

PICTURES WHICH APPEAR IN THIS WEEK'S RECORD

The three service boys' pictures which appear in this week's edition are the sons of Mr. and Mrs. Ambrose Fritz of North Center street. The eldest son, Pvt. Lawrence Fritz, was sent into the Army August 2 of this year. He is training now at Camp Fanning, Texas, but previously to his entry into service, he was employed as a tool and die maker at the Ford Rouge Plant. For the past several years, he and his wife have made their home in Plymouth.

S/Sgt. Leonard Fritz entered the service in June, 1943, and trained as an aerial gunner at Sheppard Field, Texas, and at Las Vegas, Nevada. He participated in several missions against the Japanese in the Philippines and New Guinea. Leonard holds the Air Medal and has been awarded the Unit Presidential Citation for a job well done. Previous to his entry into service, he was employed by the Coghill Twist Co. of Detroit, and he is a graduate of Northville High school. His wife and small daughter reside in New Castle, Pa. with Mrs. Fritz's parents until the Staff Sgt's return from the Southwest Pacific.

Mo.M.M. Harold Fritz enlisted in the Navy in March, 1942, taking his basic training at Great Lakes, Ill., and has since served on Leyte, Guam, Saipan, and in the Philippines. During the invasion of Saipan, the ship on which he was serving was torpedoed twice, many lives being lost, including his commanding officer. Harold wears three major battle stars, and was employed previous to his entry into service as a machinist in the Standard Drill Co. of Detroit.

S/Sgt. Jack E. Trinkaus and his wife, the former Donna Anderson of Plymouth, and two year old son Ray, are making their home in Wayne after a short visit with the family's parents, Mr. and Mrs. Earl Trinkaus of 321 S. Wing street. Jack has been in service four years, fifteen months of which were spent in Iceland. He received his discharge from Cnanutz Field, Ill., recently.

Seaman Robert Powers, Deck Dept. of the Merchant Marines, received his discharge October 6 from Newport News, Virginia. Bob had his training at Sheepshead Bay, N. Y., and in Baltimore, Maryland, after which he made trips around the States, to Italy and Africa. He is residing at his home on W. Cady with his wife, the former Wilma Kellenburg, and two children Bob and Linda Ann.

Jesse L. Bowers, AOM-3/c, husband of the former Mary Jane Deane of Wayne, recently of Northville, and son of Mrs. Jesse L. Bowers and the late Mr. Bowers, was recently discharged from the Navy separation center at Memphis, Tenn. Jesse has served in the Navy for sixteen months, and resided in Northville a number of years previous to that time.

LT. (jg) Wilford Rutsky of the Navy Air Corps arrived home unexpectedly Oct. 18 from San Diego, California on a short furlough. He reports back to Gross Isle, to await a discharge. Bill is the husband of the former Betty Buttermore of Wing street, and has been in the service three years and served nine months in the China-Pacific area.

Received the Record today, and I wish to thank you for sending it to me for the past two years. I enjoy receiving it very much, but I won't be over here very much longer, so please discontinue sending it to me. I hope my new address will be the good old U.S.A. I'll be out of Germany this month and on my way. Many thanks for the Northville Record. Henry Diem

With U. S. Armed Forces in New Caledonia: Howard J. Dixon, husband of Mrs. Esther Catherine Dixon and son of Mr. and Mrs. George Dixon who make their home in Northville, has been promoted from private first class to technician grade five while serving with the Engineer Utilities Detachment of Major General Maxwell Murray's South Pacific Base Command located on the French-owned, sub-tropical island in the Pacific chain.

Corp. Dixon attended Northville High School and later worked for the Stinson Aircraft Vultee Branch, Wayne. He entered the service in April, 1943 and received his basic training at Aberdeen Proving Ground, Maryland in Ordnance.

At the present time he is working as a demolition supervisor in vacated bivouac areas at this base. As a member of his unit he is contributing to the efficient operation of this base, and an important link in the Army supply system.

Joseph G. Sperkowski B. 2/c arrived home this week having received his discharge from N. Y. He has been in the Navy for 3 years, spending 2 1/2 of these years overseas and is the son of Mrs. Rose Sperkowski of W. Main.

Raer Field, Ind. First Lieut. Andrew G. Orphan husband of the former Faith A. Liebetreu of 223 Linden street, Northville, has been honorably discharged from the Air Forces.

he was a Troop Carrier pilot at various stations in the Continental United States.

Prior to reporting to Bie Field for separation, he was stationed at Malden Army Air Field, Malden, Mo., an installation of the 1 Troop Carrier Command.

S. 1/c Jack Schaupeter is a frequent Northville visitor, having recently arrived in the States on the battleship USS Iowa, from Tokyo Bay. Jack graduated from Northville High school in 1943 and resided on Nine Mile Road with his parents, the Hugh Schaupeters who recently moved into Detroit. Jack has a twenty-seven day leave and must report back to his ship. A friend, Lt. Don Miller whose home is in New York is spending a few days with the Schaupeter family.

According to his sister, Mrs. Herman Hartner, of Plymouth avenue, Cpl. John Norton reached the States Oct. 16 on the liner, Queen Mary. He is expected to arrive in Northville this week with his discharge papers, coming from Camp Grant, Ill.

Second Lieutenant Ray Hartner arrived in town Tuesday morning to spend a fourteen day furlough at the home of his parents, Mr. and Mrs. Herman Hartner of Main street. Ray will report at Camp Pickett, Va. at the expiration of his furlough.

Carl Stevens, who served in Italy as an M. P., came home last week from Indiantown Gap, Pa., with his honorable discharge from the Army. Carl is the son of the B. A. Stevens of Horton avenue.

Pvt. Keith Avey is home again, discharged from the Army, after a long period of service in Italy and France. He is the son of Mrs. Geo. Burns of Plymouth, and formerly lived on First street, attending the Northville schools.

T/Sgt. David Catton, son of Mrs. Theresa Catton of Griswold Road, was discharged from the Army last Thursday at Fort Sheridan, Ill. David served with the Quartermaster Corp and was in the Southwest Pacific.

Lieutenant Frances Bacon, A. N. 1, has returned to her home in Farmington on terminal leave after serving in the European Theatre for four and one-half years. Frances is a former Northville girl and attended the local school before the family's removal to Farmington.

I'm sorry that I haven't written sooner to thank you for sending me the Record. It helps a lot to be up to date on the news in the old home town.

Tight now I am stationed about 40 miles west of Frankfurt, Germany. I am still with the Second Armored Division and I have hopes of staying with them when they sail for the States in December.

We all have Wednesday and Saturday afternoons off now, so all in all we have a pretty good deal.

I'll close for now with many thanks for sending me the Record.

Very truly yours,

Cpl. Gordon R. Harris.

Staff Sgt. W. Breitmeyer arrived home last Friday evening on a nine day furlough, prior to his discharge, from the Army Air Corps.

Martin entered the Armed Forces January 5, 1942, going overseas in November of that year. Martin returned to the States about two weeks ago after spending thirty-five months in England at a Thunderbolt Fighter Base. He graduated from Northville High in 1938 and is the son of the Martin E. Breitmeyers of 500 S. Main street. Martin leaves Sunday for Fort Sheridan, Ill., where he will receive his discharge under the Army's point system.

S/Sgt. Alvin Killen, ball turret gunner and engineer on a B-17, arrived home last Friday morning with a discharge from Maxwell Field, Montgomery, Alabama. The Sergeant has been in service three years and served eight months of this time in England. He is now residing on Center street with his wife, the former Marie H. Killen. Alvin is the son of Mr. and Mrs. George Killen of Beck Road.

S/Sgt. Ralph Buttermore arrived home Wednesday, Oct. 17 for a short furlough after which he returns to Camp Sheridan, Illinois to await a discharge. Ralph has been in the service three years and spent one of these years in the European Theatre of War, where he was twice wounded.

Bob Boyden, Mus. 2/c and Mrs. Boyden (Valora Wheeler) and their small daughter are now residing in an apartment in Berkeley, Calif. Bob is stationed on Treasure Island with a Navy Band.

Capt. Robert Bray and his wife arrived in town Sunday from Great Falls, Mont., where the captain has been stationed. He is in terminal leave from the A. A. F. Going overseas in April, 1942, Bob flew the Hump, and also piloted fighter planes over China, serving to being sent back to the States in August of 1943 because of malaria. \$257,700 Is Northville Victory Loan Quota

Community Is Again Asked to Rally to Drive

C. Oscar Hammond and R. H. Amerman to Act as Co-Chairmen of Local Drive, Starts Monday, Oct. 29

Tuesday, October 23rd, chairman Oscar Hammond of the Victory War Bond sales for Northville and community received word that Northville's quota had been set at \$257,700.00. The drive officially begins October 29 and all sales through December 31 will be credited to the Northville quota. This Victory drive is being handled by the Lloyd H. Green Post of the American Legion, and Oscar Hammond and Russell Amerman are acting as co-chairmen of the local effort.

The Northville schools will join in the drive and will hold weekly bond sales starting October 31st to December 5th with every Wednesday Bond Day at the school. School authorities hope that parents will remember this and help make this the biggest bond sale of all times.

