

The Northville Record

OLD NORTHVILLE SPRING

For Over 77 Years - Friend, Companion and Kindly Counselor

Volume 77, Number 11

TEN PAGES THIS WEEK

Northville, Michigan, Friday, August 22, 1947

\$2.00 PER YEAR IN ADVANCE

Initial polishing of valve castings is done by this conveyor-fed machine operated by William McCullough. One operator can handle two of the automatic machines. Castings are carried to the operator on a conveyor line after passing visual inspection given all shipments of castings received at Northville from the Production Foundry at the Rouge.

Dropping down a core from a propane fired oven where the valve heads are heated and hot, the castings arrive at this stamping machine where first shaping of the heads is done. Zbigniew Tomaszewski watches the flow of castings in the machine.

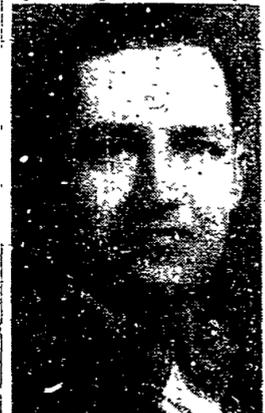

Impressing of the name "Ford" on each valve and beveling of the edges is done in a continuous operation in this machine under the eye of George Lewis. Another section carefully checks the dimensions of the finished valves. Berdine is the last of 34 processing operations through which the castings go in about two hours at Northville.

In a room where temperature and humidity are constantly controlled, Mamie Grever completes Northville's valve job with scoring and grinding. Valves are graded according to weights, marked with various colored crayons, placed on racks and then shipped back to the Rouge for use in its cars and for shipment as replacement parts around the world.

Plant Superintendent

E. M. FLAHERTY

Northville Valve Production Shown

Northville's part in the Ford Motor Company's Parts and Equipment Manufacturing division starts at the Rouge production foundry.

Out of that foundry to Northville go the nickel chrome alloy valve castings that make up the life blood of the manufacturing process in the oldest plant of this division.

Back from Northville to the Rouge for use in new car engines—and for distribution to Ford service establishments throughout the world for replacement—flow more than one million completed valves per month.

733 at Work Now
At the moment the plant, located on the Rouge River, employs 733 persons. There are two shifts working on valves and three shifts on the bushing operation. They are turning out now more than 350,000 valves daily or one million a month. There are seven different types of valves.

The current output schedule is 1,000 daily, or more than three million a month. Each day it exceeds five million monthly. Ford's valve operation is unique. The valves are the only single piece cast valves used in manufacture of American automobiles. Valves of all other car makes are made of bar stock and other welded or extruded.

New valve units get a hurried but thorough trip through Northville. They go through a total of 34 operations in about two hours, before being put into heat treating ovens for a four-hour roasting. Out of that oven every 10 minutes come 744 valves ready for final inspection.

Conveyor System Feeds Machines

One of Northville's high points is the conveyor system that moves throughout the plant. Stocked by hand with rough valve castings as they arrive in 400-pound capacity bins from the Rouge, the conveyors feed back and forth past grinding and polishing machines.

Mechanical hands tip the valves from the conveyors into loading chutes. From the chutes the castings drop into place in the machines, the operation is performed and then they are ejected onto another conveyor for transmission to another machining process.

Employees Live in Nearby Towns

Majority of the employees at Northville come from within a 15 mile radius of the plant, with Northville, Plymouth, Walled Lake and Farmington supplying the most.

Superintendent of the plant is Ed. M. Flaherty. General foreman of the valve operation is Joseph Bujak. Claude Baker is general foreman of the bushing operation.

—The Rouge News, August 2, 1947.

The Clark Hardware sign received a new coat of paint this week.

Coralyn Stephens of Orchard Drive is spending the week at the John Litsenberger cottage, located on Lake Huron, near Ossineke.

Play-off Finals Start Tonight

The final games in the play-off series of the Northville Softball League will begin tonight, Friday, at Henry Ford Field. The winner of the rubber game played Wednesday evening between the Ford Road Merchants and the Detroit House of Correction team, will play Cavalade, starting at 8 o'clock in the first of a two-out of three games series. The next final games will be played on Wednesday, August 27th. If necessary the third game will take place on Friday, August 29th.

In the games played last week Cavalade nosed out Texaco 2-0 in a hotly-contested over time game which went scoreless until the ninth inning. Up to that point, Larkins (Texaco) had pitched fifteen consecutive scoreless innings. Trachsel fanned seventeen batters to win the game. Both are season's records. This was the fourth shut-out in five play-off games.

Other results. Cavalade 8, Texaco 3; Texaco 4, Cavalade 0; Ford Road Merchants 2, Detroit House of Correction 0; Detroit House of Correction 1, Ford Road Merchants 0.

About four hundred persons have seen each of the first five play-off games. If the finals go three games, it is estimated that the total season's attendance, players and spectators, will reach the 7000 mark.

Wagons Awarded To Bible Pupils

Three village children were awarded wagons at the closing program of the Baptist Vacation Bible School Friday evening, Aug. 15, for earning the highest number of points during the term's work.

The winners were Dorothy Chappel, 13, of North Center street, Clarence Patterson, 11, of East Cady street, and Berdine Mates, 9, of Chestnut road.

The children were in attendance at the primary and secondary departments, respectively. Points were earned by learning, singing, and by attending regularly.

Wagons and notebooks presented by the children were displayed during the program which was attended by friends and parents of the pupils.

The junior department elected the theme of the term, "K... and when he saw the log..." (Gen. 45:27), and each department sang and recited verses.

Teachers and helpers were presented with tokens of appreciation.

The Bible School had an enrollment of 171 when it closed.

Mrs. Betty Banks of East Main street is spending two weeks in Canada, visiting her brother and sister, Kenneth and Jeanne, Rowe.

J. Berdine Scott and Mr. and Mrs. Arthur Muder of Ovid, spent Tuesday and Wednesday with the C. C. P. at the home of Rayson Street.

Passed Away Tuesday

D. P. YERKES

Yerkes Funeral Rites Thursday

Funerals for D. P. Yerkes, 62, of Northville, will be held at 2 o'clock Thursday afternoon at the Presbyterian church, 1001 Northville road. Mr. Yerkes died Tuesday afternoon at the age of eighty, after a long illness at St. Joseph's Hospital.

He had been in state at the Oakdale Funeral Home until last night. Services were conducted by Rev. Harold Probst, leaving as pallbearers were the elders of the Presbyterian church, in which Mr. Yerkes had served as organist since 1919. Interment was in the Yorks Cemetery on Northville road.

Double Day Yerkes was born October 22, 1884, in East Township, Michigan, and was the son of Robert and Sarah Holmes Yerkes. He was a member of the Northville Presbyterian church and was a member of the Northville Presbyterian choir. He was a member of the Northville Presbyterian choir and was a member of the Northville Presbyterian choir.

