

FORWARD into FORTY-THREE

With Our Men in the Service

NOTE—This column is dedicated to news of men and women from Northville community who are in the service.

Ensign Paul H. Steencken, who completed a course of training at Cambridge, Mass., is now receiving advanced training at Norfolk, Va.

Pvt. Edward W. Baker is with a tank battalion at Camp Polk, La.

Frank Hunter is now at Fort Benning, Ga.

The following paragraph from a letter from overseas written by Gordon A. Banks to his mother, Mrs. Alice Gilbert, arrived the day after Mrs. Gilbert came into the office to say that Gordon wasn't getting the Record she had ordered sent to him overseas.

"At last the Record is coming through. One night last night I had the night before any time I have, off now I can catch up on the town news. I read about Bob Bray in the paper. I received last night. It sure must have been slow to be back home after so long a time of being away."

Sgt. William Hanson is at Alton, Okla.

John Horning who was inducted into the Army several weeks ago, has been assigned to an armored replacement training unit at Fort Knox, Ky.

John Stok, seaman second class, is now Mare Island, Cal. in the Navy Hospital there.

Harold Schöplitz has been transferred from Camp Crowder Mo. to Pittsburg, Cal.

Curly Odgers, recently home on leave is now stationed at Guilford, Miss.

Robert H. Kelly, who is at Ft. Riley, Kan. has been promoted to the rank of corporal.

Pacific Area

It has been quite some time since I last wrote you I have been receiving the Record quite regular and wish to take this time to again thank you for sending it to me. It is a great pleasure to be able to read about the different experiences of the other boys and of what's happening around Northville. It would be nice if I could tell you something about some of my activities, but as you know, that is impossible. I can say I am in good health and hope this will soon end so I can get back to the best darn country in the world. (No kidding) Would like to say hello to all the folks around Northville and thank them for the grand way they are giving their support to win this war.

Corp John H. Moyer

Jim Nelson, son of Mr. and Mrs. John K. Nelson of Plymouth, formerly of Northville, enlisted in the U. S. Navy and is now stationed at Great Lakes Training Station.

Fr. McClellan, Ala.

I received the Record here for the first time since I have been in the army and I ever realized how much I would appreciate it until I read it here in camp.

I read of boys I knew back in High School days and they bring back sweet memories of our friendship. I hope to get the Record as regularly as I did in civilian life. I am thanking you from the bottom of my heart.

Clifford A. Smith

Word has been received that Pfc. John Norton has arrived safely somewhere in England.

Albert Boelens who completed his Navy V-12 at Alma College recently and was home on a short leave, reported for further training at Columbia University, New York.

Donald Armstrong F I/C, who has been home on furlough, returned to Great Lakes Thursday.

Orange, Tex.

Yes, I have moved again, and this time I am in the state of Texas. Having lived only two months in this state, I can't say much about my activities but I am sure that they will prove interesting. I know that I will enjoy my stay if only because of the wonderful climate.

This is Sunday but by Friday I know that I shall want to read the Northville Record and see how things are at home so I shall appreciate it very much if you will be as kind as you have been in the past and send your very interesting newspaper to a loyal and thankful reader.

Jack McCrumb

Pfc. Sidney Junod of the Air Corps is still in the Hawaiian Islands.

Solicitors Seek Donations from You This Week

Local Goal Includes \$1000 for Youth Recreational Work in Community

Worthy Causes

Northville solicitors are out this week contacting people in every nook and cranny of the village and township asking for their donation to the Northville and National War Chest. The quota set for the community totals \$2500 of which \$1000 or proportionally of the total will be utilized in Northville to finance youth recreational activities throughout the year. Everyone knows that a great demand for the agencies of relief and aid being financed through the War Chest, the three service organizations of the USO, Prisoner's Aid and Seaman's Service receive the heavier proportions, while other worthy agencies all of which are listed in the appeal and the receipt cards share proportionately in the receipts.

This drive centralizes the efforts for these agencies that have heretofore made separate appeals for help, and this will be the only one during the year for these designated purposes.

In the Township

In the township Mrs. Mollie Lawrence is in charge of the teams which are composed of the following workers: Chub Smith, D. H. Van Hoy, Harry Clark, Bart Collins, and Madeline Walker Miller. E. M. Starkweather, A. J. Gotts Harry Lush, H. G. Maiburger, Harry Whipple, Robert Hoops, and Alex Lawrence.

