News from Novi

By Mrs. Wm. Mair
One hundred and nine guests and local members of the Rebekah Lodge were present from Detroit, Plymouth, Milford, Price of Oaken Royal Oak, Rochester, Pontiac, Mayle, Edgewood, Clyde, South Lyon and Walled Lake at a visitation held in the lodge hall in Novi last Thursday evening. After an interesting business session, lunch was served and a social hour followed.

Mrs. Fran Jennings, Mrs. Harry Watson, Mrs. David O'Leary and Mrs. Frazier Staman gave personal shower for Mrs. James Radcliffe at the home of the former, last Wednesday afternoon. A dairy lunch was served to the 14 guests present. Mrs. Radcliffe, who recently lost much of her clothing by fire, received many useful gifts.

The W.S.C.S. of the Methodist Church met at the church for a potluck dinner and afternoon meeting on Wednesday of this week with Mrs. Eva Gleason as hostess.

Mrs. Jean Munro Vansickle and Mrs. Brent Munro were hostesses at a pink and blue shower honoring their cousin, Mrs. Dorothy Leavenworth Smith, at their home last Friday afternoon.

Games were played and delicious lunch served by the hostesses. The honoree received many pretty and useful gifts.

Ray Bell son of Mr. and Mrs. Wm. Bell, is recovering from burns sustained several months ago while operating a farm tractor at his home on Wixom Road.

Mr. and Mrs. Ruben Ward, gave their son, Doyce, a surprise party on his 20th birthday on Monday evening of last week. Twenty young friends were present, and all enjoyed games and refreshments.

A son, Perry James, was born to Mr. and Mrs. Earl Holmes (Irene Kenner) at Mt. Carmel hospital Tuesday, April 8th.

Mrs. A. McCollum has entered Mt. Carmel hospital for observation and treatment.

Chris Hamilton returned to his home on Ten Mile Road after a two weeks' stay in Sessions hospital following an operation for appendicitis.

Charles Trick Jr. and son, Charles Trick Jr., have purchased the A. F. Holcomb home on and are making repairs on the property. Charles Jr. will move his residence (now located at the corner of Grand River and Novi Road) to the new location in 4 weeks to be open for business about the first of May.

John Putman is recovering from a recent operation for appendicitis at the home of his parents, Mr. and Mrs. L. J. Putman on E. Grand River.

Ward Donaldson Jr. of the U. S. Navy arrived Sunday to go to San Francisco to spend a 15 day tour with his parents, Mr. and Mrs. J. A. St. Onge, and other Novi relatives and friends.

Miss Jeannette Wilman of Detroit is visiting at the home of her sister, Mrs. DeVore Mitchell, and family.

Mrs. G. E. Taylor and Mrs. Ivan Geer of Plymouth were Novi visitors Sunday, calling on the former's son, Stanley Geer and family and Mr. and Mrs. George Gleason.

Wm. Mairs attended the Father and Daughter banquet at the Northville Methodist Church last Friday evening as the guest of his daughter-in-law, Mrs. George Mairs.

Mr. and Mrs. Frank Martin entertained Mr. and Mrs. Ed. Bechtold, Mr. and Mrs. Guy Nichols and Mr. and Mrs. Preston Fuller at a pinocchio card party Saturday evening.

Mr. and Mrs. Otto Risner and

Northville's Yesterdays

ONE YEAR AGO:

The Fish and Wild Life Service, functioning through the Northville Hatchery, is busy planting legal sized trout through our State of Michigan.

The annual J-Hop will be staged this year on Friday evening, April 26. Members of the class of '47 are working on various committees to insure a success.

A charter was presented to Silver Springs Council No. 52 of the Daughters of American organization recently formed here. Initiation work was done by the Strathmore Council No. 23 of Detroit.

A program of interesting compositions is being prepared for the annual Spring Concert, to be presented by the Northville School and Community Band, May 2 in the high school gymnasium.

The glorious Easter time will be heralded in the Churches of Northville by special services of music and worship.

Cpl. Harold Martens, son of Mrs. Martha Martens of Cadet street, received his discharge recently from Ft. Dix, New Jersey.

A Northville High School romance culminated last evening in wedding rites for Marjorie Elizabeth Edmondson of Detroit and Douglas Case Bolton of this place. Marjorie moved short time ago with her parents to Detroit.

FIVE YEARS AGO:

Hundreds of women, equipped with identification cards and forms today began a door-to-door survey in Northville and sur-

rounding communities to develop

a "reservoir" of workers who could be called upon for work on Co. and at present actively en-

Michigan farms or in factories,

gaged in assisting with Northville

Charles E. Murphy of Northville, a welfare worker, was named demo-

ville, was elected vice-president of the 119th Field Artillery (32nd

Division) Veterans Association at

the annual reunion held Sunday,

April 12, in Lansing.

Between 40 and 50 members of

the Medical Emergency Corps

were on hand at 4 p.m. Sunday,

April 12, for the practice run to

the Kelsey-Hayes plant in Ply-

mouth.

Stepping vigorously into the C

ivilian Defense picture, Mayor

Elmer E. Perrin named Chubb

Smith Chief Air Raid Warden for

the village, effective at once.

Members of the Northville Red

Crusaders will stage a practice

on Sunday afternoon, April 14, starting at 3 o'clock.

THEY YEARS AGO:

Taking office July 1, Sup't P.

H. Antman will succeed W. E.

Reynes as president of the North-

ville Rotary Club. Henry B. Clark

is the new vice-president. F. L.

Milis, secretary, Floyd A. North-

rop, treasurer, and Neil Burn-

ford, sergeant-at-arms.

Mr. H. S. Willis was named

president for the second consecutive year of the Northville Wom-

an's club, Friday afternoon, at

the annual meeting.

Honoring their son, Arthur

Bauer of Farmington, on the

occasion of his birthday, Mr. and

Mrs. Sunnie G. Bauer entertained

Sunday at a family dinner.

FIFTEEN YEARS AGO:

The moratorium plan to open

the Northville banks provides

for the separate opening of the

two, with a merger afterward.

Now the news comes from the

state banking department at

Lansing that if sufficient pro-

gress is made in securing signers

to the depositors' agreements, it

may be possible not to wait for

the banks to open separately and later merge, but to combine in

the near future.