He was one of the best players in the Michigan State College baseball team, having played there as a star player. When he was at Michigan State College, Mr. Yerkes was affiliated with Phi Delta Theta fraternity and excelled in sports, playing basketball for the M. A. C. and defusing University of Michigan in the first two games. He was mentioned in the Spalding Baseball Guide for 1933, page 95, listing his batting average as .461 and his fielding average as 1000 per cent. An ardent sportsman, Mr. Yerkes enjoyed small game hunting, and his excellent marksmanship earned him the title, "old dead-eye."

He was united in marriage to Nellie McRobert in 1890, who preceded her husband in death May 29, 1947. Together they celebrated their 50th wedding anniversary May 29, 1940, receiving friends and relatives at their home on Eight Mile Road.

In 1906, Mr. Yerkes returned to Northville where he jointly owned and operated the Northville Milling Company, in the Center street building.

Schools To Open On Sept. 4th

Northville Public schools will open for the fall term, September 4, at the regular time, 8:30 a. m.

Registration for High school students will be held Thursday and Friday, August 28 and 29 from 9:00 a. m. to 12:00 noon, and from 1:00 p. m. to 4:00 p. m.

Only those youngsters who have not registered previously for kindergarten should report to the Grade building on August 28 and 29. Elementary grade children need not register unless they are new to the school system.

The book store, located in the High school building, will be open during the time of registration, and pupils are urged to purchase their textbooks at that time.

Previous to the opening of school on September 4, the faculty will convene on September 2 and 3 to make plans for the current school year.

Teachers will report to the Grade and High school principals, Elroy Edison and Cyrus E. Pierce respectively on the opening day of the conference to receive their room assignments. This will be followed by a general faculty meeting, and reports will be heard from the three teachers, Leslie G. Lee, Elroy V. Ellison and Margaret Beckopp, who attended a curriculum conference at Union Lake, in the Upper Peninsula this week.

Committee meetings on health and house will also be held during the two day conference.

Russell H. American, superintendent of the school system, reports that both the grade and high school buildings are in excellent condition for the opening of the fall term. Work on the High school building was completed with the necessary equipment. Work on the West Main street building is being completed. The school building is in excellent condition for the opening of the fall term. The necessary building facilities in the homes, this week.

Band Concert Tuesday Night

The Northville High School band will play two more concerts, this year, one on Tuesday, August 26, and the last on Tuesday, September 2.

Both events will take place at 7:30 on the Village green.

The band, directed by Leslie G. Lee, will also play for the State Fair September 3.

Half-Year Plate Sale to End August 30

The sale of last half-year license plates will continue for one more week ending Saturday, August 30th. They may be purchased at the office of C. Harold Bloom, local representative for the Secretary of State.

Reports from the Bloom office state that sale of the plates has been very slow up to this point.

Prof. Alfred Lee and Austin Van Hoy were speakers on the Northville Record Tuesday night.

Old Northville Spring in 1913

Old Northville Spring in 1913

We are indebted to the kindness of Claude Ely for the above picture of the "Old Northville Spring" as it appeared in October, 1913. The depot had been moved to the present site and during the morning a pole was sunk about 100 feet with the Ely Coal Office where it is now located and in the center of the track. In sinking the pole which was used as an anchor to pull the depot to its present site, the diggers broke the tile that conveyed the water to the spring. Digging the hole made the water muddy. The hole was refilled and the water was being cleared up.

Area Swept By Storm Thursday

Wind gusts to 40 m.p.h. and rain fell in the area Thursday night. The storm was the heaviest since the previous year. The storm was the heaviest since the previous year. The storm was the heaviest since the previous year.

Northville Project To Be Continued

Over the objections of Lieutenant Eugene C. Keyes, the State will proceed with preliminary construction in the proposed Northville State Hospital to care for mental cases in the metropolitan area.

Gov. Kuhn Sigler clashed with Keyes at a State Administrative Board meeting over whether the State should spend money now in a project that won't be available for use until 1950 at the earliest, provided the Legislature appropriates the necessary millions for construction.

"Instead of going ahead we should wait and make our construction dollar go farther," Keyes argued. In the meantime, we should make arrangements to obtain temporary facilities."

"The trouble is that we have been waiting and waiting and waiting," Gov. Sigler shot back. "As a result we have 1,300 people who should be hospitalized walking the streets."

There always have been excuses around here, political reasons why we should not go ahead and meet these problems. It is about time we went ahead and tackled the situation."

At issue was a \$374,455 contract for construction of a railroad siding into the hospital area. The Administrative Board approved the contract to Arnold Cassin, Inc., of Detroit.

Keyes said he had talked with Washington officials and was attempting to obtain dismantled Army hospitals that could be set up as temporary units and attached to present State institutions.

"For \$150,000 you could make 150 beds available in less than six months and take the load off Receiving Hospital in Detroit," he said. "The War Assets Administration and the surgeon-general's office in Washington are looking for these temporary facilities at my request. If they find some available, I will recommend that the Administrative Board buy them to meet the present problem and they can be purchased for 5 cents on the dollar."

(Continued on back page)

Downs Passes Halfway Mark

With its attendance and betting records growing steadily, Northville Downs moved into the second half of its biggest night harness race meeting on Monday.

Passing the halfway point on Saturday when a crowd of 7,300 wagered more than \$190,000 on the nine races, Northville is now entering the climactic portion of its meeting, with its biggest purses and most important races.

In the first four weeks of the meeting, 23 nights of racing were presented, last Thursday being lost because of rain. In that span, the average attendance was 5,719 and the average mutual "handle" was \$153,476—both marks being a full 30 per cent ahead of comparable periods in previous years.

The focal points of interest in the last four weeks of the meeting are the three big \$5,000 stake races—the Michigan Pacing Derby scheduled for Friday, August 29; the Northville Driving Club Trot, set for Sept. 5, and the Governor's Trophy race on September 12.

Nominations for the three big races closed last week with 10 pacers named for the Derby, 12 trotters for the Driving Club event and 12 pacers for the spectacular Governor's Trophy which will be raced at intermediate distances of a mile and a mile and one-sixteenth, the latter being the longest race of the season here.

The Pacing Derby, in which Royal Man and Grand's Guy shared honors a year ago, has drawn one of the greatest fields of Northville ever. Topping the 10 nominations is the Philadelphia Dr. Station Lindley, a 3-year-old colt who has won 18 victories in 20 starts this year, including three at Northville during the past week. Also in the field is Jimmy C. owned by John Thompson of New Ross, Indiana. Jimmy C. led the track record at the Downs for both the one-mile and one-and-one-sixteenth (Continued on back page)

Along this line of grinders and polishers the valve castings move as they near the end of processing. The operation follows one in which the castings are fed into a huge machine that polishes them down a circular line of seven grinders, four for the valve head and three for the feet.

Invest in Yourself Go To School

Learning in school can increase your economic security, make you a more useful citizen, give you a better understanding of the world, develop your leadership qualities and lay the foundation for healthful living.

