Sessions Hospital To Care for Vets

Arrangements Made for Local Hospital to Cooperate in Work of Veterans' Administration

"Home town" hospital care for eligible veterans is now in operation in Northville with final arrangements being completed by Sessions Hospital and the Veterans Administration through Michigan Hospital Service.

The new program for veterans care, pioneered in Michigan by the Veterans Administration, was designed to help relieve the great demands upon the regular veterans hospitals. It authorizes veterans to go to any registered hospital when care or treatment in a veterans institution is not "feasibly available." A similar program, which entitles veterans with service-connected disabilities to receive treatment and care from local doctors, is also in operation in Northville through Michigan Hospital Service.

Michigan Hospital Service and Michigan Medical Service are the non-profit Blue Cross Plans of Michigan.

The procedure to be followed by veterans in obtaining hospital care is briefly as follows:

The veteran who needs care will apply through his local Veterans Administration Post Office representative to the Veterans Administration. The V. A. will determine eligibility and subsequently issue authority for care to the Michigan Hospital Service which will forward the authorization to the veteran. The veteran will present the authorization to the hospital at a time of his choosing.

As the hospital is one of the many in Michigan which has been authorized to participate in the program of providing "home town" medical care, hospital care to veterans with service-connected disabilities.

Following these classes, the leaders convey the lessons to members of their own individual groups. Among the localities represented in this district are portions of Detroit, Redford, West Point, Brightmore and Plymouth.

The Wayne County Home Extension Department of Michigan State College sponsors these selfhelps for homemakers.

"Life on Ocean Wave" Dance Tune

In tune with the strains of "Life on the Ocean Wave," the caller begins: Two head ladies, cross over, and by the gentleman stand. Two side ladies, cross over, and all join hands. Honor your corner lady, honor your partners, all. Swing your corner lady, and promenade the hall.

This is one of the more stately quadrilles, which is performed on alternate Wednesdays in the High School gymnasium at 8:30 p. m. Others range from the most energetic square dance to the graceful waltz. Interest and enjoyment are added by the old time round dances which include the polka, schottische, gawotte, waltz, and minuet.

Novices need not feel out of place, for there are many new members this year. The Oldtime Dancing club will welcome all interested couples who wish to join the fun. The next class will be held next Wednesday evening, November 20, and is sponsored by the Northville Recreation Committee.

Downs Offer 2nd \$5000 Stake Event

Last Week of Popular Six Week Fall Meet to be Climaxed by Pacing Derby

In the closing week of its highly popular and successful fall season, Northville Downs will close the season and end two \$5000 stake events, the \$5000 "Michigan Pace Derby" set for Friday night.

At the same time Sam Weidrick, general manager, stated that a \$2500 race for trotters will be presented on Saturday night, the final night of the 1946 season. In this race at 1 9/16 miles, Koola, world record trotter for 1 3/4 miles in 2:32 and other fast trotters will attempt to better the time of 3:13 established at Northville last year by the pacer Charming Scot.

On last Friday night, Proximity, 4-yr.-old mare, owned by Ralph and Gordon Verhurst, of Rochester, N. Y. and driven by Whitey Dennison, captured both ends of the \$5,000 Northville driving Club Trot. With racing over a muddy track the time of 1:15 1/2 for 9/16 and 2:30 for 1 1/16 miles was slow but Proximity found the going to her liking, winning the dash by three lengths and the longer race by five lengths.

Javadale, driven by Tommy Winn, of Northville and owned by Edwin M. Stout Jr., of Pontiac, was second and Peter Day, owned and driven by Joe Rice, of New Castle, Pa. was third in the 9/16 of a mile race while at 1 1/16 miles, Billy Carleton, handled by Walt Dispannatt, of Munroe, Ind. and Ragweed Bob, piloted by Muay Macdonald, of Stratford, Ont. were second and third respectively. Governor-Elect Kim Sigler and his all-Republican state administration at Lansing are going to have a financial headache of pre-Volstead proportions after January 1.

