THE NORTHVILLE RECORD

Nuptial High Mass Sung Thursday Morning for Rita Heatley and Bruce Turnbull

The high nuptial mass was sung at 9 a.m. by Rev. Fr. Joseph Healey, priest of Northville, for Rita Heatley and Bruce Turnbull, son of Marion Heatley, sister of the bride.

Sister Mary Cecilia preached at the organ and Mrs. Frank Johnson was soloist. The couple spoke their vows before the altar which was flanked with palms and gladioli.

The bride was given in marriage by her father. She was dressed in white satin, styled with a full skirt gathered onto a fitted bodice. The skin ended in a train. The finger-tip veil was held in place with orange blossoms. She carried a bouquet of white rose geraniums and orchids.

A breakfast for the bridal party and immediate members of the family was held after the mass at Marion Heatley's home.

Lives in Indiana

Mrs. Russell Bergeron

was Evelyn Weicker, daughter of Mr. and Mrs. Fred Weicker, before her marriage May 16. The Bergersons' only attendant was Mrs. John McLoughlin, who had been maid of honor at the wedding of Mrs. John Sprenger, best man George Russell and Emily Landow of Detroit, were ushers.

A breakfast for the bridal party and immediate members of the family was held after the mass at Marion Heatley's home.

Cousin of Bride Performs Marriage Rites Monday Morning in Chapel

The Rev. Fr. Amos McLoughlin of Newcastle, Pa., was in Detroit Monday to officiate at the nuptial mass which joined in marriage his cousin, Frances Pike McLoughlin, daughter of Mr. and Mrs. J. N. McLoughlin, of Detroit, formerly of Northville, and Frederick John Watson, Roman second class U.S.N.R., son of John Eaton of Cranbrook, and the Rev. Mr. Belitz.

The rite took place in the Duns Scotus Chapel at 10:30 o'clock Monday morning, July 6.

For her marriage, the bride selected a short, length-frock, floral pattern. It was styled with a draped bodice and V-neckline. This was accented with a large white spray hat trimmed with flowers and maline, rimmed around the brim. Her bouquet was of gardenias, heart-shaped.

The bridegroom's best man was his brother, Tom Jack Bolton and Jack McLoughlin were ushers.

Mrs. McLoughlin was dressed in a green print ensemble with navy-blue hat and accessories. She wore a corsage of orchids.

After the service, a reception was held in the Detroit Golf Club. The couple left that afternoon by plane for New York. Upon their return to Detroit, they will make their home on Delaware Avenue. Mrs. Bolton's traveling costume was a black and white gingham suit with matching hat and red accessories. Before her marriage, two courtesies were held here for the bride. Mrs. H. S. Wills was hostess last Sunday at a supper party. The following Tuesday, Mrs. Ernest J. Spivey entertained in her home at 12th and Grand in the Meadowbrook Country Club.

Mrs. Stok Is Honored At Shower

Contest

Mrs. John Stok was the guest of honor Monday evening at a shower given in the home of Mrs. Orren Hayes, wife of Mr. Edward A. Hayes, Mrs. Stok's brother. The guests included Mrs. Ward Schulz, Mrs. Milne Schultz, Mrs. Edie Wertheimer, Mrs. Grace Cook, Mr. E. M. Starkweather, Mr. Edsel Holden, Mrs. Christine Kunkel, Mr. Harry Lewis, Mrs. Fred Hines, Miss Adriph Triff, Mrs. Roy Robbins, Mrs. Harriet Spangler, Mrs. Mabel Harrington, Mrs. Elsie Carter, Mrs. Thomas L. and Mrs. Kenneth Daly.

Extension Service Gives Jam Hunts

In July 1, 1941, the Extension Service began its jam hunt, in the form of a contest, in the Michigan State College, East Lansing, for the following year.

Jams and preserves to be used in the jam hunt must be made from fruit or vegetables, including berries, root vegetables, etc. One pound of refined sugar is required, about 1 cup sugar. Cakes, jams and preserves somewhat larger than a 1/2 cup are made in the usual way. Jam is made in the usual way. With less sugar, it takes longer cooking to get the product as thick as is desired.

With corn syrup or honey—Replace up to half the weight of sugar called for in the recipe with honey or corn syrup. To make substitution by capsules rather than by weight is necessary to know that 1 pound of honey or corn syrup is approximately 1-1/2 cups. Replacing half the measure of sugar called for with honey or corn syrup and the sugar equals 1 pound or 4 capsules. 2 cups of sugar and 1-1/2 cups of honey or corn syrup is needed. Go to 80% what longer than if sugar were used.

Sperkowski-Robinson Vows Exchanged in Missouri

St. Louis, Mo., was the scene Tuesday, June 22, of an army wedding which ended in marriage Mrs. Elizabeth Robinson of Plymouth, and Pvt. Raymond Sperkowski of Novi, stationed then at Jefferson Barracks.

