Pvt. Lewlyn Kingsley is the husband of the former Helen Kreeger, and the son of Lewlyn Kingsley, Sr., of West Six Mile road. Lewlyn was born in South Lyon, but has lived in Tokyo, for use in developing Northville for eight years. He attended the South Lyon and the Plymouth schools. Pvt. Kingsley was employed at the Willow Run Bomber Plant until the time of his induction into the Infantry, in June, 1944. His training was at Camp Wolters, Texas. He was home on furlough in October and was then sent to Fort Ord, California; he is now on his way overseas. His wife is living at the home of her parents, Mr. and Mrs. Charles Kreeger of Danville formerly residents of this village.

Coast Guardsman Horner T. Hodge, Seaman first class of 249 High street, Northville, is pictured aboard the Coast Guard-manned transport, "Transport" on which he was serving some where in the Atlantic. Hodge is a powderman on a five-inch gun aboard this vessel which is engaged in a vital task of keeping Gen. Dwight Eisenhower's forces liberally supplied with manpower essential for the battle of Germany. Horner is the son of Captain and Mrs. Harvey Hodge, who was born and raised in Sault Saint Marie until his family moved to Northville six years ago. Horner attended the Northville High School in the ninth, tenth, and eleventh grades, leaving school when he enlisted in the Coast Guard in March, 1943. He trained at Manhatten Beach, New York, and has since been on a transport ship, making several trips overseas. S. T. Hodge has been on the Atlantic about sixteen months. He was home for two days at Christmas but is now on duty again.

A/C George Taylor Hunter is the son of Mrs. Lydia Hunter of 264 S. Wing Street. He has lived in Northville since he was a small boy. George is twenty years old. He graduated from Northville High School in the Class of 1942. After graduation George worked at the Willow Run Bomber plant.

A/C Hunter enlisted in the Air Corps March 8, 1943 and is now stationed at Carlsbad, New Mexico where he is studying to be a bombardier. George was to graduate in February, but was called home because of the news that his brother, Pfc. Frank Hunter, had been killed in action. He will report back to Carlsbad the thirteenth of this month, and graduate with the next class in April.

Charles A. George has been advanced to 1st Lieutenant in the AAF. He expects to go overseas in February.

Just a few lines and I can't get started. I missed Christmas at home but I think we had a pretty good Christmas for being out to sea. We had one swell dinner and a good movie after. I think this was about the warmest Christmas I've ever spent. I would like to say where we are going and what we are doing, it would make a much better letter. The trip has been nice so far, a little rough now and then but, on the whole it has been very good.

Service Held for Former Northville Boy at Howell

Memorial services for T/Sgt. Clarence R. Comer (Charlotte Lester) were held at the First Baptist Church in Howell at 3 p.m. Sunday, January 14. Donald Miller formerly a Northville boy, was buried at the First Baptist Church in Howell.

Under the provisions of Army Regulations 600-45, as amended, you are awarded a Bronze Star Medal for meritorious service in support of combat operations.

CITATION:

"Clarence R. Comer (1606804) Technical Sergeant, Infantry, United States Army. For meritorious services in support of combat operations from November 24 to December 1944, while serving as a member of the 398th Infantry, 100th Division, in the Philippines. He received a Bronze Star Medal."

Still, against military obstacles like these, against a fanatic enemy, and in weather conditions that included rain and snow and ankle-deep mud, the 398th proceeded without delay to help take Baccaret, to cross the swift flooded Ourthe River, and to press the Nazis further back toward the Rhine.

The 398th Infantry, and other units of the 100th Division, was activated at Fort Jackson, S.C., in November, 1942, participated in maneuvers, in Tennessee, and later moved to Fort Bragg, N.C., for training in coordination of infantry with tanks, artillery, and air force.

It proved that it learned its lessons well, for in the drive on Raon, a strategic town on the 7th Army front, the regiment skillfully out-maneuvered the Nazis prepared defenses and took the high ground which surrounds the town and commands a stretch of terrain to the east.

In the direction of the Rhine, a member of his group is Sgt. William C. Grimm of 311 Main Street, Northville.

Here I am just a couple of days over two weeks at my latest station—Camp Hood, Tex.

Actually I haven't seen very much of Texas, although I did spend Christmas week-end in Waco.