At the end of a hard-fought

contest in spelling Friday, Fran-

ces German, 12-year-old daugh-

ter of Mr. and Mrs. Harry S. Ger-

man, carried off the laurels and

will represent Northville in a

later district contest.

GOVERNOR GETS HIS VITAMINS... Gov. Millard Caldwell (Dem., Fla.), accepting a bite of Florida orange from Nance Stiley, queen of the 24th annual citrus exposition held at Winter Haven. She was selected from a group of 22 girls to reign over the orange kingdom for a year. The annual exposition attracts thousands each year.

Northville to display the national colors. The business places, residences and automobiles that are not decorated with the red, white and blue of Old Glory are made actually conspicuous by the absence of such ornamentation.

There is silver lining in the stormy financial clouds at Lansing. While gloom is thick enough at the office of the Governor and in the Legislative chambers to cut it with a dull knife, Michigan public school teachers now believe that happy days are on the way.

Action by the State Supreme Court in validating the sales tax diversion amendment whereby 7% of the sales tax will be diverted back to home governments, has had the effect of indirectly raising taxes for local governments.

The taxpayer has not shown any enthusiasm of disposition to enact new taxes for his home government, but he relished the opportunity, as a majority vote last November revealed, to divert additional millions of money collected by the State of Michigan back to his hometown and country for use by the public schools, townships, and villages.

Dr. Eugene B. Elliott, state superintendent of Public Instruction, estimates that the additional state aid to public schools will be a minimum of \$40,000,000 and a maximum of \$55,000,000. Thus, state aid to schools will rise from the previous all-time high of \$60,000,000 to \$109,000,000 or \$115,000,000 in the fiscal year starting July 1, 1947.

Dr. Elliott estimates this sum by a quota of \$539 for each school census child.

Now, \$105,000,000 to \$150,000,000 for schools is certainly a lot of money. It should go a long way towards paying adequate salaries to school teachers.

Unless the State Legislature adopts minimum salary scales whereby teachers will be guaranteed adequate wages the school teacher must rely on the School Board of Education for such benefit.

Governor Kim Sigler recently contended that he was seriously contemplating a recommendation of minimum salary scale for Michigan's 3,000 public school teachers.

The Indiana Legislature has just enacted a law which provides for 1947-48 a minimum of \$2,400 for teachers with a Bachelor's Degree, this sum being 81.8% higher than the present salary of \$1,320 for this position. A teacher with a Master's Degree and 20 years experience would receive a minimum of \$3,600, which is 111.3% higher than the \$1,700 which is in effect for the current school year.

The State of Washington enacted a law this year assuring a minimum salary of \$2,400 for qualified teachers. The state and per teacher was more than doubled.

The new minimum salary schedule in West Virginia will raise the minimum salary for teachers with a Bachelor's Degree by 1/3—the new salary being \$1,500.

Dr. Elliott has recommended that Michigan adopt a minimum salary law whereby a teacher with a Bachelor's Degree, covering four years of college training, would receive a minimum of \$2,400 for the school teaching year.

Dr. Elliott favors a minimum of \$1,950 for a school teacher with one year of training. He suggests a differential of \$150 a year for each year of training less than the base of a Bachelor's degree.

The average school year runs nine months.

The Indiana minimum salary scale for teachers, adopted by the Legislature this spring, guarantees a minimum salary of \$200 a month for a teacher with two years college training and a minimum of \$265 a month for a teacher with 4 years college training including a Bachelor's Degree. Worked out on an annual basis, the compensation respectively is \$1,800 and \$2,400. The compensation increases each year until it reaches a maximum of \$2,850, or \$325 a month for a graduate of a college who has ten years teaching experience.

MOTHER'S HELPER . . . Because she expects a blessed event in the near future, "Gretchen," intelligent chambermaid owned by Mrs. Karl Kaesmeyer, Leetsdale, Pa., is rushing the job of preparing tiny garments. "Gretchen" can't handle the needles very well, but she does a swell job of holding the skein.

California, Indiana, and New York recently enacted by legislature action \$2,400 yearly minimum salaries for teachers with a college Bachelor's degree.

The New York law, recommended by Governor Thomas E. Dewey, completely revised the minimum salary schedule for teachers whereby teachers would receive a minimum of \$2,600 in schools outside cities of 100,000 population or more, and \$2,500

for schools in cities of more than 10,000. Teachers with a Master's Degree would go a long way towards attracting better-class teachers.

A recent national survey of the national educational system revealed that 350,000 teachers had left the public schools since 1940.

The Michigan Education Association last fall pointed out that Michigan in 1946 had granted sub-standard certificates to 5,000 teachers and probably lacked another 1,000 teachers to take care of children who are on half-day sessions to reduce heavy teaching loads, or to provide teachers for schools which were forced to close and transport pupils.

On a national basis it is said that 125,050 teachers, or 1 out of every 7, are now serving on an emergency or sub-standard certificate.

That teaching standards have deteriorated in recent years is widely recognized.

Twenty percent of all teachers, or 175,000 are new to their jobs each year—twice the turnover that existed before World War II.

What the Sigler administration proposes as a financial solution to the prospective deficit of \$33-

The Indiana law gives an incentive to a teacher to attain a Master's Degree whereby at the end of 24 years experience the teacher would be receiving a total of \$400 a month or \$3,600 a year in compensation.

Such a salary scale, if enacted in Michigan, would go a long way towards attracting better-class teachers.

A recent national survey of the national educational system revealed that 350,000 teachers had left the public schools since 1940.

The Michigan Education Association last fall pointed out that Michigan in 1946 had granted sub-standard certificates to 5,000 teachers and probably lacked another 1,000 teachers to take care of children who are on half-day sessions to reduce heavy teaching loads, or to provide teachers for schools which were forced to close and transport pupils.

That teaching standards have deteriorated in recent years is widely recognized.

Twenty percent of all teachers, or 175,000 are new to their jobs each year—twice the turnover that existed before World War II.

What the Sigler administration proposes as a financial solution to the prospective deficit of \$33-

000,000 was to be the theme of a special message by the Governor this week.

Legislators generally are reluctant to enact any new taxes during the current session. Unless they are prodded vigorously by the Governor, the average local legislator is inclined to appropriate funds for state services and to go home, awaiting a special session of the Legislature in 1948 at which time the financial situation may be sharper focus.

