Obituary
Mrs. Frank Broquet, who moved to what was known as the Weigle residence on Norfolk avenue less than a year ago, died suddenly at her home last Thursday morning. She is survived by her husband, four sons, two daughters and several grand children. Of the children, all but the youngest daughter Ruth are married and in homes of their own all residing in Detroit. Except Perry whose home is in Iowa, all are in the city.

Mrs. Broquet, deceased, was born in Guernsey, England, March 18, 1883. During the ten months she had lived in Folger subdivision she had won a host of friends by her happy disposition and strict Christian spirit. She was actively interested in the work of the Neighborhood Bible School and faithfully attended all meetings of the Sunday School. She was exceptionally beautiful, not only in her person but in deeds as well. Services were held at Schmalz's Sons Funeral Home on Grand River, Saturday at 2:30 p.m. and were in charge of Rev. Elmer Eitch, pastor of Central Christian and Missionary Alliance Church, of which for 20 years while in Detroit, Mrs. Broquet had been a member. Her funeral was a beautiful affair. Some of the songs of her friends, "Some We'll Understand" and "The Lord's Prayer" were sung. A large number of relatives and friends were present for the last rites. Interment was in Grandlawn Cemetery.

Important Notice TO Servicemen-- Their Parents AND Relatives

The Northville Rotary Club in cooperation with the Northville Record is planning a Christmas Remembrance for all men in the Service from this vicinity. The plan requires the cooperation of the folks at home as well as the boys in the service.

The Plan
To issue a Christmas Supplement to the Northville Record devoted entirely to letters from servicemen and women. This will be printed early and mailed first class to all who serve with the colors, so as to reach them by Christmas. For folks at home the supplement will become a part of the regular Christmas issue of The Record.

Your Part-- The Folks at Home
Please cut out this advertisement and mail to your servicemen, supplementing the request with your personal urge to get busy RIGHT NOW. Additional copies of this advertisement are available at the Record office for those needing them.

Servicemen and Women. Here's Your Part.
Write a letter, about yourself, what you are doing, and a Christmas message to your friends here and Buddies all over the world. Mail it to the Rotary - Record Christmas Letters, Box 145, Northville, Michigan, NOT LATER than November 1st. REMEMBER, 400 servicemen as well as thousands of others will read your letter and enjoy it.

Our Aim
We plan to make it possible that a few days before Christmas every boy or girl from this locality serving their country will be reading their home town paper devoted entirely to letters and greetings from others with the colors.

Think how eager you'd be to talk to the folks at home if you were in the Army and away at camp. You see, that's about the only time a soldier can get to the telephone. If the circuits are crowded, he may not be able to reach home before taps. That's something to remember when you're thinking about making a long distance call between 7 and 10 o'clock at night.

Lovely Church Wedding for Northville Girl

Miss Betty Lucille Armstrong, daughter of Mr. and Mrs. Steven Armstrong of Northville, was married to Carl Nelson, son of Mr. and Mrs. W. C. Nelson of Detroit, in a lovely ceremony at eight-thirty in the North Presbyterian Church, at Northville, at a candle-light service performed by Rev. Harold Freidell in the presence of one hundred and twenty guests. The altar was flanked with palms and large baskets of white gladioli and lighted candles. The bride wore a gown of white satin and carried a bouquet of white baby's breath and stephanotis. The maid of honor, Miss Jeanne Roselle of Hazel Park, cousin of the bride, wore a white satin and carried a bouquet of white baby's breath and stephanotis. Her flowers were purple asters with streamers of purple satin ribbon. She wore an arrangement of the same shade of asters and tulle in her hair. The bridesmaids were Mrs. Donald J. Armstrong of Detroit, sister-in-law of the bride, and Miss Pearl Deaton of Northville. Their gowns were identical with the bride's while the bouquets were of rose colored asters and white streamers of the same color. The bridesmaids' bouquets were of the same shade of asters and tulle as the bride's.

