Local Boys Participate in 11th Wolverine Boys' State

The Boys' State is organized 20 cities, each composed of 50 citizens, and 10 counties, each made up of two cities in addition to forming a mythical "49th state."

In the Saturday session in a non-partisan election, Charles Stephens was elected Johnson city councilman, Bud Cansfield, Pierce city councilman, Orville Petrie, Jerome county clerk, Ed Kazarian, Wines county supervisor, and Jack Stovall, a county representative. Previous to the election, the boys held a party convention where the two political parties, Athenians and Trojans, held caucuses and selected a running mate.

They published their own paper, "Whisper" daily Sun lay, the boys attended church and there were entertained by a drill team from Jackson, Monday, General Motors gave a musical show entitled, "Review of Progress." Gala Celebration Ready for Monday, July 5th

Holiday Drivers Warned by Denton

Be Alive on the Fifth. That was the advice to holiday motorists offered today by the Northville Police Department.

Many persons who start out to celebrate the Fourth of July this year won't come back, Chief of Police Joseph Denton said. If the holiday accident toll runs true to form.

"The Fourth of July usually is the summer's most dangerous holiday, and this year promises to be no exception," he said. "A three-day holiday, an upward trend in vehicle mileage, prosperous times—all these add up to a big celebration and a huge toll of dead and injured unless we all make it our business to do something about it."

In pointing out the perils of the Fourth of July celebration, Chief Denton emphasized the danger of speed, which contributes to two out of five fatal traffic accidents.

"Speed Kills - Take It Easy" will be the slogan of a month-long program sponsored by Northville Police Department as the July theme of "Operation Safety," a continuing traffic safety education campaign by the National Safety Council.

"We can make our July effort pay big dividends in lives saved by getting off on the right foot during the Fourth of July holiday," said Chief Denton. "Then if we can keep up the good work throughout the vacation season of heavy travel, we can make a big dent in this year's traffic toll. These tips were offered to holiday drivers.

1. Start your trip a little earlier so you won't be tempted to speed. Take it easy on the Fourth—be alive on the Fifth.
2. Don't drink if you drive.
3. Don't cut in and out in heavy traffic. Stay in line until passing is safe.
4. Drive as if your life depended on it—because it does.

Union Services Begin Sunday

The annual union services of the Methodist and Presbyterian churches will begin on July 4. During July, Rev. William Hughes of the Methodist church will conduct the services at the Presbyterian church with the host church furnishing the music.

In August, Rev. Harold Fredsell of the Presbyterian church will have charge of the services in the Methodist church with the latter church supplying the music.

Medical History Told at Exchange

Addressing the Exchange Club Wednesday noon was Dr. Leonard Howard of the Maybury Sanatorium. He was introduced by Dr. A. M. Lee, and spoke of the recent trends in medicine.

Having recently returned from the American Medical Association convention in Chicago, Dr. Howard interestingly traced medicine from the time of Hippocrates to the present day. He illustrated his message with slides. He noted the gains brought to the medical world by the crusades and the advent of Christianity. Dr. Howard showed the Exchange several surgical instruments which belonged to his great-grandfather.

