

FORWARD into FORTY-THREE

With Our Men in the Service

NOTE—This column is dedicated to news of men and women from Novi and Northville communities who are in the service.

Camp Crowder, Mo., recent circumstances. This time I am receiving the Revid in a hospital. I was with my every week and wish to thank outfit, the Rangers, when we you. Although I didn't live it made the landing in Italy. In Northville very long, I made a was there that I came down with a lot of friends and I hope to return there some day. They made me a Corporal today, and I met until I ended up here in Africa while in Italy we had plenty of grapes and oranges and once in while a chicken and spaghetti dinner. After having eaten "E" raters for a steady diet, that dinner really hit the spot. I guess Africa will never change.

Thanks again.

Ralph May was home this week on a seven day leave. He is stationed at Camp Ellis, Ill.

Word has been received that Pvt Howard Dixon has been assigned to an Engineer Utilities Detachment on an island in the South Pacific.

Maurice Hageman is reported ill in the hospital in Australia with malaria.

Richard Larkin has been promoted from fireman 1st class and received the rating of motor mechanic second class.

Robert Hollis has received a medical discharge from Hammer Field, California, and is home. He has taken his old job at the Ford Valve.

Tony Bongiovanni is in the Seabees and is stationed at Camp Perry, Va.

Ted Williams was home last week end. He is at Ft. Sheridan, Ill.

Robert Porterfield, whose home port is Trinidad, has been promoted to seaman-first class.

Word has been received that Lieut. Clove A. Myers has arrived safely in England, and has been promoted to First Lieutenant.

Leonard Fritz graduated this week from the air force armament school at Lowry Field, Colo. He is now private first class.

John Genest, pharmacist mate is stationed somewhere overseas.

Robert Ross of the Marines was home on furlough recently, which will probably be his last visit here for some time. He has been taking special training at Great Lakes and will be transferred back to his home base San Diego.

Pvt. Fred Walker came from Camp McCoy, Wis., last week end to spend a short time with his father, Clayton Walker, on Horton ave.

Camp Wolters, Tex.

I am writing to tell you how much I have appreciated receiving the Record in the four months I have been here at Camp Wolters, but to ask you not to send it anymore until you hear from me. I have completed my basic training and am now just waiting to be transferred to some other camp. When I reach my new destination I will let you know my new address and will appreciate it very much if you will send the Record to me there.

However, before I go to another camp, I expect to be home for a few days. I have enjoyed the Record very much because it keeps me informed how many fellow leavers are leaving for the army, and also where a lot of the fellows are.

The training was very tough, but it is over now and I feel there is a lot more tougher work to be done before this war is over. I see by this week's Record that he recently underwent an operation, but expects to be out of the hospital in a few weeks.

Pvt. Kenneth A. Martens is now a graduate Aviation Cadet from the 59th Army Air Forces Flying Training Detachment, Helena Aero Tech, and has been transferred to Walnut Ridge, Ark., for further training.

Edwin King, son of Mr. and Mrs. John King of Plymouth, are now in Camp Shelby, Miss., who is in Camp Shelby. Miss., has been promoted to private first class.

Joe S. Hewitt of Milford, a first class, has recently been promoted to Major. He is located at Camp Lewis, Wash.

Charles A. George Jr., has received his pilot wings and is now a second lieutenant in the United States Army. Lieut. George entered the Army Air Forces last year as an Aviation Cadet. He received his primary and basic flying training at various fields in the Southeast and was then sent to the Army Air Forces Advanced Flying School at Marianna, Fla., where he received his commission. Lieut. George is the son of Mr. and Mrs. Charles George.

Alvin Teshka, recently inducted into the Army is in training at Jefferson Barracks, Mo.

Richard L. Larkin, now motor mechanic, second class, is stationed in Oakland, Calif.

Nigel Poosha, recently inducted into the Army is in training at Jefferson Barracks, Mo.

Aviation Cadet S. Clark Armstrong has been transferred from San Antonio, Tex., to Garner Field, Uvalde, Tex., for further training.

Ralph Kuehnle Now
Charge Following Resignation of Harry Cassie

Ralph Kuehnle took over last week as superintendent of the Ford Motor Company Northville plant, the position recently left vacant by the resignation of Harry Cassie. Mr. Kuehnle is a graduate of the Ford Trade School and has for twenty five years been with Ford company at the Rouge plant. He and his family live on their farm home near Milford, having given up their Detroit residence a short time ago.

