With Our Men in the Service

NOTE: This column is dedicated to men of men and women from Novi and Northville community who are in the service.

Ralph Cokendall, who some months ago was cited for his work in the air corps, was home on leave last week. He took part in the air battles over Europe and was fortunate to escape injury, considering all the action he has seen.

Sgt. Howard Rogers, who was home on leave last week came in to tell us of a change of address. He has been transferred to Pueblo, Calif.

Howard Hodge has completed his course of training in the Coast Guard and is now seaman second class, stationed at Ellis Island.

Don Wilbur has been made a corporal and is stationed at Harlingen, Tex.

I just finished reading clipings from the Record my mother sent me and I am so very happy to get them. I am not in one place long enough for the record to follow me up to date because my letters are very late at times and papers and packages are much slower as a rule. I believe we have been to about twenty different posts here in N. Africa and they are almost all the same. The low class and the Frenchmen are about all you see in most towns, however some have many Italians as well.

The Arab women have the most beautiful eyes you ever want to see. I have seen them quite close, but that is all you can see.

I have many souvenirs, but the best of them are in my head. The things you hate remember, the things you like come to light now and then. I have seen quite a lot of action and possibly will see much more before coming home. And if you ever hear anyone say they weren't scared when they were in action, they are crazy, but there is something that makes you want to go back when you are out of it for a time and there is something that makes you want to come back to the states when you are away for six months, too. I was both surprised and delighted to meet Louis Herrick over here Aug. 16 and I guess he was as surprised to see me as I was him. We talked for a long time. He has been in the Navy 14 months now and has never been home and I have been home once in a year. Thanks again for the good job you are doing on the Record.

Allan F. Goto

Edward Augove will complete his training in meteorology at the University of Chicago Sept. 6 and has been notified that he will be stationed at Selfridge Field.

Mr. and Mrs. John S. Hochkins have heard from their son, Corp. John Hochkins, that he has been assigned to a bombing squad at Dalhart, Tex. His brother, Corp. James Hochkins is in the Air Corps at Kearns, Utah.

Word has been received from Jake Beller, private first class, who has been in Australia for over a year and a half, that he is now in an ordnance company in New Guinea. Howard Beller, who is at Ft. Crook, Neb., has recently been promoted to staff sergeant.

Lawrence McArthur, Navy, is home on leave.

Dick Bentley, Mus. 2/C, who was at Adak is now stationed at Bremerton, Wash. Dick's mother is now Lt. Leila Mosher in the army nursing corps at Ft. Custer.

Crosby Washburne, Jr., is serving overseas.

Pvt. George Wohart, Pvt. Andrew E. Waldsmith and Sgt. Don Heichman are three brothers-in-laws of the Heichman family who are in the service of their country.

Arthur Mitchell now has the rating of corporal and is serving at San Francisco.

Teaching Staff Announced for School Opening

Tentative Schedule Arranged And Teaching Staff Assigned To Duties Will Hold High Level of Instruction

Staff Still Short

Sup't. R. H. Amerman and Principal, G. V. Harrison have worked out a tentative schedule of teachers and courses assigned to start off the school year, Wednesday, Sept. 8. Mr. Amerman is still interviewing applicants in an endeavor to fill the vacancies in the teaching staff, and the number of students enrolled and their choice of courses may also necessitate a change in the teaching assignments. The shortage of available teachers is an acute one and the schedule has been arranged with a view to keeping up the educational standards of the schools here with emphasis on the essentials.

As no principal for the grade school has been secured, Mr. Amerman and Mr. Ellison will take over the enrollment and organizing of classes for the present in addition to their regular responsibilities.

The opening day of school, Wednesday, Sept. 8, will be a half day session from 8:30 to 11:30 a.m. and will be devoted to room assignment and purchasing of books, so that Thursday will see schools on their regular full day schedule. For the present the morning session in both schools will begin at 8:30.

On the High School staff will be Principal G. V. Harrison, who will teach English; Mr. Lee will be in charge of music and the bookstore. Mr. Mollena will teach social science; Miss Palmer, foreign languages and (Continued on back page)

This is the first word direct from John since a letter he wrote in February, 1942 while the siege of Bataan was in progress, and later he was listed as missing in action after the fall of Bataan. He is a graduate of Eastern High School, Detroit, and was an employee of the Pittsmon-McG. Company, on Cutler Drive and Mt. Elliott ave. He was drafted in March, 1942 and six months later was in the Philippines. He was a private in the 200th Coast Artillery Anti-Aircraft Regiment, which was composed chiefly of New Mexico and Arizona National Guard troops and received considerable publicity at the attack upon Clark Field, the retreat through Manilla to Bataan and later when a number of them escaped from Bataan to Corregidor, only to be captured when Corregidor fell.

The receipt of the postal card from John was especially welcome to Mr. and Mrs. West as John had no opportunity for a furlough before being sent to the Philippines and his folks have not seen him since the day of his induction.

