made cakes and coffee were served. The Newman were presented with two matching pictures for their new home. The invited guests were Mr. and Mrs. George Gleason, Mr. and Mrs. George Atkinson, Mr. and Mrs. Luther Elk, Mr. and Mrs. Chas. Perry, Mr. and Mrs. Fred Garlock, Mrs. Belle Walter, Miss Mariette Gobel and Mr. and Mrs. Stanley Greer and children of Novi and Mr. and Mrs. Carl Schoultz of Northville.

The W. C. T. U. will meet Tuesday, May 8, at the home of Mrs. Berntha Wood on west Grand River.

The Cancer Drive committee had their final meeting at the L. S. Cranston cottage in Walled Lake Monday for a pot-luck dinner and an afternoon of games for which prizes were given. There are several donors yet to be named in which will be reported later.

About 20 young people of the Youth Fellowship had a farewell party for Duane Bell Sunday evening. Several games were played and refreshments served after which Duane was presented with a leather zipper-bag filled with toilet articles. He left Tuesday evening for Great Lakes to be inducted into the Navy Medical Corps.

Mr. and Mrs. Geo. May, formerly of Novi, are the parents of a daughter, Carolyn, born Sunday, April 29, at the Seasons Hospital.

Little Claudia Mair is spending several days with her grandparents Mr. and Mrs. Wm. Mair. Mrs. Wm. Mair attended the W. C. T. U. mother and daughter banquet in South Lyons last Thursday evening.

Miss Loree Trickey spent the week-end with Mrs. Hadley Bachert visiting Hadley at the Percy Jones Hospital. Mr. Bachert received the Bronze Star Saturday morning.

Guests of the David O'Leary for the week-end were Mrs. Lee Largent of Cadillac, Mrs. Oliver Long and Don Hazen of Merritt, Miss Flossie O'Leary of Ann Arbor and Mr. and Mrs. Robert Brandt and infant daughter of Detroit.

The Rebekah Club met at hall for a pot-luck dinner and an afternoon of games on Wednesday. Mrs. Fraser Staman and Mrs. Chas. Trickey were the hostesses for the day.

Mrs. W. O. Harrison of Capac spent last week with her brother and sister-in-law, Mr. and Mrs. Charles Perry.

The Mission Study Group will meet Wednesday, May 9 at the church for a pot-luck luncheon at 12:30 p. m. This study of missions will be held in the afternoon.

The Novi chapter of the American United for World Organization held its first meeting April 29 at the Methodist church. This date was in line with the San Francisco conference since the object of the group is to "initiate public sentiment and backing for an effective world organization. The chapter communicated with Senator Vandenberg in San Francisco as their first official act. The purpose was to inform him that the voting public is behind him in his work at the conference. Officers elected at the meeting here April 29 were: Mrs. L. A. Larsen, president; Arthur Hilliard, vice president; Mrs. Kenneth Cook, secretary; Mrs. A. McCollum, treasurer. Committees appointed included membership, publicity, meetings and legislation. The Board of directors will include two representatives from each organization in Novi.

CARRYING ON
What ages are always associated with travel?
Luggage and baggage.

GIRL SCOUT NEWS

The committee of Girl Scout Troop 3 held a meeting at the home of the leader, Mrs. Paul A. Bayless, West 8 Mile road, Tuesday evening, April 24. A program was arranged for the coming six weeks and plans were discussed for activities during the school vacation. The day camp also was discussed.

Troop 3 leader, Mrs. Paul Bayless, held their regular business meeting April 3.

Meeting at the home of their leader on the 12th, the group discussed camp activities at their business meeting; refreshments were served and out of door games played.

Mrs. Putnam met with Troop 3 on April 19 in the Presbyterian church. She talked to the girls on transplanting and the girls transplanted a flat of marigolds.

A swimming schedule has been worked out for Northville Girl Scouts Girls of Troop I will leave the Presbyterian church May 14, for the Wayne County Training school at 4 o'clock entering the pool at 4:30, leaving at 5 o'clock.

Members of Troops 4 and 5 leave the church at 4:30, enter

pool at 5 and leave at 5:30. Troop 2's schedule is 5, 5:30 and 6 o'clock.

Troops 3 and 6 are slated for 5:30, 6 and 6:30 o'clock.

This schedule will be run every Monday.

Mrs. G. V. Chabut and Dorothy Ford will serve as life guards and Mrs. Kenneth MacKay, Stewart Robinson and Fred Carterline will work as assistants.

Junior life savers will include Alice Hahn, Helen Ann Canfield, Catherine Strahung and Mrs. Geo. Stalker.

CAMP FIRE GIRLS

Northville Camp Fire girls are busy making sewing kits for use of people in the overseas countries. Mrs. Merritt Meaker is the leader of the local group.

A THANK-YOU

The Altar Society, O. L. V. Parish, are grateful to the general public, and to the Record for their fine support and cooperation and the Hendin Shoe Store for their generosity in making the bake sale a successful one.

News from Salem
By Mrs. F. Swan

Mr. and Mrs. Chris Brink of Detroit were recent luncheon guests at the Abe B. Van Aken home.

Mrs. Frank McFarlin spent Saturday night at the home of her son, Harry Rathbun, in Plymouth, and attended a Bible lecture in Detroit Sunday.

Mr. and Mrs. Schmitz of Northville have moved into the Leo Hantz residence on Salem road.

Mrs. C. W. Lewis and Mrs. Charles Stacey spent Saturday afternoon in Ann Arbor.

Mrs. Jessie Blackwood and Mrs. Fred Herrick will be hosts to the Ladies Aid of the Salem Congregational church Thursday, May 10. The meeting convenes in the afternoon at 3 o'clock and a pot luck supper will be served. All are welcome.

