## Easter Seal Sale Ready for Kick-off

The 14th Annual Easter Seal Sale in Michigan will be held from March 6 to April 6. The Northville Rotary Club is sponsoring the local sale of seals.

Organized 26 years ago, and incorporated under the laws of Michigan, the Michigan Society has since that time promoted a continuous program leading to physical care, special education, vocational guidance and training, social and economical adjustment for all types of physically handicapped persons in Michigan regardless of the cause of crippling.

Tracing the history of the Michigan Society, Mr. Emmet Richards, President of the Society states:

"The challenge of 26 years ago that gave birth and impetus to our Society has not diminished, and the challenge before us today and for the future should stir us all to renewed and increased effort. For us the greater challenge is to provide the means whereby a physically handicapped person in Michigan shall be given the privilege accorded his more favored fellows. A great task—and a greater challenge—and we pledge ourselves to meet it."

The many friends throughout Michigan, made up primarily of volunteers, are urged to marshal their forces for the greatest effort ever in order that adequate funds might be raised to carry forward a more complete and enlarged program for the handicapped throughout Michigan.

The very generous people of Michigan who have so ably supported the cause in the past are urged this year to give their full measure of help through their generous purchases of Easter seals.

## Suggests Basis for 1948 Work on 7 Mile Cut-Off

Following several years of consideration, request, appeals and pleas for relief for the traffic on Main street, by the Village Commission and residents of the Village, the Wayne County Road Commission offered this tentative proposition to the Village Commission Monday night.

A communication over the signatures of C. L. Wilson, and M. J. O'Brien, County Road Commissioners, presented a proposal briefly as follows: Regarding the proposed extension of Seven Mile Road from its junction with Northville Road to the Hines Drive, by-passing the business section, the commission states that the cost of purchasing a right of way, building a bridge over the Rouge River, and paving the section would cost approximately \$100,000.00—proposed—if the village could see fit to assume the cost of 50%, or \$50,000.00 the Road Commission believes that the project could be included in the program for completion in 1948. The Road Commission respectfully requested the attitude of the Village Commission on the matter. The financing of the local contribution could be spread over a five year period. The communication was taken under advisement for further consideration at a future meeting of the commission.

On Oct. 14, 1943 he was married to Mrs. Rector, coming from Sherwood. The young couple resides at 542 Carpenter Street, Bill is the son of Mrs. W. A. Rector.

## Red Cross Starts Annual Roll Call

In conjunction with the nationwide Red Cross campaign for 1947, Northville volunteers will launch their campaign March 6th, with official campaign work carrying on through the balance of the month, according to Geo. A. Locke, chairman of the 1947 Northville Red Cross Fund Campaign.

"Many men are still overseas and in service in the United States," Locke said, "and these boys are still being aided by the American Red Cross. In addition to their war service work, the Red Cross peace-time activities now include first aid, home nursing, water safety, civilian blood donor services and many others."

At an organization meeting held Monday afternoon of local Red Cross officers, plans were set up covering the complete canvas of the village and township, with assignments for different blocks to individuals. The list of captains and block solicitors will be ready for publication next week.

From each room a group of the ten best spellers will be chosen and the team of twenty will hold another contest on March 23 to find the best speller in the building. This person will have the privilege of representing the district at the Metropolitan Finals at a later date.

## Rocks, Mustangs Clash in Meet

This week-end March 6-7-8, the District Tournament will be held at Farmington. The results of the drawing held at Farmington last Tuesday are that Northville will play Plymouth on Friday and Farmington will play Redford Union Thursday in the semi-finals. These are the only class B schools to participate in the tournament. The winners of the semi-finals will play on Saturday to decide the district class B tournament championship.

Inasmuch as Redford Union's record this season is not up to par, our choice is Farmington. The Plymouth-Northville game, however, will be a different story, since both teams are high in their respective leagues and Plymouth will be determined not to lose its third game to Northville as the Mustangs will be to win its third from Plymouth. We predict many minutes of seat-edge football, leaving Northville and Plymouth rosters alike, limp and more than a little rattled. However, in view of the results of the last two Plymouth-Northville games, we find ourselves favoring Northville to win.

Four class C schools will participate, playing one game on Thursday, one game on Friday and the playoff on Saturday. The entering schools are: Clarenceville, Dearborn - St. Alphonsus, Inkster, and South Lyon.

