## School Election Comes June 9th

This week announcement is made of the annual registration of electors for the school election in June of 1947. Every qualified elector, 21 years of age and of proper residence, is eligible to vote at the school election. Residential requirement is 6 months in the state. Registration of school electors will be made every business day at the office of the Board of Education on such days as set forth in the legal notice of the same to be found in this issue of the Record.

This year the terms of Howard Atwood and Dr. R. M. Atchison expire.

The annual election and annual meeting will be held Monday, June 9.

Petitions for candidates for the school board must list 50 qualified electors and be filed 20 days before the election.

## Will Give Free Chest X-Rays

A mobile X-Ray unit will visit Northville, Wednesday, June 11. All adults are urged to take advantage of this service whereby a chest X-Ray may be taken. Every one should avail himself of this service at regular intervals, especially when the service has been made so convenient.

There will be no waiting as this unit is capable of taking X-Ray pictures with the utmost speed. Pictures will be taken with the patient wearing regular street garb. No charge is made for this service.

Guard yourself and your family by taking advantage of this newest community health service. The State Department of Health will handle all finding with the utmost confidence and will correspond directly with you.

Children may be X-rayed but must be accompanied by parents. The service is offered especially to adults, the age group in which the greatest incidence of chest disorders is found.

Watch the Record for more information before the date of June 11th.

## Scholarships at U.M. Announced

Among the names of the 365 Michigan High school graduates who will receive University of Michigan Regents-Alumni Scholarships for 1947-48 as announced by Erich A. Walter, director of the Office of Student Affairs and chairman of the scholarship committee, is that of Albert H. Bidwell, 42616 Ten Mile Road.

The scholarships are provided by the University to help in the development of leadership and productive citizenship in all parts of the state. High scholarship leadership qualifications and a real desire to acquire a University education are the major factors considered by the scholarship committee in making the awards.

The Regents-Alumni Scholarships provide for payment of semester fees for the freshman year at the University. Successful scholarship performance will permit renewal of the scholarship through the sophomore, junior and senior years. Other scholarship awards to pupils of nearby High schools are:

Plymouth: Mary Lorraine Rowe, 363 N. Main; Donald Craig MacGregor, 11329 Melrose; Gerald T. Joyce, 197 S. Union; Elizabeth Madine Ross, 50,000 Ann Arbor Road.

Farmington: Margery Ann Fisher, 28393 Wellington Road; Margaret Louisa Hatch, 22441 Alyce-kay.

Walled Lake: Judith Elaine Tuovilla, 2550 Loun Lake Road; William E. M. Lantz, 1032 Round Lake Road.

At least one scholarship is available for every accredited high school in the state.

Mrs. D. V. Rowe of E. Main street and daughters, Joanne and Mrs. Gordon Banks, and sons, Kenneth and Jack Stoddard, spent Sunday in Chelsea visiting Mrs. Ed Masters, who celebrated her birthday on that date.

## Heads Eagles

EMORY MAPES

## Eagles Elect New Officers

At a regular meeting and election held by the Northville Eagles on Thursday evening of last week, Emory Mapes was elected to the office of worthy president, succeeding Mark Larkins, who has completed a successful year. At the same time, Larry Drake was chosen vice-president. Other officers elected for the ensuing year were: Ward Aldrich, chaplain; Petro Lomomica, conductor; Floyd Gregory, inner guard; Charles Kerr, outer guard; Carl Taylor, Gerald Dillenbeck and Gerald McFarland, trustees.

The new officers will be installed Thursday, May 29th, at 8:30 p. m. in Veterans' Memorial Hall. Special entertainment is being planned for the occasion.

## Village Board of Review to Meet

The Board of Review of this village will meet in the city hall from 9 a. m. to 4 p. m. on May 20, 21 and 22, when they will review the assessment rolls of Northville.

Tax payers may present their grievances at this time.

Harry Rackham, assessor, and Frank Thompson and Luther Lapham comprise the board.

## Pack Meeting Tuesday Evening

The monthly Pack meeting of the V.F.W.-sponsored Cub Pack will be held on Tuesday evening, May 13th, at 8:00 p. m. in the Presbyterian Church. These meetings were formerly held at 7:30 p. m. but the committee decided to change the time to 8 o'clock so that more people would be able to attend. Parents of Cub Scouts are urged to bring their boys to these meetings, upon signing a boy's application for membership in the organization.

About 40 Cubs were on hand Saturday afternoon at Cass-Barton Park for the purpose of starting spring base ball practice. A soft ball and a hard ball game developed as each Cub competed for a place on one of the two teams which the Northville Pack hopes eventually to represent in competition with other Cub Packs in this county. Next Saturday at 1:30 p. m. another workout will be held. Coaches and umpires, the first were Tom Gillick, Carl Collins, Art Carlson, Ted Bultman, John Fuld and Otto Schuch. The line-up on the Cub ball team follows:

Dodgers: Yank, Nally, p. Hubert, F. Brown, c. Ray, o. Gorman, s. Gilbert, 2b. Elliot, if. Grunshaw, ss. Seasholtz, lb. Donahue, c. Olson, 3b. Birtles, of. Gorman, of. Elliott, if. Lamson, if. Hing, p.