All because of Michigan's Nov. 5 atomic bomb—the voters' thumping approval of the sales tax amendment and the \$270,000,000 veterans' bonus.

How to solve the problem of operating state public services on revenue shorn of two-thirds of the state sale tax—the traditional Michigan goose that lays the golden eggs—is sure to give Governor-Elect Sigler and his advisors plenty of worry. The state legislature will have to wrestle with the problem in the 1947 general session, certain to be convened early in January.

Legislators will be confronted with two tough alternatives. First, should state services be drastically curtailed or eliminated in order that the expenditures of the next fiscal year (starting July 1, 1947) may be brought into balance with the state's shrinking revenues?

And if so, what services should be lopped off or dropped? Should the state educational institutions—University of Michigan, Michigan State College and all the others—be granted additional funds for housing of veterans, completion of needed classroom buildings, and other improvements long deferred since advent of the Great Depression in 1933?

How about hospital additions? Twenty more guards are needed at the state prison at Jackson? Well, the list is long. Someone must make a decision: someone must make a priority. We sympathize with the legislature trying to work this one out. It's not going to be easy.

Second, should the State of Michigan enact new taxes? The \$270,000,000 veterans' bonus, for example, will be financed chiefly by state bonds. These

bonds, if sold at 1 1/2 per cent interest and retired in 20 annual installments, will cost well over \$300,000,000. The interest cost alone would be \$42,000,000.

While the amendment limits a bond issue to \$270,000,000, it also provides that any person who served in the armed forces between Sept. 16, 1940 and June 30, 1946, and who was a resident of Michigan at least six months prior to entering the services and who served for more than 60 days shall receive a bonus. This bonus will be computed at the rate of \$10 for each month of domestic service and \$15 for each month of foreign service. The maximum payment is to be \$500.

However, additional payments are also authorized.

Surviving dependent relatives (husband, wife, children, mother, father, brothers and sisters) of a service man or woman who died or who shall die hereafter from service-connected causes incurred between Sept. 16, 1940 and June 30, 1946 shall be paid a sum equal to the difference between what he has received and \$500.

How much will all of this cost the Michigan taxpayers? The Michigan Public Expenditure Survey estimates the bill at \$343,000,000. It believes that the general fund will be called upon to supply \$31,500,000 as an ADDED amount to the \$270,000,000 bond issue. The \$42,000,000 interest cost rounds out the bill-over sum.

In presenting this information, we wish to remind our readers that this column predicted Nov. 5 adoption of the veterans' bonus. We have presented the pros and cons of the sales tax diversion amendment; the "pros" consisting of a statement from the Michigan Education Association and the "cons" consisting of views of Sigler, Van Wagener, and practically all state officials from Governor Kelly down.

Lansing state officials were near unanimous in their opposition to the amendment. Citizens of the capital city, where substantial building is proposed to house the state's many departments and services, voted two to one against the amendment. The state building program must be radically reduced.

While it may be early to arrive at conclusions, all signs at present point to the likelihood that the state legislature will enact NEW taxes or will INCREASE present taxes in its 1947 general session.

It is agreed at the capitol that the financial pinch may not come immediately in 1947. The state could get along fairly well for a while, utilizing reserves and balances now available in the state treasury.

For example, one of these reserves is a \$50,000,000 veterans' fund which was created by this legislature back in 1943, "for the purpose of liquidating Michigan's obligations, after the termination of the war, to its returning servicemen, their widows or dependents." This fund was made possible by state surplus of revenues over expenditures during the war boom.

It was the original thinking of state legislators, back in 1943, that this reserve fund would take care of the needs of veterans in the immediate post-war years and that the question of a state bonus could be postponed until Congress arrived at a decision of whether a federal bonus was going to be paid. Congress has already authorized more than \$12.5 BILLIONS in federal expenditures for GI benefits; a federal bonus is certain to be considered in the near future.