The starting times for all three days are 7:00 and 8:30 with the class C schools playing first, H. L. N. H. S. Mustangs.

We, the teachers of Northville, give assurance that we will not strike.

## Hospital Will Be Model Plan

By ARNOLD J. LEVIN

When, and if, the Northville State Hospital is built, Michigan's mentally ill will be afforded every modern facility to restore them to a normal life, State officials declared.

Begging for funds from a State treasury hard hit by the sales tax diversion amendment, the proposed institution, 50 miles from Detroit's City Hall, is planned to eventually house 3,500 patients.

It will contain units for: psychomotor, acute medical, and continued medical treatments, the aged and infirm; the chronically ill, and those who have deteriorated into a near hopeless condition.

It will look like a hospital, not a barred, gloomy, prison-like asylum.

It will combine the best features of Michigan's mental institutions, correct the deficiencies found in them, and give the State "a model for the nation," Adrian N. Langus, State building and construction division director, declared.

"This is a forward looking plan that will incorporate facilities for the modern treatment of mental illnesses," Charles F. Wagg, executive secretary of the Mental Health Commission, asserted.

## CLINIC FIRST UNIT

The first contemplated unit on the 500-acre Northville site is a clinical hospital building providing facilities for 770 patients at an estimated cost of \$7,500,000. When the other units are completed, 33 more buildings will be in the area, with total cost estimated at \$20,000,000. There will be bus service to Detroit every 20 minutes.

Emphasizing the treatment which will be made available to Michigan patients at Northville, Wagg said the psychiatric treatment facility, bringing all curative factors together, is the first of its kind in the state and one of the first in the nation. In addition, there is no continuing medical treatment unit in any other Michigan mental health institution.

Dr. Charles A. Zeller, State director of mental health, said this would provide incentive for patients to voluntarily obtain early treatment for mental disorders which might develop into serious afflictions.

"We may be able eventually to establish part of the institution on an outpatient basis, with the patients coming and going as they choose," Zeller said. "Such a step would be a step toward prevention."

UNIT SEX SEGREGATION—No theoretical line dividing the institution into two sections, for male and female patients, will be drawn at Northville. Instead, segregation by sexes will be maintained in each unit, so that doctors treating particular disorders will have their patients in one group of buildings.

"The idea is to provide better administration and more efficient care," Wagg said. "We will have a better understanding of the needs of the patients and be able to meet them more effectively."

## May Reinstate Vet Insurance

Veterans may now reinstate their war-time (term) National Service Life Insurance without a physical examination at any time before August 1, 1947. Under previous law the one-year expiration date was August 1, 1947.

To reinstate, the veteran must submit a statement that he is in good health as he was when his insurance lapsed and must remit two months' premiums for the amount of insurance he desires to reinstate.

Michigan World War II veterans should send premium payments to Veterans Administration, Branch Office No. 6, 52 S. Starling Street, Columbus 8, Ohio.

For further identification, the veteran should write his insurance certificate number on the margin of his check or money order.

The community counseling centers are cooperating with the VA and the veterans' organizations in a nation-wide campaign to reinstate war-time insurance.

Reinstatement blanks and rate books are available at counseling centers and from veteran organizations service offices.

## Girl Scouts Will Attend Church

As next Wednesday, March 12, marks the thirty-fifth anniversary of the Girl Scouts, the four troops of Northville will attend the Presbyterian Church in a body for the nine o'clock morning service, this Sunday. They will meet in a body in the basement of the church preceding the service.

In uniform, as were the Boy Scouts a few weeks ago, they will take part in the professional and sit in the center portion of the church. Corine Clark will furnish the music for this early service.

The Girl Scout troops will also hold "Open House" at the Scout building next Friday, March 14 in honor of Girl Scout Week. The girls will wear their uniforms and will serve tea to their guests. Everyone is invited to come and inspect the local troops.

The Village has been informed that Attorney Samuel J. Touna, of Detroit has been engaged by George Rischer of Northville, threatening suit for the collection of \$3100.00 back pay under the G. I. Bill of Rights. Rischer apparently claims he was an officer in good standing on the Village police force when he entered the service. Under the G. I. Bill of Rights he was entitled to his old job without prejudice and was refused that right by the Village Commission. His attorney now wishes to know what attitude the Village Commission takes in the matter, threatening suit, etc in the interest of his client.

The matter was placed in the hands of Village Attorney, Harvee Britton.

