Opens Pastorate Here Next Sunday

Rev. William Matthew Hughes will preach his first sermon at the local Methodist church Sunday morning. He comes to Northville from St. Paul's church in Highland Park.

Rev. Hughes, together with his wife and son Gordon, who will begin his last year at Highland Park Junior College, will occupy the manse on the corner of Rogers and Dunlop streets. Rev. and Mrs. Hughes also have a married daughter, Mrs. Ralph Slade, who lives in Detroit.

Rev. Hughes entered the Detroit Conference in 1923 and served until 1931 in the Upper Peninsula. He was pastor of the North Branch Methodist church, before going to the pastorate at Highland Park where he successfully served ten years. During this time he lifted a mortgage on the church of \$46,000 in less than three years. He then aided in securing a parsonage two years later, and last year helped to raise \$9,000 to decorate and improve the church. Under his ministry St. Paul's grew to have one of the largest Sunday Schools in the District, and during his ministry there, he took into membership over 300 new members.

For a number of years, Rev. Hughes has been a director of the Detroit Bible Institute. Before graduating from the Northern Baptist Seminary in Chicago, Rev. Hughes attended Liverpool University in England.

Rev. Hughes is a member of Kismet Lodge No. 459 of Highland Park and is also active in High-Twelve of Highland Park.

Vacation School Has 184 Enrolled

On Thursday evening, June 26, members of the school will participate in their achievement night program and worship service. This will be held at 7:00 p. m. at the Methodist Church. The program has been planned by the boys and girls in the hope that they might bring to their parents and friends a real picture of what they have been undertaking together for the past two weeks. Friends and parents are cordially invited to attend. A display of completed artwork will include the evening's program.

The school will close on Friday morning with a picnic at Cass Benton Park, weather permitting, for the primary, junior, and intermediate departments. Thursday morning the nursery and kindergarten groups will have a closing program for their parents.

Request Reading Lamps for Patients

If you have a reading lamp that is not in use, there is a patient at Maybury Sanatorium who would appreciate having it. Many of the bed patients at Maybury need reading lamps. Through the Wayne County Library, books and other reading materials are provided but the problem of satisfactory reading conditions remains. Eye comfort is even more important during illness than during health.

In co-operation with Dr. W. L. Howard, superintendent at the sanatorium, the libraries in Plymouth and Northville request the gift of reading lamps that clamp onto the iron frame of the hospital-type bed. Frank Wilkinson and Harry Anderson, electricians at Maybury, have offered to recondition any lamps that are donated. They will check the wiring, make repairs, and freshen them with a coat of paint.

Lamps being given in this worthy drive should be taken to the libraries in either Plymouth or Northville.

Scouts Hold 1st Hike-O-Ral

Nineteen boys from Northville Boy Scout Troop No. 1 with Scoutmaster Allen Buckley enjoyed a week-end Hike-O-Ral around the Portage Lake region. The boys met at the Scout building last Friday and were taken to Chelsea conservation headquarters where they were met by Sidney Strong, district commissioner, and were given their first map which led to a cross-country hike to Burns Lodge. They camped there the first night.

Saturday morning, each patrol was given a map which took them to seven stations ending at Big Portage Lake that evening. The boys held a camp fire there, swim, and were entertained.

Sunday morning, an outdoor church service was held and the camp then broke up with the boys returning to the village about noon with no mishaps.

Honorable mention was given most of the boys for their conduct and the manner in which they carried their packs. At this event were represented 45 patrols from the surrounding district which totaled some 400 Scouts.