You were saying you would like to see me home for Christmas; there isn't anything I could like better myself, but crossing the ocean in a ship in time of war, dodging submarines, isn't a very pleasant thing, so I think it would be better if I wait till the war is over, which I will have to do anyway. I am enclosing a little snapshot of us with a little Scotchman who has 14 children in his family. I have not received the package yet, but probably will soon.

Yours truly,

Clayton Rodgers

The following letter was written by Pfc. Harry R. Ritchie to his mother, Mrs. George Smith of Belleville. Ritchie formerly lived in Northville and is a brother of Fred Ritchie, First st.

We are still in our camp in Africa and getting along fine. You were saying you would like to see me home for Christmas; there isn't anything I could like better myself, but crossing the ocean in a ship in time of war, dodging submarines, isn't a very pleasant thing, so I think it would be better if I wait till the war is over, which I will have to do anyway. I am enclosing a little snapshot of us with a little Scotchman who has 14 children in his family. I have not received the package yet, but probably will soon.

I went to the dentist today and got my teeth filled. That is a good thing in the army, we are well taken care of and have lots to eat. It is starting to get fairly cold here nights. The war is getting to look a lot better, in our favor. It shouldn't last a great while. Would like to hear from you soon.

Mr. Angie received

Appointment by Gov.

Kelly and President of

Wayne University

Percy C. Angie, Executive secretary of the Michigan Society for Crippled Children and Disabled Adults, of Northville, has been honored by two appointments during the last week.

Gov. Harry F. Kelly has ap-

pointed Mr. Angie a member of the State advisory committee to consider problems of youth guidance. The state advisory commission is organized on a state level under the name of the Governor's Youth Guidance Commission of which Dr. Eugene Elliott, state Super-

intendent of Public Instruction is chairman.

Mr. Angie has also been named by President of Wayne University of Detroit, a member of the Citizens' Council of Wayne University which has as its objective plans and projects to fit into the changing times and organized planning in the field of special education for crippled children.

A potluck dinner will be served at 7:00 p.m. in the Baptist Church parlor, Nov. 15, at which time one of the above national characters will be heard. The remainder of the program, with special music will be given at 8 p.m. in the auditorium of the church.

Will Enforce Dog Ordinance

In compliance with the amend-

ment to the village dog ordinance recently approved by the Village Council, Chief Rodocker states that after Nov. 15 all dogs whether licensed or not will be picked up if found running loose.

The police department is au-

thorized by the ordinance to enforce the law against any dogs running at large.

James Ritchie, who recently completed his training at Great Lakes has been sent to the University of Wisconsin for special radio training. His rating now is seaman second class.

STORING POTATOES
AT HOME

Home storage of potatoes is
necessary if America's record
crop of tubers is saved this year,

according to Jean Allen, home
economist of the Kroger Food
Foundation. With 463 million

bushels, America has the largest
crop on record, according to
latest federal crop reports; but
warehouse companies report the
storage facilities are inadequate.

Under wartime conditions it is
unpatriotic to waste food, Jean
points out, and in this emergency
the housewife can render
service by buying potatoes by
the bushel or hundred pound bag
and storing them when pota-
toes are being dug at the farm
and then utilizing them through
the winter according to family
needs.

For proper storage to retain
flavor and food value, Miss Al-
len recommends a basement
that can be kept cool and fairly
moist, "not common cellar stor-
age with furnace heat, for this
shrieks the tubers." Rather the
temperature should be around
60 degrees F., she says never be-
low 45 degrees. Ventilation is
necessary. And also the potatoes
should be kept out of the light
or they will turn "green." Earth
or concrete floors are satisfac-
tory, and the potatoes are best
conserved, this expert concludes,
if set on boards off the floor
occasionally, if it is damp.

Potatoes have been designated
as Victory Food Selection by the
War Food Administration for
October 21 to November 6. Food
Stores everywhere are cooper-
ating in this request from farm-
ers themselves and from the War
Food Administration to encour-
age increased purchases of po-
tatoes now so that future tempo-
rary rations can be saved.

How to avoid
 Wasting Light

Today any waste of electricity is as serious as wasting rubber or gasoline or other critical war materials. When you save electricity, you save coal. Here are practical ways to save electricity in your home:

(1) Turn off lights in rooms not occupied, and floor or table lamps not immediately in use. (2) Wipe lamp bulbs frequently, also reflector bowls and ceiling fixtures. Dust wastes as much as one-third of your light. (3) Flaring lamp shades do a better job of spreading light than straight-sided shades. The wider the opening at top and bottom, the more useful light is directed into the room. (4) Avoid dark-colored lamp shades (they soak up light), or try fitting them with white linings. Use good, white paper and fasten seam with Scotch tape. White linings will often increase the amount of light from the lamp by as much as 50 per cent. (5) Whenever possible, make floor and table lamps serve more than one person for reading or sewing. A single lamp on a table, for example, can provide light for chairs on both sides of it. Mother's Club Doings

Mrs. Martin Kolyke and Mrs. Jack Wewsbury were hostesses with Mrs. McCarthy at the McCarthy residence on Main st on Monday evening to members and guests of the Mothers Club. Mrs. T. E. Johnson was the very interesting guest speaker who discussed children's books. Other guests at the meeting were Mrs. Alex Kravitz, Mrs. Jack Morris, Mrs. George Stalker, Mrs. Harold Bloom and Mrs. John Dickey.

