LANSING.—Instead of a bi-partisan state government being a liability, it may prove to be an asset in disguise.

Take it from Gov. Murray D. Van Wagoner whose sense of humor has seldom failed him and whose broad smile has already earned for him the title of "Happy Pat."

Speaking at the Michigan State Society dinner in Washington, the Michigan executive put the situation this way: "When I propose anything to the Legislature we have in Lansing today, it has to be good. Otherwise you can imagine what chance it has of getting any consideration at all."

The first truly bi-partisan act of the Van Wagoner administration was a ruling by the newly appointed civil service commission, created by constitutional authority, that all classified state employees whether Republicans or Democrats are to be considered henceforth as duly protected under civil service from patronage raids.

A ruling by Attorney General Herbert J. Rushton clearly vested the commission in complete jurisdiction over the state payroll covering 18,000 employees, and Rushton said in effect, that the commission members constitute "a rule unto themselves."

Law Making Powers

The air-light amendment setting up civil service in Michigan also empowered the commission with authority to make its own laws and to construe the amendment in every particular. The legislature is stripped of its rights completely; partisan by-play is relegated to ancient history.

Competitive examinations have been ordered to fill the jobs of 2,785 state employees who have had no previous civil service status. And, furthermore, the commission has indicated that politics is to have no consideration in its merit ratings. Republicans or Democrats will retain equal privileges of opportunity.

Civil service advocates believe that the merit plan will increase governmental efficiency and lower payroll costs. Former Governor Alex J. Groveskew went on record favoring a "living wage" to state workers in the lower pay bracket, indicating that stabilization of pay may make beginning jobs of government more attractive financially for career employees.

Civil service, once the butt of legislative jokes, has regained much of its lost dignity and respect at last. This has been due, in a small degree, to the public-acclaimed calibre of the commission headed by George J. Burke, Ann Arbor.

Division of Spots? In other words, however, signs were in evidence that bi-partisan control would "by-parts" whether Republican or Democrat. Pick your own interpretation.

The house committee on agriculture released a bill whereby the commissioner of agriculture would be appointed by a state board of agriculture. It was expected to shelf a bill proposed by Rep. Edward J. Walsh, Detroit, Democratic floor leader, for appointment of a five-member agricultural commission on a staggered term basis.

2. Reporting out of Senate committee of a bill by Sen. E. Hale Brake, Stanton, providing for nomination and election of the state highway commissioners on a partisan basis. This was to clarify the 1939 amendment making judicial elections non-partisan, and is aimed at the anticipated candidacy of G. Donald Kennedy for state highway commissioner.

3. Ruling by Attorney General Herbert J. Rushton that the senate may confirm legally the Republican appointments of former Gov. Dickinson instead of Gov. Van Wagoner. Eleven days before he left office, Mr. Dickinson sent the names of 25 Republican appointments to Fred L. Chase, secretary of the Senate. On Jan. 1, inaugural day, Gov. Van Wagoner furnished a rival list of 44 names.

The Rushton ruling is expected to provide the Republican leadership with something tangible for trading purposes. It may result in a division of offices between the two parties, according to bargaining agreement.

Survey of Small Industry

Following up the appeal by William Knudsen, arms production chief, for an immediate survey of all industrial resources, Gov. Van Wagoner ordered the state planning commission to conduct such a survey in Michigan.

Greater flexibility is the need of the hour for decentralizing arms production, the governor pointed out in an interview at Washington. This would enable small industries to accept sub-contracts for arms production, and would follow the success of British industry in enlarging our smaller jobs to small companies.

St. Lawrence Waterway

Another project which has been given the governor's blessing is the Roosevelt-endorsed program to open the Great Lakes to ocean shipping. At a time when sea-board shipyards are years behind in construction of war ships and commercial vessels, the Great Lakes ports may provide needed facilities.

John C. Beukema of Muskegon, chairman of the executive committee, National "Seaway" Council, points out: "No sound program for national and continental defense can be devised that does not include

Chorus To Sing

Rep. George A. Dondero's address on Lincoln to be given at a 5 p.m. banquet, Wednesday, Feb. 12, will climax the Out-County Institute of Wayne county schools which will convene that afternoon in the grade and high school rooms, attended by some 300 teachers, representing eight school systems.

The afternoon will be given over to grade and department meetings for the discussion of school problems.

J. Uncle Burke of the Denton school at Belleville, is chairman of the kindergarten, first and second group, with Miss Selma Jarvis, assistant chairman. Helen Newton of Wayne, is chairman of the third and fourth grade meeting, assisted by Miss Margaret Carpenter. The fifth and sixth grade meeting will be under the chairmanship of Ruth Erickson of Plymouth with Mrs. James A. Huff, Jr., assisting.

A Garden City teacher, Gustave Zinke, will head the English division in the high school, assisted by Mrs. Marshall Herren. Mentor Williams of the University of Michigan, Ann Arbor, will be the guest.

"Means of Creating Interest in Science Clubs" will be Francis D. Curtis' topic in the science division. He is also from the University of Michigan. J. B. Baker of Romulus will talk on photography. He is the chairman of his department, working with William Hersch.

Mrs. Plunk of Plymouth, was the speaker in the mathematics. (Continued on back page)

Police Department Answers 120 Calls during January

The Northville police department reported to the village council Monday evening that 151 traffic violations had been noted during the month of January, six drivers going to justice court, 39 receiving violation tickets, 19 getting courses, tickets, with fines, totaling \$89.