Roosevelt as he was administered the following oath of office by Chief Justice Charles Hughes during his first inauguration: "I do solemnly swear (or affirm) that I will faithfully execute the office of President of the United States, and will, to the best of my ability, preserve, protect and defend the Constitution of the United States."

**Roosevelt's Fourth Inauguration at White House to Set Precedent in Simplicity**

ON JANUARY 20 the White Linders marched to baccopes. The Presidential carriage of state was drawn by four horses. The car was administered before a thing that packed Wall street, and was followed immediately by the firing of 13 cannons.

Washington's inaugural address, however, was not delivered to the public. After the oath, administered on the balcony, the President withdrew to address the congress in the traditional Pennsylvania avenue parade, lacking in decorations and cerebrations, and with only a few officials, relatives and friends present.

Franklin D. Roosevelt will take the oath of office.

The scene will differ greatly from the first inauguration of a U. S. President. Washington was escorted to the Federal Building by various military units, with blue uniforms and gold-leaf ornaments. One company, dressed as Scotch Highlanders, marched to the Capitol so effectively that he had to climb a wall and slip in by the back door.

The first inaugural ball was held on the evening of May 3, five days after the inauguration, delayed due to the absence of Mrs. Washington.

President Jackson walked to his inauguration, but the crowd blocked the entrance to the Capitol so effectively that he had to climb a wall and slip in by the back door.

# WHY Michigan Bell Will Go to Court

The Michigan Bell Telephone Company plans to appeal to the Ingham Circuit Court for relief from an order of the Michigan Public Service Commission directing the company to refund \$3,500,000 to its customers. A permanent injunction will be sought to restrain the Commission from putting the order into effect.

We have no liking for litigation. It is a time-consuming process that is as distasteful to the company as it is to the public.

An order that jeopardizes our ability to provide good service by whittling away at our already inadequate earnings, however, cannot go unchallenged. The public interest impels us to seek the protection of the courts.

The order is based upon the theory that excess profits taxes should be returned to customers rather than to the Federal Treasury as intended by the tax law. One out of every five tax dollars collected by the Treasury today comes from excess profits taxes. In this case, the Government would take a loss of \$3,000,000.

Although the Federal Treasury would bear the brunt of the loss involved in such a rebate, one-seventh of the amount would come from the company. The order for 1944, unless restrained, could be repeated for 1945 and other years. Such a whittling process takes on the aspect of a permanent rate reduction to the jeopardy of the service rendered the public.

If we are to take our place in the expanding national economy anticipated after the war, and once again provide service on a basis of "when and where wanted", the Michigan Bell must un-

Clyde Buckingham spent a few days this last week in West Branch, where he attended the funeral of a young nephew. Mrs. Gordon Vance and daughter, Alice Jane, were visitors at Henry Ford Hospital, Monday. Mrs. Homer Coolman was a visitor in Birmingham Wednesday. Mr. and Mrs. Kenneth Owen are nicely established in their new home down on Five Mile Road.

Mrs. Albert Owen was the guest of her daughter-in-law

Mrs. William Owen in Detroit Friday.

The Austin Anks were dinner guests of the Balls in Detroit one evening last week.

Young friends from the neighborhood and elsewhere gathered at the home of Lewis Carter, Hubbard Avenue, Monday evening and tendered him a farewell party with the usual accompaniment of handsome gifts and a hearty, appetizing supper. Lewis has enlisted in the Navy and expected to leave last Tuesday, but officials decided to send him out on that date only those from outside the Detroit area and keep those from within on twenty-four-hour call. Thus the young man has a little more time with his parents.

Mrs. Clyde Buckingham, who was scheduled to undergo a major operation at a hospital this past week, has been so ill with a cold that she has been unable to leave the city.

Friends of Mrs. Ed Tamm, who for some years resided in this section, have received word that she is very ill at her present home in Tampa, Fla.

Mr. and Mrs. Marvin Adams visited relatives in Howell Sunday.

Announcement was received

by her old neighbors in West

Point Park of the death Monday

of Mrs. Lulu Robbins, who for

some years lived in what is now

known as the Ackerson place on

Hubbard Ave. but of late has

resided near Plymouth. She had

been ill for many months. Her

husband, Frank, and a fifteen

year old daughter, Ruth, survived

her. Interment was at Glenn Eden

cemetery Thursday afternoon.

