PICTURES WHICH APPEAR IN THIS WEEK'S RECORD
WAVE Ruth Leavenworth is a cadet at Cedar Falls, Iowa, where she expects to graduate Nov. 13th. She will receive an assignment to a post following graduation. After her graduation from Northville High, she was employed as cashier at the A.P. store. She was also employed by the Kelsey-Hayes Co. at Plymouth, in the transportation office.

Since entering the service in July, she has studied business administration.

Staff Sergeant Jay Leavenworth, who is stationed at Fort Lewis, Washington, is chief clerk in the Combat Engineers Division. After graduation from Northville High School he was employed by the Kruger Baking Co. here. Jay has been in the service 3 years and 9 months and at the present is at home on a 16-day furlough. He is visiting his sister, Mrs. Geo. Mairys of Yerkes St., and will also visit his sister Ruth at Cedar Falls, Ia., on his return to Washington.

Pvt. Eric C. Holmes:

An Eighth Air Force Fighter Station, England; Private William H. Lewis, of Farmington Hills, Mich., is a senior member of the Military Police Company which boasts close to 500 Nazi aircraft destroyed in operations into enemy held territory.

Pvt. Lewis's outfit is not only charged with the security of this VIII Fighter Command station, but it also regulates the vehicular traffic on the perimeter of the field.

A landscape in civilian life: Pvt. Lewis worked for the Farmington Gardens before entering the army in February, 1943. He has been serving overseas for 16 months. Mr. and Mrs. George H. Lewis, the soldier's parents, live at 34236 Seven Mile Road, Farmington, Mich.

Pvt. Cansfield:

I decided I would add a few lines to let you know that I am receiving the Record OK now. Thanks to you. All of you folks are doing a grand job on the home front and we certainly appreciate it over here.

Dick is staying here in my camp this evening and I'm trying to show him how the army lives. I was on his boat for about an hour this afternoon and before it got out, I got sea sick. No Navy for me, I am strictly a land-lubber. Well, Mr. Cansfield there isn't much to write about over here so I will close for this time. A Merry Xmas to all the gung in the service and folks back home. Thanks again for sending me the best little paper on the world.

Carl G. Taylor.

Jack Schausberger, Sr., is a member of the crew of the "Iowa" which has been pictured in the Detroit News and a recent Life magazine. Jack is the son of Mr. and Mrs. Hugh Schausberger of 8 mile road and attended Northville High.

Mr. Cansfield:

I've never written in and thanked you for sending the Northville Record to me before but it's really swell to see how the issue comes along alone.

Am, staying at Carl Taylor's tent tonight I finally get a full night off. We've been very fortunate to get together so often the contents are very useful. This organization is doing very good work, and we boys sure appreciate all they are doing for us.

It's been a long time since I left Northville, 30 months, and I sure would like to see my folks and all my friends sometime in the future.

Carl, I hope that the nation thought they could brown-beat. Good luck to you Harry, not only from Carl and I but from all of us.

Some of our gang are going stateside early to go on new construction. It would sure be nice to be able to come home for a little while to see my wife and 7 mos. old baby. I've never seen the baby and only being over here one year, it looks like she'll be pretty big when I do.

Well, before I start getting ideas of swimming the Pacific, I'd better knock off. Will you please say hello to the gang in the service and people back home. Thanks again for the Record.

Dick Larkin:

Mr. and Mrs. Clayton Walker of Horton ave have just received the following letter from their son, Pfc. Fred Walker, who was injured in action in France in September. Here goes for a few lines to let you know I am coming along O.K. I haven't written sooner because I have been moving around so much. I am now in England in a general hospital. I had quite a thrill by being flown in a C-47 plane. Gee, I sure have had wonderful care. The nurses and the doctors do everything for you. The doctor who operated on me, went to school with Dr. Atchison. He was awful good. My Army days are over and as soon as I am well enough, they are going to send me to the States. How is everyone? I hope fine and not worrying about me. Tell everyone I said hello. If you can read this you are doing well; please excuse this scribbling as I wrote this in bed. Your loving son, Fred.

Lt. Edward Ervin, stationed at Camp Walker, Victoria, Kansas is home on leave. He is the son of the Jas. Erwins of Ten mile road and graduated from Northville High School in 1944, going on to the U. of M at Ann Arbor. Selected for training in service in meteorological work. Ed received his commission last June and was sent to the air base at Cedar Falls, Iowa.

"Use the Right We Are Defending For the Future That We Guard"

Rev. Fredsell Writes From Alaska to Friends Here

The following interesting letter from Rev. Harold Fredsell, who with his family recently left Northville for army and civilian duties in Skagway, Alaska.

