With Our Men in the Service

NOTE—This column is dedicated to news of men and women from Novi and Northville community who are in the service.

Walter Grinnan, private first class, is at Shreveport, La.

Jack Brigham has been transferred from Great Lakes Naval Training station to the Naval Air Station at Ottumwa, Iowa. He has been promoted to seaman second class.

Frank Bowers who has been in service overseas for some time has recently been in Egypt.

Martin Sommers, who has been promoted to private first class is at Camp Haan, Calif.

Ralph Hay, who was recently transferred from Laramie, Wyo. to Camp Ellis, Ill. was home for about four hours last Sunday afternoon.

Camp James Geraghty, who is attending school at Blackburn, Va., spent a few days last week with his parents, Mr. and Mrs. R. E. Geraghty of N. Wing st.

Louie Babcock, who is in the Naval Training Unit at Northwestern University, Evanston, Ill. was home for a few hours Sunday afternoon.

Norman Okla. I should have written this letter of thanks sooner, but we have been kept quite busy down here. The Record arrives here every week on Monday or Tuesday. It is a real pleasure to read about the other fellows who are all over the world. I noticed in the Oct. 1 issue of the Record that Stanley Davis is also stationed here. I was sent down here to learn about Aviation Ordnance. We go to school six days a week and get Sunday off. The course lasts for sixteen weeks and there is sure a lot of studying to be done. Every week you learn something different. At the beginning of the week we get a book which we keep until Saturday and then hand it in. Next week the same thing over again. The food here is the best. We have fried chicken twice a week and meat, baked ham, pork chops and even steak twice a week. We have a very special treat for breakfast, baked beans. Well I wish to thank you again for sending the Record down here to me. Sincerely, Pvt. Paul Stuckel.

Mrs. Dorothy Beall Spitz, daughter of Mr. and Mrs. Lloyd M. Beall, joined the WAVES and leaves Nov. 4 for training at Hunter College, in New York. Mr. Spitz has joined the Merchant Marine.

**Four Baptist Churches To Hold Conference Here October 22**

The four Baptist churches of this vicinity are uniting to conduct a Conference of Evangelism Friday, Oct. 22 at the First Baptist Church here. Dr. Warner Cole, well known Detroit pastor, is to be the principal speaker in the affair.

Just now the building committee is in almost daily sessions trying to keep up and arrive at the very best solution of all the problems that have been thrust upon them.

While subscriptions are still coming in daily, every effort is being made for a strict accounting of every cent and the issuance of the Founder's Club cards and meeting this year at the local Methodist Church was attended by about sixty persons from the membership of these churches Monday evening.

The first session of the annual School of Religion, sponsored by the Baptist, Methodist and Presbyterian Churches in the area, and meeting this year at the local Methodist Church was attended by about sixty persons from the membership of these churches Monday evening.

Rev. Williams reports that this is a fair attendance considering transportation problems, but urges that local people interested in church leadership problems make a special effort to attend the remaining four meetings on the next four consecutive Mondays at the Methodist Church.

The afternoon session will open to questions from the audience. A fellowship supper will be served at 6 p.m. The meal will be potluck in nature. Reservations must be secured in advance from the respective pastors because of limited accommodations.

The evening service will be eliminated by another address by Dr. Cole entitled "How to Win a Soul to Christ or A Sound Basis for Evangelism." This service will begin at 7:30 p.m.

Dr. Warner Cole for the past ten years has pastored one of the leading churches of this area—now Covenant Baptist Church. This church, known for its evangelistic ministry, has gained for the church its present membership of over 1400. Rev. Cole has had extensive experience in the field of evangelism and is now directing a great part of the evangelistic effort of the Baptist denomination. He has had a colorful ministry; at one time was assistant pastor of the largest Presbyterian Church in Michigan. From his wealth of experience in evangelistic work in the pastorate and on the field, his qualifications are established.

The Men's Club of the Methodist Church will sponsor a public Halloween party at the Methodist Church House Friday evening, Oct. 29. There will be fun for every age old and young alike. Save the date and make an evening of worth.

**U. of M. Club Honors Students**

The University of Michigan Alumni club banquet Wednesday evening at the Presbyterian Church House was enjoyed by about fifty alumni and their guests. The guest speaker, Prof. Maurer, who has had wide journalistic experience, both academic and practical, gave an inspiring and revealing talk on propaganda today.

