

Honor Roll

Note: An honor roll of men in the service is being kept by the Record. The list is incomplete. To have it complete the Record asks the cooperation of parents of boys in the service. Please give the name of boys who are not listed here. Tell us, too, in what branch of the service they are serving. This roll is not limited to Northville, but includes men from the surrounding neighborhood.

The Oldest Paper in Wayne County Outside the City of Detroit

Progress is not an accident, but a necessity. It is a part of nature. Herbert Spencer.

We're Not Fighting Each Other.

The role is being called for America's great spring offensive. Michigan's answer echoes loud and far—Detroit, Pontiac, Flint, Lansing, Kalamazoo, Saginaw, Grand Rapids, Jackson City, Bay City, Muskegon.

Important as they are on the battlefield, food never has relinquished its place as first among man's needs. In January, American farm lands delivered 135,000,000 pounds of food commodities for lease-shipment to United Nations.

Our great war production drive on farm and in factory—the only kind of offensive which in the long run can whip our enemies—is threatened by only one danger. That danger is disunity and mutual distrust.

If we are to get the man, the tools, the food to beat Hitler and Hirohito and Perito the Banzai, we must keep in mind "We are fighting the Axis, not each other."

Two Campaigns

Culminating its year round educational work the Michigan Tuberculosis Association has set aside the month of April for its fifteenth annual Early Diagnosis Campaign with the slogan "Tuberculosis—find it, treat it, conquer it."

Michigan sanatorium reports reveal that only two persons out of ten enter the sanatorium in the early stages of tuberculosis. The tragedy of cases found too late has caused the Michigan Tuberculosis Association to campaign with an intensive educational program during April.

April, too, is the month for a similar educational drive sponsored by the Women's Field Army of the Society for the Control of Cancer. Locally, Mrs. P. S. Board is chairman of this drive.

There's Need

All Federal and State money is being used in the United States which, in turn, is being used to help the Red Cross in its efforts. The recent need has arisen for an acute shortage of graduate nurses, due in part to the needs of our armed forces, our growing educational needs, and to rapid shifts in our population.

NORTHVILLE'S YESTERDAYS

One Year Ago

Members of the Northville board of education "broke on Monday" to ban married women teachers from the faculty. The trustees have been appointed for the newly organized Quo Sours' Fair of 1941-42.

Five Years Ago

Nineteen McKay School classmates, together with friends of the Ralph Foreman family in whose home tragedy stalked Mar. 17, paid final tribute Monday in the Methodist church, where the funeral service was held for Bill Foreman.

Ten Years Ago

Northville's Boy Scout organization...

tion under the leadership of Orlov G. Owen has formed a new troop, N.T. Mrs. Henry DesAutels reports feeding a flock of all kinds of birds in the back yard of her home. A son, Eugene Arthur, was born Mar. 8, to the Rev. and Mrs. Leo Reichmann.

Thirty Years Ago

Mrs. Mary Palmer has been sent to Ann Arbor for treatment; having been bitten by her dog which was afflicted with rabies. Miss Lulu Roberts, daughter of Mr. and Mrs. W. W. Roberts, and Alex. Christensen, one of our well known citizens were married Wednesday.

NEWS FROM NOVI

By Mrs. Luther Rix

Mrs. Leo Brayman gave a luncheon at her home for the Seaside club, Thursday. Mr. and Mrs. Warren Rice and children of South Lyon, spent Sunday evening at the home of Mr. and Mrs. Charles Perry.

Mrs. E. J. VerDuyme and Mrs. Charles Perry attended a staff assistant's meeting at Birmingham on Wednesday afternoon. The W. S. C. S. will sponsor a fried-cake sale at the church Saturday. The fried cakes will be placed at the church by the ladies.

Mrs. Devere Mitchell is spending a few days with Mr. Mitchell's mother, who is ill at Stauwood. Mr. and Mrs. David Olesky spent their day in Chicago and Great Lakes, a part of the time in company with Edward Rix, who graduated from the Naval Training Station and will enter trade school as locomotion machinist some time this week.

