OBITUARIES

Ermina E. Fuller
Ermina E. Fuller, widow of the late A. Edgar Fuller, died at her home on West Seven Mile road, Saturday morning, Jan. 23, after a short illness, preceded by a long period of declining health.

Mrs. Fuller was born Feb. 25, 1874, in Ashabula, O., the daughter of William and Josephine Large. When she was five months old her father died and her mother brought her family to Michigan. Sept. 5, 1896, she was united in marriage to A. Edgar Fuller. Three children were born to this union. They are: Russell Fuller, of Wayne; Howard W. Fuller, of Detroit; and Mary Meeker of Syracuse, N. Y. Besides her three children she is survived by five grandchildren: Edna Mary Elmer, Detroit; Carolyn and Gordon Fuller, Detroit; and Merrin, Jr. and Helen S. Meeker, Syracuse, N. Y. A brother, Edmund H. Fuller, of Ashabula, O., and two sisters, Mrs. Ida Purnam, Williamstown, and Mrs. Maude Parmenter, Northville, also survive.

Mrs. Fuller was an active member of the Methodist Church, having joined Dec. 16, 1907. She was an active member of the King's Daughters since 1912 and a member of the Order of the Eastern Star.

IN MEMORIAM
In memory of Sherill, Ambler who passed away 19 year ago today. "Beyond Life's Gateway" There's an open gate. At the end of the road Through which we must go alone And there in a light we cannot see Our Father calls His own. Beyond the gate love loved one Finds happiness and rest And there is comfort in the thought That a loved one known best Sadly missed by all who knew him.

is no memory save beauty. There was peace upon her brow for her day ended with tranquility. In life, in death, no dark thought came to mar her ever radiant star.

CARD OF THANKS
To those kind people who last Monday night aided me to my home after I fell on the ice near Harton and E. Main, I wish to express my thanks. I was too dazed to even ask their names or to thank them then. I therefore take this way of saying Thank You to them.

CARD OF THANKS
We wish to express with sincere thanks our appreciation for the flowers, cards and fruit sent us by our friends, and different organizations, for the many acts of kindness of your good neighbors during our illness. To Dr. Atchison and his nurses, to Mrs. Spencer and especially to Mrs. Ray for her devotion to our mother during her illness.

CARD OF THANKS
Many thanks to the King's Daughters, Garden Club, Chapter, Methodist Church, Society, Baptist Church, and School, friends, relatives and neighbors for their beautiful floral tributes and expressions of sympathy to the loss of our dear mother. To Ray and friends for their special kindness. We thank you. The family of the late Mrs. Leadbetter.

Michigan Mirror

Weekly Letter from Michigan
Press Association

Consider the political importance of Michigan farmers on issues of currency and war time and the public careers of Prentiss, Town, Murray D. Van Wagon and Harry F. Kelly.

Thelma Grover, daughter of Mr. and Mrs. Tony Belanger, and Corp. William Rontz, son of William Rontz of Alma, Michigan, were united in marriage Saturday evening, Jan. 10, at the Evangelical Lutheran Church, Rev. E. E. Rossow officiating at the double ring ceremony.

The bride, in white satin and lace, fashioned on princess lines, carried a bouquet of English roses, carnations and gardenias. Her veil hung from a Julietian trim with a narrow braiding of white satin. She was attended by her aunt, Mrs. Irene Porok of Detroit, and her bridesmaids, Misses Ruth Jean Hyorstadt of Berea and Peggy Meyer of Detroit. Maid of Honor, Miss Brown, Plymouth, a niece of the groom, was flower girl. All the bride's attendants were identified by a corsage of velvet and taffeta in different deep jewel tones, and carried cascade bouquets of mums and roses in blending shades. They also wore thunstone bracelets, a gift of the bride. The bride's trousseau consisted of a wrap in pink and white tulle.

The bridegroom was attended by William Rontz, uncle of the bride, as best man. The ushers, who followed the 70 invited guests, were Charles George and George Dulz.

After the ceremony a reception was held at the VFW hall in Redford. The bridal table was covered by a three-foot wedding cake on a dais which was a bride's

Hundreds of Michigan farmers who helped their production efforts in 1942 will receive recognition awards similar to those given industrial workers.

Prof. E. L. Anthony, dean of agriculture at Michigan State College, said today that farmers would be joining at Farmers Week to be held at the college Feb. 24. The meeting will be the first of a series of programs Michigan farm resources for "efficient production" and "feed time for freedom" will be the official slogan.