Prof. Maurer was introduced by Jack Blackburn, president of the club, who also introduced the meeting. Walter Stern, who will enter the University this fall on the scholarship awarded each year to an outstanding student; Leila Rossow, who will enter her sophomore year and was awarded a second scholarship for her scholastic record, and Phyllis Knight and Joyce Mathews, who will enter the University as freshmen this semester; Dorothy Jane Congo, who will return to the University as a sophomore, attended the dinner with her parents, Mr. and Mrs. J. A. Congo.

T. Hawley Topping and Mrs. Topping of Ann Arbor were presented as guests of the club. Mr. Topping is general secretary of the University of Michigan Alumni Association.

## Northville 1st to Enjoy Nat'l. Symphony Fete

Detroit Symphony Orchestra Opens Nationally Sponsored Programs in Northville High

### A Rare Treat

Weezy morning Northville enjoyed a unique musical experience when the Detroit Symphony Orchestra, led by Concertmaster Hyo Schkolnik gave a two-hour concert program in the high school gym free of charge to all who wished to attend. It is believed that Northville is the first community to enjoy this privilege sponsored by the American Federation of Musicians and arranged by their president James C. Petrillo. After finishing the program here the orchestra filled a similar engagement in Plymouth.

About 230 townpeople, 450 high school students and 230 grade school children formed an enthusiastic audience that was generous in its applause and appreciation of the beautifully executed music under the Schkolnik leadership.

The local arrangements were completed by Jack Farentz, president of the Detroit Federation of Musicians, Mayor Perrin and Leslie G. Lee of the high school. Mr. Lee said, in commenting on his enjoyment of this rare musical treat, that "efficiently were the arrangements made by the Detroit group that he had nothing to do but sit back and really enjoy the event."

### Tin Can Pick-up Scheduled for Saturday, Oct. 23

Northville will have its next can pickup Saturday, Oct. 23, which is the day before the 23rd anniversary of Wayne County. The last organized pickup, sponsored by the Civic Improvement Committee of the Woman's Club in collaboration with village engineer Earl Montgomery, was July 15. This included of over two months during which tin cans were to be saved for collection should yield a good sized load of salvage tin.

Cans should be cleaned and flattened as usual and put in a separate container, and placed in front of the house so that they may be easily picked up in this special collection, Saturday, Oct. 23.

Things in this campaign have moved so rapidly that building plans and procedure have been unable to keep pace with the changed conditions that have affected the basic problems of the plans of the building, etc.

Just now the building committee is in almost daily sessions trying to keep up and arrive at the very best solution of all the problems that have been thrust upon them.

While subscriptions are still coming in daily, every effort is being made for a strict accounting of every cent and the issuance of the Founder's Club cards and meeting this year at the local Methodist Church was attended by about sixty persons from the membership of these churches Monday evening.

**Northvillites Attend State OES Sessions**

Six members of the Orient Chapter 77, OES, are among the 4000 delegates who attended the seventy-seventh annual session of the Grand Chapter of the Order of the Eastern Star, held at Grand Rapids Tuesday of this week. Mrs. Bertha Kerr, Worthy Matron, Mrs. Edith Strautz, assistant worthy matron; Mrs. Jessie Malmburg and Mrs. Anna Atchison left here Monday, with plans to stay through Thursday. Dr. Wilbur Johnston Worthy Patron, and Mrs. Johnston attended the Tuesday session.

To Mr. Lechner's home room goes the credit of \$114.50 in Wednesday's High School bond sale, out of a total of \$119.50 for the whole High School.

#### Bonds For Sons

Northville responded so well to the appeal of the government in the 3rd War Loan and the E Bond fathers did such an air tight job that a second bond prize was donated, making two prizes for the leaders in the E bond father bond sales competition. In addition to the \$100.00 maturity value in bonds offered to the father selling the greatest volume of bonds, through the cooperation and generosity of Dr. A. A. Holcomb, a second prize of a \$25.00 was made possible. The first prize of \$100.00 in bonds was awarded to Frank C. Myers who sold \$32,725.00 in bonds to 175 customers. The bonds were issued as follows: \$90.00 bond to Corp. Walter C. Myers, \$25.00 bond to Listat Joyce A. Myers and a \$25.00 bond to Clayton W. Myers, all three sons of Frank C. and all in the service of their country.