If the imposition of NEW or INCREASED taxes collides with the promised 1947 "recession," the problem will become more acute than ever.

Instead of reducing the state sales tax from 3 to 2 1/2 per cent, as Sigler suggested during the fall campaign, he may have to ask for an increase in this or

other taxes at a time when pocketbooks are already badly pinched to cover the rising cost of living.

Of course, a legal way out would be for the state supreme court to hold the new amendment invalid. A suit is sure to be filed by someone.

One thing is sure. Lansing is going to have quite a show!

REMEMBER the man who said, "If I had some ham I'd have some ham and eggs IF I had some eggs?"

We sympathize with him. We meet up with new "ifs" every day. Huge quantities of copper, lead, steel . . . of lumber, rubber, textiles . . . are required to expand the telephone plant. Yet all are hard to get.

Meanwhile we're doing our best with what we have. No "ifs" about that. To bring telephone service to as many waiting applicants as possible. Michigan Bell is using

existing equipment to the limit and installing additional equipment just as rapidly as conditions permit.

We already have filled a large majority of the orders received before January 1, 1946, and we hope to complete the remainder of these orders by early next year—in many cases sooner than that. Of course, in areas where facilities are available, we are filling many orders that have come in this year. And by late 1947, we hope to be on a ready-to-serve basis everywhere.

Northville's Yesterdays

ONE YEAR AGO:

Northville horse racing has gone "Big Time." That fact was demonstrated here at Northville Downs, the smart little fair-grounds race plant during the 35 nights of racing at the fall meeting, which came to a bang-up close on Saturday night, when all state harness racing records were knocked sky-high.

The marriage of Lt. Dorothy Mae Heaton, A.N.C. of Northville to Cpl. Stephen Curtis Hinshaw, III, U.S.A.A.F. of Lawrence, Kansas was solemnized Wednesday in the U.S. Army Chapel in Rheims, France.

Union Thanksgiving services will again be held in Northville, Thanksgiving morning. The Presbyterian church will open its doors at 10:30 for such a worship service. Rev. W. Leslie Williams will deliver the service.

Last Friday, November 9, the Northville football squad finished this year's schedule, bowing to Walled Lake 32-13. Northville finished the season in fourth place in the league, with 2 victories, 3 defeats and 2 ties.

FIVE YEARS AGO:

To be on location for the very opening of deer season, sportsmen began the annual exodus to the northwoods as early as last Sunday.

Walter Falconer of Redford, has bought out the Rose Bakery on North Center street. He took over Monday of this week and is continuing the policy set by W.

E. Rose of giving the community good taking goods.

Funeral services were held Wednesday for South Lyon's major and former Oakland county supervisor, Walter Marshall, aged 71, who died Monday when his car crashed into a tree near Wikom.

Dr. Eugene B. Elliott, state superintendent of public instruction, gave the principal address at 11 a. m. Tuesday, Nov. 11, in the Training School, where patriotic plaques were presented to seven Livonia township schools.

TEN YEARS AGO:

Two protestant churches of Northville, the Methodist and Presbyterian, have received gifts of \$1000 and the Baptist church has received \$500 from the estate of the late T. G. Richardson, according to the will made out by him prior to his death, June 26.

Fifty additional men have been added to the Ford factory payroll within the last 10 days, bringing the total number of men working in the old plant and in the recently completed building to 400.

R. T. Baldwin, Northville Record editor, was the victim shortly after 9 p. m. Wednesday of a bullet from a .22 caliber rifle which was shot from the Boy Scout shooting gallery in the Elliott building on Main street.

Funeral rites were held at 2:30 p. m. from the Salem Congregational Church for Miss Elizabeth Wittich, 74-year-old Record correspondent for the Salem column, who died Nov. 5.

SIXTY YEARS OF LIGHT..