The department made 420 calls. There were 10 motor accidents here, one person receiving serious injury and one was injured slightly. The property damage totaled \$1,433.

There were eight arrests during the month for disorderly conduct. One farcny case is still open. Two cars were stolen and recovered in good condition. A car stolen from another community was found in Northville.

Two juveniles were arrested for stealing gas from parked automobiles. A juvenile runaway was picked up by the department. Richard Loomis, police chief, also reports an attempted suicide.

Seven places of business left their front doors unlocked during the night shifts in January.

Obscure Speech by Abe Lincoln Is Reprinted

At the top of this page is an extract from a speech by Abraham Lincoln, which remained in practical obscurity for over 100 years, and which has taken on new significance today. It was made when Lincoln was but 28 years old.

As though he could project himself into a new century and into new world conditions, Lincoln spoke with something of prophetic vision against what today might be termed "Fifth Column" and other dangers from within to American liberty.

Always a mystic, Lincoln comes to us over the vast expanse of years again as a man who "belongs to the ages."

There is no record of the exact reason for Lincoln's choice of subject on that now memorable day. At the time he was a comparative unknown. He had served in the Legislature from New Salem but without any particular distinction. He had run a little store in New Salem, which he gave up because of a debt that accumulated against it for one reason or another that kept him painfully at the task of repaying it for the next 15 years. He had been admitted to the practice of law but a few months before, but when he made the speech to the Young People's Lyceum of Springfield, Illinois, January 27, 1837, he spoke in the quality of a statesman.

Hunt Club Names Officers and Staff for New Setup

Dr. Harold L. Morris of Novi President; Charles Verheyden is Vice-President

Staff Is Same

At a meeting held Saturday evening at the Northville Riding and Hunt club, the Northville Hunt club was founded, being a development of the Northville Hunt which was organized over 4 year and a half ago on a subscription basis.

Dr. Harold L. Morris of Tuxedo farm, Novi, is the club's president. Charles Verheyden of Grosse Pointe, is vice-president. The Hunt Secretary is Mrs. R. Edmund Dowling. Victor L. Slator of Plymouth is treasurer.

The Hunt staff remains the same as it was under the old setup, with the Master of Bounds being R. Edmund Dowling. Mr. Slator and Raymond Street are first and second whipper-ins, respectively. (Continued on last page)

Detroit House of Correction Visited by Rotary Club

Men Take Tour of Institution and Attend Traffic School

The Northville Rotary club about 50 strong, were the guests of Capt. Frank Gule of the Detroit House of Correction last Tuesday for luncheon, a visit to the traffic court and a tour of inspection of the institution.

The group assembled at the administration building, where armed with night sticks, the group gave the traffic report which the excellent work of that school was explained. The demands for release of study have increased greatly and the Monday night sessions are open to visitors and citizens willing to take the classes in traffic safety. All traffic offenders sentenced to the close of correction must attend this school and a great number attend voluntarily.

Following a delicious dinner, the group was taken on a tour of the buildings and industry housed there. Everyone reported a delightful and instructive time and were more than inclined to the institution.

Junior Gun Club To Hold Shoot

Saturday, Feb. 8 at 1 p.m. is the time for the Northville Jun. Gun Club shoot at the senior club range, 1402 South Beck road.

There will be three instructors at the range to supervise the events of the afternoon. Boys and girls under 18 years of age are eligible for club membership and instruction. Persons wanting transportation to the field are to meet at the Hammer Hardware store.

The instructors have been appointed by the National Rifle Association.

For the fourth consecutive year, week day religious instruction is given to the fourth, fifth and sixth graders in the Northville public school, arranged through the cooperation of the school and the Board of Christian Education representing the Presbyterian, Baptist and Methodist churches. The department made 420 calls. The classes will extend through a 12-week period, taught by Miss Lottie Livingston.

Admission to the religious training class is open to children of the three grades designated upon permission of their parents. The class is in session once a week and the instruction is not sectarian.

The aims of the study, Miss Livingston says, are to create a genuine interest in the Bible and the ability to use it. Through the class instruction, the child becomes familiar with the contents of the Bible and gets realization of the practical value of the book through his own personal experience.

Miss Livingston has been conducting week day religious instruction this year in the Farmington public school, the classes beginning in the fall and continuing through the annual inspection of Northville Commandery, and Saturday night round the Northville Lodge 150 P. and A. M. Host to the Four Square Club of the Plymouth Motor Car Company.

The annual Commanders' Turkey dinner preceding the inspection of Northville Commandery was attended by 50 Sir Knights, including many notables and high ranking officials of the Grand Commandery and Detroit Commandery.

Date for February Call Has Not Been Announced for This Section.

The selective service board, 61 Plymouth, which takes care of Northville, Redford and Livonia as well as Plymouth, was notified this week to have 42 men ready for the next call which will come sometime this month.

Waiting definite instructions as to the exact date of the February

Robert Parmenter, son of Mr. and Mrs. Alfred W. Parmenter of Orchard Drive, left Monday for the Great Lakes Naval Training base at Chicago, Ill.

Mr. Parmenter is checking volunteers and draftees with the lineups for the 42 quota changing daily as physician's reports disqualify young men from this area.

