By Mrs. William Zwahlen
Mrs. Edwin Johnson and daughter, Marion Lee, also Miss Lora Anne Ault, returned Friday evening from a ten-day visit with relatives in Ohio. They were accompanied home by Mrs. Johnson's sister, Mrs. Johnson Porter and daughter, Carol Anne, from New London, O. Mrs. Porter will be visiting her mother and other relatives in this vicinity for about ten days.

Annual Musicale at Farmington School Auditorium, June 19

The annual costume recital for the piano pupils of Mrs. Rudolph G. Ranke, of Detroit, will take place Saturday evening, June 19, in the auditorium of the Farmington High School. The program is entitled "A Journey Through Music Land." Guests will also view the Hobby Show before and after the recital.

The youngest child of Mr. and Mrs. Estler, Mayfield ave., has recovered from a siege of measles.

Mrs. John Varhol of Shady Side ave., returned home from the Carmel hospital Saturday with her new little daughter, Beverly June.

The Sunshine Sisters held a meeting in the Neighborhood church Wednesday afternoon. A Bible conference drill on the subject "Prayer" was a feature of the program.

Miss Eshelton Mason of Detroit was the Thursday evening guest of Miss Shirley Zwahlen.

Miss Ida Mae Tallman spent the week-end with friends in Brighton.

Mr. and Mrs. Albert Owen entertained a few friends informally in their home on Mayfield ave. Saturday evening.

Little Della Mae Jennings, of Northville, has been on the sick list for several days.

Miss Clara Roberts, who has been visiting relatives in Lansing for two weeks, returned home Sunday. Her sister, Audrey, has gone to Lansing for a vacation.

The Neighborhood Bible School found it advisable to wait until the close of July school before resuming their Children's Day Bible school. June 29 will be a very special occasion and the public generally is invited to be present at 11 a. m. next Sunday.

The attendance of fathers is especially urged since Father's Day is generally observed June 20.

Mr. Grace Stevens and son Glenn, of the Santa Rita, are guests of Mrs. Stevens' mother, Mrs. Frank Broadie.

Miss Doris Paer of Foshkin, Va., an over Sunday guest of Mrs. Stanley Zwahlen.

Mrs. Russell Hill and daughter, Shirley, are visiting in Detroit Saturday.

Carl and Mrs. O. L. Duncan of Detroit, are guests Saturday of Mr. and Mrs. William H. Zwahlen.

Mrs. Helen Roper of Detroit, and Mrs. Edna of Detroit, were guests of Mr. and Mrs. Zwahlen Saturday.

Miss Edna Hillman was in Detroit Friday, and will be in Northville Saturday.

Congress Passes "Pay-As-You-Go"; Effective July 1

Last week Congress completed action on the conference version of the "Current Tax Payment Act of 1943," also termed the "pay-as-you-go" tax bill.

The final vote in the House was 286 to 114 for adoption of the conference bill.

The Current Tax Payment Act of 1943 provides:
1. Full abatement for each taxpayer owing up to \$50 for the year 1942 or 1943, in which he had the smaller income.

2. A flat abatement of \$50 for each person whose abatement year (1942 or 1943) tax is between \$50 and \$68.67.

3. Abatement of 75% for all persons having an abatement year tax liability in excess of \$68.67.

4. Payment of the unabated portion in two equal installments, one payable on March 15, 1944 and the other on March 15, 1945; this applies to all persons whose abatement-year liability is in excess of \$50.

5. Imposition of a 2% withholding levy beginning July 1, 1943, with the amount of deduction being determined after completion of family status exempt.

The current tax payment act of 1943 does not excuse taxpayers from payment of the second installment of their tax liability as shown in returns filed on March 15, 1943. Wage and salary earners will begin paying July 1, 1943 through the withholding levy.

Persons with income other than wages or salaries are required to estimate their income for the current year and continue to pay quarterly. Also, persons with wages or salaries above the withholding level will be required to estimate their upper bracket income and pay quarterly on that part which is above the withholding level.

On March 15, 1944, all taxpayers will file their final return for 1943 income. On this return adjustments will be made for differences between the estimated or withheld tax and the actual tax paid by the taxpayer.

According to the schedules set out in the bill, withholdings from pay envelopes will be substantial as follows:
For a single person earning between \$40 and \$70 a week, the withholding of a married person without dependent children, and a single person with dependent children, will be 10% of the gross pay.

