PICTURES WHICH APPEAR IN THIS WEEK'S RECORD

Ruth Elizabeth Hazlett is the daughter of Mr. and Mrs. Percy Hazlett of Meade street, Waterford. She is in the Nurses Cadet Corps and is in training in Flower Hospital, Toledo, O.

Flight Officer Alvin Shepard is the son of Mr. and Mrs. A. L. Shepard of W. Waldron, formerly of Northville. He graduated from Northville High in 1942.

Bill Schoutz, who has been in England for some time, is now in France.

Cpl. Bill Crawford is home on a 15-day leave from Fort Myers, Fla. He is the son of H. C. Crawford of Taft road. He will report Oct. 5 to South Carolina for further assignment.

Pfc. Walter Myers is home on a 15-day furlough from Camp Butler, N. C.

Ensign Paul E. Steencken, his wife, the former Frances Cousins, and baby spent the week end at the home of his mother, Mrs. Joseph Hoeft, Ensign Steencken is stationed at Grose Isle.

Sgt. Ted Williams is home from Camp McCoy, Wis., on a 10-day furlough.

Harold Truck, son of Mr. and Mrs. H. O. Truck of East Dunlap street, arrived home Saturday evening on a six-day leave from Camp Parks, Calif.

This letter was received by Charles Krogger's mother, Mrs. Herman Krogger.

Dear Mommy: Seems though I just wrote to you yesterday but see it's now I got a letter from you last night. I just got it.

I don't know if the poem will be printed or not, but I am going to try to send it home soon. Also now I've dedicated a poem to my family.

Robert K. Lyke, 654 Thayer Boulevard, is one of a class of 369 from Michigan at the San Antonio Aviation Cadet Center, where potential pilots, bombardiers and navigators are receiving preflight training to prepare them for aerial instruction and duty as aircrew members in the Army Air Forces.

One of the recent war stories by John M. Carlisle appearing in The Detroit News, concerned a former Northville boy, Capt. Donald Robinson and his parents who now live on Southfield road, Detroit, lived in Orchard Heights some years ago and don't graduate from the Northville High school in 1919.

It is very hot and damp here. The flies and mosquitoes are bad here. They are trying to bring them to a minimum but they still are very bad.

I am working as a cook now. They needed someone with a knowledge of cooking and I still am wondering why they picked me. I like my work and the food is very good.

We are in receipt of the CBI Roundup, published in Delhi, India, from Pfc. Kenneth R. Calkins. The tabloid size paper is the official army publication of the American troops in that region.

This is to inform you of my latest address and to tell you that I appreciate a chance to see what everyone in Northville is doing through the medium of the Record.

With the Fifth Army, Italy—Pfc. Tom F. Martino, 529 Randolph street, summer is serving

with the 349th Infantry Regiment, one of Lt. General Mark W. Clark's Fifth Army units which smashed the Gothic Lines and closed the Germans from the Garigliano to the Arno River in Italy.

Part of the 85th Infantry Division, first Selective Service Infantry division to enter combat duty on any front, the 349th pulled up a total of 95 miles gained in 46 days of actual combat during the Fifth Army sweep up the Italian Peninsula.

Known as the "Kraut-Killers," doughboys of the 349th fought some of the most mountainous terrain to capture Fondi, key point in the wanted Adolph Hitler Line, and protected the flank of the French Corps in its push across Mts. Ausoni and Lepini.

Highlight of the regiment's action below Rome came at Maenza when one platoon ambushed an entire German armored company attempting to flee the town.

After driving through Rome, the 349th was pulled back for that about a week. It returned to combat early in June and after its envelopment of Volterra, it overcame stubborn enemy resistance in a smash for the south bank of the Arno River.

During the action, one of its toughest battles occurred after the capture of Palasa and San Marino. When a platoon of the 349th beat off eight German counterattacks of near battalion strength while holed up in a house at Calenzano.

Col. Joseph B. Crawford of Humboldt, Kansas, veteran of North Africa, Sicily, Salerno and Anzio, and holder of six decorations for bravery, commands the 349th Infantry Regiment.

I am writing you this letter telling you how much I appreciate you sending me the Record. I have been in the Army only a short time and have already received two copies of the Record. It sure makes me feel a lot closer to home.