Throughout the community special groups and solicitors will come into the picture, all with the one thought in mind, to sell Victory Bonds. The slogan of the drive is "Victory, Now you can invest in it."

The Northville quota of \$257,700.00 is broken down as follows: E. Bonds \$145,000.00, other individual issues \$112,700.00.

Plan Recreation Program for Fall

Many New Class Hobbies and Sports Set Up in Fall and Winter Schedule

The fall and winter recreational program will get under way this month. The classes will have six supervisors and activities are to be conducted in the High school gym, grade school gym, manual arts shop, kindergarten, various classrooms and at the mill pond. All the classes and meetings are to operate on weekly schedules.

Mr. Miel will conduct hobby classes at 3:30 p. m., starting Oct. 29, for boys in the fourth, fifth and sixth grades. Any adult interested in a hobby class is invited to meet in the shop room at 7:30 p. m., October 29, to discuss the time most convenient to all.

Miss Burrell's supervision of girls' basketball will have its inception in the High school gym. The first meeting will be on November 1 with the High school girls meeting at 7:00 p. m. and non-school women at 8:00 p. m.

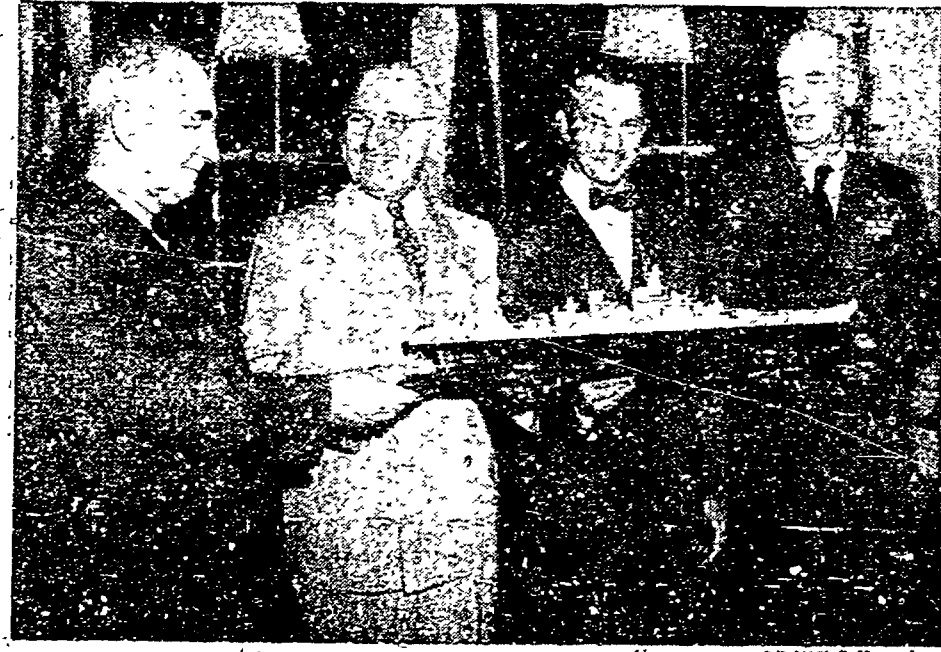

Mr. Meaker will again supervise ice skating at the mill pond later in the season.

All women interested in gym classes should meet with Mrs. Stalker in the Grade school gym Monday, October 29, at 7:30 p. m. At this meeting it will be determined to what extent this program will be carried.

Mr. Doeksen will have the recreational adult basketball for men on Tuesday, October 30, at 8:00 p. m. in the High school gym. Basketball is slated to start at 8:00 p. m. November 7 and continuing on Wednesday evenings. A Halloween dance is to be held Friday, October 26. This will be a hard time, dress up costume party sponsored by the Recreation commission. Music will be furnished by the Recreation orchestra. Intended primarily school folks, parents and friends will be welcome as visitors.

Navy Day

Acknowledging the part of its NAVY in final victory, a grateful nation celebrates Navy Day, Oct. 27. The war won't the importance of its air and seapower recognized, the "world's greatest Navy" readies itself for a vigilant peace; guns, ships, planes and men on the alert. The final story of the Navy's careful integration of its seapower and landing forces, will go down in history as an epic of military achievement. These official Navy photographs show several facets of the hard-fought struggle.

Church is Host to Fellowship Groups

Young People of Presbyterian Church Will Entertain Groups from 10 Churches

Northville Presbyterian young people are to be hosts Sunday to members of Fellowship groups from ten Presbyterian churches in District 1 of the Detroit Presbytery, of which the Northville church is a member.

Tom Gross, president, and Esther Stanford clerk, will work with Northville boys and girls in entertaining the visitors. Conference meetings will start at 4 o'clock for the teenagers and then evangelists, regard to the formation of a Fellowship group in this community. The speaker will be Robert B. Scott, one of four Traveling Fellows sent out by the church to talk to youngsters regarding vocational needs and opportunities. Mr. Scott, who has just completed his mid-year at Princeton Seminary in New Jersey, has traveled extensively, engaged in musical activities and acted as religious counselor.

Supper will be prepared by the Women's Union and served by the young folks. Devotionals and recreation will be conducted by representatives of the Yphanti Fellowship. This second portion of the meeting will open at 6:30 p. m.

Prepare to Install Organ

Work has been started on the removing of the choir loft in the Methodist church, preparatory to the installation of a new pipe organ, which was donated to that church some time ago. The loft will be enlarged in order to accommodate a larger group of choir members as well as the organ proper. Arthur Gottis is the contractor in charge.

Sunday services for the Methodist congregation may be held in the church house if conditions necessitate, but services WILL be held as usual according to the pastor, Rev. J. Leslie Williams.

Tie Score With Holly Eleven

Northville High Gridders Miss Victory Where They Fail to Make Extra Point

Last Friday, October 19, Northville and Holly fought to a 6-6 tie on the local field.

In the first quarter Northville on a sleeper play took the ball to Holly's 5 yard line, where Holly stopped their advance and took possession of the ball. In a poor pass from center, the ball was snapped out of the reach of the Holly backfield men, and Northville recovered behind the goal line to the touchdown. The home team failed to make the extra point.

In the second quarter, after working their way steadily to Northville's goal line, Holly plunged over for their lone touchdown, but failed to make the extra point.

Although the last half was scoreless, it did not lack excitement as both teams were battling hard until the final gun.

The starting line-ups:
Northville: LE-Stinson, LT-Lanning, LG-Lester, C-Farrell, RG-Remaley, RT-Wall, RE-Campbell, QB-Nitzel, BH-Snow, LH-Cole, FB-Graham.
Holly: LE-Warden, LT-Boyer, LG-Thomas, C-Livings, RG-Clark, RT-Hill, RE-Tyler, QB-Heath, LH-Gibson, RH-Boach, FB-Strigrow.

The home team was scheduled to play at Farmington yesterday and at Brighton, Nov. 2. The final game of the season will be played at Cass Banton Park at 3:30 p. m. Friday, Nov. 9, with Walled Lake.

A committee is already at work on plans and preparation for the observance of the fiftieth anniversary on Nov. 25, of the Ladies Aid Society of St. Paul's Lutheran church. Members helping with the project include Leila Rossow and Mesdames Florence Schulte, Ruth Petz, and Emma Copeland.

Local Workers Seek to Raise \$5,000 Here

Early Reports Show Lack of Interest; One-Third of Sum Raised Will Be Used in Northville

"Help, Wanted! Yes and a lot of it is needed to raise the local war chest fund of \$5000.00 in the time allotted to solicitation here," Mr. G. V. Harrison, chairman of the Northville War Chest had this to say yesterday "Early reports from solicitors would indicate that we shall have difficulty reaching our quota. Let's remember this is the last War Chest drive and let's all do our part to put it over." If any persons in the Village or Township should be missed inadvertently or are away at the time of the call, they may call Robert Coolman, phone 23, or G. V. Harrison at 442 and special arrangements will be made to take care of the donation in a proper fashion.

Of the quota assigned to Northville, \$3000.00 will go for the work of the general national organizations approved and participating in the chest, \$2000.00, or 40 percent of the amount raised in Northville, will be retained here for local youth recreational and welfare work. The local funds are administered by the Northville Coordinating Council. In the village the house to house canvass will be conducted by the War Activities Committee of the Northville Woman's Club. Ward Masters will head the canvass. (Continued on back page)

Injured in Auto Crash in Detroit

Mr. and Mrs. Pete Kovostis and Mrs. John Paulos Victims of Hit and Run Driver Monday Night

Mr. and Mrs. Pete Kovostis of S. Rogers street and Mrs. John Paulos, Thayer Blvd., were all injured when their auto was struck by a car said to have been driven by Mrs. Evelyn L. Beall of Union Lake. The crash occurred at LaSalle and LaMoine Ave. west Detroit, about 8 p. m. Monday.

Mr. Kovostis is in a critical condition at Receiving Hospital, Detroit. Mrs. Kovostis sustained a fractured skull and other injuries and Mrs. Paulos suffered a broken arm and other injuries. She died early Thursday morning in Grace Hospital. Two children riding in the car were injured but slightly.