The second prize was awarded to Robert J. Porter, who sold \$26,325.00 worth of bonds to 236 customers. This bond was issued to Harry W. Porter, now serving in the South Pacific. These awards were made possible through the much appreciated help of Dr. L. W. Snow, Dr. R. M. Atchison, D. H. Van Hove and Dr. A. Holcomb.

It is interesting to note that E Bond Fathers accounted for sales totaling \$123,925.00 maturity value. The cost price of \$176.00 total sales for the area was otherwise distributed as follows:

District Edison Allocation, \$19,000; Maybury sales, \$925.00; Northville schools, \$2700; Ford factory, \$25,110.00. Further, E Bond sales accounted for \$108,937.50; bonds, \$25,160.00; G bonds, \$17,900 and C bonds, \$47,400.

Word of Commendation

The people of Northville appreciate the fine spirit of these E bond fathers and the great job they have completed. This is the first time that Northville has exceeded its quota, to any large extent, and it was done this time, only by the hours of work given by these men.

May I personally thank each and every one who by buying, selling or giving the awards made Northville have such a fine showing and made it possible for me to turn in such a grand report to the Treasury Department of the U. S. Government?

Averill Green, Executive Chairman, War Finance Committee of Northville.

### Blood Bank Comes Oct. 22nd

Mobile Unit Will be at the Methodist Church From 1:15 to 5:30 p.m.

The Mobile Unit of the Blood Bank will visit Northville again on Friday, Oct. 22. The blood bank will be set up in the Methodist Church House, from 1:15 to 5:30 p.m. Mrs. W. E. Forney reports that more than 300 patriotic citizens have signed up to donate their pint of blood to save the life of a friend of the armed forces.

According to local hardware dealers the new linseed oil coming on the market is not usable for medicinal purposes for livestock. The new product apparently contains a thinner and dryer that is poisonous or detrimental to cattle and livestock, making them ill and in some cases causing death. So farmers are warned not to use the new product for medicinal purposes.

With an American Task Force, Trobriand Islands. (By Mail)—It has been a long time between drinks for a dozen Michigan soldiers with a field artillery outfit on Kiriwina Island.

These boys have been away from the United States so long that they will feel like Columbus when they get back home. They sailed with the first convoy of American soldiers to set foot on Australian soil. The attack on Pearl Harbor caught them in the middle of the Pacific. They set

out from San Francisco, the island of Timor as part of an Australian task force equipped with Aussie rifle, gas masks, ammunition and uniforms.

They went five months without mail. They were bombed by hundreds of Japanese planes before the Allies had an air force in the Southwest Pacific.

The boys are playing by the football field when they reach this re-union of two legions and two debtors would seem to indicate. It feels that the Greeks have been against them and that the way the team has been running up in debt practice gives them a good chance to beat Redford Union in this afternoon's game at Cass Park.

The tentative lineup for today's game is: Hancock le; W. Clegg, lg; Falconer c; Steinleff, ag; Bulman rt; Slesser re; MacDonald, gbk; Hanson lh; Light, rh; Cox, cb.

Of these four were on the starting lineup last year: Falconer, W. Clegg, Cox and Bulman. Three others, Slesser, Hancock and Hanson also gave accounts of themselves with the team last season.

The league schedule calls for another home game next Friday, Oct. 22, with Holly.

## A REPORT TO OUR CUSTOMERS

The wartime philosophy of "making things do" has even taken the wave out of the checkered flags on Detroit Edison repair trucks! These are the flags you see posted in the middle of a street to warn traffic, where men are engaged in construction or repair work. Formerly they were made of bunting, but bunting is a war casualty. Now the flags are stiff canvas—but still doing a job.

Do you know that—

550,000 pounds of scrap copper  
 190,000 pounds of lead  
 53,000 pounds of scrap brass  
 were recovered in 12 months (to August, 1943) and put back into use by the Salvage Division of The Detroit Edison Company? In addition, 88,000 feet of cable and 560,000 pounds of weatherproof wire

were recovered and over 10,000 pounds of scrap rubber were recovered from old air and water-hose. More than 36,000 appliance cords were reconditioned "as good as new," and nearly 5,000 old wood poles were reclaimed by shaving off the decayed exterior and treating the pole with a fungus-destroying chemical.