Attending the couple was Pvt. Orville Whitington also of Novi. The bride is the daughter of Mr. and Mrs. Fred Salter of Garden City. Mr. Sperkowski is the son of Mrs. Rose Sperkowski of Novi.

Mr. Sperkowski has been transferred from Missouri to Angel Island, off San Francisco, Calif. Mrs. Sperkowski has returned to Plymouth.

Sabothia-Brassfield Marriage Date Is Set

Mrs. Tisha Brassfield has set Aug. 2 as the date for her marriage to William H. Sabothia of Detroit.

The wedding will take place at 2 o'clock in the afternoon in the Ann Arbor Baptist Church, with a reception following in the League gardens.

Mrs. Brassfield has been the mathematics teacher in the Northville high school for the past six years. Mr. Sabothia is a member of the House high school faculty.

There is nothing more beautiful than a Bride. There is no memory worth more.

LEGAL NOTICES

MILLER, BALDWIN & BOOS, Attorneys for Plaintiff, Detroit, Mich.
MORTGAGE SALE—Defendant having been made in the terms and conditions of a certain mortgage made by Uncle E. Alexander, of the City of Detroit, Wayne County, Michigan, to Standard Savings and Loan Association, a Michigan corporation, of the same place dated the 23rd day of September, A.D. 1941, and recorded in the office of the Register of Deeds, for the County of Wayne and State of Michigan on the 24th day of September, A.D. 1941, page 324 on which mortgage there is claimed to be due, at the date of this notice, for principal and interest, the sum of Four Thousand Three Hundred Eighty One and 72/100 (\$4,381.72) Dollars, no suit or proceedings at law or equity having been instituted to recover the debt secured thereby. Now therefore by virtue of the power of sale contained in said mortgage and pursuant to the statute of the State of Michigan in such case

*Save
VITAMINS
in your cooking—*

...follow these simple rules for best results on your

ELECTRIC RANGE

Tests show that ONE-THIRD the vitamins in fresh vegetables may be lost through improper cooking before the food ever reaches your table. Your electric range can help conserve these important minerals and food values and aid in the preparation of healthful meals for your family if you follow these simple rules.

(1) Use little water in cooking. Half a cup is ample for most vegetables. Water-soluble vitamins are boiled away and poured down the sink when you use large quantities of water, wasting the very things you pay to buy steam-cooking vegetables; this loss is held to a minimum. Avoid the vitamin-destroying effect of the boiling process.

(2) Avoid prolonged and violent boiling. The longer foods are exposed to high heat, liquid and air, the smaller the loss of their vitamin content. On an electric range, there's no large amount of water to be heated before the cooking can start.

(3) Use covered utensils and do not stir. Stirring destroys certain vitamins, and stirring simply puts extra heat into the food. Always use covered utensils when cooking on the surface units of your range.

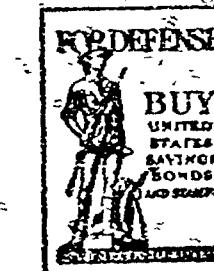

Send for free booklet—*The Care and Use of Electric Appliances*. Call or write our Detroit Edison office.

NEWS FROM NOVI

By Mrs. Luther Rix

The Caldera Caravan of the Detroit Free Press will be on hand to take pictures at the birthday luncheon to be held in the Methodist church Thursday, July 16. Tickets are now on sale. Mrs. George Atkinson has them at her home.

Clare Dean is the new pastor of the Nov. Methodist church. Church convenes at 10 and Sunday School meets at 11 o'clock. Mr. Dean is a teacher and lives at Flint.

Mr. and Mrs. Hugh Medder spent the week end with relatives in Utica.

The pastor is invited to attend an cream social sponsored by the Boy Scouts Friday evening on the Methodist church lawn.

Louis "Gambasy" Gowan, in the S. Navy, arrived in Novi Tuesday. He will spend some time visiting relatives in Detroit, his grandparents are Webster, and his aunt and uncle, Mr. and Mrs. Art Hicks in Novi.

Naomi Mason of Waller Lake has been to the past week at the home of her cousin, Judy Hicks.

Mr. and Mrs. Art Hicks spent the fourth of July week end with Mrs. Hicks' parents, Mr. and Mrs. Louis Hicks in Webster.

Mr. and Mrs. George Atkinson attended the wedding reception of Mr. and Mrs. Delbert Hauser of Silver Wood Saturday evening. Mrs. Hauser is a cousin of Mr. Atkinson.

The Board of Commerce had its monthly meeting in the dining room for 10 days.

The Novi annual school meeting will be held next Monday evening, July 13. Three new officers are to be elected.

The W. C. T. U. met Tuesday at its monthly business meeting at the home of Mrs. Lizzie Coates. The Baptist Mission Band had Thursday afternoon.

Fourth of July.

