

ARCHIE AND HOWARD NILES

Northville Father and Son Prominent in Racing Circles

The large crowds attending the night races now in progress at the Northville Downs, are being given the opportunity to see several local drivers in action. Among these are a father and son combination, Archie and Howard Niles, who are prominent in the harness racing circuit.

Archie Niles, who is fifty-eight years of age, has been driving in sulky races almost all his life and now has built up a private stable of nineteen racing horses. He opened his racing season this year at Maywood Park in Chicago on May 11th. The Niles family have been making their home on West Cady street since 1926.

Howard Niles has followed in his father's footsteps by learning the racing game while very young. He interrupted his career for four and one half years to serve with the Army during the war. His driving has been temporarily halted again because of a broken arm sustained when the pacer he was driving at Maywood on July 1st took a bad spill. Howard is twenty-nine years of age and has left interest in two horses now racing at the local track.

On Capitol Hill

DONDERO MAKES TIMELY RECOMMENDATIONS: Congressman George A. Dondero made an appeal in the House of Representatives for the strengthening of our intelligence and organization, urging that we take stock of our position in the world and be prepared of just what is confronting us. He pointed out two important factors which may largely determine our fate.

"The first and most important of these is the state of our own intelligence, and the second is the intelligence of espionage nets which the Russians are operating against us."

He further pointed out the deadly parallel which exists between what is happening in our own country and the tactics used by Hitler in preparing France for its downfall.

"In France, Hitler used every means possible to build up psychological channels through which his dominating ideas could be implanted in French minds; he organized societies to maintain social and cultural contacts between the two countries; arranged joint meetings of French and German war veterans; established a 'Brown House' in Paris where influential French heads were entertained lavishly and convinced that the Nazis were not so bad after all."

"In America, Stalin has used every means possible to build up psychological channels through which communism can be implanted in American minds. He has organized the National Council for Soviet-American Friendship to serve as an official apologist for Soviet aggression and tyranny. He has organized in New York, Washington, and elsewhere, joint gatherings of Russian and American veterans, and our own Secretary of War and Chief of Staff have lent their names to the furtherance of the aims of this organization. There is more than one 'Red House' here in Washington today where influential American citizens are entertained lavishly and are becoming convinced that the Communists are not so bad after all."

Since Congressman Dondero gave this speech on the floor of the House on July 22nd, the Secretary of War of the United States has resigned from that post. Congressman Dondero offered (Continued on back page)

Band Members Rehearse for Summer Concerts

Members, both new and old, of the Northville High School and Community Band are expected to meet in the school building next Monday evening at 7:30 o'clock for band practice.

According to Director Leslie G. Lee, the band will prepare several numbers for open air concerts to be presented in the village on dates yet to be announced.

Safety Hints for the Tourist

Having a wonderful summer vacation? Don't over-do your fun in the sun, warn safety experts of the National Conservation Bureau. Because sunburn can lead to severe skin disturbances and infections which may force you to take a lengthy—and costly—vacation in bed. A little care on your holiday will insure a wonderful time, the Bureau said.

The average top speed permitted motorists on the open highways of the United States is 50.7 miles per hour, but nine states have no speed limit whatever, reports the National Conservation Bureau. Safety experts of the Bureau point out that no limit may be, the "safe" speed is still left to the judgment of the man behind the wheel. Thus, heavy traffic or slippery pavement in a 50-mile zone, may cut the safe speed far below that legal limit. Drive at a safe speed at all times for your own sake and the safety of others.

"Accidents can be stopped if people will not forget the American principals of common sense and courtesy when they sit behind the wheel of a car," Gov. Thomas E. Dewey.

You may not be superstitious but you'd better be careful, warns the National Conservation Bureau. One out of every 13 persons in the United States suffered a disabling injury last year.

Summer months are the time of sudden electrical storms, warns the National Conservation Bureau in its efforts to prevent accidents. Over 400 persons are killed every year struck by lightning. If you're caught in a storm, stay out of open boats, don't stand under tall trees.

Factory and office workers interested in their own safety and security should remember that off-the-job accidents can cause loss of work just as easily as accidents which occur at work. Last time is 'lost,' say safety experts of the National Conservation Bureau, no matter where or when accidents occur. Remember, over a third more accidents occur away from the job than while at work.

News of former residents of this village, now of Trenton, appeared in a recent issue of the Detroit News: "Mr. and Mrs. Don Ball and their son, John, are back from a round of visits on the West coast. Motoring via the northern route, their destination was Hollywood, Calif., where they were guests of her sister, Mrs. F. D. Murray. They were away a month. Their daughter, Sally, who accompanied them, remained in Hollywood where she will spend the winter."

Union Services At Methodist Church

Starting Sunday, August 3rd, union Protestant services will be held in the Northville Methodist Church on Dunlap street. Rev. Harold Fredsell of the Presbyterian Church will conduct the morning worship.

Special music has been planned by Leslie Lee, choir director of the host church. Among the soloists who will assist in these services are Mrs. Robert Parmenter, Mrs. Florence Johnson Miller and the Kudzies sisters. The church choir will also furnish special music. Mrs. Richard Somers will preside at the organ.

Rev. Fredsell will care for the duties of both churches during the vacation of Rev. W. H. Hughes from the Methodist charge.

West Point Park Plans New Church

West Point Park is to have a Community Methodist Church, located on 7 Mile Rd. near Farmington Rd. The church is being constructed out of an American Legion building which was purchased and moved onto the property some time ago. Excavation of the basement is now in progress and extensive remodeling will be carried on throughout the building. It is expected that the work will be completed by fall so that services may be held there early that season.

At the present time, church services and Sunday school are being held in the Pierson Grade school building by Rev. Douglas Toepel. The church project was fostered by several community-minded citizens who saw the need in West Point Park for a community church. The group approached the Methodist board who, together with those citizens, are said to be financing this venture.

The church expects to conduct a ten day Vacation Bible School from August 4th to August 15th in the Pierson school building with Miss Jennie Eddington, a trained director of religious education, in charge. Miss Eddington will be sent to West Point Park by the Methodist Union.

Assuming Miss Eddington will be several West Point ladies, Mrs. Charles Hall, Mrs. Louis Hotchkiss, Mrs. J. Redinger, Mrs. H. W. Remaley and Mrs. J. Stoughton.

The school will be conducted from 9 to 12 o'clock each week day and all the children in the community will be welcome to attend.

11th Maybury Fair Well Attended

Throngs crowded the spacious, tree-shaded lawns surrounding the Maybury Sanatorium Sunday afternoon for the eleventh annual fair. The proceeds are estimated at \$1400 profit which will be turned over to the Goodfellow Club, a non-profit patients' organization, to be used for entertainment and care of needy patients.

The spectators were entertained by performers from the Roth-Burden school of radio and concert of dances, songs, imitations and instrumental music.

Handicraft articles made by the patients under the direction of the occupational therapy department were on display during the afternoon. Twenty-five grand prizes which were largely donated by Northville merchants were awarded the lucky ticket-holders.

Cub Scouts Invited to Ball Game

The Northville Boy Scout Cub pack of Troop N-1 are invited to attend a baseball game at Briggs Stadium, August 4.

The team, sponsored by the local V.F.W. will be taken to the stadium by the Den mothers and fathers.

Mrs. Harry Marshall of Grosse Pointe, in company with a sister from New York who is visiting her, spent Saturday with Mrs. Fred Vanatta.

Rev. and Mrs. H. F. Fredsell and daughter returned from New York where they visited relatives.

Legion Nine Loses to Milford Sunday

The Junior American Legion Hardball team lost last Sunday afternoon to Milford by a score of 12-4. The game was played at the Highland ball diamond.

The game Sunday completed the team's scheduled games. However, the team has one make-up game yet to be played with Holly.