With the war over, employment will increase and jobs go to those who are better prepared and more mature. Increasingly, youth of high school age who have not completed their schooling will be dropped from employment rolls. It is of the utmost importance that every boy and girl be brought face to face with the need for thorough preparation for the years ahead. Our country can make the most of itself only as the youths of high school age who will be our leaders in ten or fifteen years from now are given thorough preparation.

West Point Park News
By Miss L. A. Ault

The Doherty's of Shadyside Avenue have sold their property on that street and will be moving within the next few weeks to a home, which they will occupy with their daughter, in Detroit.

Roger Schmidt, of Brighton, has been the guest of his grandmother, Mrs. Homer Coolman, this last week. His mother, Mrs. Norbert Schmidt, who recently resided in West Point Park, is convalescing from a major operation undergone in Mallus Hospital, Brighton.

Miss Ina Mae Tallman left Wednesday to join the Pioneer Girls camping at Mill Lake.

The Edwin L. Johnsons left

parents, the Chaveys, last Wednesday.

Mr. and Mrs. Herman Schult and family visited near Rochester last weekend.

Mrs. Walter Rehahn is reported getting along nicely, while receiving treatment at University Hospital, Ann Arbor.

Mrs. George Middlewood has been ill. Mrs. Robert Diehle, Shadyside avenue, is ill with appendicitis. Mrs. John Varhot is still ill. Little Joanne Willets has been ill. Mrs. Edward W. Stange has been ill.

Beverly Bohlinger returned from several weeks' visit at a Girls' Camp and with relatives in northern Michigan.

Arthur Muir was in Detroit last week, visiting his father, who was recently taken seriously ill. Mrs. Emerson Ault was in Detroit attending the gladiolus show Thursday.

A son was born to Mr. and Mrs. George Sandue, of Hubbard Avenue, early Wednesday morning. Mrs. Sandue and child came home from Mt. Carmel Hospital Saturday evening.

Mr. and Mrs. William Sherman and daughters, Elizabeth and Ruth, left Saturday morning for a vacation trip to Yellowstone National Park. They are driving and expect to be gone about two weeks.

Freda Ault called on Mrs. Tanner in St. Joseph's Hospital, Pontiac last Tuesday evening.

Marcia and Nelson Meade, of Hubbard Avenue, left Sunday for Flint, where they will visit with their grandparents, Mr. and Mrs. Updgrove for two weeks.

Donald Kauranen, young son of Mr. and Mrs. Norman Kauranen, Mayfield Avenue, suffered a severe gash on his chin last Tuesday evening, when his grocery parcels caught in the spokes of the bicycle he was riding and caused his fall to the cement pavement on Farmington Road, near The Country Store. He was taken to Redford Receiving Hospital, where several stitches were found necessary to close the wound.

Festivities of Shadyside Avenue are moving to Detroit next week.

Mrs. Herman Schult is proudly displaying a photograph of her nephew, Herbert, taken in Paris, France, where he is now residing. The young man appears well and happy.

Mr. and Mrs. Forest Ault and family, of Hubbard Avenue, joined Mr. and Mrs. Leo Wood, and family of Inkster and Mrs. Wanda, of East Farm, in a breakfast at Kent Lake Sunday morning.

A group, consisting of the contributing property, used and for a time threatened property belonging to Arthur Ault on Farmington Avenue. The Detroit Fire Department was called.

H. C. Doherty spent several days last week with relatives in Detroit.

Mr. and Mrs. M. E. Ault spent Sunday with the Partrics in New London, O. The daughter, Mrs. Jackson Partrick, and her two children, Carl and John, returned to Detroit to be the guests for a week.

Mrs. M. E. Ault, Mr. Forest Ault and Mrs. T. E. Roberts

FRITZ BOWERS

Who put the sapphires in Mrs. Murphy's basement?

Tommy Murphy was incredulous. "G'wan, how can there be sapphires in our basement?" he demanded. "Where are they, anyhow?"

"Right in this little black box, son," grinned the Edison man, tapping the Murphys' meter. "In there you'll find tiny sapphire-jeweled bearings, made with the same skill and precision that go into your dad's watch."

The careful workmanship in your meter is reflected in its absolute accuracy, whether it be in your basement or outside your home. And the man who checks that meter is so well-trained that he reads its figures as quickly and accurately as you tell time.

This emphasis on accuracy is part of the Edison way of doing business. . . . It contributes to the uniformity and the year-round reliability of your electrical service.

THE DETROIT EDISON COMPANY

Mr. and Mrs. Cecil B. Willet were off on a fishing trip extending over the weekend.

Work is progressing on the Block residence on Seven Mile near the West Point Park community. Arthur Block and his wife have been residing with Mrs. Block's parents, Mr. and Mrs. Marvin Addis but expect to occupy their new home before winter sets in.

Mrs. Norman G. King, of Detroit, was the luncheon guest of her sister, Mrs. Austin Ault, Irving Avenue, Friday.

A 22nd wedding anniversary party was in order for Mr. and Mrs. Ralph Voorheis at their home on Shadyside Avenue Friday evening. A number of friends and relatives participated in the festivities, which included all the usual features.

Mrs. J. W. Ault, or 'Grandma Ault' as she is commonly known, has been suffering several days with a severe attack of pleurisy.

The Buckingham's had West Branch relatives as their Sunday guests.

Mrs. Virginia Ornan and Miss Helen Ruth Ornan accompanied their cousin, Donald Voorheis on a visit to Lansing Sunday.

The Redford Fire Department was called out Thursday afternoon to stifle flames originating in the bathroom of the Dave Kittato house on Irving Avenue. Some believe the hot rays of the sun, coming through the window glass, started smoldering in the upholstery of a chair. Small damage was done.

The Vacation Bible School of The Community Methodist Church closed Friday, after ten days of work. Many of the classes were held out of doors. Attendance was encouraging.

It was Temperance Day in the Neighborhood Bible School Sunday. A study of the 23rd Psalm made a cool, refreshing topic for the evening service Sunday in the Neighborhood Church.

In spite of extreme heat the usual meeting of the Sunshine Sisters was held in the Neighborhood Church, Wednesday afternoon of last week. Although the attendance was small an interesting program was carried out. This was then followed by a continued discussion of Temperance.

The Sunshine Society is seeking to circulate a petition started by the program committee, August 15th, to have a new playground built on East Main Street.

This Can Happen to You

If your home should burn, do you carry enough insurance to replace it. Do these three things now: Reexamine your fire insurance. Does your coverage tally with today's increased evaluation. Reevaluate your property - if necessary, consult an appraiser, architect or contractor. Re-insure - to protect your investment. We will be glad to assist you. Call or phone today.

Northville's Yesterdays

ONE YEAR AGO: The opening of Northville schools was postponed until September 9 because of similar action on the part of other schools in the district due to the prevalence of polio cases.

