Peace League Elects Officers

At a meeting held Monday evening in the library the Women's International League for Peace and Freedom elected the following officers for the ensuing year: president, Mrs. C. E. Woodruff; vice-president, Miss Elizabeth Vickland; secretary, Miss Virginia Lewis; treasurer, Mrs. E. J. Willis.

Preceding the business meeting an international potluck supper was enjoyed by the ladies. Among the foreign dishes served were Armenian salad, Swedish meat loaf, Chinese sweet-sour pork, Chinese tea and Indian spices.

Plans were announced for the May Festival of the Michigan Branch of W.I.L.F. to be held Saturday, May 17th, at the St. John church house. Montclair and Woodward, Detroit. Tickets for the afternoon will include rides on other games, exhibits, sale of dolls of many nations, food and refreshments. Door prizes, and table prizes will be awarded. Children will be entertained by a puppet show and tea party. Tickets for the festival may be obtained from Mrs. Woodruff or Mrs. Willis.

Working for the festival the Northville ladies with the assistance of friends, have dressed a number of dolls in foreign costumes, representing India, China, Japan, Holland, Norway, Russia and France. Dolls may be secured from the local W.I.L.F. members and are now on display in the library and Villa Hat Shop.

Following the supper and business session the ladies were shown a film entitled "How to Conquer War." The picture was also shown to high school pupils at an assembly on Tuesday.

NHS Carnival Set for May 24th

Saturday, May 24th, is the date set for the high school carnival. Booths and other attractions will appear in the gymnasium which is to be called "candy lane" for that evening. The event is sponsored by the student council and most of the classes and clubs of the high school plan to take part. The council will use their share of the proceeds towards expenses of sports equipment, official service and the public address system.

One of the main events of this occasion will be the selection and crowning of the Carnival Queen. Candidates for this honor are four girls chosen from each of the senior high school classes: Jean Stolaroff, senior; June Richardsen, junior; Joanne Bidwell, sophomore and Ruth Denmore, freshman.

The general public will be welcomed to the carnival.

X-Ray Unit Here June 10 to 12

June 10th through the 12th has been set aside for a visit to Northville of a mobile X-Ray unit. During this time free chest X-Rays will be available to all residents of the village who are over fifteen years of age.

Sponsored by the State and Wayne County Health Departments and the TB and Health Society, the mobile unit is one of the modern facilities through which tuberculosis may be discovered before it even reaches the symptom stage. Early discovery assures early recovery.

A real distinction came to Congressman George A. Dondero, of the 17th Michigan District, when he was chosen to preside over the House of Representatives for two days during the consideration of the House Deficiency Bill.

The measure under deliberation carried an appropriation of \$237 billion. The House restored \$359 million that the committee cut from the Veterans' Administration Fund. The total requested for the fund was \$307 billions.

The House of Representatives is made up of 435 members from as many Congressional Districts, covering the United States, and three delegates from Porto Rico, Alaska and Hawaii.

Mustangs Defeat Milford 5-1

The Northville High School football team still holds the record of being undefeated after capturing the Farmington team 1-0 last Friday and by beating the Milford team Tuesday, 5-1. Both games were played on the opponent's field. At Farmington, Cole was given credit for the victory and Hayash charged with defeat. This marked the second game this season in which the Mustangs had defeated Farmington.

The game at Milford had to be played at the Highland school, soft ball diamond because recent rains washed out the Milford diamond. Batteries for Milford were Kinsinger and Butler, Northville, Pottinger and McCollum.

Three successive singles by Nitzel, McCollum, Campbell, Pottinger being struck by a pitched ball, another single by Wick, and a long double by Farrell produced four of the runs. A squeeze play following Cole's triple produced the final run.

A single by Webb, followed by three successive errors produced the one run for Milford.

Pottinger pitched his first full game of the season at this time and he was reported to have the ball under control at all times. Six players on the Northville High team are hitting .300 or better for the season. The team's average for the year is .284. John Abel of Pontiac umpired the Milford game.

Today, Friday, the Walled Lake team will come to Cass Benton Park to challenge the Mustangs. This will be the second game between the two teams with the Mustangs coming out on top in the first battle.

The line-up for the teams was as follows:

	Northville	Milford

Ask Registration for Kindergarten

Northville children who will be of kindergarten age and ready to start school next September are to be registered in the Grade building on either Thursday or Friday of next week.

Mothers and children will meet with Miss Grace Pollock, teacher of kindergarten, at 1:30 on either day for registration and discussion of activities for children in that section.

This pre-registration was instituted some years ago in the local schools.

Graduates at Ferris Institute

HARRY W. PORTER

Receives B. S. Degree at Ferris

Harry W. Porter of Northville received his B. S. Degree in pharmacy from the College of Pharmacy of Ferris Institute, Big Rapids, at commencement ceremonies on Friday evening. He was one of twenty students to receive their degrees in this department.

The younger son of Mrs. R. J. Porter of West Main street, and the late Mr. Porter, Harry attended and graduated from the Northville schools. During his latter years in high school Harry worked after hours for the Northville Drug Co.

Going to Ferris Institute, his studies were interrupted by the war. Harry served with the navy as a pharmacist's mate on a hospital ship and on shore.

Both he and his wife have been in the home in Big Rapids.

Give Projectors to Vets Hospital

Members of the Northville Blue Star Mothers Chapter are planning to donate projectors for use at veterans hospital at Percy Jones Hospital in Battle Creek. By this device, 35 pages of books may be thrown in picture form on the ceiling of a room, making for easy reading for patients.

