The Northville Record

Volume 73, Number 42

Northville, Michigan, Friday, March 31, 1944.

\$2.00 PER YEAR IN ADVANCE

Frank Bongiovanni, who has been home on leave all this past week, will return April 1 to independence, Kauai, to report for duty.

Corp. Ted Williams has been awarded a Good Conduct Medal for "excellent character and efficiency" as announced by Col. John T. Rhetz, Post Commander at Fort Sheridan. Corp. Williams is a member of the 157th Service Unit.

Camp White Oak
I wish that you would thank Mrs. Ralph L. Hay and all the ladies of the Blue Star Mothers for sending me my Christmas box. Thanks also for the record every week. You see we are still in this country but hope to smell salt air soon. My regards to all my friends in Northville.

Sgt. M. A. Austin

Greenville, N. C.
Time out from my work to drop you a few lines. It is raining quite hard this morning so we have until it quits to our selves. Seeing it has been some time since I have written you, I feel it an obligation, more or less. Anyway, one of my buddies handed me a card and asked me if I wanted it. I looked at it and saw it was a card from you. You see, I live in town with my wife and some of the other boys get my mail sometimes and forget to give me all my mail. So would like to know if I am too late to still receive the Record. I've been receiving it regularly and take it home to my wife so we both enjoy it very much.

Would like to say hello to all the fellows and good luck.

Sgt. Clayton Myers

Lieut Robert J. Orr of Farmington has been assigned to the first Troop Carter Command after receiving his wings in the Army Air Forces, and has been continuing his ground school and flying training at Bergstrom, Austin, Texas. Bob attended Northville High School and later went to Adrian College. He was a student at the time he entered the Army.

Sgt. Ray Denton has been promoted to Captain; he is attending school in Lexington, Mass., having been sent there from Saginaw, Kan.

Brownies Will Aid Campaign
The Brownies, headed by their Girl Scout leaders, Mrs. George V. Chabot and Miss Florence Keith, are cooperating in the Cancer Prevention campaign during the month of April.

Beginning Saturday and Saturday through the next three weeks ends, the Brownies will make a blanket coverage of the village. They will distribute literature that tells the story of cancer—what is it, how it should be treated, how malignant growths can be detected in time for definite cure if a physician is consulted. The material is prepared by the Women's Field Army for the Prevention of Cancer and approved by the United States Department of Health.

YOUNG PEOPLE TO BE CONFIRMED AT THE PRESBYTERIAN CHURCH

In the historic rite of Holy Confirmation a group of sixteen young people will pledge their loyalty to Christ and the Church Sunday morning at the 11 o'clock worship service in the Presbyterian Church.

Those participating in the service are as follows: Jean Frey, Wanda M. McKinney, Ruth McCurdy, Gertrude V. Raetz, Alice Woodruff, George A. Locke Jr., Corine Kay Clark, Donald Tiffen, Patrick Herriman, David Schoutz, Marlene Biersbach, Delores Blaske, Ernest Pudney, Phyllis Powers, Ella Ott, and Harold Dayton. On letters of transfer from other churches there will be Mr. J. Willis from the Jackson Presbyterian Church and Mrs. Ray E. McCurdy. Aviation Radio man S/C Elmer W. McCurdy and A. English teacher, Miss Palmer, brought an opium pipe, a pair of Chinese baby shoes, a pair of Chinese everyday shoes, hard painted Chinese dishes and a large folder of flowers painted by a Chinese artist. The students brought pictures and gave many interesting reports. The committee for the case in the lower hall put all the China things in it and it looks very nice. Lois Petrie, reporter.

Our supply of pictures of men and women in the service is running low. If you have a picture or a good clear snapshot of some one in this community who is in service and whose picture has not been published, please bring it to the Record office. As soon as it has been published it will be returned to you at the office.

Thursday evening, B. W. Elliott of Northville claimed somewhat of a record for a Past Master of a Masonic Lodge. Forty-four years ago, he raised a friend in Maple Rapids Lodge. Thursday evening he raised the son of this brother to be a Master Mason. Mr. Elliott went to St. John Thursday to attend the lodges there and preside at the exemplification of the Third Degree.

Mrs. Mary E. Wadsworth was visiting friends last week end in Detroit and Windsor, Canada.