I am stationed at Fort Sill, Okla. It sure is a beautiful camp, but I don't like the state. I still will take good old Northville, Mich.

Dirk Juned and Tom Steers of Northville are also stationed here with me only they are both in different companies. I get to see them once in a while.

Dr. S. Willis, superintendent, has sent letters of thanks to all of these volunteers saying that it would have been necessary to have closed part of the Sanatorium had it not been for the services rendered by fine village people.

What's everyone around Northville so noisy about these days, connected with Thursday, Friday and Saturday, Oct. 5, 6 and 7?

Why is the big fall bazaar to be staged by the parishioners of Our Lady of Good Counsel Catholic Church in Plymouth? Every report coming from the various committees assures record crowds for every evening of the three days with an extra matinee thrown in on Saturday.

The schedule for the Northville High school football season of 1944 lists seven games, three at home and four away. The first home game does not come until Oct. 13, when Milford comes to town, followed by Farmington here Nov. 3, and Brighton, Nov. 10.

The justice court trial set before Justice D. Harper Britton for Tuesday was cancelled because of the withdrawal of the complaint by Mr. and Mrs. Klison, proprietors of the tavern at 157 East Main street.

The Blue Star Service League will meet on Thursday, Oct. 5, in the C. I. O. Hall on Main street. A large turnout is desired as the group is to address Christmas cards for the boys overseas.

When swearing off faults, don't forget to swear on virtues.

Just a few lines to thank you for the Northville Record, and keeping me posted on my Northville buddies and friends. I enjoy reading the whereabouts of these from Northville.

I have noticed that some are here in North Carolina but too far to visit. We only have a 30 mile radius with our bases.

I notice that the Northville community has over-filled her quota again and that means she's all out for her children in the Service. Those that are in the Service, those that are in the Service.

Maybury Thanks Local Helpers

Need for Volunteer Local Help Is Ended, Dr. Willis Expresses Appreciation

The need for local volunteer help at the Maybury Sanatorium has ended. The Maybury staff has announced that it now has enough regular help to perform the duties of the institution.

The sessions of the convention will start at 9 a.m. and, in the evening, a camp fire will be held with a fine program, featuring the presentation of the Seeing Eye Dog to a blind person. The programs are open to the public.

The Allen M. Harmon Relief Corps of Northville was organized Mar. 7, 1891, and is still going strong. As an Auxiliary of the G. A. R. Post, the Relief Corps never failed to do its share and fulfill its obligations.

WHO CARES ABOUT WASTE PAPER?

"I DO," says GI Joe

I know how much is needed to keep me going. They say it takes 81 tons of supplies a month to keep me fighting. That job takes mountains of paper. All my stuff—down to the last button—is made or wrapped with paper.

"SO DO I," says Jack Tar

My life was saved when rations and medical kits wrapped in paper were dropped to our raft. And by a paper supply parachute. Modern war uses up paper by the ton.

### Michigan Ready to Welcome Veterans of World War II

By GENE ALLEMAN, Mgr., Mich. Press Ass'n.

When Johnny comes marching home from World War II, he'll find Michigan ready to welcome him.

This welcome is being organized efficiently with a veterans counseling center in almost every community under auspices of the State of Michigan.

It's very apparent that Johnny is going to get a break this time. In fact, for almost the first time in American history, the war veteran will receive more than his country's blessing. He can borrow \$2,000 as down payment on a \$10,000 farm or home. He can borrow \$2,000 to go into business for himself. If he wants to go to college, Uncle Sam will pay his tuition fees of at least \$10 a month, \$30 a quarter or \$40 a semester, in addition to paying other reg-

ular fees and costs of books, supplies and equipment up to \$500 a year.

The veteran, 25 years old or more, whose education was completed prior to entrance into war, may get a refresher course at Uncle Sam's expense. If the veteran suffers a service disability, the government will pay him a pension and furnish vocational training at the same time.

But, even this isn't the whole story.

As an example, consider the Pine Lake Vocational-Technical school, a joint undertaking of the Michigan Office of Veterans Affairs and the Michigan Board of Control for Vocational Education.