In the Village

In Northville Village the Blue Star Mothers under their president, Mrs. Clara Westphal have charge of the solicitation. Mrs. Westphal's team is made up of Mrs. Julius J. Conroy, Joseph M. Moril, Anna Norden, H. C. Rodgers, Joe Lintberger, Nora Slick and Mrs. Lanning.

Mrs. Don Shiley, wife of Madeline's father, Albert Paquette, S. K. Stephens, Herman Bergert, George Mares, A. L. Junod, Horace Jorgensen and Etana Reid.

In the Districts Action C. A. Ely and Elmer Perrin are calling for donations.

It is needless for anything more to be said about your contribution, only very literal man you know that your money will be going to aid the boys and girls at home, in camp and abroad. The dates of the campaign are Nov. 1 to 15.

The team captains are organizing their teams and are now all set to put this over in the shortest possible time. The house to house canvass will be made by the Blue Star Mothers while the balance of the list and township will be covered by the other teams.

Don't fail your children, your relatives your friends and your neighbors when you are approached.

Give—Help all these—Give.

Auxiliary Plans Armistice Gifts

Will Remember Veterans at Nearby Sanatoriums on Nov. 11. To Serve Dinner

The Women's Auxiliary of Lloyd Green Post 47 of the American Legion will mark Armistice Day by distributing fifty-three gift baskets to veterans of World War I at Eastlawn and Mathury.

These baskets contain candy, gum, cigarettes, soap and a number of other small articles for the use and comfort of the men. Also included is a pack of Christmas cards with postage stamps for the men to send out themselves.

The evening of Armistice Day the Legion and Auxiliary are sponsoring a chicken dinner at the Methodist Church. Three hundred tickets have been issued and food will be prepared to take care of just that number of diners. Serving will begin at 8:30 and continue until all have been served.

Livonia Church to Worship Here

Members of the Livonia Community Church will join with the Baptist congregation here in the Sunday evening service, Nov. 7, when several of their number will be baptized in the baptistry.

The service will be in charge of Rev. Albert Lundberg of the Livonia church. Rev. Lundberg will also conduct the service and preach the sermon in the regular Sunday morning worship service at the First Baptist Church here, for Rev. Lloyd Young.

Seek Soldiers Letters for Xmas Edition

Folks, have you given due thought to the letters from your soldier boys for the Northville Record Special Overseas Christmas Edition? You know we want a letter, a Christmas letter from every Northville service man and woman for this edition.

This special edition will be published in time to provide first class mailing overseas for Christmas. It is important that your boy does not have a letter in that edition. So please get busy and see that your boy writes a letter for this edition. Imagine how your boy and hundreds of others will enjoy this edition, in which his buddies say "Hello" and "Merry Christmas" to him and he to them, all scattered all over the world. But remember this has to be done on schedule to arrive for Christmas. So please don't wait—it's just too bad if the letter gets here too late.

Mayor Perrin and Chuck Ely attended the meeting of county representatives in Detroit Wednesday called by Capt. Leonard to discuss the coal situation.

Army-Navy Test Here Nov. 9

Second Qualifying Test of Army Specialized and Navy V-12 at Northville High

The second qualifying test for the Army Specialized Training Program and the Navy College Program V-12 which will be given throughout the country on Tuesday, Nov. 9, will be administered at the Northville school.

Mr. F. H. Henson announced today a pamphlet of general information which contains an admission identification form may be obtained at the High School office. This form properly filled out will admit to the test students between the ages of 17 and 21 inclusive, who are recent high school graduates or who will be graduated by March 1, 1944. Incentive to take the test should be made known immediately.

The same examination will be taken by both Army and Navy candidates. The examination is designed to test the aptitude and general knowledge required for the program of college training and all qualified students are urged to take the test. At the time of the test each candidate will be given a choice of services, preference, but taking the test does not obligate the candidate to enlist in the service.

The Army Specialized Training Program and the Navy College Program enables students to continue academic training at government expense following induction into the armed services.

Northville Boy On All Star Team In North Africa

Two shippings from the Stars and Stripes, official overseas Army newspaper, brought in by Fred McCrumb, give news of Charles Bishop's baseball prowess in North Africa. Bishop, playing on the Moudach team, is listed in the Stars and Stripes as being chosen for inclusion on the all-star baseball team.

The all star team was selected by Corp. Zabe, Bonura, Special Service, team players in the Orange Beach League.

