Volume 76, Number 13 — TWELVE PAGES THIS WEEK — Northville, Michigan, Friday, September 6, 1946 — \$2.00 PER YEAR IN ADVANCE

START OF A NEW LIFE — Hundreds of thousands of boys and girls will enter school for the first time this year, many more will return following their vacations. To many it will mean the putting aside of many former pleasures in the adoption of new interests to prepare them for leadership in society.

Discusses Three Financial Proposals to be Voted upon at Coming Election

Michigan Mirror — Non-Partisan News Letter of Michigan Press Association

Three financial proposals, each having a far-reaching consequence, are to be voted upon by Michigan citizens on Nov. 5. Two of them would amend the state constitution, while the third would authorize the spending of \$20,000,000 in bonus payments to Michigan war veterans.

All three ballots, moreover, would affect the Michigan taxpayer — perhaps more than he anticipates. As we see it, a strong likelihood exists that the state legislature will be forced in 1947 to levy additional taxes, if the bonus proposal and the sales tax amendment are both approved at the November election.

One amendment to the state constitution would earmark one cent of the sales tax for schools and local governments.

One-half of this earmarked revenue would be divided among cities, townships and villages according to their population. The other half would be turned over to public schools which now receive \$60,000,000 in state aid and would be divided according to the state's annual census of children 5 to 19.

This constitutional diversion of sales tax revenue, according to present conditions, would approximate from \$37,000,000 to \$43,000,000 a year. The figure used most often is \$40,000,000.

State tax officials are said to be of the opinion that less of \$50,000,000 in state revenue would be disastrous and that additional taxes would be forced. They talk of an additional cent to the three-cent tax; revival of the state realty tax, such as the four mill property levy which prevailed prior to 1933; or a new form of taxation. It is a cinch that none of the three proposals will be popular with the taxpayers who are too often inclined to demand more and more state services but balk like a Missouri mule to any suggestion that extra taxes are needed to pay for them.

Here's a "catch" in the sales tax amendment. It is little understood.

Public schools would get 16 2/3 per cent of the tax revenue IN ADDITION to their 4 1/2 per cent share, as received during the 1945-46 fiscal year. Or in other words, public schools would get nearly 60 per cent of the sales tax dollar. The right would be frozen into the state constitution. The state legislature wouldn't have a thing to say about it!

What about the state's obligations for welfare, highways, colleges, prisons and other public service needs?

That's where the new tax enters the picture. State experts insist there is no choice.

The Michigan Real Estate association, which serves 1,600 affiliated brokers, is hostile to the idea of a revival of the state property tax, but is favoring the sales tax diversion for local governments. The latter would take some of the pressure off the local taxpayer officials' feet. A number of towns have held special elections to remove the 15-mill tax limitation or to impose extra taxes on property owners for purposes of schools. For example, Monroe will vote Sept. 23 on whether to increase its 15-mill limitation by five mills for five years.

The Michigan Education association recently withdrew temporarily at least its opposition to the sales tax amendment. Opposing the amendment are the Michigan State Farm Bureau and the Michigan State Game, representing rural interests.

Another Amendment, Number One on the November ballot, would permit public expenditures on public airports. The attorney general's office has held

that the constitution does not permit public disbursement for an internal improvement of this type.

The amendment would remove this barrier. It would open the way to matching of local funds by the federal government.

We have not heard of any organized opposition to the proposal. In fact, there is strong sentiment in favor of it.

The other financial proposal is the veterans' bonus of \$20,000,000, as submitted by the state legislature.

In putting this proposal before the voters on Nov. 5, the legislature side-stepped the question entirely of how the bonus is to be financed.

State Senator Dor. VanderWerp of Fremont, chairman of the senate finance committee, believes that the public will be misled into the belief that a bonus of this size can be financed out of a "vast surplus" existing from sales tax receipts. Here is how VanderWerp explains it:

"As a matter of fact there is no sales tax surplus and we do not anticipate that there will be one. While the sales tax receipts have reached an all-time high, so have the state's expenses. As is true with individuals, the state is paying more for everything it buys. The cost of personnel services (wages) has also soared to new highs and with between 16,000 and 17,000 people on the state payroll this is no small element in the increased expenses."

"Another important element to be considered is the fact that all the state institutions have a backlog of equipment replacements and unfilled personnel posts that will total approximately \$50,000,000. Because of the war conditions the state was unable to meet the demands for replacements and personnel requirements during the past four years as neither materials, equipment nor personnel were available. This backlog of needs must be met as soon as possible and the request will be laid before the budget department and the finance committees of the next legislature. They must be granted if the state institutions are to function properly."

It is VanderWerp's conclusion that Michigan voters, in casting a vote for the bonus proposal, may be voting a tax on themselves — "a tax on yourself that you did not expect."

The same conclusion might be made, as we see it, for the freezing of 60 per cent of the sales tax for the public schools, plus 16 2/3 per cent for local governments.

Opens Photograph Studio in Village

Ivan Gray, Well Known in Community, Opens Studio in Location Formerly Occupied by Wines Studio.

Ivan Gray of Plymouth, formerly of Northville, has purchased the Wines Photograph Studio on East Main street, and opened for business here Tuesday afternoon.

Mr. Gray, who is well known here for his photographic work with the Detroit Edison Company and the A.A.A. "Old Traveler" series of scenes, will have the studio open afternoons and all day Saturday. In addition to commercial and portrait work, tinting, developing and printing, service will be offered.

