With Our Men in the Service

NOTE—This column is dedicated to news of men and women from Novi and Northville community who are in the service.

I have meant to thank you for sending me the Record which I have been receiving for several months; have enjoyed it very much. The soldiers' letters are especially interesting because through them I know where the fellows are and what they are doing. Also I find out all about the home town and what everyone is doing.

Here in Texas, I am just about as far away from home as I can be and still be in this country. I am at the Laredo State Normal school taking a course in mechanical engineering. We are kept pretty busy right now but I find it very interesting. The weather is fairly warm but not too hot yet.

Thanks again for the Record, I really appreciate it.

John Garrity, Robert Coleman, and Jack Peters who leave for the service soon were guests at the joint meeting of Exchange and Rotary Wednesday, Mr. G. V. Harrison presented the boys with a present from the clubs.

Alex Strachan, who was stationed at Camp Kilmer, New Jersey, has been given a medical discharge and is now at his home on Horton ave.

Received the Record today and sure enjoy seeing how the things are back home.

The weather here is fine now, although we had rain almost every day for two weeks, the same as Michigan did.

I get letters from folks in town too, so I guess I am pretty well posted on news around Northville.

Have 40 other fellows here from different parts of Michigan but nearly all other states too.

Sincerely  
Pvt. Howard Dixon

Ted Williams arrived home for a three day visit Tuesday and left Thursday for his station at Camp McCoy, Wis. Ted is looking well and has just completed his clerical school course and expects an early assignment.

Bob Lyke is now stationed at Shepherd Field, Texas.

Ralph Stiff of West Seven Mile road, is now at Camp Roberts, Calif.

Roger Miller, son of Mr. and Mrs. Don Miller, First St., is now in North Africa.

How is everything in Northville? Was glad to receive your paper, dated May 14 which arrived here today. But it was addressed to my former location in Denver, Colo. Would it be any trouble to send it to me at my present address in California. I like to read it very much. Thank you.

Pfc. Rollin Hollis

Received the Record yesterday as usual, every week. Wish to inform you of my change of address again. Thanks a lot for your kindness in sending paper.

John B. Munro

Frank Oliver Durnam, 1942 graduate of N.E.S., who entered the Army in January, has graduated from the "armament" school and is at Buckley Field.

Harold Schoultz, son of the Charles Schoultz, Base Line Rd., was home this week on a seventy two hour leave from Madison, Wis., where he was recently transferred from Laramie, Wyo.

Proving once again the old adage as to how small the world really is, a letter received here by Mrs. W.E.A. Fly from a niece in Tyrone, Calif., tells of giving a ride to a soldier on his way to March Field, near Riverside, who spoke of his home in Northville, Mich. Mrs. Fly's niece told of visiting relatives here and learned that the young man's name was Ray Parmenter, son of Mr. and Mrs. Alford Parmenter, Orchard Heights.

Jos. Modos of Orchard Drive, has received a letter from his sister, WAAC Mary Modos, telling of her safe arrival in North Africa.

Corp. Therman Bray of Camp Barksdale, Shreveport, La., is spending a few days leave with his wife, the former Frances Alexander, and his new son, Paul. Corp. Bray was called here by the serious illness of his mother, Mrs. Charles Bray of Owego, who is now in University hospital, Ann Arbor. A brother, Lieut. Arthur Bray, stationed at an Army Air Corps camp in Courtland, Ark., has also been a visitor at the Alexander home on Linden street, this week.

Martin Simmers of 235 Church st., has been transferred from Camp Custer to Camp Hagan, Calif.

### Speaker at Commencement

Dr. Hartman A. Lichtwardt of Detroit will deliver the principal address at the annual Commencement exercises to be held this year on Thursday evening, June 17. Dr. Lichtwardt was stationed for many years at Farnham, Iran, where he had charge of the American Christian Hospital. War conditions forced him to return to the United States, with his family, and he is now a member of the surgical staff of Henry Ford hospital, Detroit. Born and educated in Detroit, Dr. Lichtwardt served in the medical corps of the U. S. Army in the last war, before going to the foreign field in 1919.

Mrs. E. R. Gould of Detroit is making a vacation visit at the home of her daughter, Mrs. Robert Lyke.