The following is quoted from the newspaper's account of a recent game in North Africa:

"In the International League the Moudach signals defeated the Bissons 19 to 5. The undefeated Moudach team, yesterday, when they defeated the Bissons on their home diamond. The Moudach have yet to taste defeat and the way they are playing ball it looks like they will go undefeated in their league. Davidson and Bishop led the hitters with three hits each."

Xmas Mail Date Is Extended

Special Mailing Privileges Accorded Mail for Soldiers Leaving States Recently

Christmas parcels for soldiers who have left some stations en route overseas after September 30 may be mailed as late as December 10 according to a recent ruling.

The new deadline has been set for the benefit of persons who receive official change of address notification subsequent to September 30. The reason for the separate provision is that relatives and friends of soldiers being shipped now would have expected the soldiers still to be in the country at Christmas time and would not have sent parcels in time for the regular October deadline for overseas mailing.

The change of address notification must be presented by the sender when the package is mailed. The same limitations on weight and size placed on packages mailed before October 15 are held for those mailed before the December 10 deadline. The packages may not exceed more than 15 inches in length or 36 inches in length and girth combined, and they may not weigh more than five pounds.

One other restriction on the delayed mailing is that only one parcel can be sent from one person to any one individual with an overseas APO address.

Debt Campaign Needs a Little More Help to Win

The Methodist Church debt, a debt of long standing, looks like a goner. With only a few hundred dollars to raise Wednesday morning the last check available it appears that with the continued efforts and calling scheduled to complete the canvass that the goal will be reached next Sunday evening when the results are tabulated. The goal of the drive was \$3,000.00 to provide for the debt of \$2,000 and some improvements thought necessary. Rev. Williams, pastor of the church, states that all gifts will be thankfully acknowledged and appreciated. No donation too small, no contribution too large.

Rev. Butt Will Preach Here

Rev. Luther Butt, Superintendent of the Ann Arbor District of the Methodist Church will be leader of the first quarterly conference at the Methodist Church here Sunday evening, Nov. 7.

The conference, with reports from the Church officers, will follow the evening service which will begin at 7:30. Rev. Butt will preach the sermon at this service.

Drug Stores Will Close Early Sundays

The two drug stores of Northville, The Northville Drug and Gussell's Drug Store will close at 9:30 p.m. Sundays hereafter. The new closing date becomes effective Sunday, Nov. 7.

Three Raised At Masonic Rites

A large crowd attended the supper and Third Degrees conferred Monday evening at the Northville Lodge No. 128, F. and A. M. The past masters of the Star served a splendid dinner after which three candidates were raised to the Sublime Degree of a Master Mason.

Name Local Scout Chairman

Monday evening the local council of the Boy Scouts met at the office of R. H. Arnerman to nominate and elect officers for the new year. Russell Clarke, cashier of the Depositors State Bank, was elected Village chairman, and also nominated for election as district chairman. Marvin Schoultz, Rev. Leslie Williams and Harold Church were nominated for district committeemen at large.

The Northville Village police department is in quest of applicants to fill vacancies on the local force. Eligible men should make application at the Village Hall to Chief of Police Frank A. Roelcker.

Freydl's to Move Next Week - Will Close

Owing to the job of moving into their new and enlarged quarters Freydl Cleaners will be closed Monday, Tuesday and Wednesday of next week, Nov. 8, 9 and 10. During these three days no work will be accepted but someone will be in the store to accommodate customers who have work which they wish to call for. Mr. Freydl suggests that in the past they have been most thankful for the kind cooperation of their customers and feel that under the circumstances they will again assist in bridging over the difficulties of the times.

Just now with the rationing of cleaning fluids, it becomes necessary to accept no clothing for cleaning that can be washed or laundered. The local supply has been cut one third.

There will be a regular convocation of R.A.M. Union Chapter No. 55, Wednesday evening, Nov. 10 beginning at 7:30. Mark degree will be conferred. Refreshments will be served after work.

to the Editor

Dear Mr. Carsfield: You know there is a relationship between the Record and me. We were both born the same year, 1871. I don't know whether is the oldest but I was born on May 4, Sanmy Little was the editor for a good many years and I remember him very well. Here is one for you. After receiving this letter, go out and see the old timers to name the Postmasters since Cleveland's administration. I can not go back any further as I went to Plymouth school, and father owned the Phoenix Mills; we got our mail at Plymouth and before that at Meads Mills right where Ford's Waterford plant is. Mr. J.W. Lord was postmaster there. On a separate page is list of Postmasters from Cleveland's administration on. Now I have been away from Northville 45 years last March so I think I am doing pretty well. I think I am the only Postmaster living in the Avery Dozier and Tom Carrington. Yours truly, Richard P. Sanquist and Rev. Young Exchange Vows in Beautiful Ceremony