New students enrolled in the Veterans' Institute include Joe Borgiovanni, Jack Boyd, Dick Green, Frank Defina and Bob Hamilton.

Atchinson Team Is Champion

Atchinson Gulf Team will Participate in National Tournament at Youngstown, Ohio, Sept. 7

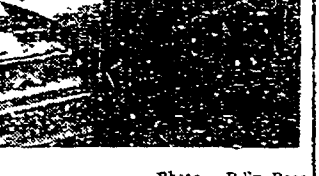

The baseball team sponsored by Atchinson's Gulf Service captured the Michigan Inter-County League title Sunday, September 1, by defeating the Plymouth Cloverdale team with a score of 2-0 in a game played at Plymouth Riverside Park.

The team will leave this Friday for Youngstown, Ohio, where they will participate in the National Sandlot Tournament which gets under way September 7. The Gulf Ball of Youngstown beat the 2-0 game for the Northville team which is composed of boys from the outlying villages. He was assisted by George Bowers of Plymouth.

310th Engineers Hold Reunion at Simmons Home

The 310th Engineers held their 12th annual reunion at the home of Mr. and Mrs. George Simmons Sunday, Aug. 25. The reunion in Michigan has more than doubled, and the work of administration has grown proportionately. Under the direction of Adjutant Alexander the Department headquarters staff and the welfare personnel have been increased to meet the enlarged tasks, which have been performed efficiently and well.

During World War I Comrade Alexander served in the 56th Ammunition Train at Camp Eustice, Virginia. His record of service in the American Legion dates continuously for nearly 25 years. He is a Past Commander of the Lloyd H. Green Post 147 of Northville, and held the office of Adjutant and Finance Officer in that Post for 15 years. He is also a past commander of the 17th District and served the Department as Finance Officer for six years prior to accepting appointment as Adjutant and Welfare Officer.

Benny A. Zayit

This week's veteran at his work is Benny A. Zayit who owns and operates a general contracting and excavation business.

Benny entered the Army November 21, 1941, going to Fort Custer. He then was sent to Camp Grell, S. C., Fort Meade, Maryland, and from there was sent overseas in July 1943. He served with Gen. Patton's Fifth Army in the 91st division in Casablanca, Africa, Italy and on the Austrian border. He returned to the States in November and was discharged Thanksgiving Day, 1945.

Benny is proud of his outfit and has the Fifth Army insignia inscribed on his kilt-dress as the picture shows.

Benny worked for the Ford Motor Co. in Northville before he entered service. He is married and has a two-year-old daughter. The family resides on Garfield Road and Benny is the son of Mr. and Mrs. William Zayit, also of Garfield Road.

Mr. and Mrs. William Metzgar of Dearborn were week-end guests of Mrs. Erelene Storer of Night Mile Road.

Directs Youth

Miss Marcella M. Ladd, Youth Religious Director, who begins work under sponsorship of Methodist and Presbyterian Churches.

Is Reappointed State Adjutant

Lisle Alexander, Member of Lloyd H. Green American Legion Post of Northville, Named to Succeed Self as Department Official

Lisle H. Alexander has been named to succeed himself as Department Adjutant and Welfare Officer for the American Legion of Michigan. The appointment was recently announced by the new Department Commander, Earl F. Ganschow. Alexander is a member of Lloyd H. Green Post, American Legion of Northville.

Comrade Alexander has served the Department in his present capacity since Feb. 15, 1942. During that period the Legion membership in Michigan has more than doubled, and the work of administration has grown proportionately. Under the direction of Adjutant Alexander the Department headquarters staff and the welfare personnel have been increased to meet the enlarged tasks, which have been performed efficiently and well.

During World War I Comrade Alexander served in the 56th Ammunition Train at Camp Eustice, Virginia. His record of service in the American Legion dates continuously for nearly 25 years. Templar Activities for September Are Announced

Northville Commandery No. 39 held their stated convocation and Red Cross September 5. They have the following fall activities planned: September 12 and 19, the Order of The Temple.

H. Rayner is the eminent commander of the group.

The Northville Rotary Club will entertain the teachers of the Northville schools on the evening of Sept. 25. Congressman Geo. Dondoro will be the speaker on this occasion.

Youth Program Is Joint Sponsorship

Miss Ladd Begins Work Here As Youth Religious Education Director in Methodist and Presbyterian Churches

The community youth program under the leadership of Miss Marcella M. Ladd, Director of Religious Education for the Methodist and Presbyterian Churches, is now being planned by the various youth groups. Some of the plans are for discussion group, Bible study, and other activities.

Along with other more recent activities, a community youth program will be held on the Saturday evening, Sept. 7, at the Northville Public Schools.

Religious instruction at the Northville Public Schools dates back to 1932 when the early program was set up by Thed J. Knapp, Superintendent of Schools. Rev. Barbour of the Baptist Church, the Rev. Miner of the Methodist Church and Rev. Whitfield of the Presbyterian Church.

Auxiliary Will Elect Officers

Officers for Coming Year Will Be Elected at Regular Meeting Next Tuesday Evening

The regular meeting of the American Legion Auxiliary will be held Tuesday, September 10 at eight o'clock in the evening at Veterans' Memorial Hall.