At the meeting Monday night a legal opinion obtained by the Commission at the time the Rischer matter was being considered was reread for the information of the Commission.

How Michigan is to finance its \$270,000,000 veterans' bonus is still an unsolved problem of the state legislature, now beginning its third month of deliberation.

Approximately 620,000 men and women will receive cash payments as evidence of the state's deep gratitude for their patriotic service and personal sacrifice. These benefits will be in addition to the annual earnings of the \$30,000,000 veterans' trust fund, proceeds of which are to be administered by local units of veterans' organizations.

A touchy topic is whether the veterans of World War II and their relatives should be taxed along with the rest of the people in the state to pay off the bonus bond issue and interest on bonds. Nothing was said about taxes last November when the bond issue came before the voters. But the problem is still on the books, and money must be raised somehow to foot the bill. Like an infected tooth, it must come out of someone's pocketbook.

The bonus matter, of course, is involved closely with the overall picture of state finances. Governor Ross Sigler sought to induce the legislature to put the controversial sales tax amendment on the April election ballot. Lack of a third majority in the Senate blocked this move.

Not a test out is being filed to find out whether the amend-

Addition of 1 cent to the present 4-cent-a-gallon gasoline tax (Michigan's gasoline tax is now 3 cents.)

Addition of 25 per cent to the alcoholic beverage tax (Michigan increased its take 10 per cent in 1946 to raise funds for cities.)

Addition of 1 per cent on top of an existing 2 per cent tax on the gross income of utilities.

Increase in personal income tax by raising the 50 per cent basic rate to 60 per cent.

You will note that in most of the above taxes the cost would be paid in part by war veterans and their relatives. In fact, surprising as it may seem, Governor Dewey frankly takes the position that it is not practical to finance the bonus of this size without general taxation. In proposing a bi-partisan commission to study the bonus, Governor Dewey observed: "Before long, the million and a half veterans and their wives, parents, children, brothers, sisters and other relatives will constitute at least eight out of every 10 people in the state. They and their relatives therefore will be paying for whatever benefits are voted."

Democratic leaders in New York state denounced Governor Dewey. They say the bonus should not be paid by veterans and their relatives; they suggest

ment is constitutional. The Michigan Education Association, spokesman for school teachers, has filed a suit to mandamus the State Treasurer and State Auditor General. These officials decline to fork over additional school funds until the court decides.

Another law suit is pending to test the validity of the \$7.50 per day allowance for legislators' living costs (room and board) while away from home on state business. Senator Otto Bishop, Alpena, chairman of the state finance committee, sponsored this bill which the Senate and House adopted and which Governor Sigler signed.

Philip C. Kelly, attorney in Jackson, has filed a suit challenging the law's constitutionality.

It is recalled that four attorney generals, prior to Attorney General Eugene C. Black, ruled that legislative expense accounts were illegal under our state constitution.

Attorney General Black was frustrated in efforts to collect \$2,500 a year living expenses by Auditor General Murl Aten who declined to honor his claims. Black retaliated by commuting daily between Lansing and Port Huron, his home town, via a state automobile and state-paid gasoline.

Mr. Black's deputy, Leo Brennan, who also sought to collect living expenses, has returned to the Upper Peninsula to accept a governing appointment as judge. The Lansing attorney was probate judge of Beraga county at an annual salary of \$2,500 prior to his arrival in Lansing. He served as probate judge on a part-time basis.

Two bills have been introduced in the Michigan legislature to help finance the Michigan \$270,000,000 bonus to war veterans.

Senate bill 94, sponsored by Senator Trapp Bonine, Bishop and Fletcher, would impose a 1 per cent tax on taxable net income, if reported for federal tax purposes. Senate bill 97 (Mittlen, Down and Heath) would remove the \$7.50 ceiling from the state corporation tax.

The first measure would finance the bonus payments by a levy on all persons. Income tax. The second measure would accomplish the same thing at the expense of corporations. "Big business as the politician traditionally say."

A combination of what may be said in the legislature when the matter comes to a head. Governor Thomas E. Dewey was made the target of attacks by Democratic leaders recently, when he advocated a combination of new taxes to finance a proposed \$400,000,000 veterans' bonus. These taxes would raise \$40,000,000 a year — a sizeable sum — in the following manner:

Addition of 1 cent to the present 2-cent-a-package cigarette tax (Michigan has no cigarette tax.)