A Meditation for Palm Sunday and Holy Week

by
The Rev. Harold F. Fredsell, Pastor of the Northville Presbyterian Church

HOLY WEEK is upon us. It is the most sacred week in all the church year. The week in which all seriousness turns from the things of the world, and think-on things eternal. This miracle of love, this mystery of God's love and sacrifice thrills everything aside and men turn to inquire, What manner of love is this, that Christ should become the sacrifice for the sins of men?

Each year we come to this season, we walk the weary road with Christ on the long last mile of life. We live with Him each day of the week, and concentrate our thoughts on the words now spoken of our Lord and seek to be more worthy of Him and the things He has done for us.

On the first day of that momentous week Jesus the Master of Men rode into the Holy City. As He passed from the village of Bethpage over the Mount of Olives into the city of Jerusalem, He was given the honor and ovation accorded a conquering hero. It was evident that His disciples and friends believed that His triumph was near.

Garments were spread upon the road. Branches were torn from the trees that lined the course the procession was to follow and these were waved with enthusiastic acclaim. The cheering multitudes hailed Jesus as a conquering King, shouting as they walked, "Hosanna to the Son of David."

Jesus was not deceived by this acclamation. Before Him loomed the outline of the cross. He knew that all too soon these same followers would be shouting, "Crucify Him." The road of triumph for Him called for ever unwavering and a heart unflinching. It would eventually lead to a cross-crowned Calvary.

Today the shadow of the cross falls upon the weary strife-torn world. But the symbol of the palm branch is abiding and prophetic. It speaks of the kingdom which is yet to come. When His Kingdom comes in the lives of men and nations, the hopes that first Palm Sunday will be fulfilled in the dreams and aspirations of the world He is King.

Novi to Hold Election April 3

Restaurant Gives Receipts to Drive

Voters to Pass on Proposal to Raise $\frac{1}{2}$ Mill Assessment for Named Purposes

The Township of Novi will hold a special election Monday, April 3, to determine whether the township board should assess an extra tax of one-half mill per dollar for a fund to be used for various purposes set up in the election statement.

The proposal asks if the voters will raise $\frac{1}{2}$ mill on taxable property therein the sum of half a mill per dollar per year to running in 1943 to be extended in the discretion of the board for the purpose of providing recreational facilities, meeting good of the township at large or the populous centers therein.

Save and Prepare Tin Cans for Early Collection

Are you saving, cleaning and breaking down your tin cans so that they can be picked up and put to work in winning the war?

On one of our streets two bushels of tin cans were set out for rubbish pick-up and not one was cleaned or prepared so that they could be used for salvage—shame!

The Army and Navy are constantly developing new uses for cans. One of the most amazing discoveries is the can that blows up a balloon that carries up an aerial that radiates an SOS. This can is used in the new type raft for bomber crews who come down on the ocean. In the top of the can is a hole into which is screwed a hose attached to a small balloon. Inside the can is another can which slides part way out like a telescope.

When this unit is placed in the sea a chemical reaction takes place that generates hydrogen which inflates the balloon. The balloon soars 300 feet in the air carrying aloft a radio aerial and thus enabling the downed fliers to send out an SOS on a portable radio.

This is only one of many tin cans in a life raft that helps save lives. There are cans for water, food, first aid, repair materials and even fishing tackles.

That is one reason why everyone should do his war job and save tin cans for the April 15 collection!

Farmers Market Opens April 6

Sam Pickard is back from the state of Florida and all set to

open the Farmers' Market at the corner of N. Center and Dunlap. Sam and Mrs. Pickard

report a fine winter and Sam

will open the market April 6.

He'll be glad to see his old customers again.

Northville Restaurant Will Donate Gross Receipts for One Day's Business to Red Cross

Following its annual custom, John Poulos of the Northville Restaurant will turn over to the Red Cross all receipts for the day on Tuesday, April 4th.

All employees of the restaurant are cooperating with Mr. Poulos by donating their pay for that day. Last year's donation from this Northville business house ran well over a hundred dollars, something to shoot at this time.

Spring Vacation Comes April 6th

The annual spring vacation of the Northville schools will begin this year on Thursday morning, April 10. Classes will reconvene Tuesday morning at the usual hours.

This period is planned as a break in the school year between the winter term and the final weeks of school in June.

Some of the faculty of the grade and High school plan to remain in Northville, while others

will visit relatives and friends elsewhere. Miss Gilster will go to Stockbridge; Miss Lance to Carson City; Miss Garland, Belleville; Miss Vickler, Columbus, O.; Mrs. Herrick to North Branch; Miss Fritz Rose City; Miss Knapp and Mr. Amerman, Hillsdale; Miss Schwartz, South Rockwood; Miss Rohr, Marquette; Miss Keith, LaGrange, Ind.; Miss Nelson, Chase; Miss Hensch, Richmond; Miss Carpenter and Miss Jarvis, Detroit.