At this meeting election of officers for the ensuing year will take place and the delegates to the state convention will give their reports. Those who attended the sessions at Grand Rapids were Mrs. George Simmons, Mrs. Morris Cohen and Mrs. C. Oscar Hammond.

Motorcycle Races at Milford, Sept. 8

The thunderbirds motorcycle club of Garden City will stage their first annual flat track race at the Milford fairgrounds Sunday afternoon, September 8 with the first race starting at 2 o'clock.

This will be the first motorcycle race at Milford in nine years. The race track has been resurfaced with clay and judging from the large list of noted riders entered, it should be a very gala show.

Novi Teaching Staff Announced

Supt. Donald Archambeau Names Teachers for Coming Year; School Opens Next Monday

Novi School will open Monday, September 9th with Donald Archambeau as Superintendent and teacher of the eighth grade.

Mrs. Mary Ann Atkinson will teach the Sixth and Seventh grades, Mrs. Edna Mae Hill, Fourth and Fifth grades; Mrs. Clara French, Second and Third grades and Mrs. Rowena Salow, First grade and Kindergarten.

Big White Horse Show at Wayne

Wayne Rotary Club Presents White Horse Show on Sept. 6, 7 and 8

Something new and different in the way of entertainment will be presented in Wayne Sept. 6-8 when the famous White Horse Show rides into this city's neighborhood to the south under the auspices of the Wayne Rotary Club.

The show at Wayne features 25 beautiful Albino horses from the famous Col and Ruth Thompson White Horse Ranch, at Napier, Nebraska. These marvelously trained animals and their expert riders present a series of highly entertaining routines that include all sorts of difficult tricks, many of them originated at the ranch.

The show has been put in the hands of the Wayne Rotary Club, which has been sponsoring it for many years. The show will be held on the Saturday evening, Sept. 6, at the Wayne County Fairgrounds, and will be held on the Sunday and Monday evenings, Sept. 7 and 8, at the Wayne County Fairgrounds.

Bailey Studio Opens This Week

Bailey Dancing Studio Reopens for Fall and Winter Season

The Bailey Dancing Studio on Radcliff street reopened this week for the Fall and Winter seasons. Mr. and Mrs. Bailey have been teaching popular and tap dancing for over twenty years. They will specialize in dancing for married couples, and have a system of teaching that surprises you with the ease in which you learn to dance.

Northville and Novi Voters Need Not Re-register

While voters in many of Michigan's outlying areas must register in order to vote in the Nov. 5 election, registered voters of Northville and Novi and vicinity are on a permanent registration status, a survey of various township clerks revealed this week.

Residents of Northville village, Northville township and Novi township, are registered according to recent legislation of the Michigan legislature.

Under the permanent system, a voter registers once, then must vote at least once every two years to keep his registration active. If he fails to exercise his voting privilege in two years, his registration is suspended until he asks that it be reinstated. But he doesn't have to re-register.

Northville School To Open Doors To Pupils, September 9

Teaching Staff Here for Conferences This Week; Buildings All Spic and Span for Beginning of Year; 278 Now Registered in High School

Sup't Russell H. Amerman announces that a total of 278 pupils have registered in the Northville schools, grades nine through twelve. A steady flow of students have been coming into Principal Cyrus E. Pierce's office for late registration so complete tabulation cannot be made until after the opening of school next Monday.

Dedicate New Entrance Sunday

Presbyterian Church will Dedicate New Entrance to Church House in Memory of Mrs. M. C. Parker and Miss Belle Covert

A new entrance way to the Presbyterian Church House is to be dedicated Sunday in memory of the late Minnie Covert Parker. The new walks and enlarged fire-proof entrance way were made possible through the bequest of Mrs. Parker, who along with her sister, Belle Covert, were very active members of the Presbyterian Church for many years.

Lakeland Singers Begin Rehearsals

The Lakeland Singers, well known inter-community choral singing society, will begin its third season of activity Monday evening with regular rehearsal scheduled at eight o'clock in the small gym of the Walled Lake school.

The group is open to new members with invitations extended to all persons interested in singing with the organization, according to C. A. Jackson, president.

Candidates for membership are requested to let at the school by 7:30 for registration and assignment to their sections and should report to Archie Bowden, manager, prior to the rehearsal date, if possible.

The chorus is directed by Charles E. Hutton, who also conducts the Pontiac Women's chorus and is music director for Central Methodist Church, Pontiac. The singers will begin work immediately on music for the annual Christmas program and will also start on music for the annual spring concert. This year's plans include several appearances in surrounding communities.

Mr. and Mrs. Arthur Mitchell (Doris Tewksbury) and Eleanor Mitchell spent the Labor Day week-end in Chicago.

New Minister Baptist Church

Rev. Walter Ballagh of Clarkston will Begin Pastorate Here First Sunday in October

Rev. Walter Ballagh has been named to fill the pulpit of the Northville Baptist church, succeeding Rev. Lloyd A. Young who resigned early this summer.

Rev. Ballagh will take over his duties the first Sunday in October. He comes to Northville from Clarkston where he has served for the past ten years as minister in the Baptist church in that city.

COMMUNITY CENTERS GROW IN IMPORTANCE SURVEY SHOWS

As the time interval increases, the readjustment of veterans is accompanied by an increase in problems classed as non-governmental in nature and a decrease in questions and problems involving Federal agencies, reports from centers to Lansing show.