Ball, of. Nestor, the out. Safe, Funder, Allen, Herbert.

The Yanks defeated the Dodgers by a score of 17 to 11.

Mrs. Krieger's Fourth of July celebration has been donated as Cub headquarters. The phone number is 318W and anyone having newspapers for group may call and a Cub in their neighborhood will see that the waste paper is collected.

## Name New Head for Maybury

Announcement has been made of the appointment of Dr. W. Leonard Howard as medical superintendent of the Maybury Sanatorium. Dr. Howard will arrive in Northville some time in June to take over the duties formerly performed by Dr. H. S. Willis who left recently to take a similar position at Sanatorium, North Carolina.

The new appointee was a resident physician at Maybury in 1929. Since 1942 Dr. Howard has been medical superintendent of the A. S. Kimball Sanatorium at Battle Creek. He has also acted as director of tuberculosis control for Calhoun County and chief resident in that service at Herrman Rieker Hospital, Detroit.

Through the efforts of the Exchange Club, driver instruction will be offered to High school students in the near future.

## Commission Has Busy Session

Sidewalks, taxis, rubbish collection, dogs and streets all came under consideration of the Village Fathers Monday evening at the meeting of the Commission.

Reports of the Village Treasurer and Chief of Police were received. Mr. Austin of the Austin Taxi Co. made requests regarding parking privileges. Messrs Smith and Hienz asked permission to lay sidewalks, and by letter, F. W. Hanzell complained about collection service.

Effective June 1st the regular village rubbish collection will be made on Fridays instead of Saturdays as at present. The new arrangement is being made to facilitate the complete coverage of the village with no Sunday leftover area.

The appointment of L. M. Eaton to the Village Appeal Board to fill the vacancy caused by the resignation of Harold Church was approved. Walter Cause appeared to urge the Commission to make early arrangements with the School Board for a joint financial and planning group.

The Commission is planning on grading and improving the Village streets this summer and will ask bids for the work. The matter of the purchase of a grader by the village was discussed. The purchase on Spring Drive was discussed with the view of what might be salvaged for further use at that location. Sanitary provisions for the disposal of dog carcasses by dogs taken under abatement.

## School Operetta Comes May 22-23

The members of the Northville High School choir with their director, Leslie G. Fox, are hard at work preparing the Gilbert and Sullivan operetta, "H.M.S. Pinafore" to be presented in the High school auditorium on May 22nd and 23rd. This is the first operetta to be presented by the school for nearly four years. Rehearsals have been going on since Monday, May 12, at the book store at the High school.

The costumes for the affair have been rented from a Detroit concern and O. F. Reng is painting special scenery for the presentation.

A completely different cast of main characters will take part in the performance each evening. Girls who have the leading parts are: Harriet Lefler, Marcia Sparling, Helen Ann Castfield, Marie Searfoss, Marilyn Brummel and Norma Dahlager. Robert Campbell, George McCollum, Albert Gow, Barton Connors, Richard Krenkow, Robert Rucker, Myron Whipple, Ernest Widmayer, Norman Frid and Hugh Niven are the male leads. Corine Clark and Marcia Sparling will act as accompanists.

## Church Bowlers Enjoy Season End Banquet

About thirty Northville men, representing the bowling league teams sponsored by the Methodist and Presbyterian Churches, enjoyed a banquet Tuesday evening in the Mason Restaurant at the corner of Farmington and Schoolcraft Roads. The affair brought to a close another season of competitive sport for the several teams.

Following an invocation by Rev. H. F. Fredsell, Rev. W. Leslie Williams presented the trophy plaque to the winning team, composed of Ernest Wilsher, captain, Harold Church, W. F. Clark and E. M. Begart. The average for players in this Methodist team was 142. Next high was an average of 138 was the Presbyterian group composed of Geo. Weiss, captain, Carl Johnson, Jack Blackburn and Rev. Fredsell. Geo. Weiss holds the record for the highest individual score in a single game, 248.

Jack Blackburn read the annual report of the organization and the present officers were re-elected for next season, including Mr. Blackburn as secretary-treasurer and Rev. Williams, president. September 16th will see the start of the next series.

Fred Schoof, owner of the Royal Recreation Bowling Alleys, was an honor guest at the banquet.

## Peppy Day Here On May 24th

There is a story behind every one of the little red poppies which the citizens of Northville will wear in honor of the war dead on Saturday, May 24th, Poppy Day.

Each poppy is different and has its own story, as stated by the American Legion and Auxiliary, which is completing preparations for observance of Poppy Day here.