Mrs. Robbins was a woman of

fine, exemplary character, and

had many friends in this locality

who were sorry to hear of her

death.

**County Agent Notes**

By E. L. Besemer

Farmers may make out their Income Tax returns on or before January 15, 1945, and pay any tax due instead of making a Declaration of Estimated Income Tax on the same date.

It is important to keep farm accounts so that all farm expenses may be taken into account.

To help keep an accurate record of farm receipts and expenses, an especially prepared account book may be secured from the County Agent's office for a nominal sum.

A supply of forms 1040 and 1040-E are also available.

Good Lease Keeps Farm Productive

A good farm lease is important if both the tenant and landlord are to maintain satisfactory relationships and the farm is to be in productive condition points out County Agricultural Agent E. L. Besemer.

Many rented farms in Wayne County and other counties in Michigan are becoming less productive year by year. The fault often lies with unsatisfactory leases and lack of proper understanding between landlord and tenant.

By Phyllis Becker

We're decorating the windows and board. Robert Visnyak has the windows and Zolie Visnyak and Terry Gates have the boards. Lila Rallstraw made the calendar for January. For the bulletin board, we made little booklets to illustrate our reading and science classes. We are sorry Lorraine Funke moved to Northville; she was in the 4th grade. Janet Robertson has moved where Lorraine lived. She is in the kindergarten class. Charlotte Brooks comes here to school now; she is in the 3rd grade. Joe and Robert Visnyak have a new brother, born Jan. 2nd. The baby was named Edward Harry Visnyak. Howard Meyers is ill with a cold.

**5 Reasons Why  
You Had Better SAVE This Dollar**

This is a wartime dollar. It looks just the same as it did before the war. But it is not the same.

Here are 5 things it can not do:

1. It can't help you buy a new car now.
2. It can't help you buy a new radio now.
3. It can't help you build a new home now.
4. It can't buy the quantity it could before.
5. It can't buy the quality it will later.

But you can make this wartime dollar do these things later just by saving it. Plan your spending, plan your saving. Work it out in black and white, to assure better spending control, greater saving. Saving means helping to keep the dollar sound, to maintain its buying power. And saving means buying War Bonds regularly and putting money in the bank for emergencies.

Prisoner of War meetings are being held in Detroit under the sponsorship of the Red Cross for the families of boys who are prisoners or missing. The Red Cross gives as much information about the camps as possible and these heavy-hearted families are afforded a chance to compare information with others in the same predicament, thus easing some of the worry.

The Northville chapter of the Red Cross Blood Bank is again asking for blood donors. You may register at the Forney road office. Mrs. W. E. Forney is the Chairman of the Northville Red Cross Blood Bank. The time will be announced at a later date.

Mrs. Marie Argote, Northville senior at Michigan State college, is one of 14 students included in the readers' section of the Student Speakers Bureau, according to Mrs. Mooree Compton, speech instructor and director of reading programs. ## Reading List

### As Suggested by Your Librarian

Mrs. Carl Bryan, librarian, urges Northville patrons and visitors to "visit the library and hold over a special list of books and pamphlets which has recently been received from the Michigan State Library. This list was computed under the direction of Mrs. Edith Dawson-Fyan, who is well known to many Northville people. She was formerly county librarian and is now state librarian with headquarters at Lansing.

Mrs. Arthur Gregory of Flint has been spending the past two weeks at the home of her daughter, Mrs. Edith Dawson-Fyan, who is well known to many Northville people. She was formerly county librarian and is now state librarian with headquarters at Lansing.

Mrs. Louise Babbitt (Gloria Curtin) has been visiting her husband, Phil, 3rd, Louie Babbitt in New York. She will remain there indefinitely.

Most of these books are for reading aloud in the family circle. They fall into several categories under "America today"; there is "The Motives" by Mrs. Cleo Boyd, during the latter's illness.

The committee appointed by the President to make an investigation and survey of the situation after repeated meetings made the following report to the Board of Directors: "In view of the fact that this was the only party of the stockholders in their judgment the matter could be carried out, it was not within their power legally to make any adjustments and that the contract remain in status quo. The report was accepted by the board of Directors." To confirm the decision of the committee and the Board of Directors, another non-responsible group is going to go through with the contract under its present terms, again reminding you of the annual meeting to be held at the Northville Village Hall, giving the privilege at that time, to all stock personally, contrary to any proxies, outcome.