Governor Sigler has announced repeatedly that he opposes deficit financing of state public services. The alternative, of course, to such financing is the enactment of new taxes with all their accompanying political hazards.

MSC Offers Service to Poultry Raisers

Farmers who suspect diseases in their flocks during chick raising season are urged to take advantage of the free service offered by the poultry disease laboratory at Michigan State College for diagnosis and handling of disease outbreaks.

Dr. C. E. Hardin, extension specialist in poultry diseases, advises personal delivery of the birds to the college when possible. This assures specimens arriving in good shape and also allows farmers to discuss details of the outbreak with the specialists.

If personal delivery is not possible, five typical specimens of the diseased birds, freshly killed and chilled, should be packed in a well-insulated container and mailed. Specimens should be addressed to the Department of Bacteriology, Michigan State College, East Lansing, Mich.

A complete history of the trouble should precede or accompany the specimens. Information should cover: source and hatching date of the chicks, age first observed sick, behavior of sick chicks, losses, and type of care given.

How many electric motors are there in your home? And how many electric heating appliances do you have?

When you check the list below, perhaps you'll find that you've underestimated the electrical equipment that keeps your home pleasant and comfortable.

Our records show that customers are using more and more current in their homes—our production of electricity is at record-breaking heights, far greater even than when war planes worked round the clock. But that increased use of current means that—for a few more pennies a week—you get household tasks done in less time—with less effort—and for less money than in any other way.

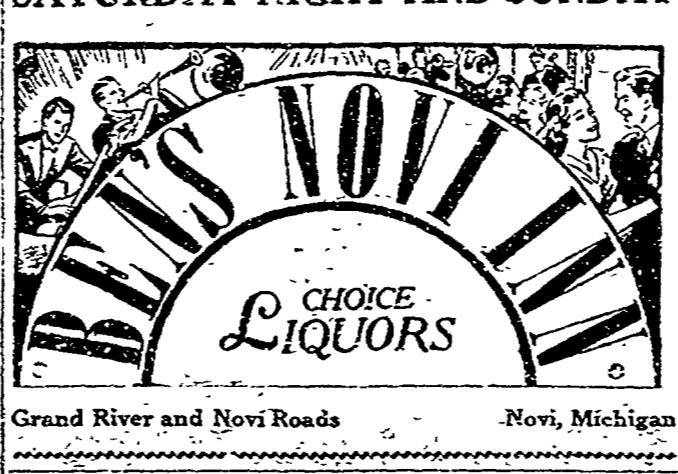

Check your electrical equipment against this list . . .

Motors: Sewing machine, refrigerator, washing machine, clock, razor, record player, furnace fan, electric tools, vacuuming fan, dinner vacuum cleaner, kitchen mixer, dishwasher, vibrator, stoker or oil burner, electrical toys, home freezer.

Heating Appliances: Toaster, heating pad, electric blanket, range, water heater, toaster, space heater, bottle warmer, hand iron, mangle, coffee maker, waffle iron, bun warmer, curling iron, grill, tea kettle, heat lamp.

(Figures show that average Edison customer has more than five of these.)

After supper, Rev. Fredsell of the Northville Presbyterian Church will show pictures and tell of his work in Alaska.

The Angel Aid meeting is to be held in the Manley Classroom home on April 24th.

Christian Science Churches

"Doctrine of Atonement" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world.

on Sunday, April 20. The Golden Text (Isaiah 53:20) is: "The Redeemer shall come to Zion, and unto them that turn from transgression in Jacob, saith the Lord."

Among the Bible citations is this passage, (Romans 5:10, 11): "For if, when we were enemies, we were reconciled to God by the death of his Son, much more, being reconciled, we shall be saved by his life." And not only so, but we also joy in God through our Lord Jesus Christ, by whom we have now received the atonement.

NEWS AND NOTES OF COMMUNITY INTEREST

LEAVE FOR NEW HOME Dr. R. S. Willis and Mrs. Willis of Eight Mile Road, left Sunday morning, by motor, for their new home in North Carolina. Dr. Willis recently resigned his position as superintendent of Maybury Sanatorium to accept a similar position at the North Carolina Sanatorium at Sanger, N.C.

Among the social affairs given for the Willises before their departure was the "reunion party" given in their honor in the living room of the Nurses' Home at Maybury Sanatorium on Tuesday evening, April 8. Present members of the staff and employees, together with former staff members and employees, enjoyed a social evening with tea served from an attractively arranged table centered with flowers and candles.

Dr. and Mrs. Willis were presented with gifts, a sterling silver sandwich plate and large bowl, suitably engraved. Accompanying them was a hand-stitched leather booklet containing the signatures of all present at the two meetings of a very successful season.

FRIENDS' NIGHT, O. E. S.

A special meeting of Orient Chapter No. 77 will be held at the Masonic Temple next Friday, April 25. The local officers have invited friends from various chapters to take part in the explication of degrees.

Dinner will be served at 6:30 p.m. and the meeting will begin at 8:00 p.m. Reservations for the dinner may be made by sending a card to Mrs. Merenna Hay, 401 North Rogers Street.

HONORED AT PARTY

Mrs. Alfred Painter (Pearl White) was honor guest at a shower given by Mrs. Louis Chamberlain and Mrs. Ray Painter at the latter's home on Thayer Blvd. last Friday evening.

Eighteen young ladies enjoyed a social evening and the bride received many gifts. The buffet table, from which lunch was served, was attractively decorated with crepe paper umbrellas and a stork.

ATTEND CHURCH

A group of approximately 25 Rainbow Girls attended the 11:00 a.m. service at the Presbyterian Church last Sunday. They were accompanied by Rainbow Board Members Mrs. Lucille McKinney, Mrs. Bertha Kert, Mrs. Ida B. Cooke, Mrs. Atwood, Mrs. Angels Hannaford, and Mrs. Helen Campbell.

CHILDREN BAPTIZED

Rev. H. F. Fredsell administered the Holy Sacrament of Baptism to the following children at the Presbyterian Church last Sunday at the 11 o'clock service: James and Nancy Ann, children of Mr. and Mrs. Alexander Lawrence; Mary Kathleen and Robert Keith Jr., children of Mr. and Mrs. Robert Lyke; John R. son of Mr. and Mrs. George Alexander; Stuart Hilton Jr., son of Mr. and Mrs. Stuart Johnson; David Alexander, son of Mr. and Mrs. Robert Bowland; Ronald Lee, son of Mr. and Mrs. Albert Vredenburg.