We visited this camp, near Battle Creek, in company of Lt. Col. Philip C. Paik and Elmer Hannah, director and assistant

director, respectively, of the Michigan Office of Veteran Affairs, a state agency.

Talk about preparation for Johnny? Pine Lake is IT!

Here's how the vocational school will operate.

Thanks to the wonders of modern medicine, more veterans will come home from World War II than from any war in world history. Battle casualties are less fatal. Disabilities will be more numerous.

Hence, care of the disabled veteran is more important today than ever.

The Pine Lake camp, originally built by W. K. Kellogg, for children at a cost of \$470,000, will be available to disabled Michigan veterans who are eligible for the services of rehabilitation; re-fitting them to a new life of usefulness. The capacity will be 250 veterans. The training period will vary from 90 to 120 days. Thus, a year's training load of approximately 1,000 veterans is now anticipated.

Pine Lake camp will provide

disabled veterans with vocational training in metal work, machine shop, woodwork, gas welding, blueprint and drafting, office practice, cooking and baking, and watchmaking. At a \$100,000 annual budget, the camp will offer educational training with all meals and lodging at no cost.

Veterans and two civilians are now enrolled in preliminary classes — proof that present activity is being confined to preparation for tomorrow's responsibilities. Instructors are John Van Puffelen, Grand Rapids watchmaker, and Audrey Hansen, office practice teacher, recently with the Chrysler Corporation in Detroit. Camp Superintendent is Hugh F. Pierce, formerly of the Bendix Products Co., South Bend, Ind., and the Clark Equipment Company at Buchanan, Mich.

When Johnny comes home, he must visit the local selective service board to get official papers entitling him to re-employment. Then he is urged to call at the local veterans' counseling center to obtain information and counsel on any of the following: Housing, health, education, law, employment, and claims — to enumerate the leading subjects.

If he cannot find employment, he will be eligible to receive unemployment compensation of \$20 per week for 26 to 52 weeks, depending upon the length of his military service.

The U. S. veterans administration's hospital at Dearborn, a 333-bed institution, will be expanded soon to accommodate approximately 1,500 service men and women.

When the World War I veteran was demobilized, he received \$60 in cash. Congress had slashed appropriations for the U. S. employment service. The labor market was glutted; payrolls were cut. Yes, times have changed!

Michigan has more than 500,000 men and women in the armed services today.

Hence, the importance of adequate preparedness today to take care of some of these veterans tomorrow, when V-Day in Europe arrives and part of our war tasks will be terminated.

Work of the Office of Veteran Affairs and the State Board of Control at Pine Lake is graphic proof that Michigan is right on the job — in fact leading the entire nation in giving Johnny a break, and for the first time.

public is cordially invited. A section of seats will be reserved until 7:45 — for those who have never before attended a Christian Science lecture.

We should fear error no more than we should fear stagnation. Compliments are like perfume — to be inhaled, not swallowed. What one does that is bad is no worse than what he does not do that is good.

When telling yourself "Don't," say also to yourself, "Do."

### First Lecture of Christian Science Series

The first of a series of five free public lectures on Christian Science, which will be given this year by Eighth Church of Christ, Scientist, in its edifice at Grand River avenue and Evergreen road, will be held on Friday evening, Sept. 29. The time will be 8 o'clock, and the lecturer will be Harry C. Browne, C. S., of New York City, who will be heard at the Eighth Church for the first time.

The subject of the lecture will be "Christian Science: The Gospel of the Comforting Christ."

Mr. Browne is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist in Boston, Mass., and speaks with authority on Christian Science. This lecture is free and the

**DETROIT EDISON LINES**

Timely items concerning your electric services, suggestions about cooking, lighting and appliances, and many other things of interest and value will appear from time to time in "Edison Lines." Make "Edison Lines" a reading habit.

**COLD CATHODE LIGHTING**... Similar in appearance to fluorescent lighting, with the added virtues of instant starting and extra long life, cold cathode lighting promises to have greatly increased use for interior illumination after the war. Since the tubing can be bent to almost any conceivable shape, "made to order" lighting installations will offer unique decorative possibilities. Various colors and patterns will be available, and the tubes will soon be manufactured in standard 8-foot lengths.

