

For Over 70 Years—Friend, Companion and Kindly Counselor

The Northville Record

Volume 71, Number 6

Northville, Michigan, Friday, July 26, 1941

\$1.50 PER YEAR IN ADVANCE

Lansing -- J. Lee Barrett, Detroit's convention go-getter and Southeastern Michigan tourist association executive, tells this story:

A month or so ago he was appointed by Governor Murray D. Van Wagoner to be vice-chairman of a historical festival to be held next Friday, Saturday, and Sunday at Mackinac Island with Indians living in tepees along the beaches.

Now J. L. B., takes his responsibilities seriously. And when a clubwoman visited his office last week and inquired solicitously for the "low-down" as to what the festival "was all about," the tall statey Mr. Barrett closed the office door and replied in a confidential low voice:

"This fact hasn't been announced yet but the truth of the matter is that Governor Van Wagoner is getting weary of things in general and has decided to give the state back to the Indians."

All of which merely illustrates, if any moral is needed, that we Americans haven't lost our sense of humor. "Yoo-hoo" may yet save the nation!

An Asset to Defense

In the course of our occasional travels about Michigan we have been deeply impressed, time and again, with two things: (1) Michigan's varied resources such as copper, iron, salt, oil, gas, coal and timber, all vital to our present national defense; (2) Michigan's tremendous recreational resources.

All of us recognize, as a matter of course, the urgent need of copper and iron and other products to our present re-armament effort.

But a good case might be made that many of us do not appreciate sufficiently the importance of recreation and relaxation to defense.

Hunting and Fishing

At the recent convention of the American Medical Association, Dr. Edgar V. Allen, Chief of the medical section of the Mayo Clinic, warned industrial managers and workers of inefficiency due to nervousness and physical strain. A paraphrased condensation of Dr. Allen's suggestion follows:

"At temperately, but occasionally, and definitely, far from the diet and climate, take smoking, Develop a hobby—digging a dahlia bed or anything that affords relaxation."

"By hunting and fishing as a diversion play golf, but for recreation and not for low score. Stay in bed in the morning. Organize work regular as possible on a five-day week and eight-hour day. Seek spiritual stimulation."

Most Favored State

And so, while we realize soberly the pressing call for more tanks, more air tanks and more guns, we can well remain smuggers that Michigan should figure in year-round type of thousands of lakes and its many parks and forests if it is to attain maximum potentialities as an arsenal of democracy.

Michigan is the most favored state in the north temperate zone. Its climate is thoroughly air-conditioned and thermostatically controlled by the waters of the Great Lakes—Lake Huron, Superior and Michigan. Every school child knows that the air is about four times warmer than themselves and also warmer than themselves and also warm colder winds.

Our growing season for feed crops is from about April 20 to October 22, longer and more moderate than that in the average northern state.

3,177 Miles of Coast

Our coast line is 3,177 miles long, an astounding fact in itself.

The Au Sable, naturally famous as a trout stream, has a drop of 64 feet.

Rivers of the Upper Peninsula tumble boisterously over many scenic waterfalls in their wild haste to reach the lakes.

The Pictured Rocks mountain area, Ontonagon and Ironwood, contain the largest tract of virgin hard-forest remaining in the United States. (And do you know that House Bill 1993 and Senate Bill 1121 at Washington would preserve this forest under government ownership and would assure logging on a selective, sustained yield basis?)

When the last glacial retreat occurred some 10,000 to 35,000 years ago (so the geologists insist), the ice sheets left us with more than 5,000 lakes. Most of these lakes possess sand beaches, an incidental matter that has been worth millions of dollars to Michigan.

The Keweenaw peninsula, north of Houghton, is a volcanic formation. Scattered remnants of Archean rock, the oldest earth rocks known, have been found in the upper peninsula.

Forest Wonders

A tree is a tree, but this was news to us.

In all of Europe there are only 80 species of trees: Michigan has 85 species indigenous to Michigan soil. Michigan's forest, shrub and herbal growth has been called the greatest of its kind in the entire temperate zone.

Wild flowers grow here in great profusion.

More widely known are these and hunting facts: More than 500,000 persons are licensed to fish in Michigan annually; we lead the nation in number of hunting licenses, the annual bag of deer above being about 40,000.