ENTERTAIN VISITORS

Dr. Joseph Vance and Mrs. Vance of Detroit and Rev. and Mrs. Harold Fredsell will be Sunday dinner guests at the home of Mr. and Mrs. Hugh T. Wilson of Blue Line Road. Dr. Vance and Mr. and Mrs. Wilson are neighbors for many years, both families having lived in the Walled Lake area for many years.

The occasion of Dr. Vance's visit in Northville is his scheduled appearance as speaker at the morning services of the local Presbyterian Church.

GIRL SCOUT ASSOCIATION TO MEET, APRIL 22

All Scout and Brownie leaders and mothers are expected at an after-meeting to be held Tuesday, April 22, at 8 p.m. in the Scout Building.

Day Camp plans will be discussed at this time. Co-Chairmen will be named and applications distributed to leaders.

SEE PLAY AT CASS

Among the Northville people who attended the Saturday afternoon performance of "The Barretts of Wimpole Street" starring Katherine Cornell and Brian Aherne, at the Cass Theatre, Detroit, were Mr. and Mrs. Charles Yahne, Mrs. W. E. McCarthy, Mrs. C. Harold Bloom, Mrs. Del Henly, Mrs. H. A. Boylan and Geraldine McKenna.

ATTENDS NURSES DINNER

Miss Ruth Knapp attended a dinner given Thursday evening for the nominating committee of the out-of-county nurses' group of Public Health Nurses. The affair took place at Stoer's in Detroit. Later that evening Miss Knapp and the Misses Ada Fritz and Florence Keith saw "The Barretts of Wimpole Street" at the Cass Theatre.

GROUPS TO MEET

The individual groups of the Women's Union of the Presbyterian Church will hold their meetings next Wednesday, April 23rd, beginning at 2 o'clock.

The Esther Group will meet with Mrs. Ethel Clark of High St. At this time Mrs. John Christensen will present a talk from the study book on India. The Dorcas group will meet with Mrs. Joseph Hoch on Randolph street. Mrs. Philip Anderson will entertain the Martha Mary circle at her home on W. Eighth Mile Road.

NEWS OF MARRIAGE

Northville friends will be interested to learn of the marriage of Carl R. Gustafson of Minneapolis, Minn., and Eleanor Ortenstone, also of that city, on April 12th. Mr. Gustafson resided in Northville, prior to entering service. A cousin of Arthur Carlson of Fairbrook Road, Mr. Gustafson was employed by the Seabees Tube Co. of South Lyon.

OPEN THE DRAWER, FRANCES . . . For more than four years, Mrs. Frances Krynicki, Wyandotte, Mich., has been breaking into other people's desks and getting paid for it. Except for "hairpin" experiences, locks and keys were a mystery to her in 1942 when she answered the call for war workers at the Willow Run bomber plant. Now an expert, she does all the lock picking for Kaiser-Frazer in the world's largest automobile plant under one roof. She picks 30 locks each day.

Society Briefs

**Window Shades
Important to Comfort
and Appearance**

When you look for ways to improve the appearance of your home this spring, don't overlook your window shades. They effect both the inside and outside of your house.

Jesse Marion, home furnishings specialist at Michigan State College, says that window shades also influence the comfort of your house when used for insulation. If you keep your shade pulled in extreme weather you can make your house 10 to 20 degrees cooler in hot weather and you can save fuel in cold weather.

Since window shades are very conspicuous both from the outside and from the inside of your house, dust them often with a soft clean cloth to keep them in good condition. Always raise or lower your shades with a pull cord. Take good care of your shades and they will give you privacy and keep the air from fading your furnishings for a long time.

When you buy new window shades, choose them for durability, color and transparency. Durability is measured by resistance to cracking or breaking and to washability. There are three general types of fabric shades. Painted cloth shades are not washable. To clean them, always dust thoroughly and then wash with water.

Holland cloth shades are also made of muslin which is woven but it is finished with a smooth glossy effect. They are ruined by damp air and are not washable. Pyroxylin shades have a muslin base, but are filled with a liquid cotton which makes a shade that will not flake off. They can be washed or even scrubbed with soap and water.

Window shades may be "inside hung" or "outside hung" - inside the window casing or outside it. In homes, shades are usually hung inside so that rollers and brackets which hold them do not interfere with the window treatment. Also they will last longer because they are not bent against the casing by drafts.

DID YOU KNOW THAT...

**A Store Is Delivered To
Your Home Every Week?**

Buying — Selling — or Swapping
Is Easy In

RECORD CLASSIFIED ADS

The classified page of The Northville Record goes to homes all over this area. Every week this page is the same thing as a second-hand store brought right to your easy chair.

Thousands of people, just like you, read them, so if you have anything to sell, swap, or buy, The Record gets results.

Girl Scout News

By Lucerne Robinson.

In place of their regular meeting this week Troop 3 met with Miss Lucht, Northville High school General Science teacher. She showed pictures of various kinds of fish, explained their structure, and told where they were found.

**Strawberries Are
Most Popular of
All Small Fruits**

Strawberries are grown by more home gardeners in Michigan than any of the other small fruits, says J. R. Moulton, specialist in horticulture at Michigan State college.

New varieties, introduced each year, are grown and compared at the Michigan Experiment station. On the basis of these trials and reports from commercial growers, suggestions are made to help the home gardener select the strawberry he wants for his garden.

Premier, at the head of the list for commercial plantings, is also recommended for the home gardener. The Midland, a new early variety, is large, fine in flavor, and excellent for freezing. Fairfax is medium early, sweet and has fine quality and flavor.

A mid season variety that has gained in popularity is the Robinson. It is very productive, large, high in vitamin C and has good quality. Another popular mid-season variety is Sparkle. Parke is recommended as a new high-flavored late variety. Everbearing varieties such as Gein, Wayzata, Green Mountain, and Mestodon succeed well in the home garden especially if given water in dry periods.