James Shepherd, employee of the Wolf Grocery store caught a 37-inch pike at During Lake.

It was learned that Fred W. Neal, a former Northville High School graduate, was a coordinator of a series of tolerance tests being conducted in Washington, D. C. for a news commentator to bring impartial news to Russia.

Northville citizens were asked to make appointments to donate blood for the Community Blood Bank in this area.

The American Legion Auxiliary was proud to show its attractively furnished meeting room on the second floor of the Veterans' Memorial Hall.

The wedding of Juanita Ekinington of Butler avenue and John Stubenvoll of South Center street took place in the Methodist Church.

FIVE YEARS AGO: Hundreds of children enjoyed the free acts show on opening day at the twenty-sixth annual fair.

The Village Commission planned to hold a hearing on the proposed Zoning Ordinance.

Wayne W. Keller, Dale Eason, Fred Willman and John S. Angell, all of this place, entered Army training.

Mildred Ely was the first woman from the village to enlist in the military service. She became a member of the WAAC.

The change to natural gas for this vicinity was progressing satisfactorily.

The Nellie Yerkes Auxiliary sponsored a fashion show and coffee benefit in the Presbyterian Church house.

TEN YEARS AGO: Correspondence which was begun a year ago by Postmaster Fred Vanatta for the purpose of bringing Northville on the Federal list of appropriations for a post office has reached the "crucial" stage and the local request is really being looked upon as a possibility.

Upon the acceptance by the members of the school board of F. L. Johnson's resignation, Edward Millon now with the Detroit Institute of Technology, will teach social science, speech and debate in the Northville High school this year.

Mrs. Charles F. Murphy, unopposed was elected president of the Department of Michigan Auxiliary at the Tuesday sessions held in Detroit in connection with the American Legion convention.

June King and Lewis Schroeder were united in marriage, August 11.

FIFTEEN YEARS AGO: Northville schools will not open for the fall 1932 session until October 3, according to information received this week from school board members and Supt. T. J. Knapp.

The wheels of the Ambler Furnace Company are again going around after being silent for some time.

DON'T LET THE YEARS GO BY...

Just dreaming about that home you plan to build some day? Come on into the Nowels Lumber & Coal Co. and let us give you a free estimate on the complete building project planning! We'll explain to you which materials are best for your particular job and just how much they'll cost you.

That way you can know ahead what your costs will be and you can plan accordingly. Come on in this week and talk it over, why don't you?

We carry for sale a complete line of dry yellow pine construction lumber, yellow pine boards and shiplap, white pine boards, also shingles, insulation, windows and interior trim.

We are unloading a car of oak flooring, pre-finished.

NOWELS LUMBER & COAL CO.

PHONE 36 Base Line at P. 14, Track Headquarters for Building Information INSULATION LOANS AVAILABLE

Let's Wake Up Rip Van Winkle!

Millions of bushels of food may rot in our fields this harvest time, instead of being available to the markets of the world - because of our shortage of freight cars. Here is a way that thousands of cars can be freed for service - in a hurry.

Are you interested in the price of food? Does it give you a twinge to see the pictures of mountains of wheat piled on the ground and potatoes going to rot when there's a desperate world food crisis?

The bottle neck is our freight-car shortage. But thousands of cars could be freed by a single decision - if old-line railroad managements would act.

Don't Blame the War!

This is hard to believe, but it's true: we have today only three-fourths as many freight cars in our country as we had twenty years ago. This shrunken fleet is now called on to handle the greatest peacetime traffic in history. And the war itself is not to blame for the shortage - for in no single year from 1925 to the start of hostilities did the railroad industry buy as many cars as it jacked. Twenty years is a long time for even Rip Van Winkle to sleep!

What Can Be Done?

There is at least one remedy that can be applied at once - despite the steel shortage and other difficulties in car-building. This remedy requires no new equipment, no period of time to work out - nothing but an act of management:

Lift what appear to be agreements between railroads that deliberately slow down many freight trains.

Here is an example. There are eight important schedule routes by which you can ship "fast" freight from California to Chicago. These routes vary in length as much as 150 miles. But, curiously, the time schedule for each of the eight is exactly 118 hours - or 4 5/8 months!

Similarly, schedules of freight trains moving west over the important routes from Chicago to the Coast are as high as 180 hours - or the nose!

Is This Free Competition?

Could it be that these schedules are fixed by agreement? That the trains which could be

Are old-line managements asleep while freight trains creep at a snail's pace - by agreement?

fastest are held back for the slowest - so that no road can have even the slightest competitive advantage?

Railroad men know that, in many instances, a whole day could be cut off these schedules between California and Chicago - if managements would simply order it. If that were done, on these roads and on others, it would ease the national car shortage at once!

There is no good reason to believe that by lifting deliberate freight slow-downs, on the roads that still practice them, we could provide more cars this summer and fall than our shops can possibly build. And, at this critical time, every car that can be freed for service is desperately needed!

A Call For Action!

The next few weeks will be the most important ones in our food problem. Our wheat crop is estimated to exceed any previous record by 300 million bushels. It is even now being piled in the fields - for want of cars.

If you feel as strongly about this as the C&O does, write to your newspaper and your congressman. Do it today while it is on your mind.

Ask them to stir up Rip Van Winkle - and tell him that time is short. Demand that our trains be scheduled not merely to suit the private deals of the railroads, but so that we can make the best use, for the whole public, of our shamefully depleted stock of freight cars!

Wednesday, August 27th:
8:00 p.m. Church Prayer meeting.
Please note change in time of evening services from 7:30 to 8:00 until further notice.

Christian Science Churches
"Mind" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, August 24. The Golden Text (Psalms 119:107, 144) is: "Righteous art thou, O Lord, and upright are thy judgments. The righteousness of thy testimonies is everlasting, gave me understanding and I shall live."
Among the Bible citations is this passage, (Romans 8:5, 6): "For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit do mind the things of the Spirit. For to be carnally minded is death; but to be spiritually minded is life and peace."
IN MEMORIAM
In loving memory of our dear mother, Mrs. Ferdinand Kreeger, who passed away four years ago August 18.
God took her home, it was his will.
But in our hearts she liveth still.
Her Sons and Daughters,
11x

Food Major Budget Item
Food is by far the most important item in the consumer budget, constituting about 29 per cent of the nation's consumption expenditures.

Woman Miner
The first South American woman mining engineer was graduated by the University of Chile in December 1944.

Hold Brush Properly
Hold the paint brush at a 45 degree angle to the work. Crossslapping will insure complete and solid coverage.

Co-op Apartments
Co-operative apartments became popular in the United States during the period of rising rents in the middle of the 1920s.

Vet Workers
Veterans will form, with their families, a third to a half of the whole working population and the most active part of it for years to come.