The board is not releasing the names of the probable 42 to see service next until a date for going has been set. In the meantime, (Continued on back page)

Commerce Board Starts Campaign To Buy Property

Group To Raise Funds To Purchase Horton Site To Offer Manufacturers Interested in Northville

Canvass Residents

In conjunction with the aforesaid purpose of the Northville Board of Commerce to bring new industries to the village, Northville businessmen are this week raising funds to purchase a piece of property to offer prospective manufacturers interested in location in Northville.

The Board proposes and now has raised sufficient or nearly sufficient funds to purchase a 27-acre piece of property just north of town on the Novi road known as the Horton property. The property will be held and disposed of according to opportunities presented with the view of bringing small manufacturing institutions to this community.

Delegations of businessmen have and are canvassing local residents raising the funds for the purchase and continued payments during a probationary period with definite arrangements for sale, resale and subdividing in the best interests of the community. The control and title to property is vested in the contributors to the project. The project was unanimously approved by the board of commerce at a recent meeting and the entire deal is expected to be closed early next month. President Gerald Van Horne and Secretary Austin Van Horne are directing the work and tabulating the results as reported by the several committees.

• **Scout Week . . .**

"On my honor I will do my best — to do my duty to God and my country, and to obey the Scout Law . . . physically fit, mentally awake, and morally straight — physical fit, mentally awake, and morally straight." — Scout Oath.

While the nation's industrial machine labors at an ever-increasing pace to arm us, other important factors must not be overlooked. Building and maintaining the country's morale is as important to national defense as expanding production.

That is why it is encouraging to note that the theme for Boy Scout Week is "Strengthening and Invigorating Democracy." Positive measures are the order of the day. The million and one half boys and men who make up the American Scout Movement are pursuing a nation-wide program of action to make Scouting a signal and effective asset to our country in this national emergency. By emphasizing doubly their regular program of education and energetic activity the members of the Boy Scouts of America hope to perform an important part in the task of revitalizing the ideals and practices of American democracy.

In the week of February 7-13, 1941, the public will be able to judge the results so far of intensive intra-organizational activity which the Boy Scouts have carried on calmly since early in September. A nation-wide roll call and inventory, completed in December in every one of the forty-seven thousand Scout units, is the basis of an extensive plan designed to make Scouting more effective with those already enrolled as Scouts and to extend the benefits of Scout Training to the thousands and thousands of boys who are eager to be better equipped to serve their fellow men and their country.

In many communities older Scouts are making ready to act in Emergency Service Corps, trained to apply Scout training in assisting the Red Cross and other existing agencies in times of disaster. In many of the 545 Local Councils, too, plans for rapid and efficient co-operation of Scout units for community service on short notice have been adopted and put into practice. In countless minor ways, members of the Boy Scouts are helping to make democracy a living, vital creed.

The Boy Scout Motto is "Be Prepared." It is a healthy sign, one that bodes well for the future of our nation and the Scout Movement, that they are living up to it in every sense of the phrase.

• **Mr. and Mrs. Taxpayer . . .**

Calling Mr. and Mrs. Michigan Taxpayer:

The chance you have been waiting for came on Tuesday, February 1, it was Taxpayer's Day. The largest hall in Lansing, Prudential Auditorium, was engaged for you to meet your legislators.

Starting at 11 o'clock in the morning taxpayers presented reports dealing with methods of reducing the cost of state government.

They discussed ways of effecting permanent improvements in the governmental structure which will cut tax burdens.

If you agree that government waste and extravagance must stop; if you agree that non-defense expenditures must be reduced to help pay your national defense taxes, it is your right to say so.

Legislators need more than the logic of your case; they have to see that you mean business.

Your backing for your arguments for economy, will convince them that you are willing to take your share of the responsibility in deciding what functions of government are no longer essential.

They will know that they must stop waste and extravagance.

Remember — there are lean days ahead when the current prosperity subsides.

It's up to you. Make the most of this opportunity.

Demand that the state government pull in its belt just as you, Mr. and Mrs. Taxpayer, have to.

• **Ninety Per Cent . . .**

A poll was recently taken in Portland, Oregon, by the Oregonian, on the subject of strikes in defense industries. Ninety per cent of the people queried said that the Federal government should take steps to prevent such strikes. Only ten per cent said No.

Of the union members queried, 83 per cent favored Federal action, as against 17 per cent which opposed it. A large number said they always had believed in labor's right to strike, but now thought the emergency justified temporary limitations of this right. National defense, they observed, overshadowed all other considerations.

The poll also asked how strikes should be prevented. Seventy-nine per cent of those answering favored compulsory arbitration by the government.

This poll undoubtedly represents the collective opinion of practically all the people of this country, including thoughtful workmen. It is a bitter commentary that when the government is conscripting tens of thousands of young

SOMETHING NEW IN DEMOCRACY!

men and paying them a dollar a day, and offering their lives to the country, a radical segment of labor that is being paid the highest wages in history, and working the shortest hours, forces strikes for more.

Most significant fact produced by this poll is the attitude of union workmen. They, no less than the public at large, are overwhelmingly opposed to strikes in defense industries. This bears out the opinion that the majority of working men are sincerely patriotic, and want to work for their country's defense — and that the recent strikes have simply been forced on them by a small number of rascals and malcontents. The labor leader who falls into that category — and there seems to be many of them these days — is the worst enemy the honest worker has.

**Farmers Have Chance
To Salvage Timbers**

Owners of timbered areas or farm
woodlots in Michigan have a chance
to do something about the weather. That means the windstorm of
Nov. 11, 1940.

