, according to E. J. Besemer, county agent.

However, mastitis can be held in check by proper methods which involve testing of the milking cows, disposal of the bad cases, medical treatment of others.

Bang's disease came in for a thorough discussion. Calffood vaccination was explained as a help in some herds — as with purebred cattle valuable for breeding stock. Dr. Killham warned that calffood vaccination is not a "cure-all."

Constant vigilance is the best medicine, said Dr. Killham. Prompt action is the cheapest treatment. Do not hesitate to ask your local veterinarian to call in help from the State department or the college if a serious condition is getting out of hand, or if some trouble is hard to diagnose.

Warriors Hailed by Greeks

Wild with joy over their country's successes against the Italians, the population of Athens, Greece, gives a rousing reception to Greeks and British soldiers home from the battlefield. The British fighters have British and Greek flags. The Greeks are grateful to the British for the aid they have given them in Albania, where Il Duce is still in reverse.

News of West Point Park

By MRS. WM. H. ZIVAHLEN

Mrs. Marie Bohard has been ill with the flu. Several other members of the family are also on the sick list.

Mrs. Ralph Voorhees entertained several of her women friends at luncheon Thursday. Mrs. Norman Norbert Schmidt, who expected to make a weekend visit with relatives near Fort Wayne.

Leigh Mine of Mayfield avenue returned home Tuesday from Harper hospital in Detroit, where he was operated on for sinus trouble.

Mrs. Max Bergin and daughter, Sharon of Howell, were guests Sunday afternoon of Mrs. Bergin's parents, Mr. and Mrs. Marvin Addis.

Mrs. George Welch has spent the last few days with relatives in Detroit.

Mrs. Sons of Shadyside avenue is convalescing from a serious illness.

Mrs. Thomas P. Payne and Miss Betty Randall, who are vacationing in the South, motored last week to Monterey, Mex., with Dr. D. A. Brief and his parents, who are at home of Mrs. Lucille Ginter at 3117 Northgate Drive, San Antonio. Two other members of the family also made the two day trip with them.

urged to keep the date in mind and try to attend.

Mrs. Jacob Sheets, who for several weeks has been a guest of relatives in this section, returned Saturday to her home in Indiana. She was accompanied by Mr. and Mrs. Norbert Schmidt, who expected to make a weekend visit with relatives near Fort Wayne.

Several of the Sunshine Sisters called Thursday afternoon on Mrs. Homer Coleman and were introduced to Mrs. Coleman's infant daughter, Ruth Anne. A "Baby Book" and snapshot book were presented the hostess, as an aid in keeping her records.

Lesson in Perspective for Prospective Pilots

Remember how the railroad tracks seemed to meet in the distance? Well, nowadays a string of airplanes has the same effect. The imaginary line of the wing tips is drawing towards a point in the distance. These are some of the training craft at the "West Point of the Air," Randolph Field, Texas. The planes will be used for training the 500 flying cadets.

Shave and Whiting Win Pro Turney

Ernie Shave, Meadowbrook's golfer, is down himself and the club proud at St. Petersburg, Fla., on the Jimmy Fox Jungle course, where Sunday he and Dick Whiting, a member of the Meadowbrook club, spread-eagled a field of 55 golfers in a pro-amateur tournament.

From the South comes word that Jimmie Meadowbrook also wrecked the course's 71 par to post a best ball of 62 and win the 109 holes by no less than three strokes. A partner of one of the opposing duos was Ernie's brother, Bob, who is a professional at Pasadena.

Erica Scare, who carded an eagle and five birds, had an individual medal three under par as he finished with 68. He was tied there for the day's low by Andy Mossery, a late finisher. Brother Bob Shave, who has been setting the pace for local professionals throughout the winter, had a 69.

Shave's eagle was achieved on the seventeenth hole. He boled out a terrific drive, and followed it with a three-foot shot to the green. A two-foot putt did the rest, for a three-on-the-par-five test.

Whiting's winning partner had a medal of 75 and was handicapped at four strokes. He made the most of his handicap strokes and then played his handicap to aid his professional partner at the crucial moments.

Shave was playing cautiously with all the man in his bag and had his putting touch. He plans to stay here through March and will play in the St. Petersburg Open the last three days in February.

SESSIONS HOSPITAL

Mrs. Robert Castle is a medical patient at the hospital.

Mrs. J. Riffenburgh, South Lyon, is still confined to the hospital.