Just sixty years ago this week, electric lights winked on for a handful of Detroiters—eighty-nine, to be exact. Amid applause and excitement, four little generators in the Edison power plant at Washington Blvd. and State St. (which now houses Detroit Edison's downtown office) had begun to hum.

As overworked housewives cleaned the soot from kerosene lamp chimneys, they thought enviously of the new lamps. Off and on, they had been thinking of them ever since Thomas Edison invented the incandescent lamp seven years before. But, though some of these women might have foreseen a day when they could flood their homes with sunlight at the flip of a switch, they couldn't have dreamed of a time when lamps would purify the air they breathed or sterilize the food they cooked. And they would have been incredulous had they been told that electricity soon would be accomplishing a score of household chores.

Similarly, the husbands of these women, reading by flickering lamps about John L. Sullivan's latest battle, might have looked forward to a day of better lighting. It isn't likely, though, that many of them foresaw the growth of southeastern Michigan into a great industrial giant. How could they visualize vast factories lighted day and night by hundreds of thousands of fluorescent lamps?

Yes, it was an historic event for Michigan. But the Edison Illuminating Company did not consider itself a public benefactor—bringing Edison's priceless gift of light to a darkened city. Far from it. It thought of itself as just another small business—it had little realization of its destiny.

The first bills were high. Many of those eighty-nine customers used their current recklessly, demonstrating their lamps to friends and playing with them as though they were toys. It was November, when the nights are long and the days are dark. And the rate was more than six times as much as you pay today.

As people saw the advantages that electricity had for them, they sought electric service. The business grew. With its growth, service improved and rates began to go down. They are still going down.

Today, more than 850,000 customers are served with light and power by Detroit Edison. Quite a contrast to the eighty-nine of sixty years ago.

THE DETROIT EDISON COMPANY

FIFTEEN YEARS AGO:

Within the next few months the milk condensing plant of the Gordon Bakery Company will be moved to LaGrange, Ind.

Dr. Robert H. Haskell, medical superintendent of the Wayne County Training School, was one of the speakers Tuesday at the Governor's Conference on Child Health and Protection at Lansing.

A saving of approximately \$4,900 without decreasing the enrollment has been effected in the operation of Northville Public Schools. The per capita cost for one year has been reduced from about \$119 to less than \$95.

Four more "mighty Nimrods" have shouldered their guns and hied them to the northern woods for deer. Walter Ware, Clifford R. Turnbull, Bob Lee and Herb Woosac have gone to Covington.

Leslie G. Lee has organized a girls' chorus in the high school. Northville High school came through Friday when the local boys came from behind to defeat Farmington, 7-6.

THIRTY-FIVE YEARS AGO:

Daniel Parmenter, aged 8 years, died Saturday noon of heart failure, the result of an attack of diphtheria.

Miss Mary Hills and Leroy Stewart were united in marriage Saturday.

William Gardner, 83 years of age, died Monday evening at his home on Main street.

The blizzard struck this town Sunday and as a result the ground has been covered with snow. However, we were lucky to get out of it as easily as we did, considering the damage done other towns.

Leo Lawrence was injured seriously in an accident last Tuesday. While riding a bicycle he collided with an auto and was thrown some distance, tearing the flesh on one of his ribs and probably fracturing the bone.

FOX - LEWIS

The Northville Methodist Church was the scene of a wedding last Saturday evening, Nov. 9, when Irene Fox, daughter of Mr. and Mrs. Walter Fox of West Eight Mile Road was united in marriage with William Lewis, son of Mr. and Mrs. George Lewis of Farmington. Rev. W. Leslie Williams performed the single ring service at 8 o'clock.

Musical selections, "Romance, Because" and "Love You Truly" were played on the piano and sung by Irene Handchette. The ceremony took place in candlelight and the church was decorated with pines and mums.

Irene, who was given in marriage by her father, wore a dress of white taffeta trimmed with sequins. It had long sleeves, a round neck and a short train. She wore a fingertip veil and her flowers were gardenias and bebe mums.

