

WINNING THE WAR IN 1944
WITH NORTHVILLE'S MEN AND
WOMEN IN THE SERVICE

Pictures of Servicemen Who Appear in This Week's Record: Charles Johnson is the husband of the former Amelia Sullivon of this village. His family reside in Livonia township.

Pfc. Elmer Boillat is the son of Mrs. Mary Boillat, now of Linden street. His grandparents, Mr. and Mrs. Sam Pickard, reside on Fulton Drive.

Robert MacDonald, P2/c, is spending a nine day leave with his parents, Mr. and Mrs. Alfred MacDonlad of West Point Park. Bob has been stationed at the University of Illinois, and will return to his base in Virginia July 22. He was one of the three boys of this year's graduating class to receive his diploma through his family.

V. M. July 9, 1944. Dear Mother and Dad:

I've been pretty busy of late. I would have written before, but didn't. I can't quite recall whether I did or not; seems like I did but am not real sure.

We have been on schedule three weeks now; it doesn't seem that long now though, it seemed like a year away when we started on schedule.

We shot the 22 rifle a couple of days ago and at first I scored my target at two points above the Camp Hill record, but I guess they scored it again at 358 or three points below the record. However, I was high for the company.

We, the company, were in the regimental review yesterday and came out second, but a close second. Our C.P.O. (Chief Petty Officer) Lee thought that we did real well and was quite satisfied with the job we did. You should see a review sometime; it is really something, about ten or twelve companies, 120 men to a company, all marching in step and drilling with rifles in unison, quite sight!

Have not received the package yet but they are slower than the first class mail anyway.

We have two "mail calls" a day, at noon and in the late afternoon, about 5:15. Two of the fellows, they're from California, and myself take turns getting the mail for all three of us.

Well, I can swim on my back now and the fellow who passed the first class test say I'll be swimming on my stomach before long.

I wrote to Frederick just the other day but suppose he has his writing troubles like I do and it probably will take quite a while for a letter to reach me after he sends it, so don't expect a reply right away.

Love, V. M. Ward,

Arriving at Dubbock Army Air Field, Texas, with Class 44-H, Aviation Cadet Alvin J. Sheppard, son of Mr. and Mrs. J. L. Sheppard, 216 Fairbrook, began the final period of pilot training at this advanced two-engine school of the Army Air Forces Training Command.

After a few more weeks of intensive training on the ground and in the air he will receive the coveted silver wings of a bomber pilot and become a flying officer in the Army Air Forces.

I want to thank you for sending me the Record. I enjoy it so much; that is one thing I really look forward to, because when I get the paper, I read every single word in it. The Record, even though we are far away from home, helps bring us closer, and it tells us all the news and what's going on in the good old home town I have travelled quite a ways since I last wrote you. I am now at the Fitzsimmons Hospital, near Denver. This is really a nice camp; everything is so pretty. We have the Rocky mountains on one side of the camp and on the other, the big 12 story hospital. I will probably be here for a couple of months. I am studying to be a surgical technician, anyway, that's what the Army is trying to make out of me. It is very interesting, and I really like it. There is one thing about Colorado, it reminds me of Michigan, because of all the nice trees, hills and green grass. It is getting late, so I had better close for tonight. I want to thank you again for sending me the paper; also want to say hello to all my friends in service, and everybody in Northville.

Robert Beasley
V. M. July 11, 1944. Hello Mr. Cansfield and Friends:

Well here I am again writing you a few lines to let you know how I am coming along. I feel fine and hope all my buddies and friends do also. Well, I would like to tell you where I am but it is against censorship. So we will just have to forget that. Well, I am learning lots of new things, and I am really working hard as we are doing lots of training so we can go out there and give those dirty rats something they will never forget. I like my new ship and great place to work in.

Sincerely,
L. M. McArthur.

I just thought I would drop you a few lines to let you know I am receiving the paper again and great place to work in.

Small Crowd at Meeting But Much Information Leads to Better Understanding

This letter was received by Mr. and Mrs. Fred VanAtta of West Main street, from their son, Lt. Col. Ward VanAtta, Dear Folks:

This is the first letter from Normandy although we've been here a few days.

Needless to say, we are working harder and life is not as pleasant as in England, but we are accomplishing more.

The country people are reserved, but friendly, the children lively, and exceptionally polite.

In the far distance I can hear rumbling—sometimes thunder, and sometimes big guns, reminding me that all is not as peaceful as it seems.