Word has been received from our missionary Rev. Marian Keller of British East Africa that she will leave on Thursday, as soon as she can obtain a passage for a boat for the U. S. A. Rev. Keller is a relative of Rev. Lewis Stroth.

Mr. and Mrs. Abe E. Van Aken were guests of Dr. and Mrs. Kenneth Eastle of Ann Arbor Friday afternoon.

Mrs. Charles Ramon and daughter, Marie, have returned home from Sessions Hospital after a long illness.

Mr. and Mrs. Edolph Trapp and family were Sunday afternoon visitors and supper guests in the home of Mr. and Mrs. Edgar Galer in Northville.

Thelma Trapp was a week-end house guest of Miss Florence Galer of Northville.

Mr. and Mrs. Myrlan Lyke celebrated their twelfth wedding anniversary Sunday afternoon at the home of Mrs. Orlan Whittaker returned to Little Creek, Va. this week where her husband is stationed in the Navy.

Mrs. Elsie Packin and daughter, Jane, of Fowlerville were over night guests Monday of Mr. and Mrs. Alford White.

Mrs. Mertie Murray of Plymouth spent Sunday afternoon at the home of Mr. and Mrs. George Roberts.

Mr. and Mrs. Frank Buers spent Sunday afternoon and evening in the home of Mr. and Mrs. George Buers at Wayne.

Mr. and Mrs. Arthur Wheeler left last Wednesday to spend two weeks at Houghton Lake.

Mrs. Kenneth Eastle, of Ann Arbor was a dinner guest Wednesday of Mr. and Mrs. Abe Van Aken.

We are glad to report that Mrs. W. H. Renner, who has been ill for some time, is much better at this writing.

Girl Scout News
A girl Scout birthday party was held April 27. Jane, Jean and June Trapp became first class Scouts.

There were eleven girls who received their girl stars for being in two years. They are as follows: Joane Van Aken, Mary Lou Cook, Beverly Lyke, Irene White, Betty Lou Hill, Ellen and Barbara Raynor, Charlen Ward, Lucie Graybill, Floe Fajlet and Phyllis Chlanamith.

There were seventeen girls who received one girl star for being in one year: Jane, Jean and June Trapp, Emilee Utley.

Mother's DAY
Gift from the Clouds...

Let's get one thing straight. There is real danger to you and your family—and to your country—in the belief that it is all right for you to spend everything you made last week because another fat pay envelope will come to you this week.

Lots of people felt that way in the last war, too. And they had tough jobs—to put it mildly. Readjustment always follows wars. Factories will have to be closed for retooling. Business will have to shift from a wartime to a peacetime basis. And no matter how much of an attempt is made to cushion the change, millions of persons may find that, temporarily at least, pay envelopes aren't coming in so regularly and so fat.

Take a pencil and figure out your total income, your necessary spending. What remains is your savable income, your future spending fund. That's the way to plan your spending and your saving. For the present, buy only what you need. Invest in War Bonds and hold them to maturity. Save a good part of your income week after week. Build up a reserve. Build it confidently knowing that it is going to help take care of you in the readjustment period which is bound to come.

Then you can face the future with confidence.

Help the nation's efforts to keep your living cost DOWN, the buying power of your dollar UP.

PLAN YOUR SPENDING FOR YOUR COUNTRY YOURSELF PLAN YOUR SAVING

Your 1945 Garden Surplus Vegetables Should Be Saved By Preservation

TIME of deepest satisfaction for the Victory gardener is when he begins to harvest his crop. For weeks he has been tending these crops with care and watching with interest as the young plants grew and developed.

"We had fresh vegetables out of our own garden," is a statement of prideful accomplishment. But even as it took care in the preparation and cultivation of the garden, equal care should be taken in harvesting the crop.

Too many gardeners, in attempts to get larger growth and yield, delay harvest beyond the stage of best quality. No vegetable should be allowed to become tough, coarse, overgrown and unpalatable before being harvested.

Quantity is important, but so is quality, which brings us back to the time when the plants break through the ground and start growing straight and strong and evenly down the rows—the question of thinning the plants.

Don't be afraid to thin out your rows. Give the root plants room to grow. Beets, carrots, parsnips, turnips, rutabagas, onions, rutabagas, salsify, kohlrabi and other root plants should be thinned to about one to three inches apart, depending on the size of the root. Tops of rutabagas, turnips and beets which are pulled out may be eaten as greens. And did you ever eat fingerling carrots or marble size beets? They are delicious. So

the sooner vegetables can be used after harvest the better their quality.

Vegetables, many of them, lose food value in vitamins shortly after harvest.

They are taken from the soil. If they must be kept awhile they should be kept in a cool moist place. No gardener who can produce a surplus of fresh vegetables should overlook the possibilities of preserving or storing that surplus for later use. Those rows of canned vegetables on the fruit shelves in the basement or pantry are certainly security during winter months when fresh vegetables are high in cost and in many instances unobtainable. Most basements or cellars where there is a heating system are too warm for storage of root vegetables, such as potatoes, turnips, parsnips and carrots. And as a matter of fact except in the coldest sections of the country parsnips, turnips and carrots may remain in the ground throughout the winter months.

VICTORY GARDEN 1945

AUCTION

Harold Gates, Howell, Auctioneer

GIVE YOUR BATHROOM A BEAUTY TREATMENT WITH THESE
Lowe Brothers Paints

Lowe Brothers
MELLO-GLOSS SEMI-GLOSS WALL PAINT
Re-style your bathroom walls with the fresh, satiny lustre of washable Mello-Gloss. Keeps its beauty after repeated cleanings with ordinary soap and water. It's a modern, practical beauty treatment.

Lowe Brothers PLAY
Easy to apply and easy to clean, Play gives colorful porcelain-like beauty to bathroom woodwork. Hides effectively, covers solidly and resists wear and abuse.