Moulton suggests that plants be set out as early in the spring as the ground can be prepared. The plants may be placed 24 inches apart in rows 42 inches apart. When runner plants are spaced about 24 inches apart and all the late runners removed after a matted row 18 inches wide has been established, it is usually possible to obtain a quart of berries to the row foot.

The year the plants are set, all flowers should be picked off in order to obtain a vigorous stand for the second season.

Spoils Decrease

Counterfeits cheated the American public out of only \$45,000 in 1942, compared with spoils of \$714,000 per year between 1933 and 1936, according to the Encyclopedia Britannica. A counterfeit did often pass as a genuine bill of the same denomination, paying special attention to the quality of the portrait, which is usually fine in a genuine bill. Counterfeit coins usually feel greasy or slippery.

**What is Leadership in
Diamond selling?**

Is it getting the most customers? Is it selling the cheapest diamonds? Is it using the largest advertisements? Is it making the strongest claims?

We know better than that.

Experience has taught us that the merchant leads in diamond selling who can boast the greatest number of satisfied customers... who sells finer diamonds for less money than others sell... equivalent value... who, at all times, sells as he advertises and advertises truthfully. This is diamond leadership in our opinion. At least, that is the way we mean to attain it.

Don't you agree it's the best way?

News Around Northville

A pruning demonstration for shrubbery is scheduled for April 23, at the home of Mr and Mrs Sam Spicer, 41209 East Arbor Trail, Plymouth beginning at 10 o'clock. O. I. Gregg, landscape specialist from Michigan State College will demonstrate. Local Garden Club members have been extended a special invitation.

The local fire department was called to the house of Nelson Schrader, Jr., on West street Monday, to extinguish a minor fire in the garage.

Best equipped optometric service in Michigan, Dr. John A. Ross, Optometrist, Plymouth, is

Dr. J. K. Eastland attended the dental convention held in Detroit this week. The ninetieth annual convention of the Michigan Dental Society opened Monday in the Hotel Statler.

Mr. Adcock of the Morse Dairy was a guest at Rotary Tuesday. Birthday congratulations and roses were given Alton Peters, Preston Fuller and Ted Hegge at the same meeting.

Mr. and Mrs. Norman Sanford and infant son are visiting the former's parents near Saline.

Dr. Mark Gardner writes from St. Petersburg, Fla., that he and Mrs. Gardner expect to leave the Peninman Building, 2861 Peninman avenue, Plymouth, Mich. April 21st for their Northville home, taking five or six days for the trip. The doctor reports a temperature in St. Petersburg, April 8th, of 96 degrees.

A delightful and successful dancing party was that given by the Rainbow Girls last Friday in the Northville High school gym. A fine program of music was furnished by the Kremsow Orchestra.

Lynn Sullivan, Wm. Petz, Dr. Chabot, and Messrs. Smith and Hootman gave thumb nail sketches of their careers at the Tuesday luncheon of the Rotary Club.

Mr. and Mrs. Patrick Sweeney of Detroit and several of their friends were callers at the Genest home on Cady street, Saturday evening.

Mr. and Mrs. Roscoe Henry of Detroit were dinner guests at the Genest home on Cady street, last Sunday.

Mr. and Mrs. Edward L. Grieber and daughter, Dorothy, of Northville Road, returned Sunday from a trip to Miami, Florida where they visited relatives.

Mr. and Mrs. Roscoe Henry of Detroit were dinner guests at the Genest home on Cady street, last Sunday.

Frank Thompson, Howard Mitchell and Robert Hunter were guests at Exchange Wednesday. The club had an informal discussion bearing upon strikes, especially the telephone strike. Some of the members felt that after the strike is over the community should demand better service on the local switch board.

A class in pottery making will be conducted by Grace E. Jarvis of Northville Road, Plymouth, in the Northville Boy Scout building beginning next Monday, from 7 to 10 p.m. A slight fee will be charged for class work. Miss Jarvis furnishing her own kiln for firing. A display of Miss Jarvis' work was on view at the recent hobby show.

Rita and Kathleen Springer of North Wing street, in company with a friend, Mrs. Arville Kroger, who came up from Monroe, attended the performance of The Barretts of Wimpole Street, at the Cass Theatre, Saturday evening.

Mr. and Mrs. Walter Wacker of Hill Street spent the weekend in Cleveland, Ohio.

Mr. and Mrs. George Mapes are the parents of twin girls, born April 10, at Mount Carmel Hospital in Detroit.

A guest at the Northville Rotary luncheon Tuesday was Ed Anderson of Winnetka, Ill., who incidentally has had 22½ years perfect attendance in his home club. Mr. Anderson is visiting his daughter, Mrs. Hamilton Brown.

The regular meeting of the W.S.C.S. will be held Tuesday, April 22, at the Methodist church.

Luncheon at 12:30, served by the Lucy Filkins Circle, will precede business meeting.

Mrs. Robert Rombowski is a new employee at the Jack and Jill shop on East Main street. Mrs. Rombowski was formerly a clerk in the Northville D. and C store.

A birthday party was in order for Alfred Iverson, son of Mr. and Mrs. Elmer Iverson of N. Center St., last Sunday afternoon. Several friends were invited to help him celebrate.

Mary Louise Miller of Northville spent Monday visiting with her grandmother, Mrs. Louis Springer of North Wing street. Billy Miller also spent the day at the Springer home.

A daughter was born Monday, April 14th, to Mr. and Mrs. Harry Hodges, Midwife Director at St. Mary's Hospital.

The Rainbow Girls are planning a cake sale and bazaar to be held at the Villa Hut Shop on May 19th.

Mr. Arvin Keller of Reed street was called to Brighton Service by the sudden death of his mother.

Wm. B. Hartman of Huron Avenue, is the second of the death of his brother, Harry, of Grand Rapids on April 12th.

Mr. Martin Schneider of N. Wing St. was called to Elkhorn, Michigan, by the death of his sister who passed away April 12th.

Rev. Harold Laddell, 2d, speaker at a meeting of the Brighton Inn Hotel Club, Monday noon.

Mrs. Hartley Confield of Owosso, is visiting her son and daughter, Mr. and Mrs. W. H. Confield of 404 W. Dunip St.

New threecent lights are being installed in the local D and C store.

Alfred Sibley is a new member of Rotary.