Addition of 1 cent to the present 4-cent-a-gallon gasoline tax (Michigan's gasoline tax is now 3 cents.)

Addition of 25 per cent to the alcoholic beverage tax (Michigan increased its take 10 per cent in 1946 to raise funds for cities.)

What the Michigan legislature will do is yet to be decided. With the \$30,000,000 trust fund intact and a \$270,000,000 bonus well on the way, Michigan will have done well with its veterans. On a national basis the record is equally good, if not better.

Last fall in the four-year colleges alone over the nation there were more than 700,000 veterans as full-time students. The Veterans Administration recently reported that 2,258,937 veterans were attending schools or taking job training up to Nov. 30.

Unemployment benefits of \$20 a week for 52 weeks are available to ease the readjustment of veterans. Veterans have the advantage also of retaining life insurance to the amount of \$10,000 at a lower rate of premium than is available to the public. They have medical care or hospitalization and pension rights. The \$270,000,000 bonus in Michigan and the \$400,000,000 bonus in New York are all part of the big picture—expressions of gratitude from the Nation.

NEWS AND NOTES OF COMMUNITY INTEREST

**MARRIED IN BERLIN**  
According to the Detroit News, the wedding of Miriam Joliffe, daughter of Mr. and Mrs. E. V. Joliffe of Beck Road, Plymouth to Captain Norman Kovall took place last month in Berlin.

Miriam, who is well known here, has been serving with the American Red Cross Club in that country and the captain is an officer in the Dental Clinic, Headquarters, Berlin command.

**NEWS OF FORMER RESIDENTS**  
Among the artists pictured on the first page of the woman's section of a recent Sunday edition of the Detroit News was Mrs. Charles Y. Dusenbury, wife of a former Northville resident. Under her professional name, Marianne Stengel, she is a well known weaver of rugs and textiles at the Cranbrook Academy of Art. Mr. Dusenbury is a graphic sculptor, according to the News story. The Dusenburys live in one of the northern suburbs of Detroit.

Mr. Dusenbury, younger son of Mr. and Mrs. Ross Dusenbury, resided here with his parents and older brother, George, some years ago. The family owned and occupied the home on Base Line Road, at the intersection of Grace Ave. on the property formerly known as the Chas. Yerkes farm. Mrs. Dusenbury Sr. is the daughter of Mr. and Mrs. Yerkes.

Some years ago the acreage was subdivided and is now known as Oakwood.

The senior Dusenburys, with their son, George, and his family now live near Tryon, N. C. Both Mr. and Mrs. George Dusenbury are writers, the former contributing to Look Magazine. A book written by him, is now in its second printing.

**PLAN A CARD PARTY**  
The regular meeting of the Blue Star Mothers will be held at the home of Mrs. Chas. Westphal, 212 High Street, on Monday, March 10th, at 7:30 p.m.

The group are planning a card party for the month of April and a rummage sale in May. Anyone who has contributions for the rummage sale will please leave the same at the home of Mrs. Emma Rineholdt at 240 Fairbrook Ave. Any discarded article will be appreciated.

**FLOWERS FROM ENGLAND**  
Mrs. Robert Rembowski of 719 Horton Avenue, who lives in England, celebrated her birthday for the first time in her new homeland. Mrs. Rembowski arrived here last April from North Hampton, N. H. In an interview with her at her home, Mrs. Rembowski told us that she has continued to find Northville a very friendly place. She said she is rarely homesick, maybe just a little on Monday, March 3, when the florist brought her favorite flowers, red carnations, as a birthday remembrance from her mother, Mrs. David Cope, in England. Her mother will visit Mrs. Rembowski in June of this year. Mr. and Mrs. Rembowski are kept busy these days making plans for the additions to their residence which they are hoping to start this spring.

**GUEST DAY**  
The Northville's Woman's Club will meet this afternoon, Friday, in the Village Library at 2:30 p.m. Professor Wesley H. Maurer of the University of Michigan Journalism Department is to be the speaker. His chosen topic will be, "Gardens through the Season." Members are reminded that this is guest day and they are requested to bring a friend.

**SUNSHINE SHOWER**  
Mrs. Aubrey Gies and Mrs. Philip Anderson were hostesses at a sunshine shower recently for Mrs. Russell Lyke at the Anderson home on West Eight Mile Rd. Nineteen ladies were present and bingo was the diversion of the afternoon. Refreshments were served and Mrs. Lyke received several nice gifts.