Lowe Brothers ENAMEL UNDERCOATING
An excellent primer and surfacer for use under Play, to provide the finest type of bathroom, wall or woodwork finish. Works freely and dries to a flat finish without brush marks.

Lowe Brothers SUPER SEALER
A pigmented sealer that serves too, as a first coat on bathroom walls.

NEPTUNITE FLOOR VARNISH
Gives imprinted flintum in the bath or kitchen, a hard durable surface. Elastic, long wearing and easily applied. Light in color—not affected by hot or cold water.

COMMUNITY

Dog Vaccination FOR RABIES

Village Fire Hall
Saturday, May 5th
10 a.m. to 12 noon

- Repeating the plan of last year the Village Commission has arranged to help in complying with the local dog ordinance.
- All dog owners of the village may bring their dogs to the Village Fire Hall on the day set above where Dr. E. B. Cavell will vaccinate the dogs for an agreed fee of \$1.25 cash.
- All dogs must be vaccinated before a license will be issued.

DR. W. H. JOHNSTON, Health Officer.

NOTICE of Registration of School Electors

To the qualified electors of the Northville-Nowi School District No. 2 fr., notice is hereby given that registration of qualified electors of said district will take place at the Office of the Board of Education in the Grade School Building between the hours of 8:30 and 12 noon and 1:30 p.m. to 4:30 p.m. each week day except Saturday, beginning

Friday, May 11

to and including
Saturday, June 9, 1945

On which day the office will be open for registration of electors all day from 7:00 a.m. to 8 o'clock p.m.

FILING OF CANDIDATE PETITIONS

Petition forms for the nomination of candidates to fill vacancies on the Board of Education may be secured at the office of the Board of Education during regular business hours. Petitions properly signed by 50 registered and qualified voters must be filed with the Secretary of the Board on or before 5 o'clock p.m. Saturday, May 26, 1945.

Signed: HOWARD ATWOOD,
Secretary, Board of Education

Obituary
MRS. EMMA DOLPH
Mrs. Emma Dolph passed away Saturday afternoon, April 28, at the home of a niece, Mrs. B. H. Allen at Lake Orion. Her first services were held in Northville, Tuesday afternoon at the Casteline Funeral Home, Rev. Wm. Richards conducting the service. Burial was made in the Mausoleum at Rural Hill cemetery.
Mary Emma Murdock was born ninety-five years ago to John and Mary Murdock at their home in Albany, N. Y. The family moved to Northville when their daughter was seventeen years old. She was united in marriage to Augustus K. Dolph in 1881 and soon after they built the house at 492 Randolph street, which has continued to be the Dolph home ever since. Mr. Dolph passed away thirteen years ago. Mrs. Dolph went to her niece's home at Lake Orion last September and later spent some time in a convalescent home at Oxford.
A resident of this village for about seventy-five years, Mrs. Dolph or "Aunt Emma" as she was affectionately called, was until her death the oldest living member of the local Methodist church. She was a charter member of the Women's Relief Corps and of the Maccabees.
Mrs. Dolph is survived by several nieces and nephews, among them Mrs. Harry Wagenschutz of Beal avenue.
JAMES A. BAKSIS
James A. Baksis died April 28 after a long illness, at the age of 53. He had been a resident of Northville for the past twenty-four years. Previous to that time he lived in Kalamazoo, Greer, where he was born. Mr. Baksis was employed at the Ford Motor Co. of Northville as a machinist. He is survived by two sisters, Mrs. Christ Bages of Northville and Mrs. George Balcas of Detroit.
Funeral services were held Tuesday at one o'clock at the Greek Orthodox Church in Detroit, preceded by a prayer service at the Schrader Funeral Chapel at 11 o'clock.
Burial was at the Evergreen Cemetery in Detroit.
SAMUEL GOLDMAN
Samuel Goldman died April 27 at Maybury Sanatorium at the age of sixty-one years. He is survived by a wife, Alice. Funeral services were held at the Casteline Funeral Home Sunday afternoon at three o'clock. The body was later shipped to Woodstock, Ill. (his home) for burial.
CARD OF THANKS
The Blue Star Mothers wish to thank all who so generously donated to and patronized their May Festival and luncheon on May 1.
Mrs. Cass Bolton, chairman

Look Towards . . . The Future

Eye Neglect Is Costly

Safeguard your vision of today with thought of the future. The strain of war work, increased home duties, and volunteer work may be affecting your eyesight. If you now wear glasses—be sure they are giving you proper visual aid—all eyes change with time. Visit us for an accurate examination to determine your visual needs—glasses will be prescribed only if they are really necessary.

Lutheran Parsonage Scene of Smelker-Karrer Wedding

St. Paul's Lutheran church parsonage was the scene of a wedding Saturday evening which united Marion Smelker, daughter of Mr. and Mrs. A. Smelker of Alto, Mich., and Walter Karrer, son of Mrs. Karrer, Sr. of Caledonia, Mich.

Rev. E. E. Rossow read the marriage service and the attendants were Mr. and Mrs. Charles LaFevre.

The bride wore a dress of aqua silk crepe with pink hat and gloves, and a corsage of pink carnations. The groom wore a tuxedo and his boutonniere was a carnation. The bride's mother and father were yellow carnations.

Following the ceremony, a reception for a small number of guests was held at the Liebetreu home on Linden avenue. The bride's mother and father were among the guests present at the reception.

Mr. and Mrs. Karrer went to St. Louis, Mo., for a short visit. The bride is wearing a three piece suit of gray. Upon their return the young couple will make their home in Grand Rapids, where Mr. Karrer is employed in war work.

Marion Smelker had lived in Northville for the past five years, at the residence of Mr. and Mrs. Geo. Hills on Main street. She had been employed as night operator in the local telephone office all of that time. She is a graduate of the Freeport High school, which is near her parental home at Alto.