General Omar N. Bradley, Federal Administrator of Veterans' Affairs anticipated these non-governmental problems early in January 1946, when he said, "Nowhere is there greater opportunity to help these men and women than in the communities they left to join the forces. . . . Here they shall meet problems outside the focus of governmental authority. And here the community must be prepared to help them solve these problems."

Counselors and insurance panels of local councils of veterans' affairs will be interested to know that the trend for insurance is decreasing. The current campaign to create an interest in future security through insurance seems justified. The want of direct and workable facts about insurance is one more illustration of the need for veterans' affairs to be interested in the most basic information — information that assists the individual in making better life decisions. The local council and its committee can give this information which is vital to the veteran's future.

Routine services rendered in the centers are becoming a recognized component of the veteran's life. The counselor can ever assist in all the questions required to meet the needs of all veterans. The center's primary job is to explore and open all community doors of opportunity to its veterans.

Growth in the volume of general counseling is a very important development in services rendered in the centers. In the past three months this fact emphasizes the need for an organized service training program to assist veterans' interviews in studying and improving their counseling program.

Northville's Yesterdays

ONE YEAR AGO:
 The opening of school on September 6 saw a total of 305 students in attendance who had already enrolled in grades nine through twelve.

The Northville branch of the Norman Farm and Garden Association will hold their annual flower and vegetable show September 17 at the Methodist church house.

Mr. and Mrs. Fred School of Millard recently purchased Port Hills Inn on West Main street from Mr. and Mrs. Al Portt.

Elizabeth O'Leary of South center street won the book house display at the local branch of the Wayne County Library for the most books during the summer.

Norman D. Sanford, Charles Holman and Charles Wolf are the Northville boys in the September service call.

FIVE YEARS AGO:
 The first tabulation of the Northville school enrollment in 1941 for the first time showed a record high of 245 pupils in the first grade. The 4 are the first new teachers in the faculty.

162 pupils, including the 45th Northville Home Show.

Twenty-five men reported Monday to Coach Gordon L. Croner and Neville Walker for the opening football practice of the season.

H. D. Elwin of Detroit purchased the Royal Recreation from Messrs. Bartlett and on who have conducted the business for the past year.

Betsy Schrader and Blake Northrop are planning a fall wedding, according to plans revealed at a luncheon at the Meadowbrook Country Club.

TEN YEARS AGO:
 Crowding into the gate with 7000 other Fair enthusiasts Thursday afternoon were Henry Ford and his son, Edsel.

With the signing of a contract with the Melvindale High school this week, Ted Watson pledges himself to coach Northville's closest basketball rival.

Although the new grade building, now under construction, is progressing according to schedule, December is the earliest time which can be hoped for occupancy. That means that at least for four months Northville pupils will have to be "fanned out" again.

Miss Martha Isadore Keeney and Ernest Haskin were united in marriage.

Mr. and Mrs. Victor Lumley are the parents of a girl, Phyllida Glee born September 2.

FIFTEEN YEARS AGO

To have travelled 300 miles in twenty-four hours is the very unusual record that Owen Sackett of Northville hung up one day last week in coming back home from Montana by auto.

Harry McNair of Chicago, who judged events of the Northville Horse Show was enthusiastic in his praise of the animals shown here. He told Harry B. Clark, superintendent of the committee, that it was the finest lot of horses he had ever judged at a small fair.

Honoring their son and daughter-in-law, Mr. and Mrs. Don Rogers of Detroit who had been married 20 years, Mr. and Mrs. C. F. Rogers entertained at their country home at a dinner party Tuesday evening.

The family of E. M. Bogert has moved into the Lang home on North Rogers street.

THIRTY-FIVE YEARS AGO

C. A. Sessions, one of Northville's best known citizens was married Tuesday to Miss Julia Sines.

The marriage of Glen Richardson of this place to Miss Celia Withee occurred at the home of the bride at Sparta recently.

There were 56 present at the Smithman reunion held at the George Smithman home last Saturday.

Wilson Cross was pleasantly surprised last Thursday when thirty of his friends walked in and surprised him on his thirty-sixth birthday.

Presbyterians to Rebuild Destroyed Hospitals

Presbyterians throughout the United States are now in the midst of a campaign to raise \$27,000,000 for a Restoration Fund to aid the ministry in the war-devastated areas. The above photograph shows destruction to Presbyterian Church property during fighting between Jap forces and the Americans. At Manila, in the Philippines the wrath of war resulted in the almost complete destruction of the Presbyterian Mission and Union High School. Only the walls are standing after the battle to free the city. In many of the church buildings, the Japanese forces made their last stand.

Funston-Gross Nuptials Held Saturday Afternoon

The Bushnell Congregational Church on Southfield, Detroit, was the scene of the recent wedding of Elizabeth Leigh Funston, daughter of Mr. and Mrs. Joseph J. Funston of Parkside, Detroit, and James E. Gross, son of Mr. and Mrs. Charles Gross of Washington Court House, Ohio, formerly of Nine Mile Road, Northville.

Dr. Burr read the double ring service at 3 o'clock Saturday afternoon before an altar decorated with bouquets of white gladioli and stock. Wedding music was played by the church organist and "Because" and "I Love You Truly" were sung by Robert Lacombe.

The bride, who was presented by her father, was attired in a white-eyelid gown with sweetheart neckline and puffed sleeves. A wreath of white roses encircled her head and she carried a bouquet of roses and stephanotis.