In order to raise funds for this purchase, the ladies will hold an apron and bake sale next Wednesday, May 21st, in the store of Freydl Cleaners. Homemade goodies and aprons are being prepared by chapter members for this event. Mrs. Don Miller is president of the local organization.

Masons To Attend Divine Worship

Officers and members of Northville Masonic Lodge, No. 146, will attend morning worship service at the local Presbyterian Church next Sunday.

Meeting at the Masonic Temple at 10:30 o'clock, the men will march to the church in a body.

Carnival To Raise Money for Athletic Field

The Northville Athletic Field Committee will sponsor a Spring Festival on the school playgrounds, corner of Cady and West Streets, from May 25th to May 27th inclusive.

In cooperation with the Cote Shows the Athletic Field Committee will try to raise funds for the completion of the Ford Field. Mr. Cote is starting his summer tour and is stopping off in Northville to give the local project a boost.

Many prizes are to be offered and fun for everyone is guaranteed as a real carnival comes to the community for a most worthwhile project. Undoubtedly everyone will rally round and help make this a great money-raiser and fun frolic for everyone.

Mr. Cote made the Northville Fair several years ago and is well known by many local businessmen.

Poppy Day Here Saturday, May 24

An appeal to all veterans of the war to wear their poppies on Poppy Day Saturday, May 24th, has been issued by David McDowell, Commander of Local 146, Grand Post of the American Legion.

Mr. McDowell also issued an appeal to all citizens to contribute to the welfare of disabled veterans. Both fund a fund-raising campaign for the sale of poppies on Poppy Day.

Let us all show by wearing a poppy that we have not forgotten those who gave their lives in the nation's service. We should set a glowing example of patriotism by putting on a poppy the first thing on Poppy Day.

"We should remember, too, those other comrades who did not die but are still fighting a grim battle against wounds and illness in veterans' hospitals. They made the poppies. The contributions we make for the memorial flowers are for them, their families and the families of the dead. I am sure that veterans will set an example of generosity for all other citizens."

Memorial Poppies, made by disabled veterans at Percy Jones Hospital will be distributed throughout the city on Saturday, May 24th, by volunteer workers from both the Unit and the Post of the American Legion.

Mr. and Mrs. E. M. Flaherty have returned to their home at Strawberry Lake after spending the winter months in the Gardner residence on Randolph St.

The Class of 1947 of Northville High School will leave Friday afternoon on a senior trip to Mackinac Island and return on the S. S. Noronic. The cruise leaves from Detroit Friday afternoon at 2 p. m. and returns Sunday about noon. The group will have several hours at Mackinac Island for sightseeing. Friday is also scheduled for Senior Ship Day.

With Principal and Mrs. C. E. Pierce in charge, some forty members of the class are planning on leaving for the trip, the first class trip since before the war. On board the S. S. Noronic will be groups of seniors from many other high schools, the boat being chartered for the trip by senior classes of nearby schools. Entertainment and dancing, etc., will be provided by the cruise managers.

TO HONOR NEW AMERICANS... Federal, state, local and private agencies have been asked by President Truman to observe May 14 as "I Am An American Day" and to hold commemorative exercises. The ceremonies will be designed to "help our citizens better to understand their privileges and responsibilities as participants in our representative democracy, to the end that world peace and domesticity may be attained and perpetuated." The celebration is an annual affair to honor those who have become naturalized and those who have become citizens during the year.

Revamp Draperies

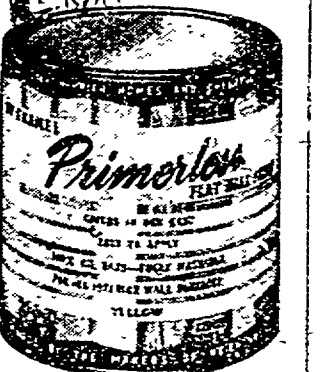

If figured draperies are worn and faded they can be touched up with wax crayons, home industries specialists of the Extension service say. The material should be washed and pressed and then retouched with crayons before pressing again with a hot iron.

Paprika and Chile

Spices for the most part rate low in all nutrients and contribute little in food value to the diet. Two exceptions to the rule, however, are paprika and chile. Paprika is a red spice from a mild flavored pod pepper and contributes important amounts of vitamin A if used lavishly in the diet. Chile, also a pod pepper, is used in large amounts in Mexico and southwestern United States. In recent years chile powder has increased in popularity. Tests show that chile, if used generously, may contribute both vitamin A and C to the diet.

Northville's Yesterdays

ONE YEAR AGO:

The Northville Spring and House near the P. M. Depot on Northville Road is again all spark and span and will be kept so, thanks to the Wayne County Road Commission and the willing hands of Chas. Willguis and his crew of workers.

The Northville High School has again been placed on the list of secondary schools approved by the North Central Association of Colleges and Secondary Schools. Elizabeth Mayer has been chosen valedictorian, and Florence McCuskie salutatorian, of the class of 1946, Northville High School.

Colonel Ward H. VanAnta, son of Mr. and Mrs. Fred E. VanAnta, has been selected to attend Harvard University, where he will work towards his Master's degree in Civil Engineering.

The Northville High School Choir received unusual recognition from the judges in the Michigan School Vocal Association Festival held in Ann Arbor on Saturday, May 11.

FIVE YEARS AGO:

A class of 74 seniors will be graduated from the Northville High school at 7:30 Thursday, June 18. Commencement exercises will be held at the fairgrounds.