In the case of an individual earning more than \$70 a week, the amount of weekly withholding will be \$7.00 for each \$100 of gross pay in excess of \$70. The rate of income applies to married persons with no dependents, or with one or two dependents, or with three or more dependents.

According to Treasury estimates, the approved conference bill abates 25.5% of 1942 liability, compared to 20% under the Senate version of the Rural plan and 7.5% under the Robertson-Forand compromise bill first passed by the House. Treasury experts estimated 1944 fiscal year income tax revenue at 13 billion dollars under tax laws on the statute books prior to the enactment of the Current Tax Payment Act of 1943; under the Robertson-Forand plan this revenue would have been increased to slightly more than 13 billion dollars under the Senate version of the Rural plan; and under the approved bill to slightly more than 15 billion dollars. Thus, the Treasury will receive in the fiscal year 1944 three billion dollars more than the total estimated prior to the enactment of the Current Tax Payment Act of 1943.

person-Forand plan this revenue would have been increased to slightly more than 13 billion dollars under the Senate version of the Rural plan; and under the approved bill to slightly more than 15 billion dollars. Thus, the Treasury will receive in the fiscal year 1944 three billion dollars more than the total estimated prior to the enactment of the Current Tax Payment Act of 1943.

School Notes

By ROSALIE DREW
As part of the School Board program in the Home Nursing program has been given to the members of the class which was composed of eleven and twelve year girls.

Girls taking part in the program besides those already mentioned were Margie Sessions, Marjorie Gibson, Jean and Joan McCollough, Rose Leore, Esther Rossow, Joyce Mathews and Phyllis Knight. Special guests were Mrs. A. B. Vogelin, chairman of Home Nursing local chapter and Mrs. Yahne, who talked to the girls one day on child care, and Miss Ruth Knapp, the class instructor.

Miss Ruth Knapp, R.N., school nurse, and teacher, expects to be employed for eight weeks this summer by the National Ed Cross mid-western division of St. Louis Mo. She will do Red Cross work in Aloosa county, Michigan with headquarters at Harrisonville on Lake Huron.

LOCAL NEWS

Friday afternoon Miss Hensch's third graders took a hike to the Fish Hatchery, and homeward bound were entertained at the home of David Lee where a program of records was presented and refreshments served. On Tuesday, both Miss Hensch's and Miss Holt's third graders "picnicked" at the park.

The first annual picnic of the Blue Star Mothers organization will take place in Cass Benton Park on Sunday, June 27 at two o'clock and will include families of members. All mothers of men or women in service are eligible for membership in this national order.

## 10 Children Baptized at Presbyterian Church Sunday

Parents dedicated themselves and their children at the baptismal service held at the Presbyterian Church last Sunday. The service emphasized three points: (1) Gratitude to God for the gift of new life in children; (2) the obligations and holy privilege of parenthood; and (3) dedication of the child and the parent to do the will of God. The Youth Choirs under the direction of Mrs. Victor Lumley participated in the occasion, they sang "Break Forth Into Joy". Youngsters presented for Holy Baptism included Sarah Jane, daughter of Mr. and Mrs. Nelson C. Schrader, Peter, Timothy and Nielson, Allan, sons of Mr. and Mrs. George Locke; Mr. and Mrs. Richard Allan, father and mother of Dick Allan were the Godparents of the Locke boys. Mr. and Mrs. Keene Polka presented Michael Harry, Dan and Mr. C. Eugene Woodruff presented Eugene Jr. The three small children of Mr. and Mrs. Kenneth Rathbun were included in the sacrament. Craig Kenneth, Roger, William and Susan Jane, Mrs. Mihay, daughter of Mr. and Mrs. George Simmons of Ten Mile road came back to the old family church to have her daughter christened, Janet Dawn. Accompanying Lucile was her husband, Nestor Mihay; they now make their home in Fernside.

## Northville Boy at California School for Paralysis Correction

Local citizens will be happy to know that Robert Hovey, Northville boy, is winning his victory at the Milton Berry Foundation for Paralysis and Spastic Correction of Encino, California. Mr. and Mrs. Hovey recently experienced the joy of seeing their son take the first steps in his life, with the help of the remarkable Berry "Crutches". The boy had been afflicted with Spastic Paralysis which is caused by a cerebral birth injury. Bob is the youngest of three sons of Mr. and Mrs. B. M. Hovey formerly of 205 Base Line Road, Northville. Mr. Hovey was for many years employed at the Consolidated Tool and Dye Company of Detroit, and is now doing his part at a California war production plant. The two older sons, both married, are also war workers.