The poppies have been received at American Legion headquarters here from Battle Creek where they were made by disabled veterans of both world wars. The committees told about them as they were being sorted, counted and made ready for distribution.

As they are made by hand, no two of the flowers are exactly alike. Some come from the hands of men who were hurt 23 years ago in the battles of the first world war. Others have been shaped by young veterans, injured in Europe or in the Pacific in the second conflict, who made poppies this year for the first time. It is a proud task, the doing of all these veterans, old and young, they would make an epic of service and suffering for the "Land of America."

"Making the poppies has two important benefits for the disabled veterans." First, it enables them to earn money. The American Legion and Auxiliary pays them for every poppy they make. To actually earn some money again is an encouraging experience for these men, after long months of helplessness. Most of them send the money home to their families.

Second, the work is valuable as occupational therapy. It occupies their hands and minds and helps them get well.

"We hope everyone who puts on a poppy on Poppy Day will look closely at the little flower and think of the men who make the poppies, what they have been through and what they are still enduring because of their war service. Then it will be understood that the poppy is not just a machine-made tag, but a carefully shaped symbol of remembrance made by the disabled in honor of their departed comrades."

## Band Concert Well Received

With weather conditions again holding off a part of the crowd, a fairly large number of people were on hand last Friday night to hear the annual spring concert presented by the Northville High School and Community Band. Those who attended report an evening of excellent entertainment. The band, under the direction of Leslie G. Lee, played various marches, overtures and popular melodies which kept the feet of the audience tapping.

During the intermission period a collection netted \$67, which will be put towards the purchase of new instruments for the band. Alice Hahn introduced the new members playing their first concert and also presented the Seniors who took part in their last concert for Northville High. The Twelfth graders include, besides Alice, Mary and Francis Wooten, Margery Boyd, Eugene Parry and Charles Freydl.

The next appearance of the band will take place on Memorial Day when, as usual, members will take part in the parade. The band is also planning to give several concerts during the summer.

Mr. and Mrs. Geo. Schrage of 1313 High St. are the parents of a daughter, born April 15th.

## New District Officer

GEORGE SIMMONS

## Simmons Elected Dist. Commander

George Simmons of Northville was unanimously elected commander of the 14th District of the American Legion in the convention held last week. Mr. Simmons will take office the first of August and will represent the 14th District at the National Convention in New York City this summer.

Mr. Simmons is a past commander of the Lloyd H. Green Post of Northville, and has been an ardent Legionnaire ever since the organization in the Post. It was largely due to his strenuous and patient work that the Northville Veterans' Memorial Hall was built, financed and completed. He was treasurer of Novi Township for 12 years and is a most active member of the Northville Rotary Club.

During the last three years in particular he has been very active in district American Legion activities and his elevation to the Commandership is a just reward for faithful and energetic service given to his Post and District.

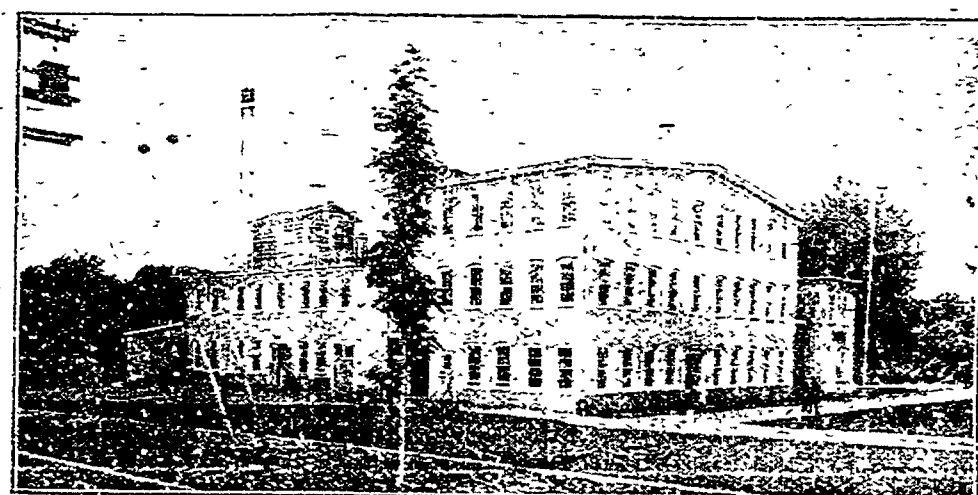

## 170 At Mother-Daughter Supper

About one hundred and seventy mothers and daughters enjoyed the annual banquet honoring this relationship, which was held in the Methodist Church House last Friday evening. A fine meal, prepared by some of the church ladies, was served by the men in a very able fashion. Flowers decorated the main table, while children's story books centered others. Programs were also in book style with Bible story pictures for covers.

