

NEWS of HEN AND WOMEN IN UNIFORM

PICTURES WHICH APPEAR IN THIS WEEK'S RECORD

Harold Dayton, S 1/c, is the son of Mr. and Mrs. Acal Dayton of 311 Baseline Road. He was born in Northville and attended the Northville schools. Prior to enlisting in August, 1944, Harold worked at the Northville Radio Shop. S 1/c Dayton was home on a four-day leave the first of April after his second trip overseas. He has an older brother, Charles, S 1/c who is also in the Navy.

S 2/c Frank Defino is also a native son of Northville. He is the son of Mr. and Mrs. Nick Defino of 311 Yerkes street. Frank attended the Northville schools and worked at Nell Hanford's Hardware before going into service in January, 1945. S 2/c Defino is now stationed in California.

I have meant to write you before this, but just never seem to find the time. So I'll take it now and thank you for the Record. That's one thing I always look for on Mondays. I like to keep track of the girls and boys from the home town.

A couple of weeks ago I read where Marylin Beall was coming here with the Civil Service. I expect to see her as she won't be far from me.

V-E Day they had the Capitol Dome and the Washington Monument all lit up and I think that's the most beautiful thing I've seen since I been here, even next to the Cherry Blossoms.

President Roosevelt's parade was also beautiful. Not bragging or anything but we were told by many that the Marines were the best.

Has a nice letter from Freddy Walker and he seems to be getting along fine with his new leg.

I'm writing this at the office so I think I better close and get busy. Wishing all the girls and boys in service the best of luck.

Thanks again for the Record. They really surprised me when they made me Corporal. I never expected a promotion so soon as its pretty hard to make a rating here.

Corp. Marge Bell.

Before going overseas I stayed several days in California, then enjoyed myself for several more days in Hawaii. From there I went "Down Under." For awhile I was stationed in New Guinea. Among other flights, I made one to Australia. The entire crew had a good time.

Now, I'm in the Philippines flying the largest twin engine transport in the world. Our squadron is located right on the ocean shore and we have a swell bathing beach. In time we will get this place set up with a club house and all.

The first thing I did when we arrived here was to look up John Gough's old company, but he had moved out just a few days before. If I'm lucky I may get to see him because we fly straight to his area. I was really disappointed when I found him gone.

I sure have missed the Record these past two months, and since my folks moved from Northville I get no news at all, about the home town.

A. Sheppard.

I think it is about time I was writing to let you know I am receiving the Record every week and that I appreciate your sending it. I enjoy reading it very much as it is good knowing what is happening to your friends in the service and what is happening around your home town.

I expected to see all my friends this month, but I am having a little trouble with my good leg. Tomorrow, they are mouth over the early part of going to remove the shrapnel this week. Frances has served me for a while, but then after the past thirty-nine months. Her words there shouldn't be anything to prevent me from coming home.

M.M. 1/c Frances A. Clinton

Cadet Wilbur Johnston, stationed at Keesler Field, Miss., is home on a fifteen day furlough. Billy is the son of Dr. and Mrs. Wilbur Johnston of High Street.

Don Kelton arrived in town Wednesday morning for a visit with his parents, Mr. and Mrs. J. Keller of Eaton Drive. Don is a member of the Merchant Marines.

Edward Reid, Q.M. 1/c, writes that he has had the pleasure of meeting several Northville boys in recent months, in various parts of the world. Among them were Bud Murray, Bob Parmenter, 2nd, Walter Hammond, Pfc. Jim Reid, a brother, is now stationed in Germany. They are the sons of Mr. Emma Reid of Fairbank road.

The Red Cross brings U.S.O. shows and movies in the ward, also parties with nice looking girls. Then there is the movie house which shows some of the latest pictures.

It is just about time for lights out so I will bring this to a close thanking you again for sending the Record. Very Sincerely,

Fred Walker.

An Eighth Air Force Liberator Station England - Harold E. Hanson, son of Mr. and Mrs. William E. Hanson of 45475 W. Grand River, Route 1, Northville, has been promoted from corporal to sergeant. A gunner of a B-24 Liberator, Sergeant Hanson has taken part in bombing missions to Anhorn, Berlin, and other war producing centers of Germany. He is

a member of the 446th Bomb Group, which has completed more than 200 missions against enemy targets. A veteran group in the Second Air Division, it has participated in the steady bombing of the Reich. On March 24 the group joined other Eighth Air Force Liberators which dropped supplies to the First Allied Airborne Army east of the Rhine. The bombers roared over the dropping area at low altitude, dropping parachutes and bundles containing provisions, ammunition, and medical supplies. In forty days, from February 14 to March 25, the group went on thirty-five missions. Early in March the group bombed naval and military installations at the German port of Swinemunde, in cooperation with Marshal Zukov's Russian forces in the Baltic area. Sergeant Hanson entered the service April 17, 1944, and at the time was a student at the Northville High School. He received his wings at Arlington, Texas.

