Roy Elliott Heads N.H.S. Mustangs Easter Seal Drive

Roy A. Elliott, chairman of the crippled children committee of the Northville Rotary Club, has been named to head the 15th annual Easter Seal sale for crippled children in Northville, it was announced today. Other Rotarians on the committee are Russell Amerman, Fred Casterline, Preston Fuller, Dr. T. G. Hegge, Rev. E. D. Rossow and Nelson Schaefer. The Wayne Out-County Chapter is one of the more than 2000 member units of the National Society for Crippled Children and Adults.

Charles E. Brake, President of the local organization, said the Easter Seal sale this year would open February 28 and end Easter Sunday, March 28, in accord with the national dates set by the 45 affiliated state societies of which the Wayne Out-County Chapter is a member.

Although the Mustangs kept ahead of the Vikings by several baskets throughout the game, their lead was never enough to insure an easy victory and the visitors threatened the lead several times which kept the crowd on their toes and the cheerleaders busy. The preliminary game between the reserve team was very close until half time when the N.H.S. team was trailing by one basket, 17-18, but during the second half the Walled Lake team outscored the local boys and the final score was 42-39.

To leave this money in your place of business or take it home with you invites burglars and danger of loss by fire — both of which hazards are constantly present.

To meet this situation and relieve you of worry and danger, our bank — exemplifying its progressive policy — has installed a modern and convenient Master 24-hour Deposit System, available to you every day in the year.

We shall be glad to demonstrate this added modern service without obligation on your part.

A tragic proportion of all disabling accidents happen in the home because of haste or thoughtlessness. Use of a chair instead of ladder is the cause of many bad falls. Here, Linwood Lyons, San Jose, Calif., school safety coordinator, stops his wife as she tries to reach the top of the cupboard the unsafe way. In this case the right way is the rung way.

Info every community in this country but especially wherever American troops are stationed.

Just prior to World War II, Red Cross services for veterans and their families were needed by fewer than 150,000 persons. During the past year Red Cross chapter workers and members of the national staff assisted veterans and their families in more than 3 million instances.

The increasing work of the Red Cross also is reflected in the \$1 million dollars that was allocated for relief and rehabilitation of disaster victims in 1947. This was the largest sum allotted to this purpose during the past 20 years. Expressed in terms of human needs more than 300,000 men, women and children were assisted in time of great trial and anguish.

Red Cross instructors all over the country continue to teach first aid, water safety, accident prevention, home nursing and nutrition. Close to 360,000 volunteers are serving in hospitals, clinics and community agencies of all kinds.

Mr. and Mrs. Ralph Hay have returned to Northville after a month's vacation of touring California and Mexico. Mrs. Hay tells us of unusually cold weather they encountered in Arizona.

program which reaches not only

the United States but

the entire world.

ENTHUSIASTIC MESSAGE BROUGHT TO W.I.L.

Stanley Harbison was the W.I.L. speaker Friday afternoon at the Library and his description of the history and people of Puerto Rico was very interesting. He also gave a most enthusiastic interpretation of the work of the Volunteer Youth Service Project there. This project is mainly concerned with the utilization of untrained young people on a short term basis in the work of rural reconstruction in Puerto Rico.

A tea preceded the meeting. The silver appointments and lighted tapers which enclosed a floral centerpiece made the W.I.L. tea table an attractive one. A large attendance of members and special guests were present to enjoy the refreshments, among these special guests were Mrs. George Cleary, State President and Mrs. Thomas Weber, Detroit President. Mrs. Alfred Parmenter and Mrs. Ray Lewis of Salem presided at the tea table.

the war and is now employed at

Burroughs.

We gave the Pledge of Allegiance and the Girl Scout promise. Then the meeting was called to order. The secretary's and treasurer's reports were given. Roll call and dues were taken. There was no old business.

The new business was about a letter received from Hester E. Jewel, advisor of the program department of the Girl Scouts of America about saluting the flag.

She said that it is proper for Girl Scouts not in uniform to salute in the Girl Scout manner when with the rest of the troop.

We also discussed our Mother's day program. Mrs. Clarke gave out poems to be memorized for it. Each girl is also supposed to write an essay on "My Mother and What She Means to Me."

We worked on badges and danced the rest of the meeting.

Taps were sung and the meeting adjourned.

Janie Lazar, Scribe.

Roger Depot, 13-year-old Vermont 4-H club boy, and proud possessor of a registered Jersey calf and two-year-old registered bull, is typical of young, forward-looking members of farm families all over the nation who are observing National 4-H Club Week, March 1 to 7, this year. As is customary, accent is placed on local 4-H activities during this week, and it is regarded as a time for checking on "Who is not a 4-H'er in our neighborhood and why?" Theme for the new year is "Creating better homes today for a more responsible citizenship tomorrow."

Over 200 residents living in the eastern section of the Farmington area will be added to the Farmington Post District effective March 1. Residents living in the area west of Irkster Road between Seven Mile and Nine Mile Road will be served by the Farmington Post Office.

The prospect of not being able to meet its payroll and other operating obligations after the month of March is facing the village of Rochester according to the annual financial statement presented to the council by Wilson Seiverance, chairman of the Finance committee.

More than 900 miles of roads and streets in Washtenaw County, including 20 in Ann Arbor, 41 in Ypsilanti and 33 on the Chicago-Detroit Expressway need to be constructed, widened, resurfaced or otherwise improved at a cost of \$40,844,340, the Michigan Highway Study revealed.

The arrest of five men by Detroit Police is expected to solve a series of stick-ups and safe-cracking in the outlying area of Wayne county. One of the five, Pasquale Gezzi, 27, of 34632 Main street, Wayne, is facing charges of armed robbery as a result of a wild gun battle in Detroit's east side recently.

One of the most crying needs in Plymouth, as far as recreation for children is concerned, is a swimming pool. This lack has been lamented by parents for several years, but an attempt is now being made to remedy the situation. A group of approximately 50 businessmen have held two meetings within the past two weeks to discuss the possibilities of digging a pool, as well as to make plans concerning the actual construction of such.

Farmington is the scene again this year of the Michigan High School Athletic Association District 29 Basketball Tournament which began March 4, 5, 6 at the Farmington High School Gymnasium. Both Class "B" and Class "C" play-offs will be held during the three day tournament which started Thursday, March 4. Farmington has been selected as the site for the District tournament for a number of years because of its fine gymnasium facilities.