The thirteen year old boy is expected to improve rapidly, it was announced by Dr. Robert Warburton, muscle specialist in charge.

## DEATH OF INFANT

An interesting change in the infant's usual took place when the child of Mr. and Mrs. Allan Peter of the pastor and Mrs. Fredsell of the church, died June 13 was to be baptized. The senior in the U. of M. hospital after only ruling Elder of the Church, Dr. J. H. Yerkas, Sr., was asked to perform the rite. The Book of Common Worship held at the home of the pastor, Rev. Fredsell, asked Rev. and Mrs. Fredsell to perform the rite at Glen Eden.

(Continued from front page) and larger on the more expensive. As in the case of the roll-back of prices of butter, the lowering of meat prices will not directly affect the farm producer. Subsidies, which began June 7, will be paid to anyone who slaughters 4,000 pounds of meat or more per month.

**More Farm Machinery**  
A total of 300,000 tons of carbon steel with other materials in proportion, has been allocated to the farm machinery program for the quarter beginning July 1. An additional 200,000 tons of steel have also been approved for each of the three quarters from October, 1943, to July 1, 1944.

**Data on Prisoners**  
American soldiers officially reported as prisoners of war in enemy countries to date total 17,033, the War Department has announced. Of these, 11,337 are held by Japan; 3,312 by Germany and 2,464 by Italy.

**Write to Men in Ireland**  
American soldiers in Ireland are not getting nearly enough mail from home, said Chaplain (Captain) Peter J. Cullom, who recently returned to the U.S. after two years of duty with Icelandic garrisons.

**Inspection Requirements Changed**  
The inspections for commercial motor vehicles now may be

made every 5,000 miles or every six months, whichever occurs first.

ODT has announced previously, commercial vehicles had to have tire inspections every 5,000 miles or every 60 days whichever occurred first.

**To Substitute Tires**  
Farmers needing farm implements or front wheel tractor tires will be permitted to purchase suitable substitutes when they are unable to find a dealer with tires designed expressly for their purpose, the OPA has announced. Dealers may also sell passenger car owners tires and tubes of a slightly different size than is called for by the rationing certificate.

**Electricity for Farms**  
Rural electrification loans to 26 states in 18 states have been made to a total of \$1,700,000 to immediate extension of service to more than 1,000 farms qualifying under present WPB regulations permitting connections to farms producing livestock, dairy and poultry products.

**Gas Coupons Changed**  
A new "T" gasoline coupon, which replaces the present "T" coupon will be invalid for use on July 1. The old type of "T" coupon will be invalid on and after July 1, except in the north-eastern shortage area where it will be used through July 25. OPA expects the change in design to help take up "black" mileage and remove potential sources of black market gasoline.

**"Ladies, let's help cook a tank!..."**

"Funny thing! We women understand why sugar, coffee, gasoline and oil have to be rationed... but few of us dream that the Gas that cooks our breakfast bacon is also a vital war material!"

"It probably never occurs to us that we are actually helping to build a tank or a plane or a ship or a gun when we avoid wasteful use of Gas in cooking and especially in house heating and water heating."

"For Gas is used in making nearly every kind of weapon we need to win the war."

"We women have always known that Gas is the fastest cooking fuel, that it's completely flexible and easy to control. So we can easily understand why Gas is important in helping to give our fighting forces better equipment—that it's speeding production in order that our boys may finish the job over there and get back home."

"So let's all remember... it's just as patriotic to use Gas wisely as it is to make the many other sacrifices that are needed for Victory!"

How 33 years of research have made your lighting grow and GROW! and GROW!

The 100-watt lamp you use today gives you just about twice as much light for the electricity you use as the same size bulb in 1910! That's a lot of extra light for your money. But that isn't all, because residential electricity today is costing you only about half of what it did back in 1910. That's what scientific research and development have done for your comfort and for the protection of your eyes when you read or sew or work.

THREE WAYS TO MAKE SURE YOU USE ALL THE EXTRA LIGHT SCIENCE HAS GIVEN YOU

- 1. Avoid glare. Glare from bare bulbs or wrongly placed lamps makes it hard to see with comfort, no matter how much light you have. 2. Avoid shadows. When you read or work in your own shadow you are using only a part of the light that is available. It is just as easy to use it all. 3. Dirt and dust collecting on light bulbs and reflectors can cut your light in half. Clean them regularly.

THE DETROIT EDISON COMPANY

Electricity is not rationed. But its production requires coal and railroad transportation. Don't waste it!