The Lloyd H. Green Post of the American Legion has its plans under way for the annual poppy sale and Memorial week observance.

The Legion is sending Richard Simmons; Rotarians will sponsor Robert Vogtlin; and the Exchange is sending Frank Hunter to Wolverine Boys' State this year.

Elton R. Eaton, editor and publisher of The Plymouth Mail, has announced that he is a candidate for the Republican nomination for United States Senator.

A second test battery for this area is scheduled for Sunday, May 21. From 10 to 10:15 p. m. on May 24, all lights, including street lights, home lights, building lights and automobile, truck and bus lights will be extinguished.

FIFTEEN YEARS AGO:

The tax rate for the Village of Northville for the year 1932 will be \$19.45 per thousand dollars of assessed valuation.

Through the generosity of the Ford Motor Company, the Lloyd H. Green Post of the American Legion and the Legion Auxiliary, there is to be a new home. This will be one of the Ford residences on the north side of East Main street, the one better known as the former Smith boarding house.

Northville Exchange Club sent 15 members to Dearborn Thursday to attend the district meeting.

Harry B. Clark, Ed Starkweather and Dr. Robert Haskell, Joe Cook and Clarence Elliott of the Wayne County Training School were in Detroit, Monday to attend the Royal Brentwood sale of thoroughbred Holstein-Friesian cattle.

Northville High school received a large plaque from the Detroit Free Press in honor of the exceptionally fine showing their debating team made this year. After losing the first debate with Dearborn, the team won the remainder of the debates four in a row, in the preliminary round and entered the championship where they remained until defeated by Trenton in the eighth debate of the year.

THIRTY-FIVE YEARS AGO:

Announcement has been received of the marriage May 9, of Eugene De-Autels and Elsie L. Hanning.

Dr. Malcolm T. Walla, for many years an esteemed resident of Northville, died May 12.

25,000 Migrants For Farm Labor Needed

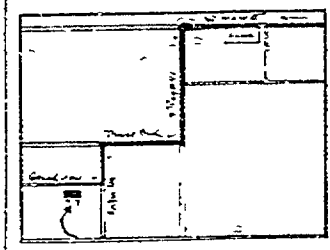

Michigan needs 25,000 migrant workers each year, says A. B. Love, state emergency farm labor supervisor at Michigan State college. The reduction in total farm labor force of the nation makes competition for these workers greater than before the war.

The policy of the farm labor program, this year will be the placement of Michigan workers and foreign workers last. It is expected that foreign labor will be reduced by 30 percent, but that remaining will not be used if they are replacing American citizens who desire farm work.

Indications point to an increased demand for migrant workers, both Texas Mexican and others, into Michigan. Wage differences may be considerable shifting from one state to another because of cost of living and other factors. The emergency farm labor program has been extended to December 31, 1947. This year's program is designed to place growers in a position where they will have reasonable amounts of labor in future years. Farm labor assistants in each county will emphasize the development of better employer-employee relations, recruitment and placement of workers, their housing, training and problems of social environment.

With Michigan's constant need for outside workers, Love points out that now is the time to build a reputation that will attract desirable migrants to the state in future years.

Cleanliness Is Best Control For Moths

Many new preparations are on the market today to rid your home of moths, but your first method of attack should be good housekeeping.

Roy L. Janco, Michigan State college entomologist believes that regular and thorough cleaning of carpets, carpeted floors and places where lint collects is very important. Wall to wall carpeting is very likely to become infested with moths.

On sunny days hang clothing, carpets and rugs out-of-doors. Beating rugs is another way to control moths because it kills them in different stages of development. Frequent brushing is useful for clothing.

After you have taken all the clothing from your closets to air and sun it, apply a five percent DDT kerosene solution to the walls and ceiling. Use a coarse spray and don't run the liquid from the walls.

Clothes which are stored between seasons should be given chemical protection. Alternate layers of clothing with layers of PDB (paradichlorobenzene). Separate the chemical from the clothing with layers of paper.

Repair cracks in floors, baseboards and near the quarter-rounds with crack filler. Vacuum

and sweep rugs, especially at the edges. Use sodium fluosilicate, 10 percent DDT powder, or PDB under the carpets.

Remember that for clothing your best protection is brushing, sunning and dry cleaning. Clothing that you wear regularly out in the air and sunshine is not apt to attract moths. Well-lighted and ventilated closets discourage moths.

At the Capitol...

Great Lakes - St. Lawrence Seaway: Congressman George A. Dondero has introduced a bill for the completion of the St. Lawrence Seaway. Senator Vandenberg introduced a companion bill in the Senate simultaneously. This project made its first appearance more than a quarter of a century ago, in the 87th Congress.

Congressman Dondero explained that this measure contains a new angle in that it will be self-liquidating through the payment of tolls, which will be fair and encourage the use of the canal; bulk agricultural, mineral and other raw materials will be recognized and will be carried at a lower rate as compared to other cargo. Maximum charge on any type of cargo will not exceed \$1.25 per short ton and may be lower. These tolls shall apply only on traffic utilizing the new deep water navigation works on the St. Lawrence River, excluding the 14-foot canals on the Canadian side, now in existence, and excluding navigation within the Great Lakes system, the " Soo " Locks and connecting channels, from toll charges.

It authorizes the President to negotiate an agreement with the Government of the State of New York for the transfer of the power facilities, which provides that the State of New York will pay all the cost of the power house and equipment, plus one-half of the United States' share of the joint cost for navigation and power at the International Rapids Section, the one link remaining to complete the Seaway.

