Dog Warns of Early Morn Fire

About five o'clock in the morning of Wednesday, Dec. 30, Gust School was awakened by the frantic bark of his dog Jack to discover that the inside of his house was blazing. He probably owes his life to the dog's efforts to awaken him. The fire was caused by an overheated stove. The Northville fire department was summoned and their prompt action saved the house. The damage was made inside and is estimated at about \$200. The loss is covered by insurance.

Only 4 Gallons Gas Means How Many Miles To You? 1 We hope it will mean eighty (80) good full miles. 2 We hope it will not be just forty (40). 3 You can do something about it. 4 But if you do not try to do something about it, you may get less than forty. 5 Your spark plugs will have a lot to do with the miles you get out of that 4 gallons. 6 Your distributor can waste a lot of drops of that precious 4 gallons. 7 That carburetor may rob you of a lot of miles that are rightfully yours. 8 A weak battery, underinflated tires take toll out of your 4 gallons. 9 We would like to help you. We have helped lots and lots of folks.