A miscellaneous shower was given in her honor recently at the home of Mrs. LaFevre on High street, with Mrs. Liebetreu and Mrs. Hills as assistant hostesses.

Festival A Great Success.

The second annual May Festival sponsored by the Northville Blue Star Mothers was a complete success. Held in the Methodist church house, the sale of home made articles from the various booths went well, and more than 200 people enjoyed the luncheon served during the noon hour. A silver tea during the afternoon was another attraction of the day. The Record goes to press too early to print a statement as to the amount raised by this project. Mrs. Cass Bolton was general chairman, Mrs. B. E. Warner had charge of the meal and Mrs. Jos Denton is president of the local chapter.

Mrs. Star Bray entertained Mrs. Floyd Crow of Coldwater, at her home on Rogers street this week. The ladies were high school and college chums and have continued their friendship thru the years.

Myra Gibson Honored at M.S.C.

Myra Gibson, Northville, junior at Michigan State College, has been elected vice-president of her residence hall. Ewing House, it was announced this week. Miss Gibson, who is enrolled in the school of home economics, is the daughter of Mr. and Mrs. J. R. Gibson, 4711 1/2 Six Mile. Miss Gibson was elected vice-president when members of the college's 18 dormitories, annexes, and co-operatives houses for women organized for the spring term. Student officers and their house-mother in maintaining quiet study hours, planning social events, holding fire drills and administering other activities in their residences.

Recognition Service.

A Community Service of Recognition will be held Sunday evening in the auditorium of the First Baptist Church in remembrance of the men of this area who are serving in the armed forces. Special sound-films will be shown depicting battle action on board aircraft carriers, training scenes, and Christian work among the service men at home and abroad.

Rev. Lloyd Young announced the service will begin at 7:30 o'clock, to be conducted by Mr. Walter Anderson of Christian Service Centers, Inc.

Society Briefs

Mrs. Stewart Montgomery is expected to arrive in Northville soon from Daytona Beach, Fla., where she spent the winter with her son, Scott, as has been her custom for some years past.

Mrs. Geo. Pickell of Eaton Drive spent Sunday with her son, Carlos Hall, and his wife, of Canton Center road.

Mr. and Mrs. Kenneth Wilcox and small daughter visited in Northville Sunday. Their home is in Dearborn.

Friends might wish to be observed at Orient Chapter, 77 O.C.E., in the local Masonic Temple, this Friday eve. A pay-dinner will be served at 8:30 o'clock.

George I. Price of Dubuque street, accompanied by Mrs. Price left Wednesday on a business trip, stopping at Cleveland, Columbus and Cincinnati, Ohio and Pittsburg and Altoona, Pa. They expect to be gone about ten days. Their daughter, Peggy Ann, will stay with her sister, Mrs. Cloyce Myers, until their return.

Mr. and Mrs. H. E. Pierce of Ann Arbor were weekend guests of Mr. and Mrs. Floyd Ellison of Rogers street.

Mr. and Mrs. Walter Lyon and the Misses Rhee and Lois Lyon of Cady street visited at the home of Mr. and Mrs. Edgal Lyon in Wyandotte, Sunday.

Mrs. Mary Wilcox returned to her home on Cady street Sunday from Texas where she spent the winter.

Mrs. T. H. Bray and son, Paul, of Linden street are visiting relatives in Leingsburg, and Gussie for a week.

A bridal shower was given last Friday eve at the home of Mrs. Jack Green on Orchard Drive for Miss Marion Delano of Garden City, bride elect of Donald L. Green.

Mrs. Earl S. Collins Jr. (Shirley Price) and daughter, Peggy Suzanne, left Tuesday for a two weeks' visit at the home of her husband's uncle and aunt at Youngstown, Ohio.

William Wesley of Adrian visited here Monday and Tuesday with his son and wife, Mr. and Mrs. Leonard Beasley of Main street.

The Grace Tremper circle meets with Mrs. L. G. Lee Thursday eve, May 10, at 8 o'clock.

Out of town guests entertained Sunday at the home of Mr. and Mrs. Leonard Beasley on Main street, included Mr. and Mrs. John Schmidt of Dundee, Mr. and Mrs. Leon Beasley of Monroe, Mr. and Mrs. Chas. Davidson and son of Detroit. From Northville were Mrs. Robert Beasley and Loretta Widmayer. In the afternoon, the entire group went to Milford for a visit with Mr. and Mrs. Clark Losey.

Mrs. Cy Joy (Edith Miller) of Detroit spent last week-end with her sister, Mrs. Phillip Anderson, of west Eight Mile road.

The home of Mrs. Claude Riley on Yerkes avenue, was the scene of a birthday dinner Sunday. Twenty members of the family from Redford, Milan and Northville gathered for a party celebrating the birthday of Mrs. Riley's son, L. D. and also of his small son, Dennis.

Miss Florence Clark of Ypsilanti was the week end guest of Janice Covell at her home on Thayer Blvd. The young ladies are roommates at Goodison dormitory on the campus of Michigan State Normal college, Ypsilanti.

Mrs. Joseph McNeil of Seven Mile Road left Tuesday to visit her son and daughter-in-law, Mr. and Mrs. Carl Gould of Baltimore, Maryland, and her daughter, Wava Joyce Morgenthauser S. I. C. Joyce will return with her mother to spend a fifteen day leave here.

Harry Lutz Norris of the Penniman Allen street residence visited the Northville home of Mrs. Cloyce Myers Sunday.

Your 1945 Garden New Vegetables Should Be Kept Ever Growing

ONE of the principal objectives of a Victory garden is to supply fresh vegetables throughout the growing season. To obtain that objective frequent successive plantings or replantings are necessary in some of the quick growing crops.