Appropriations Cut: The size of the Federal Budget for 1948 fiscal year will be determined by the amount of appropriations provided by Congress. The House has set its figure at \$31.5 billion. Budget, which would be a \$5 billion saving in the \$37.5 billion asked by the President.

Four appropriation bills have been passed by the House thus far, although the Senate has not disposed of them as yet. In the

TOKYO RAIDERS REUNION... Lt. Gen. Jimmy Doolittle, who was grounded in his own plane in New Jersey, completed his flight to Miami arriving in time to join his fellow members on the second reunion of the men who made the first bombing raid on Tokyo. He was greeted at airport by Col. C. R. Greening, left, and Col. John A. Hilger, center, fellow raiders. Members of Doolittle's raiders have vowed to meet each year.

four bills (appropriation) which have been acted upon by the House, the following savings have been effected over the amounts asked by the Bureau of the Budget.

Labor-Federal Security Agency \$19 million
Treasury-Post Office Department \$897 million
Interior-Department \$134 million
State-Commerce-Justice-Judicial \$163 million
Total Savings \$1,273,000,000.

Thus the House has achieved a \$1,237 million saving on four bills and there are still to be determined by the House Appropriations Committee the amount of funds for the remaining eight appropriation bills which include Agriculture, Government Corporation, Independent Offices, War, Navy and Civil Functions, District of Columbia, Legislative and Military Establishments.

Service Men Tax Cancelled If Unpaid... If a serviceman died in active service on or after December 7, 1941 (and before the end of the war as proclaimed by the President), Section 421 of the Internal Revenue Code cancels:

1. his income tax for the year of his death;
2. his income tax for the period years if it is unpaid at the date of his death.

Oakland County High In Irish Potato Production: According to the 1945 Census of Agriculture, eight leading Michigan counties reported 49,382 acres of Irish Potatoes in 1944, which was 23% of the 167,720 Michigan acres devoted to this crop, and about 2% of the nation's 2,536,715 acres of potatoes. Oakland County is the fourth county in Michigan, with a national ranking of 71 and an acreage of 5,151. Only Montcalm, Bay and Presque Isle Counties

Potato Growers Want Big Yield

Michigan potato growers are seeking big yields of quality potatoes. H. C. Moore, potato specialist at Michigan State College, says that high yields mean lower production costs per bushel, and good quality means better sales and improved consumer demand.

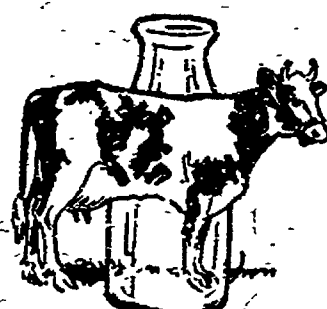

Good seed properly planted will do much to increase potato production and quality, says Moore. Last year certified seed was an important factor in producing an average yield per acre of 405 bushels for the 319 members of Michigan's "300 Bushel" club. A limited supply of certified seed of some varieties is available for table stock producers. Growers can locate sources of certified seed through offices of county agricultural agents or through the farm crops office, Michigan State college.

Scab and black scurf can be controlled to some extent by treating the seed with such disinfectants as corrosive sublimate or one of the organic mercuries such as Semesan bel. The manufacturers' directions, as listed on the container, should be carefully followed.

Green sprouting hastens by several days the come-up or emergence from the soil of the plants and reduces seed piece decay. Green sprouting is done by placing the seed in a layer six or eight inches deep on a floor where it is light and there is no danger from frost injury. This should be done two weeks before planting time.

Seed should be cut in large blocky pieces about 1 1/2-2 ounces in weight. Each seed piece should have two or more eyes, or sprouts. Best results are obtained when seed is planted the same day it is cut. Seed should be planted about 4 inches deep in a cool, moist soil. On upland soils, a complete fertilizer of 3-12-12 or similar analysis should be placed in the furrow at time of planting. Fertilizer should not come in contact with seed.

It's been said that a piece of Mrs. Ballard's lemon pie would soften the hearts of the wicked, cause strong men to cry like babies and encourage bosses to hand out raises. Imagine, then, Mrs. Ballard's dismay when her electric range broke down the very day her own husband's boss was coming to dinner! But a call to Detroit Edison saved the day...

and the dinner. The trouble-shooter who arrived so quickly was able to locate the difficulty and, fortunately, to make repairs on the spot. At no charge except for replacement parts, Detroit Edison will repair many home appliances—in many cases, right in your home. It's one of the steps Detroit Edison takes to help you get the most from all the electricity you buy.

Huge Fire Loss
Losses from forest fires in the U.S. are estimated at from \$80,000,000 to \$75,000,000 yearly. About 98 per cent of the more than 150,000 forest fires occurring each year are man-made. Smokers lead the list of offenders, followed by campers, brush burners, railroads and lumber companies.

Resembles Butter
The mild flavor of chicken fat more nearly resembles butter than any other fat except margarine, according to May E. Foley, extension nutritionist at Massachusetts State college. This is good news to housewives during these fat short days, particularly now that plenty of "fat red hens" are on their way to market. It can be used in many foods, says Miss Foley, and is excellent in white sauce, both quick and yeast breads, and pie crusts. The proportions for pie crust are ¼ cup chicken fat to 1 cup of flour.

VISITS DAUGHTER

Mrs. C. N. Ely of Gardner Ave. spent last weekend at East Lansing as the guest of her daughter, Margaret, who is a sophomore at Michigan State.