DeHoCo Leads Softball League

The standings of the teams taking part in the recreation softball league, as of July 25th, have been reported as follows:

Team	W	L	P.
Detroit House of Correction	4	1	809
Cavalcade	5	3	725
Texaco	4	3	592
Ford Road Merchants	2	2	509
Allen & Locke	2	5	286
Local 896-7	2	5	286

Games scheduled for today Friday, will be played by Allen & Locke and the Detroit House of Correction teams on the latter's field, and by Texaco and Ford Road Merchants on the local diamond. Both games are called at 8:30 p. m. Next Monday the Cavalcade team will play Ford Road Merchants at 8:30 here. Two games are listed for Wednesday, one between Texaco and Detroit House of Correction at the latter place and the other between Local 896 and Ford Road Merchants, here. Both games will be played at 8:30 p. m. Next Friday at 7:30 p. m. Allen & Locke will take on the Local 896 team and at 8:45 p. m. Texaco will play Cavalcade. Play-off games will begin Wednesday August 6th.

The games played this week ended with the following score: Local 896-10, Ford Road Merchants-4. The Detroit House of Correction team defeated the Cavalcade team by the score of 7-2.

The Recreation Committee reports that the softball league games are coming along very well, as indicated by the close scores and standings. Also a one hundred persons have attended each game but state are available for many more interested fans. The games promise to be both interesting and spirited.

The boys' baseball team, sponsored by the V.F.W. took a game by forfeit from Livonia Recreation Tuesday.

Fire Destroys Northville Home

Fire which broke out late Wednesday morning completely destroyed the home of the Clyde Baxter family on 19540 Gerald Avenue, near the Northville Springs.

The local fire department was called to the scene of the blaze but were unable to save the house. The cause of the fire at this time of writing is unknown. It is reported that fire insurance on the Baxter home will partly cover the damage.

Introducing . . .

Mr. and Mrs. Alfred M. Lee, formerly of Detroit, who are now occupying the Walter L. Couse property at 164 East Cady, which they recently purchased through the Northville Realty.

Both Mr. and Mrs. Lee possess Doctor's degrees in Sociology and are connected with Wayne University, where the former is Professor of Sociology and Anthropology and the latter is a lecturer in the College of Nursing. Mr. Lee also is a well known author of professional books and articles which have won him recognition in Who's Who.

The Lees have been active in civic and religious affairs. Mr. Lee having served as Vice Pres. of the Social Service department of the Detroit Council of Churches.

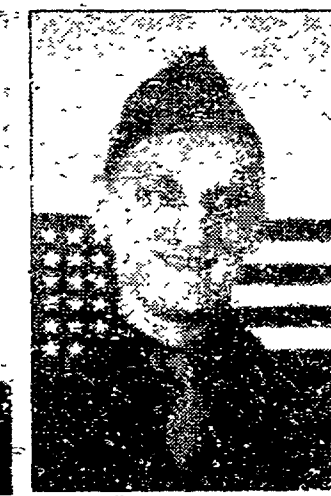

Their family includes two sons, Alfred, aged 13, and Brian, aged 9, who will continue their education in the Northville schools.

The Couse family have moved into their newly built house located at 45875 West Seven Mile Road. The Couses recently purchased thirty acres south and west of the Fish Hatchery property, on which their new home has been erected.

To Be Installed As 17th District Officers Tonight

GEORGE R. SIMMONS

FRED A. WALKER
Adjutant-Elect

Exchangites Beat Rotarians 10-7 in Softball at Picnic

About 75 Exchange and Rotary families, together with the guests, gathered near the wading pool at Cass Benton Park Tuesday evening for the annual service clubs' picnic.

Families brought their basket lunches and were served coffee and milk by the club men. Visiting and horseshoe pitching were enjoyed by members and guests.

A feature of the evening was the softball game played between the Rotarians and Exchangites, with the latter winning by a score of 10-7. A Russell Clark hurled for the winning team, with Carl Johnson and Ivan Ely pitching for the losers.

Neighboring Fair Starts Next Week

Next week August 6-9 the 63rd Annual Milford Fair will open its gates with many educational, entertaining and thrilling events.

The Rouns Chorocho Rodeo will give afternoon and evening performances, with "Radio Show acts" each evening. The Majestic Glee Show with twelve major solos will furnish the fun on the midway.

Kiddie Day, Thursday and championship horse pulling contests Friday and Saturday will thrill both young and old.

This year the fair will be opened Wednesday, August 6, with a parade.

Enlarged 4-H Fair Starts August 20

People who attend this year's 4-H fair just north of Pontiac on M-24 on August 20 to 23 will see a greatly improved fair over any presented during the past 31 years according to Karl D. Bailey, County Agricultural Agent. The county has provided 3 large quonset buildings each 40x100 ft. to house the largest livestock and 4-H exhibit ever assembled in Oakland County.

1800 4-H Club members representing nearly every community will have exhibits.

Credit for the building development as an aid to the promotion of 4-H Club work should go to the Oakland County Board of Supervisors according to Mr. Bailey. The buildings and grounds committee of which James Gardner of Milford is chairman and the Agricultural Extension Committee of which Howard Hillman of Davidsburg is chairman, and the Board of County Auditor of which Robert Y. Moore is chairman, have all been active in completing the building and equipment and it is expected that everything will be in readiness when the fair opens August 20. Yet to be installed are water, light and fencing.

Mr. and Mrs. E. M. Bogart of North Center Street, were hosts to several couples Sunday, following a subscription dinner for the party at the Farm Cupboard near Ann Arbor.

Mr. and Mrs. Pat Travis of Flint and Mrs. Harold Baukey of Adrian were Friday visitors of Mr. and Mrs. John McCully. Mrs. Travis and Mrs. Baukey are sisters of Mrs. McCully.

Attendance First Week At Downs Passes the 50,000 Mark

First Week of Racing at Local Half-Mile Track Brings Pari-Mutuel Handle Up to \$1,009,750

Northville Downs is undoubtedly on its way to the greatest meeting in its history as the second week of summer harness racing under the lights comes to a close Saturday night.

It took only seven nights of racing to send the attendance total to the 50,000 mark, an average of more than 7,000 persons a night and also only that long for the total pari-mutuel handle to reach \$1,009,750. With six more weeks of racing scheduled prior to the Sept. 13 closing, all-time marks for both attendance and mutuels are expected to be written.

Wayne County Sheriff's officers, that same evening picked-up Charles John Shepherd, aged 64 of 38179 West Seven Mile, who was employed as a groom at the Northville Stables. He was reported to be the driver of the car which hit Mr. Leavenworth. Police Chief Denton reports that Mr. Shepherd is being held at the Wayne County Jail until time of trial on charges of a hit and run, and for driving while intoxicated.

It is reported that Mr. Leavenworth is confined at Sessions Hospital and is being treated for a fractured left leg and lacerated right wrist. No date for the trial has been set.

Teenagers See First 'Flickers'

Last Friday evening forty-four young people attended the free movies at the Northville Library, which were shown under the sponsorship of the local Recreation Department and the Wayne County Library. According to Mrs. Donald Ware, the film, "Acting Partner," taken along the Arctic Highway, "created the group." Mrs. Ware, who is in charge of the IFA summer recreation activities in Northville, also said, "The program is aimed at bringing the young people to the library and making them feel at home there."

Tonight at 7:30, Northville teenagers are invited to see "The House I Live In," a Frank Sinatra production "Wings to Ireland" and "Mexico City" both travel films; and "Tre O'Clock and the Pussy Cat."

During August special attention will be given to girls' activities and all girls will be welcome to participate in these events.

During the last two weeks of August the Recreation Department will sponsor tournaments in the following sports: Horse shoes, badminton, croquet, shuffle board tennis, quoits, archery and basketball shooting. Competitions will take place during the afternoon and twilight hours and will be graded according to age, sex, and experience.

Entry blanks will be available beginning August 4th at Gun-sells, North-Hill Drug, local post-office, the swimming pool, Grade school gym and at the home of the recreation director, Clifton Russell, 302 Carpenter street. Entrants are asked to fill in the blanks and leave them to be collected. Tournament drawings will be posted at these places by August 11th.

Power-Line Service Installed by Michigan Bell System

Power-line telephone service which permits the transmission of six telephone conversations and 2400 volts of electricity simultaneously over one line has been introduced at Crystal Falls, for the first time in the state by the Michigan Bell Telephone company.

Called "M-1 carrier" by telephone engineers, the new system enables Michigan Bell to provide service in sparsely developed territory where the construction of regular pole-lines would be economically prohibitive.