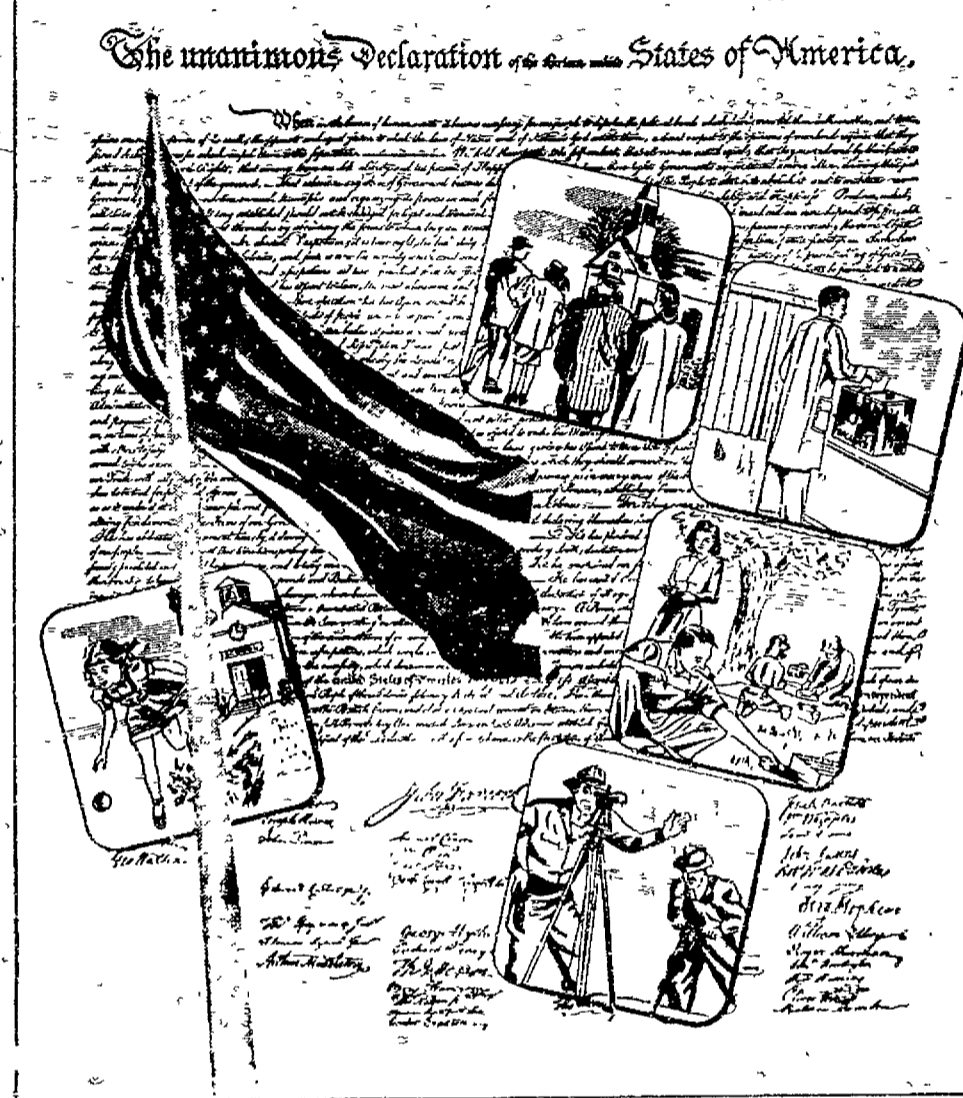

Guests Wednesday at the meeting were Harold Stanzel and George Crawford of the Socoy-Vacuum Oil Co. and Rotarians Art Schnute and Neil Hannaford.

Mr. and Mrs. Carl Taylor and Mr. and Mrs. Charles Konopaski are leaving today, Friday to spend a week's vacation visiting at Rochester, New York.

July 5, Northville's stores will be closed for the gala celebration in the Village.

Progress Made Repairing Streets

The "No Parking by Police Order" signs popped up on Northville's main thoroughfares the first of the week as workmen from the Wayne County Road Commission began the task of scraping and re-surfacing the business area streets.

It was a strange sight to see the curbs literally barren of parked autos as the workmen busily went about their business of repairing the pavement. Road Commission officials say that Main Street will be repaired from the curve on East Main street across from the Ford plant on up to where West Main street is intersected by Rogers street. Center street will be re-surfaced from the corner of Main street to Dunlap street.

The job, say the Wayne County Road officials, will take about two weeks. But, they state, North Center street will be completed in time so that the Village's gala day July 5 celebration can go ahead as pre-planned.

The roads are first cleaned and scraped of all foreign materials, such as tar patching, and then they are wetted which levels all the holes. Then a binder of coarse asphaltic concrete is poured, followed by a topping of fine asphaltic concrete.

Monday, July 12 is Novi School Meeting

The annual school meeting of District No. 8 of Novi Township will be held Monday, July 12 at the Novi school building beginning at 8:00 p. m. The purpose of the meeting will be to elect two trustees and to conduct any further business pertaining to school matters.

The Record Monday was presented with a June 29, 1906 edition of the paper by Mark Larkins of Taff Road. Gracing Page I was a picture of Mr. Larkins' uncle, George Larkins, then twenty-four years of age, who was promoted to the rank of cashier for the National Biscuit Company.

Elected To Board

REV. E. E. ROSSOW

Rev. E. E. Rossow was elected to the Church Extension Board at the State Conference of the Michigan District Lutheran Churches which was held at West Bethlehem Church in Detroit June 21 through 24.

