Harvest Festival Work of Woman's Thursday, Oct. 17 Auxiliary Report

Annual Event Will Be Held As Usual Despite Problems of Sugar Shortage and Drought

Plans for the annual harvest festival of the Northville Presbyterian Church are nearing completion. In spite of the sugar shortage, canned fruit will be on sale and the baked goods booth promises to be as great an attraction as ever.

The women of the Union have made hundreds of aprons of all types and the Nellie Yerkes Auxiliary girls have been sewing on babies' and small children's articles for their booths.

The vegetable booth will offer garden produce and fruit and under miscellaneous will appear good things to eat, plants and other novelties.

The white elephant table will have antique hunters and a fish pond will interest the boys and girls.

A noon luncheon, which school children attend every year, will be served, beginning at 11:30 o'clock by members of the Nellie Yerkes Auxiliary. At 3:30 o'clock a roast turkey dinner has been planned under the direction of the Woman's Union.

Six Mile Home Destroyed by Fire

The home of Mr. and Mrs. Seckon on Six Mile Road was completely destroyed by fire Tuesday forenoon. The cause of the fire is unknown but once the flames had started the house was quickly consumed.

The house was located on the Belle Dairy farm. The creamery caught fire also but was quickly extinguished by firemen.

The extent of damage was not known at this time of writing but only a little furniture was rescued from the blaze.

Fire departments were present from Livonia, Redford Township and Northville.

Veteran At His Work

PHOTO - BILLY ROSE
This week's veteran at his work is Myron L. Utley. Myron entered the Marines July 10, 1943, at San Diego, Calif., and stayed there until June 29, 1944. His duties were those of a truck driver and chauffeur.

While overseas he was located on Tinian, Marianas. He holds one battle star for the Asiatic Pacific campaign. Other medals he holds are the Victory ribbon, American Theatre and the Navy Unit Commendation. He left Sasean, March 15, 1946 for San Francisco and from there went to San Diego for his discharge, April 13. His rank at time of discharge was that of a corporal.

He is now employed at the Automobile Club station. In the photo he is seen washing a car at his place of employment.

Myron Utley is the son of Mr. and Mrs. Roy Utley of Ridge Road. His engagement to Jean Cooley of Fairbrook Road was recently announced.

Northville and Milford Scoreless In Opening Game

Mustangs Outplay Visitors on Cass. Benton Field; Penalties and Fumbles Cost Northville Victory

Opening the local gridiron season in the Twin Lake League, Northville and Milford played to a scoreless tie last Friday. Northville outplayed their opponents throughout the game, being on Milford's 2 and 5 yard lines several times only to be thrown back by penalties or fumbles.

FIRST QUARTER
Milford received and lost the ball on last play with a fumble on the 50 yard line. Northville took the ball to Milford's 2 yard line and was off side and lost ball on downs.

SECOND QUARTER
Milford advanced to the 49 yard line kicking to Northville and the Mustangs took the ball to the 1 foot line and were penalized for pushing Northville's left 15 yards and a 4th down pass was intercepted by Milford on Northville's 5 yard line. Northville held and Milford punted to Northville's 45 yard line. Northville fumbled and Milford advanced the ball to the 50 yard line.

SECOND HALF
Milford kicked to the 5 yard line. Northville advanced the ball to the 20 yard line. Northville failed to gain in 3 downs. Returner blocked and the ball came back to Northville. Milford kicked to Northville's 45 yard line and Northville's 45 yard line. Northville passed for 20 yards and 1st down. An end run and broken up pass and Northville held. Northville took the 11 on the 10 yard line. The Mustangs gained on the 1st and 2nd downs and fumbled on the 13 yard line.

Milford fumbled and after two punts down a short pass over center hit 16 yards. Northville made 1st down on their 45 yard line. Northville was penalized for 5 yards and ended with the ball on Northville's 42 yard line.

The fourth quarter Northville continued to threaten Milford with pass, hand and run, every one making first downs and gains of no mean proportion, with out side and interference penalties. The Mustangs kept Milford a long way from their goal all thru the fourth quarter and forced Milford to kick to keep the ball away from their goal. Final score, Northville 0, Milford 0.

The first game of the year Northville looks like it eleven has the making of a team that would be hard to beat. Hard luck and penalties alone saved Milford from defeat.

Officials for the game were: referee, Joe Fleming of Dearborn; umpire, Gus Hanson of Ferndale; head linesman, D. Salisbury of Detroit.

Today's game will be played at Clareville at 5:30. The lineup for last Friday's game was as follows:

Hold Worship and Social Meetings

Youth Movement in Presbyterian and Methodist Churches Opens With Election of Officers

Northville's youth work is progressing nicely under the leadership of Miss Marcella Lead. Presbyterian and Methodist young people are well launched on their fall and winter program, the various departments holding worship and social meetings in the two churches.