Theodore H. Dawson, general development supervisor for the company, said power-line systems similar to the one at Crystal Falls would be introduced next year at other small, rural communities in Michigan Bell territory.

The newly equipped line there runs 20 miles to Way Dam on the Michigan Lake reservoir and serves 24 rural subscribers. The service was made possible by a co-operative construction project between Michigan Bell and the Wisconsin-Michigan Power company.

Special radio apparatus developed by the Bell Telephone Laboratories and manufactured by Western Electric literally makes the power-line telephone a miniature broadcasting station.

Ordinary telephone current is converted into high-frequency radio impulses and put on the power-line. At a telephone can-

Alarm clock's in the ash can....

Pardon a slight rap on the dream-center door of your mind—

—But have you done everything needed to help you, someday, throw away that alarm clock forever?

Which is the same as saying—have you a regular, automatic plan of saving? Because that's about the surest way to create a sure, fixed retirement income.

If not, here's how to do it with U.S. Savings Bonds—the best and safest investment in the world. And one which pays a thick slice of interest.

Retirement 20 Years from Now
 Two Bonds (\$18.75 size) a month will give you \$50 a month ten years from now for ten years thereafter. That's from 1957 to 1967.

Retirement 20 Years from Now
 If you expect to work 20 years longer, you can approximately double the amount you will get each month for 10 years. (Or you can easily figure how

you can spread the return over a longer period.) That's all there is to it. Just those good U.S. Savings Bonds bought regularly—and earning interest as sure as school keeps. And because there's a nice cash reserve for emergencies, if you should need a jump of money, you can get it in minutes.

How You Buy Bonds AUTOMATICALLY!
 Two sure-fire methods. Even more than methods—two positive plans!

One—if you're on a payroll, you buy Bonds through the Payroll Savings Plan. Millions of people have saved billions of dollars this way.

Two—if you're not on the payroll but have a checking account, you buy Bonds at your bank through The Bond-a-Month Plan. Just one transaction needed. You, banker, will give you the word on this wonderful new savings system.

For your sake and for your country's, don't wait. Begin buying Bonds now through one of these plans.

Save the easy, automatic way—with U.S. Savings Bonds

News from Salem

Mrs. F. Buers

Mrs. Myra Taylor, who has been spending two weeks in Detroit and Cleveland, returned home last week Tuesday.

Rev. and Mrs. C. W. Lewis visited Mr. and Mrs. Charles Mason of Ann Arbor one day last week. Mrs. Mason, who was seriously injured in an automobile accident, is very ill from shock. No bones were broken fortunately.

Mr. and Mrs. C. L. Wheeler of Ypsilanti and the A. C. Wheelers of Salem are spending this week at Tropic Lake.

Mrs. Shirley Atchison of Chelsea spent last week with her grandparents, Mr. and Mrs. Myron Atchison.

Mr. and Mrs. Charles Stacey were Plymouth visitors Friday afternoon.

Mrs. Coe Bennett has returned from the U. of M. Hospital at Ann Arbor after a stay of several weeks. She is still quite ill at her home on Six Mile Road.

Mrs. Frank McFarlane spent a few days last week with her son, Harry Rathbun and family of Plymouth.

Members of the Federated church are making extensive repairs on their building and have also built some new cement walks.

Mrs. Russell O'Neil and daughter, of Birmingham, were visitors in the home of Mr. and Mrs. Frank Buers last Thursday afternoon.

George Hertman returned home last Thursday, from Birmingham where he has been visiting his daughter and son-in-law, Mr. and Mrs. Russell O'Neil.

Mr. and Mrs. Wm. Thompson of Brighton were Sunday evening callers of Mr. and Mrs. Frank Buers.

George Buers of Santa Ana, California, is spending several weeks with his parents, Mr. and Mrs. Frank Buers, and brother, Knowles Buers and family.

The Knit and Purl Club will

meet Friday evening with Mrs. Roy Kehrl on Seven Mile Road.

Visitors in the home of Mr. and Mrs. Myron Atchison last Thursday were Mrs. Georgia Trader and Mrs. Karol Felt and daughter, Elizabeth, all of Utica, New York.

Mr. and Mrs. Asa Whipple have sold their farm on Napier Road. Vacation Bible School at the Salem Federated Church started Monday, July 28th, and continues to August 8th.

Mr. and Mrs. W. T. Williams spent last Sunday in Detroit with Mr. Williams' mother.

Glenn Bennett has painted the front of the Williams general store.

Mr. and Mrs. Ora Stacey of Powell Road were Thursday afternoon callers at the Charles Stacey home.

Mrs. Grace Stark of Northville, Mrs. Davis Hyde and son, Clifford, of Houston, Texas and Mr. and Mrs. Howard Stark and son, Charles, of Plymouth were Thursday afternoon callers at the A. C. Wheeler home.

Mrs. Louis Robinson of Detroit has been spending a week with her brother, Kenneth Rich, and family of Laphams Corners.

Mrs. George Bennett and Mrs. George Tanner and daughter, Sharon, were Plymouth visitors Friday afternoon.

Ted Buers spent from Monday to Thursday with his aunt and uncle, Mr. and Mrs. George Smith of Plymouth. Elizabeth Ann Buers spent Wednesday night there.

Mr. and Mrs. Adolph Trapp and daughters, Joan, Jane and June, and Mr. and Mrs. Don Kimmel and daughter, Donna Kay, attended the wedding Saturday evening of Harold Woodcock and Florence Garchow of Farmington. The wedding was held in the Clareville Lutheran Church followed by a reception for more than a hundred guests in the home of the bride's parents.

The Salem Federated Sunday School will hold their picnic Saturday, August 9th, at Island Lake. Dinner at noon with ice cream for all also guests. An earlier was held on the date last week.

Mr. and Mrs. Sherman Hartman of St. Albans were Sunday afternoon callers of Mr. and Mrs. Fred Rider.

Mr. and Mrs. Ronald Lyke and family were Tuesday dinner guests of Mr. and Mrs. Lyke at Plymouth.

Eine-tine, Julian and Virginia Lewis entertained at a party last Saturday evening. The following guests were present: Vera McDuffy of Pa. Walter Timbers of Carlton, George Harris Ann Arbor and Harold Swan, of Michigan, Ypsilanti.

Mr. and Mrs. Kenneth Rich of Laphams Corners and a sister from Detroit were callers of George Roberts and daughter, Ivah Thursday eve.

Mr. George Roberts and daughter, Ivah, attended the Taylor

Kroger

Close to Cost!

Now and then someone comes up with the idea that Kroger makes 10% or 15% or even 20% per dollar sale. Actually, Kroger's net income last year was less than 1%. That's not even 2c on each dollar of sales. No business shows a smaller profit margin than the retail food business. Kroger prices are always close to cost.

Northville's Yesterdays

ONE YEAR AGO:

About thirty boys from Northville and the outlying vicinity are taking advantage of the Veterans' Institute, being held daily at the former Brock building on West Main street.

Dr. Thomas W. Smith, former pastor of the Northville Presbyterian Church was recently honored by his former New York Church at a reunion at the Commodore Hotel in that city.

Myra Gibson of Northville was one of the graduates from Michigan State who received their degree at the end of the six week session last Friday.

Mrs. Russell Sheed of Northville has been engaged to take over the duties of Miss Genevieve Daley, who supervises the younger children's recreation program.

The Archinison Motor Sales baseball team is now in first place in the Inter-County League.

FIVE YEARS AGO:

The wind and rain storm, emphasized by loud claps of thunder and sharp flashes of lightning Tuesday night and early Wednesday morning kept the Edison crews busy repairing damages.

F. Alton Peters is the commander-elect of the Lloyd H. Green Post of the American Legion. He will take office early this fall.

The Dental Clinic, sponsored by the Children's Fund of Michigan through provisions made by the late James Couzens, will be held in the kindergarten room in the Grade school building for four weeks beginning August 10.

Margaret Gardeh, daughter of Mr. and Mrs. Stuart Gardeh, became the bride of William St. Clair of Dallas, Texas, in ceremonies performed at the rectory of Our Lady of Victory Church.

Marking the close of the summer recreation program, a Play Day featuring a parade will be held here Friday, August 14.

