Ready To Register Sugar Consumers May 4-7 at School

Alphabetical Arrangement for Registration To Be Used To Save Time for Registrants.

Hours: 4 to 9 p.m.

Beginning Monday, May 4, and continuing through Thursday, May 7, sugar rationing registration will take place for consumers in the Northville and Christensen school districts at the Northville grade school where the teaching personnel of the Northville schools will be authorized to do the registering between the hours of 4 and 9 p.m.

For the convenience of consumers, registering will be done in an alphabetical manner: A through Monday; P through L Tuesday; M through E, Wednesday; S through Z, Thursday.

It is stressed that this arrangement is to save the registrants the day specified for them, to appear on any one of the four days most convenient to them.

Must Give Data

One of the parents of each family unit is asked to register. He (she) will be asked to give the name, age, height, weight, color of hair and eyes of each member of the family. He (she) also will have to state the amount of sugar handled in the household.

Children under 18 years of age who are away from school, are to be registered here with the family unit; those in school and over 18, those to register individually wherever they are.

Authorized Agents

Invalids who cannot register will send a written statement with someone over 18 years of age or married authorizing them to be their registering agent.

In distributing the rationing books, one stamp will be taken out for each pound of sugar over the first two pounds the consumer has on hand.

If more than four stamps (one stamp for each pound excess of two pounds) are to be deducted in this manner, the rationing card will be withheld until a later date. However, the consumer is expected to register, regardless of the deductible amount of sugar he has in his possession.

At the present time, the rationing books are designed especially for sugar. But at any time, regulations from the government may put the book into use for other items that may be rationed.

Reason for Rationing

The problem of transportation is the biggest factor in making it necessary to ration sugar. Twenty-seven per cent of this country's sugar comes from the Philippines. Continued on next page

Bus Company Seeks Permission To Run Line to Bomber Plant

A request from a bus company to operate a transportation service from Pontiac via Farmington, Northville, Plymouth to Willow Run and Ypsilanti has been placed under advisement by the Michigan Public Service Commission.

The hearing was held Wednesday, April 22, at Lansing, where an application from the Victory Bus Line company owned by Stark Hickey, Ford dealer of Detroit, was received by the commission.

The Great Lakes Greyhound Corporation also requested permission to operate a bus line between Plymouth and Willow Run.

John L. Dalton of the Detroit Edison company attended the hearing as did Harry Mack of Plymouth.

Call Is Issued for Blood Donors

Registrations are being taken at the Forney Coal office for blood donors who will contribute a pint of blood to the armed forces.

Before the Red Cross Mobile unit will make a second trip to Northville, 100 donors will have to sign at the local headquarters.

The need is urgent. The army and navy forces are being increased daily.

Presbyterians Take Office for New Year

Installation Held for Officers of All Church Organizations, Sunday

In an impressive service of installation, the officers of the Presbyterian church and the heads of the various organizations were installed at the Sunday morning service.

To the Session, made up of the ruling elders and the teaching elder, Donald P. Verkes and Gerald V. Harrison were reelected. The four new trustees in charge of the temporal affairs of the church, added to the group of nine, were Dr. W. H. Johnson, George E. Price, Harold D. Tuck and Mrs. Charles F. Murphy. They succeeded Lee M. Eaton, Robert F. Coolman, Walter L. Coone and Mr. C. V. Yerkes. Mrs. Harry F. Wachtel was reelected treasurer.

In Northville, the blackout will be a practice for the civilian defense volunteers of rail warden and auxiliary police. They will be tested at various locations.

At the annual congregational meeting, Mr. Eaton, clerk of the Session, reported that 57 new members had been added to the church and making a total of 323 communicants. The benevolent giving is now an increase above last year's figure going beyond that of the Elder G. Hoy VanValkenburgh.

On the day specified for the civilian defense volunteers of rail warden and auxiliary police, they will be tested at various locations.

In distributing the rationing books, one stamp will be taken out for each pound of sugar over the first two pounds the consumer has on hand.

If more than four stamps (one stamp for each pound excess of two pounds) are to be deducted in this manner, the rationing card will be withheld until a later date.

However, the consumer is expected to register, regardless of the deductible amount of sugar he has in his possession.

Each of the various organizations will have its own representative at the meeting.

The registration begins April 27, the 45 to 65 age group.

The fourth national army registration brought in over 3,000 men in this area bracket in Board, 41 to 512 of them being reelected here during the 1920 election as the 1920 election.

In addition to the number registered at the Village Hall, 120 signs were put up at the McGraw building.

There were enough volunteers registrars on hand to see the registration moving rapidly and eliminating long lines. The heaviest time was from 7 to 10:30 a.m. and from 5:30 to 7 p.m. The registration was completed here shortly after 8 p.m.

Some persons had to be turned away because of age requirements. Wanting to do something for his country, a 74-year-old made his way to the registration board and wanted to "sign up." This was also the story for two or three who had reached the age of 66.

Board 61 is appreciative of the funds donated for the detail work by the volunteers. "They speeded the registration up and they did a splendid job," comments Charles F. Murphy, chief registrar.