You can be a "GOOD NEIGHBOR" on your party line, too!

If YOU were acquainted with the other folks on your telephone party line, the chances are you'd find them good neighbors—people you'd like.

And being "good neighbors" is mighty important these days, because more and more people are sharing party lines. When each person on a party line is considerate of the others, everybody has better service.

MICHIGAN BELL TELEPHONE COMPANY

A GOOD-NEIGHBOR CREED A good party line neighbor thinks of it this way. "Somebody else on my line may be waiting to make a call, so I won't talk any longer than I have to. When the line is in use and I'm waiting my turn, I won't interrupt. When I finish a call, I'll make sure I've hung up properly, because if one instrument is left off the hook it puts all the telephones on the line out of service."

TO FUEL OIL USERS - The Office of Price Administration states that fuel oil ration regulations for the next heating season will be streamlined and modified to correct inequities and prevent unnecessary hardships as much as possible. For your information, the principal changes presently proposed in the releases referred to by O.P.A. are: (1) Consumers will receive simplified re-registration form by mail, from their local ration board some time soon. We suggest that you complete the form and return it to your local ration board BY MAIL IMMEDIATELY. (2) YOU WILL NOT be required to declare any inventory in your tank when you re-register. Present period 5 coupons are good until September 30th. (3) If there has been any change in your heating requirements you will be permitted to apply for additional ration after October 1st. If you have a small home, adjustments will be possible. If you have a large home and were unduly affected by the maximum floor area ceiling, due to occupancy and size of house, you will probably receive an adjustment, since the new regulations INCREASE the FLOOR AREA BASE for the first occupant from 2,000 to 3,000 square feet which automatically allows more fuel oil. (4) There will be NO MANDATORY CONVERSION program for private dwellings. (5) Your Fuel Oil Ration coupons for basic ration will be MAILED to you by your local ration board. (6) Next season you will not be required to number each coupon. Coupons will be of larger denomination, therefore, fewer to handle. (7) You will receive inventory coupons equal to one-sixth of your total ration, useable any time during the year, in addition to coupons for each of the five ration periods. Each period's coupons will be worth one-sixth of the total ration. (8) Unused coupons for any current period will remain valid for the succeeding period. The purpose of issuing next season's ration on or about July 1st is to your direct advantage, because it permits you to use all valid coupons immediately to fill your storage tanks. It also permits suppliers to utilize available manpower and equipment during the summer months, thus avoiding a rush for deliveries next fall. This advance information is being sent to you at the suggestion of the O.P.A. It will be to your advantage to register promptly when you receive the necessary form from your local ration board and RETURN IT BY MAIL to your board. May we suggest that when you receive next season's ration coupons you call us to fill your tank. We will be glad to serve you to the best of our ability. C. R. ELY & SONS 316 N. # GRADUATION

from life by putting up barriers of compromise; face it and press on! The real test of your career or service to the world is if you contribute your best; it is not so much the work as the spirit in which you press toward the mark—that is what counts."

Friends and relatives of the Seniors gathered in the High School gym Tuesday night for the annual class night program, arranged, written and delivered by class members.

Frank Hunter, president, welcomed the assembly and acted as master of ceremonies for the numbers following. Musical selections, given by the Seniors with piano accompaniment, by Joyce Taljadge and several songs rendered in a most emotional manner by five boys of the class; one of the songs "I want a car just like the car that Owen sold my Dad," a parody on the old song about "the girl who married Dad," brought down the house.

Joan McCollough presented an interesting class history, sketching class events from kindergarten thru the present year. The class will "take over" possession of the school library fund, thru Henry Lester, Rose Boone and Kay Stephens. Gloria Curran, Natshe Brader and Nancy DeFina prophesied events for each graduate's future and gifts were bestowed upon them with appropriate explanations by Phyllis Lee Knight, Dorothy Trapp and Lois Church.

The high light of the evening came with the presentation of a check for \$235.17 from the class treasury by James "Buddy" Stuart to Prin. G. V. Harrison, for the school library fund, to be used in the purchase of books and book plates for each, to be inscribed "Presented by the class of '43." This stated that because of the war situation, the class had to give up a trip to Washington so all class money had

been divided three ways, \$300 went for Defense stamps, caps and buttons, \$100 for a picnic and the balance of \$235.17 was marked for the library fund as a class memorial. In response, Mr. Harrison complimented the Seniors on the cheerful and patriotic spirit in which they had made necessary wartime sacrifices during this past year. Appropriately, the closing number was the "Star Spangled Banner," sung by the entire assembly. Committee members for this program were Kay Stephens, Gloria Curran, Shirley McLean and James Murray. Juniors Doris Hamilton and Marilyn Beal handed out programs at the door.