Sessions Hospital
Admitted: Arthur Trapp, Mrs. Ivory Barr, William Robertson, Mrs. Carolyn Tucholski, Mrs. Muriel Boch, Mrs. Dorothy Cybart, Mrs. Dalsen, Mrs. Clara Gilman, Mrs. Joan Gilman, Mrs. Esther Roose, Mrs. Zelma Bresnahan, Mrs. Martha Bruckbauer, Mrs. Wanda Handley, Mrs. Frances Howe, Mrs. Jennie Peters, Mrs. Opal Reese, Mrs. Libbie Sherman, Mrs. Elaine Spencer, Mrs. Stella Wall, David Schwein, Mrs. Iris White.

Koenig, Farmington, a girl, Aug. 12; Mr. and Mrs. Edward Bresnahan, Walled Lake, a boy, August 14; Mr. and Mrs. John W. Reese, Plymouth, a boy, August 15; Mr. and Mrs. Harold Wall, Plymouth, a boy, August 14; Mr. and Mrs. Clarence Roose, Farmington, a boy, August 17; Mr. and Mrs. William R. Nolan, Plymouth, a girl, August 16; Mr. and Mrs. Leonard Bruckbauer, Detroit, a girl, August 16.

Poison Ivy Season Here Again; Beware
Picnickers are warned that the poison ivy season is here again. The first precaution is to recognize the shiny, three-leaved plant and avoid it.
If a person suspects he has contacted the plant, he should wash with strong soap, allowing the lather to dry. If the skin becomes blistered, a 10 percent solution of tannic acid in alcohol should be applied with a rubbing motion to remove the tops of the blisters. The area should be guarded against further infection.
No one is definitely immune to poison ivy, and the plant is found in all sections of Michigan, according to Dr. William DeKleine, State Health Commissioner. Many persons underestimate the danger of poison ivy. It can cause long illness, often necessitating hospitalization.
The poison which causes the severe irritation is an oil in the plant. One can become infected by touching the plant, from contact with soil and smoke while burning it, from direct contact with a person who has the infection, or from dust which has the oil particles in it. Re-contact may result from wearing uncleaned clothing which was worn at the time of a previous infection.
The poison ivy plant can be eradicated by spraying 2,4-D or similar chemicals on the leaves and plant, Dr. DeKleine advised.

Revolutionary Washer
"Revolutionary" is the term applied to a new automatic washing machine to come off the production line. Containing only 35 moving parts against 60 to 220 in other machines, the new low-cost washer is said to be the first that can be operated in a home without a water heater.

SOCIETY

NEWS AND NOTES OF COMMUNITY INTEREST

NEFF - NEWMAN

A wedding of local interest which occurred at the First Methodist Church in Wayne last Saturday night united in marriage Virginia Lee Neff, daughter of Mr. and Mrs. Don Neff of Wayne, and Lawrence Newman, son of Mr. and Mrs. H. A. Newman of Plymouth road. Reverend Newman performed the double ring ceremony.

Preceding the ceremony, Anne Luke, the soloist, sang "Because" and the altar was decorated with peach gladioli, white stock, and

palms for the candlelight wedding.

The bride, who was given in marriage by her father, wore a white crepe princess gown, ending in a long train. Her veil was caught to her hair by a tiara of pearls. She carried a white orchid surrounded by white roses.

Alice Smuck of Munising, acted as maid of honor, and Mary Anne Neff, Virginia's sister, was her bridesmaid. The attendants were gowned in green and yellow organdy, and carried yellow and

brides fashioned of the same kind of blossoms that made up their bouquets.

Richard Briel of Detroit, was Lawrence's best man, and Hamilton Newman, brother of the bridegroom, acted as usher.

The bride's mother wore a black crepe dress and a corsage of pink rosebuds and white chrysanthemums. Mrs. Newman was dressed in aqua with black accessories. Her corsage consisted of pink roses and asters.

A reception for approximately 100 guests was held in the church immediately following the wedding. The young couple left for a two weeks' trip in Northern Michigan. They will live in Coventry Gardens upon their return.

Virginia is a graduate of Milan High School. She has been employed by the Detroit Edison Company of Wayne.

The bridegroom was graduated from Plymouth High School in 1940. He is employed by the local Detroit Edison Company, and is attending Lawrence Institute of Technology. He served in the Coast Guard for four and a half years, having been discharged in May, 1946.

Engagement Made Known Sunday

EDYTHE AMERMAN

The engagement of Edythe Elaine Amerman of West street to George W. Matthews of Detroit was made known Sunday at a dinner party at Jonesville honoring the silver wedding anniversary of Edythe's parents, the R. H. Amermans.

Several villages went to the home of Mrs. Amerman's sister to attend the dinner which honored the Amermans on their 25th wedding anniversary. The dinner table was adorned on each end with large cakes bearing the names of the Amermans and their wedding date on one cake, and the names "Edythe" and "George" with their engagement date on the other.

The young couple have set their wedding date for November 1. George is the son of Rev. and Mrs. William E. Matthews of Detroit.

BRIDE-TO-BE HONORED

Mrs. J. Leavenworth of Royal Oak and Mrs. William Hanser of Novi were hostesses at a bridal shower given at the latter's home on Grand River Monday evening for June Bassett of Plymouth.

About twenty ladies were present from Plymouth, Northville, Royal Oak and Novi to honor the bride-to-be. She received many nice gifts and the evening was brought to a close with refreshments which were served by the hostesses.

June Bassett will become the bride of Harold Hanser, Saturday, August 30th.

MRS. GEORGE HUNTER HONORED AT TWO SHOWERS

Mrs. George Hunter (Dorothy Orr) was recently honored at two luncheon showers, one given by Mrs. Lyle M. Hunter of South Wing street, and the other by Mrs. Charles Hall of Seven Mile road.

The party at the home of Mrs. Gyla Hunter was attended by the following guests: Mrs. Douglas Bolton, Mr. Robert Hodson, Mrs. Walter M. M. Mrs. J. B. Tinsley and Mrs. J. B. Tinsley of Northville, Mr. J. B. Tinsley of Northville, Mrs. M. J. M. of Eastland.

Approximately 100 ladies attended the shower given by Mrs. Charles Hall.

EASTERN STAR PICNIC TO BE HELD AT ADRIAN

On September 7, the Eastern Star Villa of Adrian, is having a picnic and Open House for the Eastern Star Chapters of Michigan. The Open House will be held at the Villa from 10 a. m. to 5 p. m. and the picnic will be held at the Villa from 5 p. m. to 10 p. m. All members of the Villa are invited to bring their own food and dishes to the Villa to furnish the picnic. All members of the Villa who are interested in forming groups for this picnic may obtain further information from Mrs. Dora Wood.

This is a fine opportunity to see the improvements and alterations for which various Masonic and Eastern Star organizations have contributed in the interest of making this home larger and more comfortable for the benefit of the children and also a chance to get acquainted with the folks at the Villa.