As matron of honor Mrs. James Simpson of Detroit wore an identically styled gown of blue eyelid. Bronze pompons made up the hair attendant's bequest and she wore a band of blue ribbon in her hair.

Acting as best man for the groom was Joseph J. Funston, Jr. of Detroit. The ushers were

two brothers, Charles and William Gross, and two brothers-in-law, William Nadvornik and Harold Henning of Northville.

Mrs. Funston was attired in a street length dress of pale blue silk with which she wore pink accessories. Mrs. Gross chose for the ceremony an ensemble of deep pink with accessories of pale pink. Each mother wore a corsage of sweetheart roses and pompons.

A reception at Dearborn Inn for about a hundred guests followed the church service.

The young couple left for a week's stay in Chicago, driving through for travelling Mrs. Gross wore a chauffeur suit and accessories.

They plan to make their home in East Lansing where the groom will continue his education at Michigan State College.

The bride is a graduate of Mackenzie High, Detroit and attended business college before entering the employ of the Detroit Edison Co.

Ellis-Broda

Mrs. Clara Ellis and Francis M. Broda of this village were united in marriage by Rev. Lucia Stuch at a simple ceremony which took place in the parsonage of the Congregational Church at Salem at 2 o'clock Saturday afternoon, August 31. An afternoon dress of green, silk with brown accessories and a corsage of white and chrysanthemums were worn by Mrs. Ellis for the service.

Mrs. A. A. Holcomb of this place and Benjamin Williams of Plymouth attended the couple. A dinner for the immediate families and a few close friends followed at the home of Mrs. Sarah Stuch on Main street, and a reception for a set 200 guests took place later in the afternoon.

Mr. and Mrs. Broda are enjoying a two weeks' trip through Northern Michigan with Mrs. Broda as their destination. They will make their home in the village, Mr. Broda being a member of the Northville P. L. C. Force and Mrs. Broda a member and manager of a beauty shop on West Main street.

Former Resident Visits Here

Alvin Dwyer of Lapeer and Battle Creek was a Northville visitor this week. Mr. Dwyer, who is eighty-four years old, lived in the village of a half a century, or so, staying at postmaster for four years at one time. He came to Northville to inspect the family land lot, to revisit the Baptist Church where he became a member some sixty years ago and to renew old friendships in town. The Harry Clarks, L. L. V. Knapp and Bert Starks were some of the hosts in which he visited during his stay here.

Gamble-Mullins

Miss Majel A. Mullins of 521 West Cady street, corner of South Rogers, and Carroll M. Gamble of Detroit were united in marriage Saturday, August 31, at the home of the former, Rev. A. K. MacRae officiated at the ceremony and the attendants were John and Juanita Polak of Detroit.

Only the immediate families were present. Mr. and Mrs. Gamble are spending a short time in Northern Michigan, after which they will return to make their home in this village.

Engagement Announced

Last Sunday's Detroit News society section carried a photograph of Ruth Mary Mullins of Birmingham together with an announcement of her engagement to Thomas R. Allen of that city.

The daughter of Mr. and Mrs. E. L. Mullins, Ruth Mary attended the Northville schools during the family's residence in Northville some years ago. She attended Marygrove College, Detroit, and graduated from Michigan State College.

Mr. Allen is the son of Mr. and Mrs. Robert A. Allen of Birmingham. He is a graduate of General Motors Institute of Technology.

Dr. and Mrs. Willis Hold Open House

Dr. and Mrs. H. S. Willis of West Eight Mile Road entertained last Sunday afternoon at a tea and open house in honor of their son and daughter-in-law, Mr. and Mrs. Kendall Willis of Chapel Hill, North Carolina who are visiting the senior Willises for two weeks.

About one hundred guests attended the open house which was held from four until eight o'clock in the evening. The tea table was centered with a beautiful floral arrangement of white lilies and assisting the hostess were Mrs. W. F. Chapman and Mrs. Perry Angove of this place. Mrs. J. N. McLoughlin of Detroit formerly of Northville, and Mrs. Willis's niece, Mrs. Dunbar Davis of Plymouth.

Kendall and his wife attend the University of North Carolina. Mrs. Willis studying for her Master's Degree, and Kendall being a pre-medical student. They will return to Chapel Hill the latter part of September when the fall term opens.

Blue Star Mothers to Meet Sept. 9

The Northville Blue Star Mothers will hold a meeting on Monday evening, Sept. 9 at 7 o'clock in the Veterans' Memorial Hall. According to the president, Mrs. Jay Denton, in past years, no one is to be transacted at that time and members are urged to attend. This will be the first meeting of the chapter following the summer recess.

RECORD FAMILY AT CHILDS CITY. Here is the all-time record of children in the history of Northville, the "child city," 35 miles from Chicago, operated by the Loyal Order of Moose. Canmy canners are in seventh heaven these days, for A&P has some of the sweetest, juiciest peaches either side of the Mason-Dixon Line! Fresh from Michigan orchards, they're perfect for putting up (if you can restrain your family from eating 'em all before you get the lid on your pressure canner!)

And what a wife-saver they'll be next winter, when commercially canned fruit is likely to be scarce. Plan to can a bushel or two of these big, blushing beauties now, so you can enjoy them all year 'round in fruit cocktails, salads, pies, shortcakes and other "peachy" treats!