Commencement The third event in the series of commencement activities was the actual graduation exercises which took place at the Fairgrounds on Thursday evening at seven-thirty o'clock. The High School Band was featured in three numbers, including a professional and recreational march and "The Navigator" by the singing of "The Star Spangled Banner" and "America" by every one present, invocation and benediction by Rev. E. E. Rosow, comprised a portion of the program.

Joan McCollough, salutatorian, gave an appropriate talk and Walter Steiner, as top ranking Senior, delivered a fine valedictory speech. "Modern Youth in a World of Fire" was the topic chosen for the principal address of the evening by Harlan A. Lichtwardt, M.D. of Detroit. The place and purpose of young people in these war-time conditions, were forcefully explained by Dr. Lichtwardt. The graduates are: William E. Asher, Marion Irene Bauman, Irving Paul Becker, Natalie Lillian Brader, Lois Judy Brady, Jack K. Brigham, Betty Jean Brown, Donald H. Butler, Lois M. Church, Marguerite Corkendall, Gloria Virginia Curran, Nancy R. DeFina, Hugh J. Dye, Orvan George Grumm, Marilyn Leasia Gunnell, Norman Thomas Hickok, Robert Edward Hubsch, Franklin Lyle Hunter, Wilbur W. Johnston, Eleanor M. Kerschick, Donald Joseph Keener, Phyllis Lee Knight, Rose Leone, Henry N. Lester, Jean M. Lewis, Leona Roger Light, Florence S. Litwin, Lois Eileen Lloyd, Phyllis Maxine Lyke, Shirley Jean Maclean, Patrick Thomas Mahoney, Maxine Marr, Joyce Matthews, Ruth Jean Medler, Dolores Lorraine Vix, Dorothea Jean Murray, Jean Kathryn McCollough, Joan Ruth McCollough, James Hampton Murray, James Lee Odgers, Dorothy M. Orin, Nigel David Pugh, Richard O'Neill, Porter G. W. Wallace, Russell Reid James A. Reid, James Barry Renaley, Esther Elizabeth Ross, Betty Sales, Jack J. Schaefer, William L. Shorbridge, Victor L. Slater, H. Dorothy Jean Small, Samuel Kinsey Stapp, Jr., Walter Eimer Sterne, Lois Meila Sutton, Irene Hazel Tamm, Arthur Trapp, Gertrude F. Van Vleet, Myron Lawrence Ull, Floyd E. Ward.

Honor students were Phyllis Lee Knight, Joyce Matthews, Joan and Jean McCollough, Lloya Wendt and Walter Steiner.

As customary in past years, Principal G. V. Harrison presented the class of '43 and Gov. R. H. Amerman granted the diplomas. Scholarship awards were announced by Mrs. Robert Power, for the local U. of M. club Mrs. Harold Bloom, of Northville, Woman's club and the Thad Johnson Knapp scholarship was awarded by Mrs. Amerman on behalf of Mrs. Knapp. Flowers and flags decorated the platform, arranged by the Junior class members.

Birthday congratulations to Mrs. Allen Buckley and Mrs. Robert Lloyd on June 14.

# Alumni Reunion

(Continued from front page)

N.H.S. has been taking place for some twenty-eight years. Formerly a banquet and dance marked the occasion but conditions in later years have necessitated a change. Every effort has been made to keep the association going through thick and thin and a goodly sized crowd is expected this year.

The hill on the west side of the park has been selected as the site for the picnic.

### Dinner Party Given

## BUSES ROLLING

### Keep Production Rolling

YOU CAN HELP BUS TRANSPORTATION do its full wartime job by timing your travel wisely—going before or after the busy, and August rush-period, departing and returning on mid-week days rather than on week-ends, getting tickets and information in advance, taking less baggage than usual.

Buses bound for busy war plants are doing one of their most vital jobs—moving the manpower that keeps the assembly lines moving. Taking men and women to their work in factories or on farms, carrying travelers on trips essential to the war effort, transporting selectees and men in uniform—that's how Greyhound is serving the home-front today.

Almost as important as getting war workers to work is getting them away from work when "civilian fur-loughs" are in order. Rest and change are needed to get these men and women back to top efficiency.