Boca Raton Field - Lt. Donald E. Reeme of Detroit arrived May 9 at Boca Raton Army Air Field, a technical school of the AAC Training Command, for a course in advanced communications.

He was a graduate of Northwestern High School and before being called to service was employed by London, Inc., Detroit. He is the son of Mr. and Mrs. C. T. Racine of that city. Lt. Racine's wife resides at 223 Orchard Drive, Northville.

S 1/c Norman Nickok was home on leave from Florida where he has been going to radio school. Norman left Tuesday for our tall girls for it.

Has a nice letter from Freddy Walker and he seems to be getting along fine with his new leg. I'm writing this at the office so I think I better close and get busy. Wishing all the girls and boys in service the best of luck.

The Country's First "War Loan" Advertisement

ADVERTISEMENT

May 18, 1945

WILLIS CREEK, a country road in the town of Northville, Michigan, is the scene of the first "War Loan" advertisement ever to appear in the country. The document, which is written in German, was signed by B. Franklin, a man who has been a resident of Northville for many years. It is addressed to the German government and asks for the release of three Northville boys who were captured during World War II. The document is dated May 18, 1945, and is signed by B. Franklin.

Below is a copy of the original document, with the signature of B. Franklin.

B. FRANKLIN

DEM FRANKLIN, at Lancaster, Pennsylvania, on May 6, 1945, caused to be written what is termed the country's first war loan advertisement. Franklin warned his readers against inflationary prices and the "hunger the King's Service," a lesson still good in the Mighty Seventh War Loan. The document was written in German as well as English. Superimposed on the original are the words used by Franklin. This was a loan of blank and not of dollars.

Plan Memorial Day Program

Walter H. E. Scott of Detroit Will be the Speaker of the Day. Dedicate Memorial Stone

Northville's annual Memorial Day program has been arranged by a joint Legion and Auxiliary Memorial Day committee. Services will be held in the Penniman-Alten Theatre at 11:00 a.m. Wednesday, May 30.

Following the program at the theatre, a memorial stone will be set with appropriate ceremonies at the Veterans' Memorial Hall.

From the Hall, the parade will proceed to Oakwood and to Rural Hill cemeteries as usual.

Walter H. E. Scott, president of the Detroit District Association of the American Legion and Chief Attorney Veterans Administration, will be the speaker. A full program for the day will appear in next week's Record.

Northville Boy Will Attend Camp

The Western Wayne County Conservation Association announces that they have chosen a boy from Northville to attend the Michigan Department of Conservation Training School at Higgins Lake this summer. Two boys are sent by the state, the other boy is a Plymouth lad. They will go as guests of the local community of the results which your purchase of a poppy means.

The American Legion Auxiliary Rehabilitation chairman, Mrs. Oscar Hammond, has compiled a summary of the year's work and month by month an increase is shown. The year is only half over and a tremendous burden will be collected at that time.

Tinley items of interest and value, popular trade stories about electric lighting and appliance usage.

FOUR BILLION DOLLARS Since Thomas Edison's first lamp bulb with its crude carbon filament and incandescence, the progress in "squeezing more light" from lamps has been spectacular. Langmuir's development of a process for making tungsten filaments brought triple efficiency to electric lamps. That efficiency was in turn doubled by filling the bulbs with an inert gas—making a six-fold increase over the yellowish light of Edison's first lamp. Other less spectacular improvements have also added to the efficiency of electric lamps so that today, measured in terms of money, the cost of the light used annually in the United States in our homes would be four billion dollars more if it were furnished by the old carbon lamp.

Wasting electricity wastes needlessly needed coal.

TROUT AND TOMATOES Here is a delicious point-free meal recommended by our Home Service Department:

Baked Trout with Tomato Sauce
2 lbs trout 1/2 cup sugar
2 cups tomatoes 3 tbsps butter or margarine
1 cup water 3 tbsps flour
1 slice onion 1/2 tsp salt
3 cloves 1/2 tsp pepper.

Cook tomatoes, water, onion, cloves and sugar in a saucepan 20 minutes. Melt butter, add flour and stir into the hot mixture. Add salt and pepper, cook ten minutes and strain. Clear fish, put in shallow baking pan, pour half the sauce over the fish and bake 35 minutes, basting once. Remove to hot platter, pour remaining sauce over fish and garnish with parsley.