Bear are fairly numerous in both

Silver Anniversary To Be Celebrated at Horse Show

Harry B. Clark Is President Since Inception; Committees Are Appointed for Fall Ring Events

Four-Day Show

It's the silver anniversary edition that has members of the Northville Horse Show coming already at 12:30 to make the Sept. 11-14 ring events surpass the shows of previous years.

At this time, too, 20 band letters will be given out to the junior and seniors who have had two years' of band work and to the out-of-school members of the organization.

Leslie G. Lee, band director, wants to meet all beginning instrumentalists who are not yet in the group at 10 a.m. Tuesday, July 29 in Room 4 of the high school. Time for lessons will be arranged.

Photo by Wood Herbert E. Cox, Manager

New Materials Are Received by Red Cross

75 Garments Sent to Headquarters from Local Unit during June

Knitting supplies and materials for sewing garments were received this week for distribution by the local unit of the Red Cross.

These materials may be obtained from 1:30 to 4 p.m. each Thursday in the Red Cross headquarters in the Methodist church.

The knitting group is to be used for the new quota of socks, mufflers, women's and children's sweaters and three-piece toddlers' outfit.

There is also yarn for crocheting shawls.

Garments which are to be sewn include women's dresses and skirts, boys' shorts, toddlers' rompers and hospital gowns.

If there are enough volunteer workers who will respond to this call, we will set aside one day a week for working in the Methodist church, claims Mrs. Eber Ward Lester, chairman of the local unit.

At the present time there are two machines in the Forney Coal office beneath the Northville Hardware Store. Persons who have any time to spare are asked to go there.

Committees Listed

Committee assignments have been made, placing Harrison Johnson of Farmington, in charge of styling.

The trophy committee is headed by Russell Walker, who has the assistance of Mrs. Harry W. Nichols, Mrs. Grace De Ratt, C. St. John, Mr. and Mrs. Walter Davison, Emily Otten, all of Detroit, Mr. and Mrs. Harry Mack of Plymouth, Mr. and Mrs. Charles Newark of Dearborn, Mr. and Mrs. Harrison Johnson of Farmington, Mrs. Russell Walker, Mrs. Harry G. Marburger, Mr. and Mrs. Dick T. Stevens, Mr. and Mrs. Harry B. Clark, Mr. and Mrs. Robert Hayes, Mrs. John C. Hettche, Mrs. Brown and Mr. and Mrs. George Garner of Northville.

Mr. Clark, chairman of the ring and grounds working with him are Mr. Newark, Mr. Johnson and Mr. Stevens.

Mrs. Garner Is Chairman

Mrs. Garner heads the program and prize list committee. Mr. Walker and Mr. Garner are her assistants.

It's up to Mr. Walker to make the selection of judge with the aid of Ms. Sturtevant and Mr. Clark.

Bakken Works on Advertising

Mr. Dawson is chairman of the advertising committee. His co-workers are Mr. Atwell, Mr. Newell, Mr. Ober, Mr. Nelson of Plymouth, Mr. Da Ratt, Mrs. Brown Mrs. Nichols, Mrs. Steens, George Harrison and Mr. Garner.

The committee in charge of boxes includes Mrs. Carter, chairman, Mrs. Clark, Mrs. Marburger, Mrs. Newark, Mrs. Steens, Mr. Da Ratt, Mrs. Mack, Mrs. Walker, Mrs. Johnson, Mrs. Hettche, Mr. Scarie and Mr. Otten.

The planning of entertainment for the exhibitors will be up to Mrs. Brown, who will be aided by the women members of the committee at large. Mrs. Hettche is chairman of the trophy presentation committee.

Mr. Stevens, commander of the local Post, said today that the aluminum gathered here would be sent for storage in the Wayne County Road Commissioners' headquarters, awaiting shipment orders from the national office.

Making the calls at the homes of Northville are the Boy Scouts of Troops 1, 6, 7 and the Cub Scouts.

The committee members of the drive are: Fred Wenker, Fred Steiner, Howard I. Atwood, Harold Church, the Rev. Dr. Howard R. Chapman, Harold Palmer, Francis Wilkinson, Richard Loons, Robert Powel, Fred Johnson, N. C. Schrader, donated the fare for the car and the Novels Lumber company.

The planning of the activities to be held in the community center is the responsibility of the Boy Scouts of Troops 1, 6, 7 and the Cub Scouts.

SLEEP LIKE A PRINCE

In a house cooled for 5c a night!