(Continued from front page) Chairman Elder Szwak spoke briefly and with due ceremony of To the Colors and The Star-Spangled Banner, the flag was raised at high noon. As the flag touched the top of the staff, a salute of 21 guns was fired at 2-second intervals.

At the Field.

The parade moved to Ford Field where prizes, all in defense stamps were distributed and the Red Cross Canteen served out free sack lunches to 400 children. Free bites distributed free during the day in the number of some 800 was part of the committee expense. A program of sports for the afternoon opened with a ball game between the Yanks and Tigers of the Old Scouts. This game ended with a one-run victory for the Yanks and a typical Empire State man to the delight of the crowd. The rest of the afternoon was devoted to races and sports as laid out in the official program with around 500 boys and girls and older folk having the time of their lives.

In the Evening.

At seven o'clock, the Exchange club ball team kicked the daylights out of the Rotary team. The game was fast, but no faults or errors, but exceptionally exciting at the time of their lives.

SUPPLIES TO RUSSIA

The fates and the weather were good to the Russians last winter. But now another twist of fate and the weather are working against the United States and Russia.

It so happens that the polar ice cap this year has come farther south than at any other time in 100 years. This has pushed the shipping lanes by which U. S. convoys carry supplies to Murmansk closer and closer to Norway and the powerful Nazi bases there.

Recently, it is that only 200 miles of sea separate the polar ice pack and the coast of Norway—a very narrow gap for ships to run facing simultaneous attack from the French, airplanes and destroyers.

This is why there have been losses on the route to Russia. It is also why the United States has not been able to deliver all the supplies promised.

Russia—though it has tried desperately—and the Russians have tremendously appreciated the effort.

To prey on this shipping, the Nazis have developed one of their strongest bases at Trondheim, Norway. There they have not only submarine, but land-based air planes. They also have the advantage during the summer of nearly 24 hours of daylight.

Therefore, convoys skirting the north tip of Norway have to fight a running battle for three days before they can reach Murmansk. It is continuous day and night fighting with scarcely a wink of sleep for the crews. Merchant vessels bristle with armament. Guncrews have been giving a magnificent account of themselves, but the odds are tremendous.

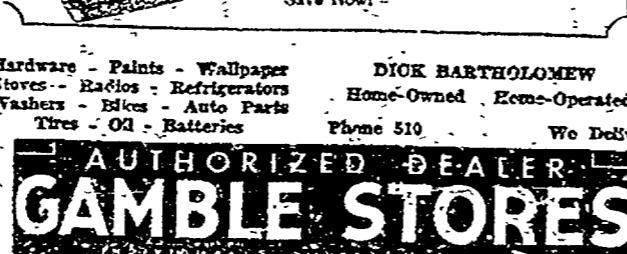

FRANCE GOES ANTI-NAZI

It can be no secret to the Nazis that scores of Frenchmen are sneaking out of France to England by small boat or even airplane. Some eventually have found their way to the United States.

The story they tell is one of the most encouraging of the war pictures, but it shows our state department to be lagging months behind in its policy toward France.

The people of France, say these

You Can Always Buy with Confidence at the Gamble Store

Gamble's Specials

heroes of midnight channel crossings, are so far ahead of the U. S. state department that it would be humorous if it were not pathetic. U. S. food shipments to French North Africa, they say, won't help win over the French people; if anything, will rot the independence movement there.

The French have been won over by much greater issues than food, and are satisfied at the state department's view that they would sell their souls for a mess of potage.

Here are the major developments which have really influenced France: 1. The behavior of the Germans in France.

2. The fact that Britain was not only able to prevent Nazi invasion, but now is so effectively bombing the continent.

3. The resistance of the Russians.

4. American entry into the war. Of all these, one of the most effective incidents was the British bombing of the Renault motor plant.

Frenchmen had been tipped off to leave in advance, and the dropping of the French flag along the Champs Elysees by a British fighter plane last week.

So when the Big Push does come, it will find an enthusiastic French people anxious to co-operate.

Note: The French fleet, these Frenchmen say, now will not be turned over to Hitler—not because of food shipments—but because the French sailors won't permit it; and the Nazis haven't got the 35,000 naval personnel available to man them.

AXIS OILFIELDS

Behind the frequent Jap bombing raids on North Australia is a very important fact, which has escaped the headlines. As long as General MacArthur's planes are based on North Australia, the Japs can't go ahead with their long-cherished plans to develop the oil fields of Java.

For long-range U. S. army bombers can carry pay loads to Java and make a stabilites of oil tanks and oil wells.

That is why the Japs still want to take North Australia, though since the Coral sea battle, they have cooled off on the idea of landing troops in the more populated and richer areas of southeast Australia—which, incidentally, are now strongly defended.

The same principle of long distance raids by U. S. army bombers is cutting into Hitler's oil supply in Rumania. For Rumanian oil tanks are well above ground and easy targets.

The people of France, say these