The best man was Carl Nelson of the Naval Base at Grrosse Ile. Gerald H. Brooks and Robert L. Brooks, brothers of the groom, from Detroit, Robert G. Ginn also a Navy man from Grrosse Ile and Fred Casteline of Northville were the ushers. For her daughter's wedding, Mrs. Armstrong chose teal blue crepe accented with gold bead trim. Her doves and head dress were of such a color. At the reception which followed in the church house, the table was centered with a beautifully decorated wedding cake, surrounded by a lovely arrangement of white asters with tall white candles at each end of the table. Mrs. Neil Hannaford presided at the coffee urn. The newlyweds left Thursday to make their home in Mason, Ga., where Tech. Sergeant W. Brooks is stationed.

OFFICE OF WAR UTILITIES
WAR PRODUCTION BOARD

TO ELECTRIC UTILITIES, AND THEIR CUSTOMERS

The War Production Board has produced the nation's war production requires the greatest possible conservation of man, material, and machinery. It is essential to save copper, steel, tungsten and many other materials. This greater conservation can be accomplished by the voluntary cooperation of all citizens of our country in the effort.

Each practical utility and agency is willing to carry out the objective of the War Production Board, its members and its staff, in their own way, to their customers so that the maximum war production may be obtained.

In the electric utility industry, the installed generating capacity, together with capacity now under construction, is ample to meet all reasonable electric needs. But it is essential to save the USE OF ELECTRICITY WHEREVER POSSIBLE so as to reduce, directly or indirectly, the demand for materials, fuel, transportation, and manpower.

The desired result will be obtained by the full cooperation of millions of people in the conservation program. With everyone contributing the effect will be tremendous in hastening the day of Victory.

By Mrs. Luther Rix... The tenth grade gave a welcome to the ninth grade Friday afternoon - at least we think they were the ninth graders, judging from their appearances, they might have been anything. In the evening the whole high school met for a party which everyone enjoyed. We were glad to have two of our alumni join us. Did you notice how unusually nice we all looked Tuesday, 29? It was that, again, to take our pictures that caused our best "bib and tucker" efforts. If you see some of us wandering along the roads or through the fields during school hours, don't shoot. We're just hunting bugs and blossoms for biology. The Rebekah Club ladies are to meet at the Hall Wednesday Oct. 8. Coffee prepared to help clean the Hall and kitchen for the Bazaar and dinner to be held from 6 to 8 p.m. on Friday, Oct. 8. Mr. and Mrs. Thomas O'Dell entertained their children last Sunday. Present were: Mr. and Mrs. Stewart O'Brien of Wyoming Canada; Mr. and Mrs. C. W. Herick and two sons, Mrs. B. Greenwood and Mr. and Mrs. R. Victor Rix and son of St. Louis and Mr. and Mrs. Thomas O'Dell and son Tommy of Novi. Mr. and Mrs. Leon Leatherman of Lansing and Mr. and Mrs. Victor Rix and son of St. Louis and Mr. and Mrs. David O'Leary were Thursday evening callers of Mr. and Mrs. Luther Rix. The Victor Rixes returned to St. Louis Friday. MOVIE SCHOOL NOTES: The following pupils were chosen to take charge of assembly programs: Marion Conner, chairman; Patsy Olivick and Rosemary Seguin, helpers. The first assembly program was held Sept. 29 at 2 p.m. in the school auditorium. Mr. Greenwood Adams lectured on Australia. This program was open to the public.

(Continued from front page) Thursday, you will be so near the goal that success will be certain.

So, thanks for your good work to date - and again my gratitude to the gallant E. Bond Fathers of Northville.

Michigan's silver stars are turning to gold in an increasing number. The village of Holly, in Oakland county, is typical of home towns everywhere in Michigan. Within the past few weeks, telegrams from Washington - have been delivered at three homes of Holly mothers, fathers and relatives here, were the fateful words: "The Secretary of War (or Navy) desires that I tender his deepest sympathy."

