The political Pied Piper plays on.

Our Real Purchasing Power

Simplest way to measure American and European living standards is to compare purchasing power in terms of an hour's work. The answer is a revealing commentary on the success of our way of life.

A KING WITH A PASS

The king smiled broadly, and looked at the little gold medal. It is nothing new for a king to get a medal; kings can have them by the gross.

It was the medal of the Trades Union Congress and it entitles King George to attend any such congress he chooses in the future.

Kings have, in these democratic times, decorated labor bosses in England. But this is the first time, perhaps in all history, that a labor boss has decorated a king.

I was born an American; I live an American; I shall die an American; and I intend to perform the duties incumbent upon me in that character to the end of my career.

We had in the past a reputation as being a Washington to the world, and the middle class. The middle class has been the backbone of the nation.

This year nearly 2 million American boys and girls are going to summer camps in the United States. Camping is one of the few phases of education that is original to the American way.

Bread Upon the Waters

"Unity and Sacrifice" is now the twin cry of the New Dealers.

Most of the American people have laid aside their personal distaste for the New Deal and answered the call to unity. Today the country is not divided on the stated objective of the Administration's foreign policy.

But where is this sacrifice that we hear so much about? Except for the patriotic draftees, who have been asked to make a personal sacrifice?

Labor is encouraged not only to make no sacrifice but to demand gains. Business is granted its right to a reasonable profit. Payments to farmers are sharply raised.

Small wonder, then, that labor just can't believe it when the New Deal suddenly demands that they do not halt work on vital war materials.

Why should there now be any surprise that labor and the country has forgotten how to GIVE?

### News from Walled Lake

By CHARLES E. HUTTON

Word has been received here of the death, by accidental drowning, of Mrs. Louise Ott and her four-year-old daughter, Cynthia, at Mullet Lake, Sunday. Mrs. Ott was the wife of Dr. Harold A. Ott, of Colchester, was formerly Mrs. Harold Hurst of Walled Lake. The accident occurred when the outboard motor boat in which they were riding with six other persons overturned.

He told part of his story before again lapsing into unconsciousness. It is thought he may have suffered a brain concussion.

Dancers found the going rather uncertain at the Casino ballroom, Saturday night, when the lights went out, during an electrical storm. All the south shore amusements were subjected to an off-season blackout for about a half hour, before the current was restored.

Monday morning's storm was given an unusual twist by a bolt of lightning which struck a tree close by the woodland gasoline station. No other damage was done except perhaps to the nervous system of Al Riley, station manager.

Another shaft of lightning split a tree in the front yard of L. V. Johnson on 14 Mile road.

Don Kelsey, an employee at the Hornsted picnic grounds on Richardson road, was the victim of an assault Monday night, according to his story, by several negroes to whom he refused admittance to the grounds. Kelsey said they struck him, knocking him unconscious. People in another car, driving into the grounds found him beside the entrance. The assailants had fled. Kelsey said he was brought to a local physician for treatment, where

Mr. Halstead had been in failing  
health for several months, having  
been confined to the hospital here  
on two occasions.  
He came here two years ago from  
Detroit where he had lived since  
1920. He opened a jewelry shop on  
the corner of Wing and Main  
streets, later selling out to form the  
Halstead and Herick partnership,  
Plymouth. While here, he was  
member of the Commercial club,  
his uniform display with the ex-  
change club's decorating contest, the  
1930 Christmas he was here.  
Together with Mrs. Halstead, who  
survives him, Mr. Halstead moved  
to Plymouth about a year ago.  
He is also survived by a brother,  
Clarence, of St. Johns.

Funeral rites were held at 11 a.

**AIR CONDITIONING**

**USE COOL COMFORT**  
to draw customers into your store

In the heat of midsummer retail stores, restaurants, etc. find that the "north pole" and the "magnetic pole" are one - that cool, invigorating air is a magnet to attract customers and improve business. It is one of the best sales tonics ever discovered to combat summer slump.