Three Northville boys leave Monday for Army training. They are Clyde Weston, Milton Perce, and Leo Misslitz.

TEN YEARS AGO:

Eight boys, all between the ages of 19 and 23, stood before Judge Arthur Nichols Saturday morning facing charges of robbery. On the night of July 20, the Recreation Cafe was robbed of \$62.30, Butch's of \$40 and the Phil Grennan farm of \$75.

Announcement of the establishment of the Northville Heating and Air conditioning shop was made today by L. C. Eckburg, founder and owner.

Thelma Nridder and Clyde Ferguson were married July 25.

Emma Romprey and Myron S. Toomey exchanged their marriage vows July 23.

Mrs. Thad J. Knapp writes from England where she is touring that she is having a wonderful time. She was in London at the time her letter was written.

FIFTEEN YEARS AGO:

Charles Conklin sold his barber shop to Marshall Herrick. Miss Evelyn Grennan was painfully bruised and shaken up Monday when the automobile in which she was riding was hit by a street car in Detroit.

Tanned and refreshed after a week's outing in the northern out-of-doors near Interlochen, the Lees, Turnbills, Tewksburys, and Fizzers have returned home. The Village is making a park-

ing lot on the back of the property owned by E. A. Shager on the downtown corner of Main and Center streets.

Supervisor W. A. Ely, who has been in ill health over a month following an operation, was taken to Deaconess hospital, July 22, for observation and treatment.

THIRTY YEARS AGO:

The storm Wednesday afternoon assumed tornado proportions in some localities a few miles from here. On the Louis Balco farm a barn was unroofed and a silo was blown down at A. Teshka's.

Mr. and Mrs. John Christensen are the parents of a new daughter born July 20.

Oren and Ray Lanning of this place are among the many Michigan boys who enlisted after the national drawing took place.

Carl Bryan has enlisted as a member of the 33rd Michigan band now at Fort Wayne.

It is said that Northville girls are taking to overalls as naturally as a duck takes to water. South Lyon Herald. Well maybe; if there's a good looking industrious young man wearing 'em. Northville girls aren't yet, no; that we've heard of.

Make Fruit Puree of Dead-Ripe Fruit

If you have some dead-ripe fruit this summer which is too soft for canning or freezing, make it into fruit puree. Purees are easy to prepare and simple to freeze. Emma DuBord, county home demonstration agent, says that fruit puree makes excellent pie fillings, whips, ice-creams, and can be used instead of jam in sweet rolls.

Wash and trim the fruit and cook it for a short time. Then put it through a sieve or food chopper, mix with a small amount of sugar, package and freeze. Adding a little sugar helps to keep the natural color and flavor.

Puree should be cooled before packaging. Strawberries are the only fruit which do not need a little cooking. Packages should be frozen as soon as possible after preparation and stored at zero degrees F until used.

Juice from the puree can be left in for a thinner puree, or it may be drained off and used separately. For further information about preparing purees and for delicious recipes, obtain a copy of the Michigan State College bulletin "Fruit Purees." Request Circular Bulletin 200 from your county extension office or from the Bulletin Office, Department of Public Relations, Michigan State College, East Lansing.

Sugar Makes Fruit Firm in Preserves

How you add sugar to the fruit in your preserves determines how it will hold its shape in the sirup. Emma DuBord, home demonstration agent, says that sugar makes fruit firmer but must be used in different ways with different types of fruit. Sugar is added "straight" to tender, juicy fruit like cherries. If cherries stand overnight in sugar, they become firmer and are less likely to go to pieces in cooking. The sugar draws out the juice and shrinks the fruit somewhat. But the juice provides enough liquid so that no water need be added, and this shortens cooking time. Shorter cooking makes better color and flavor. Juicy fruits with a firm skin like plums do not need to stand overnight. But because they are juicy, they are put in thick sirup. This helps keep their shape as they cook. Their juice thins the sirup as much as necessary. Firm fruits like quinces and crabapples are put in thin sirup to cook. Thick sirup toughens them. When put in thin sirup, they have time to cook tender while the sirup boils down. Another way to deal with these fruits is to steam or pre-cook them in water before sugar is added. However, this is likely to cause overcooking and lost flavor.

Dairy Products

Milk and its products comprise nearly 25 per cent of the foods estimated to be consumed annually by the average American.

Egg Dishes

Souffles are an extra-special egg dish and can be plain or made with cheese, vegetables or fish. Hard-cooked eggs sliced on lettuce and served with a salad dressing are a taste treat.

SORRY

BUT THERE JUST CAN'T
BE ANY NEW GAS SPACE
HEATING INSTALLATIONS
FOR NEXT WINTER

No, there just can't be any new gas heating installations made this year. This isn't the way we care to talk to our customers, but we feel that the situation with regard to GAS FOR HOUSE HEATING is serious enough that we must speak of it in these terms, otherwise some of our friends may find themselves without heat this winter.

Conditions beyond our control are responsible for this ban on connecting additional house heating customers. The scarcity of pipe, fittings and other essential construction materials has seriously curtailed our expansion program and restricted the progress of the transmission pipeline company that is working to bring new gas supplies from the southwestern United States to Michigan.

We are, however, making the most efficient use of all the materials we are getting, in order to speed service to you. And we want to thank you for the patience you have shown and the cooperation you have given us under these trying circumstances.

Although everything possible is being done to speed house heating service, it looks now as though it will be at least two or three years before new installations can be made.

West Point Park News
 By Miss L. A. Ault

The four children of Mr. and Mrs. Charles Hoff, Mayfield Ave., are ill with whooping cough.

Mrs. Herman Schult is ill with bronchitis.

Mrs. Cecil Willet and daughter, Joanne, spent Thursday afternoon in Detroit.

Frances Bonner of Milford is the guest for a week of Helen Ruth and Phyllis Ault.

Mrs. Edward Stange attended a birthday celebration honoring her grandson, Bobby Judd, at his home near Grosse Pointe last Tuesday.

Mr. and Mrs. Joseph Sidelink were visiting old neighbors on Blackstone Avenue, Detroit, last Tuesday.

Mrs. Austin Ault and Mrs. Ruby Bonar visited Mrs. Nora Couger in Wayne County General Hospital the middle of last week.

The Bryons of Breitmeyer St. have lately returned from a visit with relatives in Tennessee.

Joanne Craig returned last week-end from a visit with her grandparents in Virginia.

Little Jimmy McVicar is on the sick list.

Norman Potts of The Country Store, spent last week-end with relatives in Albion.

Mr. and Mrs. Austin Ault and Mrs. Virginia Oman and daughter, Ruth Anne, were guests of the Clarke Bonars at Milford, Saturday.

Carl and Robert Borland of Detroit spent Saturday with relatives in the Folker sub.

Mr. and Mrs. Neil Weyman of near Rochester were guests of Mrs. Weyman's parents, Mr. and Mrs. Herman Schult last Tuesday.

Mr. and Mrs. Russell Ault were off on a fishing trip near Howell, Saturday night.

Mr. and Mrs. Doherty, Shady-side Avenue, have had a granddaughter from Detroit as a guest for several days.

Mr. and Mrs. Walter Rehahn were visiting in Ann Arbor last Wednesday.

Dr. Loris M. Hotchkiss was on vacation last week.

Gloria Sidelink is on vacation this week as is Clyde Buckingham and E. C. Imonen.

Mrs. Lewis Graham was a visitor in Detroit Monday.

Carol Buckingham has recovered from a siege of mumps.

Mr. and Mrs. Robert Judd and their three children were calling in West Point Park the middle of last week.

Soldier, Herbert Schult of Shady-side Avenue writes that he greatly enjoys being stationed in Puerto Rico.

Mr. Sidelink of Royal Oak, was the Sunday dinner guest of his brother Joe Sidelink.

Mrs. Edwin L. Johnson and children, Marion and Anne, were Friday luncheon guests of Mr. and Mrs. M. E. Ault.

Mr. and Mrs. Al Southwick of Jackson were week-end guests of the Edwin Johnsons and other friends in this locality.