Service Clubs Treat Bible School Pupils

The Exchange Club and the Rotary Club this week provided the annual treat to the boys and girls at the Community Vacation Church Schools. This custom was started some years ago by the late Dr. Mark A. Gardner when the two clubs were meeting together. At that time Dr. Gardner always had considerable sport in making this collection.

School Board Elects Officers

At an organizational meeting of the Northville School Board Wednesday evening, officers to begin their duties July 1, were elected. William Cansfield was re-elected president, George Stalkei was re-elected vice president, and Howard Atwood was re-elected secretary. Robert Coolman was elected treasurer succeeding Eural Clark to that position. Mr. Clark retired after serving several terms on the local board.

Vacation School to Close with Program

Vacation Bible School classes, which have been meeting daily at St. Paul's Lutheran Church since June 14, will come to a close tonight, Friday, at 8:00 p. m. with a program in the church. Demonstrations will be given by the various children's groups, followed by a period when the parents and friends will be invited to the church school hall to see a display of the work accomplished by the classes.

Teachers of the departments will serve refreshments following the program.

Rev. Rossow reports a very successful vacation school this year, having an average attendance of eighty pupils per day.

Fire Engine Called to Meadowbrook

The Northville Fire Department Monday noon was called to Meadowbrook Country Club on Eight Mile Road to extinguish a blaze in the roof over the kitchen quarters. The fire, according to fire department officials, began when sparks from the chimney caught hold on the roof.

The blaze was quickly extinguished, and the damages were said to be minor.

The Book Club met last Thursday afternoon for a dessert luncheon at the home of Mrs. E. M. Starkweather on Seven Mile Rd.

Council to Vote July 7, on Zoning

A large crowd turned out at the Village Hall Monday evening to participate in the special hearing on whether lot No. 227 and a portion of lot No. 228 be rezoned from an R-2 area to a C-2 area. In fact, the crowd was so large that President Conrad Langfield entertained a motion that the hearing be held at the Veterans' Memorial Hall. The crowd then convened at the hall on West Dunlap Street.

Discussion centered around whether Ordinance 123 of the Village of Northville should be amended to allow lot No. 227 and a portion of lot No. 228 to be used as a trade community in accordance with the statutes of Michigan to be limited each year to use only during horse race meetings or fair meetings and five days prior thereto and five days subsequent thereto which are held on the premises commonly known as the Northville fairgrounds.

The commission heard discussion both for and against the proposed zoning change. George Weiss, an adjoining property owner to the two lots involved, presented a petition signed by several property owners in that area protesting the change. Dr. L. W. Snow, representing the Northville Driving Club, presented statements from other property holders in that area and other local citizens who favored the proposed zoning ordinance change.

The Village commission will meet with President Langfield next Wednesday, July 7, to vote on whether the proposed change will become a law or not.

Recover Stolen Car Wednesday

Early Wednesday morning, Allen and Locke Motor Sales, Inc. of West Main Street was broken into and a new 1949 Ford stolen, said Chief of Police Joe Denton. The car has been recovered, he said, and Martin Graham who has been rooming at 124 Randolph Street, is being held on a charge of felony with unlawfully driving away a motor vehicle.

He was arraigned Thursday morning, he said, before Justice D. Harper Britton at the Village Hall. The man was apprehended by Washtenaw County Sheriff, he explained, when they noticed the new car with no license plates. After several miles chase, Denton continued, the car was stopped on a road near Jackson. Graham was taken to the police station at Ann Arbor, he said, and given a drunken driving test. He was found to be under the influence of alcohol, he said, and he has admitted breaking into the Allen and Locke Motors, Inc.

Denton said he made his entry by breaking into the back door, and driving out via the front. In the process, of driving out, he said, Graham damaged two other cars as well as the new one he was driving.

Motor City Open Is In Progress

The first annual Motor City Open Invitational was inaugurated this week at Meadowbrook Country Club. Headed by Ben Hogan, U.S. Open and this year's PGA champion, the country's top golfers went to the greens Thursday to vie for the \$15,000 in prizes in the 72 hole event which lasts through Sunday.

Preceding the Open, 46 of the top players paired with members of the Detroit Auto Dealers Association in an 18 hole affair Wednesday, with Marty Furgol taking the first prize, a Lincoln convertible.

Eighteen elderly patients of Maybury Sanatorium escaped injury Monday when a DSR bus in which they were riding caught fire at Grand River and Evergreen.