Alert merchants are now using air conditioning to boost sales, to attract new customers, to hold present customers. They are using it to overcome location difficulties, to lure trade from competitors. They are using it as an advertising feature, to add prestige. They are using it to convert basements, alcoves, and "dead spots" into profitable space.

They are using it to reduce hot-weather spoilage of perishables. They are using it to reduce damaged goods due to perspiration stains and handling losses, and costly "clearances" on dust- and dirt-marked merchandise. They are using it to lessen noise, and to reduce cleaning expense. They are using it to induce customers to linger—thereby creating more purchases and increasing the unit size of the sale. They are using it to promote greater efficiency and alertness among the sales force.

How many of these things can air conditioning do for YOU? It will pay you to call your air conditioning dealer today and obtain complete information. He will gladly make a survey of your ceiling requirements and give you a free estimate. We do not sell or install air conditioning equipment. The Detroit Edison Company.

### Summer Social Life in Village Takes Informal Trend for Guest Courtesies

Organized social life in the village has given way these hot days to week end trips, family reunions, picnics and informal courtesies to visiting guests.

Mrs. William Rawley plans a garden party at Arrowhead farm, Sunday evening. It's to be a supper affair with most of her guests out-of-towners.

Among the family reunions reported this week were the Cole-Matis-Esapp and Mischart. These took place here and in Plymouth. An engagement was announced this week and the principals are Pearl Schroder and Roy M. Line. Plans for a wedding next week were made known by Alice Banks, orche-estrator of Charles Gilbert.

There were courtesies for in-ductees, Ronald Anderson enter-tained for Robert Smith of South Lyon. Jack Suberovoy was honor-guest, Wednesday at the Walter Lake cottage of Mr. and Mrs. Ralph Bogart.

A group of students attending the University at Ann Arbor, were guests Thursday evening at a steak cook-out hosted by Miss Gladys Ludwig, who attended school last summer with her guests.

Clyde Truxell, III, celebrated his birthday last night at a theatre-dinner-party. Then trotted off this morning with his parents, Mr. and Mrs. C. W. Truxell, Jr., to spend a month at Ludington. His brother, John, went, too.

Summer fun for the week got started last Sunday when a group of the young set went cruising on Dr. A. Holcomb's yacht.

Young Set Goes Yachting With Dr. A. A. Holcomb

It's about an annual affair. It seems that a group of the young set goes yachting with Dr. A. Holcomb last year was the first time. Sunday, Dr. Holcomb took them again. This time they cruised to Put-In-Bay.

In the group with the host, were Mr. and Mrs. Ralph Bogart, Mr. and Mrs. Keith Vanamburg, Miss Doris Hubbard, Jack Stronroll, Miss Jean Eise, Warren Bogart, Lawrence Bogart, Harold Hubbard, Miss Jeanne Smith, Sidney Junka, Miss Geraldine Johnson, Jack McCrum, Miss Natabe Whipple, Har-ry Kiefer, Louis Herrick, Louise Babbitt, Miss Gloria Curiam, Miss Rose Brunansky, Jack Holcomb, Miss Norma Houghton, Miss Betty Barry and Ben Duguid.

Theatre-Dinner Party Marks Birthday Anniversary

The ninth birthday anniversary of Clyde Truxell, son of Mr. and Mrs. C. W. Truxell, Jr., was celebrated Thursday, July 31, with a theatre and supper party.

His guests were his brother, John; Eleanor Tisdell, Leroy Har-ber, Junior Polster, Charles Ste-phens, William Taft, Cassie and Jean Cavell of Plymouth, Marlin Kordke, Marney Whipple, Jerry Fernald, Dick Givens and Louella Robinson.

Army Service Industries Honored at Party

As a farewell courtesy to Robert Smith of South Lyon, who left for the University of Michigan, a party was given at the home of Mrs. C. W. Truxell, Jr., last night.

The party was given at the home of Mrs. C. W. Truxell, Jr., last night. The guests were his brother, John; Eleanor Tisdell, Leroy Har-ber, Junior Polster, Charles Ste-phens, William Taft, Cassie and Jean Cavell of Plymouth, Marlin Kordke, Marney Whipple, Jerry Fernald, Dick Givens and Louella Robinson.