Lt. Fred West, formerly an instructor in Pontiac High School is John's brother.

Pvt. Paul Stuckle of the U.S. Marines was the honored guest at the family dinner Sunday, given by his mother Mrs. Sue, at Walnut Street. He was able to spend two days home on his furlough and left Monday for San Diego to begin training for his wings.

Recreation Com. Reports of Summer Program

The committee in charge of the summer recreation program stated in the report given to the Coordinating Council on Tuesday evening, last, that 21 young people had attended the six dances sponsored by the committee this summer and held in the high school gym.

Six baseball games were played under the director Donald Bray, in a five week program of supervised play at the Scout building mornings and swim-

ning at the reservoir afternoons. There were from 15 to 25 participants in the morning, and the number of swimmers ranged from 15 to 25.

Plans for a recreational program for the coming months are being formulated and will be announced later.

All Stoves Are Now Rationed

Buyers Must Have Purchase Certificates. Quota For Area is Small

All stoves are rationed. Effective Aug. 25, no new stoves of any kind may be sold without a purchase certificate issued by the Plymouth ration board.

This applies equally to heating and cooking stoves, and to coal, wood, oil and gas stoves.

None of these articles are new being made, as the metal goes into the war program.

The shifting of population is noted, for the population most persons when they leave their homes to move to high paying jobs, making war munitions, leave the stoves behind. As a result the stock of new stoves has almost been sold out.

Dondero Will Be Speaker Wed.

Congressman Geo. Dondero Will Speak Before Joint Meeting of Luncheon Clubs at Noon

Seventeenth District Congressman George A. Dondero will be guest speaker at the Exchange Rotary Club meeting next Wednesday noon, Sept. 3.

The speaker will talk on "An Appraisal of the War Today" and at the close of his talk will answer any questions members of the clubs may care to ask.

This promises to be one of the most interesting events Northville has had in some time, and it is hoped that a good crowd will be out to hear Rep. Dondero.

Northville's Yesterdays

• 1 YEAR AGO
Kens Modus, Northville High graduate of 1933 joined the WACs.
Officers of the newly organized Blue Star Mothers were installed by Mrs. A. J. Roy of Pontiac. The officers were Mrs. Charles W. Westphall, president; Mrs. Joseph E. Denton, vice-president; Mrs. Starr Gray, secretary; and Mrs. Alfred W. Parmenter, treasurer.
The Exchange Club team won 7-4 playing against the Boy Scouts in a Donkey Baseball game at the fairgrounds.

Because of the early freeze the fruit growers in this vicinity reported their crops as being about 50 percent of normal.

• 10 YEARS AGO
P. H. Grennan's Farm Crest polo team defeated the Detroit Riding and Hunt Club at games played under electric lights at the Northville Fair with S. L. A. Marshall announcing the game play by play.

Mrs. L. M. Eaton entertained ten friends of her daughter in celebration of Alice's thirteenth birthday, Aug. 28.

• 25 YEARS AGO

The marriage of Jamie Dubois and Miss Margaret Peetboe of Albion was announced. They were married in Albion, Aug. 25 while the bridegroom was home on a short leave before sailing for France for overseas duty.

Miss Lida Richardson entertained at a dinner-party in honor of C. F. Murphy, who was leaving for Ft. Sheridan to be a special instructor there.

Northville's oldest resident, Leonard Charter, sr., celebrated his ninety-first birthday.

Fred Wheeler and family moved back to Northville from Rock Island, Ill.

The Northville schools opened with a full corps of teachers and a first day's enrollment of 330 pupils.

NOVI NEWS

By Mrs. Luther Rix
The Blue Star Mothers are having tag day Saturday, Sept. 4. Money received is to be used to buy Christmas gifts for our men in service.

Calvin Stampfer, Edward Baker and George Hicks have been home on furlough for a few days. George Hicks is now at Willow Run for a special training course.

Mr. and Mrs. Art Hicks had a chicken dinner party Sunday, honoring their son, George.

Miss Caroline Gaffney was pleasantly surprised last Saturday evening by several of her friends. The occasion was a belated birthday party. Those included in the guests were Thelma Gow, Little Audrey and Pauline Grabau. Doris Wendland and Betty Bingham, Miss Caroline received lovely gifts.

The B. Y. P. U. (Baptist Young People's Union) are holding a "Junior" Sept. 5, beginning at 1907 First Street church. All old friends and anyone who has ever attended the meetings are especially invited to be present. There will be a special speaker and lots of music. Come and bring a friend.

The W. S. C. S. met with the Elwood Lodge on Tuesday, Oct. 12.