Last Sunday at 5:30 p. m. the Young People's Intermediate League met at the Methodist Church. Parlor. A business meeting was held at which time the following officers were elected: president, Robert Prom, vice president, Nancy Ryder, secretary, Hazel Hammond and treasurer, Robert Clark. Discussion and worship service followed, the theme being "Hands - Ways of Being Helpful." Next week Nancy Ryder will lead a discussion on the topic "Kinds of people I like and Why."

The Northville Youth Fellowship met on Sunday evening at 6:30 p. m. at the Methodist church parlors. The business meeting (Continued on page 6)

New Minister of Northville Baptist Church to Preach Here at Morning and Evening Services

Recently called as pastor to the Northville Baptist Church, the Rev. Walter C. Ballagh of Clarkston, will be speaking to the local congregation at both the morning and evening services of Sunday, October 6.

For nearly nine years Rev. Ballagh has served as pastor of the Clarkston Baptist Church. Since he has witnessed a very marked growth in membership under his ministry. He also served for one year as Minnesota State Executive of the Bible Missionary League. In addition to other duties, he conducted a Bible program known as "The Family Altar."

Rev. Ballagh and his family expect to move to Northville either this weekend or the first of next week.

The Ballaghs have four children, a son, David, and three daughters, Evelyn, Eve, and Norma.

As a welcome to their new pastor and his family, members of the local congregation have arranged a cooperative fellowship supper and reception to be held in the church dining room, beginning at 6:30 o'clock next Friday evening, October 11.

Harper Britton Takes Over Treasurership at Supper Meeting Monday Night

About seventy workers of the Presbyterian Restoration Fund gathered for a supper and meeting on Monday evening and laid plans for raising the \$18,000.00 fund. Harper Britton was presented as the treasurer. The committee is composed of Lee M. Eaton, Walter L. Couss and Clarence R. Davis. Callers who are to go out this week will stress first attendance at the World-Wide Communion Service and the three succeeding Sundays during the month of October, second, enlisting people in the program of the church and asking them to support their officers and third, sharing through the Restoration Fund in helping Christian work throughout the nation and restoring the 117 year old Northville Church.

Jack VanCoeveering, "field and stream" editor of the Detroit Free Press, presented the program of the church and asking them to support their officers and third, sharing through the Restoration Fund in helping Christian work throughout the nation and restoring the 117 year old Northville Church.

Former Northville Boy Show Winner

Fifteen year old Tommy Richardson of Cheboygan won first place on his year-old Hereford heifer at the recently held Cheboygan County Fair. He expects to show the animal again during Farmers' Week at East Lansing next February. Tommy also won second prize as the jockey rider of his race horse in a contest last Sunday in Cheboygan.

Tommy is the son of Mr. and Mrs. Ray Richardson who formerly lived in the McCrumb house on First street, the family moving to Cheboygan about a year and a half ago.

CONGRESSMAN GEORGE DONDERO:

Our Nation in the World Today and Our Relations With Communist Russia

Our position as a nation in the world today and life behind the iron curtain of Russia was discussed by Congressman George Dondero of Royal Oak in his talk at the Annual Teachers' reception and dinner given by the Northville Rotary Club, with Exchanges as guests on Wednesday evening of last week.

Recalling the 150th anniversary on September 17 of the adoption of the American constitution, he quoted Benjamin Franklin and Abraham Lincoln on the endurance of our nation, then paraphrased the quotation to ask: "How long can a nation conceived in freedom endure?"

He felt that this was the big problem facing this nation today and that the same problem faced a number of other freedom loving nations.

The speaker based his talk in part on his experiences as a member of a congressional committee which last year traveled 20,000 miles in six weeks while making an investigation of UNRRA activities in Europe and North Africa among the nations visited were France, Germany, Italy, Poland, Scandinavia, Poland and Russia.

A "cathin" dinner was served by the women of the Methodist Church to the nearly 500 guests. After dinner Lynn Sullivan presided and introduced Mr. Dondero who presented the teachers, maintenance staff and the board of education Mrs. Ruth Pennington presented a group of vocal numbers accompanied by Miss Bailey.

George Samaras introduced Congressman Dondero as the speaker at the evening.

The Congress man pointed out that the small nations of the world have come to realize that the big powers do not always mean what they say, and that the United States as a result is a lost prestige.

Russia has broken 27 international treaties since 1935, he continued, and "our former ally" is now trying to live up to the Yalta agreement.

He felt that the small nations of Europe would back the United States in international affairs but that they were afraid to do so because of Russian bayonets within their borders.

Our concept of the state and the Soviet ideology are diametrically opposite each other. Where we believe that the state exists for the benefit of the individual, the Soviet believes that the individual exists only for the benefit of the state.

We are public enemy number one in the eyes of the rulers of Kremlin because we block them from imposing their rule and ideology over other nations.

These rulers of Kremlin and their followers count only about 3,000,000 just a small percentage of the Russian people. The rest of the people are friendly to U. S. and want to live with us, but they are kept in check by constant terrorism under the OGPU or secret state police.