Birthday Anniversaries Marked at Luncheon

Twenty-five members of the Baptist Women's Union held a luncheon last Thursday at the summer cottage of Mrs. Ella Thompson on Walled Lake.

The occasion honored particularly the eighty-seventh birthday anniversary of Mrs. Levi P. Eaton. She was presented with a birthday cake. Three other birthdays were also remembered, marking the anniversaries for the hostess, Mrs. Thompson, Mrs. George Sedel and Mrs. Wil-liam Hofstad.

Out-of-Towners Are Guests Sunday of Mr. and Mrs. Hensch

Mr. and Mrs. William Hensch were Sunday dinner hosts to a number of out-of-town guests.

They had places for Mrs. Vernon Burt, Esther Burt, Mertie Burt, Miss Mary Hensch, all of Dearborn, Dr. and Mrs. J. W. Walker of Royal Oak, Mrs. Edward Walker of Phil-adelphia, Pa., Mr. and Mrs. Wil-liam C. Hensch of Richmond, and Miss Peggy Hensch of Northville.

Carter's Are Sunday Dinner Hosts

Phin and Mrs. Paul D. Carter were hosts Sunday at dinner. The women guests were former teachers in the Romulus school when the Carters were there.

The guests were Mr. and Mrs. Jerry White, Mr. and Mrs. Ken-rodge, Mr. and Mrs. Carole Koshel, Mr. and Mrs. Lon Lewis, Mr. and Mrs. Bernard Bird, all of Romulus, and Mr. and Mrs. Andy Lieber of Lake Orion.

Gilbert-Banks Nuptial Plans Are Told

Plans were made known today for the approaching nuptials of Miss Alice Banks, daughter of Mrs. Ed-ward Masters and Charles Gilbert, son of Mrs. William Gilbert and the late Mr. Gilbert of Mansfield, O.

An open wedding will take place at 2 o'clock Saturday afternoon, Aug. 9, in the Methodist church. A reception for the bridal party and persons who witness the rites will be held at the Masters home after the ceremony.

Andersons Attend Minchert Reunion, Sunday

The Minchert family reunion was held Sunday in Paverside Park, Plymouth.

Guests were present from Plym-outh, Detroit, Peffer, Plymouth, Garden City and Northville. Going from Northville were Mr. and Mrs. Philip Anderson, Jean and Ronald Anderson.

Next year the reunion is to be held at the Anderson home.

No date for the wedding has been set.

Mrs. Leonard Beasley Entertains at Party

A luncheon Wednesday was an occasion in the home of Mrs. Leon-ard Beasley, who entertained for Mrs. George Beasley of Rochester. There were places for Mrs. Her-

man Schroder of New Hudson, Mrs. Charles Conklin, Mrs. Edward J. Fossitt and Mrs. Clark Losey of Northville.

Cole Reunion Is Held Here Sunday

Mrs. A. Delbert Hurtburt and Mrs. Clarence Scheinbocker were hostesses Sunday to the Cole fam-ily reunion.

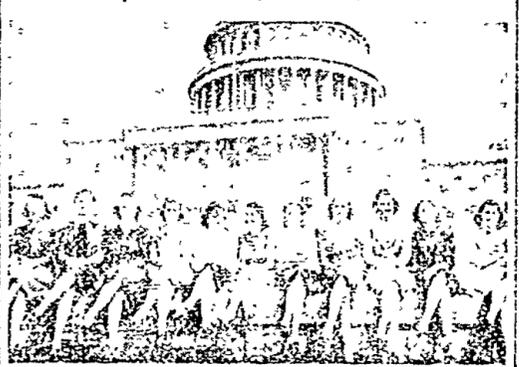

Forty-two guests were seated at a long table set in the recreation room. Guests were present from Metamora, Oxford, Orion, Royal Oak, Pontiac, Detroit and Dear-born.