### Changes in Red Cross Personnel

Local Organization Makes Some New Assignments of Officers and Chairmen

Some slight changes have been made in the personnel of the local Red Cross board of directors and the revised list is as follows:

Chairman, Volunteer Service chairman: Mrs. Alex M. Lawrence; Volunteer service chairman, Mrs. Donald Sober; Blood donor chairman, Mrs. W. E. Forney; canteen chairman, Mrs. Arlo M. Hauger, First Aid Mrs. Harvey Whipple; Junior Red Cross chairman, Mrs. Harold Tuck; Production chairman, Mrs. W. H. Canfield; Staff assistant, Mrs. A. H. Vogtlin; Home Service aides, Mrs. Canfield and Mrs. Forney.

Masculine advisors on Board of Directors are: L. M. Eaton, W. H. Canfield, Harold Bloom, Father John Lynch, D. H. Van Rove.

Mr. W. E. Walker, Jr., of Eight Mile road was the speaker at the joint meeting of the Exchange and Rotary Wednesday. Mr. Walker presented Mr. Kiplinger's thoughts on the war and the war and the transition period as it applied to the many questions businessmen were asking today.

### Safety Patrol Boys Go to Ball Game

The Northville Safety Patrol boys went to Briggs Stadium, Detroit, Thursday to attend the ball game as the guests of Mr. Briggs. The boys and a big time and thoroughly enjoyed the adventure. Local people drove the boys to the game. They were previously scheduled to attend the game about three weeks ago but were rained out.

### School Sells Over \$56,000.00 in Stamp and Bond Sales

The Northville Public School at the close of business Wednesday evening, has sold a grand total of \$55,400.10 investment value of War Saving Stamps and Bonds. The high school sold a total for the year of \$34,715.30, and the grade school \$21,685.80. A wonderful record that the community may be proud of.

This week the grade school sold \$829.20 worth, and Miss Holt's third grade was high room with sales of \$795.60 investment value. For the year Miss Holt's third grade stood as high room with sales of \$238.70, while Miss Carpenter's first grade was second with sales totaling \$481.59.

This week in the high school, Mrs. Cook's room was high with sales of \$1039.60 out of \$1677.16 for all the rooms.

The week of June 6 to 14 has been designated as Flag Week, local business houses and private homes have responded in good measure by flying the colors of the U. S. A.

### Opens Pastorate

Rev. Floyd Young, of Detroit, will take over the ministerial duties at the Northville Baptist church, beginning Sunday, June 13. Rev. Young has recently completed a year's training at the Northern Baptist Theological Seminary in Chicago.

### Alumni Reunion Friday June 18

### Essential Dates and Information Affecting the Welfare of the "Vanishing Civilian"

This is a regular weekly feature designed to aid you in your current purchases of items rationed by the government. This newspaper believes this service will enable individuals to cooperate more fully in winning the war on the home front.

SHOES—Stamp 17 in War Ration Book One is good for one pair of shoes until June 15. Stamps may be interchanged among members of one family. Stamp No. 18 (1 pair) will become valid June 18.

FUEL OIL—Stamp No. 5 good until Sept. 30, 1943. Auxiliary applications for fuel oil must be made on proper form and sent to the Rationing Board for your area. Applications for 1943-44 fuel oil rations will be mailed to present users in approximately the same amount as was granted in the original ration last fall. Owners need not prove non-convertibility for household heating rations.

COFFEE—Stamp No. 24 (1 lb.) became valid May 31 and is good through June.

SUGAR—Coupon No. 13 became valid June 1, and will be good for 5 lbs. through August 15. Coupons No. 15 and 16 are good for 5 lbs. each for home canning purposes. Housewives may apply to their local boards for additional rations, if necessary.

Coupon for sugar for home canning available at local ration board on and after May 15.

MEATS, FATS, FISH, CHEESE, Etc.—Red Stamps J, K, L, good through June 30. L becomes valid June 6.

Here is how meat and fat rationing is different from canned goods. Your butcher can give you "change" in one-point ration stamps when you find it impossible to give the exact amount of stamps.

Ration points are adjusted from time to time, depending upon demand and supply, as illustrated in the reduction in values of prunes and raisins. Prunes and raisins were dropped from 20 to 12 points; dry beans, peas and lentils were reduced from 8 to 4 points per pound.

PROCESSED FOODS—Blue Stamps K, L, M will continue good through July 7.