On the evening of Nov. 2, the church was the scene of one of the most unusual and beautiful weddings ever solemnized in the church when Miss Marie Sanquist and Rev. Young exchanged their vows at the presence of several hundred guests. The ceremony was held in the church which was decorated with arrangements of white chrysanthemums, tied with white satin streamers. After the wedding, the bride and groom were seated by the pastor, Rev. George Rothery of Plymouth, Rev. Albert Luibrand of Livonia and Mr. Ernie White of Dearborn. Mrs. Peter Block, at the organ, accompanied Miss Miriam Shuell in a modern wedding song, composed by Wendell

Lovelace Entitled Together With Jesus

The bride, lovely in traditional white satin, fashions with a long train and her finger tip bridal veil falling gracefully from a pearl embroidered satin head, carried a white leather Bible, to which was fastened a bouquet of white orchids. She leaned the church on the arm of her father, Mr. Ernest Sanquist, of Detroit. As she and her attendants met the bridegroom before the officiating pastor, Rev. A. J. Graham of Flint, Mr. Block played the prelude to Oh Promise Me, which the bridegroom himself sang to his bride.

The double ring ceremony was used. During the reading of the service, as the bride's father, after giving her in marriage, turned to take his place beside Mrs. Sanquist, two of the bridesmaids, the Misses Bethel and Margaret Shuell, joined their sister Miss Miriam Shuell in a melodic trio arrangement of The Savior Like A Shepherd Will Lead Us. As the service ended the bridal pair received the blessing, kneeling.

The bridal party then moved to the back of the church and formed a receiving line with their parents, Mr. and Mrs. Ernest Sanquist and Mr. and Mrs. William Young. From the receiving line, guests were directed to the church basement where the ladies of the Baptist Church gave reception for the wedding party and guests.

Rev. Young, who began his pastorate here last June, had his twin brothers, Ensigns E. H. and E. W. Young, to share the duties of best man. Miss Sylvia Sanquist, sister of the bride, came from Wilcox College, Ill., which the bride also attended to serve as maid of honor. She wore a powder blue floor length gown with a bodice and bouffant marquisette skirt, with matching Juliet cap and veil and carried a lovely arrangement of yellow flowers. The bridesmaids, Miss Shirley Row, of Kenosha, Wis., Miss Margaret Bethel of Northville, and the Misses Bethel and Margaret Shuell, of Detroit, were gowned like the maid of honor, except that their gowns were rose and they carried bouquets of pink roses and white lilies.

Following a wedding trip, Rev. Young and Mrs. Young will be at home at the Baptist parsonage Nov. 11.

Women's Union Meeting, November 10

Youth Island Picnic

Rev. Fredsell, Mr. J. W. Blackburn, Mr. Louis Nagy and David Willis furnished the transportation. Mrs. Blackburn and Miss Chabot accompanied the group. The Christian Endeavor group included Peggy Ely, Shirley Hooge, Dorothy Leavenworth, Betty Snow, Florence McCluskey, Pauline Rogers, Coralyn Stephens, Leslie Nagy, Buzze Snow, Tom Carl, Jim Howarth, Bob Masters, Bob McKeague, Blake Course, and Dick Green, president of the organization.

The war comes to Elm Street...

Perhaps you think the war doesn't come very close to Elm Street—lots of Elm Streets, all over the U.S.A.

Ask Walter Carlsen, the mailman. He knows Elm Street. He knows its broad shade trees. He knows those neat, white cottages and the people in them—people like Mrs. Adams.

Sarah Adams was always cheerful—even when her hands reached out so eagerly for those letters from Bob—overseas. You remember Bob—that fine, husky, wide-eyed boy. Doesn't seem 18 months since he went away...

Walter Carlsen didn't know about the dreaded telegram that Sarah Adams received, but he will never forget the day he had to deliver that official envelope from Washington. It made him hate his job!

In a way Walter is glad that he doesn't see Mrs. Adams every morning any more. He is used to seeing those Blue Star Service Flags on Elm Street. They are plentiful! But the Gold Star in Mrs. Adams' window—he can't get used to that. It reminds him that the most he can do isn't enough. It reminds him that the way to Victory will be long and hard. He knows its cost.