Mr. Dondero reviewed our \$11,000,000,000 in lend-lease to Russia during the war, and said that about \$1,000,000,000 in food, machinery and equipment had been sent to Russia since the end of the war. But in spite of this, Russia remained the "one fly in the ointment to block peace treaties."

Opens New Farm Supply Store

Roger Christensen Has Opening of New Store Building Planned for Saturday

This week Roger Christensen, well known farm machinery dealer, opens his new Farm Supply Store at the corner of Hutton and E. Main streets. The new building has been under construction for some months and represents the very latest in space and display requirements for modern farm machinery.

The new store is to "serve you better than ever" according to Mr. Christensen. He will carry a complete line of J. I. Case Farm Machinery and parts, Goodyear tires, feeds, dog food, hay and straw.

Religion School Opens Monday

Northville Methodist Church is Host to School for Leaders of Churches of Surrounding Area

The annual School of Religion for the churches and young people of Garden City, Newburg, Northville, Plymouth and Roseville Gardens opened on Monday, Oct. 1st at 7:15 p. m. at the Northville Church. The school will continue for five weeks in Garden City, Michigan in October and the 1st in November. Rev. J. Carson, minister of the Northville Methodist Church, is the director of the school. Rev. J. Carson is minister at Garden City, Michigan. The school is a cooperative effort of the churches and young people of the area.

There will be four classes presented: a nine week "The Church in the Church School" taught by Rev. J. Carson; a six week "The Church in the Church School" taught by Rev. J. Carson; a six week "The Church in the Church School" taught by Rev. J. Carson; and a six week "The Church in the Church School" taught by Rev. J. Carson.

"Teaching the Children of the Nursery and Beginner Department" Mrs. Ray Bowser of the Newburg Methodist Church will be the teacher of this course. It is designed to help in the use of materials, methods to be adopted, and guides in understanding the child. Miss Marcella Lead is to be sponsor of the class.

"At Work For A Christian World" leader, Mrs. Russell Steininger, a former missionary in China. This course has been planned to help the missionary leaders of the local church. Sponsor of the course is Rev. Francis Wilson.

Persons are expected to register for only one class. There will be two sessions each evening for the class.

Poles Erected On Athletic Field

Fence Will Be Started Nov. 1 in Time for Plymouth Game; Seek More Popular Response

This week the poles and reflectors have been installed at the new Community Field. The grass is showing up green in places, and sets of concrete bleachers are under construction directly below Dunlap street.

The fence is to be started Nov. 1st and will be erected by the 15th of the month. All this takes money and everyone is urged to send in their contribution to this worthy project as soon as possible.

Honor Softball Team at Dinner

The Allan and Locke softball team, which finished second in the Northville Softball League, was feted at a dinner in the Northville Hotel Tuesday, September 24. A beautiful trophy was presented to the deserving team by George Fisher in behalf of the Northville Softball Club.

Among those present were Mayor, Dorin and Charley Gebner, a former member of the Detroit Tigers team.

Racing Meet Opens With 7516 Fans

Despite Cold Weather Fine Crowd Attends Opening Night of 30-Day Meet

An enthusiastic crowd of 7,516 racing fans welcomed the old American sport of harness racing back to Northville Downs last Wednesday night when the beautiful little half-mile track reopened its gates for a fall presentation of 30 nights of racing under the flood-lights with pari-mutuels.

Both the crowd and the total mutuel handle of \$120,746 were opening night records for the Detroit suburban track, which carried the sulky sport with pari-mutuels to its all time high in Michigan during an 18-day meeting in last July and early August.

The fall beginning in both crowd and mutuel handle bids auspiciously for Northville where earlier this year all records in its 3-yr. history were shattered by rabid followers of the trotters and pacers. The \$187,132 wagered on the closing night of the summer meeting and the crowd of 12,121 who bet that amount set records.

Before the first race, the Northville High school band under the direction of Bandmaster Leslie G. Lee, paraded before the stands, playing several fine songs.

Auto Crash Fatal to Peritt Youth

Mark H. Peritt Died at Hospital Sunday Following Crash at Schoolcraft and Farmington Roads

An automobile accident which occurred Saturday resulted in the death of Mark H. Peritt, twenty-three year old son of Mr. and Mrs. Alfred Peritt of Farmington Roads.

Mark, who had recently been employed at the farm, was enroute to his home, driving a new 1946 Ford sedan, when he crashed into a tree at the intersection of Schoolcraft and Farmington Roads.

He was taken to the hospital where he died Sunday morning. The car was badly damaged and the driver, Mr. Peritt, was injured but not seriously.

The wedding to Yvonne Simons of Flint had taken place only last Friday night and the bride was at the Peritt home here awaiting the return of her husband, when the accident occurred.

Becker is said to have been unhurt and his car only slightly damaged.