Girl Scouts To Handle Fat Salvage

Northville Girl Scouts have reported to the call of duty and are now planning on taking complete charge of salvaging of grease in the community. They plan on an organization covering the village. Troop No. 2 under the leadership of Mrs. Harold Wagensitz and Troop No. 3 under the leadership of Mrs. Gerald Wins, will sponsor the local job and see that it is done.

That is one reason why everyone

should do his war job and save tin cans for the April 15 collection!

Alonzo Sessions in Sunday Press

Alonzo Sessions of Wixom Rd blossomed forth last Sunday as the lead character on the front page of the Detroit Free Press rotogravure section. Several pictures of Mr. Sessions, now 81 years old, were shown in a group with a large close-up.

Each picture offered an appropriate caption and exposition of the pose of the subject.

The old derby, came in for its share of the pictorial section.

Ed Sessions has returned to his home on High street from a visit in Florida.

Plant Victory Garden as Soon as Possible

Chairman Tells What Can Be Planted Right After Plowing

Need 600 Gardens

Now is the time for all good victory gardeners to begin thinking about planting radishes, leaf lettuce, cabbage, broccoli, peas and onions.

And now is the time for all good citizens to begin thinking about a garden of anything, for if gardens are not planted, there are going to be a lot of people who won't have all they want to eat.

Carl Ely is the chairman of the victory garden committee in Northville, and already has begun to make plans for the allotment of garden plots for those who want them.

Some of the seeds should be put into the ground as soon as possible in the season, and the earlier the better. As a matter of fact some of the seeds can be planted in late March or the first of April if the ground can be worked by that time.

Whereas there were more than 300 victory gardens in Northville last year, there should be double that number this year to help produce feed for victory.

After the danger of frost is over, which is about May 15 this year, tomatoes, peppers, eggplant, celery and New Zealand spinach can be planted with safety.

Ten days after May 10, any garden vegetable you may desire to grow can be safely planted.

Last year, because of the excessive rains, many victory gardens were not planted until late in June, and some of these proved to be a waste. But it is always best to plant early gardens as early as possible in the spring.

Blood Bank at Novi April 17

Novi, Farmington, Wailea Asked to Provide 325 Donors

The Red Cross Blood Bank at Novi school will be from 2:30 to 7:30 April 17. Dr. Martha Cottrell is chairman. Mrs. Art Trotter has charge of the registrations and the Mothers' Club, the canteen. The Oakland Co. Unit of Nurses and Doctors are attending. There is an urgent appeal for 325 donors. Those wishing to register please call Mrs. Art Trotter, phone 71624.

For other information call Mrs. Charles Perry, Novi Township Red Cross director, phone 7107-13.

The last date of the appearance of the Blood Bank at Novi

was August, 1942, but since that time Novi has participated in donations to and operation of the Blood Bank collections at Wallingford, Lake and Farmington. These villages are now urged to cooperate April 17 with the Novi project, thus helping to fill the call for 325 donors.

Those comprising the team for the seventh grade are Duane Small, winner and Albert Orlitz runner-up with Elizabeth Deering, Lorretta Shrike, Norma Calkins, Wanda McKinney, Esther Bedore, Jean Frey, Mary Louise Lee and Eunice Waterman.

At eleventh member is always in readiness to act on a team, in case of illness or other cause of absence. Ernest Pudney will be called on, in such cases, to pronounce words and act as judges. The rules as set up for these contests are rather strict and must be observed to the past strengthen the determination that this must not happen again.

We must have knowledge of the great strength and the associated responsibilities of the nation, its material and spiritual strength. We must insist on leadership and establish it in the nation in the hands of men who fear only their consciences, who can stand out and fight for truth and righteousness.

The Sunday School of the First Presbyterian Church is the recipient of a gift in memory of Jack A. Holcomb. The Senior room used by the High School students is to be furnished and redecorated by Dr. and Mrs. A. A. Holcomb as a memorial for their son who was killed in an automobile accident a year ago.

As a lad, Jack attended the Presbyterian Sunday School. The Session of the Church received the gift and delegated Mrs. Ralph Hay to make the necessary arrangements.