Why were these young Michigan boys killed - one at the Pacific front, half way round the globe, and two at our European front? A lot of Michigan people - especially the fathers and mothers of young men now in World War II - are asking this question. They would like to know the answer. And many Michigan boys in camps and at our fighting fronts are asking a sequel to it: After we win the war will we win the peace? Victory without peace seems a costly price for death on a battlefield tomorrow as yesterday.

The boys remember the discussions at dinner tables prior to Pearl Harbor when Dad and Mom said we should keep out of war - mind our own business, let Europe run its own affairs. And anyway weren't we 3,000 miles away, safe and secure? Sure, we minded our own business, didn't we? Then the dirty Japs pulled fast one at Pearl Harbor, and it was just laughed and declared war on us - we, the United States of America! Of course we got mad. We're still angry. So are thousands of Michigan boys in camps and with MacArthur in the Pacific and Eisenhower in Europe. Some of these boys are sons of men who served in World War I. They know, and so do we, that if we didn't save the world for democracy after Nov. 11, 1918. Something happened. When a newspaper in Germany wrote a book called "Mein Kampf" the world smiled. But that wasn't new. A carpenter by the name of Jesus Christ received the same acception from much of the world, centuries before. But each man had an idea, although as different as night is from day. While we Americans were minding our own business, the German pap-ranger was telling the frustrated Germans: "Germany was not defeated in the war. Germany was betrayed by the Jews and the Marxists. The allies imposed an unjust peace. Germany, under my leadership, will be invincible!" Well, we remember what happened - Hitler accomplished exactly what a member of the German general staff said would happen in a talk with Dr. William Seaman Bainbridge, a distinguished American, way back in 1915 - two years before World War I began! And here, in part is what the general staff officer said with remarkable prophecy should Germany lose World War I: "An armistice will come before any hostile army crosses Germany's frontiers. There will be no peace on the fatherland from this war. Following the war there will be economic and industrial revolution. We will set class against class, individual against individual, until the

nations will have pretty much all they can attend to at home and not bother with us. The greatest struggle will come after the war. The weapon will be propaganda, the value of which we know. The allies will be torn asunder, each will be put at the others' throats like a lot of howling, gnashing hounds and when they are all separated from France, Germany will deal with her alone. Then recall how Hitler seized control as dictator in January, 1933 - (FDR was elected president in November, 1932). Germany withdrew from the League in 1933, annexed the Saar and adopted conscription in 1935, repudiated the Locarno (security) treaties in 1936, repudiated the Versailles treaty "war guilt" clause, shelved its "Polish Corridor" agreement with Poland and created the Rome-Berlin-Tokyo axis in 1937, and finally annexed Sudetenland by the Munich conference in 1938. You know the rest, the Nazis march into other peace-loving nations, always one by one, until September, 1939 four years ago when World War I became World War II.

Ten years after Hitler started his march to "Der Tag" our nation is again at war - in North America and the Upper Peninsula thousands of men and women - airplane watchers - scan the skies 24 hours a day for the silhouette and hum of German airplanes - Sault Ste. Marie is the headquarters for the air forces of most of Ontario and Canada and 17 American states in the Midwest. Why? Because, modern air power has annihilated space, changing isolated security of Michigan into a vulnerable target of German planes once they establish a northern bombing base from which to fly over the circle route. Such is the solemn truth, as our highest military authorities vouch for it.

Less than 50 miles from Sault Ste. Marie an important political assemblage was held in September. Governors from congressmen adopted a "Mackinac Chart" pledging post-war cooperation by this country in keeping the peace. A military alliance with the British was endorsed by Michigan's Thomas E. Dewey and Clarence Budington Kelland. Wendell L. Wilkie is for it, and so is Rep. Clark Bozler. Luce. Winston Churchill assures the absence of partisan opposition in England, and Secretary of State Cordell Hull goes on the radio to confirm official consideration here of such an agreement. In the House of Representatives