Mrs. Rhea Lyon of West Cady street entertained Eleanor Wilkins of Detroit and Marcella Lefferty of Ecorse for luncheon last Thursday.

FARM WOMEN'S WEEK

Several Village women attended Farm Women's Week, August 4 to 9, at Michigan State College, sponsored by the Extension Service of the Home Economics Department.

A total of 700 women from all over Michigan were housed at Snyder Hall on the college campus.

The program included lectures and discussion on soil culture, juvenile delinquency, home economics and many other types of interest to rural women.

SPECIAL MEETING OF ORIENT CHAPTER O.E.S.

Orient Chapter No. 70, O.E.S. open to all activities with a special meeting to be held at the Masonic Temple on September 5. Mrs. Mary Hedge is chairman of the committee, which is to be held at 8:30 p. m. The Enrollment of dues is to be from 8:30 p. m.

CELEBRATES BIRTHDAY

A family birthday party was held last Friday evening at Caswell Park honoring Mrs. C. B. Bolton of South Wing street. Present besides the hostess and her husband were Mr. and Mrs. Fred J. Hicks and his daughter Patie, Mr. and Mrs. Douglas Bolton and Mr. and Mrs. Fred Hicks.

Mrs. George B. Mullen and her aunt, Miss Laura A. Sloan of Bloomfield, N. J., were luncheon guests of Mrs. J. B. Gable of Franklin last Friday at Rotterdam. Mrs. Sloan has been a visitor at the Mullen home for the last two weeks.

Mr. and Mrs. Jack Steedman of Haggerty Highway and the former's sister, Barbara Rowe of East Main street spent Sunday visiting relatives in Tilbury, Ontario, Canada.

LADIES' DAY AT MEADOWBROOK

Meadowbrook Country Club's midsummer luncheon and bridge party brought a goodly number of the feminine contingent to the club on Wednesday, August 20th, for the one o'clock luncheon and an afternoon of card playing. The festivity took place on the terrace porch overlooking the golf course. Summer flowers decked the luncheon tables and were used in the adjoining lounge.

Mrs. Clacy McNary was chairman and assisting were Mrs. Chet Poplar and Mrs. Roy T. Mitchell. Mrs. Sherman A. Hill of Northville, entertained Mrs. Harry Richardson, Mrs. Ernest Miller and Mrs. Harold Johnson, all of Northville. Another local hostess was Mrs. James C. Montgomery, whose guests at the Meadowbrook fete included Mrs. Dan Courtney of Detroit, Mrs. Courtney's sister, Mrs. Walter Ware of New Orleans and Mrs. Frank Dimond.

HOME EXTENSION ACTIVITIES PENDING

Canning demonstration, 1:30 p. m., August 26, at the home of Mrs. Alfred Beck, 26221 West Chicago avenue, between Inkster and Beech roads. Sponsored by Mrs. Carl Bernhart and Extension County Members, District No. 1, Detroit and Redford. Those interested contact Mrs. Samuel Geraci, Phone 168.

Taughting demonstration, preliminary discussion, 2:00 p. m. to 4:30 p. m., August 27, First Methodist Church, Dearborn. For Northville and Dearborn groups.

Leaders' Meeting and Hat Clinic, September 12, 10:40 a. m. to 3:00 p. m., Wayne County Library, Northville. Lessons by Miss Emma DuBord, County Agent.

CANCER RELIEF UNIT WORKS THROUGH HEAT

The Cancer Relief Unit of Our Lady of Victory Parish is continuing the sewing of pads and other supplies for cancer patients in spite of the heat.

The unit appreciates the kindness of all those who have furnished materials to make this work possible. Any one who wishes to give their old white cotton goods which they no longer have use for may call Mrs. Eric J. Willis and a lady will gladly pick up the package for this worthy cause.

These supplies are available and will be given to those who will for the same at the Rectory, Thayer Blvd., or the director's home, 119 Rayson avenue.

200 Young People See Friday Night Free "Flickers"

The Friday Flickers program sponsored by the Recreation Department and the Library ended last Friday with 80 young people attending the magic show and the picture "Land of Liberty" starring Claudette Colbert and Fred MacMurray.

Johnnie Wojtala, magician, delighted the audience with his magic tricks, and the youngsters were especially pleased by his little rabbit.

Miss Margaret Burton, children's librarian, stated that the Recreation Department and the Library Board felt the program was a success. More than 200 children attended the four flicker evenings.

Although the pictures were planned for teenagers, children of all age groups came to the programs. Several of the boys and girls mentioned to the librarians how much they enjoyed the movies.

News from Novi

By Mrs. L. Rix

Mrs. Will Flint entertained the Mission Band of the Novi Baptist Church, at her home on North Novi Road last Thursday. Rev. and Mrs. M. J. Remlein are on vacation. While they are absent, Mr. Johns of Detroit will fill the pulpit at the Baptist Church.

Mrs. Don Archambault and son, Johnny, left early this week to visit her parents at Marquette in the Upper Peninsula. Mr. and Mrs. Cecil Morden, formerly of Northville, are now living on West Grand River in the new house recently built by Mrs. Bertha Wood.

Mr. and Mrs. Tony Janson, recently from Detroit, have built a new house also on West Grand River, west of the Bertha Wood home.

A family party and post-nuptial shower honoring June Bassett of Plymouth was held at the home of Mr. and Mrs. Wm. Hanson on West Grand River Monday evening. Mrs. Bassett will become the bride of Harold Hanson, son of the Wm. Hanson, on Aug. 30. Mrs. B. F. Davis will entertain the Sunshine Club next Wednesday at her home in Novi. Bring...

Launch Inspection Campaign for School Buses

The State Department of Public Instruction, with the cooperation of the Michigan State Police, is launching a school bus inspection campaign designed to protect the safety of 100,000 children who are daily transported to and from school, it was announced by Dr. Eugene B. Elliott, Superintendent. All school districts were to have their buses checked and reported by August 15. Reports on their condition are sent to the Department of Public Instruction and to the State Police.

During the school year, the State Police will conduct a follow-up inspection to determine if the vehicles are in good condition. If they are defective, they will be ordered out of service until repaired. We are pleased to extend our cooperation to the Department of Public Instruction in carrying out this program as we believe it will be an important contribution in assuring that the lives of children entrusted to the transportation system of the schools will be more secure against traffic hazards, said State Police Commissioner Donald S. Leonard. "Because of the eagerness of the school systems themselves to protect the children's safety, the campaign should prove very effective and undoubtedly will develop into a permanent program."

Putting out that the program has been undertaken largely at the request of school systems, Dr. Elliott asserted that under no circumstances should school buses in an unsafe condition be used to transport children. "This program should eliminate that risk," he stated, "and should also make parents feel happier in the assurance that no children are being taken with the lives of their children."

There are more than 2,000 school buses in use throughout Michigan and 60 percent have been in active use more than a year.

Live in Rural Areas About one out of every five persons in the United States lives on a farm. Another one in five lives in rural areas which depend on farms.