COAL FOR NEXT WINTER The Government's program to save coal by conserving electricity has achieved worthwhile results—but we cannot relax our efforts. Every ton of coal saved now will be needed to tide us over next winter. To give you an idea of how much coal is burned in making electricity, consider this fact: The coal needed to supply just one Edison power plant for a year would fill a train 99 miles long! Save electricity wherever you can, as much as you can.

HOUSEHOLD HINTS To hide bad scratches on dark furniture having a high polish, rub the meat of a pecan nut into the scratch, then rub with furniture polish. The scratch will be hardly noticeable.

DOROY'S ANNOUNCE ALARM CLOCK CONTEST

Need an alarm clock? Then here's a story that will be a great interest to you.

Doroy Jewelry Company operating three neighborhood stores in Detroit, West Dearborn and Redford has announced that this organization is going to give away absolutely free, 50 alarm clocks in a special CONTEST.

This contest is to be held in the next four weeks.

We know that there are many war workers and other essential workers who are in need of an alarm clock. We're going to obtain just \$50 for our stores so instead of selling them we want to give them away to the most deserving people in our neighborhoods.

Everyone is eligible to enter this contest. All you have to do is to write a short letter to any of our three stores telling us why you deserve an alarm clock.

"This is not a literary contest. All we want the contestants to do is to give us the best reasons they know, why they feel they are entitled to an alarm clock."

The winners will be announced in this paper on Thursday, June 14th, 1945. The decisions of the judges will be final and all entries will remain the property of Doroy's.

NEWS AND NOTES OF COMMUNITY INTEREST

Community Affairs. Great Success BLUE STAR MOTHERS MEET. Well over 200 mothers and daughters attended the mother and daughter dinner and program given in their honor last Friday evening. A community affair, this year's party was held in the Presbyterian church house and the women of their church arranged the program and details of the dinner, which was co-operative.

Fall green tables in crystal holders and potted red geraniums decorated the long tables. The dinner was a fine one, in spite of rationing and point problems. Invocation was given by Carolyn Williams of the Methodist church.

Mrs. Geo. Weiss presided as toastmistress at the program, which followed. As president of the Woman's Union of the Host Church, Mrs. Jos. Denton welcomed the guests and Mrs. William Johnston led group singing with her daughter, Patricia, and the names Mary Jean Woodruff and Mrs. C. M. Chase gave toasts to mothers and to daughters. The pin-up duel scheduled for Gail Blackbourne and Nancy Harrison was changed because of the illness of Nancy. It was instead a grand-daughter and grandmother team, Gail and Mrs. Chas. Blackburn making a great hit. At least thirty-five of the smaller daughters took part, informally, in the story telling of Mrs. W. E. McCarthy. Mrs. Weiss presented a corsage to Mrs. Elizabeth Tait as the oldest mother present. Mrs. Tait being eighty-five years of age. Another corsage went to Mrs. Howard Ebersold (Mary Gotts), twenty-one years old, as the youngest mother. Honorable mention goes to Mrs. Jess Sutton of Fairbrook road who was present with her seven daughters. A pleasing group of dances were performed by several grade school girls. Jean Kuydke furnishing the musical background. Several xylophone solos by Miss Selma Schmitz, accompanied at the piano by Harriet Lefever brought the program to a close.

Tables were served Saturday evening, May 12, at the Palm Beach Cafeteria, Mr. and Mrs. Jim McCourt, Jerry and Cpl. Tom McCourt, Mrs. Mabelle Giant and Leo O'Brien of Detroit and Mrs. E. Genest and daughters, Betty and Patricia of Cady street, the occasion being their birthday.

The Northville Camp Fire Girls entertained their mothers at a tea Wednesday afternoon.

The Tanda group will welcome new members at any time. More can be said for now that Miss Beatrice Lucht is acting as assistant leader.

GIRL SCOUT NEWS.

Several members of the Northville Girl Scouts Asen have planned to go to Cedar Lake, near Cady, May 26 and 27, for an overnight hearing course so that they may learn about that camp. Others interested in that place of Girl Scout work may attend, first contacting Mrs. Von Soeter, president of the local organization.

Swimming for all Girl Scout troops began Monday of this week. Mrs. Frances Bray, swimming director, Mrs. Chapman and Dorothy Lee are in charge. This is a weekly activity for the Girl Scouts.

Mrs. W. F. Clark is hostess to Girl Scout Troop 1317 in their Troop Committee at dinner Thursday evening, May 10, at her home on West street. The entire meal was prepared by the Girl Scouts.