The meeting two weeks previous to this was a potluck dinner at the Austin Van Rove home honoring the nine new members taken into the club this year. Welcoming into the club were Margaret Davison Deal, Robert Kephart, Eastland, Sidney Moose, Matthew Hauser, Herbert Berendt, Orson Atchinson, Stuart Thompson and Harry Smith.

The club is sponsoring a meeting open to the public at the Methodist Church House, Nov. 22. They have secured the promise of Judge D. J. Hedley to speak that evening on juvenile delinquency and the juvenile court.

Florida Wedding for Michigan Couple

Nov. 3, Miss Barbara Rock, daughter of Mr. and Mrs. Jim Rock, of Inkster, Mich., became the bride of Lieut. Charles A. George Jr. in the post chapel of the Florida Hotel. The bride wore a gown of satin and lace fashioned in princess lines. The long train gown was accented by a spray of lace and her veil was of silk with a headress of seed pearls. Miss Rock was attended by the bridegroom's sister, Miss Helen George, of Detroit, who wore a gown of orchid.

The bride carried an arm bouquet of white roses and baby lilies. Her attendant carrying fan was Miss George's mother, Mrs. Paul G. Gaskins, Jr., of Gardner, Maine. The bride and groom returned home after the ceremony for a short leave, after which they will go to Mitchell Field, on Long Island, New York.

Delegates Report on King's Daughters' Convention

At the November meeting of the King's Daughters held at the home of Mrs. Lroy Stewart, Mrs. M. L. Moyer, who with Mrs. Stewart had attended the King's Daughters' state convention at Howell Oct. 21, reported on the meeting.

At this convocation attended by about five hundred delegates Mrs. Hoy first gave the report for the Northern chapter telling of the work for the past year. One of the high lights of the meeting was the presentation of a gold cross and chain, emblem of the order, to Mrs. John McGroarty of Ann Arbor, honoring her as her outstanding service. Mrs. Peppard and Mrs. Stewart also reported on the doings of their local chapters.

New state officers were elected as follows: Mrs. Aaron J. Clark of Perry, president; Mrs. H. J. Collier of Jackson, first vice-president; Mrs. Glenn Hartman of Eadsdale, second vice-president; Mrs. Clayton Brant of Flint, recording secretary; Mrs. Edith Brantner, Ann Arbor treasurer.

The fine CHRISTMAS present you can give is one of Uncle Sam's WAR BONDS. Keep on BACKING THE VICTORY.

Dr. Lee to Speak at Woman's Club

Dr. Shae Chang Lee of Michigan State College is to be the speaker at the Woman's Club meeting of the evening of Nov. 19, when the teachers of the Northville schools will be guests.

Dr. Lee, formerly head of the Department of Oriental studies of the Sarah Ann Cochran chapter at the University of Hawaii has just come to this country to teach courses in Chinese Civilization and the history of China in the new Institute of Foreign Studies at Michigan State.

Dr. Lee was born near Canton China, and received his education in China and America. During

the past five years he has had three books published: "China Ancient and Modern," "Popular Buddhism in China" and "Chinese Houses and Gardens."

Dr. Lee's subject when he speaks here will be "The Traditional Friendship Between America and China." This meeting will be held at the Library, Friday evening, Nov. 19, at 8 p.m.

The Garden Club meeting at the home of Miss Charles Westphal last Monday brought out twenty members and four guests to hear Miss Harriet Hubbard of the J.W. Hudson company discuss a group of new books on various subjects.

Engagement Announced

Mrs. Roy Howell and Mrs. Luella Rix who are hostesses with Mrs. Westphal at their tea in the social hour following Mrs. Hubbard's talk.

The next meeting will be in Christmas party which will be Dec. 11 at the home of Mrs. Paul G. Gaskins.

Birthday Party

Mrs. Sills Van Sickle celebrated her 60th birthday Saturday evening by her parents, Mr. and Mrs. Clinton Duke at their home on Nepler road. Guests included members of a card club enjoying a delicious dinner. It was an evening of cards. Mrs. Van Sickle received many gifts on this occasion.