Blue Star Mothers to Hold Tag Day

The Northville Blue Star Mothers will hold a tag day on Saturday, October 12. Mothers will offer tags to local and visiting folks all during the day and evening. Receipts will be used for rehabilitation work for veterans by the local chapter.

Mrs. Elsie Larsen is chairman for this project and will be assisted by a committee of Blue Star Mothers. The Villa Hat Shoppe will be used as headquarters for the workers.

The controversial sales tax diversion amendment, sponsored originally by mayors of Michigan big cities and now supported by public school teachers, is due for a showdown in about 30 days.

On November 5 the registered citizens of Michigan—those who qualify by registration laws to cast a ballot—will make a fateful decision.

This column has presented both sides of the issue pertaining to diversion of one-third of the state sales tax revenue to local governments, plus freezing of a state aid formula into the state constitution that would remove public school appropriations from the legislature.

It is becoming increasingly apparent that public school teachers caught in the postwar inflation, are badly underpaid and are in need of better salaries.

It is also becoming more and more apparent that something has got to give way. If Michigan voters authorize a \$270,000,000 bonus for Michigan war veterans, they also authorize a bumper state aid formula for schools and cities. How both of these proposals can be put into effect without badly disrupting state services, which for the most part involve people in home-town communities, has been a subject of considerable concern with administrative officials at Lansing.

Democrat nominee Van Wageningen has referred recently to the likelihood of the two proposals being approved by the voters on November 5. This likelihood, he warns, increases the need of Michigan having an experienced state administrator in the governor's chair who knows how to handle the new problem.

State Treasurer D. Hale Brainerd is a nominee for the state office on the GOP ticket, has sharpened his pencils recently and arrived at an estimate that the \$270,000,000 veterans' bonus would require the additional expenditure from the state general fund of approximately \$15,500,000 a year for many years to come. This amount, significant only inasmuch as it is little more than the surplus accrued in the general fund during the 1945-46 fiscal year after all disbursements had been made.

Latest figures from the office of John D. Morrison, State Auditor General, indicate a year's surplus of approximately \$11,500,000. Had the veterans' bonus been in effect during the past

year there would have been no surplus at all.

It is generally conceded that the veterans' bonus (Ballot Proposal No. 3) has a much better chance of being approved by the voters than the sales tax diversion amendment (Ballot Proposal No. 2).

We have noted little if any attack on the bonus proposal. We have noted considerable controversy—pro and con—about the proposed school aid and big city dividend to secure state revenue.

Therefore, when the latter is being considered on its merits it seems logical to take for granted that the bonus will be approved. Personally we believe that so it is the case.

If such is done, you arrive at a point where the much talked about surplus is non-existent, as the above reasoning indicates. Retail department store sales are currently running about 50 percent over the same period of year ago—an amazing fact, but nevertheless quite true. How much longer the postwar inflation boom will continue is anybody's guess, although government economists have been warning in consistent tones that a readjustment or recession is due sometime in 1947 and if it does come it will be a sharp one. We should get ready to face up to the demand for more in food and balance.

It was actually not so long ago—during the Frank Murphy administration in fact—when the auditor general's office was buying red ink by the gallon. A treasury deficit grew into the millions. Welfare demands were high and people could not be left to starve. A deficiency was created by the welfare load, and Republican politicians began to make political capital of the fact that the Democrats were running the state into debt and that it was high time the voters turned to Republicans to do something about it. Sure, it's right on the record.

While state payrolls have increased steadily administration after administration, the record shows unmistakably that state and to local governments has gone up steadily. It is not easy to paint the other fellow's kettle black. For example,

State payments returned to and benefiting local governments grew from \$89,000,000 in 1937 to

\$178,000,000 in 1946—a ten-year period. The total of operating expenditures and reserves, for all purposes, shrank from \$160,000,000 to \$281,000,000. Read this paragraph again. Who's taking advantage of whom?

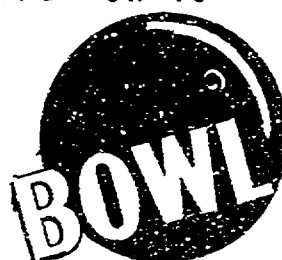

Republican Nominee Sigler has declared repeatedly that legislators should get more money; that legislators, as well as school teachers, are underpaid. Democratic nominee Van Wageningen has his own proposals calling for more state financing, one of them being for veteran bonuses at a rate of one and a half percent of a veteran's annual income of around \$500.00 each.

With the veterans' bonus added to the state expenditures, it seems unlikely that the state government will reduce its spending in the next administration. In fact the chances are that new taxes will be imposed—especially if the sales tax amendment is added to the bonus as additional demand on public funds.

The lower rates do not take into consideration other state taxing factors. The University of Michigan and Michigan State College, by legislative authorization, have already run up expenditures for the year of over \$6,000,000. If you consider the cost of education and the state welfare department has a deficiency of about \$1,500,000.00 due to higher living costs. On top of this there are other expenditures which are in sight.

