(Continued from front page)  
 ready to peak. The war may even last two or more years after 1942; but after 1942, two months before it ends no one will foresee the end.

**Real Estate Will Hold Firm**  
 Prices of farm lands should strengthen during 1942. Farmers will be more prosperous. The only ones that should be worried are those who are buying land for speculation.

**What About The Railroads?**  
 Next year, forty-one has been the best year for the railroads since 1928. The total gross for 1941 was about \$3,500,000,000 compared with \$2,800,000,000 in 1940. The net for 1941 will be about \$825,000,000 compared with \$682,000,000 in 1940.

**Price Control and Rationing**  
 If price control legislation is enacted in 1942, it will not be very successful. Price control without rationing is usually a failure. The future season appears to be for instance, the purpose of price control is to prevent inflation and to discourage the purchase of non-essentials.

**Farm Prices Will Be Better**  
 I estimate that if farm prices are not controlled, the farmers in 1942 may receive an increase of 20% or more in 1941. This could increase the

national income 10% and raise 1941 farm consumer purchasing power to nearly double what it was a few years previous. Cash farm income in 1942 should reach about \$13,000,000,000—the highest since 1920. This figure compares with \$11,000,000,000 for 1941, and \$9,000,000,000 for 1940. During 1941, 1942 prices increased about 15% but 1942 should show a disappearing off of this upward curve. By substitutions and the elimination of waste, most people can absorb this food price increase without either further wage in-

**A New Year**

A Christmas and New Year letter brings this message and we love it. We think it truly expresses what most of us think and feel. In wishing you a Happy New Year our correspondent states: "This expression would be difficult to offer in such a time of world confusion and spreading wars, if one did not believe that there are indestructible Ideas and Ideals of Truth, Goodness and Beauty which most surely shape and control even the present in terms of the past and future. The ancient book of Ecclesiastes anticipates these thoughts as follows: 'All this, therefore, have I led to my heart and searched it out: That the righteous, and the wicked, and all their works are in the hands of God; whether it be love or hatred, all is before Him. It is good that thou shouldst take hold of this; yet, also that thou withdraw not thine hand from doing good. And if thou seest the oppression of the poor, and the violent perversion of justice and righteousness, be not dismayed thereat; for One higher than the high regardeth thee. For verily, God shall bring every work unto judgment, with every hidden thing, whether it be good or whether it be evil.' So our New Year wish and hope is that the Prince of Peace will one day 'Black Out' war and all its evil works."

Could we not be our New Year message in a better garb? We think not and thus wish you and yours a Happy New Year.

**Christmas in Northville**

We can't all win prizes, and most of us don't figure that way anyway. But we get a big kick out of doing things for the joy of doing. It seems more like Christmas when we do and feel that way.

Wasn't the Presbyterian church a most beautiful scene during the Christmas Season? White pillars, lighted cathedral windows, wreaths, white doors and portals, and the lighted Christmas trees?

Fred Reigers V for Victory decorations were original and provoked much comment.

It seemed that the Christmas tree at the Village Hall never looked more beautiful than this year.

And how nice it is of our FAW CIO, the Northville boys, to remember their neighbors in the service—the local boys are sending you in token of this holiday a service, \$15.00 a month and that's really something. Our congratulations boys—keep up the good work—you have set an example that may well be followed by others throughout the land.

Christmas is always a time to speak into the heart of businessmen—in spite of many imitations to the contrary. It is evidenced everywhere, but more especially in the neighborhood groups. The Rotary club provided a Christmas party with dinner, Santa and gifts to about thirty members of the community. The Exchange boys did their good deed with an annual Christmas distribution of stockings and good things. Even the Cub Scouts got a big thrill in packing and delivering a Christmas basket. And the King's daughters, the churches and classes all just seem to be that everyone was doing something for someone.

And that is and was Christmas in Northville—the spirit of Northville revealing itself in the ecstasy of the Christmas Season... just exemplifying the Christmas Spirit as revealed to all mankind when the Star shone over the manger of the Christ Child nineteen hundred years ago.

**NORTHVILLE'S YESTERDAYS**

**One Year Ago**  
 The members of the Northville Rotary club were guests of Mr. and Mrs. Harry B. Clark at their home for New Year's breakfast, Wednesday.