If woodlot owners suffered damage, now
is the time to salvage timber knocked
down in that storm, according to W. Ira Bull, extension forester at
Michigan State College. Thousands
of dollars worth of fallen timber is
involved.

This down timber should be sold or
used before spring. Forester Bull
says the fallen timber will decay rapidly if left in the woods next
summer.

Best grade of logs are worth
twice as much in saw lumber as
they are in firewood. High quality
can be obtained from white ash,
sugar maple, basswood, yellow pop-
lar, red oak and white oak. Timber
from these should be sold to
nearby sawmill operators, rather
than used as firewood.

Proper salvage and proper use of
this material can put thousands of
acres in pockets of Michigan far-
mers, according to the forester.

Mrs. Charles Freydi attended a
funeral last Tuesday in Foyerville.
She was accompanied by her par-
ents Mr. and Mrs. Bert Nelson.

Budapest String Quartet Will Give Concert Feb. 20, in Choral Series

Concert Artists

The Budapest String Quartet will be heard, Feb. 20, in the Choral Union Series, Hill Auditorium, Ann Arbor.

The Budapest String Quartet, made up of the following distinguished performers: Josef Rosenblum, first violin; Alexander Schneider, second violin; Boris Kroyt, viola; and Anuschka Schneider, violinist; will give the ninth concert in the Choral Union Concert Series at 8:30 p.m. Thursday, Feb. 20, in Hill Auditorium, Ann Arbor.

This distinguished group of ensemble players has made a distinct record of artistic achievement. Coming from Budapest, the unofficial center of quartet playing, they have brought to America the triumphs and laurels which they have won there over a period of years.

They will play the following program:

Quartet in A minor, Op. 51, No. 2, Brahms.

Quartet Movement in C minor, Schubert.

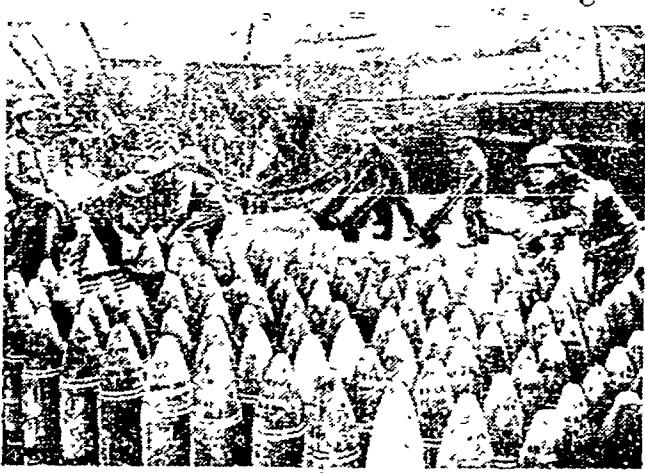

Italian Serenade, Wolf.

Quartet in C-sharp minor, Op. 131, Beethoven.

The tenth concert in the Choral Union Series will be given by Nathan Milstein on March 4. This distinguished violinist will take the place of Georges Enesco, previously announced, who is unable to come to this country on account of the war.

A committee meeting was held Monday evening in the high school to further the plans for the Hobby and Collectors show which will be held Feb. 27, in the Presbyterian church house.

The ninth and tenth graders are looking forward to attending Farmers' Week at Michigan State college in East Lansing next week.

Ninth Grade
A ninth grade skating party was held Friday, Jan. 24. Those who went had a good time even though they fell down a few times.

The semester tests are all over and practically everyone is satisfied with his marks. A few got higher than they expected.

In Science we are having Unit Six which is about the stars. In arithmetic we are studying per cent; in history we are studying the French Revolution; and in English we are writing outlines and stories.

Eighth Grade

Tuesday, Jan. 26, the eighth grade had a class meeting where it was decided that they would have a skating party.

Thursday, Jan. 30, the eighth grade, except Phyllis Lake, went skating from 3:15 to 6 p.m. After skating, the group returned to the school where they had supper.

Fifth and Sixth Grades

We are sorry to lose Ella Mae Baker of the sixth grade. She will move to Flint.

Bobby Barber visited our room Friday, Jan. 31.

The sixth graders are making salt boxes. They will be judged when completed.

We value the flag each morning. We have some very pretty milk cans on the wall.

The fifth grade made two books. "One" is on "Famous People" and the other on "Our State".

Third and Fourth Grades

Those on the honor roll of the third grade are: Mary Ann Barker, Dona Bryant, Lillian Hanson, Le Roy Holmes, Franklin Conrad, Frederick Bingham and Roy Smith.

Francis Stevens is a new member of the third grade. We are glad to welcome her.

Honor students in the fourth grade are: Margaret Marshall, John Beck, Bruce Wendland, Wanda G. C. Evans, Daniel Spruck and Fannie Moore.

Primary

The Susan room has been divided into two groups. A new one has been made for the beginners.

The second grade has been just given to a group of Evans and making Evans look like a first grader.

Mrs. Miller is supervising for us. Gordon and I am in charge of the work in the primary department.

Beginners

We are more settled in the new room. We like having a room of our own.

We are glad to have Charles R. with us again. He has been absent since Christmas vacation.

We have learned the poem "Hippity Hop to Bed."

We are reading from the book "We Look and See".