Walled Lake Park to Open for Friday, Saturday, Sunday

Walled Lake Park can open the evening of the Saturday, Saturday, starting with two presentation week-end operations before the Grand Opening on May 2nd.

The Preview will be the evening Friday, Saturday and Sunday, April 19th, 20th and 21st and will be followed by Friday, Saturday and Sunday, April 25th, 26th and 27th.

Police skating will be the big feature in the early openings, and all of the Thrill Rides will be ready for those anxious awaiting their chance to sign on to this popular Oakland County resort.

The New Casino Pavilion will hold its Grand Opening on May 2nd, featuring the music of Eddie Howard, and will continue throughout the season to present the nation's top-flight bands.

Seven Trout Streams Chosen for Planting Experimentation

Seven trout streams have been chosen by the conservation department for tests this summer of the comparative returns from "spot" and "boat" plantings of hatchery trout.

"Spot" plantings usually are made at bridges or other convenient points of access while "boat" type plantings on the larger streams are made from moving boats and on smaller, non-navigable streams by releasing small numbers of fish at several points along three-quarters of a mile above and below the place at which the truckload reaches the creek bank.

Periodic plantings of both types will be made on neighboring sections of the Middle Branch of the Ontonagon and on Thompson creek in the upper peninsula and in the Au Sable, Sturgeon, and Rile River and Saginaw and Gamble creeks in the lower peninsula. Creek censusing after plantings will check the relative effectiveness of the two methods.

Spring Clean-Up Will Make Homes Safe Rural Progress

Have you set a date for spring clean-up week in your home? The purpose of such a week is not only neatness, but to remove fire, accident, and health hazards from your home.

Fred Roth, farm safety specialist at Michigan State College, recommends that you make a thorough check-up of all dangerous areas. Your closets, basement, and attic should be kept free from loose or piled paper, rags and any rubbish.

Make a careful check of flues, chimneys and stove pipes and of electric wiring.

Do you have a safe storage place for kerosene and other fuel? Gasoline and kerosene should be at least 50 feet from major farm buildings. Remember that farm fires destroy about 90 million dollars worth of farm property a year. While you're checking, ask yourself whether you know

where to shut off water, gas and electricity in your home.

If in the process of your spring cleaning, you decide to do some home dry-cleaning, do it outside the house. Keep your hands out of the cleaning fluid. Use a suction washer. Use only a fluid which is labeled non-flammable.

Dry the garments outside and keep children and pets at a safe distance from your cleaning.

Home dry cleaning has disfigured or fatally burned many persons and has burned houses to the ground. You can't afford to take a chance.

Harvesting Broccoli

Broccoli, which is coming to be universally raised in victory gardens, should be harvested only before the flowers show any yellow on the petals. Cut the flower clusters, together with three or four inches of the fleshy stem, when the flowers are well formed.

Home dry cleaning has disfigured or fatally burned many persons and has burned houses to the ground. You can't afford to take a chance.

A Few Don'ts

Never place an empty glass un-filled over the flame. Use a wire rack or asbestos pad to protect the vessel from direct contact with heat. Do not let glass containers boil dry. Do not set a hot utensil on a wet surface, plunge it into water or let it come in contact with a wet cloth. Do not wash deep fat frying.

- Not the old but the young.

THE NORTHVILLE RECORD**Caravan Viewed by 64,000 People**

Starting and finishing in blizzard-like snowstorms, the Michigan State college extension service Rural Progress Caravan has ended its 1947 tour.

J. G. Hays, manager of the caravan, said average attendance for the 54 shows was about 200. A total in excess of 64,000 visited the show.

The last four showings, scheduled in northeast Michigan, were canceled because of the late March Storm. Alpena, Lincoln, East Tawas and West Branch appearances were called off when road conditions prevented travel.

"We had fine attendance considering the weather," remarked George Amundson, chairman of the caravan committee. "Last year our attendance ran a little higher, but we had almost perfect weather. Our 1947 attendance was outstanding when you consider that the state was covered with snow in all but about two weeks of the three months the show was out," he added.

Both Hays and Amundson remarked about the fine cooperation received from the county extension staffs and their local committees. Some outstanding examples of extension planning were demonstrated in many counties.

All specialists of the extension service who spent time with the Caravan this year agree that farm people showed great interest in the lessons explained by the panels. Interest in remodeling and building by rural people was in evidence as they gathered about models to learn new ideas.

Bush Beans

In most parts of the country a succession of plantings of bush snap beans at about three-week intervals can be made to keep a fresh supply coming all through the summer until frost.

**Festival Opens
Hartland Music
Saturday, Apr. 26**

The sixteenth Hartland Area Music Festival opens at the Music Hall Saturday, April 26th with the gay, humorous Dramatic Club production "January Thaw." A social gathering for Festival patrons and School Alumni will be held on the same evening following the play at the Recreation Hall.

The traditional Homecoming Program and Tea will be held on Sunday afternoon, beginning at 3 o'clock. In previous years the Homecoming program has been held on Saturday. Chairmen Howard Jones and Mrs. Fred Boyes and their committees have arranged a fine program for this event. There is no admission charge and everyone is welcome.

Monday night, April 28th is Rural Night. Mrs. Inez Musson will again direct her chorus of rural school children in a song program. Also featured on this program will be a dancing and singing group from the International Center in Detroit.

A Choral Concert will be held on Tuesday afternoon, April 29th beginning at 2:30 o'clock. The Howell High School Madrigal Club, under the direction of Keens Stollsteimer and the Hartland High School Choral Club, Winchester Richard, director, will present a program of beautiful choral selections. Combined organizations will present several numbers. Seats are not reserved for this event.

Tuesday Evening, April 29th the University of Michigan Little Symphony, Wayne Dunlap, conductor, closes the Festival. William Kienz, cellist, will be soloist with the orchestra.

Evening programs begin at 8:30. For reserved seats call or write Hartland Music Hall, Hartland, Michigan

DR. IRENE L SPARLING</p

A Recommended Ordinance for Eating and Drinking Establishments

An ordinance defining restaurants, itinerant restaurants, employees, utensils, health officer, etc., requiring permits for the operation of such establishments, prohibiting the sale of adulterated, unwholesome or misbranded food or drink, regulating the operation of such establishments, the enforcement of this ordinance, and the fixing of penalties.