New Leader of Orchestra Named

Robert McCluskie is the new leader of the Recreation Orchestra which played at the Northville High school dance last Friday evening. Bob will continue in that capacity unless it interferes with his work at the University of Michigan. The school dance, sponsored by the Student Council, was well attended, about two hundred of the High school set enjoying the affair. Chapter ones for the occasion include Mr. and Mrs. Merritt Meaker, Mr. and Mrs. Malcolm Oliver, and Mr. and Mrs. Joseph McCluskie. Marcia Sparling substituted at the piano in the absence of Julia Lewis.

The orchestra, composed of Bob Masters, Marilyn Goza, Dave Willis, Eugene Pardy, Bob Campbell, Julia Lewis, and George Kozma, practices each Wednesday evening in the High school under the supervision of Alfred Stresem, a well known Plymouth orchestra leader.

Exchange Club News Column

NORTHVILLE EXCHANGE CLUB MEMBERS ATTEND CONVENTION

Northville's Exchange Club found that the COMMUNITY SERVICE they have been rendering Northville was one of the topics given emphasis at the State Convention on October 3, at Lansing.

Ernie Wilsher, Les Williams, Ward Masters and Orson Archison attended the meetings.

The Exchange Clubs of the United States have always taken a very active interest in model aircraft contests and urged interest in all phases of aeronautics. The convention again emphasized the need for continued effort in this field.

Generally the convention was a huge success as reported by our delegates. It is further reported that the World Series came in for its share of attention with certain delegates occasionally confusing the issues.

The LAME BULL, a weekly bulletin of the Indianapolis Exchange Club, reports that our former member, "Dutch" Keldyke, recently of Twin Pines, has transferred his membership to the Indianapolis Exchange Club. He is listed as a Milk Jobber, working as treasurer of the Mutual Milk Company.

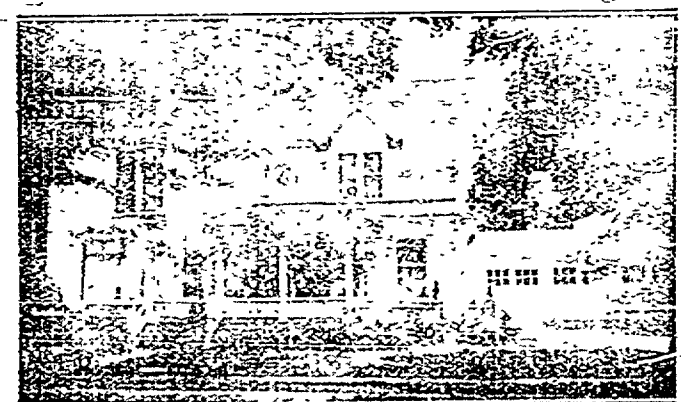

We trust that "when the first is on the pumpkin and the corn is in the shock," when the wintry gales are "whizzing" on the corners of Main and Center Streets, folks will wander over to the shelter erected by the Exchange Club with the cooperation of the Northville Driving Club and the Village Commission to regain their composure and find protection away from the elements. The shelter, while not entirely completed at this writing, is usable.

Our genial President, Merritt Meaker, turned into a first class pinch-hitter for our Community War Chest Chairman, G. V. Harrison, at the last club meeting when he made the opening announcement to the combined Rotary and Exchange Clubs of the Local War Chest Drive. Our hats are off to you, Mr. President, for a very effective presentation.

The Club joins you and others in the community with:

"WHAT WILL YOU GIVE FOR THEM? WE SHALL SHARE. WILL YOU? DISPLAY THE RED FEATHER!"

Need Agreement for Partnership

A good operating agreement is a principal mainstay of a successful ther-and-son farm partnership, according to E. B. Hill, head of the farm management department at Michigan State College.

He recommends that in drawing up an agreement, father and son prepare a list of what each expects to contribute in labor and investment. During the year, at the end of the year, each may be paid from the farm

income for what he contributes. Then after all other farm expenses are paid, the net returns can be divided on an agreeable basis. If each contributes somewhat equally of time and management, net returns might well be divided fifty-fifty.

Has New Line of Maytags

Kimbrough Electric Company, 862 W. Ann Arbor street, Plymouth Maytag Dealers have just been advised of the addition of an automatic washer, an automatic clothes dryer, both gas and electric, a gas range, and electric food locker to the Maytag line of household appliances.

These products are being added to the line of Maytag washers and ironers produced by the fifty-year old company, which manufactured and sold more than

4,000,000 washers before converting to war production in 1942. No date has been announced as to when the new products will be made available to the public, although Mr. Maytag indicated that the gas range and frozen food locker would be on the market about the first of the year. No date has been revealed when the automatic washer and driers will be ready for distribution.

How Michigan should spend its \$50,000,000 veterans' reserve fund, already \$1,000,000 richer because of accumulated interest. It is one of several issues which will confront the State Legislature in special session early in 1946.

Michigan's 679,000 veterans, of whom approximately 500,000 are still in the service, are interested chiefly in the decision.

Other legislative problems include these:

Revision of the state's \$20,000,000 building program. Rising labor and material costs have already exceeded the appropriation.

Veterans' education and housing at state educational institutions such as the University of Michigan and Michigan State College. No housing is available for veterans and their wives (plus children for some) at colleges.

Here Come the Brides—553 of 'Em

When the former luxury liner *Furline* docked at San Francisco recently, the cargo included 553 Australian war brides of American servicemen and some 200 of their children. Hundreds of other war brides are awaiting transportation from Australia as well as from England, France, and other European countries. They will all be brought here soon.

lege dormitories.

Construction of 15 harbors of refuge for small boats on the Great Lakes, a benefit to the tourist industry.

Revision of the state juvenile institute commission and possible reforms and improvements at the Boys' Vocational School, Lansing.

The veterans' multiple problems are not easy to solve. In the first place, there are five times more Michigan veterans today than 25 years ago, after World War I.

To divide \$51,000,000 equally among the 629,000 veterans—a number likely to grow larger before the sum is expended—would put less than \$80 in the hands of each veteran. The average bonus for World War I veterans was \$210, computed individually at the rate of \$15 per month of service. The federal mustering out pay varies from \$100 to \$300, well eclipsing an \$80 Michigan payment.

To equal the state bonus of the last war, the legislature would have to appropriate \$350,000,000 more for the veterans' reserve fund. This isn't likely to happen, other needs being what they are. The first state bonus cost taxpayers \$54,637,666.49, of which the veterans received \$31,395,000 and the bond owners the balance of \$22,000,000 plus.

Recommendations of how the \$51,000,000 fund might be used to benefit Michigan veterans are to be submitted to Governor Harry F. Kelly by the Office of Veterans Affairs sometime between Thanksgiving and Christmas. Col. Philip C. Pack, director, says the report will not be made public as it will be for the personal use of the governor.

At present the OVA is a service agency, created by the legislature and a model for other state governments, which is likely to continue for some years if the \$51,000,000 fund is used for veterans' service and not doled out immediately in dribbling sums.

The OVA cooperates with the

State Board of Vocational Control in operating a veterans' vocational training center at Pine Lake, north of Kalamazoo. The state pays \$15,000 annually from a state administration board appropriation of \$1,000,000 and the vocational board chips in \$118,000 a year from its federal aid kitty.

Another veteran service is likely to be a neurosis center operated by the University of Michigan, Ann Arbor.

Michigan veterans are returning home at the rate now of 30,000 a month. The 1946 peak will come in June when 50,000 are due back. At least 350,000 veterans will be back home in Michigan by next summer—a fact politicians are already weighing.

The Kelly administration, faced with the possibility of labor unrest and widespread unemployment one year from today, is going to give careful and thoughtful consideration to all veterans' needs. Governor Kelly, a disabled veteran of World War I, has a personal interest in this field that transcends political ambitions.

Lieutenant Governor Vernon J. Brown has personal interests also in war veterans. Two sons

served in World War I; five grandchildren—four boys and one girl—are serving in World War II.

Moving the Michigan State Fair from Detroit to an upstate city has been proposed by livestock breed associations and farm leaders, but the idea is already being snaggled on opposition from friends of county fairs. The ace objector is the Ionia Free Fair at Ionia. Lansing boosters have been reminded that the fair was established permanently at the state capital city in 1869, but after running in the red for several years it was returned to Detroit.

Echoes of the labor movement to get 30 per cent more pay.

Directors of the Michigan State Fair bureau declare farm prices must be boosted 30 per cent; if organized labor gets a similar boost in pay.

Quoting the bureau statement: "Some wage adjustments undoubtedly are called for, but a general increase will surely force generally higher commodity prices and a degree of inflation that might become disastrous."

White House analysts insist that overtime elimination has cut manufacturing costs 5.5 per cent on the average, while an end of upgrading and fringe increases has cut costs another 4.5 per cent. Thus 11 per cent wage increase could be absorbed by most industries without need for price increase, they say.

However, a 30 per cent pay jump would lead the analysts add, to a 22 per cent rise in war material prices, and a 12.4 per cent rise in finished-goods prices. Thus, an inflation spiral resulting in higher prices for everyone. "Ramsin Peck, executive director of the Retail Gasoline Dealers' Association, has notified the OPA that if the government grants a relief to distributors in wholesale prices, the local dealers should have a similar boost in retail prices. The dealers cannot operate if the margin is reduced further in any way," cautioned Peck.