GASOLINE—No. 6 Coupon valid May 22 to July 21st.

"B" Book—Tickets good until date on ration card. Tires must be inspected every 4 months. "C" Book Tickets good until date on ration card. Tires must be inspected every 3 months.

"T" Book—Truck tires must be checked every 2 months or every 5,000 miles, whichever comes first.

GAS RENEWALS—Renewal requests for "B" or "C" gasoline coupons may be made by mail. Blank may be obtained at the Record office. Fill in the application (making it consistent with your original application) file your tire inspection sheet to the application and mail to Rationing Board, Plymouth, Michigan. New coupons will be mailed to you. You need not surrender your present "B" or "C" book until requested to do so by the Board issuing the new book to you.

BOARD HOURS—The Plymouth Rationing Board No. 33-82-19 is open six days a week from 8 a.m. to 5 p.m. except Wednesday afternoon when the office is closed to the public in order to keep up on the books. Thursday night office is open until 8:30 p.m. People in Oakland County may contact their board at branch offices in South Lyon, Farmington and Walled Lake, or at the main office in Pontiac.

 Baccalaureate services for the Novi graduating class took the form of a Union service in the Methodist church Sunday evening, May 3. Rev. Dean, of that church, gave the sermon and Rev. Cook of the Baptist Church assisted. Special music was rendered by the Vanderjagt group of musicians.  
 On Wednesday evening commencement exercises were held in the high school auditorium. The professional was played by Mrs. Earl Cook and Rev. Earl Cook gave the invocation. James Travis furnished an instrumental solo. Freda Bidwell then presented the salutatory. The address of the evening was given by Dr. E. Clyde Ford of Ypsilanti, formerly professor of languages at Michigan State Normal College. Lenore Putnam delivered the valedictory and Miss Ruth Frank of Northville sang a solo accompanied by Miss Francis Robinson. Physics Lyke made the class presentation and diplomas were bestowed by Supt. H. W. Medler. A benediction by Rev. Cook closed the program.  
 A school and community picnic for Novi was held at Waller Lake Friday, June 4, sponsored by the Novi Mothers' club. The affair was a great success, about 150 attending.  
 Graduates of Novi high school enjoyed a trip to Greenfield Village and radio station WJR, Detroit on Monday of this week. Supt. and Mrs. Medler accompanied the group.  
 Novi Boy Scout troop No. 54 will leave today, Friday, for a week-end Scout "Camporee" at Westport. About twenty local Scouts plan to make the trip with the leader, Scout superintendent Medler. This camporee will be under the supervision of the Grand Valley Council and some three or four hundred boys are expected to attend.

**This Week**  
 Last week was a relatively quiet one in the war. The battle for Attu Island entered its final phase. Allied planes kept up a steady rain of bombs on Axis Mediterranean ports and European production centers. Storms raging over most of the southwest Pacific hampered air activity in the Solomons and in New Guinea.  
 When the week opened, the trapped Japanese garrison on Attu had been split up into three groups of isolated pockets, harassed continually by low-flying American fighter planes. Attu village had been virtually wiped off the map by U. S. bombing and strafing planes. Then, on Wednesday, the Navy announced that one of the three Jap pockets had been wiped out and that army ground troops were attacking another.  
**Enemy forces trapped in the area around Chicago of past week** were cleared up by combined northern and southern American ground forces. The assault was made along the ridge of Chicago valley and was supported by army bomber and fighter planes. The same forces then attacked the second isolated Jap group, the garrison holding out farther north in the area around the Chicago harbor, and a fiercer fighting in a co-ordinated attack along the ridge south of the harbor. U. S. army troops succeeded in gaining a foothold on the ground south of the harbor. A U. S. naval ship bombarded the Jap positions, installations in the area and started numerous fires. The ground troops captured the Jap trenches and buildings. The Japs were destroyed. The Japanese have fought back but their retaliatory bombing had little effect on the American advance. Secretary of War Stimson, holding a press conference in Washington said the attacks were carried out by members which appeared and departed for the sea. It suggested that the planes were operating from the bases in the Kurile Island group.  
**Casualties Comparatively Light** in complete reports of American casualties in the struggle for Attu show 122 killed, 393 wounded and 118 missing. Secretary Stimson, in giving out these figures said Japan's losses were believed to be heavier.  
 Bad weather, this he said, the Americans in their initial landings, subsequently hampered their progress in the campaign, interfering with the naval artillery and aerial bombardment. The army has been advancing steadily under conditions of sleet and snow, but freezing temperatures and heavy fog have prevented the full use of supporting air power. Most of the fighting has been between infantry units using bayonets and hand grenades.  
 Secretary Stimson predicted that if air operations can be continued in good weather, the clean up of the Japanese will be expedited.