A week ago last Friday night, neighbors of Mrs. Clinton Ault, Mayfield Avenue, were hastily summoned to help extinguish a fire threatening her home. Mr. Ault was at work in Detroit. His wife, investigating a peculiar odor found the basement full of smoke and gas. The electric wiring was found to be at fault. However, everything was gotten under control without calling the fire department.

Mr. and Mrs. Dail Tallman and children of Mayfield Avenue visited in Detroit, Sunday.

Mr. and Mrs. Robert A. Diehl of Shady-side Avenue returned from a visit to Cincinnati.

Mr. and Mrs. John Varhol and five of their children enjoyed a day's outing at one of the lakes, Sunday.

The McVicar's spent Sunday at one of the lakes.

Jack Tallman is now on vacation. He and Mrs. Tallman have planned several short trips.

Mr. and Mrs. Ralph Houtz are with Mr. Houtz's parents Mr. and Mrs. George Houtz, on Farmington Road for the summer.

Mr. and Mrs. Joe Roberts of Mayfield Avenue called on their daughter, Mrs. Edward Kochanek and her husband in Detroit, Sunday afternoon. A birthday celebration was in order for Mrs. Kochanek.

The Melvins of Parker Avenue returned from a week's stay near one of the lakes in northern Michigan.

Freda Ault called on Mrs. Chas. Hoas of Grand River, near Redford, last Wednesday.

The Arthur Maurs entertained a group of relatives from Detroit Sunday.

Right from the Horse's Mouth...
 Comes the Moisture That Can Ruin Your Stable

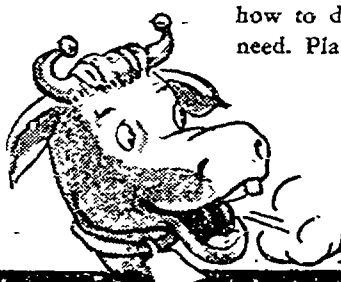

In cold weather, moisture and condensate from animals' breath play hob with any sort of wooden farm building—be it stable, cow barn, or poultry or hog house. Dampness rots the timbers; doors and windows swell and warp.

But the Simple Installation of ELECTRIC VENTILATION Gives You Clean, Dry, Odorless Air Wherever Animals Are Housed

A good-sized hog will exhale as much as three quarts of moisture daily, a cow more than two gallons. That spells sure decay for wooden buildings. It can mean trouble with leather in the saddle rooms—trouble with feed and hay, with the livestock and their produce.

Properly planned, correctly installed ventilation can check decay. Electric ventilation, automatically controlled by thermostats, will eliminate drafts, offensive odors, ammonia in the air, and condensate from animals' breath.

See your Edison Farm Service Advisor for up-to-date, impartial and accurate advice on electric ventilating systems. He knows how to determine the size and type of ventilation you need. Plan now to be ready for winter.

The DETROIT EDISON COMPANY

Livestock Housing is Only One Way in Which ELECTRIC VENTILATION Helps the Farmer

It Cools His Skin BETTER
 Saves His Saddle MORE SAFELY
 Makes His Stall MORE COMFORTABLE

CARD OF THANKS
We wish to thank our friends and neighbors for their kindness and sympathy during the illness and passing of our uncle. Many thanks to Mr. Casterline and Rev. Carl Schultz.
The Fred Brockmiller Family. 8x

CARD OF THANKS
I wish to thank my many kind friends for the cheerful notes sent to me while I was in New Grace Hospital.
Mrs. Maude Bennett. 8x

CARD OF THANKS
We wish to thank our many friends and neighbors, Rev. William Hughes, and the local American Legion post for their many acts of kindness during our recent bereavement.
Mr. and Mrs. A. J. MacDonald and family. 8x

LOCAL NEWS

Mr. Ed Sessions of High street, had his home insulated this week by the BOOTH INSULATION CO. This will make his home cooler this summer and warmer next winter on less fuel. 8
Mr. and Mrs. Robert J. Parmenter of Garfield Road are vacationing this week at the Stark cottage near Grayling.
Mr. and Mrs. Bruce Turnbull were in Detroit Monday evening attending a demonstration at the Book-Cadillac Hotel of the latest Bendix appliances. Afterwards the Turnbills attended a party there.
Mrs. Walter Matson returned to her home in Williamston, Vermont, Tuesday after spending the past several weeks as the guest of her daughter, Mrs. Alfred Smith, and family of Beal Ave.
Word has been received of the unfortunate fall of Mrs. John Pardy recently which caused a broken leg. The Pardys were formerly residents of Northville, moving to South Lyon.

OBITUARY

FRANK F. BROCKMILLER
Frank F. Brockmiller passed away at the home of his nephew, Fred E. Brockmiller, near Milford on Thursday, July 24. Funeral services were held at the Casterline Funeral Home on Saturday, July 27 at 2 o'clock with Rev. Schoutz of Farmington officiating. Burial took place at Woodmere Cemetery, Detroit.
Frank Brockmiller was born August 9th, 1870 to the late Mr. and Mrs. John Brockmiller. At time of his death he was seventy-seven years of age. Several nieces and nephews survive.

Sessions Hospital

Brewer, a boy, July 28, Mr. and Mrs. Albert Earehart, a boy, July 27, Mr. and Mrs. John T. McGuire, a boy, July 26.

Frozen Fruits
Ice cream makers were able to first to make use of the freezing of fruits as a way of preserving fresh flavor more than 40 years ago, according to the department of agriculture.

Easy Nailing
Dry native lumber is rather difficult to nail, but the following suggestions may help. 1. Lubricate nails with beeswax or translucent grease. Beeswax can be inserted into the hammer handle by grinding a hole in the grip. A small amount on the tip of the nail is sufficient. 2. Splitting can be reduced by blunting the tip of the nail. 3. Ease the nail in with light blows.

She can say "Yes" right now to International Sterling

Maybe she hasn't decided yet who the lucky man will be, but she can settle another lifetime problem right now by selecting her International Sterling Silver. Perhaps it will be COURTSHIP (illustrated), one of our most delightful patterns.

Garchow-Woodcock Wedding Took Place Saturday Evening, July 26

A wedding of local interest took place Saturday evening, July 26th, at St. Paul's Lutheran Church located at the corner of Eight Mile and Middle Belt Roads when Florence E. Garchow, daughter of Mr. and Mrs. Elmer W. Garchow of Eight Mile Road, Farmington and Harold V. Woodcock, son of Mr. and Mrs. W. A. Woodcock of Long Beach, Mississippi, were united in marriage. The ceremony took place before an altar decorated with bouquets of white summer flowers, palms and candelabra.

Do your shopping at our ultra-modern store amid congenial quiet surroundings. When you come here... you are assured of finding complete shopping satisfaction... Satisfaction in the knowledge you are receiving the best for less... MANY ITEMS NOW MARKED DOWN FOR SUMMER CLEARANCE!

Jack and Jill Shop CHILDREN'S WEAR NORTHVILLE Mrs. Isabel Willigues, Prop.

Mrs. Lucille Drassow sang two numbers for the young couple. The bride's gown was made of white nylon chiffon and was fashioned with a fitted bodice, sweetheart neckline and a full skirt, ending in a long train. The long sleeves ended in points over her hands. Her fingertip veil was caught to her head with a cap set with frock orange blossoms. She carried a bouquet of white roses cascading to the floor. Dorothy Trapp, maid-of-honor, was dressed in yellow. Serving as bridesmaids were Mrs. Robert Bratt (Bernadine Trapp), wearing green and Corinne Garchow, dressed in lavender. Junior bridesmaids, Donna Garchow and Lois Garchow, sister of the bride, were dressed in blue and pink respectively. All the bride's attendants wore gowns similar in style to that of the bride except the sleeves which were made with double ruffles and the skirts, fashioned with double ruffled bustles. Acting as best man was Marvin Trapp of Northville. Seating the guests were Don Kimmel of Salem and Walter Garchow of Detroit. For her daughter's wedding Mrs. Garchow wore a pink flowered rayon crepe dress and a corsage of roses. A reception for about one hundred guests at the home of the bride followed the ceremony. Later the young couple left on a trip to an undisclosed destination. For going away the new Mrs. Woodcock wore a pink linen dress and white accessories. Her corsage contained white roses. The bride is a graduate of Farmington High School. Mr. Woodcock spent thirty-four months in the Navy and served in the Pacific area. He was employed for some time at the local Ford plant and later was transferred to Detroit. While working in Northville he lived on East Main street. The newlyweds will reside on Eight Mile Road.

