

WINNING THE WAR IN 1944
WITH NORTHVILLE'S MEN AND WOMEN IN THE SERVICE

\$2.00 PER YEAR IN ADVANCE

Headquarters of the Medical Replacement Training Center at Camp Barkeley, Tex., announced this week the promotion of Capt. C. Christensen from the rank of First Lieutenant to Captain, M.C.

Bruce Arnold, now second class, wrote his mother, Mrs. Charles Arnold of Seven Mile Rd. from New Guinea recently and asked her to express his thanks to the Record and also to thank the Blue Star Mothers for their Christmas gift.

Joe Cramer, of the Navy, was home on leave recently, leaving here Dec. 29 to return to his ship. This was Joe's first visit home in over a year. He enlisted in the Navy in September, 1942.

Well, I really don't know who to address this letter to but I believe I should have written long ago. I am now an aviation student at Jefferson College in St. Louis Mo. They didn't move me very far from Jefferson Barracks, but I am glad because it is really well here. We are allowed out two hours one week night and Saturday night till 7 p.m. Sunday we stay and all day. It is pretty strict here and we get demerits for not being "on the ball" as we put it. Any demerits over six we walk tours of 50 minutes each at a rigid position of attention. These are walked off or can open post periods which are the times we are allowed out. I guess I have some coming next week.

I was lucky to have a three-day pass which enabled me to get home for Christmas. Believe me it was really wonderful to be at home. Well I guess I better close but I want to say to all the fellows still in school, who are expecting to go into the service, that they should get good marks in school. I suppose that is a laugh and they won't listen anyway; but if only one takes my advice, I will have accomplished something. The type of education you made mean a lot especially for the type of training I am taking. Someday I hope to fly and what I did have in school helped me a lot.

Sincerely,
Natal Potts
P.S.—I would appreciate it very much if you will continue regarding me the Record. It is a continuing link between the life I used to try to live and the life I am leading today.

I recently was home on furlough and had to see you, so I hurried and got up sending the Record because of the probability of having. I miss the Record so much; as it helps me keep track of my old friends and what they are doing. I am now stationed at a new base so please send me the paper here.

I recently transferred from the Infantry to the Air Corps, as a Cadet. I am interested in that work, especially flying. So I hope to make good.

Thanks again for the Record and I hope we all see a speedy victory soon.

Pvt. Jean F. Marburger, son of Mr. and Mrs. A. Marburger of 4035 Seven Mile road, is receiving basic training at the WAS Training Center at Daytona Beach, Fla. Private Marburger attended Northville High School and Business Institute. Private Marburger has a brother, Sgt. Marvin Marburger in the Army Air Corps.

Pvt. Harry Larkin has been promoted to Pvt. I.C. His mother Mrs. Richard Larkin has received word of his safe arrival in the South Pacific.

Miss Marjorie Pemberthy of South Wing street has enlisted in the Women's Marine Corps and is waiting orders to report for training.

A letter published in this column last week credited to Donald J. Willis was written by Sgt. Donald J. Wilbur. In the letter he acknowledged receipt of the mother-in-law of said friend. After some difficulty, due to the fact that American and English dentists have a different system in classifying substitute teeth, the commission was executed and the denture will be turned over to the English girl when Lieut. Bacon returns to England.

An official statement from the Army Air Base at Blythe, Calif., lists Sgt. Donald J. Wilbur as one of twenty Michiganans who is in training at that air base. Sgt. Wilber, a radio operator, is in heavy bombing combat crew training. He entered the service in December, 1942.

I thought that I would write and thank you for sending me the Northville Record. It gives me great pleasure to read of the items of interest back home. I also read "Looking Forward into 1944" with a great deal of interest. I receive the paper regularly every Sunday and want to compliment you on your promptness even in these tough times. So I thank you again.

Walter Fox who was home for ten days from Camp Butler, N. J., returned to camp last week.

Band Concert Well Received

Patients and Friends Welcome Winter Presentation of 50-Piece School Band

The winter concert given by

the 50-piece school band

of Northville

was well received by parents and friends. Directed by

Leslie G. Lee, the school band

had a varied program consisting of marches, mazurka, waltz, polka, etc., and modern compositions. Special numbers consisting of church music, such as hymns and piano solos were also presented.