Mrs. John Johnson, Plymouth, submitted to a major operation, Jan. 27.

Mrs. F. Eggenberger will soon be discharged.

Mrs. Ruth Ernst, Plymouth, is a medical patient at the hospital.

Mrs. E. Kehler, South Lyon, a

fracture case, was admitted to the hospital Jan. 30.

J. Flanigan was discharged Thursday.

Mrs. Clarence Thomas, Plymouth,

underwent surgery, Jan. 29.

Mrs. Cecilia Puslak, Wayne, is a medical patient at the hospital.

HOBBY

(Continued from front page)

partment will also have an exhibit ready for the show.

The committee is in the process of displaying, particularly in the following related fields: model wood, metal crafts, charts, war relics, souvenirs, spoons, buttons, war medals, puppets, shoe models and stamps.

Persons having anything to put in the show are to notify one of the following: Mr. Knight (1-3 p.m.) and 6 p.m. to midnight and phone 742-3721; Mrs. Don Miller (except Sunday) at phone 119; Mrs. Ed. and Verda Verdes phone 187; and Howard McKeague, phone 303.

MICH. MIRROR

(Continued from front page)

publicans' convention on Feb. 28, both in Grand Rapids.

Legislative Miscellany

Rep. Palmer Linton, Mt. Pleasant, proposed licensing of coin-operated pianos and music machines.

\$25 annual fee to be earmarked for old age pensions.

Lawsuit to "eliminate fraud"

in petitions for referendums is being proposed.

Harry F. Kelly, secretary of state appointed a committee to study it.

An "anti-boss" bill aimed to prevent conversion control is sponsored by Rep. Donald N. Sawyer, Monroe, and Rep. F. Jack Neller, Battle Creek. It is patterned after the Eaton Bill of 1939.

Statewide terms for 1941 members

of a commission of agriculture to be appointed by the governor are proposed by a bill introduced by Rep. Edward J. Walsh, Detroit.

Rep. L. J. Wiles would provide for appointment of a commission by the state board of agriculture.

Sen. Otto W. Busby, Alpena, introduced bill to appropriate \$200,

per year, to advertise Michigan \$100,000 for general advertising, \$25,000 to each of the four tourist associations which are to pay 50 per cent of cost of the ads.

DR. SNOW

(Continued from page 12)

ing home to the fairgrounds.

Gov. Fred Wagnleitner was in the East this week and Dr. Snow has not heard from him in reply to his withdrawing his resolution.

"We were fortunate in not having any trouble, however, when he talks with Mr. Noriecki and explains my misunderstanding," Dr. Snow avers, pointing out that the board of fair managers in May 1939, authorized him a salary of \$500 and a \$200 expense account for the year. It was understood that the expense account made provision for his transportation from his home to the fairgrounds.

I'm not leaving office with a cloud over my record, stated Dr. Snow, who will continue on the job until he has a letter from the governor clearing up the issue.

Dr. Noriecki had a letter from Elmer A. Beamer, commissioner of agriculture, advising him that the State Pur provided for "actual and necessary" expenses for Dr. Snow, including such transportation, up to \$250 annually.

Noriecki has held up \$150 of re-

lease vouchers of Dr. Snow.

BUS

(Continued from front page)

on Dec. 20, or an increase of more than 100 since the beginning of the fall term. A steady residential growth in the district indicates a continued school enrollment that may reach a maximum in the number which can be accommodated with present facilities by the end of the school year, it was stated.

Transportation of students presents a constant problem, in that 1,600 must be brought to the schools in one hour's time each morning. The new bus of the large type will aid in relieving the congestion. The bus fleet now consists of four 82-passenger, one 65-passenger, five 45-passenger and three smaller buses. Improvement in roads permits the use of large size buses on most routes, and makes impractical the further purchase of small vehicles.

While the area covered by the transport system comprises only 40 square miles, due to dense population, the cumulative mileage of the entire fleet during the past year reached 50,000 miles. An enviable safety record has been attained by this department since its inception, 17 years ago.

It was stated 200 grade children are transported to the Commerce and Union schools, and about 200 to the Walled Lake building. There are at present 84 non-resident pupils attending at Walled Lake.

In commenting on the present housing and transportation problems of the school, Mr. Hoffman said conditions to date were being handled efficiently and smoothly, although consideration must be given to future needs of demands of rapidly increasing residential growth to be adequately met.