Future meetings will be held in each school district to discuss the problem. Mr. Blaile will attend all such meetings to offer his assistance.

Blue Star Mothers Help in Mailing

Northville Blue Star Mothers Now Wrapping Nearly 400 Records for Servicemen

The village Blue Star Mothers have been coming into the Record office each Thursday afternoon and helping wrap approximately 400 papers for Northville boys and girls in the service. This help has been appreciated immensely and the Record says "Thank You" to you ladies for your splendid cooperation.

These mothers who have acted as volunteer workers on this project, for the past seven weeks are: Mrs. Jos. Denton, Mrs. Phillip Anderson, Mrs. Otis Tewksbury, Mrs. Jas. Spagnuolo, Mrs. Artur Junod, Mrs. Daisy Martin and Mrs. H. A. Boyden. Other members of the chapter are slated for future weeks wrapping.

Many Enjoy Recreation Work in Community

A big crowd of young folks turned out to enjoy the dance planned for them by the village Recreation committee last Friday. The new orchestra more than met the expectation of the dancers, and for many of the players, this was their first appearance. A dance will be held each Friday evening during the summer months for the high school set.

Persons applying for the second and half year plates are advised that the second half year plates are now available according to C. Harold Bloom, manager of the branch office of the Secretary of State.

Legionnaires met at the Record office Tuesday evening to plan for the next paper pick up on Aug. 2 and 4.

To Speak Here

The committee on school consolidation met with the public Monday evening in the high school gymnasium to discuss the advantages of such a plan for Northville school districts.

A small crowd attended. Earl Clark presided and Charles Brake, deputy county superintendent, explained the possibilities of consolidation for the township. A round table discussion was held with Mr. Brake supplying the answers. No immediate action was taken.

Future meetings will be held in each school district to discuss the problem. Mr. Blaile will attend all such meetings to offer his assistance.

Wednesday was Past Presidents' Day at the Northville Rotary Club this week. Past Presidents reviewed the history and work of the club since it was chartered in 1925. T. R. Cartwright, president, called on Dr. Yerkes, Sr., who was the third president of the club in '26. Robert Brooks and Mr. Longfield preceded him in office.

Mr. Yerkes told of the conventions attended and the work of the club in the early days.

Eaton Eston of Plymouth told of the civic-mindedness of the club and its work on the two springs, the Plymouth road and of the work on the grist mill, all of which involved getting down to work, everyone turning in with hammer and shovel.

Russell Stoeniger told of his joy at being back in Northville for the June meeting.

Leslie Lee suggested switching the student loan to the scholarship fund. Ed Bogart told of his third term experience while Ted Hegge rated himself as "hopeless."

Russell Amerman and Mike Gansell found interest.

Others present for the meeting were Past President Ed Lapham, Ed German, Dr. Ted Cavell, Lt. Alfred Parmenter and Harry Wagenstorf.

The Village Commission met Monday evening in regular session with President Del Hart in the chair. The matter of adjustment of telephone service covering the police and fire calls and listing in the new directory was explained by Mr. McLaughlin of the Michigan Bell Telephone Co. No definite arrangement was decided upon.

Mr. Lapham was instructed to obtain quotations on a new post office for the village hall and two commissioners were named to check the village insurance. The compensation insurance was accepted.

The commission asked the Methodist Church to get a figure on painting the church steeple and clock at the same time the church took bids for painting of the other parts of the church.

Second Concert Held Tuesday Evening; Rehearsals on Monday Nights

The second concert of the season was given by the Northville High School and Community Band Tuesday evening in the Village Park. A large number

of music lovers turned out to hear this fine music. Concerts will be given each Tuesday evening throughout the summer months, if the weather permits.

These musical programs are under the leadership of Leslie Lee and practices are held each Monday night in the music room of the high school.

Pick Up Waste Paper Here on August 3rd-4th

Legion Responding to Request of Uncle Sam, Will Make Pick Up in Village and Township

At the request of the Salvage Division of the O.C.D., Lloyd H. Green Post of the American Legion is planning for a Waste Paper Pick Up in Northville Village and Township on the dates of Thursday and Friday evening, Aug. 3 and 4.

The pick up will be made by teams of Legionnaires after five o'clock p.m.

In the township outside of the village people are asked to place their papers tied in bundles at the side of the road on 8, 7, 6 and 5 Mile roads and trucks will traverse these roads from Haggerty to Napier to pick up the paper from township residents.