Not only will replantings provide this continuous supply, but the gardener will reap to the full the product of his land.

Just as soon as one crop has finished bearing, the plants should be pulled, the ground prepared and another crop planted.

Care too, should be taken not to plant all of one variety of crop at the same planting, but to stagger plantings so that a continuous crop may be gathered throughout the season.

Although a pattern cannot be set to fit all sections of the county because of differences in the length of the growing season, in most sections as many as three crops may be harvested on the same ground. For instance in many of the green crops like chard, which are among the earliest planted in the garden, it may be followed with lettuce, and then late in July the lettuce may be followed with Châtenay carrots.

Snap and pole beans may be followed immediately with turnips after the beans have been harvested. After harvesting the early beets, carrots and turnips, collards may be planted.

Cabbage requires a very fertile soil and heavy applications of fertilizer high in nitrogen for good yields and quality. Top dressings

of nitrate of soda or ammonium sulfate should be made at about monthly intervals after the plants have been set. In regions of mid winter where the average last spring frost occurs about April 1 to 10, Early Jersey Wakefield and Charleston Wakefield may be planted two to four weeks before the first frost free date, and may again be planted in the fall about Thanksgiving time and wintered over. Golden Acres is another good early variety. Copenhagen on Market and Glory of Enkhuzen are successively later varieties. Still later kinds are All Seasons, Early Flat Dutch and Succession. The commonest late varieties are Late Flat Dutch and Danish Ballhead.

Cabbage maggots are an early enemy of the small cabbage plants. An ingenious method of protection is to cut circular collars of tar paper, five to six inches in diameter, fit them around the small cabbage stems and lay flat on the ground. This may be done by cutting the paper with scissors to the center and then cut a small hole at the center to fit the stem.

Your 1945 Garden Soil Preparation And Fertilization Pay Dividends

AS IMPORTANT as in the construction of a house or building is the foundation of a Victory garden. And the foundation of a successful garden lies in the proper preparation of the soil.

During late winter or early spring, before the garden plot is spaded or plowed, all coarse plant remains should be removed. Remains of any badly diseased plants from a previous crop should be burned. Residues that can be worked into the soil should be spaded under.

There is a great temptation when the days get warmer to plow or spade the garden while it is still too wet in order to get an early start. This will do more harm than good. To determine if the soil is dry enough to work, squeeze a handful tightly into a ball and then break apart with the fingers. If the mass crumbles, it is safe to work, but if it clings together and cannot readily be broken up it is too wet. If the soil is worked when too wet it will become hard and cloddy for weeks or months afterwards.

If manure is not too expensive, it is the best organic matter to work into the soil, particularly if the soil is heavy or if heavy manure is available. It is best to use it in the fall or early in the spring.

Cared, properly spaced, is one of the earliest crops, may be followed by carrots, beets or other root crop.

Generally, soil should be spaded or plowed to a depth of 8 to 10 inches. The best method of spading, as generally accepted, is to spade across the garden, throwing out the first row of soil. This provides a trench into which succeeding spadefuls should be thrown, covering well all organic matter in the trench. If dry leaves are used, it is well to sprinkle them thoroughly with commercial fertilizer in the bottom of the trench. This will aid in their decay, giving them the necessary nitrogen.

The beginner is inclined to take too big a "bite" of soil at one stroke with the result that it is not broken up properly. Smaller spadefuls will aid in shattering the soil, leaving it a loose, crumbled mass.

CONSUMERS POWER CO. NAMES NEW ASSISTANT

David L. Brown, division manager of the Pontiac Division of Consumers Power Company, announces the appointment of Edward L. Karkau to be his assistant. He replaces William B. Tippy who recently accepted a position with Commonwealth and Southern Corporation, in the New York office of J. A. Brown, vice-president.

Mr. Karkau was graduated from the Michigan State College in 1920, after having served as a sergeant in the engineering corps in Russia in 1918 and 1919. He served a short time with associated power companies and in 1925 entered the Jackson office of Consumers, coming to the Pontiac Division in 1929 as Power Engineer.

He is a member of the Pontiac Rotary Club, past president of Oakland County Engineering Society, and vice-president of Oakland County Michigan State College Alumni Association.

WEIGHTY ANSWER

1st Fisherman: I caught a fish yesterday that weighed five pounds. I pulled him out of the water, but he jumped back in.

2nd Fisherman: How do you know he weighed five pounds?

1st Fisherman: He had his scales.

WHY HE DIDN'T

The warden of an insane asylum in Germany received word that Hitler was planning to visit the asylum, so he taught the patients to say "Heil, Hitler." When Hitler arrived the men were lined up and they "Heiled" Hitler. Adolph shouted, "You at the end of the line why do you not Heil?" The man at the end replied, "I am not crazy, I am the warden."

To Elect Parent-Teacher Officers

The newly proposed Northville Parent-Teacher Association will be organized and officers elected at a meeting called for Thursday, May 10, at 8 o'clock in the school library. Principal C. V. Harrison is in charge of the program for this event.

The promoters of this organization stress the fact that membership is open to all those interested in the Northville Grade and High Schools, whether parents, guardians, teachers, or friends.

A SIGHT

Aunt: And what brought you to town, Henry?

Henry: Well, just came to see the sights and I thought I would call on you first!

GARDEN VICTORY

Just as soon as one crop has finished bearing, the plants should be pulled, the ground prepared and another crop planted.

Garden soils require a large amount of proper organic matter. "Trench" method has proven satisfactory.

Generally, soil should be spaded or plowed to a depth of 8 to 10 inches. The best method of spading, as generally accepted, is to spade across the garden, throwing out the first row of soil. This provides a trench into which succeeding spadefuls should be thrown, covering well all organic matter in the trench. If dry leaves are used, it is well to sprinkle them thoroughly with commercial fertilizer in the bottom of the trench. This will aid in their decay, giving them the necessary nitrogen.

