How much effect this recom-mendation will have on Ballot Proposal No. 3, the \$270 million veterans bonus, is a matter for voters to decide. The bonus will add \$17,500,000 annually in tax cost to the state's general funds. The Michigan Farm Bureau has

isco last week for a national con-

come out strongly against it.
Significant fact: The \$50,000,000 veterans, trust fund, authorized by the state legislature, was originally proposed as a sensible substitute for the cash bonus.