News from Walled Lake

By Charles E. Hutton

James Moore, representing the County Citizenship league spoke to members of the Community Luncheon club last Tuesday. Music was provided by school students.

Spring openings were announced last week by Dr. A. W. Stuart (and several dental patients) and the McInosh bakery.

Another grand opening took place in the Lake itself, with a complete break-up of the ice. The waters are now as clear as they will be until next winter's freeze.

Walled Lake's high school band was awarded a first division place in the Southeastern elementary district contest held at River Rouge Saturday. The group thus earns the right to proceed to State competition in April.

Recent news from "Duke" Duffy, a cadet at Perrin Field, Sherman, Tex., states that he is taking his "bird" flying instruction in which he can depend upon only the instructions of his ship. He has been promoted to the rank of corporal.

Rumor, by way of this grapevine, has it that a Detroit concern is to build 45 new houses on the Fred Riving property. Interesting if true.

The Palm Sunday program at the Methodist church will include special choir music and the baptism and reception of church members, at the 10 a.m. service. Charles S. Lee will be in charge of special music during Bible school, starting at 11:15. Young people's meeting will be at 7 p.m.

The service on Holy Thursday will be at eight o'clock in the evening with Rev. Leslie Williams of Northville as preacher.

SIDE TALK, the other day included a provocative remark by a "salaried" office clerk who said: "Maybe if the little boys at Walled Lake weren't so bent on putting labor in the 'poor-rich' quirk with us, we could have a half and double wage as a reward for future work, they might have a little more time to discuss something besides ways and means of taking money and bigger bits out of our already well-chopped incomes. As things stand now, the better the industrial outlook, the better the government. Well, I don't see, as why I have a number of paid premiums on me."

LEGAL NOTICES

MILLER, BALDWIN & BOOS, Attorneys

2156 Penobscot Bldg., Detroit, Mich. MORTGAGE SALE

Michigan Incorporation, of Detroit, Michigan, dated the first day of November, A.D., 1940 and recorded in the office of the Register of Deeds, for the County of Wayne and State of Michigan, on the second day of November, A.D., 1940, in Liber 3260 of Mortgages, on page 352.

on which mortgage there is claimed to be due, at the date of this notice, for principal and interest, the sum of Three Thousand Two Hundred Ninety-nine and 76/100 (\$3,299.76) Dollars.

held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with interest thereon and all legal costs, charges and expenses, including the attorney fees allowed by law, and also any sum or sums which may be paid by the undersigned, at or before said sale, necessary to protect his interest in the premises including taxes and assessments. When said premises are described as follows: All that certain piece or parcel of land situate in the City of Detroit in the County of Wayne and the State of Michigan and described as follows: Lot One Hundred Thirteen (113) and the Easery fourteen (14) feet of Lot One Hundred Fourteen (114), Seebald's Subdivision, part of Joseph Tremaine's Estate, Quarter Sections 51 and 52 Ten Thousand Acre Tract and Fractional Section Three (3), Town 2 South Range 11 East, Detroit, Michigan, according to the plat thereof recorded December 10, 1910, in Liber 27 of Plats, page 34, Wayne County Records.

Dated February 23, 1942. STANDARD SAVINGS AND LOAN ASSOCIATION, a Michigan Corporation. By Walter J. L. Ray, Its Secretary, Mortgagee.

JOHN L. CRANFELL, Northville, State of Michigan, County of Wayne, ss. 298,160. At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit on the fifth day of March in the year one thousand nine hundred and forty-two.

Present Thomas C. Murphy, Judge of Probate. To the matter of the Estate of Helen Gray, Deceased. An instrument, in writing purporting to be the last will and testament of said deceased having been delivered into this court for probate. It is ordered, that the twenty-fourth day of April, next at ten o'clock in the forenoon at said Court Room be appointed for proving said instrument.