The beginner is inclined to take too big a "bite" of soil at one stroke with the result that it is not broken up properly. Smaller spadefuls will aid in shattering the soil, leaving it a loose, crumbled mass.

Are your Brakes Safe?

FORD OWNERS— MAKE THIS EASY 60-SECOND BRAKE TEST

SAFE: Two or more inches clearance between the bottom of your brake pedal and the floorboard normally indicates good brakes... which should completely stop your car within 30 feet or less when traveling at 20 miles per hour.

UNSAFE: If the clearance between the bottom of your brake pedal and the floorboard is one inch or less, your brakes are not safe... perhaps dangerous! To overcome this trouble, bring your car in for correction NOW.

LET US RESTORE YOUR BRAKE EFFICIENCY

TOP SERVICE PREFERENCE

In our shop, you get top preference on brake service. We use Genuine Ford Parts and installation is made by mechanics trained in factory-approved Ford service methods.

Michigan's sales tax, the goose that lays the golden egg, was responsible for most of the 1945 legislature's deliberations. How to spend a war-time surplus occupied a good three-fourths of the law-makers' time. If the finance committees of the senate and house could have brought in their recommendations last Jan. 13, chances are mine to one that legislators would have voted promptly to adjourn in ten days and go home.

M. J. BOELEN'S Upholsterer. 151 E. Main, Northville. PHONE 361.

That is not any criticism of a state legislature, as we see it. It is the job of the legislator to meet the changing needs of his constituents, and the truth of the matter is that the big majority of voters have shown little interest in the 1945 session and the laws enacted to date affect only a few.

Northville's Yesterdays ONE YEAR AGO. Lieut. Robert O'Conner, a former Northville boy, was killed in action over Austria, April 3, 1945. He graduated from Santa Maria High School, Northville, in 1941.

West Point Park News

By Miss L. A. Ault

Robert Puert, Shady Side Avenue, is recovering from measles. The baby son of Mrs. Virginia Puert, Shady Side Ave., has recovered from a stage of mumps.

Charles Davis, proprietor of "The County Store" on Farmington Road, is suffering from influenza and is recovering from the illness. He was seated, tripped and fell.

Mr. and Mrs. Marvin Addis, Shady Side Ave., report the arrival Saturday morning of a new grandson, Brian Teschke. The little fellow's parents are Mr. and Mrs. Jerry Teschke of Redford. Mrs. Teschke is the former Shirley Addis.

A new baby came Saturday to the home of Mr. and Mrs. Raymond Ackerson, Hubbard Avenue.

A former resident of West Point Park who now lives just outside the boundaries was seriously injured in a traffic accident about 7 o'clock Saturday morning, near Nine Mile and Farmington roads. Mrs. Carl Markham was waiting in her car for a passenger to accompany her to their employment in a Wayne war plant, when a car driven by another woman came out from Gill road and side-swiped the Markham car. Mrs. Markham was thrown to the pavement and rendered unconscious. She was rushed to Revere Hospital, Redford and at last accounts had not regained consciousness. Little hope being held out for her recovery. Mrs. Markham has a daughter, Eleanor, in school and a son in the service. Her husband is also in the service and is located at Pearl Harbor.

Mrs. Ralph Voorhes accompanied her sister, Mrs. Norrican Gettig, of Detroit, to Windsor Wednesday.

Mr. and Mrs. Russell Voorhes of Detroit were recent guests of relatives in West Point Park.

Rev. and Mrs. Axel Edwards, of Royal Oak, were callers in West Point Park Saturday.

Harold McVicar, Norfolk Ave., indulged in a successful fishing trip last week-end.

Saturday visitors in Detroit included Mrs. Russell Ault and daughters, Dolores and Shirley Ault; Freda Ault, Wanda and Dale; Elizabeth, Mrs. Austin Ault and daughters, Helen, Ruth and Phyllis; Mrs. Jack Tollman and daughter, Ina Mae; Mrs. Gordon Vance and daughter, Alice Jane.

Boy Scouts collected waste paper again Saturday.

The annual Spring Music Festival will be held at Piersen school May 24.

Mrs. Margaret Martin and Mr. and Mrs. Emerson Ault visited the Stromoskis, near Wayne Sunday and attended the confirmation exercises and dinner of Mrs. Martin's grand daughter, Barbara Anne Stromoski, and great grandson, Jean Cumary.

Mr. and Mrs. Joe Roberts attended a sister-in-law's funeral in Detroit, Friday.

Mrs. Marvin Addis and her husband, who have been her house guests for a time, have gone to California.

Mrs. Leslie Bedford, who with a daughter, Mrs. Loren Ray, has been visiting relatives in New York, has returned home.

Miss Marjorie Lee Johnson, of Clarita, is spending a few days with relatives in West Point Park.

Henry Jay Sizeland is home on leave with his family on Mayfield avenue.

Mrs. Irene Takiman, who has been on the sick list was able to return to her war plant job last week.

Rev. John Mason, who has been spending several weeks with relatives on Osamus avenue and who has spoken several times at the Neighborhood church, will speak at the Clar-

ville Methodist church Sunday evening, May 6.

Following the Thursday night service at the Neighborhood church those in attendance enjoyed a "Hyvin-Sing" hour with Mrs. Walter Dixon of Britton road, presiding at the piano. Rev. John Mason was the speaker at the service.

Rev. Axel Edwards sang some special numbers and spoke at the Neighborhood Bible School Sunday morning. He will render a vocal solo and preach a Mother's Day sermon at the church on May 6 at 11 o'clock.

"Discouragements" was the topic under discussion at the vesper meeting in the Neighborhood church. Next Sunday evening Rev. Gordon Cameron may preach a special sermon.