A meeting for Girl Scout leaders and assistants, troop committee men and special chairman will be held in the Methodist church house Thursday evening, May 24, at 8 o'clock. Mrs. Warren Jay of Furrington, who has been engaged as director for the Northville Day Camp which is to be held here in July, will discuss the camp work. Miss Kay Beckman, field editor, is also expected to be present.

Regular weekly meetings of troops in the Presbyterian church house are scheduled as follows:

Wednesday, 7 p.m. Troop 4; Thursday, 3:30 p.m. Brownies.

BOWLERS ENTERTAINED.

Last Tuesday evening, Father J. M. Lynch gave a dinner party at Hucks Inn, near Redford, for the members of his bowling teams. The guests were: Betty Genest, Betty Lester, Pat Lord, Julia Politis and Mary Ann Murray; all of the girls' Sodality team; also Mr. and Mrs. Harry Maycock, Mr. and Mrs. Herman Scheel, Mr. and Mrs. Alex Johnson and Mr. and Mrs. Wm. J. Duguid.

The party was in honor of the C. Y. O. men's team champions of the Northville House League for the 1944-45 season.

Mrs. L. M. Stroh visited Mrs. and Mrs. Hackenberg on Adderly Street Thursday and Friday. On

Tuesday Rev. Lucia M. Stroh assisted Rev. C. Riley at the wed-

ding ceremony of Royal Hacken-

berg and Miss Dorothy Struble.

The service was held in the Rol-

lins Friends Church, near Man-

ton Beach at 2:30 p.m. After-

the service a reception was held

for over a hundred guests at

the home of the bride's par-

ents. The happy couple were the

recipients of many beautiful

gifts. Mrs. and Mrs. Royal Hack-

enberg left for a short honey-

moon next week. They will go

to San Francisco where the

bride expects to live and Mr.

and Mrs. Knowles' children

were supper guests at the

home of Mrs. George Bures.

Mrs. Don McLean of Birmingham

visited her sister Mrs. Lawrence Phillips last week.

Mr. and Mrs. J. D. Shouland

of Detroit were Saturday callers

at the Justice Paddock home.

Have you filled in those figures yet? Well, don't put your pencil down. Take that last figure (the one that tells you the most you can have in War Bonds and in the bank at the end of a year) and divide it by 52 or 12, depending on whether you are paid weekly or monthly.

Now you know just how much you have to spend or save each pay day. Save as much of it as you can. We know you can't save all of it. But remember, you pay wartime prices for wartime goods every time you spend a dollar. And remember, too, that every \$18.75 you put in War Bonds will net you \$25 in ten years!

Poppy Day

(Continued from Front Page) the present time they are caring for 63 veterans in Maybury and Eastlawn Sanatorium. Of these are World War II; the remainder World War I.

On Armistice Day 50 patients received boxes containing socks, soap, cream, tooth paste, razor blades, cigarettes, candy, grapes, cookies and apples. The boxes were personally delivered by the committee and Legionnaires. At Christmas time the lists grew to 60 veterans, once again over 100 boxes. The boy's signature thereon was Walter Meyers, son of Mr. and Mrs. Frank Meyers of Yester.

Boxes were packed with the above mentioned items in addition to a variety not yet been reported. Playing cards, nuts and a writing kit for each. The cash value of an action kit for each averaged \$3 each. The whole village joins with nine pairs of pajamas and two sweaters were requested by the families of these two Northville servicemen in hoping for Eastlawn and furnished. Sixty boxes were also sent to Percy Jones for the nation-wide campaign for hospitalized service men and women. Each veteran is remembered on his birthday anniversary each year with a card enclosing a dollar bill. 52 have been remembered the past year. In addition to the above mentioned each veteran is remembered almost monthly with personal letters, articles and cigarettes.

The poppy fund also contributed a kit of records for service men who gave to the X-ray Fund for the Battle Creek hospital and to the Hibbard Fund. Our Gold Star Mothers are also remembered and honored on special days with cards, flowers and candy. During the Fifth War Loan Bond drive, the Auxiliary purchased \$800 maturity bonds from this fund to be used for future rehabilitation work. Since you purchased your poppy last May some \$300 has been expended.

Each year the responsibility placed upon the shoulders of the Legion and Auxiliary grows heavier and how well they measure up to it is shown by the development of the poppy program. When the people of this community are approached for the sale of a poppy, all should remember that wearing a poppy is of double significance, honoring the dead and helping the living.

War Prisoners

(Continued from Front Page) No word has yet reached Mr. and Mrs. Fred Cokendol of Cody street regarding their son, S/Sgt. Ralph who has also been a prisoner of the Germans and was personally delivered by the German communication being from whom they have heard only once. A prisoner form card with the signature thereon was sent to Percy Jones.