Mrs. Wm. Cansfield, as leader of the W.S.C.S., welcomed the assembly and awarded roses to a mother from Hastings, the guest of Mrs. A. J. Gotts, as the oldest mother present (eighty years); to Mrs. Paul Petersen, the youngest (22) and to Mrs. Alfred Smith, the mother present with the most daughters (three).

Mary Louise Lee offered a toast to mothers and Mrs. Russell Clarke responded with a tribute to the daughters.

Mrs. Schroeder of Detroit, member of the Story Tellers' League, presented several stories in a charming manner. Special music was furnished by a group of girls from the junior choir. Singing Brahms' "Lullaby" and "I Heard a Forest Praying" were Joan White, Barbara Prumty, Marilyn MacCarthy, Mable Karschnick, Mary Jane House, June King, Sandra Schoof, Arlene Jerome, Nola Mac DeKay, Nancy Proctor and Sharon Teschka. Miss Sauer directed and accompanied the girls.

Located on present site of Ford Valve Plant. Built about 1901. Occupied by Ford Plant until present building was available about 1935.

**Early Rising**

It pays a homemaker to get her family up 15 minutes earlier in the morning in order to avoid that breakfast-time rush and confusion which often results in upset feelings.

**For Lunch**

When youngsters come in from an afternoon or evening of outdoor fun, they'll be looking for food. And nothing will taste better than sandwiches and a hot drink. Here's something you might try serving—ribbon sandwiches. Put three or more slices of bread together with a soft filling between the slices. Use white and dark bread alternately. Then wrap the large sandwiches tightly in a damp cloth, press them under a light weight, and cut them in 1/4-inch slices just before serving.

The announcement has been made of the marriage of Myrtle Dews and T. George Richardson, May 1.

FIFTEEN YEARS AGO:

Instructing the village treasurer to sign the supplemental depositors' agreement which makes it necessary for Northville banks to obtain signatures representing only 85 per cent of the total bank deposits in order to reopen, the Northville village council threw its whole hearted support in favor of the movement.

The village of Northville has approximately \$25,000 in public money on deposit in the two closed banks and the reopening of the banks would enable the council to borrow from the banks against its deposits, restore its sinking fund to its proper total, and pay off \$12,250 in past due bonds.

From W. Lake, business manager of Northville High school, and community band for three years, has been bought to that organization many engagements in the community which have been spreading the fame of Northville musicians.

A. J. Jernell, a Northville man, has been a fire future for a year in the fire and area. He has out of 100 of applications on his list in the Six Mile Road.

THIRTY-FIVE YEARS AGO: The following O. E. S. officers have been installed: W. M. Noble, Fredyl, M. P. Edna Fuller, A. M. Belle Simmons, secretary, Arabella Teller, treasurer, Munde Parmenter, Cora Ruth Gilis, A. C. B. T. H. Chap in Helen Bell, Marshall A. McCully, assistant, Grace Depp, Ada Rose, Carman, Ruth, Georgia Tinkler, Father, Flora Van Dyke, Martha Ruth, Coll. Electra, Mima Fuller, W. Alice DeAulds, Sentund, D. F. Griswold.

A sneak thief broke into the William Gorton clothing store Friday night and got away with goods valued at \$260.

Under the new state law, companies of the Michigan state troops are now being organized in practically all live cities and villages of the state.

Mary Lisenberger, who has been head saleslady in the Ponsford Dry Goods store for some years past, has resigned to accept a position in the Northville State Savings Bank.

A handsome new flag now floats from the flag staff on Northville's municipal building. "Neither snow-sleet-hail storm on Tuesday night."

Counterfeiters cheated the American public out of only \$48,000 in 1942, compared with spoils of \$771,000 per year between 1933 and 1938, according to the Encyclopedia Britannica. A counterfeit bill often can be detected by comparing it with a genuine bill of the same denomination, paying special attention to the quality of the portrait, which is usually fine in a genuine bill. Counterfeit coins usually feel greasy or slippery.

Michigan's capital city, well acquainted by now to the Sigler reform wave, this week had something new and unknown to talk about in the line of moral uplift.

Mackinaw Island's "Moral Re-armament" movement, led by a "task force" of between 200 and 250 converts, hit the town with a snappy musical revue called "Ideas Have Legs."

Something entirely new and different, the entertainment was a strange and yet effective combination of old-time morality—the age-old conflict between materialism and spiritual truth—and a 1947 headline theme, the present ideological showdown between democracy and dictatorship.

All of this to the snappy and worth-whistling tunes of swing music, and you have a faint and dizzy idea why the sophisticated city has been both bewildered and impressed.

Rep. Elton R. Eaton, Plymouth newspaper editor, was among the state legislators who came in doubt and left in praise. On the floor of the House, he confessed that he had been on the verge of introducing a resolution to ask the conservation department why the state was permitting the Moral Re-armament group to occupy the Island House, state-owned hotel on Mackinaw Island for a nominal fee.