If you have ever tossed and turned in a hot, stuffy bedroom until four o'clock in the morning, trying in vain to sleep, you will be thankful for a discovery that brings the cool outdoors right into your room—making it refreshingly comfortable. You will be doubly thankful when you find that this method of cooling your entire house costs only about 1c an hour!

So effective is this type of cooling, lowering the temp. from a mere 7 to 14 degrees in the evening, during the outdoor temperature, that you will believe you can accomplish it with no more than a giant fan in the attic. Do not confuse this fan with an ordinary fan, however; it is a special type of fan—very large—and its quiet, powerful blades are capable of producing a complete change of air in your house every few minutes. Prices vary from \$50 up (installation extra).

The principle on which it operates is simple. The electric fan draws the warm air in your rooms upward to the attic and discharges it out-of-doors. At the same time, a flood of cool night air is pulled in through the windows and gently circulated through the house—making the rooms delightfully comfortable and assuring long hours of restful sleep.

Department stores, electrical dealers, and fan dealers will gladly give you full information about this low-cost method of house cooling. Telephone today. The Detroit Edison Company. (We do not sell or install this equipment.)

News from Walled Lake

By CHARLES E. HUTTON

"Never a dull moment" has proved literally true in the life of Bettie Bachelor, of Walled Lake, the petite winner of the Michigan Inland Lakes bathing beauty contest held recently at Lake Orion.

Since her graduation from Walled Lake high school in June, the life of Bettie has been a continual round of pleasure and excitement, and the crowning moment of it all will be come a literal fact July 26, when she will be crowned "Queen of the Inland Lakes," and will reign over the annual Michigan Inland Lakes festival at Lake Orion, until its conclusion, July 27.

Things started happening for Bettie a few days after school closed, when she accompanied others of her senior graduating class on a trip to Washington and other eastern cities.

"The senior trip was a big moment in my life," related Bettie. "It was grand to see so many wonderful things. I could hardly imagine anything more exciting. I, of course, had no idea of what was in store for me after getting back here."

Bettie was asked to represent Walled Lake in the Inland Lakes contest by the Walled Lake Community Welfare club, in whose annual "Moonlight Festival" she had been a bathing beauty contestant in past seasons.

Mr. and Mrs. William Bachelor, of East Shore Beach, are justly proud of their "Queen" and their equally attractive 14-year-old daughter, Shirley.

"Both girls are full-fledged Oakland County natures," said Mrs. Bachelor, as she mentioned some of the less glamorous aspects that needs must prevail, even in the life of royalty.

Bettie was born in Pontiac. Mrs. Bachelor continued. "We came here when she was five years old. Her

entire schooling has been received here."

A leader in school activities, Bettie's student interests have been many and varied. She was president of her junior high school class, and was popular in dramatics and athletics. She played on the varsity girls' basketball team three years, was school news editor of the school paper, and was drum major for the high school band. The band, incidentally, will appear at the festival Saturday in her honor.

"She is handy with a needle and thread, too," revealed Mrs. Bachelor. "She has sewed and made many of her own clothes."

Bettie plans to attend a business school in the fall, where she will study comptometry and clerical work. She has already had training in typing and shorthand.

"It has been a grand experience to meet so many prominent people. We have been given a royal reception wherever we have been."

Among her many valued possessions are a complete, going-away outfit which she has worn during her royal visiting tours; and costumes given her for the coronation on Saturday. At the State capitol Auditor General Vernon Brown presented each of the girls with a fine photograph of the capitol building, while Secretary of State Harry J. Kelly gave them each a valuable print of the Constitution of the United States. Another gift prized by the family is a beautiful photographic portrait study by Gunnar George, of Pontiac.

The village of Walled Lake will declare Saturday as "Bette Bachelor Day" and a large delegation of home folk is planning to attend the ceremonies in her honor at Lake Orion.

Walled Lake Day at Put-in-Bay—the annual community outing established three years ago—is scheduled to take place again Aug. 19, according to J. L. Taylor, chairman of arrangements. People of the community are invited to make the trip and are urged to notify either Mr. Taylor or Robert Miles, for reservations. Danner will put such basket-style. The event is sponsored by the Community Diner Club.

The postponed date of the Walled

Lake day at Briggs stadium is Aug. 20. A group of nearly 80 were disappointed on the original date of July 16, when the ball game was rained out.