Cooking Club

The senior 4-U cooking club met at 3:45 p.m. Wednesday, Jan. 29.

After the roll had been taken the vice-president asked questions on etiquette and then we began the project. It was the preparation of a foamy omelet. Dorothy Stubbins and Jean Munro demonstrated.

Nelson Locke is visiting this week with his aunt, Mrs. Herbert Petersen of Findlay, O. The Petersens were weekend guests at the Locke home.

Meanwhile, Gordon and I are realizing that the strength in the British fleet in the Mediterranean is the key to victory. I've run over Italian bases and the destruction on the road to Sicily.

It was the success of these developments which began to change Roosevelt's mind about U.S. naval convoys for British shipping.

Note—No commitments have been given the British, and no policy has been definitely decided for convoying British ships. But advisors believe the President will adopt such a policy if permitted by Congress.

SURPRISED LITERATURE

Sensational feature of the forthcoming report of the Senate campaign fund investigating committee will be an exposé of scurrilous literature disseminated in last year's hectic presidential battle. A 300-page "scrapbook" of exhibits has been assembled by Alfred H. Busch, committee investigator, from all over the country.

While partisans of both candidates resorted to this type of literature, more than 80 per cent of Busch's collection is anti-Roosevelt. Also, of 466 typical exhibits, 362 are wholly anonymous or only vaguely identified.

The committee lists 135 such groups, of which 111 were pro-Roosevelt and 22 pro-Roosevelt. Only six of the 135 filed records of their contributions and expenditures with the Clerk of the House. This failure to report is a violation of the law and carries heavy penalties.

Dominant theme of the scurrilous literature is racial and religious prejudice. More than 80 per cent of the committee's exhibits are based on this, 10 per cent played up the issue, and 15 per cent leveled personal attacks on the candidates.

Note—Committee investigators are of the private opinion that not less than \$10,000,000 was spent for this material.

MERRY-GO-ROUND

Sam Pryor, ball-bearing-tongued national committee man from Connecticut, is pushing James-duck George Baldwin as successor to National Chairman Joe Martin. Some time ago Pryor had his own ambitions for the job, but was stopped dead by a blunt warning from mid-western leaders.

Franklin Field is a famous football ground; also the name of a road which urges more Good Neighbors through patriotic efforts.

THE NORTHLAKE RECORD

News of West Point Park

By MRS. WM. H. ZWahlen
The Rev. Gordon Cameron, who comes from the Central Presbyterian church in Detroit, and has been doing missionary work in the Folkert subdivision, announced Sunday that tentative plans he has been making for leasing a meeting place for those attending his services are about to be fulfilled. He expects to be in the newly acquired location about Feb. 16, and hopes to present a series of fine services. Further announcements will soon be made.

Members of the Ladies Community Club have been very busy lately putting in a quilt.

Members of the seventh and eighth grades of Pierson School enjoyed a very fine hayride Friday night. Refreshments were served at the Gohn residence.

Mrs. Ralph Voorhees is on the sick list.

Miss Susanne Gillespie, Gloria Cole, Barbara Hey, Yvonne Murie and Dolores Jean Aut are among the Pierson school girls who have lately been on the sick list.

James Eastman was the Sunday dinner guest of Mr. and Mrs. William H. Zwahlen.

A number of the West Point Park women who are interested in home arts met at the home of Mrs. Russell Cole, Seven Mile road, Tuesday afternoon, and held a discussion under the leadership of Miss Emma DuBord, field worker for the 4-H club.

A representative of the Gideons visited Pierson school this last week and placed a fine Bible in each room.

Mrs. Albert Nacker was taken to Mercy hospital in Pontiac, Friday, where she underwent an operation and is getting along as well as can be expected.

Mrs. Robert Wilson, Detroit, spent Wednesday with Mrs. Edwin Johnson.

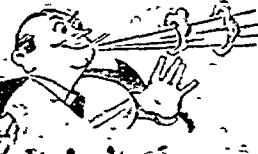

A group of women, representing the Community club from near the Throckmorton school of which Mrs. Edwin Johnson is principal, spent Thursday afternoon at the grotto.

Mrs. John Williams, 427 S. 11th and Ferndale road corner, was married Saturday. The ceremony took place in the Plymouth section.

Mrs. Lucille Gibbons, 1110 Royal Erikson, attended a car wash play at the home of Mrs. Judith Steele of Detroit, for the British Red Cross.

A CORRECTION
Inadvertently the rate of the school tax in the Novi district of No. 10, was given in error last week. The rate is \$1050 and \$50 was paid in the article. Our apologies.

Mrs. John Schumacher raised 220 healthy chickens from 225 chicks.

Less Care Needed

Before she got her electric brooder, Mrs. John Schumacher, Huron County, used to run back and forth to the brooder house many times a day to check the temperature and tend the brooder. Brooding was a big job and a great worry.

Now she looks at her chicks just four times a day, never worries about their safety, and has more time for other duties. Electric brooding saves time—money—chicks.

Healthier Chicks

Authorities agree that electric brooding produces healthier chicks. Temperature is evenly controlled. Chicks are free to exercise in the cold room when they want to. They develop faster and feather out better. Mortality is reduced to a minimum.

Out of 300 day-old chicks started in an electric brooder Feb. 6, 1940, on the Robert Dickie farm, Macomb County, only eight were lost.