**INFORMATION, PLEASE**... The electric business is extremely technical. Knotty problems are continually popping up. When one of our engineers encounters a \$64 question that he can't answer, he usually fires it at the Research Department. The variety of subjects investigated is startling. For example: "What will be the trend of the water level of the Detroit River in the near future?" Water level has an important bearing on the design of power plants. And almost equally vital: "In the oven of an electric range, how strong should the racks be to support the weight of a Thanksgiving turkey without sagging?"

**CHINESE RECIPE**... Perhaps this recipe is no more Chinese than chop suey, but our Home Service Department recommends it highly:

*Chinese Omelet*

1/2 cup uncooked rice 3 eggs, separated  
4 tsp. butter 1/4 tsp. paprika  
4 tsp. all-purpose enriched flour 1 1/2 tsp. salt  
2 cups milk 1/4 tsp. dry mustard  
4 tsp. grated cheese

Cook rice till tender. Rinse with hot and cold water. Make sauce of butter, flour and milk. Cook until thickened. Beat egg yolks. Add rice, sauce, seasonings and cheese. Fold in stiffly beaten egg whites. Pour into greased shallow pan. Bake at 350 degrees for 35 minutes. Serves six.

**ALL BUT THE SQUEAL**... The meat packing companies are noted for squeezing every bit of useful meat, bone and bristle from a pig. But when it comes to minimizing waste, the Edison company takes a back seat to no one. We are constantly seeking ways to re-use discarded equipment and material. Better methods of joining odd lengths of wire, ways of re-using salvaged pipe insulation, more rapid means of cleaning old electrical insulators... all are typical of our constant search to effect economies. These savings — and thousands of others like them — have much to do with the steady downward trend in the cost of electricity.

social welcome. Many of you have moved here since I went away. So I know that you must be here because I have the greatest mother in the world and you came out here simply to say tribute to her son. — Gov. Thomas E. Dewey at Owasco homecoming.

"The Chinese people have had diversions for 3,000 years. They will continue to have them." — Dr. George Shephard, former personal advisor to General Chiang-Kai-shek.

"None of the men I have appointed sought appointment." — Governor Harry F. Kelly in naming Thomas A. Kenny, his legal advisor, and two others to Wayne County Judgeships.

"Michigan's liberalized 1943 two-kinds compensation law has resulted in twice as speedy payments to injured workmen." — Mrs. Betty W. Ellis, chairman of the State Workmen's Compensation Commission.

"When peace comes, it is not merely a matter of turning off the war spirit and turning off the peace spigot. Without advance planning and preparation, nothing will come out." — C. E. Wilson, president, General Motors Corporation.

"Control of industrial water pollution has lagged sharply during the war. The problem is

of special significance in Michigan because of the necessity of recreational waters, particularly in proximity to urban and industrial centers where sources of pollution are most numerous." — Milton P. Adams, secretary-engineer of the State Stream Control Commission.

"If carnivals could be limited to such recreational advantages as the rides and clean entertainment with the elimination of gambling and questionable shows they might be of some value." — Probate Judge S. H. Cline, Muskegon, after arrest of nine youngsters for juvenile delinquency following one carnival in Muskegon.

"With wages frozen and bonuses prohibited, a retirement pension by management is equivalent to a government-approved salary increase without adding to the recipient's tax liability." — Dr. John W. Riegel, director, University of Michigan Bureau of Industrial Relations, commenting on increase of pension programs by Michigan employers.

"The highest obligation of any labor group is to assist in bringing prosperity to the industry of which it is part. Too many leaders appear to regard the union as a fighting machine to bag, stab and antagonize the employer." — Bishop Francis J. Haas, pioneer in labor relations, addressing Grand Rapids convention of the International Typographical Union.

"Newsworthy quotations, important and otherwise, are important and otherwise." — Adolph Menjou, back from an overseas tour, commenting on his ride in a jeep.

"Women's curvaceous calves are just distorted muscles bulging." — Dr. Charles J. Slielke, Chicago chiropractor, in campaign against high heels.

"There are a lot of more experts around the capitol than there used to be." — Senator Harry E. Byrd, Chairman, Joint Congressional Committee.