"So I'm collecting bugs!"
This fellow's car was steaming like Vesuvius. And right off I saw his radiator was covered with bugs...
Well, service is my business—so I whisked the radiator clean. And that's when I saw his fan belt... frayed to the breaking point.
"Yep," he said when I showed it to him. "Better let me have a new one."
So I made a sale. But here's the real point: I was only trying to be helpful when I cleaned that fellow's radiator. But look! for the little "Bugs" helps turn up the big ones—and can save a customer heaps of trouble.

noon of last week. The topic was "Gardening" but so few ladies of the group had had an experience along that line this season that readings contributed were, for the most part, upon other subjects. This organization is starting a scrapbook in which to place favorite clippings brought in and read by the Sunshiners.
The annual Mother and Daughter meeting, usually held, in cooperation with the Neighborhood Bible School, during the month of June, was postponed, because of death in the community, and will take place, upon an undecided date, soon after the 4th of July weekend. Indications are that it will be in the form of a nocturne luncheon.
A meeting of the Sunshine Sisters will be held on Wednesday afternoon, July 2nd, at 2 p. m. in the Neighborhood Church. Ladies are asked to come prepared to describe: "The Nicest Thing I Know to Have Happened in Our Neighborhood Lately."
The Neighborhood Bible School will observe Children's Day next Sunday, June 29th, at 11 a. m.
A Gospel Team from the Elm Baptist Church will be at the Neighborhood Church Thursday evening of this week and conduct a Songspiration Service.

News Letter

Stimulated by a \$250,000 state advertising fund, Michigan's tourist industry is all set for a banner season in 1947. People have money in their pockets, and they are going places.

ROBERT McLAUGHLIN, secretary of the Michigan Tourist Council, reports that 45,000 inquiries have been received from prospective out-of-state travelers. The council's offices in Cleveland, Detroit and Lansing have been busier than last year supplying information about cottages and hotels.

"Michigan has more accommodations to offer travelers this summer than last year," said McLaughlin. "Easily 100 new cabins have been constructed throughout the state despite the shortage of materials and labor."

"There will be more travel on the Great Lakes. Steamship companies are extending their schedules."

AIR LINES AND BUS COMPANIES are doing the same. The New York Central has a brand new tourist train called the "Timber Liner" which will operate between Detroit and Mackinac Island. The train has a bar car with interior of empty pine—something new.

Although the legislature did not act on a bill sponsored by Senator Don VanderWerf to move up Labor Day two weeks to mid-September, there is a definite trend towards a longer tourist season in Michigan. For example, the legislature adopted a bill to permit the opening of deer by archers in advance of the regular season in some areas.

WINTER SPORTS have been a big part of the tourist trade in Michigan. The state has a long record of winter sports and has been successful in attracting tourists from all over the world. The state has a long record of winter sports and has been successful in attracting tourists from all over the world.

Two Michigan towns—Crosswell and Traverse City—are celebrating Centennials this summer. Crosswell's observance will be held July 7th, while the Traverse City celebration will follow the week after. The Lowell Snowboat begins the week of July 21. County fairs and regional festivals will provide a variety of entertainment for those who stay at home and travelers who visit our state.

Fringes on Rugs
Some oriental rugs have fringe on both ends, some on only one end. But in a genuine, hand-woven rug the fringe is always a part of the rug; never sewn on. Variations in fringe arises from differences in weaving habits in the various rug weaving districts in the east.

FOOD BARGAINS FOR YOU EVERY DAY IN THE YEAR

SAVE MONEY—SAVE TIME WITH A ROOMY HOME-FREEZER

Strawberries picked this week for breakfast next December! That's how a home-freezer makes your meals so tasteful. It's the economy angle, though, that makes such a hit with farm wives. You save money—with fewer trips to market—fewer purchases of out-of-season foods. You save time—with less marketing—less canning and preserving.

Summer-fresh food the year round means greater variety in meals—plus higher vitamin content than is found in meats and vegetables preserved by other methods. The Home Service Advisor at your nearest Edison office will be glad to give you the details, and advise you about the home-freezer best suited to your needs. Or see your local appliance dealer.