The band is one of the hardest

working classes in the school,

since practices are held one evening each week as well as during the daytime classes. There is also a Monday evening session for beginners. A number of Northville

boys now serving in the U. S. armed forces, both in this country and overseas, got their start in the music field in which they are now classified in the music department of our schools.

Dog Quarantine Declared in Northville Twp.

Dr. Wilbur Johnston, township and village health officer, has clamped down on the dog situation following an outbreak of rabies, and declares a quarantine throughout the township effective at once.

All dog owners are to confine

their animals to their premises and all dogs running at large will be picked up and treated according to the methods outlined in the statutes.

Recently two Northville people were bitten by a dog running at large. The dog was later reported to be rabid. West of town other rabid dogs have been reported and in order to stop the spread of the disease the quarantine is made effective at once.

An official statement from the Army Air Base at Blythe, Calif., lists Sgt. Donald J. Wilbur as one of twenty Michiganans who is in training at that air base. Sgt. Wilber, a radio operator, is in heavy bombing combat crew training. He entered the service in December, 1942.

Turn out
OFFICE LIGHTS
at lunch time

Save electricity to save coal!

The government asks the almost conservation of electricity to save coal, manpower, transportation and critical war resources. Turning off your office lights for an hour at lunchtime may not seem like much of a saving. But one or two lights in thousands of offices, turned off one hour a day, will save in a year thousands of tons of coal vitally needed today.

Electricity is not rationed and there is no shortage of electric power in this area. The Government asks you to reduce your use VOLUNTARILY as part of the national conservation program. Save electricity whenever and wherever you can—in store and office and home. The Detroit Edison Company.

DeKay School News

The school children are enjoying a new record "White Christmas" given them by Mrs. Davis. New storm windows have recently been put on the school house. It makes the room much more comfortable and leaves the amount of fuel needed.

Men in the neighborhood have been ill with the flu. Dennis Hart has been ill for a week with pneumonia and his brother Billy, had been ever since last week. Billy is doing nicely and we wish a speedy recovery for Dennis.

The DeKay school club held their monthly meeting last Thursday. Plans are being made for a series of Lincoln's birthday.

The Christmas tree decorations purchased by the club are being stored at Edward Lockman's because of storage room at the school.

Gail Norton ran her tennis court Dec. 21 and carried through very nicely.

**Annual Meeting Of
Garden Club**

The Northville branch of the National Farm and Garden Club met at the home of Mrs. E. B. Steers on Eight Mile Road Monday evening. About fifty members and guests of the Northville Woman's club met in the Library last Friday and enjoyed a cooperative luncheon and social hour. Following the business meeting, attention was given to a talk on Turkey by Mrs. Charles Clark, who with her husband, lived in that country as a missionary for a period of thirty years. Mrs. Harvey Whipple introduced the speaker. The Current Events committee of which Mrs. Whipple is chairman, having charge of the afternoon's program. The social committee assisted with the luncheon arrangements.

Mrs. Joseph Denton, the retiring president, presented the gavel to the new leader, Mrs. Ray and Aunt Jennifer Vradenburg on behalf of the club members, gave Mrs. Denton a beautiful table center.

The Northville club donated \$10 to the National scholarship fund; \$10 to the Red Cross; \$2 to the Coordinating Council and \$5 to the cancer relief work.

During the afternoon tea was served to the thirty one members and guests present with Mrs. B. A. Hodge presiding at the tea table.

VETERAN'S MEMORIAL HALL BUILDING FUND

NORTHVILLE, MICHIGAN

January 12, 1944

Dear

At a meeting of the Trustees of the Veteran's Memorial Hall Building Fund held Tuesday, December twenty-first, it was voted that a letter be sent to you as a subscriber expressing the sincere thanks of the Board and all concerned for your generous pledge and contribution to the Building Fund. Your whole-hearted support has assured an appropriate Memorial Hall Building in the near future.

We are glad to say that the Neal property has been purchased and paid for, and the title to the same, as well as the title to the lot donated by Mr. Casterline, now stands in the name of the Lloyd H. Green Post Incorp. The Board of Directors of the Post are now ready to proceed with building operations as soon as weather conditions permit.

The trustees of the Building Fund would like to take this opportunity to state that the original purpose of the undertaking has not changed, namely to erect a building to be owned and operated by the Lloyd H. Green Post 147 Incorporated primarily for our Northville boys when they return from the war. It is also expected that the building will be used for community purposes, especially those organizations of a civic, charitable and patriotic nature.