Yes, Walter Carlsen knows how the war comes to Elm Street—lots of Elm Streets all over the U.S.A.

other-week meeting in the Neighborhood church, Wednesday afternoon, a hymn-singing and Bible-reading. A feature of the devotional service. Several readings were contributed by ladies of the group. A friendly letter full of fine thoughts from Mrs. Owen Stevens, daughter of Mrs. Frank Broquet, a Sunshine Sister, whose death occurred a few weeks ago, was read and much appreciated, as a part of the program. Plans were made for a Rally-Sunshine meeting on Wednesday afternoon, Nov. 10, in the Neighborhood Church, which will be open from 1 o'clock on through the afternoon. At this meeting any lady who has ever been present at a Sunshine Sisters meeting is urged to be present, along with any others of the neighborhood. It is hoped to make the affair a pleasant get-together, as well as an opportunity to enjoy a fine program. Rev. and Mrs. Edwards of Royal Oak, were guests of their daughter, Mrs. Marvin Peterson, Hubbard ave., Tuesday. Mr. and Mrs. Leonard Broquet, of Detroit, were guests of their father, Frank Broquet, Sunday. Miss Joyce Mix of Royal Oak was a guest of Miss Ina Mae Tallman, Friday evening. The Tuesday night service of the Neighborhood Church was of particular interest this last week. Rev. Edwards was present and gave a most interesting talk on "Prayer." Rev. Edwards is the father of Mrs. Marvin Peterson, Hubbard ave., and it is hoped to have him speak often in the Neighborhood Church. He will make a special effort to be present at the 5 o'clock vesper service in the Neighborhood Church on the second and fourth Sundays of the month. Other arrangements will be made for the other Sundays of the month.

Corinne Carrol of Detroit was a guest at the Tallman home, on Thursday evening. Mrs. Emerson Ault, left for New London, Ohio, Thursday. She is expected to make a ten-day visit with her daughter, Mrs. Johnson Porter. The condition of Mr. Peterson, Mrs. Peterson's father, who was taken to Receiving Hospital two weeks ago, following a fall, is reported to be quite serious. Clarence Roberts, who has been quite ill in Receiving Hospital, is much improved and hopes to return to his home soon. Mr. and Mrs. Owen Stevens and Mr. and Mrs. Regis Broquet, of Detroit, were Sunday guests at the home of their father, Mr. Frank Broquet. Miss Delora Smith, from near Flat Rock, visited her sister, Mrs. Louis Jennings, Sunday. Mr. and Mrs. Cecil Willets were visitors in Howell one day last week. Mr. Willets has been enjoying a week's vacation. Mrs. Russell Ault was on the sick list a few days last week. Mrs. Edwin Johnson and Miss Lora Anne Ault are the objects of much envy on the part of their friends. This week each received an envelope containing a pair of genuine silk hose, with a Rio de Janeiro stamp. The donor was Staff Sgt. Forrest E. Ault. Father Subjunctio, O.F.S., will indulge in much hymn-singing during the coming months. The Hyman Book Drive for the benefit of the Neighborhood Church has gone over the top and the funds all in and books ordered. Also about thirty different individuals ordered and paid for books to be personal property for use in their homes. It is reported that Mrs. J. M. Schult of Shady Side ave., is having trouble with an infection. Louis Jennings was on the sick list several days last week. Starting observance of Girl Scout week most of Livonia Troop No. 1 went to West Point Bible Church Sunday, Oct. 31, and the rest of the girls went to their own churches. There were thirteen girls and their leaders and committee members were present; also some of the parents. There was a good turnout at the Girl Scout parent night held at the Scout Hall Wednesday, Oct. 27. About thirty were present. Mr. and Mrs. Jack Aittama attended a Halloween Party Friday night of the Jurors Civic Association at Ion's Temple, Detroit.

Governor Kelly's 1942 campaign pledge of a soldiers' bonus is currently spotlighting Michigan's post-war employment problem.

Like the side show to the main event, the question of providing compensation for veterans of World War II is linked inextricably to the big problem of absorbing Michigan's augmented industrial army of war workers into peacetime production. The Michigan unemployment compensation commission recently announced following a state-wide survey, that 350,000 persons had been added to industrial payrolls since April, 1942.

Approximately 400,000 Michigan men and women have joined the armed forces. Thus, it is apparent that the heaviest unemployment load ever experienced in Michigan will accompany the re-conversion of Michigan industrial facilities to normal production at the close of the war. From July, 1937 to March, 1938, the rate of increase in Michigan unemployment was 301 per cent — five times greater than the rate for the country as a whole. Just as sure as night follows day, Michigan is due for the worst unemployment slump in its long history when our two-ocean wars come to an end.