The sermon of the evening will be rendered by the pastor, the Rev. E. E. Rossow, who has selected for his topic: "The Relationship Between the Christian and the American Flag."

The new flag will be placed at the side of altar near the American flag which was given the church a few weeks ago by the Women's Relief Corps.

Walther League Gives Flag to Congregation

A Christian flag will be presented in a special observance at 8 p.m. Sunday, May 3, in St. Paul's Lutheran Church.

The flag, a gift of the Walther League, a gift of the Walther Leaguers, will be given to the congregation by Norman Scheunemann, president of the Walther League.

It will be received by Clyde Detloff, chairman of the congregation. Henry Schmitz will direct his orchestra in numbers appropriate to the occasion.

The sermon of the evening will be rendered by the pastor, the Rev. E. E. Rossow, who has selected for his topic: "The Relationship Between the Christian and the American Flag."

The new flag will be placed at the side of altar near the American flag which was given the church a few weeks ago by the Women's Relief Corps.

Novi School Closes Monday To Register Sugar Consumers

The Novi school will be closed Monday, May 4 in order to accommodate local applicants for consumer ration cards.

The school will be open for the issuance of ration cards from 10 a.m. to 3 p.m. and from 7 to 9 p.m. Monday. On other days of rationing from 4 to 6 and 7 to 8 p.m.

According to Capt. Hugh McMurtry, while every effort is being made to distribute blank application cards through the Scouts and school principals ahead of time, those not receiving them are requested to obtain them and bring them back properly filled out to expedite and simplify the work.

First Practice

Blackout Is Set for Sunday, May 3

Stay-at-Homes and Motorists Required by Law To Observe Blackout Regulations General Throughout Wayne County

The need is urgent. The army and navy forces are being increased daily.

Volunteers on Alert

The ringing of Northville's church bells from 10 to 10:03 p.m. Sunday, May 3, will be the signal for the first practice blackout which is to be general throughout Wayne county.

The bells will be tolled again from 10:14 to 10:15 o'clock as the "all clear" signal.

Villagers in their homes and motorists on the streets and highways are required by law to observe blackout regulations.

Hours: 4 to 9 p.m.

Beginning Monday, May 4, and continuing through Thursday, May 7, sugar rationing registration will take place for consumers in the Northville and Christensen school districts at the Northville grade school where the teaching personnel of the Northville schools will be authorized to do the registering between the hours of 4 and 9 p.m.

The registration begins April 27, the 45 to 65 age group.

A release of bus for public transportation was issued by the Michigan State Highway Department.

The 1942 Michigan State Highway Department has issued a permit for the use of motor vehicles on roads.

The permit is valid from April 1 to October 1, 1942.

The permit is valid for all motor vehicles.

OBITUARIES

Edgar C. Hinkley

Funeral rites for an old-time res-
taurant, Edgar C. Hinkley, were held

Monday, April 27, from the Schrader
Funeral Home.

Mr. Hinkley died Saturday, April

25, at the age of 80 years, a victim

of a heart ailment.

Born in Schenectady, N. Y., Dec.

1867, he was the son of the late

Walter and Jane Hinkley. At the

age of four years, he moved to

Albion, N.Y., where he attended

school, the trade of cigar-maker.

Richardson will present the book
review for discussion.

roller skating ring of Northville.

Later he moved to the Joslin store

which is the present D. & C. store.

Years later, he sold the store and

made cigars again, this time in his

home.

At one time he was deputy oil

inspector under the late Frank S.

Neal. He was a Wayne county

deputy assigned to taking patients

to their homes. In this capacity,

he made seven trips to California

and several trips to the southern

states. Ill health made it necessary

for him to give up this activity

during the past three years.

Surviving him is his wife, Alice.

The Rev. Harold F. Fredsell of the

Presbyterian church, conducted the

funeral. Burial was in Forest

Hill cemetery.

Jennie Duart was born in Detroit
August 30, 1889. She was married to
William S. French of Detroit, May 4, 1888, and after a short residence in Detroit, they moved to a farm on Southfield road in Redford township, where they lived for 21 years, then moving

to Redford where her husband passed away in 1914. To this union one daughter was born: Mrs. LeRoy Granzow of Novi, who survives.

In 1928 she was married to George Duart of Novi, who survives her. Also in mourning her loss are one sister, Mrs. Rose Landen of Plymouth, and two brothers, William and Frank Darragh, both of Madison, O., and three grandchildren, D. W. S. Martin of Ludington, Mrs. Mabel Johnson of Birmingham, and Mrs. Bailey of Novi.

Funeral services were held from the Castner Funeral Home, Wednesday, April 22, Rev. A. K. Mac-

Reeves of Novi officiated. Interment was at Grandlawn cemetery.

Ross H. C. Stammann

Injuries sustained in an auto-
mobile accident last November

were responsible for the death Monday, April 27, of Mrs. Herman C.

(Anna Agnes) Stammann at Mt.

Carmel hospital, Detroit.

