IT'S A big wash for the duration...

give your electric washer this PREFERRED TREATMENT

To HELP YOUR WASHER stand up under the big load faces for the duration, keep in mind these few simple rules:

- (1) Drain washer and rinse tub thoroughly after each washing. Remove agitator or suction cups and rinse.
- (2) Wipe dry with a soft cloth to remove any soap suds or lint that may remain. If your washer has a spinner dryer, this too should be cleaned, rinsed and wiped dry.
- (3) Don't try to force thick, bulky articles through your wringer—and especially don't run through belt buckles or other hard objects that might cut the rolls. They are rubber, and precious!
- (4) Release the pressure on wringer when not in use. This saves the spring and the rubber, and prevents the rolls from becoming flat on one side.
- (5) Don't overload your washer. Cramping in too big a wash simply puts a strain on the motor, and results in a less satisfactory job.
- (6) When you finish washing, dry the wringer thoroughly, also dry the connecting cord and wind it up carefully. Leave cover off washer to prevent it from becoming musty. The Detroit Edison Company.

Couple Who Spoke Vows Here 50 Years Ago Celebrate Event at Dinner Party

Mr. and Mrs. George Joslin, who, for 50 years, remain true to their marriage vows, celebrated their anniversary here 50 years ago in the Rapids. A family dinner marked the occasion, celebrating the anniversary. The table was set with flowers, Sept. 11, at their home in Rapids, that have been in the Joslin family since they have lived in Michigan for 120 years. Dishes, too, which were wedding gifts of the George Joslins were used. Centering the table was a cake, flanked with fall flowers. These were gifts of neighbors in South Lyon.

In the afternoon, open house was held for callers from Plymouth and Detroit.

The Joslins have four children: Mrs. Clarence Cahoon, Lyman Joslin and Mrs. DeForest Thompson of South Lyon, and Mrs. George Gardner of Northville; and seven grandchildren: John, George and Shirley Carroll, Gertrude Joslin, Marion Thompson, Percy and Donald Gardner.

Before her marriage Mrs. Joslin was Robina Smith of Redford.

Are You Sure?

Does Your Child Have Satisfactory Vision? Better Eyesight Means Better Grades

Check the eyesight of your children now, before school begins. Glasses and books mean extra eye-strain, causing fatigue and poorer work. Don't hamper the opportunities for your child's success in school.

MANY CHILDREN ARE SUFFERING FROM DEFECTIVE EYESIGHT . . . Faulty Vision is a common cause of:

(1) Slowness in reading (2) Inaccuracy in reading (3) Low comprehension (4) Failure to remember (5) Wandering attention.

Other indications of eyestrain in children of school age:

(1) Squinting (2) Irritability (3) Bad posture (4) Strained facial expressions.

Have their eyes examined NOW
