# THE MOST IMPORTANT ANNOUNCEMENT EVER MADE BY THE U. S. TREASURY DEPARTMENT

**The 9 Billion Dollar Victory Loan Drive Is On!**

This week the United States Government begins the task of borrowing nine billion dollars from accumulated savings and idle funds in the next several weeks as an essential part of winning the war more quickly and more completely.

During these critical weeks you probably will be visited by a representative of one of the securities firms or banks which are contributing their time and effort—without compensation of any kind—to the Victory Fund Committee. He will explain to you, for instance, the benefits that you can obtain from the new Victory 2 1/2's—available for the first time. Welcome him as a war worker when he calls. If you miss him, ask your banker or securities dealer for full particulars. There is no limit to the amount that you can purchase.

Today many American families are torn apart. Millions have left their homes or their jobs; thousands have given their lives and many more are prepared to do so.

But the government, your government, is not asking you to give anything to this Nine Billion Dollar Drive. It is asking you to lend it all of the money you can possibly invest in what is the safest investment in the world—at a good rate of interest.

When the Victory Fund representative calls, please remember this: it is in your own interest, as well as that of your country, to listen to him—and to invest.

Other Treasury Securities offered to investors through the Victory Fund Committee are Treasury Tax Savings Notes A and C, and U. S. Savings Bonds, Series F and G.

Oh, yes—that must be Mr. Jones' call! I'll try to find him for you

## War is on the Wires, Mr. Jones!

ALL TIME is precious these war days—and especially telephone time. Yet hundreds of hours are wasted daily by people who place a Long Distance call, then leave the telephone and are not there to take the call when the connection is made.

Long Distance lines now are crowded with military and war production calls. Normally we would build enough additional lines and equipment to take care of all demands. But we can't do that today because the necessary materials are more urgently needed for fighting.

To make the most efficient use of what we have—to keep the wires clear for the fast transmission of war calls—those are responsibilities shared by every telephone user. For our calls must go through!

Here are some ways in which you can help:

1. Keep all your telephone calls as brief as you can.
2. Don't call Information for numbers listed in the directory.
3. Make only the most essential Long Distance calls, and avoid especially the crowded lines to war production centers.
4. When possible, give the number of the distant telephone you are calling.
5. If the operator can't complete your call promptly, stay close to the telephone, ready to answer when it comes in.

OBITUARY
Carrie Simmons
Carrie Simmons, daughter of Angeline and J. Morrell Simmons, was born at the parental home in Livonia township on Nov. 13, 1871, and passed away Nov. 27, 1942.
She spent all of her childhood and schooldays in that vicinity until moving with the family to the village of Northville in the year 1891.
She was the loving attendant of her mother during her declining years and after her death, moved in the spring of 1908 to Plymouth, where she was married to Truman Lempman. Surviving members of her family are her sister, Mrs. Pearl Johnson and Mrs. Nellie Sealey preceded her in death.
The funeral was held Monday afternoon from the home of her sister, Mrs. Ed Miller, 119 West street. Rev. Harold Fredsell of the First Presbyterian church was the officiating minister. Burial was in Rural Hill cemetery.

LEGAL NOTICES

MILLER, BALDWIN & BOOS Attorneys at Law, Detroit, Mich. MORTGAGE SALE - Default having been made in the terms and conditions of a certain mortgage made by Harold G. Kaiser and Hazel M. Kaiser, his wife, of the City of Detroit, Wayne County, Michigan, to Standard Savings and Loan Association, a Michigan corporation, dated the 28th day of July, A.D., 1941, and recorded in the office of the Register of Deeds for the County of Wayne and State of Michigan, on the 5th day of July, A.D., 1941, in Liber 3453 of Mortgages, on page 309 on which mortgage there is claimed to be due, at the date of this notice, for principal and interest, the sum of Two Thousand Seven Hundred Forty-eight and 26/100 (\$2,748.28) Dollars.

No suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof. Now, therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on Thursday, the 25th day of February, A.D., 1942, at twelve o'clock noon, Eastern War Time, said mortgage will be foreclosed by a public auction, to the highest bidder, at the Southern or Congress Street entrance to the County Building in the City of Detroit, Wayne County, Michigan (that being the building where the Circuit Court for the County of Wayne is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon and all legal costs, charges and expenses, including the attorney fees allowed by law, and also any sum or sums which may be paid by the undersigned, at or before said time, necessary to protect its interest in the premises, including taxes and/or assessments. Which said premises are described as follows: All that certain piece or parcel of land situated in the City of Detroit in the County of Wayne, and the State of Michigan and described as follows, to-wit:

TO ALL OUR CUSTOMERS: There is no shortage of electricity in this area. Other things are scarce. Tires are not to be had; a pound of coffee is a real prize; it is no disgrace to wear a well-darned stocking; there are not enough buses or street cars at the rush hour; sugar is rationed; but you can have what electricity you need, even at the electric rush hour in the early evening. Perhaps we were just lucky: Our judgment could have been wrong; we have been wrong before. But more than five years ago we raised the money and placed the orders for the first of the three big new turbines that make us pretty sure now that electricity will not have to be rationed here. And so it is with coal for our power houses. No shortage has developed but just the same we have enough coal on hand to last many months at full tilt if our supply should be cut off. That stock of coal cost us six million dollars but electricity is too vital a thing to take chances on. THE DETROIT EDISON COMPANY acmarshall PRESIDENT

Farmers' Week Set For Feb. 24

Streamlined for war service to Michigan agriculture, the 28th annual Farmers' Week at Michigan State College has been dated for Tuesday, Wednesday and Thursday, Feb. 2 to 4.

To sound the keynote, E. L. Anderson, dean of agriculture and general chairman for the event, expects this Farmers' Week to be in greater degree than ever before for the best available information.

War superfluities effort to supply food required in 1943 must be allied with the information resources which the college can provide in suggesting labor saving devices, short cuts in production and the control of diseases and insect pests.

Michigan State College has served farmers for nearly a century. Farmers' Week will be streamlined to three days but the program will be geared to the war-problem.

More than a score of state farm and breed organizations have indicated their desire to hold their annual meetings again on the program as part of the Farmers' Week program.

Attendance will likely fall far below the level of previous years when the date of 1939 to 1940 led to the attendance records of all other farm events in the nation.

Those who do attend will return to all sections of the state vested with information which they can be using to re-organize and improve the East Lansing campus.

Advanced schedules and complete demonstrations are being prepared by committees, within the agricultural and other divisions of the college.