Lower Brooding Cost

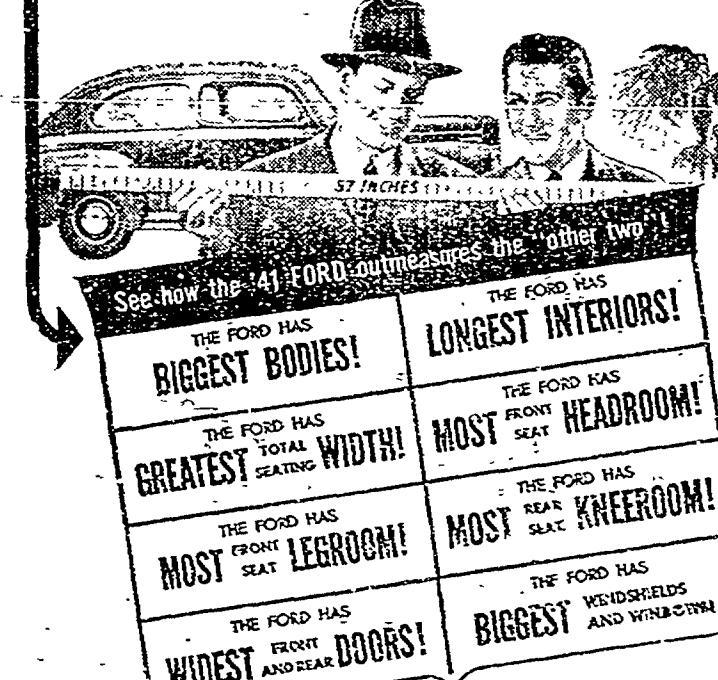

Farmers are surprised to find that electric brooding costs so much less than other methods. On the Albert Rocker farm, in Macomb County, electricity for brooding 396 chicks cost \$3.35 or less than 1¢ per chick.

Authorities agree that electric brooding produces healthier chicks. Temperature is evenly controlled. Chicks are free to exercise in the cold room when they want to. They develop faster and feather out better. Mortality is reduced to a minimum.

Valentine Dinner To Be Given Friday by Members of Northville Woman's Club

When members of the Northville Woman's Club observe their annual Valentine dinner, they'll entertain at a 6:30 o'clock dinner in the Presbyterian church house, using the entire church.

It was to be a quiet affair with Dr. George Hermann Derry, former president of Marygrove College, Detroit, being the guest speaker.

"Mystery of Money," Sound and Unsolved, is to be his topic.

The soloist of the evening will be the Rev. Guelford Cosselton of Grand Rapids, a nephew of Mrs. Burton M. Cosselton of this place.

Reservations for the dinner are to be made to Mrs. Norman F. Denne, Mrs. Henry A. Grunshaw or Mrs. M. C. Gundell.

THE NORTHVILLE RECORD

Base Line School
By Fifth Grade

We had our Citizenship club meeting Friday. Myron Whipple and Frances Polenski put up the calendar. New names added to our honor roll for doing their duties well are: Myrtle Laney, Robert Visnyak, Mary Visnyak, La Vera Mae Kreeger and Jimmy Whipple. The second graders made a pro-

ject in the sand table to show how the early Indians lived.

The Mothers' club held their meeting at the school Friday.

Some of the pupils are going to enter the bird house contest.

There are 11 children absent with the measles. One has just recovered from them.

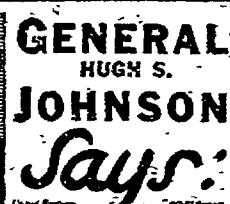

We have recently joined the "Junior Red Cross." The children earned their money at home for their contribution. Several children gave more than was asked.

The first graders are reading about Bob and Judy. They seem to enjoy it very much.

Four children are taking chocolate milk at noon from the dairy. Some others bring it from home.

We now eat our lunches at a table. It is much nicer than at our desks.

The Gideon Rural Bible Society gave a Bible to keep in our school.

GENERAL
HUGH S.
JOHNSON
Says...

Washington, D.C.

ROOSEVELT THE LEADER?

No matter how much you may disagree with him or how sincerely

you feel he has been mislead,

and is following it dangerous

to the very principles he is trying to uphold, you have to concede, that our third-term President is a great credit to our country in a troubled world.

Nobody could help being proud of General Pershing among the Allied

commanders of the World War. No foreign general approached him in

soldierly appearance and bearing.

None was his superior in determination or professional attainment.

None contributed more to Allied victory.

It made you glad that you

were ever an American to see him

in any contrast with soldiers of other nations.

For every good quality

of his is a characteristic of Ameri

can quality refined and brought to

a peak of excellence. He looked

American, talked American, and acted American.

All this was especially apparent

and must have been emphasized to

the whole world throughout the day

of his third inauguration. This Col

umn isn't going to go soft in its

debate, of what it thinks are Mr.

Roosevelt's dangerous errors in

these critical times, but there is

surely no aspect of that acknowledging a thrill of pride in the thought

that I am a citizen of the same

country of which he is President.

That it is in the face of a world so

dangerous, this country has a leader

of such commanding stature.

No matter what fate may have in

store for Mr. Roosevelt—and for us

—I trust that for good or ill, he will take his place in that com

pany as President of the United

States. I don't agree with him, but

he is a citizen of the United States

and deserves the country's respect.