Funeral service for Mrs. Ida Luthis was held Friday afternoon at her Walled Lake home. Mr. South Lake drive, Mrs. Luthis' widow, the late Henry J. Luthis, former Detroit jeweler, died Wednesday morning July 16, at Henry Ford hospital at the age of 82, after a year's illness. Burial was at Grand lawn cemetery.

Mrs. Luthis was born near Cedar Rapids, the daughter of Herman and Anna Brandes but had lived in Detroit from her early childhood. She had lived at Walled Lake since Mr. Luthis' retirement from business in 1929. She was actively interested in the Detroit Salvation Army auxiliary, being a member of the Brownie sewing committee.

She is survived by her daughter, Edna G. Lutts of Walled Lake and Detroit.

We have been given a royal reception wherever we have been."

Among her many valued possessions are a complete, going-away outfit which she has worn during her royal visiting tours; and costumes given her for the coronation on Saturday. At the State capitol Auditor General Vernon Brown presented each of the girls with a fine photograph of the capitol building, while Secretary of State Harry J. Kelly gave them each a valuable print of the Constitution of the United States. Another gift prized by the family is a beautiful photographic portrait study by Gunnar George, of Pontiac.

Hanson-Bramer Marriage Vows Are Pledged Saturday in Afternoon Church Ceremony

The Salem Evangelical Reformed finger-tip veil and carried a bou-
church of Farmington; was the bouquet of white roses
July 19, at three o'clock Saturday. Her only attendant was her sis-
ter Madeline, who wore a flock of
yellow marquise. She carried a
daughter of Mr. and Mrs. Henry
Bramer of Novi and William A.
Hanson son of Mr. and Mrs. Wil-
liam E. Hanson of Novi.

Preceding the ceremony, Miss
Louise Beegan sang "I Love You
Truly." The Rev. C. S. Schultz officiated at the rites which were held
at the flower flanked altar. Mr. Bramer wore a black and
white ensemble accented with a
rose corsage. Mrs. Hanson was in
blue. Her corsage was made of pink
and white carnations.

The bride was given in marriage
by her father. She wore a white
gown styled with a lace bodice and
full marquise skirt. She wore a

sor left immediately for a trip to
Niagara Falls. They are now at
home to their friends in Novi.

Both Mr. and Mrs. Hanson are
graduates of the Northville high
school. Mr. Hanson being graduated
with the Class of 1939 and Mrs.
Hanson with the Class of 1938.

Mr. Hanson works for the Kelsey
Hove company, Plymouth.

Calendar

July 25—W. H. C. Picnic meet at
11 a.m. at the home of Mrs. Hen-
ry Desatals, 178 East Dunlap.

Winona Club luncheon at 1 p.m.
in Cass-Benton Park, near the

walks.

Zongker's Teahouse Wedding Anniversary

The silver wedding anniversary
of Mr. and Mrs. Wayne W. Zong-
ker of Plymouth road was cele-
brated Sunday, July 13.

An informal gathering at the
Zongker home marked the event
with the guests being invited al-
most entirely to relatives from Bat-
tle Creek, Coldwater, Plymouth,
Kalamazoo, Detroit and Northville.

The Zongkers exchanged their
marriage vows 23 years ago in De-
troit. For many years Mr. Zong-
ker was associated with the D.G.R.
At the present time he is employ-
ed at the Maybury sanatorium.
Since 1938 the Zongkers have lived
in Northville. They have one
daughter, Mabel.

Mrs. Maleske is a graduate of the
Dinner Party

Mr. and Mrs. Do W. Hahn were
host Saturday evening at their

home for a dinner party.

There were places for Mr. and
Mrs. Harry F. Waggoner, Mr.
and Mrs. Harold Bloom and Mr.
and Mrs. George Stoeber.

It is much easier to be critical than to be correct—Diseas

** * * * *

Zoning Is Important

A few weeks ago Northville provided for zoning of the village. The information spread far and wide as proper indication of alertness on the part of the city fathers. Down Trenton way the action was given large publicity and Northville pointed to as an up and coming community. Then kerplunk, something went wrong and a really excellent opportunity was apparently mussed. But some day it will happen again and Northville will protect its residents from encroachment upon residential valuations.

Every community of moderate to large size needs a zoning ordinance as an aid in establishing real estate values and property taxes.