George Tegge were guests of Miss Eva Lambing in Detroit. Mrs. Thomas Martin spent a week at the home of her daughter, Mrs. Donald Keef in Detroit.

Present Thomas C. Murphy, Judge of Probate. To the matter of the Estate of Helen Gray, Deceased. An instrument, in writing purporting to be the last will and testament of said deceased having been delivered into this court for probate. It is ordered, that the twenty-fourth day of April, next at ten o'clock in the forenoon at said Court Room be appointed for proving said instrument.

War Needs Affect Telephone Supplies

War needs of the country have affected the manufacture of telephone equipment to such an extent that for the duration at least, some persons who want telephones installed may not get them at all, it has been revealed by George M. Welch, president of the Michigan Bell Telephone Company.

Some of the more important effects of the War Production Board order issued were cited by Welch as follows: 1. In many cases where service can be installed at all, party-line service, only, will be available. 2. Extension telephones cannot be installed in residences except where needed by persons responsible for public health, welfare or security. 3. Wall or upright desk telephones now in use cannot be changed for the hand-set or cradle type. 4. Manual telephone switchboards

may not be changed to dial service, excepting where the work is well advanced.

great success.

OBITUARY
Mrs. George W. Hills

Funeral rites for Mrs. George W.
(Mabel Fisher) Hills who died Tues-
day, Mar. 24, in her home in Ann
Arbor, were held at 10:30 a.m. on
Thursday, Mar. 26, from the Meth-
uist funeral home.
Mrs. Hills was a resident of
Northville until five years ago, op-
erating a beauty salon here. She
was born 69 years ago at New Rud-
son.
Surviving her are her husband
and a son, Reginald of Ann Arbor.

PRACTICE SAFETY IN THE HOME

Your modern range enables you to follow our food authorities' vitamin-saying, waterless cooking method so that you can serve better, more nourishing foods. Your modern refrigerator keeps foods and leftovers safe. Now you can take another big step toward winning this war by helping to decrease the number of accidents that occur in the American home each year!

Would you believe that the deaths caused by accidents in the home last year were nearly equal to the number of deaths due to motor vehicle accidents? Think of it, nearly 32,000 deaths last year, but still more surprising is the fact that home accidents cause four times more disabling injuries than did auto accidents.

Let's put an end to all this grief and expense by guarding against many of these unnecessary accidents, by practicing greater safety in the home this year. There are a great many "Dos and Don'ts" for "Home Safety."

Mr. and Mrs. Walter F. Lyon and daughter, Miss Rhea, were Sunday dinner guests of Mr. and Mrs. Kenneth Wilcox of Dearborn.

The annual Methodist mother-daughter banquet, originally scheduled for May 8, has been changed and the new date is May 1.

Miss Alice Bentley, daughter of Mrs. F. D. Mosher, is spending the spring holiday in Northville. She attends Greenbrier college at Lewisburg, W. Va.

Gives Fruit "Third Degree"

Orange juice is more than just a morning eye-opener for Robert Hockman, chemist in the Kroger Food Foundation's research and development laboratory in Cincinnati, Ohio, who is shown here checking the citric acid content by measuring the amount of a standard alkaline solution required to neutralize the acid in a sample of orange juice.

Testing Florida, California and Texas oranges in season, the laboratory also is delving into such properties as juice quantity, sugar content and percentage of seeds, pulp and fiber, with an eye to improved methods for quality control of this fruit. This laboratory, too, is experimenting with various methods of packaging other fruits and vegetables uniformly, and at the same time improving their keeping qualities.

Mrs. Gladys Ludwig plans to spend most of the spring recess in Detroit where she will be the guest of her brother-in-law and sister, Mr. and Mrs. William Forsyth.

Dr. W. H. Cansfield's absence during the week for Rotary and Exchange here from M. C. O. G. G. George A. Locke, Richard Barber, and A. Russell Clark.