**Grace Graduate**

Shirley Maclean

Miss Shirley Maclean is now a graduate nurse, having completed her nursing program at Grace Hospital in Detroit. Invitations to the commencement exercises read: "The School of Nursing of the Committee of Grace Hospital cordially invites you to attend the 57th Annual Commencement of the February 1944 to February 1947 class, on Thursday, February 27 at eight o'clock at the auditorium of the Detroit Institute of Arts."

After commencement a reception was held at the home of her parents, Mr. and Mrs. Donald C. Maclean of Fairbrook Ave. Mrs. Minnie Rine, Shirley's grandmother of Iron Mountain, came to Northville for the graduation and is visiting here for awhile.

Shirley has not yet decided where she will start her nursing career, but she is going to take a months vacation before resuming her nursing duties.

**Photo Club Dance This Friday Eve.**

The Photo Club members of Northville High School are sponsoring a dance on Friday, March 7, in the high school gym. They named their dance the "Shutter Bug Bounce," and are inviting the general public as well as the high school students to attend. Dancing will begin at 8:00 o'clock and continue until 11:30, so guests will be welcome both during and after the tournament games.

Money which the students receive from dues and special projects is being saved for the purchase of photography equipment and supplies, and also for improvements in the darkroom. At present, facilities are very inadequate.

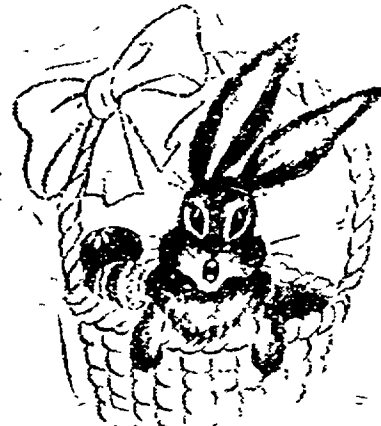

The club was organized last fall for the purpose of encouraging a worthwhile leisure time activity. Thus, the members have been gaining skill in picture taking, developing film, and making prints. They also want to do enlarging as soon as they are able to buy an enlarger.

While the club has been limited to senior high students, the request has been made to organize a Junior Photo Club as well. The interest is there, and the request will be granted by next year if we are able to equip our darkroom so more students may work in it at one time. Until then, however, the organization of a new group will have to be postponed.

**SWIMMING STARTS AGAIN**  
The Girl Scout Council met last Wednesday, February 26, in the Scout building. The most important item of discussion was the new swimming program for the Girl Scouts, which will be held each Tuesday in the Wayne County Training School Pool from 5 p.m. to 7 p.m. Mrs. G. V. Chabut is chairman of the project. A Red Cross life guard will be on duty at all times. All children who are to swim must present swimming cards, to Mrs. Chabut, signed by both doctor and parent, no later than next Saturday, March 8. The children will meet at the Scout building promptly at 4:30 and cars will be provided for transportation. This program will continue for 12 weeks and it is hoped will culminate in a "Water Show", to which the parents will be invited.

Miss Elizabeth Beard spoke on the Cedar Lake Established Camp for Girl Scouts which will be held June 25-August 13. She suggested that reservations be made early this year.

During the meeting the group worked assembling small leather merit badges, which will be presented to various scouts for special recognition.

**SURPRISE BIRTHDAY DINNER**

Those present for the celebration were Mr. and Mrs. Charles Frankentfield, of Keego Harbor, Mr. and Mrs. Harry Roberts, Plymouth, Mr. and Mrs. Merrill Sweet, Mf. and Mrs. Jack Dewsbury and Mr. and Mrs. Al Zimmerman, all of Northville.

In loving memory of our dear mother, Louisa S. Johnson, who passed away two years ago, Mar. 12, 1945.  
The Lord called you home where there is no pain or suffering. But all the loving memories you left behind for us to share. For in God we trust will keep you in His arms to rest. Sweet as a pet where you are laid.  
Many visits in silence we have paid.  
To lay a flower in remembrance of thee.  
So sleep on dear Mother, rest in peace.  
You are gone but not forgotten and never will be.

## Mustangs Capture Double Victory

Playing before a capacity crowd, the Mustangs finished their league schedule in a flashing blaze of glory by winning both ends of the evening's program.