### Fire Demon Takes Heavy Toll in East

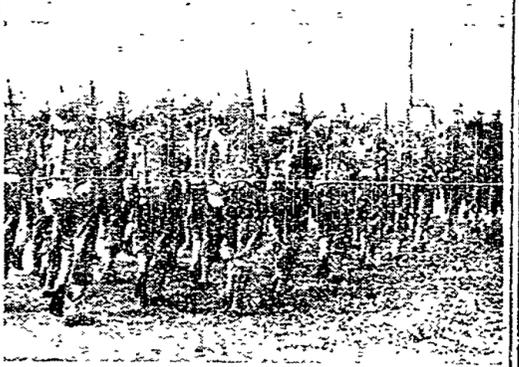

Damage estimated at about \$2,000,000 was caused in the Ocean Bluffs Mass. area as the result of a fire that destroyed a church and leveled more than 100 cottages. Only a single shift in wind saved hundreds of other houses. The above photo shows a row of cottages burning furiously when the fire was at its height.

### Capitol Hill Picks a Queen

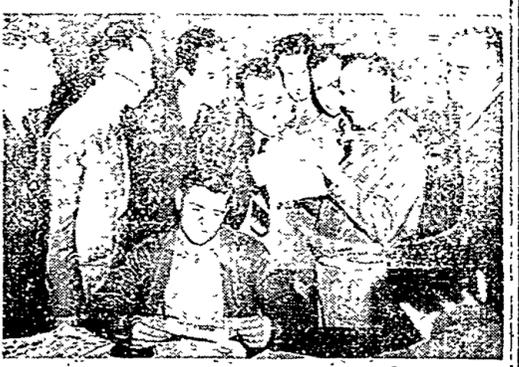

Thirteen girls in a row, and 6 out of 10, from all the politerade pretty Bonnie Patten, sixth from the left, daughter of Rep. Nat Patten of Texas, was selected as 'Miss Capitol Hill' by members of the 'Little Congress'. She is pictured with the runner-ups. The 'Little Congress' is made up of congressional secretaries.

### OBITUARY

#### Mrs. Clayton Jordan

Mrs. Clayton Jordan, 40, died Wednesday evening, July 30, at the University hospital, Ann Arbor.

Born in Northville, the daughter of Mrs. Chris Lawrence and the late Mr. Lawrence, she had spent practically her entire life here.

In addition to her mother, she is survived by her husband, Clayton, five sons: Ralph Lawrence, Harold, Robert, Norman and Alvin, Jordan, and one daughter, Lucille. A brother, Ray Graham, and a sister, Mrs. Roy Graham, and a sister, Mrs. Irene Groves will soon be discharged to her home in Detroit.

#### Anyone Can Sing National Anthem

You don't need a perfect voice to sing for National Anthem correctly, according to Miss Lucy Monroe, famous singer of stage, radio and opera. Miss Monroe ought to know, too, because she is considered the foremost expert of the National Anthem today.

"There has been a lot of talk from various quarters," she says, "that the National Anthem is much too difficult to be sung by the average American, that its register is so high it's a wonder for opera stars. This is a lot of nonsense."

"There's only one way of singing the National Anthem, and that is to sing it as you would it at a pot-lique gathering."

Miss Monroe has sung this stirring song so many times that she has been honored with the title of "Star Spangled Soprano." Her fame as an interpreter of the National Anthem has made her the official soloist of the American Legion and the Gold Star Mothers. As star of the "American Jubilee" at the World's fair last summer, she sang the song more than 700 times to over 2,000,000 people.

This spring Miss Monroe made a special tour of all-American cities in the "Star Spangled Jubilee." With the accompaniment of a vocal group, symphony orchestra, she sang the song from the Atlantic to the Pacific.

She will be in Northville at the invitation of the American Legion, where she will sing the National Anthem at the regular meeting of the legion on Wednesday evening, August 7, at 8 o'clock.

She will also sing at the regular meeting of the Gold Star Mothers on Thursday evening, August 8, at 8 o'clock.

She will sing at the regular meeting of the American Legion on Friday evening, August 9, at 8 o'clock.