"This is one of the finest groups that America has ever produced," he enthused. "I, for one, would be willing to have the State subsidize this group so they

could go to every state of the Union."

The "task force" lived and dined at a capital square hotel for two weeks or more. The premier performance was preceded with a complimentary dinner—all from the goodness of a Committee of Invitation. Among the sponsors was State Police Commissioner Donald Leonard.

Puzzling out entirely unorthodox to Lansing was the fact that no one was asked to "join" or to become a member. No requests were made for donations. The show was free—and three performances were held.

With headquarters on Mackinac Island, Moral Re-armament is not a sect, it has no creed, it is not a religious organization. The next generation of the individual. It preaches the old old principle of the Golden Rule.

Who pays the expenses—the hotel bills, transportation, clothing and the like? Lansingites were only suspicious, wondering when the "bite" would come. One lobbyist told us with conviction: "I'm going to get to the bottom of this if it takes me ten years."

Ray Purdy, a Christian gentleman of marked culture and winning personality, told us that MRA was financed by persons who received "guidance" to make a subscription. Mr. Purdy is one of the MRA directors. Our own observation: A lot of people and organizations are doing good in the world. The MRA has worthwhile objectives, like the others, and it is doing good with its modernized gospel of the Golden Rule.

The Tripp bill to take the state "out of the liquor business" and put the sale of packaged liquor entirely in the hands of special designated distributors (SDDs) is not given a Chinaman's chance of getting through the House.

Due to the personal popularity of the sponsor, Senator Harold D. Tripp of Allegan, whose drug store sold \$32,700 in packaged liquor last year, the Senate approved the bill. No hearing was held at the time.

**PRINCESS WITHOUT SHOES.** . . . Perhaps never again in history of the British royal family will a photographer have a chance to snap Her Royal Highness Princess Elizabeth standing in her stocking feet. The Queen, left, damaged her own shoes. Princess Elizabeth loaned her shoes to her mother, then so that it wouldn't spoil her fun, promptly forgot the incident while enjoying the sights of South Africa with her mother and guest, unidentified.

Opposition quickly arose from such diverse groups as the Michigan Temperance Foundation, Michigan Table-Top Licensees Congress (bar owners), Royal Oak association (liquor people), the Michigan Brewers Association, and Federal Judge Frank A. Beard, first chairman of the state liquor control commission.

Smarting under public criticism that he stood to benefit personally from his own bill, Senator Tripp staged a highly dramatic scene and tore up his state license. He announced that he would not sell liquor in his drug store at Allendale.

Not damaging fact, The State of Michigan would have lost \$629,056 in tax revenue if the Tripp bill had been law during the past fiscal year, according to a study released by the state liquor control commission.

The state legislature is scheduled to adjourn about June 1, after some solution is found for needed state revenue. Best bet: A state income tax. The little bill to authorize a "continuity income" basis for payment of federal taxes, lived in Michigan would save Michigan taxpayers between \$100 and \$200 millions a year. Republican thinking is to divert some of this saving to the state treasury and then brag about what is left—a sizeable benefit through lowered tax bills.

The soft drink tax is regarded as killed; the higher beer tax is back in committee. A cigarette tax has a fair chance of passage, it seems.

Home rule powers to cities to levy excise taxes ran into opposition at a house committee hearing. Some municipalities, such as Pontiac, pleaded for virtually a "blank check" to levy local taxes as officials saw fit. Legislators may authorize cities to levy specified taxes, subject to repeal by referendum.

The legislature is not going to enact a fair employment practices commission bill at this session. This "hot potato" is being stepped. There appears to be strong evidence that another state agency is not needed to handle the relatively small number of cases of job discrimination because of race, color, religion, national origin or ancestry. Industrialists favor local committees of tolerance as an effective solution.

**Arthur Whitney Will Lecture May 16th**

The abundant health and joy that thousands have found in the study of Christian Science will be explained in the free public lecture on this subject to be given on Friday, May 16th, at Eighth Church of Christ, Scientist, Detroit, in the edifice at Grand River and Evergreen Roads.

The speaker will be Arthur C. Whitney of Chicago. Mr. Whitney is authorized by The Mother Church, The First Church of Christ, Scientist, in Boston, to explain how Christian Science answers many questions of vital importance to everyone today.

All such Christian Science lectures are open to everyone and are free. The lecture begins at eight o'clock and a section of seats will be reserved until 7:45 for persons who have never before attended a Christian Science lecture.

**Serve Those Who Did So Much for You**

War veterans who still bear the scars of conflict will receive special attention on the annual observance of National Hospital Day, scheduled for Monday, May 12.

"Visit a Vet in a Hospital on National Hospital Day—and Remember Him Every Day" will be the general theme of the 1947 observance. The theme, selected by American Hospital Association, sponsor of the observance, has the endorsement of Veterans' administration. Founded in 1921, National Hospital Day commemorates the birth anniversary of Florence Nightingale, an English nurse whose work during the Crimean war focused attention on the need for development of hospital and nursing services.