"Is about time Granddaddy sat down don't you think?" — Tommy Manville, PlayBoy, about to wed for eighth time.

"My living expenses are the same today as in 1917, and my income has increased considerably." — Charles A. Beard, historian.

"Please sir, don't talk that way to me General Patton's just been through here." — Explanation of an M.P. in a Polish village, when berated by a colonel for permitting a traffic jam.

"In Hollywood they don't like any English is too perfect. You think my English is too perfect?" — Carmen Miranda, South American bombshell, in an interview with Earl Wilson.

"But Superman does it all the time!" — Donald Vary, seven-year old Rochester, (N.Y.) lad who broke both legs in effort to save from a second story window.

"They keep predicting that Roosevelt will die before it's re-elected. They keep saying that I'll die, too, and I'm almost 92. I hope Roosevelt fools 'em." — Mrs. Martha E. Truman, mother of Democratic vice-president candidate.

"I never can find a nickel when I need one." — Nelie Taylor-Ross, who, as director of U. S. Mint, supervised making of 253,630,000 of 'em last year.

**Farmers: Help Prevent Inflation**

by Asher Hobson  
Chairman, Dept. of Agricultural Economics  
University of Wisconsin

FARMERS remember the "Silk Shirt" era of the last war. That era was marked by 75 cent butterfat, 20 dollar eggs and 100, 200 and 300 dollar chickens and turkeys. Farmers also remember the "Silk Shirt" era of the Thirties — 25 cent butterfat, 5 dollar eggs, and had so low the mortgage took it. One way of keeping one's shirt after this war is not to buy too many silk shirts now, so to speak.

There is an old saying to the effect that he who sleeps on the floor never falls out of bed. None of us want to sleep on the floor, but we should see to it that our beds are not so high as to cause serious injury in case of a fall. Unduly high prices are likely to be followed by unduly low prices. That is why farmers, who most people in responsible walks of life appreciate the necessity of acting now to prevent inflation. Farmers are equally concerned.

Inflation is another term for unhealthy high prices. Inflation has a younger brother, deflation. He has a habit of following his brother's lead. Deflation means serious unemployment, lower property values, more tax delinquency, and mounting foreclosures. Add these together and the sum is farm relief. That is not the answer farmers want.

Farmers can well afford to take steps now in an attempt to avoid that sort of a situation. But inflation is not easily handled after it arrives. One cannot build a cyclone cellar after the old clouds begin to roll. One can have time only to grab the baby and run — with no place to go. Something like that is apt to happen when inflation strikes. The best way to evade inflation is to prevent its striking.

What can farmers do? They can help keep prices from getting out of hand by helping to hold prices down now. If prices are to be held in line, the pressure under prices must be removed. The Government cannot do this job alone. There are too many inflation white rabbits in the magician's hat. Only the concerted efforts of you and me can turn the trick.

The forces causing prices to go up may be summarized in the statement that there is more money available for spending than there are goods and services to be bought. This is another way of saying that the demand for goods and services exceeds the available supply. Let us be specific. At the end of 1943 it was estimated that there were 42 billion dollars of spendable income in this country in excess of goods and services to be bought at the then existing prices. A year earlier the excess was 33 billion dollars. If prices are to be held in line this excess purchasing power must be brought down to the level of the supply of goods and services, or the supply of goods and services must be boosted in keeping with purchasing power.

Farmers are doing their utmost to increase the supply of agricultural products. In this way they are helping to prevent inflation. The other way in which they may help is to buy less. In general there are two ways of reducing consumer purchasing power. They are:

Voluntary savings

The greater the voluntary savings the less the need for more taxes. Let us do it the voluntary way by buying more WAR BONDS and holding those Bonds until maturity. Voluntary savings and raw materials are available for increasing the supply of consumer goods. Spending them will be less likely to boost prices through the ceiling. Saving has always been an outstanding farmer trait. It is now a patriotic duty.

**Normal Plans Evening Classes Michigan State**

The Michigan State Normal College, of Ypsilanti, is planning to start evening classes on the campus at 6 p.m. Wednesday, Oct. 4, in the Science building, on West Forest street.