FRID - PLAUNT
The local Methodist Church was the scene of the wedding which united Patricia Ann Frid, daughter of Mr. and Mrs. Sidney Frid of East Main Street and Raymond Plaunt, son of Mr. and Mrs. Charles Plaunt of Pointe Aux Pins, Bob-Lo Island, North-

ern Michigan, in marriage, Saturday evening, June 21, at 7 o'clock. Rev. W. Leslie Williams read the double ring service. The church was decorated with baskets of white flowers and candelabra. Mrs. Barton Connors played "Because" and "I Love You Truly" upon the church organ.

for the young couple. Patricia was given in marriage by her father. Her bridal gown was made of white sharkskin with a sweetheart neckline and a peplum. Her fingertip veil was caught to her head with a head-dress of mock orange blossoms. She carried a bouquet of white gardenias.

Mrs. Ted Paul of Cheboygan was the matron-of-honor and she was dressed in yellow. Mrs. Dean Honsinger (Mildred Fritz) of Northville and Doris Farley of Guelph, Ontario were the bridesmaids and they were dressed in pink gowns. Each attendant carried a bouquet of yellow daisies and wore a coronet of matching flowers in their hair.

William Plaunt acted as best man for his brother, and Norman Frid, cousin of the bride, and Russell Frid, brother of the bride, seated the guests.

Each mother wore a dress of grey crepe and their flowers were pink tinted gardenias.

A reception immediately followed the ceremony at the Veterans' Memorial Hall with about 120 guests present. Mrs. Joseph Litsenberger had charge of the affair.

Following the reception the newlyweds left on a trip to Northern Michigan. They will make their home in Cheboygan. For going away the new Mrs. Plaunt chose a white suit and wore the center gardenias from her bridal bouquet.

ENGAGEMENT ANNOUNCED IN PENNSYLVANIA

At a tea given on June fourteenth in Butler, Pennsylvania, Mr. and Mrs. Ferdinand J. Spang, of Butler, Pennsylvania and Palm Beach, Florida announced the engagement of their daughter, Charlotte Gretchen, to Edgar William Jolly, son of Mr. and Mrs. Charles J. Jolly of Treehaven Farm, Northville. The guest list included some eighty friends of the bride-elect and her parents.

Upon arrival, each guest was presented with a small name-tagged scroll containing the names of the betrothed couple. These were given to the guests by little Karen Louise Kepinger, niece of the bride-elect.

The table was centered with an antique candelabra consisting of a cupid holding aloft a pink taper. Around this was a floral circle of maidenfern and shearing sweetheart roses and pansy carnations. The house was decorated with peonies, mock orange blossoms, lemon lilies and other spring flowers and foliage.

News of the couple's engagement was previously told to the Detroit and Palm Beach friends at a dinner party given by A. H. Sarver and his niece, Mrs. George H. Scott at their Palmer Woods home in Detroit.

Miss Spang is a graduate of the Monticello Preparatory School at Alton, Illinois. She also attended Allegheny College in Meadville, Pennsylvania.

Mr. Jolly is a graduate of the Principia School in St. Louis and also a graduate of Michigan State College where he was affiliated with Psi Upsilon fraternity.

The wedding will take place in the early fall at the Second Presbyterian Church in Butler, Penn.

Attending the announcement party with their son were Mr. and Mrs. Charles J. Jolly of Treehaven Farm, Northville.

Use Safety Rules for Picnic Fires
Do you know the simple rules of safety to follow with fires at your summer picnics and camping trips?
Long years of experience have taught us a few rules that apply whether the fire is built in a field, in the woods or along the roadside. Fred W. Roth, farm safety specialist at Michigan State college, says the rules are easy to follow.
Before you build a fire, scrape away leaves, twigs, dry grass and papers from a circle five feet across. Dig a hole in the middle and build a small fire in it. Never leave a fire until it is out. Put it out by stirring the coals while soaking them with water. Wet sticks on both sides and wet the ground around the fire. If there is no water, stir in moist earth and tread it down tight over the fire.

Be sure the match that lighted the fire is out. Break it in two before you throw it away. Be sure also that cigarette or cigar stubs and pipe ashes are dead before throwing them away. Never throw them into brush, leaves or pine needles.