The room which was at one time the Pastor's study is to be redecorated with drapes, a rug and attractive furnishings. At the present time, Mrs. V. Geo. Chabot is the fine teacher of this large group of Senior High young people. Memorial flowers in memory of their cousin will be in the sanctuary Sunday, the gift of Louis A. Babbitt and Mary Ellen Babbitt.

Seek Priorities for Vet Building

Architect, Builders and Trustees Hold Meeting to Clear Up Matters

Last Wednesday evening the trustees of the Veteran's Memorial Hall met for further consideration of the project and plans for action on the building front. The architect and builder reported progress and the filing of priorities with the War Production Board, the result of which will affect the plans for Spring activity. Communications from certain parties were considered and funds placed in trust funds to complete knowledge of construction work for 1944. Secretary Con Langfield reported on the payment of pledges in specific figures and amounts. All but a very few have paid all or part of their pledges. A proper accounting and building will follow as soon as the government will allow materials for this type of construction.

People of the community may still send in their contributions to local Easter Seal Sale says

Ed Sessions, chairman and all contributions, great or small, will be thankfully received. To date a few cents over \$500.00 has been received so far. It is hoped that about \$600.00 will be raised in the community.

Town Meeting Next Monday

The regular annual meeting of

the voters and officers of the township of Northville, County of Wayne, State of Michigan, will be held at the Northville Branch of the Wayne County Library, Monday, April 3. The meeting will be called to order at 1 P.M. Reports and such other business as may lawfully come before said meeting will be considered.

Gosh, I wish we had an
ELECTRIC DISHWASHER
to make your work easier!

You can't really blame the man for wishing... especially when he does the washing! Even those fortunate husbands who merely dry the dishes are good prospects for an electric dishwasher. This electric appliance washes and DRIES dishes—eliminating the most disliked of all household chores. And dishes are much cleaner than when dried with a dish towel.

Someday you'll again be able to buy a dishwasher and all the other electric appliances that make life more enjoyable. Until that day arrives, put every penny you can spare into War Bonds. War Bonds are the key to your post-war treasure chest. They are assurance that tomorrow's electric servants will be yours.

THE DETROIT EDISON COMPANY

At one time Oscar Olander, commissioner of Michigan State Police, knew every employee State Trooper or Clerk—by first name. But not so today.

Loss of police personnel and clerks has been heavy, due to the war.

Driving his car to the office one rainy morning recently, the commissioner stopped to give a lift to a girl who was walking south on Harrison road, East Lansing, towards the Michigan headquarters of the State Police.

"Where are you going?" asked Olander, courteously.

"I work at the State Police headquarters," the girl answered. "Started work there three weeks ago. And how about you? I work at headquarters too," said Olander.

"How long have you been there?" asked the girl.

"Twenty-five years," replied the commissioner, who was still unidentified.

Whereupon the girl looked Olander over with a critical eye and snapped: "You're nuts!"

Dr. William DeKlein, Michigan's new public health commissioner, is no advocate of feminism. However, he does believe that the modern woman's attitude towards clothing is far more sensible than grandmothers' ideas about multiple-petticoat coats.

Years ago when Dr. DeKlein was public health commissioner in Flint, he had occasion to call at the home of a mother whose young baby was near death due to what was then called "summer complaint."

It was a hot sultry summer day. The child was in her crib, swathed in bedclothes sufficient for Upper Peninsula night in February, and obviously suffering from the heat.

"I'd like to ask a favor of you," said Dr. DeKlein to the mother. "This baby will probably not get well. Let's permit it to die in comfort. Take the baby out on the front porch, put her on a clean pillow and remove all these heavy bedclothes."

The mother, in sorrow, complied. The baby promptly went to sleep and—much to the mother's surprise and happiness—improved steadily and got well.

News from Salem

By Miss F. Bauer

Mrs. A. Whipple was in Ann Arbor Thursday and called on Richard Wilson at the University School, where he has been party at Salem town hall Saturday evening April 1. Five hundred novices and euchre will be played. Lunch will be served. The Good Friday services will be held at the Salem Federated Church Friday afternoon April 7 at 2 o'clock. Rev. Lucia Stroh will deliver the message.

Mrs. Oakley, Sr., and Mrs. Ronald Lyke Friday were visitors of Mr. and Mrs. Knowles Buers. Son Ted and Miss Thelma Trapp home were visitors in the Glenn Seaman Orlin Whittaker of Northrop home at Plymouth on a ten day furlough.