In the village everyone is asked to tie the papers and place them at the curb where the bundles may be easily seen and picked up by the teams of men covering that area. The same general scheme of pickup will be followed as has been used before.

The following general designations were made. North side of Main street: pick up will be in charge of Merrill Sweet and Oscar Hammon, who will recruit help and vehicles for pick up on both evenings. On the south side of Main street: Allen Peters and Floyd Lanning will recruit vehicles and help for the pick up in that area. In the township west of town: Alford Drew has been asked to take charge, and east of town: Lapham will direct; they, too, will recruit help and vehicles for the two evening pick ups.

It was thought it was not necessary to make the pick up house to house as before because most people would respond without extra remuneration.

100 West Pointers in Recreation Project This Year

The All Summer Recreational Project at West Point Community Church building has housed almost 100 children up to and including teen age. They have enjoyed the advantages offered them in this community of organized recreation.

Most of the activities have been of a lasting nature and these who have seen them have been very pleased. Some of the articles worked out were: posters, spatter painting, blue printing, clay modeling, book binding, first aid, freeze making, and quite a few other items of interest. There is also the Story Hour, where the children learn to dramatize and also make their own movie presentation of the story they have in mind.

The work to date has been supervised by the following people: Mr. E. Gilmore, who is a graduate of Wharton College; Mr. Jones, graduate of Bob Jones College; E. Farman from St. John's College; Miss Marcia Beyer from East Montana State Normal and who is now teaching as a public school teacher at Scooby, Montana. Also Ruth Newhouse, who is a graduate nurse from St. Catherine's General Hospital, St. Catherines, Ont.

GOOD DEED FOR THE DAY . . . Boy Scout Robert Neal, Troop 343, recently performed a public service and did his duty as a Scout by warning people away from electric wires that had fallen in an alley in Detroit. When our local crew arrived to handle the fallen wires, Scout Neal was on the job, keeping passersby away from the live wires. He stayed on the job until all danger was removed. Hats off to Robert Neal!

A JOB TO COME HOME TO . . . More than fifty Edison men in military service already have been mustered out and have returned to their jobs. A training program is now being worked out for other war veterans when they return. Many will have gained new skills and added years of experience. Others may be physically handicapped and will need lighter work. The Company feels that merely holding a place for these men and women isn't enough.

Pete Eggshuber, who with

his wife, was for several years made the trip to Flint and back a resident in the Folker Sub-

the middle of the week. They were a visitor in West Point Park

last week. He now lives near Northville, but will soon move to a new home recently purchased by him and which is not far from this community.

The Best family from Farmington have moved into the Carroll house, lately occupied by the Gows, on Mayfield avenue.

Mrs. Lewis Graham, who for reasons of health has been absent from her employment for three months, was able to return to her work in a Wayne

defense plant this last week.

Rev. Axel Edwards, who frequently speaks at the Neighborhood Church, is with his wife and granddaughter, Chaffee, leaving this coming Thursday for Escanaba and northern Michigan where he will spend a few weeks vacation visiting his mother and other relatives. He expects to return about August 1.

Mr. Griffith, a talented violinist, who has done fine work in the choirs of several large Detroit churches, delighted the members at the Neighborhood

Church Vesper Meeting Sunday evening by rendering a musical program for them. It was a rare opportunity, but the singer was promised to repeat the performance before the summer is over.

Music lovers should keep the fact in mind.

The Neighborhood Bible School in cooperation with the Sunshine Sisters, made their first attempt at holding a Father Son potluck supper Saturday evening. There was enough interest shown to encourage a similar undertaking another year.

The meal was served and eaten on the ground's surrounding the Neighborhood

Meeting House. At the close of the entire group stepped into the building, where a musical program supplemented by very interesting talk by Rev.

Rev. Axel Edwards, was given. The evening will be long remembered.

A new pulpit-desk, the handiwork of Rev. Axel Edwards, was in place when the Neighborhood

School met Sunday morning. Practically all the boys and girls gave the new piece of furniture a careful inspection and expressed satisfaction.

Mr. and Mrs. James Orr visited their son Lt. Robert Orr, at Ft. Wayne, Ind., two Sundays ago. They were accompanied by the young man's wife. The three were able to see him for a few hours only. By this time Lt. Orr, a C-47 pilot, is training at a place where he can be actively useful.