Attending the young couple were Mrs. Lena Uphogrove of Rochester and Mrs. Freda Uphogrove of Detroit, both dressed in blue, and Mrs. Mae Handchette of Wayne and Esther Miller of Grand Rapids, in pink gowns.

Little Carr Holman was ring bearer while Rosemary Avery carried the flowers.

Performing the duties of best man was Walter Fox Jr., brother of the bride. Seating the guests were Carson Uphogrove, Garret Uphogrove and Arthur and Charles Ach of Farmington.

This Fox couple is a family of four. Mrs. Fox is a chaperone for her daughter's wedding while Mrs. Lewis was dressed in grey. Both mothers wore corsages of carnations.

A reception followed the ceremony at the bride's home. The mother-in-law of the groom, Mrs. Lewis, who is a chaperone for her daughter's wedding while Mrs. Lewis was dressed in grey. Both mothers wore corsages of carnations.

A wedding took place at 7:30 o'clock in the Northville Presbyterian Church Saturday, November 9, at which Shirley Hodge, daughter of Mr. and Mrs. H. H. Hodge of High street and David McElravy of East Cady street, son of Mr. and Mrs. Owen McElravy of Linton, Indiana, were united in marriage. Rev. H. F. Fredsell performed the double ring service by candlelight before an altar decorated with baskets of chrysanthemums and palms.

Mrs. G. V. Harrison, church organist, played the wedding march.

HIX - McCLUSKIE

A wedding which took place at St. John's Catholic Church in Plymouth at 8 o'clock on Saturday, Nov. 9, will be of interest to many people in Northville, where the bride has a number of relatives.

Geraldine Hix of Plymouth was united in marriage to Frank McCluskie also of that place at that time.

The bride was given in marriage by her father. She wore a gown of white satin with a pearl-headed sweetheart neck line, a bustle train and long sleeves. The groom wore a tuxedo with a boutonniere in his lapel. The bride carried a bouquet of white mums and carnations.

Mr. and Mrs. Lawrence Nowinski of Detroit attended the couple. Mrs. Nowinski was dressed in pink and her flowers were pink mums.

Ushers were Robert McLeod, brother-in-law of the groom, of Cincinnati and Glen Lux, brother of the bride.

Mrs. Hix wore an aquamarine corsage dress, and her flowers were white and gold mums. Mrs. McCluskie wore a brown dress and a like corsage.

Mr. and Mrs. McCluskie will reside at 623 Park St., Plymouth. Mr. Hix guests were present from Plymouth, Wayne, Detroit and Northville.

A reception honoring the newlyweds was held at the Northville Veterans' Memorial Hall, Saturday at 6 o'clock. One hundred and fifty guests were present from all surrounding towns. Dancing was enjoyed throughout the evening and refreshments included a large wedding cake.

EAGLES DEBATE

A pro and con program on the question "Should We Get Tough With Russia?" was held at the last regular meeting of the Eagles. A poll was taken following presentation of arguments for the proposal. The result was a tie.

Ralph Bidwell, who is a news reporter for the Detroit News, and Lawrence Dick, worthy conductor of Northville Aerie, presented the debate.

Bidwell contended that we should get tough with Russia, while Drake was opposed. They were appointed by Worthy President Mark C. Larkins and used the arguments prepared by the Varsity Debate Researchers of Marquette University.

A new record player was presented to the local Kindergarten room last Thursday. Mrs. Alfred Millington introduced Mrs. Doris Ware who made the presentation in behalf of the Northville Women's Club.

Little Jane Ashby and Richard Hopkins accepted the gift for the children and Miss Grace Cullock accepted in behalf of the school. After the presentation the children were allowed to enjoy a half hour of music.

A wedding dinner was served at the Hodge home on High street Monday evening in honor of Mr. and Mrs. Dave McElravy (Shirley Hodge) who were married last Saturday. A large, tiered cake was cut by the bride.