Members of the Deere Flower Show Tuesday evening were Mrs. Charles Cunningham, Mrs. Huguette Hill, Mrs. George Richardson, Mrs. Albert Vradenburg and Mrs. Roy Warner.

Well-known South of Watertown, N. Y., swimming for two weeks at the home of Mr. and Mrs. M. C. Gundersen, Madara, was in April for a special of the army air corps. He is a member of Mrs. Gundersen.

Mr. and Mrs. LeRoy G. Lee, Mary Lee and David, were Sunday dinner guests of Mr. and Mrs. Harry Lee of the home of Mrs. Lee.

While there, the board of directors of the Seven Lakes Works.

Senior Sketch

Orange and Black

One the best line of the senior class, James Givill, was born Sept. 12, 1914, in the little village of Northville. Her present home is 692 Thayer road. Her likes are not clothes and hair, food, being busy, books, music, dancing and skating. James' activities are: collecting and pinning, and figures for whatnot and book shelves. The sports she likes are baseball and basketball.

Other schools she attended were Plymouth and Thayer schools before coming to Northville in the fifth grade. She was active in J-Hop committee, Varsity, and advertising for sports and Junior play. The clubs she has been in are: Latin club, library group and now French club and Biology club. She was president of French club.

At present James' occupation is working in the D&C store on Saturdays.

THE ORANGE AND BLACK

The seventh grade English class taught by Miss Moore produced six original plays last Friday during the fifth and sixth hours. Students were entirely responsible for writing, production and costumes. Following are the names of the plays and their respective chairmen: The Boy Who Couldn't Decide—Bob Masters; Defense for America—Hugh Lochart; Mystery of the Stolen Pearls—Dorothy Stevens; Ghost of the Future—Marian Hancock; The Wizard of Oz—Walker Ozas; Rip Van Winkle—Alice Hahn.

Spring vacation starts Apr. 3 in the N. E. S. and will last until April 13.

Seniors Perform for Packed House Friday Evening

The senior play "Summer Gals" written by Charles Yahnke went off successfully last Thursday and Friday night playing before a packed house on Friday night.

The scene was the "dump" at a summer camp for high school students.

The camp members were planning entertainment for "Visitors' Day" at the Camp. Julia Politz and Mary Hollis took the part of Sarah; Howard Rogers and Bob Vogelin; George Hunter and Bob McCuskie were participants, bringing a hearty laugh from the crowd. The fellows playing a game of cards in their spare time, all turned out to be sharks at cheating. Frank Dunham, George Hunter and Myron Uley on Thursday night, Dick Simmons, Bob McCuskie, and Myron Uley took the same parts Friday night.

Carol Carlson and Shirley Muschiff took the part of Dorothy and tried their best to have a few games played at a surprise party given by the gang for the camp counselor Mr. Wilson, played by Walter Fox.

Leo Hollis took the part of Reginald, Dawn Sutton and Margaret Townsville played as Jean, and Laura Jean Lusenberger and Yvonne Taylor played the part of Betty who at one time caught Sam Howard Rogers and Bob Vogelin in a triumphant moment learning to dance with a broom stick.

The profits from the play will be more ample this year because of the fact that the Senior class sponsor, Mr. Yahnke wrote the play.

The Junior high English class taught by Miss Hattie Moore have gone through with Hyman coloring "Easter Stamps." The eighth grade English class leads with \$25.80, and the seventh grade English class follows with \$13.10. This makes a grand total of \$38.90.

Up to this Myron Uley is the only senior with enough cents to completely pay for his trip to Washington. The work on the play from the senior play will be figured up and the amount due will be added.

Miss Ruth Elshoff attended the last county nurses meeting Thursday, Mar. 26. The meeting was held at the Children's Center on Brush street in Detroit.