In the opening quarter of the first team game, although the tip-off went to Northville, the Milford squad soon gained possession of the ball to make the first basket of the game, a field goal. With Milford in control of the court the whole quarter, the prospects were not bright for the Northville boys. As the quarter ended, the score stood: Milford 9, Northville 2.

In the second quarter, which featured fast, even dazzling play on the part of the Mustangs, Northville scored thirteen points to Milford two, a comeback which threw the whole crowd into pandemonium. The score was, at the end of the half: Northville 15, Milford 9.

The third quarter featured play as fast as that of the second, with the Mustangs again leading the scoring. They piled up twelve points against seven for Milford. The score at the end of the quarter: Northville 27, Milford 18.

The fourth quarter scoring was led by Milford scoring ten points against Northville's seven. The Mustang's margin however, was too great for the Milford team to overcome in one quarter. The game score: Northville 34, Milford 28.

The second team, playing in first class style, won its end of the program Friday night also. The score at the end of the half: Northville 19, Milford 10.

In the second half the boys held their lead but because of that over present height advantage were unable to keep the margin. The game score: Northville 30, Milford 28.

This win is not the result of good luck. Rather, it is the result of a whole season's hard work, hard knocks and persistence. Good luck fellows and may your next year's squad be an all season winner.—H. L. Mustang

The district basketball tournament for the area will be held this week end at Farmington. Two games were played Thursday night, Friday night at 8:30. Plymouth beats Northville Saturday night the finals of both Class "C" and "B" will be held. Admission is 40¢ for students and 65¢ for adults.

## HOSPITAL ...

(Continued from Front Page) unit treatment, with each unit almost a hospital in itself.

"The buildings will be of the most modern design and construction, with some glass brick walls and plenty of light and air. There will be single rooms, double rooms and some four-bed ward rooms.

NO BARS ON WINDOWS  
Langus asserted there would be no bars on the Northville windows. Where needed, safety screens will be installed.

There will be an auditorium with stage and film screen and radio service to all buildings. The "chronically disturbed" patients who are restless, assaultive, suicidal or noisy will be in a unit set apart from the rest and designed to provide "greatest security and observation," Langus added.

"Everything is provided for the complete comfort of the patient," he declared. "More than 18 months of research and study went into the designs. We will get efficiency in a centralized, concentrated plan but at the same time with an eye to beauty."—Detroit News.

## Candidate for Church-Scout Award

Dennis Curl of Scout Troop Number 1 is a candidate for the new Church-Scout Award called for "God and Country" which is available for protestant young people. It is based on service to the Church and the Community and the character of the young man. His particular assignment aside from attending Church and Sunday School regularly is to assist at the 9 a. m. service at the Presbyterian Church. His duties include carrying the Celtic Cross which leads in the processional of the Junior and Intermediate Choirs. At the service of Holy Communion on Palm Sunday he will assist the Pastor as communicants partake at the communion rail.

The Celtic Cross, which is carried each week by Scout Dennis Curl, is the symbol of the Westminster Fellowship, the youth group of the Presbyterian church. It is the handwork of John W. Blackburn and is a replica of the cross and the circle representing the world-wide fellowship of the church.

## Cub Pack Meeting Tuesday, March 11

A course in "Cub leadership and Crafts" will open March 10th at 7:30 p.m. at Clarenceville High School and run for six consecutive Monday evenings. The leadership course begins at 7:30 and lasts until 8:15 p.m., at which time the crafts course begins and lasts until 9:00 p.m. One can enroll in one or both these classes. The fee is \$5.00 for the leadership class and \$3.00 for the crafts which fee includes all materials used.

The craft course includes Metalcraft, Leathercraft, Weaving, Braiding and Plaiting and General Crafts. This last takes in rubber mold making, plaster casting, Sequin jewelry, painting, paper craft and wood craft.

This is an opportunity for the mothers and fathers of Cubs who might wish to take a more active interest in their child's activity and at the same time learn some thing that will give them many hours of pleasure. Anyone interested in enrolling please contact Mrs. Carlson at Northville 402, but do it now because classes start next Monday.

The Cubs have been very fortunate in finding three new Den Mothers. Those volunteering are Katherine Krauter of 373 Rayson street, Elizabeth Chapman, 239 High street, and Mrs. Gito Schock, 416 Yerkes street. All three, together with Ted Baldwin, newly elected Cubmaster, have enrolled in the above outlined courses.