Among the guests present were Mrs. Owen McElravy and daughter, Jo Ann, of Linton, Indiana, mother and sister of the groom. Mrs. McElravy and Jo Ann arrived last Friday to attend the wedding.

A school of instruction will be given by the O.E.S. Worthy Grand Matron, Leilah L. Brown for the local chapter and the Plymouth chapter. This meeting will take place at the Plymouth Masonic Temple and a cooperative dinner will be served at 6:30 o'clock.

We wish to make a correction in the story of the Little - Dean wedding which took place, Saturday, November 2, at the Presbyterian Church. Miss Little became the bride of Clyde J. Dean of Pontiac and not Doreen Smith as was stated in last week's Record. Doreen Smith of Northville served as best man.

The Northville Mothers' Club met Monday evening at the home of Mrs. William Petz on Meadowbrook Road.

REUNION

Weekend guests of Mr. and Mrs. Al Wilson (Ruth Leavert) and daughter, Sally, of Eaton Drive were Mrs. M. Straus and daughter, Y 1/c Doris Knudsen, of Jamaica, Long Island.

Doris and Ruth were classmates at the Yeoman School in Cedar Falls, Iowa, and this was their first meeting since Doris was Ruth's bridesmaid at the latter's wedding which took place there November 13, 1944. Mrs. Straus adopted Ruth as her service-daughter while she was in the WAVES but this was their first meeting in person.

The guests arrived Saturday and departed Monday from the Detroit City Airport, making the entire trip by plane.

Members of the Northville Women's Club will visit the Detroit Institute of Art today, Friday. The ladies will hear a gallery talk on colonial art and will also view an exhibit of Michigan art. Mrs. Russell Atchison will act as hostess of the day.

The transportation and program committees have arranged for the round trip, which starts at 12:30 o'clock from the Northville Library. The program at the Institute is scheduled for 2 p. m.

Mrs. Kenneth Cook of Twelve Mile Road was honored with a baby shower at the home of Mrs. George Lien, on Twelve Mile Road on Thursday, November 7. Thirty-five ladies were present from Detroit, Brighton, New Hudson, Milford, Farmington, Novi and Northville.

Bunco was the diversion of the evening, ending with a buffet lunch Mrs. Cook was the recipient of many gifts.

Fourteen ladies, former members of Allen M. Harmon Relief Corps, met at the home of Mrs. Elmer Kator on Rogers street Tuesday for a potluck dinner. The purpose of this meeting was to organize a social club so that the ladies might keep in touch with each other. The name "Patriotic Club" has been adopted. Mrs. Ora Pickell was appointed secretary and treasurer.

After dinner games were enjoyed. The next meeting will be held at the home of Mrs. Harold Farmer on Base Line Road, December 5, beginning with a potluck dinner at 1:00 p. m. The club hopes to raise some money soon for patriotic work.

At the Cub Pack meeting held Tuesday evening, Nov. 12 in the Grade school auditorium the following Cub Scouts received awards: Wolf Badge and Gold Arrow Bruce Rose, Donald Gehring, Red Mapes, Eddie Nash, Arthur Carlson, Peter Mellon, David Boyd.

BENEFIT BRIDGE PARTIES

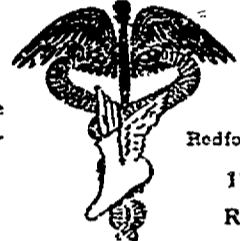

Two benefit bridge parties have been given in Northville recently, one on Thursday afternoon of last week at the home of Mrs. N. C. Schrader on West Main street, and another yesterday afternoon at the J. C. Burman home on Eight Mile Road.

These social affairs were given to raise funds towards the leader dog project which is sponsored by the local chapter of the D.A.R.

Assistant hostesses with Mrs. Schrader were Mrs. Ernest Shave and Mrs. Robert Coolman. Mesdames Allan Buckley and John Litsenberger helped Mrs. Burman with this week's party.