RECENT BRIDE

MRS. CARL W. STEPHENS Mr. and Mrs. Stephens were united in marriage Saturday evening, July 19, in the Northville Presbyterian Church. Mrs. Stephens was formerly Pearl Denton, daughter of Mr. and Mrs. Jos. Denton.

Six girls gathered at the home of Mary Smith of Real Avenue Saturday evening to enjoy a dinner party. Following the dinner the girls attended the show. Guests present included Kay Perrin, Dorothy Streruch, Elaine Vogtlin, Barbara Stewart, Patricia Johnston and Maria Scarfoss. Archie Niles is visiting his family on West Cady street. He is on a sixty day leave from the Navy. He has served with that branch of the service for five years and has another year to go before receiving his discharge.

Mr. and Mrs. Roy Covell of Fairbrook Road, expect to start today for Bell California, where they plan to remain for about a year. Their daughters, Janice and Hazel, will also go to California. Janice, who has been working at the U. of M. this year, has a position as teacher in the schools at Long Beach. Hazel will enter a California school of nursing, having completed two years study at Michigan State Normal College in Ypsilanti. A number of social affairs have been given recently honoring the Cavities. Among them was a luncheon Tuesday, at which Mrs. Gerald Woodcock was hostess in her home on Thayer Boulevard. Ladies present on this occasion which honored Mrs. Covell were Mesdames E. M. Robert, Wm. Lucatren, Harry German, Arthur Lutenberger, and H. A. Boyden.

Mr. and Mrs. Fred VanAnta have moved out of their former home on West Cady street, purchased some time ago for use as a village school building. The VanAntas are staying temporarily with their son, Fred, and family of West Cady street. In the fall they will reside in the H. D. Dean home on East Cady street, while Mrs. Dean visits her daughter, Miss Dorothy Dean, in Ellensburg, Wash.

Miss Dean, who has been spending her vacation here, will return in September to her teaching duties in the Teachers' College in that city and Mrs. Dean will make the trip west with her. Mrs. Mary Hedge, who has made her home for several years with the VanAntas, is staying for the time being with the W. E. McCarty's on West Main street.

Mr. and Mrs. George Price and daughters are planning to entertain at a miscellaneous shower tonight, Friday, for their cousin, Harriet Anderson, of Dearborn. The affair will take place at the Price home on North Center street. Twenty guests are expected to be present to take part in the games and to enjoy refreshments served by the hostesses.

Miss Anderson is a bride-elect of August 23rd. She graduated from Michigan State College last June. Guests are expected from Dearborn, Detroit and Northville.

Friends of the former Miss Selma Jarvis, now Mrs. Jalmer Sammul of Detroit, will be interested in the news of the birth of a son to Mr. and Mrs. Sammul at Highland Park General Hospital on July 11th. The new baby has been named John Alexander. For a number of years Mrs. Sammul, then Miss Jarvis, taught in the Northville grade schools and made her home in this village.

ATTEND FAMILY REUNION Fifty members of the Wagenschutz family assembled at the city park in Williamston last Sunday for their twentieth reunion. Relatives attended from West Point Park, Plymouth, Wayne, Tecumseh, Detroit and Northville.

Going up from here were Mrs. Amelia Ford, Mr. and Mrs. Clayton Meyers and small son, Mrs. Gladys Johnson and Mr. and Mrs. Don Hamilton.

TREATED AT CIRCUS Four small Northville lads who enjoyed a day at the circus in Detroit this week were David Harme, Bobby Schock, Bobby Dixon and John Funk. The boys took in a few of the sideshows, had dinner and attended the evening performance as guests of Gordon Allen, who for some years past has annually treated a number of local boys to this sort of an outing.

ENTERTAINS AT DINNER Margaret Burton of Wing Court entertained at a dinner party last Thursday evening honoring her house guest, Mrs. Kenneth Hixon of Easton Rapids. Guests included Peggy Joyce Warby, Harry Boechelli, and Clarence Lavender of Detroit, and Jack Peters of South Center street.

MRS. BALDWIN HONORED Mrs. Ted Baldwin (Jane Ann Lanning) was guest of honor last evening at a linen shower given by her cousin, Mrs. Chas. Mummary, at her home on First St. Twelve young ladies from Northville and Plymouth presented the new Mrs. Baldwin with gifts and enjoyed a social evening.

ENTERTAINS FOR BRIDE Mrs. Clayton Meyers was hostess at a kitchen shower for Mrs. Howard Williams (Betty Stillwell) on Tuesday evening of last week. Sixteen Northville and Plymouth ladies gathered at the Meyers home on First street to honor the recent bride.

Mrs. Helma R.N. of East Cady street has returned to duty at Grace Hospital, Detroit following a vacation trip to Los Angeles, San Francisco and other points of interest in California.

How Ohio Farmer Reclaims Pasture
Uses Quality Livestock
In Marketing Hay Crop

Gail Heckley, a successful Livestock county, Ohio, farmer, has proven that proper soil treatment for pasture land will pay dividends. In the fall of 1946 and spring of 1947 he used two tons of ground limestone and the equivalent of 500 pounds of 20 per cent complete fertilizer per acre. In 1947 he gave a second application of both lime and fertilizer.

Originally the pasture consisted largely of brown topsoil, mostly clay and was to be reclaimed and made into a better pasture. Today it has a good stand of blue grass and white clover. The pasture carries four to five times as much livestock as it did before treatment.

Summing up the beneficial experiences Heckley and other Ohio farmers have had with well-managed pasture improvement programs, Dr. D. R. Dodd, Ohio State university agronomist, declared: "The application of adequate lime and fertilizer to what were formerly unsatisfactory permanent pasture areas and low yielding hay lands has taken the discouragement out of farming and put additional profit into the annual income. One very important item should not be overlooked. The high quality pasture and hay must be utilized by high quality livestock if maximum profits are to be obtained."

Clay Pipes Change

Upper photo shows some of the first machine-made clay pipes, almost a century old. Lower photo shows the present start clay pipe, which is doing an excellent drainage job for the farmers of America.

Newcastle Disease of Poultry Is Spreading
The fight against Newcastle disease of poultry has been carried into 40 states. Producers of broilers have been hard hit. Large-scale vaccination trials are in progress but results will not be determined for some time. Until preventive methods can be determined, sanitation and daily killing and disposal of all sick birds offer the best and perhaps only solution to the problem at present.

ANNUAL REPORT OF SCHOOL DISTRICT NO. 8, NOVI TOWNSHIP

The annual school meeting of Novi Township, District No. 8 was held at the Novi School on July 14, 1947. The meeting was called to order by President Guy Niel. The minutes of the annual meeting held July 8, 1946 were read and approved.

The treasurer's report was read by Treasurer, Alfred Gow. A motion was made by George Atkinson and supported by Georgia Larson that the report be accepted. Motion carried.

The budget report was read by James D. Mitchell. A motion was made by Robert Davis and supported by Helen Spisak that the report be accepted. Motion carried.

A motion was made by Mr. Frank Clark and supported by Mr. William Lessway that a nine and one-half month school term be maintained for the school year, 1947-48. Motion carried.

Nominations were declared to be in order for the election of a trustee for a three year term.

A motion was made by Signa Mitchell and supported by Ruth Comer that Jack Crawford be nominated. A motion was made by George Atkinson and supported by Erwin Martin the teller be instructed to cast a unanimous ballot for Jack Crawford. Motion carried. Jack Crawford having received a unanimous vote was declared elected.

Mr. William Mairs, after serving twenty years as a member of the Board of Education submitted his resignation.

A motion was made by Frank Martin and supported by Walter Tuck that the resignation be accepted. Motion carried.

Nominations were declared to be in order for the election of a Trustee to be elected for a one year term.

Robert Davis was nominated by Georgia Larson and supported by Mrs. Spisak.

Northie Chesseman was nominated by Glen Salow and supported by Ruth Comer.

Sue Watson was nominated by Helen Staman and supported by William Mairs.