## Reception Honors Golden Wedding of Mr. and Mrs. Charles H. Bloom

One hundred and fifty guests offered their congratulations to Mr. and Mrs. Charles H. Bloom on their fiftieth wedding anniversary Sunday evening at the reception given for them at their residence at 710 West Main st. by their son and daughter, Mr. and Mrs. C. Harold Bloom.

Mr. and Mrs. Bloom received their friends standing in the same spot at which they spoke their wedding vows Oct. 26, 1893, in what was then known as the Beattie home. This has been their home throughout their entire married life. Mr. Bloom, who for many years was with the Michigan Fire and Marine Insurance company with headquarters in Detroit, retired from business this summer.

Friends from Detroit, Farmington, Plymouth and Northville called during the hours from five to nine o'clock on Sunday. The spacious rooms were filled with beautiful flowers. The table in the dining room, from which the refreshments were served, was beautifully arranged with brilliant yellow chrysanthemums and gold tap-

pers. Presiding at the coffee urn at different times throughout the evening were Mrs. Marvin Sloan, Mrs. Walter Lyon, Mrs. Ed Lapkin and Mrs. Will Eny.

The youngest guests present were Martha and Celia Anne Bloom, the young daughters of Mr. and Mrs. C. Harold Bloom, who thoroughly enjoyed this party honoring their grandparents, Mr. and Mrs. C. H. Bloom, on their golden wedding day.

Woman's Club Today

The Woman's Club will hold the second meeting of the 1943-44 season this Friday afternoon, at the Northville Library, at 2 p.m. with the club membership looking forward to an interesting evening after the stimulating opening luncheon meeting two weeks ago. The opening meeting featured Mr. Donald Dearling as guest speaker following the delightful cooperative luncheon served from a lovely table arranged with an unusually interesting and colorful decoration of fruits, vegetables and flowers. Mr. E. M. Wood, Mr. Bert Brown and Mrs. J. F. Young were the credit for the attractive arrangement.

Another feature of the program today, Mrs. Deering, introduced talk on the two great objectives which were planned by

below decks when the attack began.

Everyone was pretty quiet, one of the men recalled. A fellow stood in the hatchway telling us when a dive-bomber was coming at us. I don't know what good that did, because there was nothing we could do about it.

We were below decks about an hour with the bombs and the guns crashing outside. When I got on deck it looked like our ship and one other were the only ones afloat. All around there were masts and poles sticking out of the water and men swimming and in small boats. Big fires were burning around the dock.

Land on Lepor Colony While some of the artillery men were on their way to shore in lifeboats, 27 more Jap planes came over. Some of the Yanks landed on an island that was used as a leper colony.

Only one battery could find its gun and it was used on beach defense as part of the Australian army.

There was no air corps either. One shot-up old Flying Fortress crashed into the trees at the end of the runway on a take-off. It was a month after the big raid before any fighter planes reached Darwin.

The soldiers lived on bully beef,hardtack and tea, and got acquainted with tough Australian soldiers headed for Singapore. After five months in the Darwin area the artillery men went south overland to Adelaide in South Australia and then north to New Guinea and finally to Kiribati.

All the men have had at least one seven-day furlough. Some A.E.C. men have had at least

have had two. But how they long to see their home towns again.

C. A. R. MEMBERS  
MAKE WINTER PLANS  
The Plymouth Council C. A. R. Society held their regular meeting Saturday, Oct. 9 at the home of Carolyn and Conrad Burkman, Fairbrook Road. Indian relics and examples of Indian handicraft, which the members had brought, and their history was discussed by the group and plans were made for winter feeding stations for the birds.

Carl Bryan, who was a special guest at the meeting, told them about plans for Junior American Citizens' Clubs which will be organized in the near future in the fourth, fifth and sixth grades in schools here.

(Continued from front page) they deserve your thanks, and it is a great job for us all. It is interesting to note that Arthur Juno, Laddie, 114, individual sales and that sales of the group listed 1073 individual customers.