Bazaar and Tea Wednesday

The bazaar of the Aid Society of the Lutheran Church are inviting members and friends of the church to the silver tea held in conjunction with their first Bazaar Wednesday, Nov. 17. From two o'clock on, tea, coffee, sandwiches and cakes will be served. The bazaar and tea will be held in the Lutheran Church Hall.

The O. L. V. Altar Society will meet with Mrs. John Nelson at her Starkweather ave. home in Plymouth next Wednesday.

Home Front Death Toll Greater Than Armed Forces

Casualties to the U. S. Armed Forces since Pearl Harbor were 12,123 dead, 15,049 wounded and 51,063 missing, prisoners or interned, a total of 78,235. These figures are from a recent report of the Office of War Information.

Casualties to American workers through accidents since Pearl Harbor were 64,500 dead and 6,000 injured, on and off the job. These figures are from the National Safety Council.

The Council offers the comparison as evidence that accidents still are helping the Axis by draining America's manpower, that is vital to victory.

The total American toll, workers and others, since Pearl Harbor is 128,000 killed and approximately 18,000,000 injured, the Council said. Among the victims were thousands of skilled workers and key men in the nation's war program who cannot be replaced.

Dry Cleaning Fluid Is Now Rationed

Under Government order we may obtain only about 2/3 of our usual quantity of cleaning solvents.

And That Means -

We must conserve cleaning fluid for use in cleaning only clothing that cannot be cleaned by any other method.

Therefore -

May we suggest that clothes that can be washed or laundered should not be brought to us for dry cleaning. We are doing our level best to take care of our customers and give satisfactory service.

GAS IS ON THE JOB

- Gas is doing a double-duty WARTIME job—with a network of pipelines designed for PEACE TIME!
- War Industry's demand for gas to speed the production of scores of war essentials has increased greatly.
- War-time residential requirements have been stepped up—along with the needs of new military establishments.
- And—steel cannot be spared to expand the present peacetime network of pipelines—because it is more vitally needed on other fronts.

WE who will not be scared in battle have a glorious obligation to those for whose return we pray! We can, in part, fulfill that obligation this significant day—by reverently observing "Taps for the dead—FOR THE LIVING, WAR BONDS"! There is none among us who can say, "I have bought enough". Just as no man in uniform can say "I have fought enough". To him the supreme sacrifice is reality: to us too, sacrifice must be supremely worthwhile—in the name of Victory!

LEGAL NOTICES

STATE OF MICHIGAN
County of Wayne
ss. 315.616

At a session of the Probate Court for said County of Wayne held at the Probate Court Room in the City of Detroit, on the twenty-eighth day of October, in the year one thousand nine hundred and forty-three, Present: Joseph A. Murphy, Judge of Probate.

In the Matter of the Estate of John A. McNamara, deceased.

On reading and filing the petition of Eliza J. Cone, praying that administration of said estate be granted to Nelson C. Schrader, Jr., or some other suitable person:

It is ordered that the thirtieth day of November, next, at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

And it is further ordered that a copy of this order be published.

(Continued from front page) N. Y., which tells of the commendation for bravery received by Alvin Hotaling, who was a Northville boy. He will be remembered as the son of the late George Hotaling, who for thirty years owned and operated a barber shop on N. Center st. After his death about ten years ago, Mrs. Hotaling and family moved back east.

The following is quoted from the Detroit Courier:

According to a dispatch to the Courier from U. S. Army headquarters in the South Pa-

cific command, commendations were recently issued by Lieutenant General Millard F. Harroon, commanding U. S. Army Forces in the South Pacific area, citing officers and enlisted men for outstanding service.

Your performance of outstanding services has been noted by the commanding general, United States Army Forces in the South Pacific Area, and the following commendation is given in official recognition thereof:

Commendation: Private First Class Alvin G. Hotaling, 32048561

Field Artillery, United States Army, for outstanding conduct at Guadalcanal during the period from Jan. 30 to Feb. 2, 1943.

STOPPED! STALLED! OR STRANDED!

More than 80 per cent of all winter "can't start" troubles are the result of battery failures.

Check your battery regularly. Keep ammeter on "Charge" as much as possible.

Use lights sparingly.

Reduce radio use to minimum.

Set generator for winter use.

Batteries are frittier than ever

these war days. Make it a habit

to push your motor a bit when

ever stopped at a traffic light or

in traffic, because in this period

of limited driving, batteries are

not getting sufficient voltage to

keep them at peak performance.