Records of World War I show that 175,327 Michigan citizens served in armed forces. Of this number, 4,295 died in the service. In 1921 the State of Michigan, by referendum of the voters, issued \$30,000,000 in bonds to provide a "bonus" to returning veterans. State records show payments were made to approximately 166,900 individuals, or an average of \$180 per veteran, although some of the men received as much as \$300 to \$400 because of length of their military service.

Records of World War II show that slightly more than 400,000 Michigan men and women are in armed services today. If the war continues several years and replacements are required annually by the army and navy, state officials estimate today our returning rate may reach 500,000. On the basis of 400,000 veterans, a World War II "bonus" would involve an expenditure of \$72,000,000, a half billion veterans, \$60,000,000 — just the times the bond issue of 1921 in essential, the last bonus bonds will be paid off in 1944 — just in time, perhaps for another war's compensation.

It has never been the belief of Governor Kelly that the state of Michigan through action of the legislature or approval by the people of a special bond issue, should provide post-war compensation to veterans regardless of what the federal government decided to do. The amount of such compensation has always been contingent in the mind of the governor, on the decision by Congress as to what the federal government should do. Such action has not been taken to date at Washington.

"If our returning soldiers are forced to wait for several years to receive this token," the governor said in Chicago, April 2, 1943, "its point is lost in the time elapsed; its force is spent. That such will happen is a foregone conclusion UNLESS provision is made in the not too distant future, with the federal government coming to a point of determination of what its SHARE shall be. It is only after such action is forthcoming that the general states can proceed with plans for ADDITIONAL funds that may be necessary to meet the situation in an adequate manner."

Senator Arthur H. Vandenberg announced last week he would propose creation of a social security advisory committee to study the question of extending unemployment compensation benefits and old age insurance to veterans of World War II. "As the law now stands," said

Senator Vandenberg, "the civilian who stays on his job builds up insurance benefits while the man in uniform does not increase his benefits while he is in the service." Men and women who were employed prior to their entrance into war service, in work covered by unemployment compensation, benefits (those being paid by the employer) will be eligible for payments upon their return home. But many other boys who are only 18, 19 and 20, for example, will not be eligible to receive these benefits and it is this inequality which Senator Vandenberg has in mind, compensation of this type was not available to veterans of World War I. If it is extended to cover all veterans, obviously the federal government must play Santa Claus in footing the bill.

The specter of long relief lists for W.P.A. projects, and kindred government doles is not pleasant to contemplate. And especially so when Michigan is enjoying the greatest prosperity spree in its industrial history. Earnings of the average factory worker in Wayne County (Detroit) are more than DOUBLE what they were in 1940. Even after income tax deductions and War Bond purchases (10 per cent), the family income each week is estimated to be 64 per cent above that of 1940 as calculated by the Detroit Board of Commerce.

Nationally, wages have increased from 85.6 cents an hour on Sept. 15, 1942 to 95.2 cents an hour for August, 1943. The hour rate rise has exceeded the rise in the cost of living index, as determined by the U. S. Department of Labor.

If the national administration accedes to demands of organized labor for additional earnings, prices are bound to rise, and further inflation will be inevitable. Washington observers doubt that the administration will resist such pressure at the eve of a 1944 national campaign. Results of the Detroit mayoral election, this Tuesday, are bound to be interpreted in various ways. The Grand Rapids Labor News (AFL) said on Oct. 22 that the Detroit primary success of a "genuine union labor can-

didate" (Frank Fritzgerald) has inspired the CIO in Grand Rapids to sponsor its own slate of municipal candidates. With the National War Labor Board favoring check-off of union dues from workers' paychecks, organized labor has plenty of funds to spend. Unions are in proverbial clover. The CIO in Detroit contributed \$30,000 to the Fritzgerald chest.

Unfortunately or otherwise, labor is not united. Last year the CIO tried to go all-out for Van Wagoner while the AFL leaned

heavily toward Kelly. Nationally today the AFL is reported to be deserting the Roosevelt bandwagon, while the CIO is still loyally plumping for a fourth term. Yet the trend continues: Labor is not likely to lose its legislative benefits regardless of whom the American people elect for president in 1944. Recent utterances of Willie and Dewey, for example, indicate this beyond a question. Labor may be checked locally by the voters when its responsibility of leadership is evidenced, but it is here to stay.