This is the plan that we began in 1940

By 1940, Michigan Bell's rural expansion and improvement program had been under way for a number of years. That year we incorporated into it a plan worked out in cooperation with the Michigan Rural Communications Committee, a group of agricultural leaders. This plan called for a liberal amount of free line construction, and small monthly payments in cases where any construction charges were involved. Its purpose was to bring telephones to more farm families, and a good start was made in that direction.

This is the war that delayed the plan that we began in 1940

For nearly four years, our fighting forces took almost all of the nation's telephone manufacturing output. Nevertheless, we installed all war-essential rural telephones. Today there are more farm telephones in Michigan than ever before. But line construction and switchboard expansion have not been able to keep pace with the increased demand for service. Now that the war is over, there is an enormous amount of work to be done.

This is when we expect to resume the plan that we began in 1940

Just as soon as trained manpower, materials and manufacturing facilities are available in sufficient quantities, we will push forward our \$13,500,000 5-year rural expansion and improvement program. We have important new devices and construction methods which will make telephone service available to more rural folks. We intend to construct more lines so there will be fewer parties per line. We plan to bring dial service to more farm families. We are studying special features to make telephone service more valuable. These are but a few of many ways Michigan Bell expects to give better service to more rural people.

Lieut. Frank Eaton Writes Parents from Philippines

The following are excerpts from letters written on October 2, at Manila and October 7, at Subic Bay, Luzon, by Lt. (j.g.) Frank Eaton to his parents, Mr. and Mrs. Lee Eaton, of Eaton Drive.

"Note that heading pliz! Golly am I glad to get here. I was so afraid we might leave the P. I. without the visit to this city. The Pearl, the Paris -- of the Orient. Well, at least that's what they called it before the war. The place is so beat up, or down I should say, that after walking a while the ruins become routine. It is boom time though, and except for very few beggars most everyone is in the inflated merchandizing business. Black mar-

West Point Park News

By Miss L. A. Ault

Mr. and Mrs. Jack Tallman, Mayfield avenue, enjoyed a hunting trip in Northern Michigan the first of the week.

Mrs. Mary Weigle, of Detroit called on friends in West Point Park this last week.

Mrs. Jack Oman and little daughter, Ruth Anne, who reside near Toledo spent a few days last week with Mrs. Oman's parents, Mr. and Mrs. Austin Ault.

While their home is being made ready for the arrival home of their husband and father, Mrs. Jack Sherman and children are guests of Jack's parents. Mr. and Mrs. William Sherman.

Miss Edith Braultigan, who spent her vacation with relatives in this vicinity, has returned to Canton, O.

The youngest daughter of the Posners, Farmington Road, seems to be improving after her long illness.

Charles Davis, proprietor of The Country Store, was on the sick list several days this last week.

Mrs. Louis Graham was a visitor over in Northville, Friday afternoon.

Mrs. Ruby Bonar, Seven Mile Road, entertained several ladies at a card party Thursday evening.

Halloween pranks are already in full swing in the Seven Mile section and are causing great annoyance.

A large grass fire near the Middlewood property on Farmington Road caused considerable excitement Wednesday afternoon but the blaze was extinguished before much damage was done.

A fox, strayed from its usual haunts, has been discovered hunting around Hubbard, near Eight Mile. Raymond Ackerson had a number of fine fowl killed by the animal.

Edward Stange, Jr., who has been confined to his home ill with asthma for two weeks is somewhat improved. Harold Meyer, Jr., was also on the sick list a few days this last week.

Mrs. M. E. Ault visited in Detroit Tuesday.

Mrs. Austin Ault spent the week-end with relatives in Toledo.

Mrs. Emerson Ault accompanied her daughter, Mrs. Edwin L. Johnson, on a visit to Mr. and Mrs. Lee Woods near the Treadwell School, Thursday.

Mrs. Margaret Martin went in to Detroit Sunday to spend a few days with her son, Carl Berlioz, and his family.

Leonard Broquet, from near Northville, visited his father, F. Broquet Sunday afternoon.

Pete Eggsburger, formerly of Mayfield avenue, now residing in the Twelve Mile section, was a visitor in West Point Park one day this last week.

The Grands of Hubbard Avenue spent Sunday visiting friends in northern Michigan.

Romer Middlewood, who has been with the Armed Forces in Europe for many months, is arriving home for a fifteen day furlough, after which it is expected he will be sent to the officers office here to take his only third or fourth hand that all ships in our category (I'll not explain the meaning of category here--it's secret) will go back to the States by way of Suez Canal. Thrilling huh? to go around the world. Of course I think he may be spoofing us since he goes in to elaborate spoofs, but the thought makes for so much speculation and things to write about as you can plainly see.

Obviously also, I haven't had any mail since last, but hope for some in Manila this week. I feel far behind you all.

Love, Frank.

RED CROSS HOME NURSING

ARE YOU AS SMART AS YOUR BABY?

WHEN YOUR BABY CRIES do you fly into a panic, wring your hands and wonder, "Oh dear, what can the matter be?" Try giving him a bottle of water if he cries between feeding times. He might only be thirsty. Or loosen his clothing so that he can move freely. Your baby's cries are not always a sign of serious trouble. He just wants to tell you that he needs attention.

WHEN JACK REFUSES HIS CARROTS do you angrily force him to eat them or threaten, "I'll take you to the doctor, unless you do?" A wise mother would substitute another food of equal value or gradually teach him to like carrots by feeding them to him in small amounts. Young children have taste likes and dislikes just as adults do. And never instill fear of the doctor in a child's mind with threats.

RED CROSS HOME NURSING teaches you how to care for yourself before the baby is born and how to care for him during the pre-school years. You also learn what precautions will prevent illness in your family and how to be of assistance to your doctor when illness does occur.

If there is no home nursing course offered at present in your community, ask your Red Cross chapter how you may help organize one.

News from Novi

By Mrs. Luther Rix

Mrs. and Mrs. Rex Boner and two sons and Mrs. Alice Harrison of Rochester were Sunday guests at the Charles Perry home.

Don't forget the Halloween masquerade party at the school house this Friday, evening.

Mrs. Jack Barry has been ill for the past week.

John Richardson, recently discharged from the Army, will be the new proprietor of a general store and gift shop in the Belle Walter store on Grand River. He expects to open for business in about a week.

Nearly 30 young people attended the young people's Sunday School Class party at the O'Leary home last Saturday, evening.

After a well planned hay ride they had a waffle bake and played games.

Mrs. and Mrs. Luther Rix and the latter's parents, Mr. and Mrs. Geo. Tobias of Williamston, spent the week-end at the Rix cottage near Macosta.

The Mothers' Club appreciates the work done by Mrs. Frances Jennings in planning the fine program for the reception last Wednesday evening — the assistance of Mrs. David O'Leary at the piano and the efforts of all who helped to make the evening a success. The committee was headed by Mrs. Louis Larson, assisted by Mrs. Anthony Olvich, Mrs. Fred Loyne, Mrs. John Klaseker, Mrs. J. D. Mitchell, Mrs. Bayne Pratt, Mrs. Joe Cook and Mrs. Vincent Hayes.

Saturday afternoon 18 boys and girls helped Dale Cook celebrate his eighth birthday with a party at his home on 12 Mile Road.

Mrs. Kenneth Cook and Mrs. Joe White had luncheon with Mrs. Max Porter in Dearborn on Monday.

About 30 ladies were present at the W. S. C. S. meeting last Wednesday. Plans were completed for the annual bazaar and luncheon to be held at the church November 7. Doors will be open at 11 o'clock and luncheon served at 12 o'clock. Mrs. John Klaseker will act as chairman. Other committee are as follows: Mrs. Louis Larson, advertising; Mrs. Chas. Perry and Mrs. Ruben Ward, country store; Mrs. Frank Watzka and Mrs. J. McLucas, aprons; Mrs. A. McCollum and Mrs. Frank Clark, baked goods; Mrs. Ellen Porter and Mrs. Joe White, white elephant; Mrs. Frances Jennings, pop-corn surprise packages and candy; Mrs. Bob Davis, Mrs. Linder, Mrs. Harry Drayton and Mrs. James Erwin, needle work and novelty table; Mrs. J. D. Mitchell, Mrs. Arthur Kruger and Mrs. Ruth Clemens, luncheon committee. On November 6 from 2 to 4 p. m. the church will be open to receive donations.

Raymond Walters, coxswain of the U. S. Navy, came home last Friday evening on a 30 day leave after which, he expects to be stationed in Detroit.

Mrs. Clare Lockwood and Mr. and Mrs. Raymond Walters and daughter, Sharon, spent Monday in Battle Creek.

Geo. Hunt, who has been in the Harper Hospital for over three weeks, is reported to be feeling much better this week.

About thirty young people were present at the Novi Youth Center Tuesday evening. Next Tuesday evening they are planning a Halloween party at the Bobolink Golf Club.

Orr-Hunter Vows Pledged in Double Ring Ceremony

The First Presbyterian Church was the scene Saturday evening of the marriage of Dorothy Mar-

garet Orr to George Taylor Hunter, Lieutenant, Army Air Corps. The double ring ceremony was read by Rev. J. Leslie French. Baskets of chrysanthemums, lighted tapers, and fall leaves flanked the altar, and Bob Harrington, "At Dawning," and "The Lord's Prayer" Mrs. G. V. Harrison presided at the organ.