James Frisbie was nominated by Sue Watson and supported by Hadley Bachert.

George Atkinson was nominated by Ford Brooks and supported by Stephen Hicks.

A motion was made by Signa Mitchell and supported by Helen Crawford that the nominations be closed. Motion carried.

Glen Salow was appointed a teller to replace Robert Davis.

Fifty-seven votes were cast as follows:

James Frisbie 21
Robert Davis 19
Sue Watson 10
George Atkinson 3
Norrie Chesseman 3

James Frisbie, having received the greatest number of votes was declared elected.

There being no further business, a motion was made by Frank Clark and supported by Ford Brooks that the meeting be adjourned. Motion carried.

News from Novi

By Mrs. L. Rix

Dr. and Mrs. H. L. Lyon of Hollywood, Calif. will arrive in Novi about Aug. 3 for a visit with Mr. and Mrs. O. J. Lyon. They will also visit their son, Sumner, who is employed at Warner Brothers in New York City before returning to California.

Mr. and Mrs. Arthur Hilyard are camping and fishing this week in the Upper Peninsula. Mr. and Mrs. Don Archambeau entertained last week the former's brother, Robt. Archambeau of U.S.N.

John Richardson, brother of Mrs. Ed. Schwartz and Mrs. Russell Stevenson of Novi was instantly killed in an automobile accident near the "Homestead" Sunday evening.

Mr. and Mrs. Geo. Atkinson and Mr. and Mrs. Glen C. Salow returned the latter part of the week from their vacation trip through Kentucky, Tenn., North Carolina, Georgia, and Indiana. They spent the greater part of the time in the Smoky Mountains.

George Gleason underwent an emergency appendectomy at Sessions Hospital, Saturday night.

Mrs. Glen Salow was hostess to the members of her card club, Monday evening.

Mr. and Mrs. Roy Covell and

daughter, Hazel of Northville were Friday evening dinner guests of Mr. and Mrs. Luther Rix. The Covells leave for California, August 1st.

A pre-nuptial shower was given for Sally Richardson of Walled Lake at the Herman Smith home last Thursday evening by Mrs. Ed. Shoemaker and Mrs. Rex Smith. Miss Richardson will become the bride of Herman Smith, Jr., August 9th.

Mr. and Mrs. Ed. Swartz of York, Penn. are expected to arrive in Novi sometime this week to visit their son and daughter-in-law, Mr. and Mrs. Jacob Swartz.

Mr. and Mrs. Carl E. Gleason of Mt. Morris have visited the latter's parents, Rev. and Mrs. M. J. Remick for the past week. The Gleasons left for their home on Monday and were accompanied by their sister, Dorothy Mae Remick, who will spend some time there.

Mrs. Thos. C. O'Dell and children of Clinton are visiting her parents, Mr. and Mrs. Charles Perry. The Perrys are having their vacation this week.

Mr. and Mrs. J. D. Mitchell and son, Jimmy, and daughter, Lois, are vacationing in northern Michigan.

Mr. and Mrs. Harry Newman of Middle Belt Road and Mr. and Mrs. Luther Rix called on Rev. and Mrs. Ezra Robertson in Lincoln Park, Sunday afternoon. Rev. Robertson had the misfortune to fall from a ladder the fore part of the month and suffers from a fractured vertebrae.

M. O. Lackey has been the house guest of his sister and brother-in-law, the Ruben Wards since last Tuesday. Other recent visitors at the Ward home were: Mr. and Mrs. Robt. McIntosh of Boston and James McIntosh of Garden City.

Mrs. Clare Lockwood attended the soap box derby at River Rouge last Saturday and watched her nephew, Fred Henry of Detroit win the first race.

Mrs. Mae Henry visited her sister, Mrs. Clare Lockwood and

was present at a demonstration and breakfast Thursday morning. In the afternoon the ladies went huckleberry picking near Brighton.

Mr. and Mrs. Clare Lockwood were the dinner guests of Mrs. Lockwood's son's family, Mr. and Mrs. James Bates Monday evening at Walled Lake.

Mr. and Mrs. Wm. Rachow and sons, John and Mitchell will be present at the marriage of Mrs. Rachow's sister, Mary Chmura to Roy Meneal at St. Rita Church in Detroit, Saturday morning. They will also attend the reception held at 6 in the evening at Anniversary Hall.

Milk Nutrition

A quart of milk - four large glasses - supplies approximately the following percentages of daily nutritive requirements of an average adult: calcium 100 per cent; plus, riboflavin (vitamin G) 75 per cent; phosphorus 69 per cent; protein, 49 per cent; vitamin A 37 per cent; vitamin B1 29 per cent; iron 16 per cent; vitamin C 16 per cent.

Speaking of Averages

The average cow eats 100 pounds of food daily to produce from 20 to 25 pounds of milk. An average American family owns 3 beds. The average American uses 26 pounds of soap a year. The average bee hive produces 17 pounds of honey annually. The average housewife washes 6 tons of dishes a year.

To get "Something for Nothing"

The railroads have received 44 "rules" demands from the leaders of the operating unions ... representing engineers, firemen, conductors, trainmen and switchmen. They say they are seeking only changes in working conditions - not a wage increase.

More Money For Less Work

But what kind of rules are being asked for? Twenty-eight of them would compel railroads to pay more money for the same, or less work: 7 would require additional and unnecessary men to do the same work; the rest would bring about changes in operating practices at increased cost.

For Instance:

The Union leaders demand additional train and engine crews on Diesel-powered trains - one full crew for every power unit in the locomotive. A freight train hauled by a 4-unit Diesel would have to carry 4 engineers, 4 firemen, 4 conductors, and at least 8 brakemen, or a total of 20 men instead of 5.

"Made Work" - Sheer Waste

The Union leaders demand that half-length freight trains be cut to about half their length, even though such trains are most efficient for low-cost service to you. This rule would call for twice as many locomotives, would double the number of trains, and make accidents more likely.

Additional equipment, yards, and other facilities required to take care of these short trains would cost hundreds of millions. What the Union leaders really want is to make more jobs.

The Union leaders demand that when a crew in one class of service perform incidental service of another class, they will be paid not less than a day's pay for each class, even though all service is performed as a part of the same day's

work. The crew would get at least two days' pay for one day's work.
The Union leaders demand that the present basic day for passenger con-

ductors and trainmen be reduced from 150 to 100 miles, which would have the effect of increasing their pay 50%. Such a run often takes only two or three hours!

You Can't Afford This Waste

Demands like these are against the interests of the whole American people, who depend on railroad service for nearly everything they eat, wear and use.

These rules would cost a BILLION DOLLARS annually - a gigantic waste which neither the railroads nor the country can afford.

Railroad workers are good citizens and good employees, with pride in their calling. Their record during the war was outstanding. We do not believe they fully understand the "featherbed" rules which the Union leaders are demanding. We do not believe they understand the harmful results which these rules would have to the railroad industry, to the millions of men and women dependent on railroads for their livelihood, and to the shipping and consuming public.

The great strength of America is in production - an honest day's work for an honest day's pay.

For only through greater production can we hope to stop the steady upward surge of living costs.

Surely, if ever there was a time in our history when we needed to work, not waste, this is it.

On Capitol Hill

(Continued from Front Page)
suggestions to correct these obvious deficiencies.

(1) Make intelligence a career in the Army, Navy, and the Air Forces and make it possible for intelligence officers of the armed services to attain high command positions but require intelligence and experience before an officer can be selected for high command. (2) Take the appointment of Director of Central Intelligence out of politics and specify that he be responsible directly to the Congress with a 15-year tenure of office. Limit his activities to the preparation of national intelligence policy estimates based on information and intelligence collected by State, War, and Navy Departments. (3) Create under the Secretary of National Defense, after unification is passed, an intelligence collecting agency to serve him and the Joint Chiefs of Staff, which agency shall be responsible for the operation of all secret intelligence collection, and for all domestic and foreign counter-espionage operations. (4) The Congress must take an active interest in our national intelligence problem and prevent the Central Intelligence Agency from becoming the dumping ground of the services. (5) And, most important of all, the Congress must take steps to insure that all our intelligence agencies are free from taint and stench of communism, for these agencies are our first line of defense.