Sliding Zippers To make a zipper slide, rub the zipper teeth with a substance with paraffin or wax and slip it up a bit. A second application will lubricate it further.

Operate by Phone Try to get a 1947 map of road or a 1946 map of the total mileage. Please use a long handle for telephone.

Mineral Output In 1939 physical production of minerals in the United States was almost four times as large as in 1913. Our present output is larger than the combined output of Russia, Germany, the British Isles, Canada, Venezuela, France and Japan.

Check Hay Mows for Fire Hazards Hay mows should be checked to guard against spontaneous combustion. Federal safety specialists at Michigan State College. The process of fermentation of hay in the mow is the cause of the fire hazard. Hay mows should be checked for fire hazards. Hay mows should be checked for fire hazards.

For BETTER COOKING RESULTS Select a GAS RANGE BUILT TO "CP" STANDARDS The one sure way to get all the advantages of modern gas cooking is to look for the 'CP' Seal on any 'make' range before you buy. The Seal is a quality mark. It identifies ranges that are built to the highest standards as set by cooking experts, home economists and gas utilities working with leading manufacturers. A gas range built to "CP" standards gives you Cooking Perfection. GAS The Wonder-Fuel that COOLS as well as HEATS... Doesn't Cost, it PAYS SEE YOUR GAS RANGE DEALER

Northville Downs

(Continued from Front Page) distances on July 30, pacing the mile in 2:04 2/5. Blue Again, Hal Frisco, Dr. Hart, Grattan McKillo, Merry England, Miss Ruby and Kajepur are the other nominees for the Michigan Pacing Derby which plainly looks as one of the greatest races ever staged here. In the Driving Club Trot of Sept. 3, the field will come from a list of 12 nominees led by Proximity, the 1946 winner of the event. Proximity, owned by Ralph and Gordon Verhurst of Victor, N. Y., recently won the \$25,000 American Trotting Derby at Roosevelt Raceway, N. Y., trotting the mile in that event in 2:02 2/5, fastest ever accomplished by a mare on a half-mile track.

Also in the field for the big Trot will be Joe Rick's entry of Gypsy Prince and Porter Day; Louis Huber's Glenyce, which holds the Northville track records and the world's half-mile records for nine-sixteenths of a mile and a mile and one sixteenth; Earl's Moody Guy, Jayadale, Lingo Direct, Lord Faunteroy, Ragweed Bob, Scottish Maid and Wake Abbe. The Governor's Trophy event drew nominations from the same 10 pacers named for the Michigan Pacing Derby, plus Gene Hall and Charming Scot. A year ago on the Downs track, Charming Scot paced to a world record of 3:18 for the long mile and nine-sixteenths distance.

Yerkes

(Continued from Front Page) father-in-law, Lyman McRobert. The site and water power was later sold to Henry Ford which is now occupied by the Ford Valve Plant.

Mr Yerkes was prominent in aiding in the development and growth of the Village. He served on the school board and was influential in obtaining a gymnasium for the school system. He also served on Milford's village council and was a member of the school board there. He held membership in the Rotary Club of Northville. Mr Yerkes, who was a loyal, lifelong member of the Presbyterian church, set aside a sum to equip a choir room in memory of Mrs. Yerkes, about a year ago. Prior to his death, he requested that the church organizations, members and friends of the church omit sending flowers and send their gifts to the Living Memorial Fund of the church. Many of the local people directed their expressions of sympathy to the family according to this suggestion.

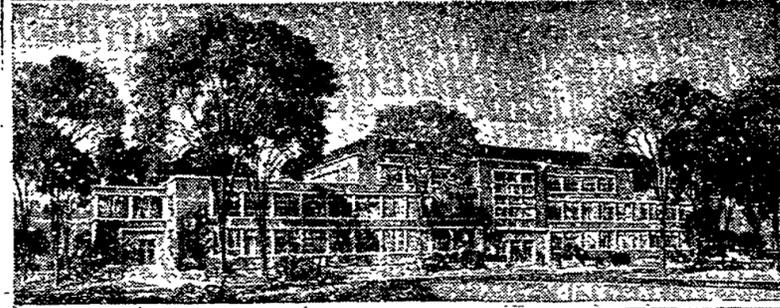

Three daughters and one son survive Mr. Yerkes: Mrs. Winfield L. Holden of Detroit, Mrs. Harold R. Smith of Grosse Pointe, Mrs. John C. Burkman and D. P. Yerkes Jr. of this place. Also surviving is one brother, William H. Yerkes of Northville, seven grandchildren, and five great grandchildren.

Northville Project

(Continued from Front Page) In a surplus property they are the same as the Hospital we are using for Northville cases at South St. Mine and will prove satisfactory.

Asked by Guy Slight, who such facilities were available, Yerkes said "I don't know but they are trying to find them for me." Clark F. Wang, acting mental health director, told the board the town had no such facilities. So far, the Legislature has appropriated \$2,050,000 for Northville, enough to build the present railroad siding, water, sewer and some other facilities. A. N. Langas, building and construction division director, said The power plant probably will be located this fall.—The Detroit News

Big Order Class I railroads on January 1, 1947, had 2,394 new passenger cars on order which was approximately as many as were installed in the past ten years.

This architect's sketch of the Physics and Mathematics building shows one of several buildings now under construction on the campus of Michigan State College. The last session of the state legislature appropriated sufficient funds to start construction, but funds for completion will have to be appropriated at the special session to be held next January. The building pictured will fill an important need of the School of Engineering in providing space for education of record numbers of engineering students at the college.

Truck Overturns Monday on Randolph Street

Carl Myles of Ferndale, who was driving a towed truck loaded with lawn sod, Monday morning lost control of the vehicle with the truck overturning on Randolph street near Eight Mile. The accident blocked traffic for nearly an hour and Myles was rushed to Redford Receiving Hospital where it is said that he suffers from a broken collar bone and other internal injuries.

Harold Fay, aged 45, an employee of the Maybury Sanatorium was picked up Monday evening by the local police force at the corner of Main and Center streets and charged with drunken disorderliness.

He was tried in court Tuesday morning before Judge C. A. McCullough and pleaded guilty to the charge. Judge McCullough fined him \$15.00 plus cost of court.

Outdoor Sport A Twentieth Century Fund survey reports a definite trend toward greater interest in outdoor sports. Over a million dollars has been received in admissions for one baseball world series, and the gate receipts at a single world championship prize fight have exceeded 25 million dollars. On the average, 12 million people pay 40 million dollars weekly to watch football during the season, while annual horse and dog racing receipts are twice as large.

MICHIGAN Motoring

The homeward trek of Michigan vacationists is underway. Some have already returned from short vacations but many are waiting until the end of August or Labor Day weekend to close up the cottage, load the trunk or trailer and start for home.