The last event will be a bubble gum contest for young and old alike.

Water Battle. Highlight of the day will be the water battle which will take place at 5:00 p. m. with teams from Northville, Plymouth, South Lyon, and Farmington taking part. This promises plenty of excitement for spectators.

Families are asked to pack picnic suppers and to join their friends for a basket lunch in the park.

Evening Program. The evening program will begin with President Conrad Langfield officially opening the new re-surfaced Main Street. Street dancing will follow. At 9:00 p. m. over \$1,000 worth of prizes will be given away.

The July 5th celebration is being sponsored by the local American Legion Post and all proceeds from this venture will be used for the purpose of sending the High School Band to Grand Rapids in August to march in the State Legion convention.

Citizens Asked to Give Blood

The Red Cross Mobile unit will visit Northville Thursday, July 29 from 1:00 to 5:00 p. m. and will be located at the Veterans' Memorial Hall, said George Locke, chairman of the blood bank drive.

In an effort to gain donors, he said, representatives from several local organizations and clubs met July 22 at the Village Library to organize the drive. These representatives have pledged their aid and will canvas villagers in an effort to gain their support.

Persons are eligible to give their blood who are between the ages of 21 and 60, or those who are between the ages of 18 and 21 may do so by securing written consent from their parents.

Appointments for blood donations may be made with Mrs. W. E. Forney, phone Northville 353-M, or 353-J.

The Veterans' Hospital, Dearborn, desperately needs the blood for ex-servicemen who are patients there. Northville has been asked to do its part for these men who are away for the most part from family and friends, who ordinarily would supply their needs.

SPRINGING UP CONVENTION HALL FOR BIG POW-BOWS. . . Come June 21, when the Republican national convention gets under way, and Philadelphia's municipal auditorium (convention hall) will be reconverted with canvas. At the moment, however, the hall is a maze of scaffolding, all of which will be removed for fear that some enthusiastic delegates might want to climb around in the rafters. The huge auditorium is in the process of being plastered, painted and fitted with special lighting equipment for the Republican and Democratic nominating conventions, both of which will be held there. The Democratic caucus will come off from July 12 to 17.

To the Editor

New York City, N.Y.
 June 28, 1948
 It was with great interest that the writer read the story in your issue of June 25 concerning the finding of the Baptist Church Records in the old home on South Center Street of the late Charles Harrington by Mrs. Michaels.
 When the Baptist Church held its centennial in 1935 I was asked to write the church history and while the original records were available and the subsequent ones were almost continuous there was a lack of exact records between 1846-1860, and especially the latter dates, 1899-1910.

The records found by Mrs. Michaels and written and recorded so painstakingly by the late Mrs. Harrington serve to substantiate what I at that time could only piece meagerly together.

I note that Mrs. E. D. Lapham of High Street came forward and clarified some of the names and their association with the Baptist Church, as she did so kindly at the time I was writing the church history.

It might be well to mention here that the late Mrs. Camilla Swift Dubuar, the mother of Mrs. Lapham, and Mrs. Swift's family were members of the Baptist Church choir around 1864 and according to the church records were members at that time.

The records as found by Mrs. Michaels and turned over to the Baptist Church, I was glad to read, this should make the history of that Church now a complete one on file in the church library.

CARD OF THANKS

Mr. William Canfield wishes to thank all of his friends and organizations who have been so kind in remembering him with cards, flowers, and visits. He feels keenly the interest shown

Reserve Officer Smith Graduates

Major Harry B. Smith, 471 N. Center street, was graduated Saturday, June 19, from the National Guard and Organized Reserve Officers' Indocination Class at The Infantry School, Fort Benning, Ga.

The special two weeks' course which he completed was designed, according to Infantry School officials, to orient the Army's civilian components, the National Guards and Organized Reserves, in current Army subjects. The 222 selected officer students who completed their schooling Saturday were brought up to date on present policies of the Army and the proposed organization of the Army.

In addition they were oriented on the latest trends of the Army concerning organization, equipment, weapons and doctrines. Along with this they were given refresher courses in leadership, staff and command functions.

The courses offered by The Infantry School answered many of the old complaints prevalent after World War I that too often reserve units called on active duty during emergencies or war were unfamiliar with current Army policies and programs. According to Infantry school officials, emphasis among the students who attended during the 1947-48 academic year was exceptionally high.