Hospitals throughout the United States, Canada and many other countries will observe National Hospital Day with special programs, open houses, tours, exhibits, displays and other activities designed to acquaint the community with progress and service of the hospital. Because of the "Visit a Vet" theme, a majority of veterans' hospitals will hold special programs this year.

"Adam and Fallen Man" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, May 11.

The Golden Text (Romans 5:19) is: "As by one man's disobedience many were made sinners, so by the obedience of one shall many be made righteous."  
Among the Bible citations is this passage (Gen. 1:26): "And God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth."

## Challenge Clubs Attendance Claim

The Northville Exchange Club in last week's Record, boasted of a hit attendance record for the calendar year beginning January 1st. They stated that to date 20 members have perfect attendance, with only 9 having one miss and challenged any other local club to match that attendance record. Well, the Northville Rotary Club willingly accepts the challenge and reports: 20 members with 100% attendance from January 1st, 9 having but one miss without a makeup, and read this: 8 members who have not missed a meeting in 2 years, 2 members who have not missed in 3 years, 1 in 4 years, 1 in 5 years, 1 in 6 years, 1 in 7 years and one (if he keeps his record intact until August 31st) will have a 12 year attendance record without a miss. Now Exchange-ites, who else have you to propound?

**Newcastle Disease  
Control Progresses****Vaccination Now Gives  
Promise of Real Aid**

By V. J. DRYDEN

New vaccine developed by the U. S. department of agriculture gives a chicken immunity to Newcastle disease for several months. This is good news to the poultry industry which

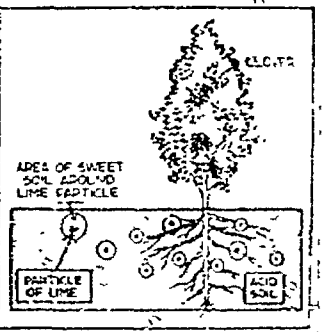

had cause to fear this new killer. Poultrymen in about 30 states have suffered from costly inroads made by the disease.

The new vaccine is not the last word. Specialists of the various states and federal department of agriculture are still at work to devise a "fool proof" vaccine. The achievement of the federal specialists in developing the vaccine that would last even several months is a big step forward.

Newcastle disease is a virus which attacks chickens of all ages, from baby chicks to laying hens. It also is known to attack pigeons, ducks, turkeys, geese and pheasants.

Until the vaccine has been placed on the market in an improved state, the prevention and spread of the disease must be controlled by sanitary procedures, use of disinfectants, proper feeding, housing and management.

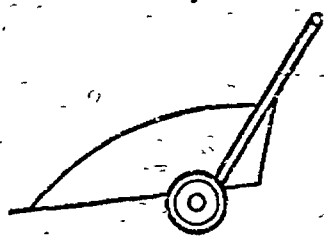

**HOW LIMESTONE ACTS**

Applications of limestone at the rate called for by a soil test will correct the acidity of surface soils. Lime, however, should be applied from six months to a year before legume seedling to allow time to sweeten the soil.

Disking or harrowing scatters limestone particles through the top two or three inches of surface soil. Then each particle starts correcting

acidity in its immediate area. With in a year it may materialize an area of from one-half to an inch in diameter.

In the beginning, acid soil roces considerably outnumber non-acid areas around the limestone particles. However, if sufficient limestone has been applied and thoroughly mixed with the soil and if lime particles are allowed several months to establish areas of sweet soil, clover will be able to secure lime from the sweet areas. Tests should be made before, not after, liming.

**New Utility Cart**

This cart may be used for garden or barn. It is made from an old hood, doll carriage wheels and three pieces of tubing for the handle. This cart disposes of leaves, weeds, etc., from the garden and even takes the ash can to the dump. It was designed and welded by Fred W. H. Spear, Natick, Mass.

**New Enzyme May Have  
Affect Upon All Life**

The new enzyme found in the eggs of frogs, by University of California scientists, called phosphotriester phosphatase may have counterpart in all forms of life. This enzyme separates phosphorus from proteins in the crum, making it available for use by the developing embryo. Phosphorus is essential to the normal growth and development of all living tissue, and development of embryo.

Mr. and Mrs. Joseph Sidelinker called on their daughter and family in Pontiac, the first of the week.

Nelson Nordeck of Grand Rapids visited relatives in this section Sunday.

Mrs. Simpson of Redford spent Sunday with her daughter, Mrs. Cecil Willet, and family on Mayfield avenue.

Soldier Herbert Schult, who has been visiting his family on Shady Side avenue left early Sunday morning for Fort Bragg, North Carolina.

Dolores Ault spent Saturday evening with a group of friends meeting in Redford.

The Varhols were visitors in Brightmoor Saturday. Three-year old Beverly Varhol who has been very ill, is greatly improved.