Be it ordained by the Council of the Village of Northville as follows:

Section 1. DEFINITIONS — The following definitions shall apply in the interpretation and the enforcement of this ordinance:

A. RESTAURANT — The term "restaurant" shall mean restaurant, coffee shop, cafeteria, short order cafe, luncheonette, tavern, sandwich stand, soda fountain and all other eating or drinking establishments, as well as kitchens or "other places" in which food or drink is prepared for sale on the premises elsewhere.

B. ITINERANT RESTAURANT — The term "itinerant restaurant" shall mean one operating for a temporary period in connection with a fair, carnival, circus, public exhibition, or other similar gathering.

C. EMPLOYEE — The term "employee" shall mean any person who handles food or drink during preparation or serving, or who comes in contact with any eating or cooking utensils, or who is employed in a room in which food or drink is prepared or served.

D. UTENSILS — "Utensils" shall include any kitchenware, glassware, cutlery, containers or other equipment with which food or drink comes in contact during storage, preparation, or serving.

E. HEALTH OFFICER — The term "health officer" shall mean the Board of Health of the County of Wayne or his authorized representative.

F. HEALTH DEPARTMENT — The term "Health Department" shall mean the Wayne County Health Department.

G. CAPACITY — The term "Capacity" shall mean the maximum number of seating facilities for patrons.

H. PERSON — The word "person" shall mean person, firm, corporation, or association.

Section 2. SANITATION REQUIREMENTS FOR RESTAURANTS — All restaurants shall comply with all of the following items of sanitation:

Item 1. FLOORS — The floors of all rooms in which food or drink is stored, prepared, or served, or in which utensils are washed, shall be of such construction as to be easily cleaned, shall be smooth, and shall be kept clean and in good repair.

Item 2. WALLS AND CEILINGS — Wall and ceilings of all rooms shall be kept clean and in good repair. All walls and ceilings of rooms in which food or drink is prepared or served shall be finished in light color. The walls of all rooms in which food or drink is prepared or utensils are washed shall have a smooth, washable surface.

Item 3. DOORS AND WINDOWS — When doors are provided, all openings into the outer air shall be effectively screened and doors shall be self-closing unless other effective means are provided to prevent the entrance of flies.

Item 4. LIGHTING — All rooms in which food or drink is stored or prepared or in which utensils are washed shall be well lighted.

Item 5. VENTILATION — All rooms in which food or drink is stored or prepared or in which utensils are washed shall be well ventilated.

Item 6. TOILET FACILITIES

(a) Every restaurant shall be provided with adequate and conveniently located toilet facilities for its employees conforming with the local or state plumbing code. Toilet rooms shall not open directly into any food processing room. The doors of all toilet rooms shall be self-closing. Toilet rooms shall be kept in a clean condition, in good repair, and well lighted and well ventilated. Hand-washing signs shall be posted in each toilet room used by employees.

(b) Ventilation. All toilet rooms shall be properly vented by exterior windows or mechanical means to the outside air.

(c) Lighting. All toilet rooms and passageways leading to the same shall be well lighted.

(d) Maintenance. All toilet rooms shall be kept clean. Sanitary toilet paper shall be provided.

(e) Establishments serving alcoholic beverages shall provide proper and adequate toilet facilities for patrons. Separate toilet facilities shall be provided for each sex, and adequate urinals shall be provided in men's toilets. The number of fixtures provided shall be on the basis of the seating capacity of the establishment.

Item 7. LAVATORY FACILITIES — Adequate and convenient handwashing facilities shall be provided, including hot and cold running water, soap and dispensers, and approved sanitary towels. The use of a common towel is prohibited. No employee shall resume work after using the toilet room without first washing his hands.

Item 8. WATER SUPPLY — Running water under pressure shall be easily accessible to all rooms in which food is prepared or utensils are washed, and the water supply shall be adequate and of a safe, sanitary quality as provided by the State Department of Health.

Item 9. CONSTRUCTION OF UTENSILS AND EQUIPMENT — The Health Officer shall have

only persons who comply with the requirements of this ordinance shall be entitled to receive and retain such a license. A person conducting an itinerant restaurant shall also be required to secure a license.

(a) **APPLICATION**. A written application for such license shall be made to the Clerk of the Village of Northville or forms provided at the Office of the Clerk.

The applicant shall furnish on forms supplied by the Clerk the following:

1 Whether applicant is a person, partnership, firm, corporation or organization.

2 Names and addresses of persons members of partnerships, or officers of firms, corporation or organization making application.

3 Name and address of restaurant.

4 Type of restaurant.

5 Capacity of dining room.

6 Plans and specifications for new construction or alteration of existing restaurants which shall be submitted to the Health Department for approval before issuance of a building of construction permit.

7 An agreement to permit the Health Officer to inspect the restaurant and everything in connection with it, and to interview the employees at any reasonable time, and that the applicant will give true and complete information to the Health Officer concerning the operation of the restaurant.

8 Date of application.

9 Signature of applicant.

(b) **REFERRED TO HEALTH OFFICER** — The Village Clerk shall upon receiving such application, refer it to the Health Officer to investigate the facts stated in the application and sanitary conditions in and around the place wherein it is proposed to operate the restaurant specified in the application.

(c) **APPLICATION APPROVED, LICENSE ISSUED** — If it is found by the Health Officer after investigation that the statements contained in the application are true and that the existing sanitary conditions in the place wherein it is proposed to operate the restaurant conform to the sanitary requirements of this ordinance, he shall approve the application and return it to the Village Clerk, who shall issue a license to the applicant permitting him to operate the type of restaurant designated in the application, and no other, upon payment of a fee as herein provided.

(d) **LICENSE FEE** — The fee for a license as herein defined shall be Five Dollars per year or any part thereof for each separate restaurant, and provided further that no fee shall be charged for a license granted to fraternal, religious, educational, or social organizations. All fees shall expire on December 31st following their issuance unless revoked, and shall not be transferable or assignable.