**Mediterranean Bombing Attacks**  
 The heavy pounding of Allied bombings was inflicted over and over last week on Italy's most important ports. Harbor installations, supply centers, rail and road facilities, airfields, warehouses, ships in Sicily, Sardinia, and Italy felt the destructive might of Allied planes. In one day alone, more than 900 planes of Maj. Gen. James Doolittle's strategic air force swarmed over Sardinia, meeting no fighter opposition and no anti-aircraft fire, wrecking ships, buildings and airfields. In another series of raids, flying fortresses and liberators roared over Sicily, Sardinia and Pantelleria.  
**Raid on New Guinea**  
 After several days of limited activity, forced upon them by bad weather, Gen. Douglas MacArthur's Allied forces, using one-ton bombs, raided the Japanese base at Lae and Madang, and attacked a long stretch of the New Guinea coast.  
 Twenty-eight tons of explosives and fire bombs were dropped on Lae, on Huon Gulf along the northeast New Guinea coast. Fires, visible 75 miles, were set in supply dumps and direct hits were scored on two grounded enemy planes.  
 The planes at tree-top height, strafed Japanese installations with 12,000 rounds of machine gun fire. Intense enemy anti-aircraft fire brought down one

fighter of the force of liberators, Mitchells and Beaufighters that made the attack.  
 Eight-Day Blitz Over Europe  
 In twin attacks on the Nazi submarine bases at Wilhelmshaven and Emden, in Germany, American flying fortresses and liberators brought down 74 enemy fighter planes, losing only 12 American bombers. This was a new record, and boosted to 269 the number of German fighters shot down in combat in an eight-day blitz over Europe. The loss ratio in these attacks was more than six enemy planes for every American bomber lost.

In 1942 Michigan was the sixth  
ranking state in the production  
of copper, following Arizona,  
Utah, Montana, Nevada and New  
Mexico and producing four per  
cent of the nation's supply. The  
1942 Michigan production of

\$5,500 short tons was two per cent  
less than the state's production  
in 1941, according to the U. S.  
Bureau of Mines.

### What You Buy With WAR BONDS

Every shipyard in our country is setting amazing records in the construction of a merchant marine so essential to the transport of supplies and men to the seven seas. The overall cost of these hundreds of ships now building runs into millions of dollars.

Many of them are called "Victory" ships and you are contributing to this victory by your purchase of War Bonds—at least ten percent of your income every payday. We'll need these ships for the war, too, when Peace comes.

## From CANNING to HEAT TREATING BEARINGS for PLANES

# GAS

Is On The Job!

It may be a far cry from bearings to canning, but both are important to America's war effort. In modern mechanized warfare an army moves on bearings. For planes, for tanks, for jeeps, for trucks, for big guns, for a hundred and one uses in war materials—bearings of all sizes are being manufactured. These vital parts of our war machine must be heat treated to just the proper hardness by exacting temperatures and gas was selected to do this important work. This is only one of the many war jobs gas is doing on the industrial front today.

On the home front, the canning of berries and other fruits, and of vegetables, too, is another important phase of the war effort. Here as the housewife's chief "aide-de-cuisine" gas is doing a second war job. Yes, today your gas service is doing double duty with a single purpose, to help win the war.

NEWS from NOVI

By Mrs. Luther Rix Monday evening, June 14, the blue Star Mothers of Novi...

Miss Lena Atkinson of Port Huron arrived in Novi Wednesday evening to spend several days with her son and daughter-in-law, The George Atkinsons.

Mr. and Mrs. Hugh Medler and daughters, Joyce and Joan, and Betty Kenner spent last weekend at the Clare Dean cottage at Lobdell Lake.

Miss Loree Trickey is now employed by the Twin Beauty Shop in Farmington.