Their fine flavor will tell you why we say, "Orchids to the orchards of Michigan!"

Adult Help Needed to Aid in Harvest of Peaches, Apples

General farmers who have elected a full in their own harvest and farm program can help the peach and apple growers of the southwest Michigan fruit belt throughout the month of September. Don Hamilton, emergency farm labor assistant for the extension service of Michigan State College, this week cited need for additional help.

More adult peach pickers are needed now for late harvest in Benton Harbor, South Haven, Allegan, Paw Paw and Cassopolis areas and will be needed about September 15 for apple harvest in these same areas.

In discussing the need for additional workers, Hamilton said that men can handle the heavy picking jobs while women are valuable in picking from small trees and low branches and in packing the fruit. In most instances the work is too heavy and requires too much care for child workers.

As well as receiving a high hourly and piece rate wage, the workers are given an opportunity to purchase tree-ripened peaches in orchards for their own use.

Although housing is provided by many growers, Hamilton emphasized that pickers should provide their own sleeping and cooking facilities wherever possible. Applications for picking jobs may be made at the county agents' offices in any of the areas or at the emergency farm labor office at 361 Ninth street in Benton Harbor.

Fred Clark says the phenomenon he would like to see would be statues flying around pigeons.

Local Legion Post Has Terminal Leave Forms

A supply of forms to collect
unused leave pay by former
members of the armed forces are
now available.

The Lloyd H. Green Post of
the American Legion has been
furnished with a number of
forms and will assist all veter-
ans in completing them. Assis-
tance is available at the Veterans'
Memorial Hall each evening this
week.

The Armed Forces Leave Act of
1946 was passed recently by
Congress and signed by President
Truman and provides for pay-
ment in cash and government
bonds for unused furlough time.
Application blanks when com-
pletely filled out, will be mailed
to the finance officers at the
stations where discharge was ef-
fected. Payment in cash and/or
bonds will be sent the veteran
from the same place.

The original or photostatic
copy of the discharge certificate
will be required as an attach-
ment to the application form. It
is inevitable that some will be
lost. Veterans should send them
by registered mail.

Sums under \$40 will be paid
in cash. Larger sums will be paid
in \$25-bonds or multiples thereof.
A veteran having \$130 due him
would receive five \$25 bonds
and \$10 in cash. Bonds will be
dated 30 days after date of dis-
charge; thus the longer a veter-
an has been out of service, the
sooner he can cash in his bonds.

Bonds are non-transferable
and non-negotiable, except as
regards G. I. insurance. They may
be used to pay premiums or
conversion costs.

Furlough time accumulates at
the rate of 2 1/2 days per month
for all former enlisted personnel
starting from 8 September 1939.
Number of days of furlough ac-
tually taken (not to exceed 120
days) should be deducted and
the balance multiplied by the
daily pay rate (base pay plus
longevity pay). To this should
be added 70c per day for sus-
sistence and, in the case of the
top three enlisted grades (Pvt.
Sgt., Tech. Sgt., and Staff Sgt.)
and E-5 and above in the navy,
with dependents at the time of
discharge an additional \$1.25 per
day should be added for allow-
ance in lieu of quarters.

Veterans are urged to consult
with local veterans' counselors
who will be pleased with full
and complete information fur-
nished and will assist veterans
in filing claims for terminal
leave pay.

Killing Heel Flies With Power Sprays

Cattle Grubs Can Be
Eliminated Profitably

By W. J. DRYDEN

The cattle grub (the heel fly) are
different from the same insect.
Starting in the spring, when it is
in the fly form, the heel fly lays eggs
in hairs of the animals. These eggs
hatch into maggots which work their
way through the hide and enter the
muscle tissues. During the next one
month they migrate through the in-
ternal organs of the cattle and come
out along the back.

Cysts are formed and the maggots
then turn into grubs about an inch
long. In the spring they work their
way out of the holes in the hide and
fall to the ground. Within a few
weeks they turn into heel flies and
the yearly cycle repeats itself.

The USDA reports an annual loss

Grubs crawl out when insecti-
cide under pressure is sprayed.

backs of cattle. — Photo—Food
March Corp.

of \$100,000,000 in milk, meat and
other products due to cattle grubs and heel
flies.

While the use of a 1 1/2 rotenone
dust has proven effective, many will
find it advisable to treat cattle with
a power spray. For this
reason either of the following pow-
ders will be effective: 20 pounds
of rotenone dust to 100 gallons
of water or 10 pounds of rotenone
dust to 50 gallons of water. The
water should be sprayed over the
cattle's back and sides. The
water should be sprayed over the
cattle's back and sides.

Know Your Breed
Hereford
By W. J. DRYDEN

The grand champion bull of the
1945 National Hereford Show
owned by the Circle M Ranch
ranch—Saratoga, Miss. and
illustrated here will illustrate the re-
markable beef type of cattle.

It is distinguished from a
beef breed by its red coat and
white face. The white color is found
also on the underline, the chest,
switch, breast and below the knee
and hock.

A product of England, they were
brought to U. S. in 1817. Here-
fords are outstanding as fighters
and of utilizing grass very ad-
vantageously.

Could This Be a
New Corn Hybrid?

"Frankly, Simpson, I didn't
think conservation farming would
make that much difference."

