The Oldest Paper in Wayne County Outside the City of Detroit

Thirty-eight years ago last Thursday the Kitty Hawk soared over the sand dunes of South Carolina. The future of the real significance of that event... not even the Wright Brothers themselves could foretell the importance of 1903. In universal and international development the destiny of this Nation will be found in its aeronautical statesmanship... to project our future into the aerial world of tomorrow is the vital problem of today," states the President of the National Aeronautical Association.

#### The Christmas Story

And it came to pass in those days, that there went out a decree from Cesar Augustus, that all the world should be taxed.

(And this taxing was first made when Cyrenius was governor of Syria.)

And all went to be taxed, every one into his own city.

And Joseph also went up from Galilee, out of the city of Nazareth, into Judea, unto the city of David, which is called Bethlehem, (because he was of the house and lineage of David).

To be taxed with Mary, his espoused wife, being great with child.

And so it was, that, while they were there, the days were accomplished that she should be delivered.

And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn.

And there was in the same country shepherds abiding in the field, keeping watch over their flock by night.

And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid.

And the angel said unto them, Fear not; for, behold, I bring you good tidings of great joy, which shall be to all people.

For unto you is born this day in the city of David a Saviour, which is Christ the Lord.

And this shall be a sign unto you: Ye shall find the babe wrapped in swaddling clothes, lying in a manger.

And suddenly there was with the angel a multitude of the heavenly host praising God, and saying,

Glory to God in the highest; and on earth, peace will toward men. — St. Luke 2:11-14.

### • Northville Is Generous, Too...

We note that Detroit is proud of the Old Newsboys, and they make many donations. Well, I guess we are justified in spreading a little about some of those Northville boys both old and young. The young chaps for the excellent record they made in selling Defense Stamps, but even more for another record that never seems to get much publicity... that is the record they have made in delivering our daily papers during the year. Never a miss during the year, save or regular, this is the hand of the 36 young Northvillites really deserve a big hand for the faithfulness, loyalty and regularity in which they have served, and served well in their appointed tasks. Give the young newsboys a hand.

And once again, for the second time in Northville's history, the old old newsboys and some who never before sold newspapers called their wares Thursday afternoons in the latest accepted style and manner. The proof of the padding is the eating, so when you figure that last year, the first time of the Goodfellows' newspaper sale, the money return was slightly over \$260.00—this year the amount raised jumped to \$280.21... a nice increase over last year's initial effort. Some twenty men of Northville sold \$50 Northville Records—safely they have done their GOOD DEEDS in true Boy Scout fashion... And Cheering, My Hearties, we are all for you... Ten Thousand Thanks, a Merry Christmas.

## EDITORIAL

Once again the days of the year have been left off the calendar until we are to the first days of the last in January will make the beginning of many new resolutions, and many people will and should wash slate clean

over a new leaf for a fresh and renewed start.

At noon, Wednesday, the twenty-fourth, Christmas vacation begins for the school. It will re-open Jan. 5.

Happy New Year!

## Senior Sketch

Theresa Amelia Spagnolo, "Miss Spag," 113 East Main street, is one of the most popular girls for this senior year.

Born in Northville, Spag has dark hair which she is noted for.

Spag likes sport clothes, and playing which seems to be the "thing."

She is a good girl for co-operative toys or girls' hobby being of a quiet nature.

Lauren Deborn seems to be her second home, although she did not give her reason.

Spag is a good girl and a

goat named Betty which other seniors have heard her tell about. Her

"highlight" is her first dance. She

claims she cares for all sports. Spag

seals for the junior and senior high has never attended another school

junior high sold the most, turning \$1000.00 in carfare.

In the high school, Miss Tisha Booth, she is in the newly orga-

nized Home Economics club. It seems

most per student, turning in \$455.00 that Spag wants to travel around

the world. But first she wants to be a beauty operator. If Spag keeps her skilled hands working, fixing her own hair so attractively, she will do well in this profession. She can count on traveling a great deal in the future.

Mrs. Robert Power substituted

Thursday and Friday for Mrs. Edie

B. Cooke, who was ill.

The Hi-Y club had a get-together

last Monday at which time new members were inducted.

### Around the School

A play, "Unaccustomed As I Am" by Mulder Hark and McQueen was presented to tenth grade English Club, S. P. C. by the club program committee Monday. The cast consisted of a Stock Norma Hazlett, by George East Croll and Ray Egger. Meeting held after the play decided to have a party on December 23rd. The home of Betty Sutor, former club president, was selected.

A recent letter from Neille Vater, recently transferred to the Music Department of the Aeromotors Service. Motives have been sent to the three students. It is expected that both will make good.

Many of the N. S. students participated in the annual competition over Dec. 13 Sunday evening in the Presbyterian church.

Mr. Marshall, director of the English class, directed Dec. 17th a performance program. The boy's club is a copy from the old literature book and is directed by A. Moore. The girls' club part in the play, written by their teacher, Mrs. Marion Johnson, and Lois Church. The program seemed to be enjoyed by everyone.

At 9:30 Dec. 18 students were given a surprise party at the Senior High.

The Boy's club had a Christmas party in the N. S. gymnasium Friday, Dec. 19. The chairman of the food committee was Mrs. Gilson. Scherzer was chairman of the entertainment committee. A popular singer, S. S. and games were the highlights of the evening.

The morning classes were courted throughout the high school Wednesday morning as ever for the rooms to have Christmas parties in their respective rooms. Some had gift exchanges, others had a party with refreshments. The Junior High had their party in the school gym.

The seniors have had quite a success of their Christmas card sale. A total of 857 boxes were handed out with a profit of \$125.00. Several students will hand in more money this week. The person selling the highest number of boxes is Florence Rentchler. We sold cards to the amount of \$52.00.