Relatives of Ernest Puert, now with our armies in Germany, say he has written home that he has an opportunity to visit sites of Nazi prison camps and found tales of their horrors more than ninety per cent true.

Wednesday afternoon was the time for the regular meeting of the Sunshine Sisters, held as usual in the Neighborhood church. Mrs. Austin Ault, the new president of the Livonia High P. T. A., was a guest and spoke briefly asking for co-operation from the ladies present in the work of the lately organized P. T. A. She also mentioned aims of the Red Cross, which she is interested in. The "Sunbeam" or happy thought period was unusually interesting, the contribution of Mrs. Armstrong being particularly notable.

The next Sunshine meeting will take the form of a pot-luck luncheon to be held in the Neighborhood Church at noon on Wednesday, May 9. All ladies of the neighborhood are cordially invited to attend. Each should bring her own china and silverware, as well as a dish of food. Bread, tea and coffee will be provided.

SAVE Every Chick Possible

FOLLOW THESE SIMPLE STEPS

What to do BEFORE Chicks Arrive

- Two weeks before chicks arrive—check and repair brooder stove, brooder house and other equipment.
- Clean and disinfect brooder house—scrub floor and walls with hot lye water—Use 18 oz. can to 15 gal. water.
- Move brooder house to clean ground.
- Clean and disinfect all mash hoppers and drinking fountains.
- Start brooder stove 2 days before chicks arrive. Regulate to maintain 90 to 95 degree temperature at edge of hoyer—2 inches above floor.
- Spread Clean Litter at least 2 inches deep over entire floor.

SAVE Every Chick Possible

FOLLOW THESE SIMPLE STEPS

What to do WHEN Chicks Arrive

- Makes sure temperature is right—90 to 95 degrees. Reduce about 5 degrees each succeeding week.
- Keep litter covered the first 3 days.
- Do not overcrowd—allow 14 square feet of floor space for each chick. For a 10 x 12 brooder house, 250 chicks are desirable.
- Provide at least one chick hopper 2 feet long and a 1 gallon water fountain for each 50 chicks. Eatons' chill from water for the first week.
- As soon as chicks are placed in brooder house, start to feed them small handfuls of Wayne Chick Starter in shallow pans or on egg flats, continue this a few days until baby chicks start to eat Wayne from the chick hoppers. Feed 2 lbs. of Wayne Chick Starter then change to Wayne Growing Mash.

... I'm worth more to my boss now that he's installed a SCHULTZ Electric Milk Cooler

Secure Schultz Electric Milk Coolers quickly cool my milk—and keep it cool they insure my boss, the full butter fat test I have added to hard to produce. Schultz Coolers also halt bacteria growth and make my milk more salable.

The Schultz principle is that of floating ice and top cooling without the need of a circulating pump of any kind. The coils automatically manufacture the ice on the smooth inside surface of the cabinet walls. This allows the ice to release and float on the water where it is needed. Schultz coolers effectively reduce labor costs; keep the night milk under 40°. Many users say, "I wouldn't sell my Schultz Cooler for \$1,000.00 if I couldn't get another."

Available in sizes to cool from 7 to 12 cases at one time. Buy the cooler to fit the job—not the milk boss. Can be very easily installed in the average milk house. Easy payment plan can be arranged. See us today for further facts and prices.

Let's Go All Out For the Mighty 7th War Loan

SOLDIERS

(Continued from Front Page)

given the fire a good start. The object was to destroy warehouses and installations in the dock area and we evidently did the job.

Lt. Baldwin also participated in the first incendiary raid on Tokyo, one which burned out 15 square miles of an industrial district in the Jap capital.

Incendiaries dropped from planes which hit the target area started fires we could see when we burst out of a weather front 20 miles away," he said.

Mission No. 40, Albuquerque, II, also flew a day incendiary mission against Kobe and helped damage a shipping and equipment factory.

During its 70 missions over Japan, Mission to Albuquerque II has met lighter opposition on three occasions. The plane's top gunner, (S/Sgt. Francis Elkus, Subiaco, Ark., shot down a Jap fighter plane over Tokyo and was officially credited with the probable destruction of another over Kobe.

Lt. Baldwin's wife, Mrs. Anne Hubbard Baldwin, lives at 1906 Jackson road, Albion. His mother, Mrs. R. T. Baldwin, lives at Huron Hall, also in Albion. He was graduated from high school and attended Albion college. He has received the Air Medal. He entered the service in February, 1943.

AMM. 3/c Robert McCluskie, having completed a refresher course at Wooster college, Ohio, has gone to Chapel Hill, North Carolina, where he starts post-flight training.

A letter to Northville friends from Mrs. John Nickless (Nellie Tubbs) of Freeland, states that Mr. and Mrs. Nickless' son, Richard, arrived home from the south Pacific area Sunday for a six weeks' furlough. Richard has served overseas with ground crews of the Army Air Force for about three years, first in Australia and then in the Philippines. Richard's mother and grandparents formerly lived in Northville.

Sgt. Irvin Marburger arrived home Monday on furlough. This is Irvin's first visit home in four years. The attack on Pearl Harbor prevented him getting home three years ago from training camp, as he was sent overseas at once upon the completion of his training. The assignment was last located in the Philippine Islands.

Mrs. Donald Lanning received word Tuesday that her husband, Sgt. Lanning, has been transferred from the Air Corps to the Infantry. He has been stationed in England. Sgt. Lanning has been in the Air Corps for thirty-five months.

Mr. and Mrs. M. J. Boelens of Grandview Ave. received a telegram Tuesday from their son, Erwin Albert Boelens, stating he had arrived in the States and would be home soon.

Pvt. Steve Polinc has been promoted to Pfc. he is stationed in Texas.