In closing may we ask that, in case your pledge has not been paid in full, you continue to make your payments in accordance with your pledge. The remittance should be made payable to Treasurer, Veteran's Memorial Hall Building Fund. Your assistance will result in the completion of the Memorial Hall.

Sincerely yours,

THE BOARD OF TRUSTEES OF THE
VETERAN'S MEMORIAL HALL
BUILDING FUND.

SOLDIERS NEED BOXES—Millions of boxes are needed for the K- and C-Rations eaten by our soldiers on the battle lines.

SAILORS NEED BOXES—It takes tons of paper-board to pack shiploads of munitions for the long voyages to the other side of the world.

THE HOME FRONT NEEDS BOXES—Huge stocks of paper are needed for the containers which have replaced metal for dozens of grocery and household products.

Tons of Waste Paper Wanted At Once for

Food and Ammunition Containers

TURN IN YOUR WASTE PAPER...

YOUR COUNTRY NEEDS IT NOW!

As you read this, paper mills are closing... others are running only a few days a week. These mills make the paper boxes, cartons, and shipping cases in which our soldiers and sailors get their food and ammunition.

Without these cartons, they won't get vital supplies! Such cartons are made from waste paper pulp.

And it's a fact that there isn't enough waste paper to make the enormous quantities of boxes called for... to keep K-rations and cartridges flowing out to the fighting fronts! There isn't enough waste paper to make the cardboard packages now substituting for metal on the home front!

Right here is where you come in. Clean out your cellar and attic now!

SAVE THESE WASTE PAPERS... Newspapers... Magazines... Cardboard Boxes... Paper Bags... Wrapping Paper... Letters... Envelopes... Advertising Matter.

Keep newspapers and magazines separate if possible. All other paper can be packed together.

This shortage is serious! Never in history has so much waste paper been needed so fast! So tell your friends and neighbors about it. Every boy and girl can be a paper hunter, too!

Above all... don't burn any waste paper. Don't throw any away! Scour every corner. Save every scrap.

Keep the paper coming... and you'll keep the war goods rolling! Start now!

HERE'S WHAT YOU DO WITH THEM...

1. Tie your paper in bundles of about 25 pounds each for easy handling.

South Lyons Man
Jap Propagandist
Arrested By F. B. I.

A former resident of South Lyons, N.Y., Fred was arrested in New York last week on charges of acting as an agent without authority by the State Department. He now is a graduate of the South Lyons High School, is accused of many anti-Chinese speeches in Milwaukee and other Oakland county communities. He admitted receiving about \$15,000 from the Chinese for propaganda work.

For a time he was a member of the Chinese army and equal to our brigadier general but has spent most of the past two years in New York and Detroit where arrested, he was an officer from Camp Croft, S.C. He is an army corporal. He was married in Hankow in 1938 to a woman described as a white Russian who became a Chinese military nurse after fleeing from Russia.

He talked in Northville three years ago at a public meeting sponsored by the Cub Scouts, relating his services as a soldier for the good of the Chinese. This speech here dealt with his travels abroad, but in the course of it he made a statement concerning the invasion of China by the Japanese, to the effect that "it will be good for the Chinese."

Second Lieutenant Charnelle Hardesty of Blackland Airfield,

Waco, Texas, who has received his wings, is spending a week on furlough with his parents, Mr. and Mrs. Floyd Hardesty, Salem.

Sgt. David Hay has been transferred from Walla Walla, Wash., where he has been stationed to report to Miami, Fla., the last of the month. The Turners formerly made their home in Northville, Wendover, Utah.

Bob Boyden writes to his parents, the Rev. A. Boyden, 101 First Avenue, that he has arrived safely at another overseas station, having been transferred recently. He is a member of a Navy band and orchestra, playing in camps and hospitals as well as for other recreational projects.

Received my first Record Nov. 26 today which was more welcome as New Caledonia is long way from home, and news other than written by my family and friends is like getting letters too.

I've been on this island for almost three months now and like it quite well. One reason is because we are now having summer instead of the cold and snow. In fact they tell me that that is all they have here, summer months.

I am getting along fine, with plenty to eat and plenty of work, as a carpenter with the Engineers. But I sure would like to see this thing settled once and for all and would like to get home real soon. Just keep the Record coming, I appreciate it very much.