Outstanding farmers from every county these efforts helped make Michigan a wartime bulwark agriculturally as well as industrially, will be honored at the ceremony.

Gov. Murphy, who will speak on Feb. 24, will be introduced by Gov. Kellie.

Michigan farmers to these recognition awards will be those who

NEW NATURAL GAS SERVICE

With the close of the year the natural gas installation was completed by the Consumers Power Company in some thirty-six communities in Macomb, Oakland and Wayne counties. It was a big job and we want to express our thanks for your fine cooperation. With the advent of the new gas, there may be some questions. Here are some that may have arisen, together with the answers.

1. Are we getting mixed gas or 100 percent Natural Gas?

ANS. It is 100 percent Natural Gas. Some of it comes from the gas fields of central Michigan, some from the Texas Panhandle. No manufactured gas whatever is being turned into the mains.

2. Is Natural Gas better than manufactured gas?

ANS. Natural Gas is better in this way. Since there is more heat in the same quantity of Natural Gas than in manufactured gas, you can boil a kettle of potatoes or heat a tankful of water with less gas than formerly and at less cost.

3. How does the cost compare?

ANS. Natural Gas costs less for the same amount of heat. A cubic foot of Natural Gas compares with a cubic foot of manufactured gas as a large Grade A egg compares with a human egg.

4. How much will my gas bill be reduced?

ANS. The saving to the average customer is estimated at 21 percent. But no customer is "average" and the saving will be smaller or larger in practically all cases, depending on the amount of gas used.

5. If Natural Gas gives the customer better value for his money, doesn't that mean the Company will receive less revenue?

ANS. That's right. But after the War the Company hopes to sell a great deal more gas than formerly, particularly for house heating. Natural Gas is the perfect fuel for house heating, and the cost is reasonable.

6. At present, can I change from some other fuel to gas for house heating?

ANS. Not now. War needs come first. Government limitations must be respected pertaining to house heating as well as to service for additional cooking or water heating customers.

7. With restrictions of that kind in effect, what good did it do, aside from a saving to your present customers, to bring Natural Gas to this area?

ANS. It gave our war production industries the benefit of a superior fuel for processing. And it puts the some 30 communities in a better position to meet peace time demand after the War.

Your cooperation in conserving natural gas will help keep the supply ample for war needs. Use the gas you need, but don't waste it.

I thought you might be glad to receive a small paper from the Thomas, Virgin Islands and display it in your window to show some of the home front people. I have received the issue of Dec. 11, 42 and am really getting caught up in the dates. I appreciate your Record very much and some of my buddies say it is a very interesting paper for a small town. I hope every body is in good health and are working good and hard so we may hurry up and win this war and come back to our homes. Well we have just received our new captain at the Submarine Base and he is from Navy Base, Chicago, Ill. He gave us a little talk and we were to get the submarine, etc.

We are all feeling fine here on this island which is only 35 miles from the coast of the Virgin Islands and is surrounded by the Caribbean Sea and the Atlantic Ocean. Well, I am studying to be a smith and I am a little better and I hope to get around Feb. or March. Well I have 7 months down here. The 26th of this month are I'll have a year in this place. I am going to get a leave pretty soon. I am going to put in for it in May and probably get it around July or Aug. or a little later.

Yours truly,

Forward Into '43 With Our Men in the Service

(Continued from front page)

I thought you might be glad to receive a small paper from the Thomas, Virgin Islands and display it in your window to show some of the home front people. I have received the issue of Dec. 11, 42 and am really getting caught up in the dates. I appreciate your Record very much and some of my buddies say it is a very interesting paper for a small town. I hope every body is in good health and are working good and hard so we may hurry up and win this war and come back to our homes. Well we have just received our new captain at the Submarine Base and he is from Navy Base, Chicago, Ill. He gave us a little talk and we were to get the submarine, etc.

We are all feeling fine here on this island which is only 35 miles from the coast of the Virgin Islands and is surrounded by the Caribbean Sea and the Atlantic Ocean. Well, I am studying to be a smith and I am a little better and I hope to get around Feb. or March. Well I have 7 months down here. The 26th of this month are I'll have a year in this place. I am going to get a leave pretty soon. I am going to put in for it in May and probably get it around July or Aug. or a little later.

Yours truly,
Lawrence James Bogart,
Seaman, First Class.

Dear Mr. Canfield,
I have been waiting to write and thank you for sending the Record to me down here in Cuba. I have been home on "boot" leave in Oct.