The much-touted about surplus at Lansing is largely an illusion, if prudent citizens take into consideration an impending veterans' bonus and existing de-

Mrs. Russell Ault has been on the sick list for several days.

A fire broke out on Hubbard Avenue, near the corner of Grand River, on Saturday afternoon. The fire was extinguished by the fire department.

The fire department was called and prevented the flames from spreading to the building. Small children playing with matches are said to have started the blaze.

The Kauranen family, of Mayfield avenue, visited with relatives in Detroit Sunday.

Mrs. A. W. Ault was the victim of a severe cold last week.

Several local ladies, under the auspices of the Veterans' Association, journeyed to Detroit Friday and participated in the popular Misses party.

Mrs. George Kauranen made arrangements and the affair is to be broadcast October 9th.

A religious program was in order at the Neighborhood Bible School Sunday morning. In connection with the Scripture lesson missionary hymns were sung and stories told. Assisting in the program were Norma Judd, Francis Kauranen, Joanne Craig, Joanne Willet and Donald Kauranen.

At the close of the session the birthday bank was opened and all the pennies counted. It is planned to send the birthday money in to a leper colony in time to assure the children of that place a happy Christmas.

Vacation was the topic during the Sunbeam session at the last meeting of the Sunshine Sisters, held in the Neighborhood Church Wednesday afternoon, Sept. 22. Following the song service and devotional service several ladies present described their vacation trips during the past season. Those taking part included Mrs. Cecil Willet, Mrs. Arthur Muir, Mrs. Lewis Jennings and Mrs. Marvin Addis.

The story of Mrs. Addis, who had travelled both to California and through New York this year, proved especially interesting. Birthday congratulations were extended Mrs. Hennan Schult.

Also, a new neighbor, Mrs. Doherty, was welcomed into the group. The next Sunshine meeting will be held in the Neighborhood Church at 2 p. m. October 9th.

TOMATOES ARE HIGHER
Louis "Corky" Grimes, 2, Chicago, knows that tomatoes are plenty high in the local stores, but says that they come even higher in his neighbor's yard. This giant tomato plant in the yard of Frank Grimes' is 8 1/2 feet tall. Believed to be a record.

YOUNG DEADLY... Ed White Jr., 16, Atlanta, Ga., has his trigger weighed by Captain Castner at Camp Perry, O., preparatory to going on the small-bore firing line. Young White competed in the junior division of the national rifle and pistol championships.

Now for the answers to our questions. Which of all these parties is right? What is salvation? What does it mean to be saved? How is one saved? Can one know if he or she is saved?

There is two ways of knowing a thing. First, Through the testimony of others—this may be either by word of mouth, from those who have had actual experience and know through the senses of seeing, hearing and feeling, or by the written word of those who have had personal experience and know through the senses of seeing, hearing and feeling.

Second, Through personal experience, perceived directly by the senses of seeing, hearing, and feeling.

The testimony given by the disciples of Jesus Christ, or the servants of God, as regards eternal salvation, is called scripture.

In many cases scripture is copied by man, rewritten and translated from one language to another; and in so doing, many times mistakes are made; the wrong word is sometimes used, or sometimes word is left out; and in some cases the wrong impression is implied. And because of these errors made by man, God has provided a means by which these errors, omissions, and mistakes can be rectified.

To begin, He (God) has a record, in his kingdom of all things that is said and done, in the hearts of all kingdoms. And whenever He (God) wants a thing known to the inhabitants of a certain kingdom He sends a messenger to that kingdom, with the information. And that information, when given, is accurate and true, and is the word of God. The one who receives the information knows for himself that it is true and genuine. But the ones to whom he repeats the information, does not know that it is true, they have only his word for it, unless the Spirit of God enlightens their minds and persuades them to believe it is true. This then is a belief, and in many cases is sufficient and all that is needed to satisfy some believers.

While this is a belief and satisfies many minds it is not a personal knowledge, obtained by personal experience through the senses of seeing, hearing and feeling. The believer, excepting to be heard and read, according to his training and conviction. But the inquisitive mind is not satisfied with a belief only. He goes further and seeks to know through personal experience.

These are the ones who have communion with the powers and hosts of the very, and as the one who speak and write scripture.

Scripture, which is usually in the nature of short discourses, sometimes called epistles, are

often found collected together and bound into one book—like our Bible. These epistles, or scriptures, are written for the express purpose of instructing and informing those who read, as is written in 2nd Timothy 3:16, 17—

"All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be perfect, thoroughly furnished unto all good works."

PLEASANTLY SURPRISED
Mr. and Mrs. Alfred Smith and family of Beal Ave. were pleasantly surprised recently when their son and brother, Cpl. Alfred Smith, Jr., returned home from service. Al received his discharge at Fort Sheridan after spending fourteen months at Guam. It is his first trip to Northville as when he entered service the family resided in Vermont.