Friday evening, Nov. 29 is the date for the 1946 Senior Prom which is to be held in the High school gym.

DEDICATION—

(Continued from Front Page)
Minister of the Northville Methodist Church.

Introduction of Guests

Immediately after the dedication program Mr. Locke will introduce the honored guests of the evening. At the present time the following dignitaries were expected to be present for the occasion: John H. Bugas, Vice President Ford Motor Company; Frank Davison, in charge of Hydro Plants, Ed. Flaherty, Mgr. Northville Plant; J. C. Doyle, Mgr. Dearborn Branch; A. F. Bauerbach, Asst. Mgr. Dearborn Branch; M. M. Cummings, Industrial Relations Dept.; Frank T. Leonard, Vice Pres. U. A. W.; Robert Liguard, Mayor of Plymouth; H. A. Nelson, Supt. of Plymouth Schools; Sterling Eaton, Pres. Plymouth Board of Education; Louis Schmidt, Principal of Plymouth High School; B. H. Amerman, Supt. Northville Schools; W. H. Cansfield, Pres. Northville Board of Education; C. E. Pierce, Principal Northville High School; Elton R. Eaton, State Representative of Plymouth; Sam Wedrick, Northville Downs Association; Gerald V. Taft, Northville Driving Club.

Immediately following the program the football game will get underway. Northville's Eleven has shown considerable improvement in the last two weeks and are really on their toes for this

post season dedication game. All in all the evening should be one long to be remembered in community progress and betterment.

Just now, last minute touches are being made on the field. The steel goal posts are in place. Extra bleachers have been set up for the evening and the first block of concrete bleachers will be ready for occupancy. The fence will be most completed. Two pedestrian entrances have been arranged, one at the foot of Dunlap street and the other from Griswold street close to the creek. Vehicle entrance will be through the Ford Parking Lot to the big steel gate. Parking facilities will be available just north of the Ford Parking Lot in the vacant field on the north side of the creek.

According to Mr. Locke contributions are hardly keeping up with expenditures but during the last week a decided spurt in turns has come in, all of which are helping meet the bills as they come due. It's a pretty good time to send in your contribution, if you have not done so already. Is your name on the list of donors?

Don't Crowd Beets

At the first turning of beets, they may be left about 1 1/2 inches apart, then alternate plants may be removed for greens before they crowd each other in the rows. Best growing space is about 3 inches apart. They should be harvested when they are about 2 inches in diameter.

FINE PROGRAM

Before a large assembly of Legion and it's Auxiliary members Tuesday evening, a most interesting and educational program was portrayed. Under the direction of Mrs. A. C. Carlson, program chairman, an unheard and natural history of the beginning of the Lloyd H. Green Post and Auxiliary was dramatized by each year's commander and president. Each stood behind a large picture frame with beautiful pots of yellow and bronze mums as decorations. The history of each year was read by Mrs. Carlson and the post-commanders and presidents added highlights and recalled memories which created many a laugh. Twenty-four commanders and eighteen presidents have served during the years, with some serving two terms, throughout the twenty-eight years of the organization.

Through the courtesy of the Jones Floral Co., Mr. and Mrs. Ray Casteline, Mrs. J. H. Todd and Mr. and Mrs. George Fisher, the beautiful setting for the affair was made possible. Refreshments followed the entertainment.

The next big event of the local Legion and Auxiliary will be the joint 17th District meeting here from 31 posts and units of the surrounding area will be guests at a banquet and program on Wednesday, December 4th. Further particulars will appear in another issue of the Record.

Sales Stimulant
Color as a sales stimulant cannot be overestimated. Raymond Lowey, celebrated industrial designer of everything from "tip-ticks" to locomotives," told the recent convention of the Painting and Decorating Contractors of America.

High Coasting Speed
Coasting speeds of more than 70 miles an hour have been reached on the American clipper sled. The coaster lies flat on the sled in "belly-down" position. He wears spiked shoes and uses his feet for both steering and braking.