She will sing at the regular meeting of the Gold Star Mothers on Saturday evening, August 10, at 8 o'clock.

She will sing at the regular meeting of the American Legion on Sunday evening, August 11, at 8 o'clock.

She will sing at the regular meeting of the Gold Star Mothers on Monday evening, August 12, at 8 o'clock.

She will sing at the regular meeting of the American Legion on Tuesday evening, August 13, at 8 o'clock.

... I'm worth more to my boss now that he's installed a **SCHULTZ Electric Milk Cooler**

Because Schultz Electric Coolers quickly cool my milk—and keep it cool they insure my boss, the full better fat that I have worked so hard to produce. Schultz Coolers also help bacteria grow and insure my milk more stable.

The Schultz principle is that of floating ice and top cooling without the need of a coolant or pump of any kind. The coils automatically manufacture the ice on the smooth top surface of the cabinet walls. The water then flows and runs on top of the water where it is needed. Schultz coolers, effectively reduce labor costs, keep the nights milk under 40° Many users say, "I wouldn't sell my Schultz Cooler for \$1,000.00 if I couldn't get another."

A durable in size to cool from 2 to 12 cans at one time. Buy the cooler to fit the volume of the milk house. Can be very easily installed in the average milk house. Easy payment plan can be arranged for us today for further facts and prices.

DEFENSE INCIDENTS

Out of 25 major incidents of damage in defense plants last month, military intelligence authorities have evidence that 14 were caused by sabotage.

Since the outbreak of the Russo-German war, the Communist party line has somersaulted. The current dictum is no interference with defense output.

Japanese Consulates

Another significant development in subversive intelligence relates to the Japanese. Since the expulsion of the Nazi and Italian consulates, intelligence officers have found that the Japanese consulates in Los Angeles and Seattle have become the chief clearing houses for espionage on the West coast.

SECRET NEW BOARD

When the Farm Bureau Board of Directors met in its annual session at the Grange in Northville, Mich., last week, it was reported that a new board of directors had been elected.

The plan is very pat, but the mystery is where Roosevelt and Secretary Claude Wickard fit into the picture. Under the law the President appoints board members.

Actually, the five-man board scheme has no chance of getting anywhere this year. Not yet even introduced, it faces such a long battle when it does appear that months will elapse before it goes through the committee process.

According to Farm Bureau leaders, Earl Smith, Illinois big game, and Francis Johnson, Iowa chief, secretly want to make it a political issue in next year's congressional election.

How much control he would have is shown by the fact that the boys already have made sure that they would do the controlling.

Announcing Another New Industry Located in Northville TOMDON METAL APPLIANCES NORTHVILLE MICHIGAN A Modern Manufacturing Concern with Exclusive Patented Ideas in Products of Nation-wide use, in home, Manufacturing Plants, Stores and Industry Our plans are to gradually expand our manufacturing plant activities until the employment personnel reaches 50-to 60 permanently employed persons. All employees, as far as possible, will be residents of this community. Employees will be paid a monthly base according to their experience and rating, plus a bonus representing a percentage of the company's profits. In this new plan we hope to afford permanent employment, vacations with pay, health insurance and other modern features. I am deeply indebted to, and publicly acknowledge my appreciation to the group of leading citizens of this community who joined together as an industrial committee for the sole reason of promoting the civic progress, increasing the security and betterment of all citizens in the community and to make possible the location of our manufacturing plant in Northville. The few of us who come here to live and become citizens of your community pledge ourselves to do everything possible toward making permanent friendships and Northville more progressive. With this basic promise carried out, we hope the future will show our appreciation and thanks to everyone who has encouraged us to locate here. Thanks again. TOMDON COMPANY Thomas F. Dunn

government-owned agency, Canada accepts public ownership of its largest highways as a matter of fact. Because of long distances, highway development has been slow. Yet the roads are kept up in good condition. However, Canada today does not have a transcontinental route.

Gasoline and oil restrictions limit purchases from 7 a.m. to 7 p.m. and none at all on Sundays. No passports are required at the border, only personal identification and an automobile license card being necessary.