The bride, who was given in marriage by her father, James Orr, wore a gown of white slipper satin fashioned with long sleeves. Her finger-tip veil was caught to her head with a coronet of white satin and she carried a bouquet of white roses and gardenias.

The bride's matron of honor was her sister, Mrs. William Kelly, and the bridesmaids were Mrs. Robert Hunter and Ella Orr. All wore gowns fashioned alike, with taffeta bodices and net skirts. The matron of honor was aquamarine and the bridesmaids, yellow. All wore brim-caps which matched their gowns and carried Colonial bouquets of

baby chrysanthemums in autumn shades.

Lt. Hunter's best man was his brother, Robert Hunter, and the ushers were Robert Orr, brother of the bride, and William Kelly.

For her daughter's wedding, Mrs. Orr chose a dusty-rose formal gown. Mrs. Hunter wore a blue satin gown, and both mothers had corsages of gardenias.

A reception was held immediately following the ceremony in the church parlors for one hundred and fifty guests. Thelma Trapp presided at the punch table.

Lt. and Mrs. Hunter left later for a week's wedding trip, to Canada traveling by train. For going away, Mrs. Hunter chose a pink wool flannel suit with black accessories. The young couple plan to make their home in Las Vegas, Nev., where Lt. Hunter is stationed with the Army Air Corps.

Both young people are graduates of Northville High school, Dorothy graduating in 1943, and George in 1942. Dorothy had been employed as an assistant in a doctor's office in Detroit, and George has been in service for the past few years. Dorothy is the daughter of Mr. and Mrs. James Orr of Seven Mile Road, and George is the son of Mrs. Lyla Hunter of South Wing St.

Woman's Club Has Interesting Program

Members of the Northville Woman's Club who met at the library last Friday for the regular meeting heard a splendid program. Miss Margaret Ayers, Red Cross recreation worker, old of her varied experiences in the year and a half in which she was stationed at an Air-Base in England. Miss Ayers is quite well known in the village, having visited the Production department some time ago, from headquarters in Detroit.

An excellent review of the book "Green Dolphin Street," by Elizabeth Gaudy was presented by a club member, Mrs. G. V. Chabul. This was originally scheduled for the first meeting in November but was set up on account of the inability of the guest speaker, Mrs. E. H. Staley to appear on October 19.

Hold Fifth Annual University Dinner

Sixty-three members and guests attended the fifth annual University of Michigan Club dinner which was held October 19 at the Methodist Church house.

T. Hauley Tapping, alumni representative of the University, gave a brief talk on Alumni affairs. Dean Eric Walter gave the principal talk of the evening and a quartet composed of Rev. Leslie Williams, Russell Amerman, Leslie Lee, and Carl Bryan sang several numbers.

Guests of honor were three Northville scholarship students, Marilyn Kecke, Edwina Dickerson and Rose Marie Young together with several other scholarship students of former years.

Gathering Honors Robert Beasley

On Sunday a family gathering was held at the home of Mr. and Mrs. Clark Olney at Milford in honor of Pfc. Robert Beasley, who was home on a 30-day furlough, and his wife (formerly Russell's Draw.) Robert returned on the Liberty boat which was scheduled for the South Pacific but which was turned about and headed for Boston. Guests present on this occasion were Mr. and Mrs. Leon Beasley and their son, Eric Roy, recently returned from France and Mr. and Mrs. David Zeff, all of Monroe; Sgt. and Mrs. Russell Beasley and Mr. and Mrs. Wayne Beasley of Wayne and Mr. and Mrs. Leonard Beasley of Northville.

Shirley Weis of Monroe was the week-end guest of Eleanor Breitmeyer of West Seven Mile Road. The girls are college classmates at the University of Michigan.

To the People of this Community

Thanksgiving is in the air. The spirit of the Good Provider bugs you warmly. What better time or reason to buy another extra Victory Bond, the good provider of the future? As you sit around the festive table this year, first year of world peace since 1933, remember

the millions of men and women still in uniform in strange lands. In Germany about 2,000,000 Americans will be separated on this family holiday from fathers, mothers, brothers, sisters, wives, sweethearts and children. Every extra Victory Bond is a link between home and the Tokyo or Berlin parcel.

There's self-interest in your purchase of any extra bond today but there's service to your country too. You have most to gain by ownership of as many Victory Bonds as you can possibly buy. You guarantee yourself a better chance for personal peace and prosperity. You also help your government to pay the war costs and return home of men and women who will be badly missed Thanksgiving Day in your own home and your neighbor's home.

O. E. S. No. 77 Elects Officers

Following the regular business session, the annual meeting and election of officers for Orient Chapter, 77, O.E.S. occurred last Friday evening in the Masonic Temple. Besides the annual reports, officers and members told of the Grand Chapter meetings which were held recently in Grand Rapids. One item of interest to the general public is the fact that Michigan Eastern Star chapters turned in \$42,000 to the fund for plastic hands for disabled war veterans, at Grand Chapter.

An impressive candlelight service was also presented Friday evening by several of Orient chapter's past matrons, honoring two members who have passed away during the past year, Mrs. Minnie Parker and Wallace Matheson.

Following are the newly elected officers for Orient chapter who will be installed in a public ceremony Friday evening, November 9, in the local Temple: worthy matron, Mrs. Eva Gray; worthy patron, John Litsenberger; associate matron, Mrs. Edna Mollen; associate patron, E. C. Mollen; conductress, Mrs. Angela Hanna; associate conductress, Mrs. Doris Atwood; secretary, Mrs. Marenna Hay; treasurer, Mrs. Ida B. Cooke; alternates to Grand Chapter, E. C. Mollen, Mrs. Angela Hanna and Mrs. Doris Atwood; alternates to Wayne County association, Mrs. Sarah Miller, Mrs. Iris Litsenberger, Mrs. Marenna Hay and Mrs. Betty DeKay. Appointive officers will be listed in a later issue of the Record.

Girl Scout News

The committee for Girl Scout Troop No. 3 met Tuesday eve at the home of Mrs. G. V. Harrison on Dunlap street, to discuss plans for the future program for this troop.

Mr. and Mrs. H. A. Boyden and Capt. Wayne Forester and Mrs. Forester spent last week-end at the Burdick Hotel in Kalamazoo as guests of the former's father, Frank L. Boyden.

Younger Set Leaves for College

Many of Northville's college set who are enrolled in the University of Michigan are leaving the latter part of this week to take up their classes which begin November 1 at Ann Arbor.

Geraldine Wolfe, Rose Marie Young, and Joanne Kitchen, all freshmen, left Tuesday for the University for a week of orientation to the campus before classes begin. Carol Jean Revitzer and Eleanor Breitmeyer will be sophomores this fall, and juniors will include Walter Sterner, Phyllis Knight, Joyce Matthews, and Robert McCluskie, the latter taking up his college training after recently being discharged from the Navy. Beginning their last year at the University are Leila Rossow, Dorothy Jane Connor, Shirley Musolf, and Bonnie Rinck.

Library Club Has Initiation

The Library Club initiation was held Tuesday, October 9. Girls were seen in costumes of the 1870's; no make-up was permitted, and horned rimmed glasses were required. Boys wore overalls, short jackets, and bowties. A party for the new initiates will be held in the very near future.

A committee has been chosen to draw up a constitution outlining the purposes, rules, and regulations of the organization. Upon the suggestion of Miss Palmer, sponsor of the group, the seventh and eighth grades are receiving training in the use of the library from their respective teachers.

Linwood Miller or (Dubby, as he is better known,) was host to a dozen small boy friends on Thursday evening of last week at the home of his parents, Mr. and Mrs. Don Miller, of First street. A bonfire in which wetters were roasted and other goodies to eat, together with outdoor games, proved a fine celebration of the host's twelfth birthday.

Delegates Attend Romeo Meeting

As the High School Home Ec. Club is joining the P. H. A. "Future Homemakers of America," Miss Betty Garlick, Wanda Croll, Betty Heintz and Yvonne Van Heilemont attended a regional meeting in Romeo Saturday. Delegates from 15 schools met to discuss plans for the coming year. Miss Layman, senior at Michigan State college, spoke on "Opportunities in Home Economics." This speech together with the other discussions proved to be very helpful as well as interesting to the local club members.

Society Briefs

Mrs. Carroll Bassett and two children of Adrian were weekend visitors of Mrs. T. E. Murdoch and Mrs. Helen Tashita of west Main street.

Marjorie Gibson of W. Six Mile acted as maid of honor at the wedding of her college roommate, Ruth Evink of Otego, to Lloyd Brown of Adrian last Sunday. The wedding took place in the Methodist Church at Adrian.

Mrs. Mary Horsfall celebrated her ninety-seventh birthday last Saturday at the home of her son, William, on Horton avenue. About 75 friends called during the day and evening and light refreshments were served. Friends who assisted at the informal reception were: Mrs. Phoebe Biery, Mrs. Wm. Lemon, Mrs. J. J. Horsfall, Mrs. Owen Horsfall and Mrs. Carl Horsfall of Northville and Mrs. John Hancock of Plymouth.