Postmaster Fred Vanatta stated that this year has been the biggest year in the history of the Northville post office for postal receipts of the local office made a large increase over 1939.

Two sons were born Jan. 2 to Mr. and Mrs. Norman Peterson. Mr. and Mrs. Otto Lamp are the parents of a son born, Dec. 31.

**Five Years Ago**  
 Because of the delay in obtaining wood from the mills necessary for the moving and placing of doors, the Christmas recess is not moving time for the grade school teachers who planned earlier in the year to move into the new building which is nearly ready for occupancy and which is to replace the one destroyed by fire Jan. 13, 1936.

Funeral rites were held Dec. 30 for Joseph Binkz, 44, who died Dec. 23.

Northville's death trap at the corner of North and Eight Mile roads was investigated by an engineer from Wayne County's Highway Department.

Mrs. Melvina Carpenter, 83, died Wednesday.

Ariene Richardson and Eiden Bryer were united in marriage, Dec. 23.

**Ten Years Ago**  
 The depositors' committee of the Northville Lathum State bank has been organized for the reorganization of the bank.

**Money Rates and Bond Prices**

Money rates will suffer during 1942, perhaps not as severely, but certainly an increase that does take place will be on the whole. The U. S. government cannot spend about \$30 billions a year \$35,000,000,000 a month for fire crackers. It will have to raise the money to pay for the war. The government is raising the money by taxing. This means higher taxes for individuals and corporations. The money rate will be high during 1942. The money rate will be high during 1942. The money rate will be high during 1942.

**Cost of Living**

The official government cost-of-living figure, which will be published during 1942 will show a small increase each month. The cost of living will be higher in 1942 than in 1941. The cost of living will be higher in 1942 than in 1941.

**Will Wages Be Frozen?**

It is believed in the defense industry that wages will not be frozen in 1942. The labor union is fighting for higher wages. The labor union is fighting for higher wages.

**Utilities Should Improve**

The utility industry is basically sound. With a few exceptions when high finance credit in the utilities have conservatively and efficiently managed. They have been forced to reduce the cost and improve the quality of their service.

**What Will Congress Do?**

My forecast a year ago as to what Congress would do in 1941 was 100% correct. Now, I am every scarer of my ground. When Congress declared war it performed its most important single act until peace comes. From here out it will become a necessity somewhat of a rubber stamp. War emergency powers of the President will require but little action on the part of Congress.

Leaving here Apr. 18, for army camps were: James Boyle, Clarence ...

Northville was host the first day of May to 125 librarians, members of the Michigan Library Association, district 3. Following a morning and afternoon session, the Northville Women's club entertained the visitors at a tea courtesy.

And the village danced May 2 at the J-Hop held in the school. This was the last social affair of any size for Northville this season.

Rilda Garchow and Russell Nacker were married May 2 in the Lutheran parsonage on the Seven Mile road.

Rotary came forward in May to

announce that some July 1, M. G. Gursell was to be the club's president; Dr. J. E. Schady is the vice-president; and Norman Sarvis is the secretary-treasurer.

At a public ceremony held May 6, the Township of Northville presented a flag to the Northville Library. The occasion was an opportunity dedicating the new Kluge Harmon room in the library.

MARCH

The Rev. T. W. Smith's request that his pastorate at the Northville Presbyterian church come to an end Apr. 15, was accepted Mar. 3 by the Detroit Presbytery.

Forty friends and neighbors of the Northville Rotary club members had a dinner and heard a talk given by Dr. Elsel A. Riddaman of the Ford Motor company. He told about soy beans.

As a result of a game Township with Merivale and one with Redford Union, Wednesday, the Northville girls basketball team won for Suburban League Championship with Plat Rock. The season ended Mar. 5, with the Redford game.

Northville's high school was visited Mar. 9-11 by a committee appointed by the North Central Association composed of eight superintendents, principals, classroom teachers and a member of the Department of Public Instruction of Lansing. The body was headed by Dr. Edgar Johnston of Ann Arbor. The Legion celebrated its twenty-second anniversary at a dinner, Mar. 11, in the Legion Hall. Mayor Carl Z. Bryan judged the birthday cake made by Mrs. Fay J. Caserline as the first prize winner.