The kindergarten celebrated Allan Malloy's birthday on Mar. 19, when he was six years old. Noa Mae DeKay and Mabel Karschick are back in school after illness. The first signs of spring were pussy willows and a turtle brought by Glen Howarth and Neilson Locke. The children are helping the Campaign Girls by saving tin cans for defense.

Miss Joanne Harroun's first graders have finished their projects. They are making a store and are preparing to use money by buying from it. They are also making a store for Easter.

Miss Selma Jarrus is in charge of the Junior High project and is making a store.

Berkley on Burch is a new play by Ruth Yahnke's second graders. She recently lived in Grosse Pointe.

Miss Allyn Scott's second graders are getting ready for Easter by making Easter baskets and Easter decorations.

Mrs. M. J. Carpenter's fourth graders are making a store and are preparing to use money by buying from it. They are also making a store for Easter.

Miss Allyn Scott's second graders are getting ready for Easter by making Easter baskets and Easter decorations.

EDITORIAL

The second semester in school always seems to be busier than the first. With the senior class this is doubly so. At the present time they are planning their trip to Washington, D.C. They have been looking forward to it for several weeks now and as the time grows nearer, they are more excited than ever. The senior play which was given last week was the last great money raising effort of the seniors and their sponsors.

Grade Notes

The grade school library, now boasts 45 more books which have been replaced to look like new.

Miss Ruth Elshoff attended the last county nurses meeting Thursday, Mar. 26. The meeting was held at the Children's Center on Brush street in Detroit.

Blue Print Class Gets Started Here Monday, Mar. 30

E. V. Ellison reports that a course in inspection technique will be held from Mar. 30 to Apr. 3. It will consist of blue print reading, precision instrument reading, metallurgy, and shop safety. Those who have registered will be notified by mail at the present time. The teachers for the blue print reading are: Joseph Martin, Jr., draftsman at Kelsey Hayes company; Henry Croll of the Ford Motor Co.; and Mr. Ellison.

Around the School

The Redford Union high school is putting on a play last night and tonight Thursday and Friday, Mar. 26-27, in the school auditorium at Vassar and Lexington.

The Palladium staff is getting plans well under way for the Palladium. A number of glass room shows have already been taken but the bulk of the group pictures will be taken Mar. 21.

The Junior Defense Council and a Junior Red Cross committee have been appointed in the Senior Student Council by Mayor Bob Vogelin. The Defense Council is made up of Myron Gee, Duane Orr, Myron Uley, Bob McCuskie and Bob Vogelin. Miss Hattie Marie Moore will work with Dorothy Steninger and Ed Merritt of the Junior Red Cross committee.

The Junior high English class taught by Miss Hattie Moore have gone through with Hyman coloring "Easter Stamps." The eighth grade English class leads with \$25.80, and the seventh grade English class follows with \$13.10. This makes a grand total of \$38.90.

LOCAL NEWS

Allen John Malloy, son of Mr. and Mrs. Leslie Malloy, celebrated his sixth birthday anniversary on Thursday, Mar. 19, by entertaining his kindergarten classmates at school.

Helen Ann Castfield of the seventh grade, won second prize for sending in the correct answer to the question asked in the Current Science: "Why does a baseball player, although exerting violently in the hot summer sun, wear a wool shirt?"

Helen Ann's prize is \$1 in defense stamps. The Current Science is a paper taken by members of the seventh grade general science class to supplement their text book. The teacher is Miss Gladys Lowry.

Like everyone else we are "MAKING THINGS DO"

to conserve materials for the war effort!

HOG BRISTLES for paint brushes (largely imported from China)... tungsten (most of our supply comes over the Burma Road)... rope (Manila hemp) and burlap. These are just a few of the hard-to-get items that are now on the restricted list of materials needed for the war effort. Few people realize how long that list now is. It includes—in addition to such well-known things as rubber and copper and aluminum—many steel alloys (containing manganese, chromium, molybdenum, nickel, cobalt), chlorine, tin, antimony, magnesium, cadmium, mercury, zinc. There are dozens of other critical materials.