A preliminary meeting held last week, attended by approximately 40 persons representing various towns, it was definitely decided to offer a class of Improving Reading Instruction in the Elementary School. Other classes requested by those present include Shakespeare, Local Flora, American History, Bird Study, Arts and Crafts, Genetics, and Junior High School Literature. Any or all of these courses will be offered if sufficient number of students are enrolled.

This is the first time that the Normal College is planning evening classes and is being conducted by the Extension Department under the direction of Dr. Clarence Lossall, Extension Director.

### Getting More Eggs

SIMPLE AS A-D-G

When feeding Vita-Fier you get results in the egg basket. Because Vita-Fier supplies triple action! Vita-Fier contains measured amounts with a guaranteed potency of all three of the vitamins that are necessary for good health and good egg production. These are vitamins A, D, and G (B2, or riboflavin). Because of this, Vita-Fier is a positive aid for increasing the egg production of any flock.

COSTS 5c A DAY PER 100 LAYERS

Just 2 tablespoonsful of Vita-Fier a day will fortify a whole day's ration for 100 layers. One pound of Vita-Fier will fortify 100 lbs. of mash feed. Vita-Fier is so easy to feed that you can add it to any commercial mash feed you may be using. Wouldn't you spend just 5c a day to increase your production? Come in and ask about Vita-Fier today.

 The W. S. C. S. of the Methodist church met for the first meeting of the fall on Tuesday, Sept. 26. A luncheon was served at 12:30 by the Board of Directors. Wanda Croll, who attended the Youth Institute at Adrian and Jane Lanning who went to camp at Waldenwoods, gave reports. It was decided to cooperate with the Detroit Council of Churches in collecting warm clothing to be shipped to European countries. Clean, warm clothing for men, women and children may be left in the Methodist church house vestibule for this worthy work.

Mrs. Harold Bloom is having a shower for Mrs. Alex Lawrence this Tuesday. The affair will be a bridge luncheon. The guests will be Northville people.

The DeKey School club will meet Thursday, Oct. 5, at 8 p.m. in the schoolhouse.

### Atchison-Ambler Vows Pledged in Candlelight Service

Saturday evening, Sept. 26, Jeanne Atchison, became the bride of Richard Ambler in a lovely candlelight service at the Methodist Church. The marriage was solemnized at 8 o'clock by Rev. W. Leslie Williams before an altar beautifully decorated with palms, candelabra, white gladioli and white flowers. Evelyn Ambler, sister of the bridegroom, sang "Thine Alone" and Mrs. Barton Connors accompanied her and played the wedding march.

Jeanne was given in marriage by her brother, Dr. Russell M. Atchison, and wore a white satin gown with a beaded sweetheart neckline, long sleeves and a fingertip veil of illusion. She carried a prayer book covered with a white orchid and stephanotis.

Evelyn Ambler, the maid of honor, was gowned in a dress of pink velvet and striped taffeta and carried a colonial bouquet of wine roses and bronze chrysanthemums. The bridesmaids, Mrs. Edward Angove and Marie Angove, wore identical gowns of hunters' green velvet and striped taffeta and carried colonial bouquets of yellow and bronze chrysanthemums.

Orlo J. Robinson, Jr., of Wayne, acted as best man and the ushers were Jack McLoughlin of Detroit and Lawrence Parmenter of Plymouth.

The bride's mother, Mrs. R. E. Atchison, wore a floor length gown of teal blue crepe with a corsage of golden chrysanthemums. Mrs. Ambler was gowned in black crepe and wore pink roses.

After the ceremony, a reception for 200 guests was held in the church house. Mrs. Arlo Hauger and Mrs. Clyde Schoutz assisted. The young couple left later on a wedding trip to the Upper Michigan. They expect to return the latter part of the week and will make their home in Northville. For traveling, the bride wore a dusky pink suit with brown accessories.

Both Mr. and Mrs. Ambler graduated from Northville High school with the class of 1939. Jeanne attended Cleary Business School for one year and Michigan State Normal College for two years. Dick also attended Michigan State Normal College.

Jeanne is the daughter of Mr. R. E. Atchison and the late Dr. Atchison. The groom is the son of Mrs. Shirrill Ambler of Pleasanton and the late Sheriff Ambler.