According to word received here, Dick Regula, son of Mr. and Mrs. Gus Regula of Detroit, is now serving with our armed forces in China. The Regulas

formerly lived on North Rogers street in this village.

Pfc. Wm. Rose Jr., son of Mr. and Mrs. Wm. Rose of Grace avenue is home on furlough from Fort Sill, Oklahoma.

Lloyd Grissom, son of Mr. and Mrs. B. E. Grissom (Edessa Daggett) of Randolph street left last week for the Merchant Marines and is now on the Great Lakes.

Will take time out to drop a few lines to you folks as I haven't forgotten you at the least. Please excuse the writing but the feather which I am using is still attached to the chicken. Sure has been warm the past few days a lot different than Europe.

Hope I'm not down here long but I guess that will be determined by some one else.

Would like very much to bump into somebody from home, maybe I'll get the chance.

Will say so long for now and hope the Records catch up to me.

(Excuse the pencil as I ran out of ink).

Warren Bogart
P. S. Must be better heat!

Sgt. Herman Toussaint of the Military Police Corps has received the Bronze Star for meritorious achievement in connection with military operations against the enemy on Leyte. Herman was inducted Dec. 3, 1941 and went to Camp Custer for his first training. Going on to camp Roberts, California. He went overseas in April, 1942 without a furlough visit back home. Serving first in Australia, he was sent to New Guinea in 1943 going to the Philippines the next year.

A recent letter written by him to his uncle and aunt, Mr. and Mrs. Leuger Brown, of North Center street, follows:

Dear Mom and Brewnie:
Well here I am at last with a few lines to let you know that everything is fine and I am in good health. Hope you are the same. We were in combat again but I am back in camp.

The weather is very hot and dusty here. Nothing like Leyte with the mud and rain. It's a lot better here but still not like home. The people are swell and very friendly. Most things are shut up quite a lot and it's sort of a wreck.

I saw Dale Gray and he had a fine time in fact I have seen him several times. He is the only one from home that I have seen. He is looking fine and healthy. I have a little new Chevy which I received the Bronze Star in the Leyte campaign and I am getting the Oak Leaf Cluster for this one. Now there is something for the paper. I'll bet you will feel proud when they read about it in the Record.

Well, now is everything back home and what is new? If all goes well I might be home in August. Boy, will that be swell! I'm going to write some more letters. It will take me weeks

to catch up on my writing. This is the first time I've had so hope you don't mind. I am sending some pictures. The gang says "hello".

Well I'll have to close now. I'll write again. Tell everyone I said hello and hope to see them soon. Bye now.

Love, Herman
P. S. Pictures were taken in Leyte after we came out of combat.

Onions Important Part of Garden

Nearly every gardener wants to grow a few onions and attempts to grow them are made nearly everywhere. Some variety of kind of green onions may be grown at some season of the year in every state, but mature dry onions fail far too commonly in home gardens because suitable varieties and procedures are not used. Onions are sensitive to weather, insects and diseases. They require a very rich soil and only varieties suited to the region should be planted. Onions planted from seed should be carefully watched for the seedlings are delicate and cannot make a good start in soil that bakes or forms a crust. Thorough and timely weeding is especially important because the seedlings cannot compete with weeds.

The commonest method of starting onions in the home garden is by sets, and under average conditions probably this is the best chance of success for green onions.

Both commercial seedsmen and public research agencies are breeding an ever-increasing number of high-quality, productive, new varieties of vegetables, many of which are resistant to one or more diseases and some of which are especially adapted to certain parts of the country. Gardeners should ask for the new kinds that have proved superior and available.

Some varieties are for early planting and some for later planting. The variety should be chosen which is recommended for planting at the particular time it is to be used.

The choice of varieties is for more important than most beginners realize. Varieties differ not only in their appearance, but what is more important, in their ability to yield in certain localities and at certain seasons.

Seed forces will always be found a rich source of information and usually reliable as to proper rotation of vegetables from one planting to another. It would be well for the gardener not only to consult with his local agent, but with anyone who has knowledge of local growing conditions.

I guess I've lost another pupil," said the professor as his glass eye rolled down the sink.

A husband said to his wife: "I read here that 'Woman without her man is a savage'."

She looked over her shoulder and said: "Now read that again."

And he read slower: "Woman without her man is a savage!"

Child's Health Need Calls for Attention

With a record number of babies, wearers in the population, and a record shortage of National Baby Week (April 29 to May 5), and of Child Health Day, falling within the week of May 1, considerable attention for the need for mothers and grandmothers and even grandfathers to volunteer to take over long or short shifts as baby tender in all parts of the country.

All training courses for mothers help stress the importance of diaper changing and give basic pointers on proper technique for bottle-feeding and baths. Here are some basic do's and don'ts suggested to help recruits to the baby tending assignment avoid mistakes that beginners often make:

Do change diapers frequently. With each change the skin in the diaper area should be carefully cleaned with special bland oil or dusted with baby powder. Or, after each diaper shift, apply a new baby lotion, containing lanolin with an antiseptic agent added for extra protection.

Do wear a gauze mask tied snugly over your nose and mouth, if you so much as suspect the beginning of a cold.

Don't ever sneeze in baby's face or let anyone else do so.

Don't ever hold the bottle so that there's air space between the milk and the nipple. That common error gives baby air instead of the food he needs. The correct angle is achieved when the bottle neck is filled with milk.

No "bubble" baby several times during the course of the feeding. Bracing his back in an upright position for a moment may be sufficient. Holding him at your shoulder and patting lightly on the back is an alternative "bubble" technique.

Don't jiggle baby when you "bubble" him; he should be kept as quiet as possible during the feeding.

Just in case mother's understanding may be short on memory, it's a good precaution to write out a schedule for bottles, naps and outings as well as a simple list of directions.