On Saturday she was a guest at the annual luncheon of Alpha Chi Omega Sorority. About sixty-five members and pledges, together with their mothers, attended this affair which took place in the sorority house. (Peggy is a new pledge for Alpha Chi.) Visiting mothers also enjoyed the college water carnival, held Saturday evening, and the annual Mothers' Day dinner and program in the campus dormitories on Sunday.

VISITORS AT MANSE

Rev. and Mrs. H. F. Fredsell and Margaret Ann have been entertaining several guests at the Presbyterian Manse during the past weeks. Among them were Mrs. Fredsell's mother, Mrs. Margaret Courson, and her sister and family, Mrs. Lawrence Hunt, and children, Allen and Lorraine. The visitors left Willow Run Monday for their home in Waukegan, Long Island, New York.

Also recent visitors were Rev. Fredsell's brother and wife, Mr. and Mrs. Frank G. Fredsell, who stopped off on their way from Chicago to New York.

TEACHERS MEET

Several Sunday School teachers from the local Presbyterian Church attended a Church School Superintendents' Ass'n. meeting held in the Presbyterian Church in Birmingham Monday evening. Miss Jean Stewart, of Presbyterian Headquarters at Philadelphia was the guest speaker.

Teachers attending from Northville were Dr. and Mrs. Wilbur Johnston, Mr. and Mrs. Charles Carrington, Mr. and Mrs. Don Severance, Rev. and Mrs. H. F. Fredsell, Mr. and Mrs. Jack Blackburn, Mrs. George Weiss and Barbara Smith.

TEA AT PIERSON SCHOOL

A tea will be given in the Pierson School Tuesday, May 27, at 2:30 p. m. for mothers of preschool children who are expected to enroll there for kindergarten next fall. To qualify for attendance in September, each child must reach his fifth birthday Dec. 1.

Mr. Phineas Kline, the Pierson School teacher at Pierson School.

Engagement Is Announced

BARBARA SMITH

At a birthday party given in Detroit Saturday evening, Mr. and Mrs. Alfred Smith of Beal Avenue announced the engagement of their daughter, Barbara, to Frank J. DeJana, son of Mr. and Mrs. Nick DeJana of Yerkes Avenue.

Barbara moved with her parents from Vermont to Northville about two years ago. She attended Northville High during her senior year and graduated with the class of '46. She is now employed in the office of the Northville Record.

Frankie attended Northville schools until the eleventh grade, at which time he enlisted in the Navy. He served with that branch eighteen months, fourteen of which were spent overseas. He is now employed at Neil's Northville Hardware and is also working for his diploma by attending the Veterans' Institute.

No wedding plans have been announced.

The party was given by Barbara's aunt in honor of her birthday and also that of a cousin, James Smith, of Detroit.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Henry F. Moehlman of Muskegon Heights announce the engagement of their daughter, Betty, to Dale E. Bray, son of Mr. and Mrs. Star D. Bray of North Branch street.

The wedding will take place in June, following Dale's graduation from Michigan State College.

GOES TO INDIANA

Mrs. Marcella Ladd, Northville Youth Director, spent the first of the week at Winona Lake, Ind., attending a national meeting for directors of religious youth groups. Going to Indianapolis, Ind., to attend the Birmingham Youth Council.

HONOR MOTHERS

At a local women's convention at the Detroit Convention Center, Sunday, in keeping with the nationwide observance of Mother's Day, Spring flowers decorated the altars and family groups were seated together. Motherhood and family life was the theme of most of the sessions.

MOVE TO EASTERN STATE

Mr. and Mrs. W. F. Powers and son, Billy, will move Monday from 139 Dunlap street to Philadelphia, Pa. Mr. Powers has been transferred from this area to eastern territory by the Sears Co. with which he is connected. Their daughter, Patricia, plans to finish her Junior year in Northville High, before joining her family in the east. She will stay in the Hodge home on High street.

The house occupied by the Powers family has been purchased by Dr. and Mrs. Wilbur Johnston of High street, who with their family will take possession soon. The property has been owned for many years by Mrs. Georgia Yerkes, now of Ferndale.

MEET AT JUNOD HOME

Twenty-three members of the Northville Blue Star Mothers met at the home of Mrs. Arthur Junod on Plymouth avenue, Monday evening. Reports from their recently sponsored card party showed about \$45 realized. Plans were perfected at this session for the benefit sale of homemade goodies, aprons, etc., to be held May 21st in the Freydt Cleaner store. This project will also add to funds to be used in the purchase of two projectors for Percy Jones Hospital at Battle Creek. Mrs. Don Miller presided at the business meeting.

Assisting the hostess in serving refreshments were Mesdames Arthur Littenberger, Mae Willis and Lyla Hunter.

The local chapter will hold its May meeting at the home of Mrs. J. R. Ritchie on East Main street.

Mr. and Mrs. H. M. Hodge of High street returned home last week from a short visit with relatives at the Soo. They report a great deal of snow, beyond Graveling, and a number of boats tied up at the Soo Locks, unable to get through the ice.

ENTERTAIN WIVES

The Presbyterian ministers' wives of the Detroit Presbytery met at the local Manse on Tuesday of this week for a luncheon and program.

Mrs. Walter Nichol of Plymouth shared hostess duties with Mrs. Harold Fredsell.

DINNER DANCE

Meadowbrook Country Club's dinner dance signaled the opening of the Club for the 1947 season, on Saturday, May 10.