### ENTERTAINS FOR VOLUNTEER WORKERS

Mrs. S. Geraci of Clement road entertained at a dinner at her home, Sept. 21, for local volunteer workers at Maybury Sanatorium. These workers are ladies of the Village who have served every Thursday for the past ten weeks at the Sanatorium. Mrs. Geraci is captain of this group.

The centerpiece on the table was of fall fruits, vegetables and flowers from the hostess garden. The favors made by Mrs. Geraci were paper pins of sealing wax.

Guests were Miss Lynn, sanatorium supervisor, Mrs. A. M. Lawrence, Mrs. W. F. Forney, Mrs. H. S. Willis, Mrs. Roy Atchison, Mrs. B. E. Warner, Mrs. Dayton Bunn, Mrs. Arlo Hauger, Mrs. Mark Gardner, Mrs. Lee Heaton, Mrs. Roger Sackett, Mrs. A. H. Vogtin, Mrs. E. M. Starkweather and Mrs. Frank Bolgovanni.

### Former Teacher Married at South Range

A wedding of interest to many Northville people occurred last Friday evening at South Range when Miss Selma Jarvis became the bride of John J. Samuli.

The vows were pledged at the church parsonage of the Apostolic Lutheran Church in South Range with Rev. A. Michaelson reading the service.

The bride's only attendant was Mrs. Frank Sarulli of South Range. Mr. Samuli's best man was his brother, Frank of South Range. A reception was held at the home of the bride for immediate relatives of the family. The couple left for Princess Point, Lake Linden, on a short wedding trip. On their return, they will make their home in Detroit where the groom is employed.

Miss Samuli attended Wayne University and Northern State Normal at Marquette. For the past several years, she has taught in the Northville Grade School. Mrs. Samuli attended Central College in Hancock. He is employed at the Ford Rouge plant as a toolmaker.

The bride is the daughter of Mr. and Mrs. Kalkola of South Range and the groom is the son of Mr. and Mrs. Alex Samuli of Detroit.

### Harvest Festival Date Set for Thursday, October 12

Once again the women of the Presbyterian church are busy preparing for their annual Harvest Festival to be held in the church house Thursday, Oct. 12, from 10 o'clock in the morning until after dinner is served.

The first Harvest Festival was held in 1928 at the home of the late Mrs. Phillip Grennan on Six Mile road. Tea was served by Mrs. Robert Coolman, then a small girl, who was dressed in an old fashioned costume. Mrs. Coolman is chairman of the fancy work committee this year. Luncheon will be served by the Nellie Yerkes Auxiliary at noon to adults and 11:45 to school children. Three hundred fifty tickets will be sold, thus enabling the committee to plan for a certain number. Mrs. Wilbur Johnston is in charge of the dinner.

An unusually fine assortment of fancy work will be on sale for Christmas shoppers. The apron committee promises a good supply of women's and children's aprons and pinafores. The sale of sugar will not hamper the efforts of the bake goods committee under the leadership of Mrs. W. F. Chapman, who has planned far in advance for this sale. Be sure to visit the white elephant booth.

The fair is under the general chairmanship of Mrs. Harry B. Clark, Mrs. C. C. Yerkes, Mrs. Arlo Hauger and Mrs. Merrill Street.

and by Mr. and Mrs. W. F. Chapman. Mrs. Yerkes recently entertained at a small dinner party in honor of Mrs. Floyd Northrop and Rev. and Mrs. Fredsell.

The chairmen honored the Fredsells Monday night at dinner. The nineteen guests played bridge during the evening.

### HEIDT-SOMMERS Nuptials Read at Lutheran Church

The marriage of Miss Selma Heidt, daughter of Mr. and Mrs. Fred C. Heidt of South Lyon, and Harry Sommers, Jr., son of Mr. and Mrs. Harry Sommers of Nine Mile road, was solemnized at the St. Paul's Lutheran Church of Northville Saturday, Sept. 23. Rev. E. E. Rossow officiated at the double ring service before an altar backed with palms, candelabra and baskets of mixed-fall flowers. Miss Leila Rossow played the traditional wedding march and Mrs. Luther Buckmaster and Mrs. Arthur Lea and Miss Ruth Nagel sang "I Love You Truly" and "Oh Perfect Love."