Zoning is a new wrinkle in city planning which has appeared in the past quarter of a century. Each section of a city is placed in a separate zone—residence, apartment house, commercial, and industrial—depending on the predominant character and use of the buildings. Each zone is thus protected from the encroachments of the other zones.

Zoning has the same effect as keeping a garden free of weeds. Such weeds as beer taverns and the like are kept out of residence sections.

Here's the connection between zoning and holding down taxes. When a home-owner wakes up some morning to find a combination beer tavern and dance hall going up outside his living-room window, the value of his and his neighbors' homes goes down kerplunk! A few more taverns and there's a general slump in the market and assessed values of realty. To produce the same amount of money for public services, tax rates are forced up. That's why zoning is essential in helping to stabilize property values and tax rates. Zoning is in very successful operation in hundreds of cities, but there are many growing communities that are in peril if zoning is not substituted.

The average citizen hasn't time to march around a city, classifying building to determine zones. The city fathers can employ some one of their reputable engineers which make a specialty of preparing zoning ordinances. The ordinance is then adopted by the council. Zoning is as much a necessary part of city government as the city hall itself.

Roll Out the Barrel

Are you saving up—or putting aside—some money to pay your 1941 taxes, to be collected in 1942? No! Well, that's your affair. For eleven years, the federal government has been piling up armed deficits. It may not be comforting to consider the various amounts or the totals. Yet, these deficits are first mortgages on you and I and every citizen of these United States.

It is a mortgage on the food and clothing of the poor.

It is a lien upon the wages of the working people.

It dips into the income of the widows and the aged.

It threatens the margin of profit in business and industry—and thereby threatens the jobs of thousands of workers.

Without hysteria let's look at the red-ink record of the government of the United States for the past sixteen years. For quick consideration we will give the amount of the annual deficits in billions. Remember, this does not indicate what has been spent—merely what has been spent in excess of what was collected.

1931	\$ 500,000,000
1932	2,500,000,000
1933	1,500,000,000
1934	2,900,000,000
1935	3,200,000,000
1936	4,600,000,000
1937	3,100,000,000
1938	1,400,000,000
1939	4,000,000,000
1940	3,600,000,000
1941	5,000,000,000
Total	\$33,200,000,000