**Try New Coccidiosis
Chicken Treatments**

The use of 1/2 to 1 pound of pen-
cillan sulfaguanidine per 100 pounds
of feed for two to three days is be-
ing recommended as a cure for coc-
cidiosis with turkeys and chickens
by Missouri station.

The larger dosage, 1 pound to 100
pounds of mash, is recommended
for severe outbreaks and when
death losses are exceptionally high.
The smaller amount is used for less
severe outbreaks in the flock.

Waterfowl Shooting Season Cut Thirty-Five Days

Michigan's conservation com-
mission meeting at Higgins Lake,
brought the state's waterfowl
hunting regulations into conform-
ity with federal rules, but not
without strong protests to both
President Truman and Secretary
of Interior J. A. Krug, voicing
commissioners' disagreement with
closing the season on Canada
geese. (Canada geese are the
mainstay of Michigan goose hun-
ting. Federal action protects them
this season in the Mississippi
flyway of which Michigan is a
party.)

Commissioners expressed ex-
treme disappointment of the fact
that Michigan was not consulted
in the formation of waterfowl
regulations. Commissioner Don-
ald B. McLouth said the offi-
cial protest is in the nature of a
warning that next year, if Michi-
gan is not consulted, there is a
probability that the Michigan
conservation will be under an
U. S. Fish and Wildlife service
recommendation.

P. H. Hy-Dunka, president
of Michigan United Conserva-
tion Clubs, declared the MUCC
is in full accord with the com-
mission protest, and hopes a re-
quest will be made of the Fish
and Wildlife Service for more
detailed information on how it
arrived at its "no shooting" de-
cision.

The waterfowl shooting season
has been cut from 20 to 35 days
and will run this fall from Oct.
3 to November 13. The bag limit
is cut from 10 to 7 a day, in-
cluding one wood duck, and the
possession limit is 11, including
one wood duck. The shooting
day is a half hour shorter than
a half hour before sunrise to a
half hour before sunset.

Woodcock season will be the
same as it was a year ago: Oct.
1-15 in the upper peninsula, Oct.
15-29 in the lower peninsula,
with a daily bag limit of four
and a possession limit of eight.

Pheasant shooting will not
start until 10 a.m. on the first
two days of the season, but on
other pheasant hunting regula-
tions are unchanged. The
possession limit is five, with a
bag limit of two a day. The
possession limit is five, with a
bag limit of two a day. The
possession limit is five, with a
bag limit of two a day.

For full details on waterfowl
season, consult the Michigan
Game and Fish Commission and
the Michigan Game and Fish
Commission.

**ESCAPE FROM
THE OLD "GRIND"**

Electrically

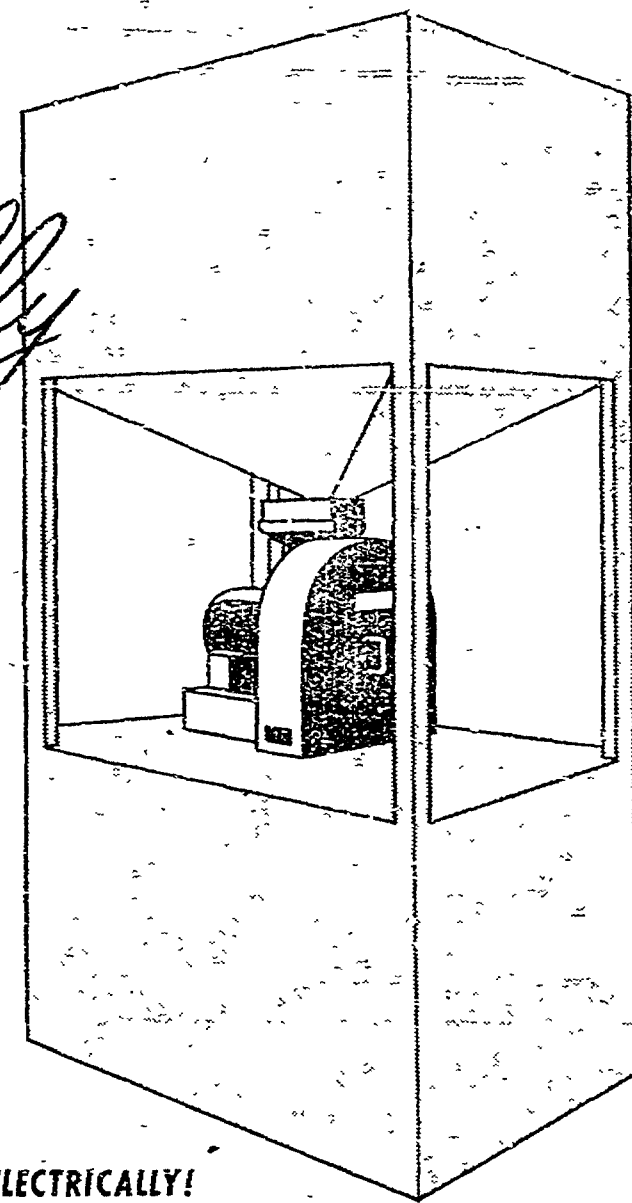

You save time—labor—and money when
you use an electric hammer mill to grind
your own feed. Simply fill the hopper
with grain and snap the switch—the mill
grinds automatically while you do jobs
that need your supervision! There's no
waiting for the grinder truck to come
around, no hauling grain into town to
be ground, no mill tolls, no tying up a
tractor to provide grinding power.