The bride, who was given in marriage by her father, was gowned in a white satin gown with a sweetheart neckline, applied net, sleeves which tapered from fullness at the shoulders to points over her hands, a fitted bodice with tiny buttons down the back to the waist and a full skirt extending in a long train. Her fingertip veil of white tulle was gathered at the back of a pearl-encrusted coronet. She wore a single strand of pearls and carried a white prayer book showered with baby breath and two white orchids with streamers of white ribbons.

The maid of honor, Barbara Heidt, sister of the bride, wore a gown of blue net with a very full skirt and a fitted satin bodice. She wore a shoulder-length veil of blue net and carried pink asters tied with white satin ribbon. Both girls wore single strands of pearls.

Wilford Heidt, brother of the bride, was best man and the ushers were Herman Esch, Fred Heidt, Jr., and Robert Bluhm. Donald Bluhm, a nephew of the bride, was ringbearer and carried both rings on a satin and lace covered pillow.

For her daughter's wedding Mrs. Heidt wore a gown of fuscia crepe with black accessories. The groom's mother wore black crepe with orchid accessories. Both wore corsages of white gardenias.

A reception for 150 guests followed the ceremony and was held at the home of the bride's parents. A four tiered wedding cake was in the center of the table with vases of pink asters on either end.

Mr. and Mrs. Sommers left on a wedding trip to Northern Michigan. The bride wore a traveling ensemble of black and white. On their return the young couple will stay with the bride's parents until their new home on West Nine Mile road is completed.

The bride was feted at several showers previous to her marriage. Mrs. Roger McClain and Miss Alice Schuenemann gave a red and white kitchen shower, Mrs. J. J. Smith and Mrs. Ty Heutala had a miscellaneous shower and Mrs. Herman Esch entertained at a pantry shower. The bride's parents entertained the wedding party and their families after the ceremony at the church house.

### PRESBYTERIAN SUPPER A HUGE SUCCESS

The congregational supper at the Presbyterian church house Sunday evening was conducted very successfully by all concerned. Rev. and Mrs. Fredsell were presented a generous purse by their congregation as a parting gift in appreciation of the service so cheerfully and satisfactorily rendered during their residence in Northville.

The group was entertained by the reports of the young people who attended the Waldenwoods and Clear Water conferences during the summer. Short talks were also given by Bob Masters, president of the Senior C. M. Micky, secretary, president of the Intermediate group and Mr. G. V. Harrison on behalf of his congregation. The purse was presented by Miss Pearl Denton, president of the Young People's group.

Salad, coffee and dessert were served by the ladies of the Women's Union under the chairmanship of the president, Mrs. Harold Bloom.

Among the other farewell parties for the Fredsells were those given by Mrs. C. C. Yerkes

**Recreation Dance This Friday Night**

The recreation orchestra, under the direction of A. J. Potter, has once more resumed its practice and will make its first public appearance at the Fall Friday night at the High school. At this time, the Student Council is sponsoring a dance to climax the Friday afternoon football game with Walled Lake. The dance will take place from 8 to 11 p.m.

**Plan Conservation Program for Rural Schools**

A program of conservation education for Michigan's rural schools will be considered at a meeting to be held in Lansing Oct. 13, and attended by several county school commissioners and representatives of the Department of Public Instruction, the Department of Conservation and Michigan State College. The meeting will be for the purpose of outlining a program of instruction to be later developed. It is expected that the material will be available to Michigan rural school teachers late in the coming winter.

**SOLDIERS**

(Continued from front page) theatre of operations have done a swell job and I hope it can be continued until it is over for good. I know that all will be very happy to return and take their places again in Northville. I hope that time will not be too far in the future. I have finally earned the first promotion since I've been in the service. It doesn't hold any authority or leadership, but it works up to them. I wish to thank you again and I appreciate it very much. Sincerely, Pfc. Walter E. Myers.

**NEW SHOE STAMP NOVEMBER 1**

Another shoe ration stamp will be valid beginning Nov. 1, the OPA said today. Which stamp will be used has not yet been determined, but will be announced before the valid date. Early assurance that another stamp will be valid is announced so that the shoe trade can prepare its stocks and consumers can know they can count on a new ration before winter.