Here in the Edison Company, we are pursuing a policy of "making things do"... and of using substitutes wherever possible. We formerly built our farm lines of aluminum. When the shortage in aluminum developed over a year ago, we switched to copper. Now that copper is scarce, line extensions can be made only on government priority orders. So it goes all along the list.

We are using malleable iron castings instead of bronze, steel rods instead of brass on circuit breaker repair work. In our meter boxes, the "sleeving" on test leads is made of varnished cambric instead of rubber. Even in major plant additions, we are making numerous design changes necessitated by shortage of critical materials. These are a few of the ways we are cooperating with the nation's war effort.

The Washington Merry-Go-Round

DREW PEARSON & ROBERT ALLEN

Washington, D. C.
DONALD NELSON EXPLAINS
In his radio appeal for an immediate 25 per cent increase in war production, Donald Nelson announced that joint management-labor committees would be set up in every plant to devise methods of increasing output. There has been considerable conjecture since then over the scope of these committees; whether they should run the plants or merely be advisory.

The other day Nelson explained just what he had in mind in a private talk with Walter Reuther, former vice president of the powerful C.I.O. United Auto Workers, who more than a year ago proposed the so-called "Reuther plan" for the quick conversion of the auto industry into a unified mass producer of hundreds of planes and tanks daily.

While in Washington on union business after Nelson's broadcast, a mutual friend suggested to Reuther that he have a talk with the War Production chief whom he had never

met. Nelson greeted Reuther cordially, remarking that he had heard a lot about his plan but had not seen its details.

"I can tell you all about them in three minutes," said Reuther.

"Shoot," replied the war chief.

Nelson listened intently, asked a few questions, then summarized: "Essentially, your objective is the same as mine. The only thing on which we differ is the way to go about it."

"How's that?"

"We both want the auto industry to make all the airplanes, tanks and guns it can. Your plans called for joint committees to direct the conversion, with a government representative participating as a side-line adviser. I believe in doing it differently—one man for action and committees for advice. That's the way I have one man, my representative, in Detroit directing conversion, with the committees you proposed advising him. It's your plan, only in reverse."

Nelson also told Reuther that he hoped the joint committees would save their work, seriously and submit every practical plan for increasing production. However, Nelson stressed that he and not the committees would decide on the merits of the proposals, that the function of the committees was strictly "advisory."

Notes after first approving the joint committee plan, Secretary Knox later told Nelson he was opposed because it would "socialize U. S. industry." Knox contended that management alone should do the job. Nelson pointed out that without the full co-operation of labor, the war could not be won. "I expect full co-operation from the navy on my plan," Nelson said firmly. "or else. And if you doubt my word there is a man in the White House who will confirm it for you."

Lily Pons Opens Easter Seal Sale for Crippled Children

Miss Lily Pons, Metropolitan Opera star, is pictured officially opening the annual Easter Seal sale, buying a sheet of the colorful seals from Mrs. George Halmar, of Detroit and Missal Beach. The sale, sponsored by the National Society for Crippled Children, and its affiliated state and local societies, opened March 15, and will continue through Easter Sunday, April 5.

Michigan Mirror

(Continued from front page)
The public also favors limitation of profits by management as well as by labor. Post-war pensions for war veterans are now being considered.

Such is the unrest which is evident everywhere in Michigan today. We are losing a war, and we don't like it.

Holy Week

(Continued from front page)
Services Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and Sunday. Good Friday services will start at 7:30 p.m. with preparation for communion which will take place at 8 o'clock.

On Easter Sunday, communion again will take place, beginning at 9:45 a.m.

Incas Did Not Write
The Incas did not write. For records, for computations and messages, they used knotted cords called quipus. Small cords with knots in them were attached to the main cord. Special trained officers made and deciphered the quipus. The art is no longer known.