Travel boom is on. From a recent visit into Northern Michigan and the Upper Peninsula, we are convinced that the travel season this year has almost reached the proportion of a "boom". While the demand for cottages

in some sections, is not up to expectation, the hotels and overnight cabins are doing a thriving business.

Traverse City, for example, is having a record year. Its 1941 berry festival, nearly rained and frozen out by November weather, attracted a tremendous throng. Redkey and Harbor Springs merchants are happy. Mackinac Island and Sault Ste. Marie are having a record year. Its 1941 Cherry Festival is being celebrated in a big way. Tourist towns along Route 27 from Lansing to Mackinaw City are enjoying a marked increase in business over last year. Upper Peninsula's cool climate is pulling thousands of resorts from Ironwood to Menominee and St. Ignace.

Warm weather and general prosperity are partly responsible. Another reason is a conviction of many persons that this summer may be the last one in a good many years when they can do exactly as they wish.

Secretary of the Interior Harold Ickes, continues to fret about the probability of gasoline rations. Two weeks ago the Association of American Railroads requested roads in the Southeast to eliminate all excursions to facilitate troop movements. Compulsory deductions for defense savings bonds plus a stiff federal tax on middle-class incomes would put a serious crimp into 1942 vacations. And so it goes. Result: Increased travel this summer.

We're Travel-Minded. For many years the Canadians were good customers of Michigan. They enjoyed coming to our state. They spent their money here freely.

Today, because of the imperative need for American dollars to help pay for a \$1,000,000,000 purchase of American munitions in 1941, Canadians are restricted from travel abroad. They can't subscribe to American newspapers or magazines. No offer of the foreign exchange board at Ottawa ever aroused more resentment and disapproval.

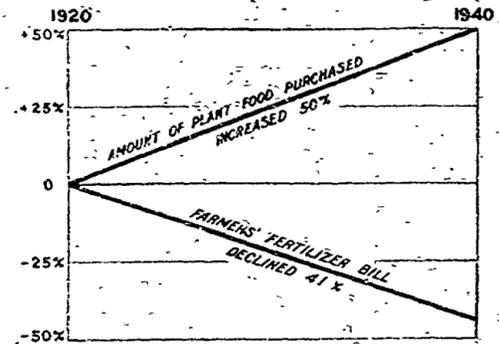

And so while Canadians do not visit America as freely, more Americans are visiting Canada this summer than ever before—unless the gasoline restrictions frighten those who are timid. It is a safe bet that Michigan is going to receive a benefit from the war's removal of the five little girls' Colonial. While we are selfish about our own resort industry, we generously acclaim Canadian attractions in a neighborly and friendly spirit—especially the Young Marie-Anne-Ole and Emilie.

Michigan's waterways were held Sunday at 10:30 at the Old Lady of Victory church for Anne Elin, daughter of Mr. and Mrs. Frank K. Roth. Mrs. Roth's daughter, Mrs. Elin, is the wife of Mr. J. E. Roth, 1110 E. Main St. in Jackson. Mrs. Roth is the daughter of Mr. Roth and Mrs. Kuhl, of Northville.

### MICHIGAN FARMERS GET 6 Per Cent MORE PLANT-FOOD IN FERTILIZER, ACCORDING TO GOVERNMENT REPORT

Washington, D. C.—Recent U. S. Department of Agriculture figures show that Michigan farmers received 6 per cent more plant food per ton of fertilizer last year than in 1939 when the last survey on the subject was made.

This was 17 per cent above the national average which has shown a sharp upward trend since 1920. At that time the plant food content in fertilizer was only 13.5; in 1929, it was up to 17.5 per cent; by 1935, 19.2 per cent; today, it has jumped to 19.35 per cent. This means an increase of 39 per cent in plant food content since 1920 and at the same time the farmer's fertilizer bill has declined 41 per cent.

All this is due to improvement of mechanical conditions, manufacture of fertilizers better suited to different soils and soils, reduction of the number of grades of fertilizer, and other economies instituted by the industry since that time.