We are off to flying starts in our new and very interesting work among members of the armed forces and the civilians of this busy little city. A splendid young chaplain is showing me the ropes with a Protestant man now on the job. He will leave here the end of November to go to McRee's post with a thousand men outside of Whitehorse.

There are three main units here aside from the administration post, the medics, the dock crew and the railroad division. The army is still in charge of the railroad which at present is not working due to a serious washout. I am looking forward to my first trip in the White Pass!

Blood Bank To Come Dec. 6th

New Date Has Been Definitely Set; To Be Held at Presbyterian Church House

Dec. 6 is definitely the date set for the next Red Cross Blood Bank collection at Northville. The place will be the Presbyterian church house since the regular place is unavailable for that time according to Mrs. Wm. Forney, local chairman. Northville volunteer workers will assist the regular mobile unit staff.

Registrations should be made in the near future with Mrs. Forney.

There is still a big job to be done. With the expansion of the war in the Pacific and European theatre, many thousands of our fighting men will need the transfusions of blood plasma collected back home. Army and Navy medical corps estimate 97 per cent of men wounded in action saved with blood plasma.

Four Ballots In Oakland; Six to be Voted in Wayne

Heavy Registration of Last Four Weeks Suggests That the Wise Voter Will Go to the Polls Early in the Day; Polls May Be Open An Hour Later if Legislature So Decrees

Voters on November 7 will find that they will be burdened with plenty of paper in the form of six ballots in Wayne County and six ballots in Oakland, containing names of candidates and proposals.

This year for the first time, presidential candidates will have separate ballots with names of Thomas E. Dewey and John W. Bricker in the lead off position under the Republican party in Michigan. Republicans get first shot in Michigan due to the office of secretary of state being held by that party. Franklin Roosevelt and Harry Truman have the second spot on the ballot under the Democratic banner. As far as Northville is concerned, interest will stop right there, but seven other parties have

candidates. They are the Prohibition ticket which has Claude Watson and Andrew Johnson as candidates, Socialist Labor party with Edward A. Teichert and Arla A. Alburgh, Socialist with Norman Thomas and Darlington Hoopes and the American First party, represented by Gerald I. H. Smith and Harry Romer. The Michigan Commonwealth Federation has no candidates.

The big ballot has the state ticket, congressional and legislative tickets and county tickets. Lt. Governor Harry Kelly, Republican, is opposed by Edward J. Flynn, Democrat, and Vernon J. Brown, Republican, is opposed by James H. Cox, Democrat for lieutenant governor.

State Candidates are Secretary of State, Horace Dugman, Republican, Arthur Koenig, Central Democrat.

Attorney General, John E. Dohmers, Republican, Thurman B. Davis, Democrat.

Treasurer, D. Hale Brake, Republican, James H. Cox, Democrat.

Auditor general, John D. Morrison, Republican, Clark J. Adams, Democrat.

Announce Goals In 6th War Loan

Wayne County's Share of National Loan Set for Drive to Open Nov. 20

Mrs. Jas. Greer, local chairman of the War Finance Committee, states that the 6th War Loan will start November 20th and close December 16th, but all bonds clearing through the Federal Reserve Bank during November and December will be credited to the 6th War Loan.

The total goal for the nation is \$14 billion; Michigan's share is \$2,400,000,000 and Wayne County's share is \$281,690,264.

Northville men and women put over the fifth War Loan drive in August to the amount of \$34,900 in sales and credits. Similar success is anticipated for the 6th War Loan drive.

For many years past November has been the month for the annual Methodist bazaar and dinner, Tuesday, Nov. 14 is the date set for this event and committees have been at work for some weeks past preparing for this important event in the church calendar.

The Service League will have charge of the bazaar and the Wesleyan Guild will also have a booth serving as general chairmen. Each chapter Fifer for aprons, Mrs. Audrey member is privileged to invite Joki for children and infants wear, Mrs. D. W. Richmond, gifts, Miss Ethel Cameron, towels, Mrs. Bert Mosher. The fish pond will be in charge of Mrs. A. R. Clarke and the baked goods, Mrs. Jack Graf.

FACTS about
Proposal No. 4

1. Elected officials of local governments in 23 Michigan counties are vigorously opposed to Proposal No. 4 which imposes Detroit rule on 11 cities and 16 townships in Wayne county. It constitutes the starting wedge for destruction of responsible government in every county of Michigan.

2. It vitally concerns all of Michigan. The so-called county home rule plan FIRST applied to ALL counties. It was beaten by Michigan voters in 1934 and 1936. The Wayne county scheme was rejected in 1942. Let's bury this threat for all time! Detroit Proposal No. 4!