Meeting ion of 12 Mile road gave a party for her son, Tommy, who was two years and last Tuesday. Present were Mrs. Judith Hartman, who is also been a house guest for several days; Mrs. James Earl and children, Charles, Barbara, David and Janice; of Detroit; Mrs. Ossie Hinckley of Ferndale; Mrs. Vincent Hayes and daughter, Nadine; Mrs. Devere Mitchell and children, Lois and Jimmy; Mrs. Robert Clements and daughter, Carol; Mrs. James Radcliffe and daughter, Lynn; Mrs. May Harling and son, Wally; Mrs. Don Walters and daughter, Sandy Lynn; Pete and Jerry Brammer; Jo Shirliff; Zodie, Karen and Donald Larson of Nei.

Frank Dünham has been transferred from Snappet Tex to Oklahoma City.

Some boots are Patent Free. Certain kinds of rubber boots useful in farming and similar work but no longer being manufactured for general use have been released from rationing by a recent OPA amendment. All olive drab, clay or khaki colored rubber boots, all over-the-shoe rubber boots and all light-weight ankle-fitting rubber boots which depend upon the stretch at the ankles for fitting are included in the order. However, quantities will be small because dealers do not have complete stocks on hand.

Drops Bombs—Gathers Corn.
When the B-24 Liberator Bomber, "Lemon Drop" of the
U. S. Army Ninth Air Force
came back from its mission of
bombing Rumanian oil refineries at Ploesti, corn stalks were
clinging to its bomb bay doors.
The bombardier, Captain Herbert Light, Ames, Iowa, observed
why, back to Iowa you'd have to
fly 25 feet off the ground to
get above the corn tops. No risks
involved in that. But when you
are heading for a target in the
Rumanian oil and corn country,
you've got to tear along about
six feet off the ground to skim
the corn tops.

BUSES WILL BE CROWDED

Around Labor Day!

Postpone your trip, if you can...
saving more space for Servicemen and War Workers

Buses are sure to be crowded before and during the Labor Day week-end, so try to postpone travel that can wait a few days or weeks. A little later your trip will be more pleasant, less crowded - and you'll be doing a big favor for men and women in uniform, war workers and others who must travel now. By "spreading out" trips over the Fall months, travelers will help transportation do its vastly important wartime job.

You use all these
WAR MATERIALS

when you use electricity!

Electricity is not rationed. But each time you turn on an electric light in your home, each time you plug in an electric appliance, you are using vital war materials. Electricity requires coal for its manufacture. Thousands of tons are burned every day in large Detroit Edison power plants—coal that is brought in by boat and by rail. Besides coal, large quantities of other materials are also needed—oil, for example. All of these represent precious manhours of labor.

There is no shortage of generating machinery in this area. But a saving of electricity means a saving of coal... and saving coal means releasing more transportation facilities for the job of carrying guns and oil and other war materials to our armed forces. Careful, reasonable use of electricity is a patriotic duty now—in store, office and home. Help conserve electricity by reducing your use. The Detroit Edison Company.

English: Miss Betty Jean Garlick; home economics: Miss Diana Lance; mathematics: Miss Elizabeth Vickland; Junior High English: Mr. Malcolm Oliver; chemistry, physics and biology: Miss Ruth Knapp will continue as school nurse. This leaves a smaller staff than heretofore but it is expected that the enrollment will be lighter this year than usual.

On the elementary staff there will be Miss Grace Pollock, kindergarten; Miss Selma Jarvis, first grade; Miss Olga Nelson, second grade; Miss Genevieve Daley, third grade; Miss Pearl Hensel, fourth grade; Miss Martha Rohr, fourth grade; Miss Nellie Borrell, fifth grade; Miss Ada Fritz, sixth grade; Miss Pearl Schwartz, sixth grade.

Miss Olga Nelson, who was engaged this week, comes here after several years of teaching at Northport, Mich. She is a graduate of Ferris Institute, Big Rapids; she has also attended Michigan State Normal College, Ypsilanti; the University of Mexico, Mexico; the University of Virginia. Miss Nelson has traveled extensively from Alaska to Mexico.

Mrs. Theresa Mackey, who was to have returned here this year as speech correction teacher resigned this week and it is

unlikely that that position can be filled this term.

Mr. Amerman says that although war conditions will make some curtailment in the curriculum every effort will be made to do full justice to the fundamentals, and that the staff of both schools are prepared to share the extra duties and round out the educational program.

Tax Reports Due September 15. Many farmers will be among the 15 million Americans who are required to file a declaration of estimated income for 1943 and make payment on that basis under the "pay-as-you-go" plan which became effective on July 1, this year. September 15 is the date for filing declarations except that farmers, if they wish, may wait until December 15, since they receive the bulk of their income in the fall. Generally speaking, all single persons earning more than \$2,700 a year from wages subject to withholding and all married couples earning more than \$3,500 will be required to file declarations. In addition, individuals or couples with an income of \$100 or more from sources other than wages are required to file, if their total income is such that they must pay an income tax. Individuals who were required to file an in-

come tax return for 1942 and whose wages subject to withholding in 1943 will be less must also file.