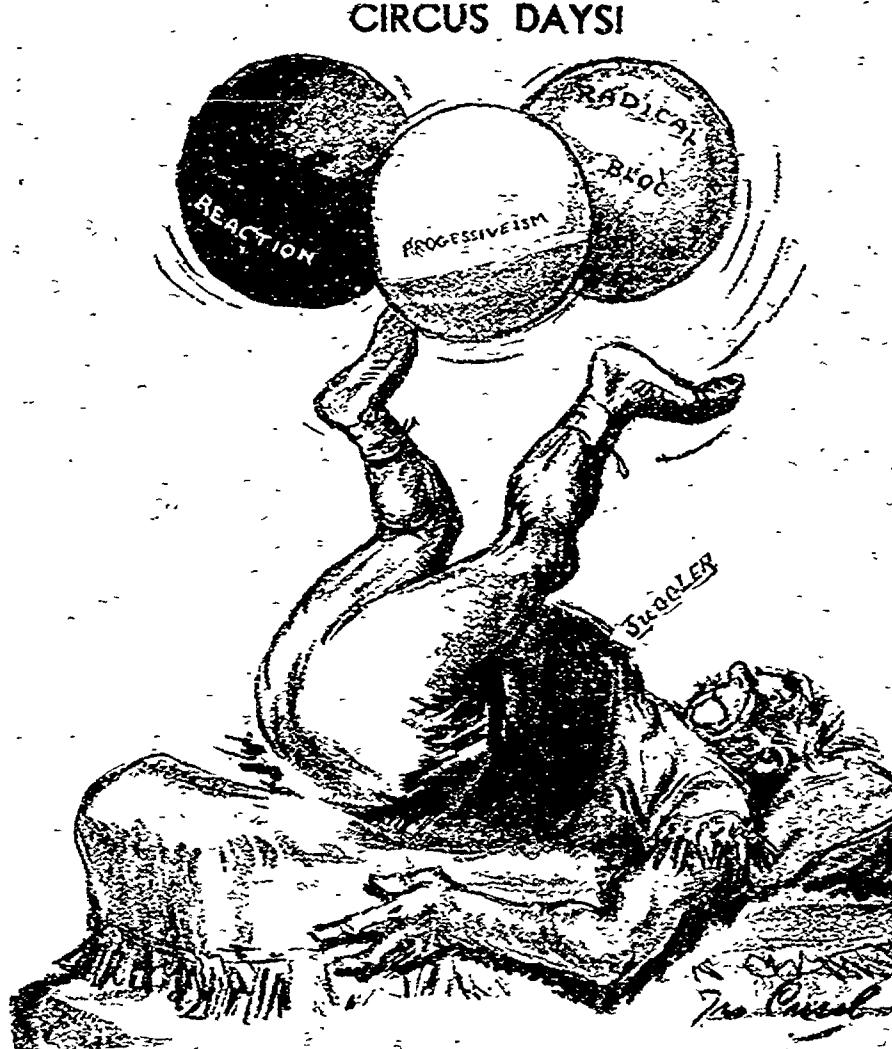

It is estimated that the deficit—the red ink—for the year ending July 1 (1942) will be \$11,000,000,000. Likely it will be greater.

No one in Washington—much less at home—seems to approximate what will be spent in defense. If we enter a "shooting war," and the sentiment of the people changes from present lethargy to beligerence, further fantastic amounts may be spent.

Perhaps this is not the time to count the cost. Maybe this is a time to consider only the threat to our liberties and our way of life. Even this last does not seem to concern many local people. We are still worrying more about our everyday affairs than we are our national existence. When will the awakening come?

It is long overdue.

The figures above represent barrels of red ink. Some day these debts will have to paid—or repudiated.

NORTHVILLE'S YESTERDAYS

One Year Ago

Giving the Amaco players for the first time a team of their own, the Cyclones team dropped the 1939 season afternoons in the Boston Park 8-6.

Attendance was made today of the graduation of the 1939 class and graduation of E.

L. Senter and Harold Bloch.

Wednesday, the 19th, the 1939 class of the University High School graduated.

On Saturday, the 22nd, the 1939 class of the College of the City Anti-

Atomium was held until 11 p.m.

On Sunday, the 23rd, the 1939 class of the University High School

graduated.

On Monday, the 24th, the 1939 class of the University High School

graduated.

On Tuesday, the 25th, the 1939 class of the University High School

graduated.

On Wednesday, the 26th, the 1939 class of the University High School

graduated.

On Thursday, the 27th, the 1939 class of the University High School

graduated.

On Friday, the 28th, the 1939 class of the University High School

graduated.

On Saturday, the 29th, the 1939 class of the University High School

graduated.

On Sunday, the 30th, the 1939 class of the University High School

graduated.

On Monday, the 31st, the 1939 class of the University High School

graduated.

On Tuesday, the 1st, the 1939 class of the University High School

graduated.

On Wednesday, the 2nd, the 1939 class of the University High School

graduated.

On Thursday, the 3rd, the 1939 class of the University High School

graduated.

On Friday, the 4th, the 1939 class of the University High School

graduated.

On Saturday, the 5th, the 1939 class of the University High School

graduated.

On Sunday, the 6th, the 1939 class of the University High School

graduated.

On Monday, the 7th, the 1939 class of the University High School

graduated.

On Tuesday, the 8th, the 1939 class of the University High School

graduated.

On Wednesday, the 9th, the 1939 class of the University High School

graduated.

On Thursday, the 10th, the 1939 class of the University High School

graduated.

On Friday, the 11th, the 1939 class of the University High School

graduated.

On Saturday, the 12th, the 1939 class of the University High School

graduated.

On Sunday, the 13th, the 1939 class of the University High School

graduated.

On Monday, the 14th, the 1939 class of the University High School

graduated.

On Tuesday, the 15th, the 1939 class of the University High School

graduated.

On Wednesday, the 16th, the 1939 class of the University High School

graduated.

On Thursday, the 17th, the 1939 class of the University High School

graduated.

On Friday, the 18th, the 1939 class of the University High School

graduated.

On Saturday, the 19th, the 1939 class of the University High School

graduated.

On Sunday, the 20th, the 1939 class of the University High School

graduated.

On Monday, the 21st, the 1939 class of the University High School

graduated.

On Tuesday, the 22nd, the 1939 class of the University High School

graduated.

On Wednesday, the 23rd, the 1939 class of the University High School

graduated.

On Thursday, the 24th, the 1939 class of the University High School

graduated.