Mrs. Walter Wacker of Hill street entertained the Altar Society of Our Lady of Victory Parish Wednesday afternoon at a dessert luncheon. She was assisted by Mrs. Harry Delameter. A business meeting was held during which the ladies had the opportunity of meeting their new pastor, Rev. Lorenzo E. Woods.

Mr. and Mrs. L. C. Stewart are spending a few days' vacation in Chicago in celebration of their twenty-fifth wedding anniversary. Harry Porter, a former em-

ployee, who was recently discharged from the Navy as Ph. M. 2/c, is substituting in Stewart's Drug store during Mr. Stewart's absence.

Mrs. Jos. Denton, president, Mrs. Don Miller, vice president, and Mrs. J. K. Nelson and Mrs. Cass Bolton of the local chapter plan to attend the department convention of Michigan Blue Star Mothers to be held in Port Huron next Monday, Tuesday and Wednesday. The party will be guests in the home of Mrs. Bolton's sister, who resides in that city.

Mrs. Bessie Brooks West of Manhattan, Kansas and her daughter-in-law, Mrs. Major West and two children of Berkeley, Calif., have been recent visitors at the home of Mr. and Mrs. Wesley Dawson (Margaret West)

in Ypsilanti. Mrs. West, Sr. and Mrs. Dawson were Northville residents some years ago. The former, who is head of the Home Economic department of Kansas State college, has been attending meetings in connection with her work in Lexington, Ky., and Chicago, Ill., from which place she flew to this area on Monday. The party left by motor yesterday for the west. The visitors are cousins of H. A. Boyden of First street, who with his family, spent Tuesday evening at the Dawson home.

Local Presbyterians are waging a campaign in the community to raise \$2,000 of the \$200,000 total which will be raised in the Detroit Presbytery for benefit of the Home for the Aged on Six Mile Road.

Mrs. L. M. Coo of Cady street has been clerking in the Brader store recently.

The fact that Navy Day has been set for Saturday, October 27, will interest many Northville folks who have boys in that branch of service.

Roger Miller of First street left this week for California, where he plans to visit his brother, Pfc. Jerry, who is stationed at Camp Lewis, Wash. as well as other friends who are located in that state. Roger was recently discharged from the Army, having served overseas as a Paratrooper for many months.

Dr. Harry March, Dentist, Walled Lake, has just returned from San Francisco, California, after visiting his son, Ensign William J. March, U.S.N.R., who has again returned to the Pacific for further duty. Dr. March wishes to announce to his many patients that he will resume duties in his office on Monday, October 29, and will be glad to co-operate with his patients for appointments. Walled Lake telephone 69, home telephone Lake Orion-3381.

The Waltham League of St. Paul's Lutheran church will sponsor a card and bunco party in the school hall Friday eve, November 2, at 8 o'clock. Door prizes and refreshments will be offered to all who attend. The public is invited. Mrs. Alex Samslow and Mrs. Norman Witt are in charge of the benefit.

Mr. and Mrs. Elton Knapp (Dorothy Flaherty) of Toledo, Ohio, announce the birth of a son, Dennis Elton, October 16, at Sessions Hospital.

Cards have been received from Los Angeles, California by local friends of Mr. and Mrs. Geo. Simonson and Mr. and Mrs. Jas. Egan who are on a tour of the fruit states. In Monterey they met by accident, Mrs. Simonson's nephew, James Hogle, who has been studying the Japanese language at the U of M; he is a graduate engineer and is on his way to serve with our forces in Japan. The local party has travelled across Illinois, Iowa, S. Dakota, Wyoming, Idaho, Montana, Washington, Oregon and finally, California.

RED CROSS HOME NURSING

ARE YOU A SICK ROOM SISSY?

FRIGHTENED FRANCES—When John has a sudden attack of malaria just after his return from the Pacific, she cries and moans, "Oh if I just knew what to do." She frantically wraps ice in a towel and puts it on his head because he has a fever. Then she wraps him in a blanket because he's cold. All is confusion when the doctor arrives, and John's attack is prolonged.

PRACTICAL NURSING—She immediately puts John to bed and keeps him warm by tucking hot water bottles around his legs and body. She gives him a dose of the medicine he brought home from the army hospital, and then calls the doctor, describing John's symptoms accurately. She's a help to her husband and doctor.

YOUR VETERAN NEEDS YOUR CARE—Red Cross Home Nursing teaches you what to do in emergency illness, how to give hot compresses to ease the ache of an old strapshot wound. Under the guidance of a professional nurse you learn, among other things, how to take temperatures, bathe a bed patient, and follow the doctor's orders.

If there is no home nursing course offered at present in your community, ask your Red Cross chapter how you may help organize one.

COUNTY AGENT NEWS NOTES

By E. I. RESEMER
There seems to be an outbreak of fowl pox in the county from the number of calls that have come to the agent's office. According to the 1942 Yearbook of Agriculture: "There is no known cure for fowl pox, and if an outbreak is severe or has been prolonged, it is best to slaughter affected birds. As soon as the disease appears the affected and the healthy birds should be separated, and strict sanitary measures, including disinfection of quarters from which diseased birds are removed, should be put into effect."
If the outbreak is light and of recent origin, vaccination of the healthy birds may be recommended.

...to after removal of the affected ones. After the disease has been present for several weeks or months, however, vaccination is of doubtful value."
Test Soybeans for Moisture
Chances that moisture content of soybeans harvested in Michigan this fall will run fairly high prompts E. I. Resemer, county agricultural agent, to caution farmers to use special measures to prevent spoilage in storage. This is particularly true of frost-damaged beans.
He says it is especially important this year to have moisture analyses made. If the beans contain more than 14 per cent moisture, they are too wet for safe storage. Even though the grain is rattling in the pods, the beans still may contain too much moisture.
Spoilage is not so likely to take place during cold weather, but when the weather turns warm in the spring trouble begins.
The farm crops department at Michigan State College recommends several steps to prevent spoilage of beans having more than 14 per cent moisture:
1. Run the grain through the combine if necessary to remove such foreign material as unthreshed pods, seeds, and dirt.
2. Spread the grain 4 to 5 inches deep on a clean floor. Turn frequently to prevent heat damage and molding.
3. Do not put the grain in bins until moisture is 14 per cent or less.
Soybeans of unmarketable quality may be used for livestock feed, substituted for part of the protein concentrate needed.
As a shortage of good soybean seed generally develops after wet fall farmers may find it wise to make certain of their spring seed supply now.

Local Boy at Tractor School
Charles Foss, Jr., was Wayne County's representative to the 4-H farm tractor leader training school held recently at Michigan State College, East Lansing.
Sponsored by the Standard Oil Company, it is the second year for 4-H tractor schools in Michigan. Similar in plan to that of 1944, four leader training schools being held in various parts of the state will provide schooling for one 4-H leader from each county. This leader will return to his home county to assist in setting up a tractor club project.
Last year 1,081 Michigan 4-H members in 51 counties were enrolled in tractor projects.
Efficient operation, maintenance, repair and handling of the tractor as well as tractor safety, are studied at the tractor schools for leaders and in the project classes.
Wife: "That boy of ours gets more like you every day."
Husband (smiling): "What's he been up to now?"

Emotional Let Down, Dizziness and Headaches Beset Great Day of Peace

The Michigan merry-go-round continues to whirl at an ever-increasingly dizzy pace.
It's the promised post-war world that has become suddenly a period of emotional letdown after years of war excitement and an income letdown after years of push, inflated paychecks financed chiefly by piling blindly more and more billions upon the public's debt.
From the atomic bomb down to matters of lesser import, public confusion reigns supreme. Washington leadership is anything but positive; in fact, woefully wobbly. Labor and management have their respective viewpoints. Class hatreds are being revived now that the war is over and the pressure for victory has come abruptly to an end.
Headlines of the metropolitan journals vary between a revolting war murder and new labor strikes. It's a great day of peace!

Employees of Consumers Power company go on a strike, rejecting a compromise offer of a mediator; all because the proposed pay increase fell short two cents of the union's demand.
A mediator proposed settlement of 13 cents an hour; the company agreed, the union held out for 15 cents. Hence, the threat of an industrial tie-up and widespread hardships like a pistol at your head, just to get two cents more an hour.
Are nerves on edge? Something is obviously wrong somewhere. We'll be charitable and blame it on the jitter.
Michigan has been banking heavily on the automobile industry to lead the way back to prosperity.
Our banks are loaded with money. Deposit boxes are jammed with war bonds. Everyone is anxious to buy this and that as soon as possible. The stage is set for a genuine period of good time for everyone who really wants to work.
Then comes the UAW demand for 52 hours pay for 40 hours work, or the equivalent of a 30 per cent increase in the workers' income computed at overtime for 48 hours war work. Now the UAW doesn't expect to get 30 per cent, but that's their bargaining bid.
If you don't give us 30 per cent, we'll call a strike vote," is the ultimatum.
And so strikes are coming.
Well, where does the Michigan farmer enter this picture? That's what a lot of growers would like to know. They are being advised on reliable authority to expect a decline in the price of their farm products in the post-war world, although temporary new highs may be attained during an interim.
History reminds us that farm commodity prices, following the November 11 armistice of 1918, sagged slightly and then went up to a peak in the early summer of 1920. Then prices crashed.
Post-war inflation then was of short duration. Many farmers paid dearly for speculation in land. The same logic applies today, regardless of hopes for potential Washington price controls and whatnot. The government is now committed to maintain farm commodity prices at 85-90 per cent of parity until December 31, 1947.
Farm experts advise that low cost, efficient producers will continue to make money in the post-war world. But they can expect LESS income, not more.
If such is the case, is it not

CONSERVATION NEWS NOTES

Uncle Sam declares now many migratory game birds can be brought back from Canada by Michigan hunters who cross the border to enjoy their sport.