3. Let Detroit clean house first in Detroit. Here is the record of Detroit city officials and Detroit state legislators now elected AT LARGE:

CONVICTED! One-third of Detroit city council, mayor and many police officials.

CONVICTED! A majority of Detroit state legislators in 1944.

Proposal No. 4 would impose AT LARGE elections with non-partisan ballots upon Wayne county, despite Detroit's record of corruption under that system.

4. Proposal No. 4 would destroy responsible county government. Wayne county has the lowest tax rate and bonded debt of any county of its size in the nation. Contrasted to the county's 13 percent debt DECREASE since 1919, Detroit's debt has soared more than 31 times—\$30,627,253 to \$332,125,738. Detroit city taxes have doubled, while the county tax rate goes downward—dropping another 14 cents on Dec. 1, 1944.

"WHY CAN'T I WALK
LIKE OTHER BOYS?"

Here in your own city—maybe right in your own block or just around the corner—there are poor bewildered children who yearn to walk and romp and play. Think what it would mean if you couldn't walk—think how you would feel if your child were crippled...

Think—then, in gratitude and sympathy, decide what you can give to your Community War Chest. Give—that crippled children may have care and treatment, a chance to walk again—

Help off three-year fighting end, your Allies, your neighbors.

LOCAL BAPTISTS DO WAR RELIEF WORK

Members of the Women's Union of Northville Baptist church completed their donations and collections of article for household kits for civilian war refugees in Russia this week. Fifteen completely filled kits, totaling more than a hundred pounds, were packed and shipped Tuesday by the Baptist ladies. Each kit contains sugar, dehydrated meat, gloves, soap, towel, mending and first aid kit, canned meat and boxed cookies.

The local work has been done in connection with the Northern Baptist Denomination which has sponsored the project.

Don James was chairman for this Baptist war relief work.

CANTEEN LUNCHEON

Twenty-two members of the Northville Red Cross Canteen group were guests of the local chairman Mrs. Arlo Hauger, at her home last Friday. Lighted Jack-o'-lanterns and other Halloween decorations centered the table from which a delicious buffet luncheon was served. An informal business meeting and social hour followed.

Next Friday, Nov. 10, is the day set for the next tin can collection in Northville. All cans should be placed at curb before noon, to facilitate the work of collection.

Detroit Edison LINES

... timely lines of interest and value... brightening up about conduct, lighting and appearance.

HURRICANE... When a hurricane churned out of the sea and swept up the Atlantic seaboard & far west to the Detroit Edison Company rushed help to Connecticut and Long Island. Power lines had been torn down, poles uprooted, electric service disrupted. Edison crews, consisting of a dozen men with two trucks and complete equipment, were sent.

INSIDE STORY... The Detroit Edison Company maintains an "X-ray" that looks inside wooden poles to discover the invisible beginnings of decay—for the half-million wood poles that support our lines must be structurally sound. Incidentally, the start of decay is postponed and the life of poles extended by chemically treating the poles.

Don't waste electricity! Conserve to help the coal shortage!

NEW CRANBERRY COMBINATION... Our Home Service Department offers a taste-tempter for Thanksgiving.

Cranberry Gingerbread
1/2 cup shortening 2 cups flour
1/4 cup sugar 1/4 teaspoon salt
1/4 cup molasses 1 teaspoon baking soda
1 egg, well beaten 1/4 teaspoon cinnamon
1/2 cup milk 1/4 teaspoon ginger
1 cup small cubes cranberry sauce

Cream shortening, gradually add sugar until smooth. Then add molasses, egg and milk. Mix and sift the dry ingredients and add to first mixture. Very carefully fold in the small cubes of jellied cranberry sauce. Pour into a greased baking pan (10" x 2"), and bake in a moderate oven (350° F.) for 45 minutes. Serve with whipped cream as a dessert.

ARE YOU READY FOR WINTER?... If you haven't yet had your coal bin or placed your winter's fuel order, do so now! It eases future pressure on local delivery facilities. An overhaul of your heating system and a thorough check-up of your house to prevent heat losses will pay dividends in fuel conservation and increased comfort.

Why is Ed Lane up in the air?

BECAUSE he's down to earth about conserving coal. That's why he's putting up storm windows. He knows there will be some shortage of coal going to households.

No less coal is being produced. More is being mined than ever before—with fewer men. Mine owners and miners alike are doing a splendid job. And there are ample rail facilities for transporting coal to your city.

But certain grades of coal are going to be greatly in demand for war production. And, to make things worse, your local coal dealer faces a shortage in manpower, trucks and tires.