(e) **WHOLESAFENESS OF FOOD AND DRINK** — All food and drink shall be clean, wholesome, free from spoilage, and so prepared as to be safe for human consumption. All milk, fluid milk products, ice cream, and other frozen desserts served shall be from approved sources. Milk and fluid milk products shall be served in the individual original containers in which they were received from the distributor or from a bulk container equipped with an approved dispensing device. Provided, That this requirement shall not apply to cream, which may be served from the original bottle or from a dispense; approved for such service. All oysters, clams, and mussels shall be from approved sources, and if shucked shall be kept until used in the containers in which they were placed at the shucking plant. Artificial or natural ice shall be from an approved source.

(f) **DISPOSAL OF WASTES** — All readily perishable food and drink shall be kept at or below 50° F. except when being prepared or served. Waste water from refrigeration equipment shall be properly disposed of.

(g) **REFRIGERATION** — All food and drink shall be kept in suitable receptacles, in such manner as not to become a nuisance.

(h) **DISPOSAL OF WASTES** — All readily perishable food and drink shall be kept at or below 50° F. except when being prepared or served. Waste water from refrigeration equipment shall be properly disposed of.

(i) **WHOLESAFENESS OF FOOD AND DRINK** — All food and drink shall be clean, wholesome, free from spoilage, and so prepared as to be safe for human consumption. All milk, fluid milk products, ice cream, and other frozen desserts served shall be from approved sources. Milk and fluid milk products shall be served in the individual original containers in which they were received from the distributor or from a bulk container equipped with an approved dispensing device. Provided, That this requirement shall not apply to cream, which may be served from the original bottle or from a dispense; approved for such service. All oysters, clams, and mussels shall be from approved sources, and if shucked shall be kept until used in the containers in which they were placed at the shucking plant. Artificial or natural ice shall be from an approved source.

(j) **APPLICATION DISAPPROVED** — If it is found by the Health Officer after investigation that the intentions contained in the application are not in accordance with the requirements of this ordinance, he shall disapprove the application and return it to the Village Clerk with a detailed statement of the reason for his disapproval.

(k) **REVIEW OF DISAPPROVAL BY COMMISSION** — The Village Clerk shall, upon receipt of such disapproval, present it with the application to the Village Commission at its first regular meeting which will allow the serving of 30 days notice upon the applicant, and shall, on or before 30 days before such regular meeting, serve or cause to be served upon the applicant a notice of disapproval of the application by the Health Department, and the date of the regular meeting at which the same will be presented to the Village Commission. The Village Commission shall consider the disapproval of the Health Officer and shall hear the applicant in his behalf, and shall act upon the application. The Commission shall establish its own rules of order for such review and hearing. If the application is denied by the Village Commission, the Village Clerk shall give written notice to the applicant within five days of such denial and such applicant shall not open the restaurant designated in the application to the public thereafter.

(l) **LICENSE REVOCED** — The Health Officer shall have power to revoke or suspend the license of any restaurant which is not or cannot be operated in conformance with the requirements of this ordinance, by giving written notice, stating therein the reasons for such action of suspension or revocation to the licensee; a copy of this notice shall be sent to the licensing authority.

(m) **REVIEW OF SUSPENSION OR REVOCATION BY COMMISSION** — In the event of such suspension or revocation, the licensee shall be entitled to a hearing before the Village Commission if the licensee presents a request for such hearing in writing to the Village Clerk within ten days from date of revocation or suspension of license. Such hearing shall be started at the following regular meeting of the Village Commission, and the Commission, after hearing and considering both sides of the case, shall act as sole judge of whether or not the revocation or suspension is lawful for any person to operate a restaurant in the Village of Northville who does not possess an unrevoked license of current issue as provided in this ordinance. Such license shall be posted in a conspicuous place.

(n) **LICENSES** — It shall be unlawful for any person to operate a restaurant in the Village of Northville who does not possess an unrevoked license of current issue as provided in this ordinance. Such license shall be posted in a conspicuous place.

(o) **CONSTRUCTION OF UTENSILS AND EQUIPMENT** — The Health Officer shall have

the authority and duty to enforce this ordinance.

1. **INSPECTIONS** — At least once every six months, or as often as necessary, the Health Officer shall inspect every restaurant located within the Village of Northville. The Health Officer shall have authority to enter any building or part thereof which is used, or which has reason to believe is used for the storage, preparation, sale, serving or distribution of food or drink for human consumption.

2. **VIOLATIONS** — If inspection reveals any violation of the requirements of this ordinance, the Health Officer finds any violation of the requirements of this ordinance, he shall issue an order to the licensee or person in charge of the restaurant directing the correction of such violation within such reasonable time as he shall deem proper.

3. **FAILURE TO CORRECT VIOLATIONS** — If the Health Officer finds a continuation of the violation after such reasonable time, he shall suspend the license of the restaurant until such violations have been corrected.

4. **GENERAL FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

5. **WATER FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

6. **SINKING FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

7. **DISBURSEMENTS** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

8. **SINKING FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

9. **GENERAL FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

10. **WATER FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

11. **SINKING FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

12. **DISBURSEMENTS** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

13. **SINKING FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

14. **GENERAL FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

15. **WATER FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

16. **SINKING FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

17. **DISBURSEMENTS** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

18. **SINKING FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

19. **GENERAL FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

20. **WATER FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

21. **SINKING FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

22. **DISBURSEMENTS** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

23. **SINKING FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

24. **GENERAL FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

25. **WATER FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

26. **SINKING FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

27. **DISBURSEMENTS** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

28. **SINKING FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

29. **GENERAL FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

30. **WATER FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

31. **SINKING FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

32. **DISBURSEMENTS** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

33. **SINKING FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

34. **GENERAL FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

35. **WATER FUND** — It is the intention of the Health Officer to maintain a fund for the benefit of the Health Department.

Village Proceedings

A regular meeting of the Village Commission was held at the Village Hall Tuesday Eve, April 3rd, 1947.

Present: Pres. Forrest L Doren, Comr. Fred Schoultz, Locke, Stubenvoll and Ely.

Minutes of last regular meeting also of special meeting held March 31st, 1947, were read and approved.

Communication was read from the Wayne Co. Road Comm. regarding the extension of Seven Mile Road, but no action was taken on same by the Village Commission.

Letter was also read from the Liquor Control Commission regarding the transfer of S.D.M. license for 103 E Main street from Ralph E. Bogart to L.V. Smith. It was moved by Ely, supported by Locke, that the transfer be approved.

Following is the Treasurer's report for the month of March, 1947.