Power-Line Service

(Continued from Front Page)
tral office, similar equipment separates the radio impulses from the electric current and converts them back into regular voice frequencies.

In effect, telephone conversations hitch-hike on electrical current. Exceptionally sensitive fuses and special "filters" prevent high voltage electricity from finding its way into telephone equipment. A maximum of six radio channels can be provided by M-1 carrier equipment on any one power system. However, up to eight subscribers can be handled efficiently on one channel so that a total of 48 customers can be provided service on a single power-line.

Like a virtuous wife, that which is commonplace is often unappreciated.

We refer in particular to Michigan's 10,000 inland lakes, its 2,628 miles of Great Lakes shoreline, and its numerous navigable rivers and streams.

Because these lakes, sandy beaches and waterways are a familiar part of the Michigan scene, we have a tendency to take these natural resources all for granted and to postpone until "tomorrow" our enjoyment of them.

The other day we dropped in at the office of a newspaper editor who likes to go fishing. Knowing his hobby, we made prompt inquiry.

"How's fishing in these parts this season?" we asked. The editor looked at us with a far-off yearning and recollection.

"Come to think about it," he said, "I haven't been fishing yet this summer. That's the trouble with Michigan. Our lakes are here today and they will be here tomorrow. It's too darn easy to get in the habit of going fishing tomorrow but never going fishing today."

A favorite uncle and aunt paid us a visit over a recent weekend. Packing up our snug cabin-in-wheels, we headed our house trailer towards the Michigan west coast. Our destination: Muskegon State Park with its 1,357 acres of woodlands and dunes and three miles of Lake Michigan sandy beach.

The harbor entrance into Muskegon lake was lined with townspeople and tourists who were fishing for perch. A pole and some minnows and lots of patience, and you can while away several hours pleasantly at the end of a busy day.

On the lake and inside the harbor were all kinds of boats: Sailboats drifting, boats noisily powered by outboard motors, and luxurious cabin cruisers which cost their owners a pretty penny—five to six figures. The Clipper arrived about 6:15 p. m. from Milwaukee. Bathing beaches nearby were thronged with sun-bathers and swimmers.

To us here was Michigan! The same scene was duplicated on the same Sunday along the shore of Lake Michigan, Lake Superior, Lake Huron, Lake St. Clair, Lake Erie, and the Detroit and St. Clair rivers—just to mention the main waterways. Our sole cost for the weekend, other than for food, was the park fee for electricity—20 cents a day!

Our hosts: The editor of the

Milford newspaper and his wife. Another couple from Milford are in the party. The water is high, so the portage around two bridges. Outboard motors cut our traveling time against the river current.

The Huron flows through a series of lakes all fine for fishing. You travel through wide marshes and along rough hillsides, hedge rows and wild meadows. You arrive at Proud Lake, a small body of water surrounded by woods and marshes. It reminds you of North Michigan—and yet you are less than 30 miles from Detroit.

No matter where you go in Michigan, you will find opportunity to enjoy the outdoors on Michigan water. Here is wealth waiting to be used. Take some today!

The first Novi School reunion will be held Saturday, August 2 at the Anna Oliver home on Eleven Mile Road Parkway dinner at 1 o'clock. Each family will furnish their own table service and a parking dish.

MICHIGAN Motoring

Good highways are equally important for the motorist and to the Michigan State Highway Department. From the driver's viewpoint, highways make driving pleasant or difficult and are the first consideration when planning a trip.

Michigan is noted for its fine network of highways. You will see them first hand if you plan to visit the Venice of the West Program at Charlevoix, July 27; the Onion Festival at AGres, July 28-30, or the Pere Marquette Memorial Pageant at Ludington, July 28-31.

Michigan highway designers are striving constantly to improve roads so there will be fewer accidents. Recently some of these designers traveled 1919 miles inspecting express highways in Pennsylvania, New Jersey, the City of New York, Long Island, Westchester county, the Merritt Parkway in Connecticut, and the Queens Highway from Niagara Falls to Hamilton in Ontario, Canada.

Church School Begins Monday

A daily Vacation Bible School will be conducted at the Baptist Church beginning Monday, Aug. 4th and continuing through Aug. 15th. Sessions will be held daily except Saturday and Sunday from 10:00 a. m. until 12:00 noon. Miss Margaret Carpenter will direct the school.

OBITUARY

FLORENCE VAN VALKENBURG

Mrs. Florence Van Valkenburg passed away July 30th at Breese Hospital, Jackson, at the age of seventy-eight years. She had been in ill health for the past few years.

Services for Mrs. Van Valkenburg will be held from the Schrader Funeral Home this Friday afternoon at 2 o'clock with Rev. William Richards officiating. Interment will be made at Rural Hill Cemetery.

Surviving are two sons, Franklin of Chelsea and Ross of Detroit. Her husband, Louis Van Valkenburg, preceded her in death in December, 1945.

Mrs. Van Valkenburg was born in Farmington and came to Northville in 1892 as a bride to reside with her husband on Rogers street. She lived there until 1913 when the family moved to a farm on Beck Road. Since 1942, she has made her home with Franklin and his family near Chelsea.

She was a lifelong member of Eastern Star, Office Chapter No. 77 and also a member of the Northville Methodist Church.

Coralyn Stephens of Orchard Drive spent the weekend visiting at Devils Lake.

Mrs. L. H. Feighner of Royal Oak is visiting her mother Mrs. Ida Yull and sister, Mrs. C. C. Boyd a few days this week.

1937 telephone rates won't work in 1947

THERE have been a lot of changes moneywise since 1937. Wages have gone up. Taxes have gone up. Prices of most things have advanced. But during this time, telephone rates haven't budged an inch ahead.

The last rate increase, in fact, was in 1926—21 years ago! From then until 1937 telephone rates went down substantially. Since 1937, there have been even further local reductions in a number of exchanges, and toll rates have come down too. But, in general, the 1937 rates prevail today.

Looking at the other side of the ledger, post-war wage adjustments alone, including settlements reached during the recent strike, have boosted our costs \$11,000,000 a year. All our other costs have risen, too.

But our income hasn't gone up nearly as fast as our costs. In the ten years since 1937, income has increased 141%. Costs have gone up 193%. Our return on investment has dropped more than a third.

We've held the line on rates just as long as possible. Now we have to ask

for an increase in order to protect our customers' service.

We still have a lot of additions to make to the telephone system before we can give service to those who are waiting, and give better service to everybody. This will take a lot of money... money which must come from investors. Investors will put up the money only if they are assured a fair return, which we cannot provide under our present rates. A growing business, specially, has to earn a good return in order to attract the capital needed for growth.

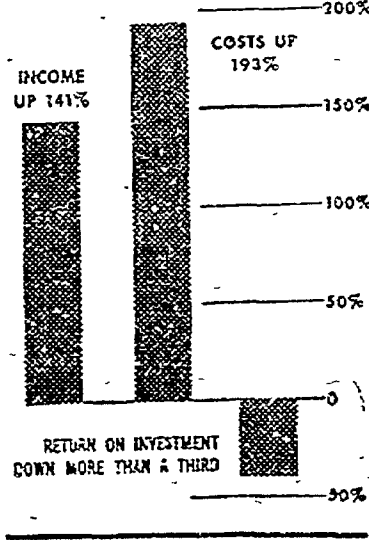

So the future of Michigan's telephone service depends on raising rates enough to assure the financial stability of your telephone company.

That's why we're going to ask the Michigan Public Service Commission for a public hearing to review our proposed new schedule of rates. (The Public Service Commission is the body established by State law and appointed by the Governor to regulate utility rates.) During the week of August 3, we'll publish details of the proposed

rates throughout Michigan Bell territory. After that, we'll file the petition with the Commission.

We feel the same way you do about raising rates. We'd rather not have to do it. But, when the quality of your service is in question, we have no alternative.

TODAY'S SITUATION COMPARED WITH 1937

NOTE: Where the term "Income" is used above, its meaning is the same as "Revenue" or "Gross Income." Where the term "Investment" is used, it means the original cost of the telephone property less the depreciation reserve accrued against the ultimate retirement of the property.