The club, beautifully decorated, was attended by the largest crowd in the history of the club. Cocktails were served at 6:30 a. m. and during that time, entertainment was furnished by Bill Hammond. Dinner was served at 8:00 followed by dancing to the music of The Rhythmairs. James Cornelius, new manager of the club arranged the party.

Among those who entertained guests on this occasion were the club president, Hugh H. Rader, and Mrs. Rader.

Mr. and Mrs. Ernest J. Willis, and Mr. and Mrs. Stanley R. Hart were guests on Sunday at a dinner given at the home of Mr. and Mrs. George Martin in Bloomfield Hills.

ANNOUNCE BIRTH OF SON

Northville friends of the Richard Loomis family have received announcements of the birth of a son, Christopher Knapp, on May 6th, at Fairfield, California. The Loomises, with their small daughter, Katie, and mother, Mrs. Kate Crandal, moved from Dunlap street, about a year ago when Lt. Col. Loomis was stationed at the air base at Fairfield.

ON TERMINAL LEAVE

Pfc. Jack Sutton is on terminal leave prior to receiving his discharge from the Army. He is the son of Mr. and Mrs. J. W. Sutton of West Seven Mile Road.

Jack entered the army on December 10, 1945. He received his basic training at New Orleans, Louisiana. From there he was sent to Panama, where he was stationed for thirteen months. Jack attended the Northville schools for some time and was employed by the Guernsey Dairy before entering service.

The Northville Past Matrons' Club will be guests of Mrs. Ward Masters at her home on Dunlap street, on Wednesday evening of next week. A cooperative supper at 6:30 will precede the regular business meeting.

SUNDAY SCHOOL ENTERTAINS

The Primary Department of the Presbyterian Sunday School entertained the mothers and fathers of that group last Sunday afternoon at the church. Mrs. Wilbur Johnston, superintendent of the department, extended a welcome and explained to the parents the work being done by the children and some of the problems confronting the teachers. Miss Marcella Ladd also gave a brief talk.

The Primary children rendered three vocal numbers much to the enjoyment of their parents. Refreshments were served and each child presented his parents with a gift.

The regular meeting of the Baptist Woman's Union will be held at the home of Mrs. J. D. Hazen on Wing Street, Thursday, May 22nd, at 2 p. m.

Let's Talk Sense About Food Prices

In all the talk about lower prices, don't forget this:

Day in and day out, no retailer does a better job of keeping prices down than your food merchant. No food merchant does a better job than A&P.

We would like you to understand two important things about A&P's price situation:

Our net profit during the past five years has averaged only about 1 cent on each dollar of sales. If we were to operate our business without any profit at all, this 1 cent would amount to a saving of less than 4 cents a day on the entire food bill of the average American family.

We sincerely believe that A&P has the lowest cost of distribution of any retail business in the world. When you spend \$1.00 in an A&P store, you get 86 cents worth of food and only about 14 cents goes to meet all expenses—wages, taxes, rent, light, heat and the hundreds of other expenses incidental to the stocking and operating of a modern food store—including our very small profit.

Obviously there is little "fat" in such a price structure. Our operating costs and profits are already cut close to the bone.

Merchants generally have reduced prices on many items on which they were overstocked. In recent weeks we have reduced prices on hundreds of such items. That is common merchandising practice and has no relation to a general or permanent price reduction.

While many food prices have already been lowered we must recognize that no substantial general reduction in retail food prices is possible until the cost of food to the retailer is reduced.

As any housewife knows, A&P's business has been built on the policy of selling quality food at the lowest practical price every day.

We pledge to our customers strict adherence to that policy. We will continue to lower our prices as fast as reductions in costs to us and economies in our operations permit.

Farm Topics
Electric Pig Brooder
Saves Many Lives
Device is Simple and
Operation Cost Small

Little pigs, which grow up and go to market, aren't those which die or are crippled as a result of being chilled or crushed during farrowing. To prevent these misfortunes and consequent loss in revenue, many farmers have investigated the use of electric pig brooders. Such brooders consist of a triangular wooden framework, the sides of which are about 3 1/2 feet long, nailed or bolted together at right angles, with the top of the brooder constructed of lumber, insulating board or metal plate. A two by four inch board or metal plate guard across the front of the

opening approximately eight inches high through which pigs enter. Heat is provided by a 100 or 150 watt incandescent lamp per brooder, the size depending on the degree of warmth needed. These lamps are placed in a 14 or 18 inch dome type reflector, which is bolted securely on top of the cover, with the light directed through a hole about one inch smaller than the diameter of the reflector.

The brooder should be in place a day or two before farrowing time and the floor of the pen and brooder covered with two or three inches of litter. Electrically consumed averages about 36 kilowatt hours per litter. Tests record that electric brooders reduce mortality of early spring pigs by 17.4 per cent.

Minerals for Hogs

Proper growth cannot be secured nor will health be maintained among the hogs without ample supply of minerals. Bone meal, iodized salt (stabilized) and ground limestone should be kept before them at all times.

Hogs know how much salt they need and if given free access will not take more than their system requires.

Check These Safety
Tests in Farm Home

If you can answer "Yes" to these 10 statements, give yourself a score of 100 on this test for safety from fire hazards in your home. These are some of the precautions by which you can protect your house and your family from fire:

The chimney is free of cracks and holes.

Chimney top is at least three feet above a flat roof and two feet above ridge of gable and hip roof.

Chimney is cleaned regularly to prevent fires.

Slope pipe is fastened to flue securely by rivets, wire or other safe method.