Returning they may take in one last event. It might be the Upper Peninsula State Fair at Escanaba, Aug. 19-24; the Regional Saddleboard Tournament at Charlevoix, Aug. 20; the National Motorcycle Hillclimb at Mt. Garfield south of Muskegon, Aug. 29, or the Annual Michigan Peach Festival at Romeo, Aug. 30-Sept. 1.

Whichever route the motorist follows home, safe and courteous driving must be the rule for his sake, his family's and the "other fellow's". If he is towing a trailer, the speed limit is 50 miles per hour on open highways unless higher or lower speeds are designated by signs.

Co-operate with the state highway department and enforcement officers by never passing when there is a yellow line on your side of the lane line. Give your vacation a happy ending by driving carefully and observing traffic regulations. (Automobile Lancer's Safety Association)

"On Wheels Day" Ends Summer Play

"On Wheels Day" will bring to a close the Northville summer recreation program this afternoon at 2 o'clock. There will be a series of races on wheels for all groups. Bicycles, tricycles, wagons, scooters and roller skates will take part in the race. Ribbons will be given to the winners of the first three places.

Five pop will be given to the youngsters. No entry blanks are necessary. Those interested in taking part should bring their wheel to the Scout building at 2 o'clock this afternoon.

Here's Hope for Hay Fever Sufferers

The hated ragweed may, one day be controlled to the extent where it can no longer be the bane of hay fever sufferers, thanks to the experiments of Dr. B. H. Grassy, botany specialist at Michigan State College.

In experiments, a new substance called 24-D killed ragweed at a concentration of one part to 1,000 parts water, and stopped pollen production at a concentration of one part in 2,000 parts water. No pollen was formed when plants were sprayed with one part of the weed killer to 400 parts water at the stage of growth in late flowering.

Many areas in Michigan are covered with a heavy growth of ragweed during the summer and fall. The pollen of the weed is airborne and causes hay fever in from five to ten percent of the population.

Ragweed areas are usually found on fallow lands, roadsides, and other uncultivated plots where a cover of vegetation is needed to prevent soil erosion. A program of weed control which reduces the pollen production in these areas without destroying the soil-holding properties of the native vegetation is desirable.

In his experiments, recently reported in the Michigan Agricultural Experiment Station Quarterly Bulletin, Dr. Grassy found that 24-D fitted the need for this type of weed control and could be used at a reasonable cost.

The Muskegon area was one of the first to declare war on ragweed. A County Ragweed Control committee was formed recently and has assigned areas to cooperators who will act as district charmen. Garden clubs, parent-teacher associations, and other civic groups aiding in the effort to get rid of the weed are cooperating with Carl H. Knapp, Muskegon county agricultural agent, and Michigan State College in the campaign.

Recreation Expenditures According to a Twentieth Century Fund survey, expenditures for recreation and library facilities accounted for less than 2 per cent of all government expenditures in 1941.

NOTICE TO BIDDERS Sealed bids will be received by the Village of Northville, Michigan, in their offices at the Village Hall, 102 South Wing street, until 8:00 p.m. Monday Eve., September 15th, 1947, for sewer construction.

Specifications and information to bidders may be obtained at the above address. All bids must be in sealed envelopes and plainly marked for identification. The Village Commission reserves the right to reject any and all bids.

VILLAGE OF NORTHVILLE By: Mary Alexander, Clerk 11

NOTICE TO BIDDERS Sealed bids will be received by the Village of Northville, Michigan, in their offices at the Village Hall, 102 South Wing street until 8:00 p.m. Monday Eve., Sept. 15, 1947, for grading and graveling Novi Ave. from Base Line Road a distance of approximately 2 1/2 blocks. Information to bidders may be obtained at the above address. The right is reserved by the Village Commission to accept or reject any or all bids. Signed, Mary Alexander, Village Clerk 11

OBITUARY

MRS. E. MAY HOLCOMB Mrs. E. May Holcomb passed away Wednesday afternoon at the home of her daughter, Mrs. K. H. Babbitt of South Rogers street, after an illness of long duration. Mrs. Holcomb was seventy-nine years old at the time of her death.

Funeral services will be held from the Catherine Funeral Home at 2:00 p.m. Saturday afternoon with Rev. Harold F. Cross of the Presbyterian Church officiating. Interment will be made in Rural Hill Cemetery.

Mrs. Holcomb was born May 1, 1868 at Flushing, Mich., the daughter of Elijah and Mary Hartshorn. She was married at Juddville, August 6, 1886 to Dr. A. T. Holcomb who preceded his wife in death nine years ago. The Holcombs moved to Novi in 1904 where Dr. Holcomb practiced medicine. After Dr. Holcomb's death in 1939, Mrs. Holcomb moved to South Rogers St. and has since made her home there.

She was a charter member of the Lothrop Eastern Star Lodge, a life member of the local Order of the Walled Lake Rebekah Lodge.

Surviving the deceased are one daughter, Mrs. K. H. Babbitt of South Rogers St. and one son, Dr. A. A. Holcomb of N. Wing St. Also surviving are two sisters, Mrs. Elanace McCoy of Northville and Mrs. Dan Douglas of Colton Calif., and two brothers, George E. Hartshorn of Bancroft and Clarence Hartshorn of Flint. Two grandchildren, Lorraine Babbitt of Ypsilanti and Mary Ellen Babbitt of this place and a great grandchild Cheryl Ann Babbitt of Ypsilanti also survive.

Picture of Street Car Was Taken About 1898-99

A host of people responded to the lure of the old time picture of the street car and the person who was published in last week's Record. First to call was Bill Ely, (and we expected that) Bill says the picture was taken on the bridge at Phoenix about 1900 or so. The motorman was George Rider who lived on the Fred Foreman farm at that time. The conductor, he thinks, may be "Kid" Lou Root. The gentlemen with the "Colonel's Hat" is Bill Ely himself. Mrs. Ely reminded Mr. Ely that it must have been in 1900 because when they were married in September, 1899, they had to go to Plymouth to get the car to go via Wayne to Ann Arbor. The line was not yet extended to Northville.

Burgess Jordan locates the car at the Waterford bridge and sets the date at 1898. His father, John, was a section man on the line.

Carle Johnson thinks the picture was taken on the bridge over the mill pond at the foot of Main Street, and one of the men may be Milo Corwin, of Cherry Hill. Charles Blair of Flint says the picture was taken in 1899 or 1898, and that Ed Rider is the motorman Mr. Blair dates the picture on the year he left Northville. Dan Laffity confirms many of the above contentions.

Nort Green says the picture was taken on the bridge at Waterford in 1900, and thinks he remembers being in swimming there at the swimming hole when the picture was taken.

Claude Ely says there were two cars made by the D. P. N. at the car barn in Plymouth. They were painted green from the window line down, and yellow from the lower window line to the roof. The roof was black and the lettering was in black. The first trip of this car to Northville was a Gala Day and Peite was on the car. Clarence Peterson was the conductor on the first trip.