Another son, Stanley, received his discharge in January after serving in the European Theatre. Last Friday marked the first time the brothers had seen each other since June, 1944.

"On hand to welcome Al were Mr. and Mrs. Robert Smith and family. Mr. and Mrs. William Smith, Mrs. Tim Smith and sons, Jim and August of Detroit."

Presbyterians Helping the Cimade

THE French CIMADE is an or-
ganization of French Protestant
young men and women who worked
underground during the Nazi occu-
pation.
It is one of the youth organi-
zations in Europe being helped
through the \$27,000,000 Presby-
terian Restoration Fund. When the
war ended the French CIMADE
asked American Christians to send
them six workers to aid them in
their rehabilitation activities. Two
of the workers shown above are
young Presbyterian ministers Burt

Lewis and Ray Teewissen. The
photograph at the upper right shows
Nicole Rousseau, a member of a
prominent French family who man-
ages a center for assistance to
refugees in Paris. In the lower left
hand corner, is Tania Metz who
works in the CIMADE center at
Carpentras.

Other survivors include a sis-
ter-in-law, Mrs. Anna L. Barn-
hart of Flint.

Mr. Barnhart, who was almost
30 years old, was born near Flint.
He graduated from the Universi-
ty of Michigan in 1935 and was
employed at one of the Northville
plants for about three years.

He then taught
a Flint school for a few years.
He served as principal of Union
High at Grand Rapids from 1935
until 1942.

Mr. Barnhart was united in
marriage with Anna L. Barnhart
of Northville in 1937. Mrs.
Barnhart passed away after a
severe illness.

MARK PORRITT
Mark Henry Porritt of Ex-
mouth avenue passed away at
Wayne County General Hospital
Sunday morning, September 23,
at 9:23 o'clock at the age of
twenty-three. He was the son of
J. and M. Porritt.

Funeral services were held at
the Catholic Home, Tuesday
afternoon with the pas-
tor of the Episcopal Church
conducting. Burial took
place at Rural Hill Cemetery.

Survivors of the deceased are
his mother and father, Mr. and
Mrs. Alfred Porritt, his wife,
Yvonne, a brother, Alfred Jr.,
and a sister, Grace.

Mark had lived in Northville
only three years, moving here
from Plymouth with his parents.
He had been employed for some
time past at Flint and with his
bride of a day, the former
Yvonne Simons of that city, had
just returned to Northville.

Mr. and Mrs. Earl Montgomery
of Thayer Blvd. expect to leave
about Nov. 15 for a vacation in
Florida.

NEWS AND NOTES OF COMMUNITY INTEREST

FRITZ - LYKE

The home of Mr. and Mrs. Amrose Fritz on North Center street was the scene of the wedding uniting their daughter, Theda, to Harry Lyke, son of Mr. and Mrs. Clinton Lyke of Napier Road, last Saturday afternoon at four o'clock. Rev. William Richards read the single ring service.

The house was decorated with fall flowers. The bride was given away by her father and for the occasion she chose a medium green street length dress with black accessories. Her flowers were white roses and gardenias. Mrs. Lillian Ash, sister of the bride, was the matron of honor. She was dressed in cocoa brown and her flowers were bronze and yellow chrysanthemum and yellow roses.

Russell Lyke, brother of the groom, served as best man. For her daughter's wedding, Mrs. Fritz chose a black sequin dress and Mrs. Lyke wore a blue dress. Both mothers wore corsages of pink carnations.

Following the wedding a buffet supper was served at the Fritz home, only the immediate families being present. The supper was served from an all white table.

The young couple are enjoying a wedding trip to northern Michigan. They are traveling by car and will be gone one week. For the trip Mrs. Lyke chose a grey suit with black accessories. They will make their home at 5100 West Eight Mile Road.

NOLL - BALKO

Pebles and gladioli decorated the rooms of Veterans Memorial Hall Saturday evening for the wedding of Betty Noll of Gregory and Harry C. Balko of this place.

Rev. Wm. Richards performed the double ring ceremony. Louis Heston, pianist of the wedding march and accompanist, Maurice Gies, who sang "Because" by the bride, and by her sister, Wm. Workman, the bride was accompanied in white only with a white veil and a white train.

The bride wore a white dress and a white train. The groom wore a white suit and a white tie. The bride's flowers were white roses and gardenias. The groom's flowers were white roses and gardenias.

CLARKE - STILES

The First Baptist Church at Plymouth was the scene of the wedding Saturday evening of Betty Clarke and George Stiles Jr. Betty is the daughter of Mr. and Mrs. George Clarke of Tipton, Ind. and George Stiles of Oxford.

REUNION OF SERVICEMEN

Atlee White Estate, New York City has been the guest of the Don Severance of Nov. Ave.