So if you want to keep warm this winter, do everything possible to conserve the coal you can get. The little, common-sense things you can do will

ANNOUNCING -- The Annual Rotary-Record Servicemen's Christmas Edition

Again this year the Rotary Club is sponsoring a Servicemen's Christmas Edition of the Northville Record. This will be sent to Servicemen whose parents, relatives and friends request it and are interested enough to provide the addresses and short news items of interest.

IT'S UP TO YOU THIS TIME!

The edition will follow the general lines of last year's issue but will concentrate on short news items about each serviceman, rather than letters from the boys. Pictures of Northville will be printed and the costs of printing, engravings and mailing defrayed by the personal signature greeting method that proved so popular last year. The edition will be mailed first class in time to reach the servicemen for Christmas.

Summer Worker Loss Hits War
Work

The return of students and
teachers to their classrooms,
plus women who have gone back
to being housewives and workers
who have quit wartime jobs
to go into post-war jobs
with the notion the war is about
over has resulted in a seasonal
loss to war plants of over one
million workers, according to
September figures of the War
Manpower Commission. Despite
concern over this loss in workers,
Government Officials agree that
the return of students to
schools is in the best interests
of our Democracy.

General Election

(Continued from Front Page)

George Dondero is Republican candidate for reelection to the U. S. House of Representatives from the 17th district and his opponent is John W. L. Hicks, Democrat.

In voting on constitutional proposals it might be safely said that unless you are informed and have good and sufficient reasons for voting otherwise, a "VOTE NO" is in all cases a vote to keep things as they are without the change as proposed.

Both Wayne and Oakland counties have non-partisan judicial tickets. In Wayne County for Circuit Court Frank B. Ferguson and William Friedman oppose each other. For Judge of Probate—Three candidates seek two positions and two candidates will be elected. The candidates are D. J. Healy, Joseph Murphy and Ellsworth Smith. In Oakland County—

Arthur E. Moore for Judge of Probate and Vern C. Hampton and Maurice Cole for circuit court commissioners appear unopposed.

George Higgins, Republican, is unopposed for state senatorship from the 12th district and Howard Estes, Republican, and Russell E. Denison, Democrat, are co-competitors for state representative from the third Oakland County district.

Republican county candidates are Don Noggle, prosecuting attorney; Edward K. Thomas, sheriff; Lynn Allen, county clerk; Charles Sparks, treasurer; Orvin McQuaid, register of deeds; Earl Clark, drain commissioner; Dr. Leon F. Cobb, coroner.

Democratic candidates are Maurice Tipp, prosecutor; Joseph Seiterlin, sheriff; Paul Nelson, clerk; A. Glenn Wilson, treasurer; Nellie Frye, register of deeds.

Additional Ballots in Wayne County

Two other ballots are added to the list in Wayne County. The official referendum ballot would change the act regarding collection and instituting of penalties collecting taxes located in Detroit and cancel personal taxes after five years.

The other ballot in Wayne would authorize the issuance of bonds to the extent of seven million dollars for a new county building. The later ballot is only for charter, paying regular taxes.

In the 13th Senatorial district Clarence A. Reid, Republican, is unopposed by Robert J. Campbell. For representative to the 7th district Hugh Eaton, Republican, appeared by Arthur G. Shultz.

In Wayne the county ticket responds for prosecuting attorney; Elmer G. Rice, opposed by John K. O'Brien, Sheriff; Ed

and Robert L. Republicans, and

A. C. Bush, Democrat. For

County Treasurer, William

G. L. Roy, and John J. Keaveny, Dem. Register of Deeds;

Andrew J. Brodie, Rep. and Har-

old J. Youngblood, Dem. Cau-

nion, Auditor-Archibald Lead-

letter, Rep. and Geo. O'Connell,

Dawn Day, Commissioner; A.

L. Murdoch, Rep. and Geo. A.

McMurphy, Coroner.

Bert L. French, and Lloyd K.

Babcock, Rep. Edmund J. Kee-

lock and Albert A. Hughes, Dem.

Referendum Ballot

Throughout the state four proposals to amend the constitution will be voted on Nov. 1.

Proposal No. 1 would amend the constitution to allow municipalities to sell water service outside of their limits, not to exceed 25 percent of the amount sold within corporate limits.

No. 2 has to do with eligibility of members of the legislature to be candidates for and elected to state offices.

No. 3 would increase the pay of members of the legislature to \$500 a day.

No. 4, the most contested of the four proposals would amend the constitution to permit Wayne County to adopt a charter. This is the so-called "Home Rule" proposal.