We feel that the increased growth of our community as indicated by added student enrollment is a healthy and beneficial factor in the progress of our educational institution," he said. "It is our desire, and we feel sure it is the desire of the people of the district, to keep abreast of developments.

We are happy to state that the school's financial condition is excellent.

RED CROSS

(Continued from front page)

County Red Cross Home Safety campaign for Northville.

Over the whole country, however, Mrs. Lester pointed out, about four times as many people are involved in home accidents than in traffic accidents. The toll in human lives runs about even between home and traffic. But where traffic causes permanent injury to 90,000, home accidents cause 140,000. And home mishaps temporarily disable 4,500,000 year as against 1,050,000 by traffic.

Falls in the home are the greatest source of danger. For example, of the 32,000 deaths from home accidents each year, more than 50 per cent of them are caused by falls. Next most serious as an aid to the grim reaper are burns and explosions. The most deplorable thing is that these accidents can be so easily prevented if we would only keep our eyes open for home hazards and eliminate them," she says.

NOVI

(Continued from front page)

spread the tax, but that it is being paid to the county, out of our township contingent fund, an amount of eight thousand, thirty-seven dollars and thirty-three cents (\$8,037.33), which we paid to the county treasurer in full, Jan. 20, 1941.

This came about because of the fact that we had quite an accumulation of money, and we decided to do something about it. It is obvious that we were not allowed to pay a dividend, so we decided that a fair way to distribute some of this money would be to pay the county general tax with township taxes and not spread it on the 1946 tax roll.

This, of course, had to be approved by the voters, as we were using money raised for Township purposes to pay county obligations. It was voted favorably at the primary election last year.

The healthy condition of our finances is due, mostly, to the fact that so much delinquent tax has been paid, and has come back to us, during the past few years. Also because we have no bonded indebtedness, and, of course, no interest to pay, or bonds to take care of.

We are naturally, rather proud of this record, considering the fact that some of our larger units of government are having so much trouble trying to balance their budgets and wish it not to be known, would cause us to smile when we hear so much talk of so-called centralized government, and the claim that so much money can be saved the taxpayers by doing away with local governing units.

"We were fortunate in not having all of our money impounded during the 1933 bank holiday. We had previously gone through the experience of having money impounded in several banks during the two years preceding the bank holiday, and we were somewhat prepared for what might happen. We still have a considerable amount tied up, however."

"At our annual meeting three years ago, the people voted to change all of the unincorporated money to the intelligent fund, and of the thirteen school districts that collect money for, including the fractional districts outside the township, not one of them has had to withdraw any of this tax.

"For the past four years, our township tax this year, is that case property comes to the tax sale, the township will have an interest in it.

"Let us bear in mind that the township will not be able to pay the county tax every year, and while it is nice to have our taxes lowered this year, we must expect them to be higher again in the future with the addition of the county tax."

BOXING

(Continued from front page)

meets. The bout from Socorro N-6 was also cancelled. From N-7, Clayton and Perry Graham put on a fine exhibition of boxing. There were no decision bouts, and the judges called this a draw.

Fred Parker from Detroit, gave nine pounds to Art Porterfield, but won easily, despite the weight. Fred showed a fast left jab and some good foot work.

Dick Carlson of Ann Arbor, displayed a lot of class in outpointing Art Coombs, also of Ann Arbor. Dick has speed and is one of the best young fighters to have performed here.

The bout between Cliff Smith and Ernest Hamerson of Novi, was marred by several clinches. This was Cliff's first bout of the year, and the crowd was glad to see him in action. Cliff took the decision.

The bout between Dave Grandson of Ypsilanti, and Doug Higbee of Ann Arbor, supplied the first solid knockdown of the evening. Dave was outweighed by 15 pounds. He made this disadvantage to his advantage. He went "Coris" for a count of 9 in the second round, but came back strongly and was declared winner by the referee after the judges had declared a draw.

The final bout of the evening was between Cy Hughes of Ann Arbor and Don Reeder of Warren. Dan went down for a 9 count in the second round, and again in the third round. Although Cy was out-

weighed by 15 pounds he used his reach and speed to good advantage. Dan got up in the third round and tried to continue, but the two knockouts had taken too much out of him, and the referee awarded the fight to Cy on a T.O. K.O.

Officials of the evening were Robert Power, George Rush, Harold Farrelle, Art Carlson, Ward Masters and Richard Loomis.