A sister, Evelyn Noll, of Gregory was bridesmaid as was Mazie Markham of Cady street. The brides wore dresses of pastel blue and pink, respectively, and carried bouquets of pink and white roses and mums. Evelyn's hair was with blue ribbons and Mazie's with pink.

Harley Balko acted as best man and Fred Balko, Jr. as usher. The bride's mother chose a dress of green and white for the ceremony and Mrs. Balko wore a champagne dress. Each mother wore a corsage of gardenias.

A reception for one hundred and forty guests followed in the hall. Mr. and Mrs. Balko are spending a week in Traverse City and Illinois, the bride wearing a grey suit for traveling. Upon their return they will make their home at Walled Lake.

Charlotte attended Wayne High school and until recently was employed as a clerk at the Brader store on Main street, making her home with Miss Ethel Seely on Dunlap street.

Harley attended the Northville schools and served for more than three years in the army, most of the time in Africa. He was discharged last fall with the rank of sergeant. Harley is employed as a carpenter.

Confined Turkeys May Be Profitable

Many Advantages Seen
For This System—But!

Excellent turkeys may be raised in confinement. Better control can be secured. The method is well adapted for growers with small sized flocks. For late-hatched birds that are not ready for range before fall weather begins, where there is danger of soil contamination, on high-priced land or on farms with limited acreage. Also the problem

Turkeys on range at Pennsylvania experiment station. Range is seeded to orchard grass and Ladino clover.

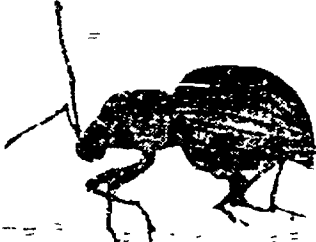

of predators, etc., may make it advisable to grow turkeys confined. Acreage, topography, drainage and texture of the soil are other important factors that H. H. Kauffman of Pennsylvania state college recommends be considered when ranging turkeys.

Labor, expense of equipment, overhead expenses, etc., are often smaller when large flocks are reared on range than in confinement. In hilly country the turkeys should be moved to the valleys in the fall, as they reach maturity, and the season of stormy weather approaches.

Japanese Long-Horned

Weevil Invades U. S.

Another native insect pest of Japan may prove a nuisance to American if not destroyed in time says Harry B. Weiss, chief of the N. J. bureau of plant industry. The

Japanese long-horned weevil which has been introduced into the United States.

Japanese long-horned weevil was first discovered by Weiss in 1918. The adults are primarily foliage feeders on more than 100 host plants, including shrubs, ornamentals, shrubs, deciduous trees and evergreens. The use of 25 per cent DDT dust was found effective at Connecticut in the control of the Japanese long-horned weevil.

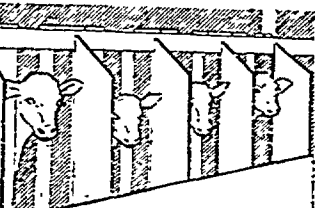

Fertilize Your Apple Trees During October

Late September, October and November is the time for making a fall application of fertilizer on bearing apple trees.

The nitrogen which gets into the trees this fall is an insurance that the trees will get off to a good start next spring, believe D. S. Brown of the University of Illinois.

For trees of good vigor, an application of sulfate of ammonia, or its equivalent in another nitrogen carrier, at the rate of from one fourth to one half pound per year of tree age may be used. The fall application should be followed by another at or before time of bloom in the spring.

Partition for Calves

When calves are placed in the barn for feeding, complete partitions should be erected in order that each calf secures its proper amount of food. Proper growth cannot be accomplished when calves of various ages and sizes are allowed to compete for their daily ration.

Outbreaks of European

Red Mites in Orchards

Because of the fact that DDT does not kill European red mites but does destroy certain of the insects that prey on this pest, the increase of the mites in orchards is of vital concern.

While the feeding of the insect during September and October will have little effect upon the fruit crop, they do injure the tree permanently. A dinitro spray, D-4, or summer oil spray is effective.

Northville's Yesterdays

ONE YEAR AGO:

Even under the handicap of cold weather, rain, and a dire shortage of gasoline, the Northville Downs got underway Tuesday night for the fall racing season. About 2000 people were in attendance.

George E. Starr of 119 West Cady street employed in the Detroit railroad offices since 1914, retired Sunday as the age of 64. Mr. Starr came to the Detroit Terminal Railroad in 1914 and joined the Pere Marquette as a clerk in 1919 and became supervisor of the demurrage in 1939, a position he held until his retirement.

The Northville Exchange Club with the cooperation of T. P. Biddle of Northville Coach Lines, has erected a shelter at the corner of South Center and West Main street for servicemen and bus riders.

Last Friday, Sept. 28, the Northville football squad, led by Captain Ben Lister, satisfied the expectations of coach R. W. Doeksen by holding Keego Harbor to a 6-0 tie.