She was born Sept. 20, 1879, in

Walz, the daughter of the late

Charles and Anna Dannen. Having

lived in this vicinity since 1903,

when she was married Feb. 21, to

Mr. Stammann, Mrs. Stammann was

well known here and was active in

St. Paul's Lutheran church.

Her husband preceded her in death

as did one daughter.

Surviving her are three children:

Walter, Alvin, and Edora, of

Northville; three brothers, William

Waltz, Edward of Detroit, and

Daniel of Hamtramck; two sisters,

Mrs. Chris Marinaro of Saline, and

Emelia of Northville; one grand-
daughter, Nancy.

Brief rites were held at 1:30 p.m.

Thursday, April 29, from the home

of Dr. John Schrader, pastor of the

Methodist church. The Rev. E. E. Ross

officiated. Until Wednesday,

her body lay in state at the Casner

Funeral home. Burial was in

An article in the Sunday "Free Press," reveals that Pvt. Rex L. Dye, a former student here at Northville, has received a certificate as qualified parapentist at Fort Benning, Ga. Rex wrote his father saying that it is interesting, exciting and fine experience.

The sale of defense stamps in Northville grade and high schools is increasing rapidly. The grade school has purchased a total of \$465.50 while the seventh and eighth grade English classes purchased a total of \$26.25. Part of the seventh and eighth grade stamps are purchased through the high school book store.

ELECTRICITY and War

WAR brings rapid changes, but here are the facts about your electric service as it exists today:

LINE EXTENSIONS: Because of the critical shortage of copper, aluminum, and other metals, restrictions have been placed on line extensions to serve new customers. Unless our poles and lines run within 250 feet of your building, we are unable to extend these lines without approval of the War Production Board at Washington, D.C. Where buildings are nearly completed, and an extension of our lines is necessary to serve them, we will assist in preparing the forms required for special approval, and forward your application to the proper authorities in Washington.

ELECTRIC APPLIANCES: Electric appliances, like automobiles and other things made of metal, are being curtailed; and necessities like ships and defense housing will have first claim. We expect that electric ranges and water heaters will be available to a limited extent for replacement of worn-out appliances and for defense houses having priority.

USE OF ELECTRICITY: Last fall curtailment in the use of electricity became necessary in some parts of the country, mostly where unusually low rainfall affected water power plants. We have had ample generating capacity and still do for anything which can be foreseen. If a shortage should appear, requiring necessary curtailment, we will let you know about it.

Miss Gertrude Witt's pupils have begun the study of New York with their social studies. Pupils have selected many sub-topics which need further study: Skyscrapers, Rockefeller Center, harbor-boats, tunnels, bridges, Chinatown, sports, transportation and Grand Central Station.

Mrs. Pearl Hensel is glad to have Donald Graham, Marilyn Kisse, Phyllis Starr and Suzanne Wilde back to class after their illness.

Miss Selma Morris' pupils are starting work in their new workshop. Both groups are reading in Book One.

Mrs. Margaret Carpenter's class is studying how to use a telephone. Dick Schindler brought a telephone for demonstration.

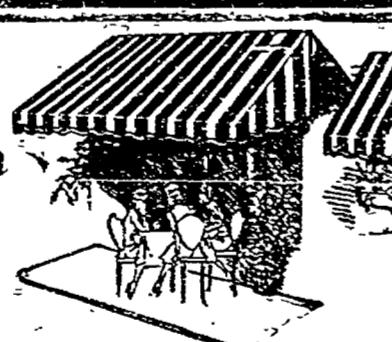

The kindergarten girls, Dolores and Daren Teskla for visiting the home of Mr. and Mrs. H. H. Hauseman, and Camp Fire Girls gave a present to Robert Robinson. They planted seeds in drinking cups and saucers. Federated Sunday School members were awarded yesterday by seeing their shots coming up.

Miss Carolyn Pratt's class is making a huge map of the whole world showing the Allies and Axis countries. They are also studying the central products of each country.

The Northville High School Manual training classes have made 10 Emergency Medical Corps. A. G. Charters, purchasing agent of the medical supplies, arranged with Mr. Wheeler to have the chests made.

They measure 16 inches by 24 inches by 2½ feet.

EDITORIAL

Today marks another Child Health Day by proclamation of President Roosevelt. During the past month of April, diphtheria and smallpox immunization took place among the Wayne county children. Michigan's immunization campaign part of a Nation-wide defense effort actually began in mid-March. Northville cooperated in the Custer Control Benefit by a card party in the N.H.S. gym in early April.

Throughout the year the Northville students had the opportunity

re-scheduling of buses, school hours, business and office hours, and by getting housewives to shop at off-peak times.

Extent to which the plan affects the lives of the average person may be seen by the fact that war plants rescheduled shifts. Those in the north part of the city now start at 6, 7 and 8 am, and those in the south sections at 6:30, 7:30 and 8:30 am.

Stores have changed their opening hours from 9 to 10 o'clock and schools from 8:30 to 9 and 9:15. Other businesses have rescheduled their opening and closing hours to lengthen the peak of transportation hours.