On Friday, the 25th, the 1939 class of the University High School

graduated.

On Saturday, the 26th, the 1939 class of the University High School

graduated.

On Sunday, the 27th, the 1939 class of the University High School

graduated.

On Monday, the 28th, the 1939 class of the University High School

graduated.

On Tuesday, the 29th, the 1939 class of the University High School

graduated.

On Wednesday, the 30th, the 1939 class of the University High School

graduated.

Mich. Mirror

(Continued from front page) the Upper Peninsula and in the northern sections of the Lower Peninsula tell that to your out-state guests.

Indian Lore

It may be "old stuff" also to you, but maybe news to your guests that Star Fellow's "Hiawatha" was based on the habits, customs and songs of the Chippewa who dwelt in Michigan.

Thousands of copper hammers have been found in and about primitive copper mining pits in the Upper Peninsula, proof that the Indians utilized this metal centuries ago.

Descendants of these same Indian tribes live today in Michigan.

According to the United States Commissioner of Indian Affairs, there were 4,500 Indians in the state for the year ending June 30, 1939. Collectively they own some 15,000 acres of land.

Michigan Indians were transformed from an agricultural to a nomadic hunting people by the European demand for furs. This fact made the Indians on the first census all on the second nation.

Mr. and Mrs. Stan Fortenberry and son, Narval of Washington, D. C. are visiting in Rosedale Gardens of Northville. When there, they are the guests of Mr. Northrop's parents.

John Jacob Astor founded the American Fur Company with headquarters on Mackinac Island. The original building is there today.

These facts, a new out-of-hundreds, may present a new light on Michigan's recreational resources which you will find everywhere.

As a patriotic remembrance, we present the Michigan official motto:

If you seek a delightful peninsula, look about you!

LOCAL NEWS

Monday evening dinner guests of Mr. and Mrs. Samuel Geraci were Mr. and Mrs. Thomas Morti and daughters, Pauline, Geraldine and Eula of Brooklyn, N. Y. The occasion was the tenth wedding anniversary of Mr. and Mrs. Monti.

In the racing meet which ends next week in Davidson, a number of horses trained at the Northville track are entered. George Van Sickle is there with Oscar Matt's and Fred Schrader's horses. Lou Butler's and Jack Ridley's horses are also there.

An ordinance for zoning Northville was presented Monday evening at the council meeting. It was prepared with authority given by the commissioners to Austin Van Hove, village attorney. Councilmen will study the ordinance with the view of adapting it to meet the village needs.

Willie Turlesa led the course record Wednesday night at Meadowbrook with 65 for 18 holes. This record is held by Tommy Sheehan and Tom Oakhill Hills Pro, Al Watson.

Willie broke the course record for the 1st nine holes with a 20. He made five birdies on the first nine and one on the second nine.

Mr. and Mrs. Stan Fortenberry and son, Narval of Washington, D. C. are visiting in Rosedale Gardens of Northville. When there, they are the guests of Mr. Northrop's parents.

Thursday, July 24, Michael celebrated his first birthday Anniversary.

The Veterans' Relief Corps will have a picnic today at the home of Mrs. Robert Thompson in Walled Lake. The members are to meet at 11 a.m. at the home of Mrs. Henry Desautels, 118 East Dunlap.

A potluck dinner will be served at the Thompson cottage at 12:30 o'clock.

Al Vreeland has received word that Capt. Frank F. Durang, 22, of West Hollywood, was killed when the plane he was flying crashed into a farm field at Watson, Ga. Funeral rites and military burial ceremonies were held for him Monday July 21. Mr. Durang was known here having visited with Mr. Vreeland a year ago last December.

Hendus Shoe store is allowing \$1.00 off on certain styles of shoes for aluminum brought to the store this weekend. Better check the advertisement this week. Mr. Hendus suggests you save a dollar on a pair of shoes by bringing an aluminum piece to the store and then buy defense stamp, with your savings. The aluminum will be turned over to the local drive committee.

The members of the Women's Society of Christian Service held a picnic Tuesday, July 22, in Cox Burton Park, Dearborn. Pot-lucky luncheon was held. A visitor, who is a member of the group, Mrs. Anna Wilkinson, was a guest of the day. Other out-of-town guests were Mrs. Merritt Meeker and daughter Helen of Syracuse, N. Y. and Mrs. J. Walker of Detroit.