A wire mesh spark arrester covers top of the chimney (if roof is combustible).

Oil rags are promptly discarded or kept in metal containers.

Matches are in a metal container, or only safety matches are used.

Matches are out of reach of children.

Every match is completely extinguished after use.

Flashlight instead of a match is used to see in dark places.

Conservation Brings
Dividends to Farms

Farmers throughout the nation have made astounding progress in soil conservation. Farmers now know that conservation pays in dollars and cents. Farmers never would have been able to roll up the production record of the war or the high, profit-making production of today had it not been for our years of soil conserving work.

Eliminate Dirt
To keep dirt from working under the fingernails, scratch them over a bar of soap before weeding the garden.

Difficult Breeding
It is much harder to breed chickens for high egg production than for high meat production.

Control Blackhead by
Use of Phenothiazine

The small roundworm, cereal worm, is not a serious parasite itself but is very important in the spread of blackhead. Control of the cereal worm leads to control blackhead. Control of the cereal worm is best done, according to Washington State college, by placing the young plants upon a 0.5 to 1 per cent phenothiazine wash for five days when the young plants are first ground out.

News from Novi

By Mrs. L. Rix

The W. S. C. S. will meet at the home of Mrs. James Erwin on Ten Mile Road, Wednesday, May 21st. This will be a hard time party with a box luncheon. Anyone wishing transportation, may meet at the church at 12:30 o'clock.

The Blue Star Mothers attended church services at the Waller Lake Baptist Church on Mothers Day. On Monday evening their regular monthly meeting was held at the home of Mrs. La Montague at Waller Lake. The chapter made plans to sell ice cream and gingerale at the community jamboree and otherwise help in this project.

A Circus and Jamboree, sponsored by the Novi Board of Commerce, will be held on the Novi School grounds June 4th. Monies earned by the various organizations are for the Community Hall building.

Doyce Ward, with a motor cycle party, motored to Jackson for the motor cycle races, last Sunday.

Russell Pritchard has returned to work at the Michigan Central Terminal after an illness of two weeks.

Mrs. Maggie Waite of Eleven Mile Road, passed away Saturday morning. The funeral was held at the Waite home Tuesday afternoon.

Mr. and Mrs. Al Pritchard gave a turkey dinner for several of the former's relatives who came from Toronto, Canada for this event last Wednesday. Present were Mr. and Mrs. Wm. Phillips, Mrs. Florence Taylor and Mrs. Elizabeth Taylor.

Mr. and Mrs. Joe St. Onge are moving from the Johnston house, which has been sold, into the house across the street.

Mrs. Luther Rix entertained several ladies from Detroit at a luncheon on Monday.

Mr. and Mrs. David O'Leary and Mr. and Mrs. Luther Rix attended a family gathering at the home of Mrs. Rix's parents, Mr. and Mrs. Geo. Tobias, near Williamston, on Mothers' Day.

Mrs. Cecilia Barry is ill at her home on West Grand River in Novi.

The Past Noble Grand of the Rebekah lodge were entertained by Mrs. Alice Levert in Brighton at a noon luncheon on Thursday.

A Mother and Daughter banquet will be held at the Rebekah Hall Friday evening, sponsored by the Rebekahs.

Mrs. Chas. Trickey, who was ill last week, is slowly recovering.

Mrs. Herbert Hines and Mrs. Paul Ross of Detroit visited Mrs. Chas. Trickey Tuesday afternoon.

Mrs. Dan Linder returned to her farm home near Stanton last Sunday. For the past three weeks she has been staying at the home of her daughter, Mrs. Ed. Branch, who has been ill for several weeks.

Mrs. Hadley Bachert entertained her 500 Club Monday evening. The guests were: Mrs. Geo. Atkinson, Mrs. Glen Salow, Mrs. Irene Kahrl, Mrs. Fraser Staman, Mrs. Harry Watson, Mrs. Floyd Darling and Mrs. L. J. Putnam.

Hadley Bachert is taking the school census. He has until May 31st to complete the work.

Mrs. Frank Martin and Mrs. Guy Nichols were hostesses to members of the Rebekah Club at the Hall last Wednesday.

Mrs. Eugene Root is very ill. Robt. Sheemaker of Twelve and Half Mile Road is in the Marine Hospital recovering from the amputation of both legs reported due to disease contracted in the jungles during his service to our country.

Trickey's Treat will be open for business at their new place on 43230 E. Grand River on Friday of this week.

The Sunshine Circle met at the home of Mrs. Boorckens on E. Grand River for a potluck dinner and afternoon study Wednesday.

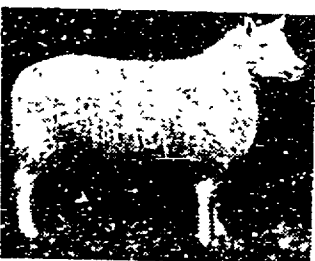

Mr. and Mrs. Chas. Perry spent Sunday with their daughter, Mrs. Thos. C. O'Neil, and her husband and children at Clinton.

KNOW YOUR BREED

Cheviot

By W. J. DRYDEN

Cheviot sheep are one of the oldest purebred varieties in the world. Profitable, hardy, with little off in their

wool, they produce an exceptionally high class of fleece. The mutton may be classed as among the very best. It contains about the right degree of fatness and is high in grain and flavor. A beautiful breed, with fleeces from 4 to 5 inches long in one year, and rams clipping between 8 and 10 pounds, it has proven its worth as a general purpose sheep. According to breed standards a mature ram in good flesh should weigh 155 pounds or more and a mature ewe, 140 pounds or more.