Freda Ault is still ill, being confined most of the time to her home.

Mr. and Mrs. Paul Smith of Redford were Sunday evening guests of Mr. and Mrs. John Varhol. Nancy Varhol, who is making her home with the Smiths, accompanied them.

The newly-organized choir of the new Methodist Church which meets in Pierson School, Sunday mornings, is getting along famously. It is expected the choir will help in creating fellowship, as well as giving greater interest to the preaching service. A large choir of boys and girls from the Children's Village near Farmington visited the service Sunday morning and delighted all with their rendition of several special numbers.

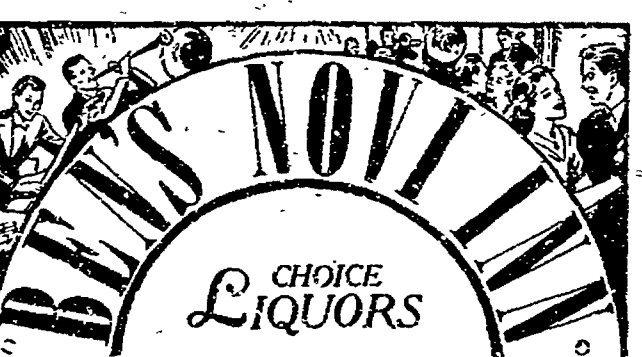

Special Mothers' Day services will be held in the Neighborhood Church next Sunday at 11 a. m. and at 7:30 p. m. All mothers are especially invited to attend.

G. I. friends and Tom Harrison of Eight Mile Road in celebrating his 21st birthday Friday. Plans for the celebration were made by Mr. Harrison's pals before he and they entered service several years ago.

that's the REFRIGERATOR for us!

A big bushel-size Frozen Food Locker is combined with the finest modern refrigeration for fresh foods in the new 1947 silent Servel Gas Refrigerator. With it, the homemaker can expect to save hours of marketing time, make every meal more exciting.

For fresh foods, Servel's moist-cold and dry-cold protection maintains crispness in salad greens and garden vegetables, tenderness in meats. Big clear-across shelves give extra roominess—adjust to eleven different positions.

Most important, the Servel Gas Refrigerator is permanently silent. It has no moving parts in its freezing system. Instead, a tiny gas flame does the work. As 2,000,000 owners know, Servel stays silent. Lasts longer.

### Things and Stuff

Getting in practice for the band concert during practice Monday night things were started off right when everyone stood up for their solo but the baritone, who remained seated during the whole piece. (Remember: our own Jose Hurbi, alias Don Larsen, plays the baritone).  
Well, Ken's decided to remain a bachelor and Francis has decided to go with another man. Accidents all happen, Francis. Baseball season has started again for the girls with Mrs. Sawyer as umpire. Baseball is the season when a young girl strikes OUT for herself and receives no praise for it.  
Don't forget that the horse opera will now be shown on Thursday instead of Wednesday. See you there. Barton Connors said it—I never let studies interfere with my education. Have you seen that ambitious volleyball team play at noon? We see Bob Hanson walking around with the aid of a stick. Some people call it a cane but it's really a stick a man carries because it can't walk. Who is the wandering Romeo we see around school? You know the one with the big "C" on his sweater who sells ice cream. Do the boys have gym third hour or a mechanics class? Maybe they should show Guerin how to uncross certain wires in the motor. Who are part of Mary Lou's lunch second hour? Good huh??  
What's wrong with you Bob (Campbell)? Doesn't Marcia bring out the wolf in you? Saw two of our old students, namely Ben and Jack Lister in the hall last Thursday. Guerin finally broke down and took gym today. Run out of excuses, pal?  
Some things go without saying, but not a woman's tongue. We find this to be especially true in Economics Class. We won't mention names but they sit in the second row. How do you like the boys new style of buttoning their shirts way up with no tie. We don't care too much for it. Quite a campaign on for the Queen candidates isn't there? Guerin promises freestyle. Attention on exhibit in the Physics room is the largest watch ever seen. At all weddings it is a kisser try to kiss the bride. Do you see the boy riding down the street on a willow? We see him riding on his bike again. We have a boy.

money, bills are paid and improvements made.  
The Canteen committee, composed of John Poulos, Mary Louise Lee, Dave Pottinger, Mac Pierce, Hugh Lockhart and Joanne Tuck, have been discussing the expansion of the Canteen from the Scott building to the High school gym.  
Saturday, May 31, the Canteen will give a dance at the High School gym. Tommy Michael's orchestra, (with Tom Houghton and Johnny Fulkerson, two ex-Northvillites) will furnish the music—J.T.

### A Mother

When God looked down upon the earth  
And chose to put new blessings there  
Gifs from above  
To show His love,  
And lighten earthly joy and care  
He gave the sky the sunset glow,  
Gave fragrance to the lily's blow,  
To children play:  
And then to every yearning soul  
He gave that gift of tenderest gift—  
A Mother.