Just compare the costs! Farmers tell us
that tractor power averages over \$1.00
per ton of feed for fuel alone. Electricity
will do the same work for 39 cents. And
you'll have fresher, better feed when you
grind your own. There's an electric ham-
mer mill to fit every budget.

Ask your Edison Farm Service Advisor
to arrange a demonstration for you—not
in a salesroom, but on a farm, where you
can talk over performance and actual
operating costs with its owner. While
you're at it, ask the Edison man to help
plan your long-range program for
letting electricity do other chores too!
There's no obligation to you.

CLAUDE WORLD'S SMALLEST COLT ... Whoever heard of a 15-pound colt? But seeing is believing and above is "Crocket," 15 pounds of long legs, fuzzy hair and frisky tail. Seven-year-old "Tiny," a 210 pound pony, believed to be the smallest matured pony in the world, gave birth to "Crocket." They are shown with their owner, Homer Houser, Dayton, Ohio, who raises colts and shows them at fairs.

Isle Royale's Dedication Crowns Senator Arthur H. Vandenberg's Effort

Marking, as Sen. Arthur H. Vandenberg expressed it, an historic milestone in the history of Michigan and America, beautiful Isle Royale in Lake Superior was dedicated last Tuesday, amid impressive ceremonies, as a National Park.

Speakers included Oscar L. Chapman, Undersecretary of the Interior, Gov. Harry F. Kelly, Rep. Frank E. Hook and Newton B. Drury, Director of the National Park Service.

Sen. Vandenberg had been invited to give the dedicatory address but was forced to return to Paris to attend the Peace Conference. At the urgent request of President Truman and Secretary of State Byrnes, Sen. Vandenberg was responsible for enactment of the legislation creating the national park. His message was read by Gov. Kelly.

After original legislation, introduced by former Congressman Crumpton, of Lapeer, had lagged and almost died, Vandenberg picked it up, introduced the necessary legislation in the Senate and fought it through to victory. This included obtaining necessary federal funds. Vandenberg lauded George Miller, late editor of the Detroit News, and Harry F. Harper, of Lansing, chairman of the Isle Royale National Park Commission of Michigan for the part they played in connection with the park.

Freezing Process Need Not Darken Sliced Peaches.

If those peach slices you put away in your freezer locker last year became dark, it was likely because you did not take the special precautions necessary to prevent discoloration. Dr. Roy E. Marshall, research specialist in the department of horticulture at Michigan State College, says certain enzymes cause discoloration and these must be killed or their action stopped by simple but necessary treatment.

The most satisfactory method of preventing darkening of peach slices for fruit going into lockers is the use of crystalline ascorbic acid in the syrup. This is available from drug stores and also from many of the commercial locker plants.

Dr. Marshall suggests the following method of preparation: Peaches may be peeled by scalding followed by immersion in cold water and then removing the peel. The peaches are then frozen and packed.

If the fruit is to be packed in a 55-pint or 110-pint can, each gallon of syrup would be made from 7 quarts of water, 7 cups of sugar, and 1 1/2 teaspoons of crystalline ascorbic acid. The temperature should not exceed 125 degrees and stirring should not result in excessive agitation. Higher heat would cause loss of ascorbic acid through oxidation. After the sugar and ascorbic acid are thoroughly dissolved, the syrup should be cooled. It may then be added to the peach slices in the freezing can until the level of the syrup is above that of the slices. Care should be taken to prevent any portion of the slices from protruding above the syrup. Use approximately one part of syrup to 3 parts of peaches by weight.

The packaged fruit is then ready for freezing and storage.

MINUTES OF SCHOOL BOARD MEETING, JULY 30, 1946

The regular August meeting of the Board of Education was held on July 30, one week early, because of conflict with August vacations of members. Business of the evening was concerned with the following matters:

The selection of a high school principal. Six men were considered and upon the recommendation of the superintendent, the position was offered to Mr. Cyrus E. Pierce.

The Board of Education set the tax rate for 1946 for school purposes at 16.099 mills as allowed by the Wayne County Tax Allocation Board. There was no appropriation made for debt service since there are sufficient funds on hand to retire the old bond issue when it falls due next spring. The retirement of the debt on the elementary building must be met out of current operating funds.

The superintendent reported that approximately 24 veterans are enrolled in the Veterans' Institute and that it is growing. E. V. Ellison was appointed director in charge of the institute, and he will also have charge of the on-the-job training program carried on by the institute. A flat tuition rate of 38 cents per hour for all enrollees in the institute was set by the Board of Education.

Superintendent Amerson reported that there are several teaching positions still unfilled and that candidates are very scarce. The following new equipment was ordered for early delivery: 50 lockers for the boys' shower room; 100 folding chairs for the grade school; 6 home economics tables.

We have resumed football relations with Plymouth, the first game to be played in Northville on November 15th. It is planned that the new athletic field will be ready in time for this game to be played at night.

The treasurer, Mr. Clark, reported a balance as follows: General Fund, \$29,742.10; Debt Service, \$7,730.40. The auditing committee reported bills and payroll as follows:

Bills \$1,609.66
Payrolls 6,158.64
A Northville veteran's request for a refund in taxes paid as per law was approved and ordered paid.

The meeting was then adjourned.
Howard I. Atwood,
Secretary.