The conservation department announces that federal law supersedes Michigan regulations which ordinarily allow hunters to bring home as many birds as may be shot legally in the out-state places they visit.

Federal regulations provide that not more than the following numbers of migratory birds may be imported into Michigan from Canada by any one person in any one calendar week:

Twenty ducks, including not more than one wood duck, eight woodcock, eight blue and snow geese except Ross geese (single or in the aggregate), plus four of some other kind or kinds, including brant; 25 coot; 25 sora; 15 rails; and gallinules except sora and coot (in the aggregate of all kinds); 25 doves (10 each of mourning or turtle, and white-winged doves); 10 band-tailed

pigeons. There is no limit on American and red-breasted mergansers.

A nine per cent increase in license revenues through September, as compared with the first nine months of 1944 is reported by the conservation department.

Total revenues for the 1945 period were \$756,735 as compared with the \$694,103 collected last year.

A 4.3 per cent increase in sales of resident fishing licenses is reported.

Seals and licenses issued to bow and arrow hunters were unsuccessful in getting bucks during the season ending Nov. 5 are proof positive that they are entitled to hunt during the gun season Nov. 15-30.

The conservation department issues gun licenses immediately for the regular deer season on presentation of bow and arrow licenses and unused seals.

A law passed by the last legislature allows license holders to hunt during the gun season if they are unsuccessful in getting bucks during the bow and arrow season which opened Oct. 1.

A "now it can be told" story of a successful search by state and federal geologists for adequate water supplies for the Willow Run bomber plant and nearby war boom communities is released by the U. S. Geological Survey.

Peak consumption of water supplied by new wells in the Ypsilanti area was 6,130,000 gallons daily in 1944, declined to about 5,000,000 gallons a day in the first half of 1945.

The bomber plant used 4,000,000 gals daily, the city of Ypsilanti used 1,660,000 gallons a day, and the Willow Run-war housing community 470,000 gallons daily.

The conservation department's geological survey division worked with the U. S. Geological Survey in locating sites of new wells.

Diving ducks are arriving in numbers now, according to conservation department observers, their appearance evidently advanced by several days by cold, stormy weather in the north.

Large numbers of canvasbacks and bluebirds are reported from several points on Lake Erie and a flight of redheads reached Saginaw Bay several days ahead of their usual schedule.

A surf scoter, sometimes called a sea coot, was shot on Saginaw Bay this week, and others have been reported by hunters. These salt water birds are seen infrequently in the Great Lakes region.

"Did your life turn out to be all you expected her to be?" "More. When I married her she was as slim as a young gazelle. Now she weighs nearly 270 lbs."

Oboe Radar Guided Pilot to Target

Even Told Him Just When To Drop His Bombs.

AN RAF BOMBER BASE, ENGLAND. — The British air ministry has made known the workings of a highly effective form of radar called "oboe," which led bombers to targets in Germany on beams sent out from ground stations in England, and even told bombardiers when to release bombs.

These stations, it was disclosed, were able to "watch" planes along the entire route, in fog, storm, or darkness, and were a major factor in blasting Hitler's war plants.

If the Krupp armament works at Essen was the target, a radar beam 17 feet wide would be aimed at the city from a ground station near Dover. That is believed to be one reason for so much German cross-country shelling of Dover.

The beam could hit Essen right over the Krupp works, just like an imaginary wire rope hanging in the sky.

Bombers would take off and make a beeline for Essen. Wherever they intercepted the beam, automatic signals would start flashing and coded dots, and dashes began coming over the earphones. All a pilot had to do was turn squarely onto the beam and follow it to the target.

When he reached a certain point, so many seconds from the assigned target, he received a coded "release bombs" signal from the ground operator back in England.

Well the pilot returned he could see his bomb run recorded in black and white on a graph made by an electrical instrument similar to weather graphing machines.

Airmen say "oboe" gives them virtually automatic accuracy to within eight yards of the smallest target.

American 8th and 9th air forces adopted much of the RAF radar technique and developed some new methods of their own.

The Germans had a radar system but always lagged behind the Allies in new developments, and were never able to solve the mystery of how to counteract it for defensive purposes.

Asks to Allow Atomic Rocket Service to Moon

CHICAGO. — R. L. Farnsworth asked the government to grant him the first civilian permit to put atomic energy to peacetime use. He wants to develop a solar transportation system providing regular eight-hour flights to the moon.

Mr. Farnsworth, president of the U. S. Rocket society, wrote a letter to the research council on national security at Washington asking for permission to use atomic energy to make a rocket in which earth dwellers could travel through the universe at a rate of seven miles per second.

"The discovery of atomic power means that rocketeers who have been shooting at the moon can raise their sights to the planets beyond," he said, in an interview. "It means that some day there will be a regular rocket service to the moon and other planets."

"I want to see a solar transportation system that would make the man in the moon our next-door neighbor."

Visualizing the moon as the Chicago of the universe — a shuttle station for rocket service to points beyond — Mr. Farnsworth said atomic power can solve most of the problems that have vexed his fellow rocketeers.

His principal difficulty, he said, would be in harnessing atomic power.

Plans for \$200,000,000 Hospitals' Growth Given

WASHINGTON, D. C. — Plans for a \$200,000,000 hospital construction program to meet all anticipated veterans' requirements were made public recently by the veterans' administration. The two-year program is now before the federal board of hospitalization for approval. It calls for building 40 new hospitals and for additions to many existing institutions.

Officials said that if the plans were endorsed by the board and funds were appropriated by congress, the administration would have hospitals with a total bed capacity of 300,000 at the end of the 1947 fiscal year. "We believe that will be enough for all our needs," one official said.

The bed capacity of present veterans' hospitals and those which are under construction or authorized, is 123,831. The new program would add approximately 29,000 beds.

The remaining hospitals necessary to bring the total capacity to the 300,000 bed mark are expected to be transferred to the administration by the army and navy as their own needs diminish.

Magnesium Is Smelted Direct Under New Method

WASHINGTON. — Magnesium, the light metal that has revolutionized airplane construction since the beginning of the war, can be smelted directly out of magnesium-silicate ores by a new process, U. S. Patent No. 2,579,576 has just been issued here to Dr. Fritz J. Hansging.

Dr. Hansging is at present carrying on his magnesium research at Black Mountain college, in North Carolina.

In spite of what the skeptics say, the old adage holds good: "Where there's a will there's a way. That is, if it's a woman's will."

"Six rooms, bath and kitchen are not the biggest home in the world, but ours is really one of the most livable homes I have ever seen. Take, for instance, our all-electric kitchen—it really is a Shangri-la. No longer does Mary dread preparing meals and cleaning up afterwards. The electric refrigerator permits purchasing in larger, more economical quantities. The electric range, with timer and temperature control, allows Mary to prepare the meals with a minimum of effort... in fact, meals can be started while she is downtown shopping. The garbage disposal unit and dishwasher make the clean-up job far easier, and the conveniences all add up to more time to enjoy our home. Yes, that kitchen is a Shangri-la."

Electric kitchen equipment is not generally available for sale now. Some is being manufactured and distributed. It will be to your advantage to have your name on your electrical dealer's list, so that you will be able to get it at the earliest possible time.

Tells of Recent Typhoon in the South Pacific

Another account of the recent typhoon which struck in the area of Okinawa has reached Northville folks. James Murray, S. 1/c R. M. tells of his experiences when the mine sweeper, on which he was a crew member, was sunk. The following is a letter from Bud, to his folks, Mr. and Mrs. Harold Murray of Orchard Drive.

"I don't exactly know how to start this letter except to say if you heard or read that the YMS 151 went down, it did I am a shipwrecked sailor at present. We were caught in a typhoon of Okinawa October 9. We rode it out till we hit a reef at about three in the afternoon. We abandoned ship at about 20 minutes to four, the ship was beating itself to pieces on the reef and just as we were going over the side an old supply barge came out of nowhere and we climbed aboard it. At this time the typhoon was at its peak, the wind was over 114 knots and you can never imagine how it whipped up the sea. I thought my day had come. We started aboard the barge in the midst of all this. It was ramming our ship with terrific force. I got aboard safely. One man was crushed between the ships and another fell into the water. He was picked up at 10 o'clock next morning five miles at sea. We were transferred from the barge to the beach last night. I haven't any clothes except a jacket and a pair of overalls and they are fur lined, they are some foul weather gear they issued us. They also gave us a Red Cross survivor's kit with soap, wash rag, tooth paste, etc. I will write and tell you all the details later. Some one was sure watching over us. I had enough excitement to last me a life time. We are all hoping for thirty days survivors leave. I sure hope we get it. I'll close now with love, Bud."