The Novi Mothers Club will sponsor a dance at the school house on June 19. Mrs. George Lien, Mrs. Sam Bingham and Mrs. Charles Trickey are on the committee.

Mrs. George A. Kennard of Novi road was one of the Northville women who recently completed a refresher course for Red Cross canteen workers held at Wayne every Wednesday for four weeks.

Wittich and family were also guests.

Mr. and Mrs. Harold L. Poling of Mt. Pleasant have rented the Frank Bueas apartment.

The Ladies Aid Auxiliary society will meet with Mrs. George Hewitt on Seven Mile road for a political dinner at noon Thursday.

All neighbors are welcome to the meeting in the afternoon. The Washington County Brotherhood will meet in the Salem Congregational Church Sunday, June 20. Services at 4 and 7:30 p.m. There will be good speakers and special music. The ladies of the church will serve light lunch.

Do you remember

when light bulbs looked like this?

The young lady in the costume of thirty-three years ago is holding a 100-watt light bulb, vintage of 1910. In those days it was considered a wonder and people were glad to pay \$1.45 for it! Yet it gave only half as much light as your 100-watt lamp of 1943.

Yes—you get twice as much light today for the electricity you use. But that's not all! Electricity costs you only about half as much as it did the lady in the picture above.

HOW TO GET THE MOST LIGHT FOR YOUR MONEY

Here are three helpful suggestions that will help your eyes to get all the light they need -- without wasting electricity:

- 1. Avoid glare. Glare from bare bulbs or wrongly placed lamps makes it hard to see with comfort, no matter how much light you have. 2. Avoid shadows. When you read or work in your own shadow you are using only a part of the light that is available. It is just as easy to use it all. 3. Dirt and dust collecting on light bulbs and reflectors can cut your light in half. Clean them regularly.

THE DETROIT EDISON COMPANY

Electricity is not rationed. But its production requires coal and railroad transportation. Don't waste it!

Fuel Oil Transportation tie-ups are making our deliveries more indefinite! But we're sure that those who order early can be cared for! C. R. ELY & SONS 310 N. Center St. Phone 191

"Sure, I'll be glad to limit my long distance calls to 5 minutes" SOMETIMES, when you make a long distance call over war-busy circuits, the operator will say—"Please limit your call to five minutes. Others are waiting." That doesn't happen all the time because some long distance calls go through about as usual. But whenever we have asked that call be kept to five minutes, there has been a fine spirit of cooperation from the public. We want to say thanks for that. Your help and understanding count double these days. MICHIGAN BELL TELEPHONE COMPANY

of Detroit, was sent as a delegate to their convention held in Saginaw last Friday and Saturday. There were 500 in attendance. The Children's Day exercise of the Salem Federated Church will be held Sunday morning at 10:30 on June 20th. Miss Patty Benjamin is a house guest of Miss Lucille Wells of Detroit, this week. Mrs. Russell O'Neil and daughter, Romajine, of Ann Arbor, were guests Wednesday of Mr. and Mrs. Frank Bueas. Miss Beth Livingston of Plymouth was a guest of her sister, Mrs. Ronald Lyke, Monday and Tuesday. Miss Dorothy Orr of Farmington spent Saturday and Sunday at the home of Adolph Trapp and family to Ann Arbor Sunday where they were guests of Mr. and Mrs. E. Manzels. Mrs. Charles Stacey visited relatives in Detroit and Dearborn over the week-end. Mr. and Mrs. William Wheeler and family were Sunday dinner guests at the A. C. Wheeler home here. Mr. and Mrs. Charles Hamner and family of Detroit were Sunday guests of the Myron Atchinsons. Mrs. Emma Kahler is spending a few weeks with a sister at Nashville. Mrs. Opal Lyke and daughter Doris of Plymouth spent Sunday with the Myrlan Lyke family. Donnell Merritt of Howell sanatorium, visited his parents, Mr. and Mrs. Will Merritt, Seven Mile road, over the week-end. Mr. and Mrs. Harry Richards of West Six Mile Road were Sunday guests at the Charles Payne home. Mr. and Mrs. Albert Earhart of Northville spent a few days last week with Mr. and Mrs. Charles Payne. Mrs. Mary Mankin of Northville, who has been quite ill in St. Joseph's hospital, is convalescing slowly. Mrs. Charles Orleman died at her home on Six Mile road Sunday morning. Funeral services were held at the home Wednesday, with burial at Walker cemetery. Mrs. Orleman was the former Dora VanAtta, well known in this community. Mr. and Mrs. Griffith of Plymouth called at the home of Mrs. Anna Young last Wednesday. Mrs. Frank Huff of Ypsilanti and Mrs. Howard Neffle of Hamtramck, visited Mrs. Anna Young Sunday. Word has been received here of the death of Warner Corey, formerly of Washington, D. C., who was one of five killed in an airplane crash near Denver, Colo. Mr. Corey, who is in army service, was a step-grandson of the late Harry Deane. The body is expected to be brought here for burial at Thayer cemetery. Time is not yet known. Funeral services will be held at the Federated Church. Mrs. Mae Tait of Plymouth spent the week-end with the Glen Whitaker family of Brookville road. Mr. and Mrs. Bennie Hansen and small son of Dearborn were Sunday guests at the Ray Pennington home. Dr. and Mrs. Clifford Crockett of East Lansing were Sunday guests of Mr. and Mrs. Harry Whitaker. Mr. William Whitaker of Fair Hope, Ala., was also a guest. Mr. Wesley Wilson and mother visited at the Robert Wilson home Sunday. Mr. and Mrs. H. T. Shipley of Plymouth and Mrs. Pearl Green and two sons of Northville were Sunday callers at the George Bennett home. Mrs. George Bennett and son Elmer and Mrs. George Tanner and Jimmie were Northville visitors Wednesday. Mrs. L. M. Stroh visited her sister, Mrs. J. Vici of Birmingham Sunday. Mr. and Mrs. Albert Kindy and Mr. and Mrs. F. B.