Wild West Rodeo

Expert cowpunchers will compete at Phoenix, Ariz., on February 15 to 16 in a "world's championship rodeo." Cowboys are shown matching their skills against untamed animals in bone-crushing events of last year's contest. Other contests will be held throughout the West and are expected to draw great crowds.

News from Walled Lake

By C. E. RUTTER

An organization meeting of the Oakland County tourist association is scheduled for Feb. 13, at the Pontiac Chamber of Commerce. It was announced here last Tuesday at the Community Improvement Club meeting.

Representatives of the plan from Pontiac were present to outline the proposal to local business men. Ernest Crawford of Lake Orion, chairman of the organizing group, pointed out the advantages of concentration on the county's tourist business, which he said had been neglected thus far. He declared it could be made one of the county's chief assets, with an organized effort. Walled Lake men favored the project and expressed willingness to cooperate as far as possible.

Plans are under way by the seniors for their big event, Feb. 14, the date of their annual prom. Preliminary work on decorations is being done and coronations are安排 to make the dance the "biggest and best yet." Tickets are being handled by Richard Conant, William See, Harry Sperry and Charles Grunin.

The advertising committee, headed by Edward Flock, John Price, Jo Ellen Tietzel, Helen Richardson and Ralph Fleckenaur, decorations are in the hands of Ruth McLaughlin, Joy Marshall, Betty Bachelder, Charles Lewis and Vernon Jazek.

Refreshments will be served for by Millard Stueckle, Edith Westlake, Ethel Neils and William Anderson. Orchestra committee includes Rosemary Young, Margaret Smith, Mary Culbertson and Claude Garvey.

Mr. and Mrs. Ira Garvey left Thursday for St. Petersburg, Fla. Mr. and Mrs. M. G. Post planned to leave this Wednesday, although it may be delayed because of illness. They will be accompanied on their trip by Mr. and Mrs. Norman Vivier.

Testify in 'Leave-Lend' Bill No. 1776

Earnestness, sincerity and patriotism are revealed in these candid "shots" of four national figures as they testified on the "Leave-Lend" bill. They are: upper left, J.P. Morgan Jr., US Ambassador to Britain; lower left, Huon Johnson, columnist; upper right, Norman Thorpe, soon to be leader, and W.H. Knudsen, defense production chief.

London Firemen Douse Hitler's Fire Bombs

This photo, passed by British censor, shows a group of firemen wetting down burnt ruins after an inferno that raged all around St. Paul's cathedral, in London. In the distance the tower of St. Paul's can readily be seen. The fire was caused by incendiaries dropped by Hitler's "bombers," and for awhile threatened a huge section of London.

CAMP FIRE GIRLS

The Wochon and Loyangka Camp Fire girls were guests of Miss Ruth Pierce's group last Thursday. The diversion of the afternoon was a skating party held at the Fox pond.

Doris Widmayer, president of the Lorancan group, who has come to her home with illness for the past six weeks, is reported much better and will soon be able to take up her duties again. Dolores Blackett has been con-

tinued to her home with the measles. She will soon be back with her group.

The registered girls of all three groups are planning on a week end at Camp Wadsworth, Mar. 29 and 30. The fee for the week end is \$1.50 with 25 cents of this payable at time of registration. As the facilities for winter camping are limited, the first 28 to register will be the lucky ones. Mrs. Donald Ward and Miss Pierce will chaperone the groups while in camp.

Junior High Notes

Howard Williamson has returned to school after several weeks of illness. Congratulations to Mae Hennic for the best report card in the eighth grade.

We're all glad examinations are over, and we're all going to try to get good marks when next examination day rolls around.

The first edition of the paper, "The Junior Record," came out this week under the editorship of Marlene McKeague. There is a staff of reporters from the seventh and eighth grade, consisting of Harold Dayton, June Bailey, Jane Ann Fanning, Dorothy Leavenworth, Ted Baldwin, Dorothy Fred, Phyllis Dickerson and Pauline Rogers.

THE ORANGE AND BLACK

Edited by the Journalism Class of Northville High School

EDITORIALS

The hour hand on the clock of the school year has arrived at the top of the business world point marked the end of first semester. The new semester introduces several changes in the school curriculum.

"A sumptuous honor" is as much as Miss Ida Palmer will be able to mark cards for her students who have had poor attendance during the past honor roll printed at the present semester. In doing this it is hoped we all miss our teachers who are trying to encourage students to strive for promptness. If a person is continually arriving late or not at all, it will be much harder for him to

form the opposite habit when he returns to school.

In a hard-fought battle between two traditional rivals, the Plymouth team came out on top Friday, with a score of 37-33.

"Trailing at the half, 23-13, the Northville Varsity found itself to score 20 points in the second half,

but failed to overcome the lead that their opponents held throughout the game.

The defeat was due to the high nervous tension of the boys, but the game was by all means not a one-sided match, because both teams were fighting valiantly even though only three baskets were made.

It would have satisfied the people attending to have a good time. Looking around we saw quite a few members of the alumni of N. H. S. students, and last but not least quite a few representatives of our friendly sports enemy from Plymouth. The music was supplied by the Blue Baron who gave out with both swing and sweet rhythm.

Tryouts for the senior play, which will be given April 3 and 4, will take place as soon as the books come from where we hear there will be a variety of parts: dramatic, comedy, and straight roles. So come on all you seniors here's your chance to show that you can act.

There are three new subjects being taught this semester that are taking the place of first semester subjects. They are: solid geometry replacing algebra, economics replacing American Government and business law replacing sociology.