School News

From N. H. S. Mustang

Mustang Golfers Meet Wayne

On Monday, May 5, the Northville golf team met the Wayne High School team at Meadowbrook Country Club in its first match of the year.

Although the match yielded no points to the Northville four, our boys picked up valuable hints from the more experienced Wayne team.

The members of Northville's team are: Dino Politz, Charles Freydl, Jim Wick, and George Barker.

Golf is a difficult game requiring constant practice, three years being necessary to develop a good golfer. Most common among the many errors peculiar to the beginning golfer are, incorrect grip and stance, too speedy a swing, and taking the eyes off the ball too soon.—A.L.

Thinclads To Attend Two Meets

Yesterday, May 13, the Mustangs competed with Plymouth in a dual track meet. Results will be given in the issue of May 21.

The next scheduled meet is the Regional on May 17, and one week later, May 24 the State meet to be attended by the qualifiers from the Regionals. Northville's best chance for a mark in the Regional is in the Mile Run, in which Don Larson and Irving Shoebridge have been making very favorable progress.

The last meet of the season will be the conference meet held in Ypsilanti, May 29. At this meet awards will be given and the Conference Championship will be decided.—H.L.

Take Your Choice

We know everyone is planning to see H. M. S. Pinafore either Thursday or Friday night, May 22 or 23. Be sure to come when your friends are playing.

M. Sparring, N. Dahlager, M. Seafoss, B. Campbell, H. Gow, M. Whipple, N. Frid, and D. Kremkow will play the lead parts on Thursday night. On Friday night the leads will be portrayed by H. Leller, M. Beurmel, H. Canfield, G. McCollins, B. Connors, E. Widmayer, H. Niven, and B. Rucker.—H.C.

What's Doing

LATIN CLUB

The Latin Club went to Ann Arbor Friday afternoon to the archaeological museum. They saw an interesting display of ancient coins. May 16 The Latin Club will sponsor a Florida Frolic in the gym for the regular 40c admission. The gym will be decorated in a Latin fashion and Strauss Orchestra will play.—M.B.

STUDENT COUNCIL

The Student Council has made provisions so that any club or class that does not have money to finance their carnival booth may borrow from the Council Treasury.—H.C.

SOPHOMORE RINGS

Orders will be taken between May 15th and June 1st for those new and different Sophomore rings, which will arrive the first of September. The rings are said to be different than our former rings, having a pearl background with the Northville symbol in gold and the letters N.H.S. Onyx background may be ordered instead of pearl, but according to rumors, pearl is preferred. Order your rings promptly. They cost a little over \$12 but you need not worry, they're insured.—D.G.

Garden Club Has Anniversary Tea

The Northville Branch of the National Farm and Garden Association celebrated their eleven-th anniversary tea, Monday, at the home of Mrs. J. H. Hoel on Randolph St. Mrs. John Haller, Mrs. Herbert Brown and Mrs. W. B. Walker Jr., were associate hostesses.

Twenty six members and one guest, Mrs. H. Bennett of South Lyon, were present.

The Hoel home was beautifully decorated with vines and spring flowers.

The table also reflected the artistic accomplishments of the hostess.

The program was the annual "experience" tea, and much enjoyment was derived as each member related her experience in earning her donation.

Mrs. L. F. Eaton the oldest Charter member presented the Club with a beautiful leather bound "Memory Book" for recording and preserving pictures and all other data of general interest to the Club.

The local club will hold their annual Flower and Vegetable Show in the Methodist Church House on June 23rd.

Learn Art of Lampshade Making

A lesson on the re-covering of lampshades will be presented on Wednesday evening, May 21, at 7:30 p. m. at the home of Mrs. William Miller, 537 Dunlap street, to members of the Northville Extension group.

Members are expected to take to this meeting lampshade frames, which have been cleaned or caulked and covered with cotton twill tape, together with material approximately one and one-half times the circumference of the frame, and matching thread.

Mrs. Samuel Geraci has contacted Mrs. John Doney, a member of a Detroit Extension Group, who will be present to give the lesson.

Open Trickey's Treet Today

Mr. and Mrs. Chas. Trickey, Jr., are opening a new eating place, located on Grand River in Novi, to be known as Trickey's Treet. The date of opening has been set for today, May 16.

The Trickeys were formerly located at the corner of Grand River and Waite Lake Road but expansion of business made it necessary to move to a larger place. The couple opened up their first place of business last September, Mr. Trickey (a longtime resident of Novi) having returned from service.

Curb service and light lunches will be featured at the new location which is on the former Dr. A. T. Holcomb property, recently purchased by the Trickeys.

Circulate Petitions for School Board

Petitions are being circulated for nominations to membership on the Northville school board for Sid Paul, Del Hahn, Howard Atwood and Dr. R. M. Atchison. All nominations must be filed by 5 p. m. Tuesday, May 20th, just twenty days before the school election which comes June 24th.

Registration of prospective voters may be made during the period of May 12 through Saturday, May 24th.

Resembles Butter

The mild flavor of chicken fat is nearly identical to butter and is a good fat except margarine, according to May E. Foley, extension nutritionist at Marshall Hall, State College. "It's a good fat to use, wives during these fat short days, particularly for the poultry of fat chickens" are on their way to market. It can be used in many foods, says Miss Foley, and is excellent in white sauce, both quick and yeast breads, and pie crusts. "The proportions for pie crust are 3/4 cup chicken fat to 1 cup of flour."