P.S. The Fleet Post Office was wrecked and I haven't had any mail in a month from home. So now our mail is really fouled up.

Frosh Football Teams Clashed Here Wednesday

The N. H. S. freshman football team met Clarenceville in a home game this week. This was the second game of the season and the score left Northville the lower 21 to 0. The squad is composed of the following first year high school pupils, David Seelin, Donald Tiffin, Russell Field, Ronald Butcher, Henry Bidle, Harold Shultz, Louis Sharro, Jerry Shelton, Charles Taylor, Clifford Schneider, Jack Stobbs, Jack Doren, Tom Sutton, Don Castello, Hugh Nevin, Edward Kazarian, Tom Stalker, and Richard Krenkow. The team has two more games to play this year, one with Farmington and one with Plymouth.

Merritt Meaker, a member of the high school faculty is coaching this squad, which has regular practices on the local football field.

A special memorial ceremony is to be observed at the regular morning service in the Northville Presbyterian church, Sunday. After candlesticks, presented by Mr. and Mrs. Philip Anderson of Eight Mile Road in memory of the former's aunt and a late member of the local church, Mrs. Isabella Maine Cleaver, are to be dedicated by Rev. J. Leslie French.

H. R. Knickerbocker Comes to Detroit Town Hall, Oct. 31

H. R. Knickerbocker, one of the world's most colorful journalists will speak at Detroit Town Hall in the Fisher Theatre, Wednesday morning, Oct. 31 at 11 o'clock.

In his lecture, "Ringside of History," the ace correspondent will analyze today's headlines, and interpret the latest developments in the international situation.

For seventeen years, Knickerbocker covered the news both at home and abroad. He was in Europe, Africa, Australia, and South America on assignment, and at the war fronts during the fiercest fighting. Since his return from overseas after winning the Pulitzer Prize for distinguished reporting, the noted newsgatherer has kept closely in touch with post-war problems.

The energetic, red-headed newspaperman is the son of a Methodist minister from Texas. He came to New York at twenty, and from there to Munich where he officially began his writing career as a foreign correspondent. From then on, Knickerbocker courted danger in every war-torn country on the continent.

Single tickets for the Knickerbocker lecture are available at Grinnell's, R.A. 1124; season memberships at Town Hall headquarters, room 220, Hotel Statler, City 5617.

V. F. W. Party Big Success

Winners of prizes given by the Post 4012, V. F. W., at their party Saturday, October 20, were Wm. Luchessa and Mrs. McFadden of Northville, James McFadden of Dearborn, and Andrew Wilkins of Plymouth.

Harold Murray, chairman of the "entertainment" committee, states the Post's first venture was a very successful affair and thanks the community and merchants for their co-operation. Another such party will soon be given with more prizes from the local merchants.

While visiting in Meccola last week-end, the Eural Clark family of High Street drove over to White Cloud to call on Mrs. Eva Johnson of Wing Street, who is spending the winter with her daughter and husband, Mr. and Mrs. Beach, whose home is in that city.

Mr. and Mrs. J. Robert Jones of 216 Church Street were hosts Thursday evening to eight friends from Detroit at a dinner party. A turkey dinner was served buffet style, by candlelight, the centerpieces being white baby mums and oak leaves. Mrs. C. E. Tappert, mother of Mrs. Jones, who makes her home with her daughter, leaves soon to spend the winter months in Florida.

A number of Northville men have recently received silver service buttons and a personal letter from Henry Ford II expressing the firm's appreciation of their 25 years of loyalty to the Ford Motor Co. Some of the men are employees at the local Ford plant, remainder at other Ford Units.

View of crowded Empire State building lobby after elevator strike went into effect. Workers seem hesitant about climbing stairs to their offices, and have backing of health authorities who put limit at eight flights for workers under 30 years old.

With But One Single Thought

Admiral Lord Louis Mountbatten, left, and General of the Army Douglas MacArthur are shown as they chatted at General MacArthur's headquarters, during the visit of Lord Louis to the Philippines area recently. They laid plans for fast and complete victory over the Japs. Mountbatten commands the Southeast Asia area against Japan.

Airliner Soon to Circle Globe

Above is an artist's drawing of the Constellation's interior, showing the seating accommodations for the passengers. This will be typical of the accommodations that will be found on most airliners in this country, as well as those covering around-the-world routes. They will also be provided with kitchens and service rooms for comfort of travelers.

Stricken Brothers Await Death

The three Pinion brothers, Billy, 15, left; David, 19, on bed; and Lloyd, 12, right, all crippled by muscular dystrophy, a rare disease usually fatal, shows as they await their sad fate at the home of their widowed mother, near Salisbury, N. C. The boys were recently taken to Duke university hospital where doctors said they could do nothing for them.

Labor Management Talks Industrial Peace

Shown around the table are, left to right: Sec. Henry A. Wallace, Sec. Lewis B. Schwellenbach, William Green of the AFL, Eric A. Johnston, president of the U. S. Chamber of Commerce, Charles Symington, J. Paul Douglas, Robert L. Watt, Joyce Kilmer, Ray Smithers, Ted Silver, Ira Mosher, and Philip Murray of the CIO, as they talk labor peace.

LOG OF A MAN IN QUEST OF BETTER FISHING

1.—Man who has the ambitions of Mike Turner, but not the time, equipment or information, tries of fairly good fishing in his own area at Indian River.

2.—News of big run of stripers at Waboo beach 300 miles away, coupled with pictures of man who got a 46-pounder there last week, causes him to decide to pack immediately and leave home grounds, where only snapper blues have been biting.

3.—Start of trip delayed by long job of packing outdoor motor, extra rods, tackle boxes, slickers, boots, gear of all kinds, utility clothing, etc. Drives 80 miles for first stop at Kickapoo inlet. Stripers were there last week, but are far away now. Asks if anything is running and gets answer: "Small snapper blues."

4.—Drives 50 miles to Elk Horse Cove. Well-known striped bass grounds. Sees numerous boats in bay. Rushes eagerly to boat house and asks "What's doing in stripers?" Gets answer: "You don't know bass are?" Replies: "No How are they?" Is told: "Ain't heard of one caught in 10 days. Nice run of snapper blues, though."

5.—Calls it a day and spends night deploping the luck. Starts early next morning for Boaring Kip, 60 miles away, on a report a feller got 28 pounds on a fishing up to 35 pounds a few days ago. Finds bridge and beach crowded with people getting snapper blues. "Any bass?" "Not lately. Ought to be good next month."

6.—Remembers hearing of a striped bass fishermen's paradise at Kikukowwie Point always good in October. Drives 100 miles more. Finds famous guide, Steve Wagoner, half asleep up a shift in a small motel. "How's the stripers?" "You're late. They was here last week. Nice run of snappers now." Asks Steve if any reports of stripers at other points. "Chet Baker got over half a hundred big ones four days ago at Winnepegukto Lodge." Is reply.

7.—Gets up at daybreak, next morning and drives 90 miles to Winnepegukto Lodge. Not a surf-caster around and where there are all 22 mornings. "Ain't been a stripers took in last three days." Says the guide. "Swish moved to Mulligan's Bay. I guess snapper blues running as big as six inches."

8.—Consults map and finds he is within 150 miles of Hazzardville harbor, famed for its stripers. Decides he might as well try it there. He catches three at once. No bass in six weeks. Guides look for "em around November this year. (But snappers are in!)

9.—Reaches home weak, sore and disgusted. Crossing iron bridge over Indian River, two miles from his own house, sees Ernie Perry and Ed Dudek casting for stripers. "Any luck?" he asks. "Boy, where've you been?" Is reply. "Best run of stripers this season here for last five days."

10.—Throws outdoor motor, fishing gear, maps, etc. into river and shoots self.

THE TROLLEY CAR PASSES

New York City, one of the last strongholds of the trolley car, announces that they will be removed from the street by January 1. We, for one, feel a little sad not only to see the trolley car pass from the streets of Gotham but from any other place. It was a symbol of a happier, more philosophical and more comfortable America.

The swifter, more up to date and less restricted bus has replaced it all over the land, but to us a bus is as satisfactory a substitute for a trolley as a witch's broom would be for a ride on a cloud.

Not that we have been on a trolley in years. We don't remember the last time, but our childhood memories of the trolley ride are bright and glamorous. We can recall trolley cars on the Sylvan avenue line back home that we loved and trolleys, on the run from Merwin's beach, miles through a leafy passage by Woody Creek, Rocky Lodge, Prospect Beach and West Ham that still seems I've something out of a fairy tale.

We have a particularly soft spot for the first trolley we ever remember. Grandma took us for a ride. It was winter. And it had a stove in the center and a conductor with side whiskers who put in a shovelful of coal now and then.

An American congressman urges that we introduce baseball to the Russians. Can you imagine what would happen under Stalin to a pitcher who pitched his own way?

Can You Remember—
Away back when a small steak sold for 40 cents instead of \$1.50?

Our big job is to select the war criminals of Japan. It would be a lot easier to pick the ones who are not.

"What became of your Swedish cook?"
"Oh, she got her Irish up and took French leave."