Ladies of the Presbyterian church are busy getting ready for the annual Harvest Festival, which is scheduled to be held at the church house, October 13. The affair will begin at ten o'clock in the morning with a dinner in the evening to climax the day's events.

FIVE YEARS AGO:

Dr. Howard R. Chapman, pastor of the Baptist Church, is Dean of the sixth annual School of Religion which opens here Monday, October 6, drawing church members from nine communities.

Robert Bray, son of Mr. and Mrs. Starr Bray of Rogers street has earned his wings and was commissioned a flying officer at ceremonies held at Randolph Field recently.

Forced by a strike from the C.I.O. at the Novi Equipment Company which employs about 250 workers, all workers were handed a statement of policy late Wednesday afternoon over the signature of Lewis W. Welch, president, informing them that if the C.I.O. forces a contract upon them, the business will be liquidated.

Eight Grand Trunk railroad section crew employees were injured last Monday when the maintenance car on which they were riding was struck by an automobile driven by John Valley of route 3, Milford.

The score of the Northville victory of the 1941 football season became a reality last Friday when the home team defeated Pontiac in a 27-0 game at Cass, Pontiac Park.

The sixth annual school of religion for the Northville-Plymouth area will open with a 6:30 p. m. supper Monday, October 6 in the Northville Presbyterian Church.

TEN YEARS AGO:

Six water machines in the new \$750,000 Ford factory were set to work Monday and valves regulating 27 operations each are being turned from both buildings this week.

Supr. W. A. Ely and Dr. L. Woodard W. Snow were elected members of the Wayne County Republican convention, Wednesday.

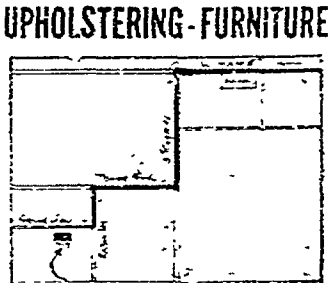

Completing the season's football games in a blaze of glory, winning five straight games, two from the Maybury sanatorium and three from the Johnson men, Benjie and Mahrie Ford walked off with the championship pennant.

Sunday's rain chased some 500 spectators to the Goodfellow's.

Fair into the auditorium at the William H. Maybury Sanatorium. Marriage vows were pledged Saturday in the Methodist parsonage by Miss Vera Coleman and Francis Saunders.

Miss Beth Northrop and Knowles Ebers were married Saturday evening.

Mr. and Mrs. Victor J. Lumley were feted at a surprise party, honoring Phyllinda Glee Lumley, age four weeks, Wednesday evening at the Martin J. Koldyke home. The guests gave Phyllinda Glee a bath table.

FIFTEEN YEARS AGO:

With the fair circuit season over, the Porch horses are back in their barns with 21 new ribbons to their credit.

With the rain splashing him in the face, the mud splattering over his rider's silks and the rest of the field trailing through the mud, Dr. H. H. Burkhardt's colt, Walzac, won the quarter-mile dash at the Mesquora Hunt Race meeting, near Oxford, last Saturday.

Ted Watts, Northville athlete, was one of the big ground gainers for Albion college last Friday evening when Coach "Bud" Daugherty's eleven opened the season by turning back the Detroit Institute of Technology 13-0.

A good sized audience greeted the Rev. Frank N. Miner, the pastor of the Methodist Church, in his introductory sermon last Sunday morning.

Earl Montgomery went to Ann Arbor Tuesday and brought back Charles Ruffenberg from the University hospital where he underwent an operation recently. Charles will probably spend the winter with relatives in Detroit. He would have been a member of the senior class of the local high school.

THIRTY-FIVE YEARS AGO:

The Methodist people gave a reception Wednesday for the Rev. and Mrs. Ralph Pierce who have recently been returned to Northville by the Methodist conference.

Bird Season Opens October 15

Upland bird hunters who go afield October 15 above the straits and October 15 in lower Michigan for some of the state's sportiest shooting have a special problem of split-second recognition this season, with the bag limit on "pats" down to three and sharpshooters and prairie chickens protected in some sections.

Cover is a useful but not entirely dependable guide to the bird hunter, as normally ruffed grouse (partridge) are found in woods, while sharpshooters and prairie chickens are in open country. When flushed, partridge normally flee to woody cover while sharpshooters and prairie chickens head for the open, out conservation department game men say the hunter will have to look sharply in each instance, as all three species are erratic in their wanderings. Flight characteristics and color patterns, which have to be learned in the field,

are considered more reliable guides as to which bird is which.

Territory closed to prairie chicken and sharpshooters includes all of lower Michigan and the western part of the upper peninsula in Gogebic, Ontonagon, Houghton, Keweenaw, Baraga and Iron counties and parts of fall.

Dickinson and Menominee counties south of highway M-69.

With ruffed grouse at a low stage of their cycle of abundance bird hunters this season are urged to give some consideration to woodcock, another sporty target expected to be plentiful this and from counties and parts of fall.

For that...