There's FIGHT in Fuel! JOHNS-MANVILLE Rock Wool Insulation 4 Reasons Why You Should Insulate NOW! 1. Up To 30% Fuel Savings In the insulated house, fuel isn't burned to melt snow on the roof. In thousands of homes, Johns-Manville Hime Insulation has paid for itself by lowering the cost of heating. Enthusiastic owners have kept track of their savings. Many report up to 30% fuel savings, while in some cases they run as high as 50%. 2. Reduces Dangerous Indoor Drafts "Indoor drafts" during cold weather in uninsulated homes are caused by the differences in temperature. Warm air rises - cold air falls and this circulation causes "indoor drafts" to sweep along the floor and through the rooms. With even temperatures throughout the house, these dangerous drafts are reduced. 3. Helps Cure "Hard-To-Heat" Rooms Because insulation helps keep heat in, the whole house heats more evenly. You don't have to roast the rest of the house to make upstairs and downstairs rooms comfortable - even in the coldest weather the room temperatures in a Johns-Manville insulated home are surprisingly uniform. 4. Up To 15' Cooler In Hottest Weather Even on the hottest summer day, your home can be up to 15' degrees cooler. During the day when the outside temperature rises, your home remains cooler inside. And at night you get more comfortable, refreshing sleep. No need to sit up waiting for the bedroom to cool off. The bedrooms don't "heat up" as they do in an uninsulated house. We mention this fact because it is significant of the way Ziegler approaches a problem. He acts slowly, deliberately, and carefully, studying a situation from several points of view before arriving at a conclusion.

Charles M. Ziegler, Michigan state highway commissioner, is rolling up his sleeves, working hours a day, six days a week, to solve the highway problem.

The highway appointees of previous administrations are under civil service employment. At first they regarded the Ziegler slow approach to department decisions as a sign of distrust in them, but it is generally assumed today that his willingness to handle details is a desire to know departments before he turns over responsibilities to key executives.

which will assure efficiency in highway performance. The Republican commissioner, deputy to Commissioner Grove S. Dillman, appears to be taking his time. He is trying to minimize chances of blunders and mistakes.

What is his program? Most of our construction work this year will be on access roads. These include essential access roads to important war industries.

Warren L. Corey U. S. A. Air Force. Funeral rites will be held at the Salem Federated Church on Saturday or Sunday for Warren L. Corey, U. S. Aviation Corps, who was killed in a bomber crash in Colorado, May 31.

The remains will lie in state in the U. S. Home, Wayne, more definite information regarding the funeral may be obtained from Mrs. Archie Corey, who will be kept informed regarding the date and hour, depending upon the arrival of the remains.