Summary of first team game: Northville G F Holton 3 2 Hinske 2 4 Funk 2 1 Borden 2 1 McArthur 2 1 Eaton 1 0 Judd 0 0 Hunter 0 0 McClellan 0 0 Schools 12 3 33

Plymouth G F Wilke 5 0 Gorton 4 3 Holman 4 0 Johnson 2 1 Baker 2 6 Olds 0 0 Hunter 0 0 Schools 17 3 37

The second team was defeated by a score of 37-7.

The record team lineup included Houghton and Hibbitt, forward; Sison and Kiehard, guards; and White, center.

Grade Notes

Twelve pupils have returned to

Miss Selma Jarvis' first grade after having measles. The children have started to read in their primers.

The fairy section of Miss Nora Wilson's second grade finished reading about Eskimos. The class has made an Eskimo poster.

Robert From and Geraldine Shaeffer have added their names to the Dental Honor Roll. Marilyn Kuse has been neither absent nor tardy the first semester. Mrs. Vernon Pilgrim was a club visitor at the last meeting. Mrs. Arthur Wilde, Mrs. Rogers, Mrs. Karschek and Mrs. Malone have also visited our room recently.

The fourth graders in Miss Margaret Carpenter's room have finished reading the "Elson Gray" reader and are starting on "New Tales." They are finding all the pictures they can about Washington and Lincoln to put on the bulletin board. In art class they have started to make valentines. Freda Weisner brought a box which the class will decorate for their party.

In Miss Pearl Hirsch's fourth

grade all pupils are missing and most of the third graders.

They are studying about Lincoln.

They have finished making health posters. Muriel Uri is a new pupil in the fourth grade.

Miss Beulah Miller's first grade

had two birthday parties last week.

On Monday, Bobby Dayton had ice cream, cake and candy for the group.

On Wednesday, Iva Lou and her mother, Mrs. Kahr, entertained the class with a party on her seventh birthday. Individual cakes with candies and ice cream were served. They had large balloons to add to the fun.

ATTENDANCE HONOR ROLL

(No Absence nor Tardiness)

Seventh grade - Betty Heintz, Florence McCluskie, Pauline Rogers and Charles Stanford.

Eighth grade - David Amerman, James Howorth, Evelyn Boyd, Robert Myers, Betty Snow, Joanne Montgomery, Joanne Kitchen, Mac Heintz and Norma Harlett.

Ninth grade - Thomas Houghton, Sally Poosta and Donald Stevens.

Tenth grade - Robert Hoback, Joyce Matthes, Gerald Miller, Norman Hickok, Bill Johnson, Phillips Knight, Dorothy Orr, Wallace Reid, Dorothy Small and Walter Steiner.

Eleventh grade - Edythe Amerman, Maxine Cox, Janice Corr, Julia Polta, Mary Louise Stewart, Dorothy Van Valkenburg, Jean Vroman, Carter Church, Robert McClellan, Earl Sessions, Leo Rohr and Maxine Lemon.

Twelfth grade - Lorette Nagel.

IN search for impressive size, cars have been getting longer every year.

Bumper has retreated from bumper until there's hardly room left in the family garage for the lawn mower and the good wife's gardening basket.

Does that mean you'll have to build a new garage to enjoy a big car's glories? Not now!

For there are four new Buicks on the market--additions to our 1941 SPECIAL series--that let you indulge your big-car tastes in spite of 1929-car-size garages.

*Optional on the Buick Special; standard on all other series.

Senior Sketches

Birds of a feather flock together! "Al" and James Funke was born in May, 1910 -- May 20, 1940, to be exact -- and he and Marilyn flock together. Jim was born in Detroit, went to grade school at St. Thomas, and then moved to Northville. He has traveled to Chicago, Niagara Falls, and Canada, but has hopes of visiting California, Florida, and New York some day.

Jim's hobbies tend to the athletic side of life -- ice skating, hunting and fishing, baseball, basketball and football. The latter sport, football, brought him high honors this season for his school and team.

Besides being high-point man, Jim proudly boasts to be one of the only two four-letter men -- pardon me -- boys.

If you don't find Jim around in "The Big A" in Griswold, you most likely find him in Plymouth as a showman.

His main ambition so we hear is to ... well, stay around in 1945 and see for yourself.

His most important highlight in 1941 will be graduation, and his knees will be on the stage shaking with the rest of us.

Seniors Pick Annual Play

"Valley of Ghosts" to Be Directed by Lee for April Presentation

A week ago Marilyn Cavell, Jane Ruth Frank and Douglas McClellan, members of the Senior Play Committee, accompanied by Leslie G. Lee took a trip to Ann Arbor for the purpose of reading plays. The committee did not find any plays suitable for producing but selected the play, "Valley of Ghosts," a mystery. This play has been produced in Northville before with excellent results so the committee thought a repeat performance would be equally successful.

The seniors will present "Valley of Ghosts" on April 3 and 4.

At a meeting of the Board of Directors of the Pontiac Production Credit Association held Thursday, Jan. 23, Albert Lantzman of Washington, D. C., was re-elected to serve as President of the Association for the ensuing year. Smith Green of Walled Lake, was elected to serve as vice-president. Fred J. Beckman of Charleston, as secretary-treasurer and Mrs. Mary E. Hess of Pontiac, assistant secretary-treasurer.