### G. A. L.

Wednesday morning the G. A. L. held a meeting to elect a nominating committee for the officers of next fall. Alice Hahn is chairman of the committee who are: Lucille Scheffer, Karen Larson, Eunice Wiley, Elizabeth Defina, Grace Bird and Evelyn Westfield.  
They also decided to let the four Senior girls who have earned their letter already for the first time have them to wear immediately instead of waiting for the home assembly—A.H.

### Whoozit?

I was born on January 9, 1922, in Redford township. I had black curly hair and very sharp teeth. I sharpened my teeth by biting sturgeon and people who dared to scunter by I soon grew out of this habit. When my mother bit me back (I've got the proof, too).  
Strange powers changed my black curly hair to straight, dish-water blonde, but I am trying to improve this.  
In the 9th grade at Northville I joined the Latin Club and later the Chorus. Which proves I'm a singer.  
Upon graduation I am moving to Florida where the palm trees sway all day long—J.T.

# Every Line is a look at Tomorrow

You spot it on the highway every time a Buick comes along:

Here you meet the future face-to-face.

Here you see the clean, rich, uncluttered design that marks the swing away from what was to what is going to be.

Here's the sweep and flow of fender line that's called for by a streamlined age — here's the solid, steady look that spells roadability — the broad beam that means room — the massive bonnet that tells of Fireball power aplenty.

Here's grace, here's ability, here's sturdy dependability — all wrapped up in one handsome package that's not merely up-to-the-times but ahead of it.

Here are the good looks that bespeak good works; you hardly have to be told of precision carried to ten-thousandths of an inch, of materials searched out from the finest to be found.

Any wonder that such a creation is America's most wanted automobile? Any wonder people pass up cars that may be easier to get to wait for a car that's going to stay fresh and new and modern-looking?

The simple fact is that you're buying in the future when you buy any good car today.

Why not settle on the one that most obviously foretells what the future will be — that has the most in it of what is to come?

Buick dealers' showrooms are kept pretty bare of display models by the eagerness of Buick buyers to "take over" the first minute they can.

But you'll be greeted in every one of them with courtesy and sincere interest in getting your Buick at the first minute possible.

Drop in — talk it over — and insure yourself a happy future by placing your order now. We'll take it, with or without a car to trade.

Van Coevering

(Continued from Front Page)  
The title of the new picture is taken from the great seal of the State of Michigan: "If you seek a beautiful peninsula, look around you." Mr. Van Coevering used this same title four years ago, but the new picture has been edited and enlarged with new scenes to make it representative of the entire state.

Among the new scenes will be winter, woodland shots showing bearfoot on Upper Peninsula pines and wild deer, also a striking episode in which Oren Olsen of Spider Lake coaxes a large-mouthed black bass to eat frogs from his hands.

In this picture Michigan's champion pheasant dog "Tonquish Bud" and champion grouse dog "Communique" will be seen working on northern Michigan grouse. The pictures abound with close-up shots of wildflowers, birds and animals in addition to scenes, hunting and fishing experiences.

The committee in charge of the program are Messrs. Carl Johnson, Roger Sackett and Charles Carrington. Donations will go toward restoring the foundation of the century old Northville Presbyterian Church. Tickets may be procured at Neil's Northville Hardware, Carrington Agency and Johnson Gift Shop.

By walking straight you are liable to get into the best circles.

Pre-Kindergarten Registration Set for May 22-23

Plans are being formulated for the annual pre-kindergarten registration which will take place on Thursday and Friday, May 22 and 23. Mothers with children of kindergarten age are to go to the Grade building either Thursday or Friday at 1:30 p.m. The visitors will be met by Miss Grace Pollock, a film will be shown for their benefit and a discussion of kindergarten activities will take place.

George Sander and Ed Fred were named delegates to the State Convention of the Exchange Clubs to be held in June at Grand Rapids.

To Attend Adult Education Meetings

Through membership in the Northville Woman's Club, local women may attend, free of charge, the Adult Education Institute to be held May 13, 14 and 15. Sessions will take place in the Rackham Building and the Lydia Mendelssohn Theatre. Fees are paid from the club treasury. Registration will be made in the Rackham building, first floor and necessary admittance credentials secured. Through the enrollment plan, either a group or a single person from a properly accredited organization may attend the Institute. Programs may be secured from the local club secretary, Mrs. Jas. Congo, 523 W. Dunlap street.

Other village residents who may wish to attend the Institute (for a small fee) will be interested to know that the sessions will consider some of the causes of allergic disease; drama series; a talk on how to appreciate music; discourse on Russia; classes in parliamentary law, besides dinner at the Michigan Union with Chas. Eisner as toastmaster; teas, etc.

Birthday congratulations to Mary Irene Smith on May 17th.
